Academic Senate Summary  
November 12, 2009

This meeting was held at the Canyon Campus. Thanks to Dena for her hospitality and the cookies!

Attendance: Michael Dermody, Michael Sherry, James Lorigan, Joan Jacobson, Lea Templer, Jose Martin, Ann Lowe, David Andrus, Cindy Stephens, Pamela Borrelli, Wendy Brill, Stan Wright, David Martinez, Dena Maloney, Diane Fiero, Debbi Rio, Tammera Rice, Mike Wilding, Edel Alonso and Barry Gribbons

The consent calendar was approved, which included the Academic Senate Summary for October 22, 2009; the Curriculum summary for October 15, 2009 and November 5, 2009; discipline assignments for Kathy Alfano, Victor Jadaon, Philip Marcellin, Edel Alonso, Melanie Lipman, Sam Otoo, Chuck Lyon, Elizabeth Shaker, Danielle Butts, Chelley Maple, Diana Watkins, Barry Gribbons, Bruce Pelkey, Dena Maloney, Dianne Van Hook, Len Mohney, Michael Wilding and Floyd Moos; David Martinez was pulled from consent calendar for further information.

CCC update, Dena Maloney informed the Senate that enrollment and persistence was up from last Fall, and that currently CCC offers thirteen degrees and hopes to add five more. They are starting water-friendly “themed” gardens, and are looking forward to a coffee service and not getting their coffee out of a machine.

Proposed Modifications to 50% law were discussed. These system-wide changes would clarify the definition of serious hardship in the context of the state’s current fiscal crisis, and would be in effect for fiscal years 2009-10 through 2012-13.

The Plagiarism Subcommittee committee has met. They are investigating ideas such as a Student Honor Code They are looking for anyone who is willing to share their syllabus with the committee to contact the committee.

A FLEX Survey was authorized by the Senate to get a “pulse of the faculty” on the current FLEX commitment.

The Program Review process held its “guinea pig” test last week, and produced some minor clarifications. The process, which was renamed “Program Review for Planning” was approved, with the understanding that the committee will continue to work on continued revisions/clarifications including possible “peer reviews”.

The Proposed EEO Plan, required by Title V, was presented by Diane Fiero. Although there was tentative consensus on the proposal, there were some clarifications that the Senate requested. Diane will return at the next meeting.

Proposed Board Policy 5900 (grading) and 5901 (course repetition) were discussed. Again, while there was general consensus, some clarifications were requested. Additional Board Policy proposals were tabled until next meeting.

Catalog Rights

The Statewide Academic Senate requested a legal opinion from the Chancellor’s Office regarding Castlog rights as students move from one college to another college. The original can be found on the Chancellors Office Website at http://www.cccco.edu/ChancellorsOffice/Divisions/Legal/LegalOpinions/tabid/293/Default.aspx

Subject: Application of Catalog Rights to New Degree Requirements
Legal Opinion 09-04

QUESTION
Are colleges obligated to recognize catalog rights held by students at other colleges?

CONCLUSION
Catalog rights are based in contract law and students can enforce the catalog rights only against the original college. However, colleges are authorized to grant additional rights to students on a permissive basis.

ANALYSIS
In 2007, the Board of Governors adopted changes to title 5 increasing the minimum requirements for an Associate Degree. California Code of Regulations title 5, section 55063 now requires that a student entering a college in Fall 2009 or thereafter must satisfactorily complete Intermediate Algebra and Freshman Composition (or equivalent courses). Students who enrolled prior to Fall 2009 are subject to the old requirements of Elementary Algebra and an English course one level below Freshman Composition.

As a result of the new Math and English graduation requirements, a question has arisen regarding students who transfer units from a sister college. Colleges routinely accept units from sister colleges, but it’s less clear how to deal with students who completed the lower level requirements at another institution prior to Fall 2009. Are colleges required to accept “catalog rights” from other colleges and grant degrees based on the old requirements, and if not required, are they permitted to do so?

In Legal Opinion 91-02, the California Community Colleges Chancellor’s Office provided “ample authority for the proposition that a college catalog constitutes a written contract between the institution and the student where the student enters the school under the terms of the catalog.” Catalog rights, therefore, are governed by the basic principles of contract law. However, because the specific application of contract law can be complex, the Chancellor’s Office has indicated that Opinion 91-02 is “problematic.” As there is no specific reference in Education Code or title 5 that refers to “catalog rights” for community college students, questions regarding catalog rights are best answered by legal counsel at the colleges with experience in contract law.

Title 5, section 55005 requires that colleges publish certain information about courses in “college publications” which usually include a college catalog and class schedules for every term, but neither type of document is specified. Title 5, section 55063 defines the minimum requirements for the associate degree at the California community colleges. In the fifth paragraph (not numbered), the section states, “The required 60 semester or 90 quarter units of course work must be fulfilled in a curriculum accepted toward the degree by a college within the district (as shown in its catalog).” The second and third
paragraphs (not numbered) begin, “Effective for all students admitted to a community college for the Fall 2009 term or any term thereafter. . . .” and each states the standards for competence in composition and mathematics. It is implied that students who were admitted to a community college prior to the Fall 2009 term may be allowed to meet lower standards as they were described in a previous college catalog.

From these regulations and standards, it is clear that the college must maintain a catalog but there is no mention of “catalog rights” that determine which students must complete the requirements published in the catalog. Historically, districts and colleges have determined their own policy in regard to student enrollment and academic requirements. However, as stated above, catalog rights exist between a student and college and generally support the view that students should not be subjected to changes after entering the institution.

Title 5, section 55063 is very clear that the new competencies in English and mathematics are “Effective for all students admitted to a community college for the Fall 2009 term or any term thereafter. . . .” Thus, they are required for students who are admitted and enroll in courses for the first time in Fall 2009 or any later term. In addition, section 55063(a)(2) also requires that these students must complete each course counted toward the major or area of emphasis “with a grade of C or better or a ‘P’ if the course is taken on a ‘pass-no pass’ basis.” Students enrolled prior to Fall 2009 have “catalog rights” and are not subject to the new degree requirements.

Many of our students attend multiple institutions and there is interest in allowing students who have pre-Fall 2009 catalog rights at one college to exercise those rights at a subsequent college. The legal answer to this question is clearly no because, under contract law principles, the new college does not have an obligation to recognize catalog rights gained at another institution. The student has catalog rights at the new college based on the written catalog in effect when the student enters the new college. Thus, the second or subsequent college is not required to recognize catalog rights from another college.

