BACKGROUND / ANALYSIS:

At the request of the Associated Student Government, this information item has been prepared to discuss the Textbook Rental Program, or TRiP.

TRiP was created by the District in an effort to provide its economically disadvantaged students an option for textbook affordability through this textbook rental program, and as a result of the Textbook Summit Recommendations published by the California Community Colleges System Office. Eligible students rent the TRiP textbooks at 25% of the retail price of a new book at the COC Bookstore. The District has purchased a total of 109 textbook titles, including BIOSCI-100 General Biology, HLHSCI-100 Health Education, and MATH-103 College Algebra. This funding was generously provided by the Associated Student Government and the COC Foundation. The TRiP program was launched on January 26, 2009, two weeks prior to the first day of instruction for the Spring 2009 semester.

The presentation will provide information including student eligibility, textbook adoption guidelines, statistics, secondary effects, and plans for program expansion in the future. It will conclude with a question and answer session.

**BACKGROUND / ANALYSIS:**

At the request of the Associated Student Government, this information item has been prepared to discuss the status of parking at the Valencia Campus of the Santa Clarita Community College District. The report will discuss parking revenue from both the District funds and student fees, as well as how that revenue is typically spent. Additionally, the report will discuss other District resources that are used to support the parking lots, and to promote safety. The report focuses on FY 2007-2008, the last year for which actual budget figures exist.

While the report focuses primarily on the parking program at the Valencia campus, it is important to note that the District has invested heavily in parking at the Canyon Country Campus. The most recent addition is the $1.1 million dollar student lot 2, which contains 450 spaces.

ACTION/CONSENT
X INFORMATION

BACKGROUND / ANALYSIS:
At the August 13, 2008 Board meeting, the Board approved modifications to the District policy on smoking and tobacco use. The Board addressed the issue again at it's October 22, 2008 meeting during which several students suggested further consideration. With no additional changes suggested by the Board of Trustees, the policy is now ready for implementation.

A review of the many other campuses that are implementing similar policies suggests that enforcement of the policy be preceded by an information campaign, combined with the availability of smoking cessation programs. This item will provide an overview of policy implementation plans as well as the programs that are available at the Student Health and Wellness Center.

### BACKGROUND / ANALYSIS:
This item will feature the Associated Student Governments recent advocacy efforts. Specifically, they will focus on efforts related to the recent California budget issue, recruiting for the Pasadena Rally, and the modification of their plans following the passage of the state budget. They also plan to discuss the ASG’s involvement with the Statewide Student Senate.

Also at this time, the Board of Trustees and the ASG will discuss key components related to the adoption of the California budget, the implementation of which is dependent upon approval by the voters of several changes in the law. To that end, the State legislature has called for a special election on May 19, 2009. Several propositions are presented on this special ballot, and this item will give the ASG and the Board of Trustees the opportunity to discuss the propositions and their overall effect on community colleges.

DISCUSSION

BACKGROUND / ANALYSIS:

Since 2001, the District and ASG have had an agreement to provide 25% of its annual commissions from cafeteria and other sales and services received from the District’s cafeteria food services contractor back to the Associated Student Government. These funds assist ASG in their responsibilities for coordinating social, cultural, educational and service programs for the campus.

The agreement has expired and a new Memorandum of Understanding (attached) will continue the agreement for a period of five years.

FISCAL IMPLICATIONS:

Annual commission payment to ASG for fiscal year 2008-09 is estimated to be $5,300 and has been included in the 2008-09 Adopted Budget.

This Memorandum of Understanding ("MOU") is made by and between the Santa Clarita Community College District ("District"), a community college organized and existing pursuant to the laws of the State of California and a political subdivision of the State of California, and Associated Student Government ("ASG") a student body association approved by the District Board of Trustees per Ed Code 76060. District and ASG may be referred to herein individually as “Party” and, collectively, as “Parties.”

