A. Definition
For the purpose of this policy Faculty Senate includes full and adjunct faculty members.

B. Level of Involvement
Faculty shall be provided with opportunities to participate in the formulation and development of District and College policies and procedures in areas as specified by Title V {Subsection 53200 c.} and designed as "Academic and Professional Matters."

1. "Rely Primarily On"
Those areas in which the Board of Trustees will "rely primarily on" the advice and judgment of the Faculty Senate include:
   a. The development of curriculum, including the establishment of prerequisites and planning of course disciplines;
   b. The determination of degree and certificate requirements;
   c. The establishment and review of grading policies;
   d. The establishment of standards and policies regarding student preparation and success;
   e. The appointment of faculty members to District and College committees;
   f. The establishment of policies, procedures and programs for faculty professional development activities (excluding financial expenditures for faculty development);
   g. The development of processes for program review.
   In the above areas, the recommendation of the Senate will normally be accepted. Only in exceptional circumstances of for compelling reasons will the recommendations not be accepted.
   When the Board of Trustees does not wish to accept the advice of the Senate on these matters, the Board will send a written communication (or designee) to request that the Senate reconsider the recommendation(s) taking into consideration the consensus and issues raised by the Board of Trustees.
   If, upon reconsideration, the Senate does not change its initial recommendation and, if it is the opinion of the Board that the exceptional circumstance/compelling reason(s) still exist, the Board may reject the advice of the Senate. In cases such as this, existing policies and practices will remain in place.
   This being the case, the final determination with rationale will be communicated to the Senate in writing.

2. "By Mutual Consent"
Areas specified by Title V {Subsection 53200 c.} as "Academic and Professional Matters" where the Board of Trustees and the Senate obligate themselves (or their designee(s)) to reach mutual agreement, resulting in written resolution, regulations or policy include:
   a. The development of new educational programs;
   b. District governance processes (except 1. e. above);
   c. The delineation of faculty roles and involvement in accreditation processes (including the development of the self-study and strategic plan updates (annual reports);
   d. Financial policies of faculty professional development activities;
   e. The determination of processes to be utilized in institutional planning and budgeting; and
f. Other "Academic and Professional Matters" as mutually agreed upon between the Board of Trustees and the Faculty Senate.

In the above areas, the recommendation of the Senate will normally be accepted. Only in exceptional circumstances or for compelling reasons will the recommendations not be accepted.

When the Board of Trustees does not wish to accept the advice of the Senate on these matters, the Board will send a written communication (or designee) to request that the Senate reconsider the recommendation(s)) taking into consideration the consensus and issues raised by the Board of Trustees.

If, upon reconsideration, the Senate does not change its initial recommendation and, it is the opinion of the Board that the exceptional circumstance/compelling reason(s) still exist, the Board may reject the advice of the Senate. In cases such as this, existing policies and practices will remain in place.

This being the case, the final determination with rationale will be communicated to the Senate in writing.

3. Committee Structure

a. The Master Committee document will be revised annually. It will include a description of all committees including their purpose, tenure of members, scope of responsibility, membership of each committee and frequency of meetings. The person assigned the responsibility to be the liaison between the committee or the College Council and the Cabinet will communicate these recommendations to the Cabinet or College Council as appropriate. When a recommendation is to be considered by Cabinet, if the committee chair is not a Cabinet member, the committee chair will be included at Cabinet to present and participate in a discussion of the issue and/or committee recommendation.

b. Decisions made in College Council will not be forwarded to Cabinet for review but rather will be shared with Cabinet.

c. Decisions of individual committees that have implications for the larger college community (vs. a specific department or area) will be forwarded to College Council. If they have budgeting implications (require additional dollars outside of budgeted amounts), they will proceed to PAC-B. All committee minutes will be posted in designated locations as specified in the Master Committee document.