On the other hand, there is nothing to prevent a college from voluntarily recognizing the old catalog rights. This is most likely to occur within a community college district, but it is not limited to that circumstance. Some multi-college districts have established a policy whereby students may be allowed “catalog rights” to any college within the district in order to allow students to complete courses at more than one college in the district. This represents a permissive expansion of the student’s contractual catalog rights.

The same principle would apply to colleges outside the district; a college or district could adopt a policy that provides recognition for catalog rights gained elsewhere. However, colleges should be careful about doing this because once this door is opened it will be difficult to control and colleges could be asked to accept very old and outdated catalog rights. This concern could be addressed by careful drafting of such a policy, but because of the complexities of contract law, it is recommended that legal counsel at the colleges be consulted before allowing for an expansion of catalog rights.

Equal Employment Opportunity Plan  
DRAFT – Revision IV  
**December 8, 2009**  
Santa Clarita Community College District

I. **Introduction**
The Santa Clarita Community College District Equal Employment Opportunity Plan (*Plan*) was adopted by the governing board on [date tbd]. The *Plan* reflects the District’s commitment to equal employment opportunity. It is the District’s belief that taking active and vigorous steps to ensure equal employment opportunity and creating a working and academic environment, which is welcoming to all, will foster diversity and promote excellence.

Through an educational experience in an inclusive environment, our students will be better prepared to work and live in an increasingly global society. The *Plan*’s immediate focus is equal employment opportunity in its recruitment and hiring policies and practices pursuant to the applicable Title 5 regulations (section 53000 et seq.) The *Plan* also includes the requirements for a complaint procedure for noncompliance with the Title 5 provisions relating to equal employment opportunity programs; complaint procedures in instances of unlawful discrimination; establishment of an Equal Employment Opportunity Advisory Committee; methods to support equal employment opportunity and an environment which is welcoming to all; and procedures for dissemination of the *Plan*. To properly serve a growing diverse population, the District will endeavor to hire and retain faculty and staff who are sensitive to, and knowledgeable of, the needs of the continually changing student body it serves.

Dr. Dianne G. Van Hook  
Chancellor

II. **Definitions**

a. **Adverse Impact**: means a statistical measure (such as those outlined in the EEO Commission’s Uniform Guidelines on Employee Selection Procedures) that is applied to the effects of a selection procedure and demonstrates a disproportionate negative impact on any group defined in terms of ethnic group identification, gender, or disability. A disparity identified in a given selection process will not be considered to constitute adverse impact if the numbers involved are too small to permit a meaningful comparison.

b. **Business Necessity**: means circumstances which justify an exception to the requirements of Title 5 section 53021(b)(1) because compliance with that section would result in substantial additional financial cost to the District or pose a significant threat to human life or safety. Business necessity requires greater financial cost than mere business convenience. Business necessity does not exist where there is an alternative that will serve business needs equally well.
c. **Cultural Proficiency:** means the level of knowledge-based skills and understanding that are required to successfully teach and interact with students and to work effectively with colleagues from a variety of cultures by holding all forms of cultural difference in high esteem; a continuing self-assessment of one’s values, beliefs and biases grounded in cultural humility; an ongoing vigilance toward the dynamics of diversity, difference and power; and the expansion of knowledge of cultural practices that recognize cultural bridges as going both ways. Culturally proficient services require that both the individual and the institution be culturally proficient. (Based on *Cultural Proficiency: A Manual for School Leaders* by Randall B. Lindsey, Kkanza Nuri Robins, and Raymond D. Terrell Corwin Press, 2003)

d. **Diversity:** means a condition of broad inclusion in an employment environment that promotes equal employment opportunity and respect for all persons. A diverse educational community recognizes the educational benefits that flow from employee populations that are varied by race, gender, disability status, belief, age, national origin, cultural background, life experience and other enriching characteristics. **Diversity is not the same as the definition for monitored groups as defined by Title V of the California Code of Regulations referenced in item j of this section.**

e. **Equal Employment Opportunity (EEO):** means that all qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the District. Equal employment opportunity should exist at all levels and in all job categories listed in Title 5 section 53004(a). Ensuring equal employment opportunity also involves creating an environment that fosters cooperation, acceptance, democracy, and free expression of ideas and that is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination by Title 5, section 53000 et seq.

f. **Equal Employment Opportunity Officer:** means the designated person in charge of administering the District’s EEO plan as well as investigating EEO complaints.

g. **Equal Employment Opportunity Plan:** means a written document in which a district’s workforce is analyzed and specific plans and procedures are set forth for ensuring equal employment opportunity.

h. **Equal Employment Opportunity Programs:** means all the various methods by which equal employment opportunity is ensured. Such methods include, but are not limited to, using nondiscriminatory employment practices, actively recruiting, monitoring and taking additional steps consistent with the requirements of California Code of Regulations, Title 5 section 53006.
   1. **Ethnic Minorities:** American Indians or Alaskan natives, Asians or Pacific Islanders, Blacks/African-Americans, and Hispanics/Latinos.
   2. **Ethnic Group Identification:** means an individual’s identification in one or more of the ethnic groups reported to the State Chancellor pursuant to California Code of Regulations, Title 5 section 53004. These groups shall be more
specifically defined by the State Chancellor consistent with state and federal law.

i. **In-house or Promotional Only Hiring:** means that only existing District employees are allowed to apply for a position.

j. **Monitored Group:** means those groups identified by the State Chancellor’s Office in California Code of Regulations, Title 5 section 53004(b) for which monitoring and reporting is required pursuant to California Code of Regulations, Title 5 section 53004(a).

**Current monitored groups include:**

1. **American Indian/Alaskan Native**
2. **Asian**
3. **Black/African-American**
4. **Caucasian**
5. **Hispanic**
6. **Native Hawaiian/Other Pacific Islander**

k. **Person with a Disability:** means any person who (1) has a physical or mental impairment as defined in California Government Code, section 12926 which limits one or more of such person’s major life activities, (2) has a record of such an impairment, or (3) is regarded as having such an impairment. A person with a disability is “limited” if the condition makes the achievement of the major life activity difficult.

l. **Reasonable Accommodation:** means the efforts made on the part of the District to remove artificial or real barriers, which prevent or limit the employment and upward mobility of persons with disabilities. “Reasonable accommodations” may include the items designated in California Code of Regulations, Title 5 section 53025.

m. **Screening or Selection Procedures:** means any measure, combination of measures, or procedures used as a basis for any employment decision. Selection procedures include the full range of assessment techniques, including but not limited to: traditional paper and pencil tests; performance tests; physical, educational, and work experience requirements; interviews; and review of application forms.