RECITALS

A. WHEREAS, the ASG is the representative voice of the students at COC.

B. WHEREAS, the District and the ASG desire to enter into this program.

The Parties agree as follows:

1. **Incorporation of Recitals.** The above recitals are incorporated as effective and operative parts of this MOU.

2. **Scope.** Provide funding to ASG to assist the organization in its responsibilities for coordinating student social, cultural, educational and service program and activities for the district.

3. **Term.** This MOU shall commence on July 1, 2008, and terminate on June 30, 2013, with an option to renew for an additional five (5) year period upon mutual consent of District and ASG. Either party may terminate this Agreement by providing thirty (30) days written notice to the other Party. Such termination may be for cause or convenience by either District or ASG.

4. **Commission.** District agrees to pay ASG twenty-five percent (25%) of its commission received from District’s cafeteria food services contractor ("Contractor") from cafeteria, catering, and other sales and services. In the event that agreement between the District and Contractor changes or terminates, especially as is related to commissions, the District reserves the option to renegotiate the ASG commission structure.

ITEM/TITLE Approval of Modifications to Board Policy 532 – Student Grievance, First Reading

ACTION/CONSENT
ACTION
INFORMATION
DISCUSSION

BACKGROUND / ANALYSIS:

Board Policy 532 – Student Grievance was last reviewed by the Board in 1991. The 1991 version of the policy is now out-of-date and not reflective of the policies found at other colleges, or the sample policy as written by the CCLC. The new version, attached to this item, contains several new sections and language reflective of the current organization of the District. Because the proposed policy has significant changes from the old policy, it was not practical to present the changes in a legislative format.

The modified policy has been endorsed by the Academic Senate, the ASG, and the College Policy Council.

FISCAL IMPLICATIONS:
None.

RECOMMENDATIONS:
Move approval of the modifications to Board Policy 532 – Student Grievance, First Reading.

Board Policy 532 – Student Grievance
First Reading

Introduction:

The purpose of this policy is to provide a prompt and equitable means for resolving student(s) grievances. In the pursuit of academic goals, the student should be free of unfair or improper action by any member of the academic community. The grievance procedure may be initiated by one or more students who reasonably believe he/she/they have been subject to unjust action or denied rights involving their status or privileges as students. It is the responsibility of the student(s) to submit proof of alleged unfair or improper action.

I. Definitions:

1. Grievant – (A) an individual who is enrolled in or registered with an academic program of the College; and/or has completed the immediately preceding term and is eligible for re-enrollment, including the recess periods between academic terms; (B) a person no longer enrolled at the college where there is a grievable issue; (C) an individual who has submitted an application, however is not enrolled or registered with an academic program. Grievances by applicants shall be limited to a complaint regarding denial of admission.

2. Days - shall mean days when the college is in session, excluding Saturdays, Sundays, holidays, spring break, winter break, and summer and winter session days.

3. Respondent – Any person claimed by a grievant to be responsible for the alleged grievance.

4. Grievance Officer – For the purposes of this policy the Dean of Students, or the CSSO shall serve as Grievance Officers.

5. Standard of Evidence - Should a grievance involve a formal hearing the standard of proof in effect will be that of a “preponderance of evidence.” Evidence may be received of the sort upon which responsible persons are accustomed to rely in the conduct of serious affairs, and is not restricted to evidence admissible under the strict rules of evidence of a court of law.

6. Burden of Proof - It is the responsibility of the grievant(s) to submit proof of alleged unfair or improper action.

This Policy Does Not Apply to the Following:

1. Challenge process for prerequisites, co-requisites, advisories and limitations on enrollment.
2. Grievances pertaining to grades.

3. Alleged violations of sexual harassment, actions dealing with alleged discrimination on the basis of ethnic group identification, religion, age, sex, color, sexual orientation, physical or mental disability.

