Documentation for “Petition for Course Repetition”

**Directions to the Student:**
If you need to repeat the EMT course or the EMT Refresher course, please print out and staple page two of this form to the “Petition for Course Repetition” form that may be obtained from Admissions and Records.

Mark box #2 – (mandated training) on the form. Don’t forget to sign and date and turn into Admissions and Records.

Once the admissions staff reviews the form, they will place you into the requested class as enrollment allows ON YOUR REGISTRATION DATE OR LATER. You must check daily to see if you have been added to the class, as you must pay the fees the same day or the computer will drop you.

Repeating Health Science 151 because:
- Received a “C”
- You successfully completed the EMT course and were certified, but let your certification lapse. Your EMT certification has lapsed over 24 months.

Repeating Health Science 153 because:
- You are repeating the course to obtain Continuing Education/Refresher course
Documentation for “Petition for Course Repetition”

To Admissions Staff: (Questions – please ask Debbie Sall or Steve Erwin)

EMTs, and former EMT students are required to repeat Health Science 151 or 153 for the following reasons.

Health Science 151 - may repeat if:
- their EMT card has expired more than 2 years,
- or they took the EMT class and never certified within 2 years of the date on the completion certificate
- or they received a "C" in the class

Health Science 153 - students need to take this class to recert their EMT certifications. In order to stay working, they need to take the class before the end of their expiration date. Their EMT cards expire every two years. This course includes updated policies and procedures required by LA County. The other reason a student needs to take this class is because they have completed the Health Science 151 class successfully, but have taken the NREMT exam three times and failed...in order to take it a 4th time they need to take the refresher.
