The negotiation teams for all sides were thanked by the Board for their efforts in putting this agreement together.

Dr. Van Hook announced that:
✓ A new "What They're Saying…" written by Mr. Eric Harnish was distributed to the Board members and she briefly highlighted the topics included in the newsletter.
✓ She sent thank you letters to the legislators who met with COC representatives while at the CCLC conference in Sacramento last week.
✓ The Chancellor’s Office (Fred Harris) has put together an ad hoc committee of facilities directors to work out the implementation guidelines for community colleges to use the California Building Code instead of the Field Act when building new facilities. Senator Runner authored legislation last year giving colleges this flexibility. Mr. Schrage is serving on this group, which expects to release its recommendations in early March. COC staff has been keeping Senator Runner apprised on the committee’s progress.

Ms. MacGregor noted the Board enjoyed meeting Assemblyman Cameron Smyth’s staff while in Sacramento. We invited them to visit our area and college, as they are from the Sacramento and have not been to the Santa Clarita area before.

Mr. Dermody noted:
✓ The Academic Senate will be taking a general review of our hiring process to address any problems that occur, generate ideas on how to speed up the hiring process, recruit new employees faster, and ideas for future positions.
✓ They also plan to review the curriculum process, especially in light of opening the new campus in Canyon Country, in order to address potential problem areas ahead of time.
✓ The faculty is anticipating a few retirements to be announced this spring, and they are brainstorming ideas to celebrate their careers and highlight their years at COC.

Approval of Contract for Canyon Country Educational Center Construction Project (6.6)

Approval to Award Contracts for Physical Education Addition and Tennis Courts Construction Project (6.7)

(Item Removed) Approval of Construction Management Contract for the University Center Construction Project (6.8)

Update on Legislation (10.1)

Academic Senate Report (11.1)
Ms. Mayer had nothing to report.

Ms. Fiero announced that:
✓ The job fair at the LA Hilton in January was a great success. The timing of our academic staffing process makes it difficult for us to be competitive at this job fair as our positions come out in the spring, while other jobs are open in time for this Fair in the January time frame.
✓ She recently spent the day at North Orange County learning about our model Equal Employment Opportunity (EEO) plan to establish common language. We will move forward with our plan.

Dr. Wilding:
✓ Provided a handout to the Board members about the many activities going on in Student Services, and briefly highlighted these activities.
✓ Provided a handout on the Wellness Program from Ms. Beverly Kemmerling, Health Center Director.
✓ Noted the Amgen Tour of California will be in our area on February 24, and COC will be a sponsor, as well as a good parking location for spectators.

Dr. Capet announced:
✓ We had our first “COC 101”, a committee assignment on which all new faculty hires participate. Each month they will meet with one aspect of the COC culture and provide an overview from different perspectives on campus.

Ms. Coleal added that:
✓ She attended the SWAAC Board meeting last week, noting we have been doing a good job managing our claims, which have brought our risk down substantially.
✓ There is an Emergency Preparedness Plan in the works for our campus.

Dr. Van Hook announced:
✓ She had a good meeting with representatives of the Planning Department from the City (Paul Brotsman and Fred Follstad). They highlighted some new plans around the City, and discussed ways to share joint use of facilities for sports and recreation and arts/culture, and a joint use library between the City, County and College.
✓ She facilitated a 3-hour FLEX workshop on Leadership last week on campus. Ms. Allison Devlin assisted in providing an assessment instrument to the participants.
✓ She met with Chancellor Drummond and Mr. Jose Milan while she was in Sacramento. They discussed the timeline for releasing the RFP for the virtual 3-D simulation center, which should be out in February and awarded by the first part of May. It will be in two RFPs – one for designing the software, the other for training.
✓ She has been working with Ms. Cathy Ritz in the Foundation and is looking forward to the pre-planning meeting in anticipation of the Strategic Planning Retreat on February 21.
✓ The Hall of Fame dinner was magnificent. You could tell how much the honoree’s association with COC meant to each of them. Ms. Michele Edmonson and Mr. Len Mohney did a great job of spear-heading this effort.
Mr. Pemberton noted that:
✓ The ASG is offering snacks in their offices during the first week, which has brought
many students into their offices while they wait in line for the bookstore.
✓ On February 27, ASG is sponsoring The Langston Hughes event, which will be
held in the PAC at 7:00 pm. Everyone is invited to attend.

