✓ Mr. Wilk noted it was an exciting time in Washington DC. He provided highlights of the meetings he attended following the conference while he was there. At a McKeon reception for key supporters to education, Senator Tom McClintock told Mr. Wilk that he loves community colleges and that if we needed anything, to let him know.
Update on the CCLC Legislative Conference (in Sacramento):

- The Academic Senate is back in action, and had a successful FLEX week.
- Classes are very crowded and the faculty is doing a good job to meet the needs of our community and fill the seats that are available whenever they can.
- They are addressing credit/non-credit issues to make sure there is no duplication of effort, and to ensure the transitions between the two are easier.
- If any Board member would like to stop by the Senate meeting, they are always welcome.

This is the lowest number of recommendations we have had on a report. Dr. Capet presented the official certificate to Dr. Van Hook and the Board of Trustees.

Ms. Coleal noted that:
- The AT&T Classic is March 9-13. The gala and performance will be held on our campus, March 11th. The dinner will be in our gymnasium, and comic Louis Anderson will perform in the PAC that evening.