### III. Policy Statement

The Santa Clarita Community College District is committed to the principles of equal employment opportunity and will implement a comprehensive program to put those principles into practice. It is the District’s policy to ensure that all qualified applicants for employment and employees have full and equal access to employment opportunity, and are not subjected to discrimination in any program or activity of the District on the basis of ethnic group identification, race, color, national origin, religion, age, sex, physical disability, mental disability, ancestry, sexual orientation, marital status, veteran status, medical condition, or on the basis of these perceived characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.¹ The District will strive to achieve a workforce that is welcoming to men, women, persons with disabilities and individuals from all ethnic and other groups to ensure the District provides an inclusive educational and employment environment. Such an environment fosters cooperation, acceptance, democracy and free expression of ideas. An Equal Employment Opportunity Plan will be maintained to
ensure the implementation of equal employment opportunity principles that conform to federal and state laws.

IV. Delegation of Responsibility, Authority and Compliance

It is the goal of the Santa Clarita Community College District that all employees promote and support equal employment opportunity because equal employment opportunity requires a commitment and a contribution from every segment of the District. The general responsibilities for the prompt and effective implementation of this Plan are set forth below.

a. Governing Board
   The governing board is ultimately responsible for proper implementation of the District’s Plan at all levels of district and college operation, and for ensuring equal employment opportunity as described in the Plan.

b. Chief Executive Officer
   The governing board delegates to the chief executive officer the responsibility for ongoing implementation of the Plan and for providing leadership in supporting the District’s equal employment opportunity policies and procedures. The chief executive officer shall advise the governing board concerning statewide policy emanating from the Board of Governors of the California Community Colleges and direct the publication of an annual report on Plan implementation. The chief executive officer shall evaluate the performance of all administrative staff who report directly to him/her on their ability to follow and implement the Plan.

c. Equal Employment Opportunity Officer
   The District has designated the Assistant Superintendent/Vice President, Human Resources as its Equal Employment Opportunity Officer who is responsible for the day-to-day implementation of the Plan. If the designation of the Equal Employment Opportunity Officer changes before this Plan is next revised, the District will notify employees and applicants for employment of the new designee. The Equal Employment Opportunity Officer is responsible for administering, implementing and monitoring the Plan and for assuring compliance with the requirements of Title 5, sections 53000 et seq. The Equal Employment Opportunity Officer is also responsible for receiving complaints described in Section 6 and for ensuring that applicant pools and selection procedures are properly monitored.

d. Equal Employment Opportunity Advisory Committee
   The District has established an Equal Employment Opportunity Advisory Committee to act as an advisory body to the Equal Employment Opportunity Officer and the District as a whole to promote understanding and support of equal employment opportunity policies and procedures. The Equal Employment Opportunity Advisory Committees assists in the development and implementation of the Plan in conformance with state and federal regulations and guidelines, monitors equal employment opportunity progress, and provides suggestions for Plan revisions as appropriate.

e. Agents of the District
   Any organization or individual, whether or not an employee of the District, who acts on behalf of the governing board with regard to the recruitment and screening of personnel, is an agent of the District and is subject to all the requirements of this Plan and will be given a copy of it.

f. Good Faith Effort
   The District shall make a continuous good faith effort to comply with all the requirements of its Plan.
V. **Advisory Committee**

The District has established an Equal Employment Opportunity Advisory Committee (EEOAC) to assist the District in implementing its Plan. The committee may also assist in promoting an understanding and support of equal opportunity and nondiscrimination policies and procedures. The committee may serve as a pilot group for the newly revised hiring committee training, sponsor events and/or additional training, or other activities that promote equal employment opportunity, nondiscrimination, retention and diversity. The Equal Employment Opportunity Officer shall train the advisory committee on equal employment compliance and the Plan itself. The committee shall include a diverse membership whenever possible. A substantial good faith effort to maintain a diverse membership is expected. If the District has been unable to meet this requirement, it will document that efforts were made to recruit advisory committee members who are members of monitored groups. The committee will be composed of four faculty members, four classified members, four administrators/managers, and one to two students, if available. Ex officio members shall include the human resources director, the Equal Employment Opportunity Officer, the Title IX officer, and the ADA coordinator.

The Equal Employment Opportunity Advisory Committee will be chaired by the Equal Employment Opportunity Officer and shall hold a minimum of four (4) meetings per fiscal year, with additional meetings if needed to review EEO and diversity efforts, programs, policies, and progress. When appropriate, the advisory committee shall make recommendations to the Equal Employment Opportunity Officer, the Chief Executive Officer, and the Governing Board.

VI. **Complaints**

**Complaints Alleging Violation of the Equal Employment Opportunity Regulations (Title 5 Section 53026).** The District established the following process permitting any person to file a complaint alleging that the requirements of the equal employment opportunity regulations have been violated. Any person who believes that the equal employment opportunity regulations have been violated may file a written complaint describing in detail the alleged violation. All complaints shall be signed and dated by the complainant and shall contain, to the best of the complainant’s ability, the names of individuals involved, the date(s) of the event(s) at issue, and a detailed description of the actions constituting the alleged violation. Complaints involving current hiring processes must be filed as soon as possible after such occurrence of the alleged violation and not later than sixty (60) days after such occurrence unless the complainant can verify compelling reason for the District to waive the sixty (60) day limitation. Complaints alleging violations of the Plan that do not involve current hiring processes must be filed as soon as possible after the occurrence of an alleged violation and not later than ninety (90) days after such occurrence unless the violation is ongoing. As directed by the State Chancellor’s office, the decision of the District in complaints pursuant to section 53026 is final.

The District may return without action any complaints that are inadequate because they do not state clear violation of the EEO regulations. All returned complaints must include a district statement of the reason for returning the complaint without action.

