

MATH PLACEMENT CHART

NON-DEGREE APPLICABLE

ASSOCIATE DEGREE APPLICABLE

TRANSFERABLE TO 4-YEAR COLLEGES

Science, Technology, Engineering, and Mathematics (**STEM**) majors, must complete the sequence: MATH 060, 070, 083, 102, 104, and 211. Additional majors may require one or more courses from this sequence. See catalog for your major.

*102 requires math 70 AND 83. If you place directly into 102, speak with an advisor about your prerequisites.