Mr. Wilk:
✓ Enjoyed the Hall of Fame dinner, also, noting the honorees were a large part of a
big piece of COC history.
✓ He attended the CCLC conference and the Effective Trustee Workshop. Both were
great and well worth the time.
✓ Noted he appreciated the support toward him at the Newsmaker Award dinner from
his fellow trustees (after winning the “Behind the Scenes” award).

Mr. Fortine noted that he:
✓ Thanked Mr. Blakey for the invitation to the CTA dinner in Manhattan Beach.
✓ Was installed as a member of the Board of Directors for the Betty Ferguson
Foundation.
✓ Enjoyed the Hall of Fame dinner, and that it was nice to see Mike Gillespie
honored, as he is a good friend.
✓ Went to an Energy Fair put on by the Chamber of Commerce. They were interested
in our use of co-generation and our central plant, and requested a tour in the future.
✓ Has been working with the AT&T Championship Classic. Mr. Brian Fitzgerald (VP
of Marketing) met with Dr. Van Hook and himself to work with COC next year for an
entertainment event they host, where proceeds to go schools in the area.
✓ Attended a Zonta “Thank You” event for participating as Santa Claus during the
holidays.
✓ Attended the Board’s FLEX workshop, which was good.
✓ Attended the City’s press conference yesterday regarding the CEMEX mine. There
is a truce for the next year to hopefully negotiate a peaceful settlement.

Ms. MacGregor noted that:
✓ She also thanked Mr. Blakey for the invite to the CTA dinner. The next Board office
hour will be Tuesday Feb 20 3-4:30pm in R-206. She asked the other trustees to
let her know if any of them are available to participate.
✓ She attended the City Council meeting where COC was honored for our part in
hosting the drive thru flu shot clinic. She noted it was nice of City to honor us.
✓ She attended the Chamber of Commerce Dinner, the Hall of Fame dinner, and the
Newsmaker Awards dinner.
✓ She enjoyed her tour of the Canyon Country Site, and thanked Mr. Schrage for
taking her.
✓ The Sacramento CCLC conference was great. She especially enjoyed the
workshops on accountability.
✓ She participated in the FLEX workshop Q&A with the Board members.
✓ Hal Holbrook portraying Mark Twain in the PAC was a fabulous event, and the
venue was sold out.
✓ She attended the Canyon Country Advisory Committee meeting last Monday.
✓ She has been chosen to be a mentor by someone at the College and she is
pleased to be a part of this program, and is looking forward to it.

Mr. Tichener announced:
✓ He also attended many of the same events, including the Hall of Fame dinner, the
Newsmaker Awards, FLEX workshop, CCLC conference in Sacramento, and
enjoyed the time with the legislators, especially with Senator Abel Maldanado.
✓ He will be attending the ACCT National Legislative Conference in Washington DC.
Ms. Jenkins:
✓ Thanked Mr. Pemberton for attending the CCLC conference.
✓ Questioned Dr. Capet as to when the self-study for accreditation is, noting the Board will need to perform a self-evaluation.
✓ Noted she will be attending a planning meeting for the Joint meeting with the ASG officers. If any Board members have ideas for the meeting, please let her know.
✓ Has scheduled a FLEX workshop for the Board during the Classified Employees Week. She asked the Board members to let Ms. Leslie Carr know their availability.

None.

Ms. MacGregor requested:
✓ An update report on the status of the Canyon Country site, including timeframes, timelines and financial information.