The complaint shall be filed with the Equal Employment Opportunity Officer. If the complaint involves the Equal Employment Opportunity Officer, the complaint may be filed with the Chief Executive Officer. A written determination on all accepted written complaints will be issued to
the complainant within ninety (90) days of filing the complaint. If this is not practical, a written notification will be provided to the complainant as to the reasons for the extension and estimated date of completion. The Equal Employment Opportunity Officer will forward copies of all written complaints to the State Chancellor’s office upon receipt. In the event that a complaint filed under section 53026 alleges unlawful discrimination, it will be processed according to the requirements of section 59300 et seq.

**Complaints Alleging Unlawful Discrimination or Harassment (Section 59300 et seq.).** The District has adopted Board Policies # 811 and 812 for complaints alleging unlawful discrimination or harassment. The Assistant Superintendent/Vice President of Human Resources is responsible for receiving such complaints and for coordinating their investigation.

**VII. Notification to District Employees**

The commitment of the governing board and the Chief Executive Officer to equal employment opportunity is emphasized through the broad dissemination of its Equal Employment Opportunity policy statement and the Plan. The policy statement will be printed in the college catalogs and class schedules. The Plan and subsequent revisions will be distributed to all District employees, Foundation employees, and the Governing Board. The Plan will be available on the District’s Website, and when appropriate, distributed by e-mail. The Office of Human Resources will provide all new employees with a copy of the written notice described above when they commence employment with the District. Each year, the District will inform all employees of the Plan’s availability including a written summary of the provisions. The annual notice will:

a. Emphasize the importance of the employee’s participation and responsibility in ensuring the Plan’s implementation, and;

b. Provide notification on where complete copies of the Plan are available, including in every campus library, on the District Internet site, the Office of the Chief Executive Officer, and the Office of Human Resources.

**VIII. Training for Screening/Selection Committees**

Any individual, whether or not an employee of the District, acting on behalf of the District with regard to recruitment and screening/selection of personnel, is subject to the equal employment opportunity requirements of Title 5 and the District’s Equal Employment Opportunity Plan. Such an individual shall receive appropriate training on the following:

a. The requirements of the Title 5 regulations on equal employment opportunity (section 53000 et seq.),

b. The requirements of federal and state nondiscrimination laws,

c. The requirements of the District’s Equal Employment Opportunity Plan,

d. The District’s policies on nondiscrimination, recruitment, and hiring,

e. Principles of diversity and cultural proficiency,

f. The value of a diverse workforce, and

g. Recognizing bias.

Persons serving in the above capacities will be required to receive training within the 12 months prior to service. This training is mandatory; individuals who have not received this
training will not be allowed to serve on screening/selection committees. The District’s Equal Employment Opportunity Officer ensures that the required training is provided.

IX. **Annual Written Notice to Community Organizations**

The Equal Employment Opportunity Officer will provide annual written notice to appropriate community-based and professional organizations concerning the *Plan*. The notice will include a summary of the *Plan*, inform these organizations how they may obtain a copy and shall solicit their assistance in identifying diverse qualified candidates. The notice will also include the Internet address where the District advertises its job openings and the Office of Human Resources phone number to call in order to obtain employment information. The District will actively seek to reach those institutions, organization, and agencies that may be recruitment sources, especially for underrepresented populations. A list of organizations, which will receive this notice, is attached to this *Plan*. This list may be revised from time to time as necessary.

X. **Analysis of District Workforce and Applicant Pool**

The Human Resources Office will annually survey the District’s workforce composition and shall monitor applicants for employment on an ongoing basis to evaluate the District’s progress in implementing the *Plan*, to provide data needed for the reports required by this *Plan* and to determine whether any monitored group is underrepresented. Monitored groups include men, women, American Indians or Alaskan natives, Asians or Pacific Islanders, Blacks/African-Americans, Hispanics/Latinos, Caucasians, and persons with disabilities. For purposes of the survey and report each applicant or employee will be afforded the opportunity to voluntarily identify her or his gender, ethnic group identification and, if applicable, her or his disability. Persons may designate two ethnicities they identify with, but shall be counted in only one ethnic group for reporting purposes. This information will be kept confidential and will be separated from the applications that are forwarded to the screening/selection committee and hiring administrator(s). If additional colleges are added to the District, this survey will be done for each college in the District. The District will annually report to the State Chancellor the results of its annual survey of employees. At least every three years the *Plan* will be reviewed and, if necessary, revised based on an analysis of the ethnic group identification, gender and disability composition of existing staff and of those who have applied for employment in each of the following identified job categories:

1. Executive/Administrative/Managerial
   - Full-time and Part-time Faculty and other Instructional Staff in the following departments/programs:
     - Admin. of Justice
     - Animation
     - Anthropology
     - Art
     - Astronomy/Physics

     - Early Childhood Education
     - Economics
     - Engineering
     - English
     - ESL
     - Fire Technology
     - Geography
XI. **Other Measures Necessary to Further Equal Employment Opportunity**

