**THE ROUND HOUSE**

A NOVEL BY LOUISE ERDRICH

"One of the most revered novelists of our time—a brilliant chronicler of Native-American life—Louise Erdrich returns to the territory of her bestselling, Pulitzer Prize finalist The Plague of Doves with The Round House, transporting readers to the Ojibwe reservation in North Dakota. It is an exquisitely told story of a boy on the cusp of manhood who seeks justice and understanding in the wake of a terrible crime that upends and forever transforms his family”.
