Dear Chancellor Van Hook:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met May 8, 2014 to review the revised Substantive Change Proposals from College of the Canyons for the relocation of the Automotive Mechanic Technician and the new Medical Laboratory Technician Programs.

The Committee acted to approve both proposals.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, institutional effectiveness and educational quality.

Sincerely,

Susan B. Clifford, Ed.D.