The District recognizes that multiple approaches are appropriate to fulfill its mission of ensuring equal employment opportunity and the creation of a diverse workforce. Equal employment opportunity means that all qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the District. Equal employment opportunity should exist at all levels and in all job categories. Ensuring equal employment opportunity also involves creating an environment that fosters cooperation, acceptance, democracy, and free expression of ideas and is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination. To that end the District will implement a diversity program. Having a district that has accepted principles of diversity and multiculturalism can make implementation and maintenance of an effective equal employment opportunity program much easier. For that reason, institutionalizing a diversity program that is visible, well planned out, well funded, and supported by the leadership of the District can be of great value. The District will sponsor cultural events and speakers on issues dealing with diversity, and explore how to infuse diversity into the classroom and curriculum. The District will promote the concept of cultural proficiency and will work with the collective bargaining units towards developing an evaluation form that integrates diversity into the evaluation of employees. The District will also promote learning opportunities and personal growth in the area of diversity and evaluate how the physical environment can be responsive to its diverse employee and student populations. Pending budget availability, in implementing a diversity program the District shall strive to:
a. Establish an Office of Diversity that is part of the structure of the District and that will be adequately funded and supported by the District leadership;
b. Conduct campus climate studies to identify hidden barriers;
c. Include guest speakers from monitored groups who are in leadership positions and who may inspire students and employees alike;
d. Highlight the District’s equal employment opportunity and diversity policies in job announcements and in its recruitment, marketing, and other publications;
e. Conduct diversity dialogues, forums, and cross-cultural workshops;
f. Work with the District’s Curriculum Committee and the Professional Development’s Faculty Development Committee to assist in the development of a “Diversity Instructional Tool Kit” as a resource for faculty to infuse diversity and multiculturalism into their instruction or services to students;
g. Review and revise college/district publications and other marketing tools to reflect diversity in pictures, graphics, and text to project an inclusive image;
h. Recognize and value staff and faculty who have promoted diversity and equal employment opportunity principles by awarding a yearly diversity recognition award;
i. Offer a series of EEO/diversity workshops at instructional improvement days (flex week or staff development day) accessible to all employees;
j. Evaluate administrators on their efforts to meet the District’s equal employment opportunity and diversity efforts;
k. Establish an “Equal Employment Opportunity and Diversity” online presence by highlighting the District’s diversity and equal employment opportunity, ADA, sexual harassment and nondiscrimination policies, procedures and programs on the District’s Website. The Website will also list contact persons for further information on all of these topics;
l. Promote sabbaticals that will assist the District in achieving its equal employment opportunity and diversity objectives;
m. Promote various cultural celebrations and diversity activities on campus through the District’s Diversity Partnership Committee;
n. Recognize multilingualism and knowledge of multiculturalism as a desired, and when appropriate, required skill and qualification for community college employees;
o. Consider alternative educational or experience requirements for nonacademic positions;
p. Ensure that top administrative staff support diversity objectives and that the diversity and/or Equal Employment Opportunity Officer position is maintained as a cabinet or other high-level administrative position;
q. Consider seeking input from student, professional, community and other organizations that represent the diverse community we serve on matters related to the District’s EEO and diversity efforts, as appropriate;
r. Make progress on diversity activities designed to promote student success for all students which have been identified in the District’s Student Equity Plan.

XII. Persons with Disabilities
Reasonable Accommodations

Applicants and employees with disabilities shall receive reasonable accommodations consistent with the requirements of Government Code, sections 11135 et seq. and 12940(m); section 504 of the Rehabilitation Act of 1973; and the Americans with
Disabilities Act. Such accommodations may include, but are not limited to, job site modifications, job restructuring, part-time work schedules, flexible scheduling, reassignment to a reasonably equivalent vacant position, adaptive equipment, and auxiliary aides such as readers, interpreters, and notetakers.

The Human Resources Benefits Coordinator is responsible for handling requests for accommodations from current employees. The Senior Human Resources Generalist facilitating the applicable recruitment is responsible for handling requests from applicants seeking such accommodations during the application process. Requests for accommodation must be made in writing.

1) Monitoring Representation of Persons with Disabilities
The District will monitor representation of persons with disabilities in applicant pools, throughout the recruitment process, and in its employee population. The District will make every effort to remove barriers in hiring and employment processes to ensure these processes do not adversely affect persons with disabilities.

XIII. Benefits of Employment in Community Colleges
The District will encourage community college students to become qualified for, and seek employment as, community college employees. The District shall research and inform students about programs that may assist them to complete their graduate studies and become community college employees. The District will disseminate information through a variety of mediums likely to reach or be accessible by students. Efforts will be made to inform graduate students in local colleges and universities about the benefits of employment at a community college.

END NOTES:

1Individuals in the protected categories bolded above, and those perceived as having or associated with persons or groups having one or more of these characteristics, are covered by the nondiscrimination regulations adopted by the Board of Governors (Title 5, sections 59300 et seq.). Individual districts may broaden the scope of protected categories, and in some cases may be required to do so by other law or local ordinance. 2Cultural proficiency means the level of knowledge-based skills and understanding that are required to successfully teach and interact with students and to work effectively with colleagues from a variety of cultures by holding all forms of cultural difference in high esteem; a continuing self-assessment of one’s values, beliefs and biases grounded in cultural humility; an ongoing vigilance toward the dynamics of diversity, difference and power; and the expansion of knowledge of cultural practices that recognize cultural bridges as going both ways. Culturally proficient services require that both the individual and the institution be culturally proficient. (Based on Cultural Proficiency: A Manual for School Leaders by Randall B. Lindsey, Kkanza Nuri Robins, and Raymond D. Terrell Corwin Press, 2003)

5900.1A: Credit, No Credit, Pass, No Pass Grading

The District may offer courses in either or both of the following categories and shall specify in the catalog the category into which each course falls:

5900.1A(1) Courses wherein all students are evaluated on a “credit-no-credit/pass-no pass” basis.

5900.1A(2) Courses wherein each student may elect on registration, or no later than the end of the first 30% of the term, whether the basis of evaluation is to be “credit-no-credit/pass-no pass” or a letter grade. Once selected a student may not reverse the grading option for the course.

5900.1A(3) All units earned on a “credit-no-credit/pass-no pass” basis in accredited California institutions of higher education or equivalent out-of-state institutions shall be counted in satisfaction of community college curriculum requirements.

5900.1A(4) Units earned on a “credit-no-credit/pass-no pass” basis shall not be used to calculate grade point averages. However, units attempted for which “NC/NP” is recorded shall be considered in probation and dismissal procedures.

5900.1A(5) Independent study courses may be graded on a “credit-no-credit/pass-no pass” basis in accordance with this policy.

5900.1A(6) For courses in which there is a single standard of performance for which unit credit is assigned, the “CR/NC P/NP” grading system shall be used to the exclusion of other grades. Credit Pass shall be assigned for meeting that standard, no credit No Pass for failure to do so.
5900.2 The “FW” grade symbol will be used to indicate that a student has both ceased participating in a course some time after the last day to officially withdraw from the course without having achieved a final passing grade, and that the student has not received district authorization to withdraw from the course under extenuating circumstances.

5900.2A For the purposes of calculating grade points, and for determining academic standing per District Policy 5906, the “FW” symbol will be treated in the same manner as the “F”.

5900.2B For the purposes of determining course repetition per District Policy 5901. The FW symbol will be treated in the same manner as the “F”.

5900.3 Per the California Code of Regulations, Title 5, Section 55023(e) the District will use the following non-evaluative symbols:

5900.3A: Incomplete (I)

Incomplete academic work for unforeseeable, emergency and justifiable reasons at the end of the term may result in an “I” symbol being entered in the student's record. The condition for the removal of the “I” shall be stated by the instructor in a written record. This record shall contain the conditions for the removal of the “I” and the grade assigned in lieu of its removal. This record must be given to the student with a copy on file with the registrar until the “I” is made up or the time limit has passed. A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has passed.

5900.3A (1) The “I” must be made up prior to the end of the ensuing semester in which the Incomplete was assigned.

5900.3A (2) Students who have been issued an “I” symbol may not re-enroll in the same course while the “I” is pending completion.

5900.3A (3) An Incomplete may not be issued unless the withdrawal deadline for the course has passed

5900.3A (4) The instructor and student must mutually agree to issue an Incomplete.

5900.3A(5) The “I” symbol shall not be used in calculating units attempted or for grade points. However, per District Policy 5906, the “I” is used when calculating progress probation and dismissal.

5900.3 A (6) The District board shall adopt and publish a process whereby a student may petition for a time extension due to unusual circumstances.

5900.3B: In Progress (IP)

The “IP” symbol shall be used only in those courses that extend beyond the normal end of an academic term. It indicates that work is “in progress,” but that assignment of an evaluative symbol (grade) must await its completion. The “IP” symbol shall remain on the student's permanent record in order to satisfy enrollment documentation. The appropriate evaluative symbol (grade) and unit credit shall be assigned and appear on the student's permanent record for the term in which the course is completed.

5900.3B (1) The “IP” shall not be used in calculating grade point averages
5900.3B(2) If a student enrolled in an “open-entry, open-exit” course is assigned an “IP” at the end of an attendance period and does not re-enroll in that course during the subsequent attendance period, the appropriate faculty will assign an evaluative symbol (grade) in accordance with this policy to be recorded on the student's permanent record for the course.

5900.3C: Report Delayed (RD)

The “RD” symbol may be assigned by the registrar Admissions & Records office only. It is to be used when there is a delay in reporting the grade of a student due to circumstances beyond the control of the student. It is a temporary notation to be replaced by a permanent symbol as soon as possible.

5900.3C(1) “RD” shall not be used in calculating grade point averages.

54900.3D: Withdrawal (W)

Withdrawal from a class or classes shall be authorized through 50% of the term.

5900.3D(1) The academic record of a student who remains in a class beyond the time allowed by district policy must reflect a symbol as authorized in this Section other than a “W.”

5900.3D(2) In accordance with Title 5, section 55024, a student may receive no more than four withdrawals for any one course. The withdrawals may be submitted by a student, an instructor, or by petition. A student may not earn a fifth withdrawal for any one course. On the fifth attempt to take the same course, a grade other than a “W” must be assigned by the instructor and will appear on the student’s academic record beyond the fourth week, or 30% of the term, whichever is less.

5900.3D(3) Students may withdraw from a class or classes in verifiable extenuating circumstances after 50% of the term upon petition (to the Academic Standards Committee) by the student, or his or her representative, and after consultation with the instructor(s) or appropriate faculty. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student.

5900.3D(4) No notation (“W” or other) shall be made on the academic record of the student who withdraws during the first four weeks, or 30% of a term, whichever is less. A student who misses the established deadline to withdraw with no notation (“W” or other) may petition for a complete withdrawal without a “W” by submitting documentation of verifiable extenuating circumstances that occurred during the first four weeks or 30% of the term.

5900.3D(5) Withdrawal after the end of 50% of a term when the district has authorized such withdrawal in extenuating circumstances, after consultation with appropriate faculty, shall be recorded as a "W." A student who completes a course, for example, by taking a final exam, turning in a final paper or project, or giving a final speech or performance, is not eligible for a late withdrawal under any circumstance.

5900.3D(6) For purposes of withdrawal policies, the term “appropriate faculty” means the instructor of each course in question or, in the event the instructor cannot be contacted, the department chair, division dean, or appropriate administrator, will act on behalf of the instructor.

NOTE FOR SENATE DISCUSSION: Title 5 language: 55024 (a)(6): “For purposes of withdrawal policies, the term “appropriate faculty” means the instructor of each
course section in question, or in the event the instructor cannot be contacted, the department chair, or appropriate administrator.” In the proposal this was expanded to include the Division Dean.

5900.3D(7) The “W” shall not be used in calculating grade point averages, but excessive “W”s (as defined in District Policy 5906) shall be used as factors in probation and dismissal procedures.

5900.3D(8) All petitions for withdrawals without a “W” or withdrawals with a “W” must be completed and submitted to the Academic Standards Committee no later than one year subsequent to the end of the term for which the student is requesting the withdrawal. This one-year timeframe also applies to student’s who enroll in a class or classes and never attend. Students may appeal to the Chief Student Services Officer for an extension of this time limit. Appeals must be based upon extenuating circumstances as defined elsewhere in this policy.

5900.3D(9) A maximum of 15 cumulative units taken at College of the Canyons may be notated as “W” through the petition process, unless a recommendation is made by an academic counselor. This does not preclude students from withdrawing themselves using the standard method.

5900.3D(10) According to Title 5, section 55024, a “W” shall not be assigned, or if assigned shall be removed, from a student’s academic record, if a determination is made that the student withdrew from the course due to discriminatory treatment, or due to retaliation for alleged discriminatory treatment, or that the student reasonably believed that remaining in the course would subject him or her to discriminatory treatment.

5900.3D(11) A “W” shall not be assigned to a student subject to fire, flood or other natural disasters. Students affected by this type of situation should file a petition to the academic standards committee to remove the “W.”

5900.4E: Military Withdrawal (MW)

“Military Withdrawal” occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol may be assigned at any time after the period established by the district during which no notation is made for withdrawals. The withdrawal symbol so assigned shall be a “MW.”

5900.4E(1) Military withdrawals shall not be counted in progress probation and dismissal calculations.

5900.4E(2) In no case would a military withdrawal result in a student being assigned an “FW” grade.

5900.4E(3) Military withdrawals shall not be counted in the total of four withdrawal limitation of any one course.

5901 The Santa Clarita Community College District has adopted the following policy with regard to course repetition. Nothing in this policy shall conflict with Education Code section 76224 or Title 5 section 55025 that pertaining to the finality of grades assigned by instructors or pertaining to the retention and destruction of student records.

5901.1 Definitions

A. “Course repetition” occurs when a student who has previously received a grade in a particular course reenrolls in that course and receives a subsequent grade.

B. For the purposes of course repetition, academic renewal, and all other grade related issues, substandard grades shall be defined as meaning course work for which the student has earned a “D,” “F,” “FW,” and/or “NP.”

C. For the purpose of course repetition, academic renewal, and all other grade related issues, non-substandard grades shall be defined as meaning course work for which the student has earned a “C,” “B,” “A,” or “P”

D. For the purpose of this policy “Extenuating Circumstances” is taken to mean verified cases of accidents, illness, or other life changing events beyond the control of the student.

E. For the purpose of this policy “Activity Courses” are those that allow the student to meet course objectives by repeating a similar primary educational activity and gain expanded educational experience each time the course is taken. Activity courses consist of courses in physical education, visual and performing arts courses in music, fine arts, theater or dance.

5901.2 Course repetition conditions in this policy will:

A. Designate certain types of course as “repeatable courses” consistent with Title 5 section 55041 and the number of course repetitions allowed for each course will be published annually in the College catalog.

B. Allow a student to repeat a course in an effort to alleviate substandard grade.

C. Permit or require a student to repeat a course due to significant lapse of time.

D. Permit a student to repeat a portion of a variable unit open-entry/open-exit course.

E. Permit a student to repeat a course to meet a legally mandated training requirement as a condition of continued or volunteer employment.

F. Permit a student to repeat a course, which is not designated repeatable, regardless of whether or not substandard academic work was previously recorded, when there are extenuating circumstances which justify the repetition.
G. Permit a student to repeat a course in general or occupational work experience. When an occupational course is repeated, the grade received each time shall be included in calculating the student's grade point average.

H. Permit a student with a disability to repeat a special class for students with disabilities any number of times based on an individual determination that such repetition is required as a disability-related accommodation for that student. The previous grade and credit will be disregarded in computing the student’s GPA each time the course is repeated.

In all conditions described above, the student’s permanent academic record shall clearly indicate any courses repeated using an appropriate symbol and annotated in such a manner that work remains legible, insuring a true and complete academic history.

5901.3 Course Repetition to Alleviate Substandard Grades

A. Students may repeat course for which they have earned a substandard grade two times.

B. If a student repeats a course for which he or she has earned a substandard grade and receives a non-substandard grade (A, B, C or P), he or she cannot repeat the course a second time.

C. If the student repeats a course for which he or she has earned a substandard grade and receives a second substandard grade, he or she can repeat the course one more time.

D. After course repetition occurs to alleviate substandard grades, the previous grade and unit credit will be disregarded in computing the student’s GPA for each the previous two instances of substandard repetition. The course will be annotated such that the GPA calculation occurs for the most recent grade.

5901.4 Course Repetition due to Significant Lapse of Time

Students cannot repeat courses where a non-substandard grade was received, unless there has been a significant lapse of time or extenuating circumstances. Course repetition for a significant lapse of time can occur only once. A significant lapse of time is defined as at least two years. All course work shall remain on the student’s permanent record. The course will be annotated such the grade point calculation and unit credit occurs for the first grade received.

5901.5 Course Repetition due to Exenuating Circumstances

Course repetition due to extenuating circumstances can be granted when the student files a petition and the academic standard committee or its designee grants written approval of the petition based on a finding that the student's previous grade (whether substandard or non-substandard) was, at least in part, the result of extenuating circumstances. The previous grade and unit credit will be disregarded in computing the student's GPA each time it is recorded.
5901.6 **Course Repetition for Activity Courses**

Students may repeat activity courses for not more than three semesters, even if one of the grades received is substandard. The grade received each time shall be included for purposes of calculating the student’s GPA.

5901.7 **Course Repetition for Cooperative Work Experience Courses**

Students may repeat cooperative work experience courses for a total of 16 semester units. General work experience courses can be repeated for up to six semester units of credit. Occupational work experience course can be repeated up to 8 units of credit per semester. The combination of both types of work experience classes cannot exceed 16 units total. The grade received each time shall be included for purposes of calculating the student’s GPA.

5901.8 **Course Repetition for Variable Open Entry/Open Exit Courses**

Students may enroll in a variable unit open entry/open exit course as many times as necessary to complete the entire curriculum of the course one time as described in the course outline of record. Each time a student enrolls in a physical education activity course offered on an open entry/open exit basis, regardless of the number of units for which the student enrolls, the enrollment shall count as a repetition of the course. When course repetition of a portion of a course is permitted under these circumstances, the previous grade and unit credit are to be disregarded in computing the student's GPA.

5901.9 **Apportionment for Course Repetition**

The District may claim the attendance of students who repeat credit course for state apportionment as follows:

A. Where substandard academic work has been recorded, apportionment may be claimed for a maximum of two repetitions to alleviate substandard grades.

B. The attendance of students in legally mandated training may be claimed without limitation.

C. The attendance of students enrolled in credit activity course may be claimed for a maximum of four semesters, regardless of standard or substandard grades

D. The attendance of a student with a disability may be claimed each time the student repeats a credit special class as a disability related accommodation.

E. The attendance of a student repeating a credit course by petition for extenuating circumstances may be claimed for a maximum of two repetitions.

F. The attendance of a student repeating a credit course by petition for a significant lapse of time may be counted only once beyond the prior enrollment.

G. The attendance of a student repeating a cooperative work experience course may be claimed for state apportionment **without limitation up to the 16 unit limit.**

Education Code Sections 66700, 70901, 70902; Title 5, Sections 55040 – 55043, 55253 and 58161

1. Admissions & Records will work with the office of Academic Affairs to ensure that all courses published in the college catalog and schedule of classes include information regarding each course’s repetition limitations, including the number of times the course can be repeated as required by Title 5 section 55041 and outlined in BP 5901.2 (A).

2. As outlined in BP 5901.2 (E), students may repeat a course to meet a legally mandated training requirement as a condition of continued or volunteer employment. Such courses may be repeated, for credit, any number of times, regardless of whether or not substandard work was previously recorded and the grade and unit credit shall be included each time for the purpose of calculating the student’s GPA. The District reserves the right to require a student to certify or document that course repetition is necessary to complete legally mandated training pursuant to this section.

3. As outlined in BP 5901.2 (G) and 5901.7, Occupational and General Work Experience courses (CWEE) will be listed in the college catalog and schedule of classes the appropriate number of units a student may complete under Title 5 section 55253. The computer system will be programmed to ensure compliance with the unit limitation and the student’s academic record will be annotated accordingly.

4. As outline in BP 5901.2 (H), “student with disabilities courses (GENSTU),” allow additional course repetition based on individual determination, which will be made by the Director of Disabled Students and Programs. The student’s academic record will be annotated to disregard previous unit credit and grade each time the student repeats a course. (GENSTU 081, 082, 090, 091 and 092 courses are currently set to unlimited repeats, should we say that in here?)

5. As outline in BP 5901, the computer system will be programmed to allow two course repetitions for all appropriate courses. The college catalog and schedule of classes will reflect the each course’s repetition limit. The student’s academic record will be annotated to disregard previous unit credit and grade for each of the two allowable repetitions and shall reflect that the most recent grade is calculated into the student’s GPA.

6. Students repeating a course due to “significant lapse of time,” as outlined in BP 5901.4, shall file a “Course Repetition Repeat” form with Admissions & Records department. Designated staff will ensure that two years have elapsed before granting the request and that the student has not requested such action previously on the same course. The course repetition will not affect the student’s previous grade and unit credit. The academic record will be annotated accordingly.
7. Students requesting a repeat due to “extenuating circumstances,” as outline in BP 5901.5, shall file a “Course Repetition Repeat” form with Admissions & Records department. Designated staff will ensure that the extenuating circumstances are verified cases of accidents, illness, or other life changing events beyond the control of the student, and that a petition for extenuating circumstances has not occurred more than twice before for the same course. The student’s academic record will be annotated to disregard previous unit credit and grade for each of the two allowable repetitions and shall reflect that the most recent grade is calculated into the student’s GPA.

8. As outlined in BP 5901.6, students may not file a petition for “extenuating circumstances” to eliminate a substandard grade that occurs in one of the allowable course repetitions for activity courses beyond the allowable unit limit (maximum of four times depending on the course). The college catalog and schedule of classes shall list the course repetition limit for all activity courses in physical education, and visual and performing arts courses in music, fine arts, theater or dance. The computer system will be programmed to ensure compliance with the unit limitation of each activity course, and the student’s academic record will be annotated accordingly.

9. The CCFS-320 Attendance Accounting report shall be modified to include all apportionment limits outlined in 5901.9.

5902. ACADEMIC RENEWAL

Reference: Title 5, Sections 55046

5902 Academic Renewal Policy

If the following conditions are met the Santa Clarita Community College District may disregard from all consideration associated with the computation of a student’s cumulative grade point average, up to a maximum of two (2) semesters of coursework or three (3) quarters taken at any college the Santa Clarita Community College District.

5902.1 These conditions are:

A. The coursework to be disregarded is substandard. The semester/quarter grade point average of the courses to be disregarded is less than 2.0.

B. A minimum of 24 semester units have been completed at a college in the Santa Clarita Community College District with a grade point average of at least 2.0, subsequent to the coursework to be disregarded.

C. At least 3 (three) calendar years have elapsed since the most recent coursework to be disregarded.

D. Academic renewal cannot be used to set aside semester containing units or coursework which has been used to meet graduation requirements.

5902.2 Even though academic renewal is granted, all coursework will remain legible on the student’s permanent record (transcript), ensuring a true and complete academic history. The student’s permanent record will be annotated, however, so that it is readily evident to all users of the records that the units, even if satisfactory, are to be disregarded. This notation will be made at the time that the appropriate college office has received notification of approval from the Academic Standards Committee.

5902.3 All units and grade points earned during such a semester shall be disregarded, even satisfactory units. Subject credit may be allowed for work completed satisfactorily during disregarded terms.

5902.4 If another accredited college has acted to remove previous coursework from consideration in computing the grade point average such action shall be honored in terms of its policy. However, such units/semesters disregarded shall be deducted from the two semester maximum of coursework eligible to be disregarded in the Santa Clarita Community College District.

5902.5 Academic renewal actions are irreversible. Students should meet with a counselor before taking such an action.

5902.6 If the student is otherwise eligible for graduation, academic renewal may not be used to raise the grade point average in order to qualify for graduation with honors.

5902.7 This policy is adopted for use in the Santa Clarita Community College District. Other institutions may have adopted different policies. The transfer status of such action depends upon the policy of the college to which a student transfers.
5905.1 Credit by Examination may be granted for proficiency previously accomplished by other than an accredited institution; for study; travel; or other experiences in College of the Canyons approved courses. Credit attempted by this method shall be so marked on the student’s permanent record on an A-F grading system. 

   **Exceptions will be given if the course in question is graded using Pass/No Pass only.** Units and grade points earned shall be counted toward the Associate degree.

5905.2 Units earned by Credit by Examination are not considered as part of the student’s official program and will not be used for reports to insurance companies or other similar agencies.

5905.3 Students must obtain permission from the lead instructor of the department from which the course if offered (or division dean if there is no lead instructor) and obtain approval from a counselor. Lead instructors (or division deans) will forward the results of the examination to the Admissions and Records Office for processing and recording.

5905.4 Requirements for Credit by Examination:

   A. Petitions for credit by examination in approved courses must be submitted by the eighth week of the semester no later than fifty percent of the term. Grades for courses taken through credit by examination are due in the Admissions and Records Office by the last day of finals for the semester or term.

   B. Courses taken through credit by examination are subject to A – F grading. **Exceptions are given for courses that are offered for Pass/No Pass grading only.** Incompletes, withdrawals, or no-credit pass grades are not allowed.

   C. Unit credit may not be granted after credit has been earned for a more advanced College of the Canyons course. Additionally, unit credit may not be granted for prerequisites once the more advanced course has been completed.

   D. A second examination may not be attempted for the same course, but the course may be taken for credit following regular enrollment requirements.

   E. The student must be eligible to take the particular course for credit in terms of any prerequisites and other enrollment requirements.

   F. A maximum of 18 units may be **taken awarded** through credit by examination.

   G. Students will be charged the current enrollment fee at the time of exam plus an additional $9.00 per unit to cover the cost of creating and administering the examination by faculty. Students will be charged these fees prior to the time the examination is attempted.

   H. Credit by exam fees must be paid prior to taking the exam. Fees are non-refundable.