4. An appeal for residency determination.

5. Eligibility, disqualification or reinstatement of financial aid.

6. Student Discipline

7. Citations (for parking or other infractions)

8. Freedom of the Press

9. Employee Discipline

10. Challenges of established District policies, e.g. Board Rules and Administrative Regulations.

11. Financial claims against the District.

II. Time Limits:

1. The statute of limitations period for requesting a grievance hearing under this policy is one hundred twenty (120) calendar days after the occurrence of the incident giving rise to the grievance; or one hundred twenty (120) calendar days after the student learns, or should have learned, that the student has a basis for filing a grievance.

2. Pursuing an informal remedy for a grievance does not relieve the grievant of the responsibility of requesting a grievance hearing within one hundred twenty (120) calendar days of the incident giving rise to the grievance.

3. Appeal of the time limits, based upon documented extenuating circumstances, as defined in Board Policy, must be made to the Grievance Officer.

III. Informal Resolution

Each grievant shall make a reasonable effort to resolve the matter on an informal basis prior to requesting a grievance hearing, and shall attempt to solve the problem with the person(s) with whom the grievant has the grievance, or that person’s immediate supervisor if there is no reasonable opportunity to solve the problem with the individual(s) directly involved.

1. Specifically, the grievant(s) may, if appropriate, schedule a meeting with the person with whom the grievant(s) has the grievance, and if necessary, schedule a meeting with the person's immediate supervisor and/or schedule a meeting with the appropriate college administrator.
2. If the matter is not resolved at step “1” above, the grievant will contact the College grievance officer for assistance. The grievant shall provide the grievance officer with a written statement of grievance and may provide any other information and documentation in support of the grievance. The statement of grievance shall specify the time, place, nature of the complaint, and the remedy or corrective action requested. If a grievant believes that a specific District policy has been violated, the grievant should specify the policy or policies alleged to have been violated. The grievance officer shall inform the grievant of their rights and responsibilities under this policy.

3. The grievance officer will provide a copy of the statement of grievance to the respondent within ten (10) days of receipt of the grievance, or as soon thereafter as practicable.

4. The grievance officer shall gather, copy and review pertinent information, records and documentation and communicate with all parties, and attempt to mediate an informal resolution.

IV. Formal Resolution

If there is no informal resolution of the grievance, the grievant has a right to request a grievance hearing. This request must occur no later than one-hundred twenty (120) calendar days after the alleged incident.

A. Meeting of the Grievance Hearing Committee

1. Within fifteen (15) days following receipt of the request for a grievance hearing, or as soon thereafter as practicable, a Grievance Hearing Committee shall meet and decide if a grievance hearing will be held. The committee shall consider whether the grievant has met the following requirements:

   a. The request contains allegations, which, if true, would constitute a grievance under this policy;

   b. The grievant is a student, applicant or former student as defined by this policy.

   c. The grievant has met the requirements of the grievance policy with respect to timeliness

   d. The grievant has attempted to solve the matter informally;

   e. The grievant (s) is personally and directly affected by the alleged grievance;

   f. The remedy requested by the grievant is appropriate for the act that is alleged and is not frivolous; clearly without foundation, or clearly filed for the purposes of harassment.

   g. The grievant has cooperated in the processing of the grievance.
2. If the above conditions are satisfied, the committee chairperson shall notify the grievance officer in writing, within five (5) days, that a grievance hearing will be held.

3. If the grievance does not meet each of the requirements, the hearing committee chair shall notify the grievant in writing of the rejection of the request for a grievance hearing, together with the specific reasons for the rejection and the procedures for appeal. This notice will be provided within five (5) days of the date the decision is made by the grievance hearing committee. The grievant may appeal this decision per Appeal, Part 1 of this policy.

B. Content of the Grievance Hearing Committee

1. The grievance hearing committee shall be made up of five members of the campus community. Two members shall be faculty members appointed by the Academic Senate President. Two members shall be students appointed by the Associated Student Government President. One member shall be a classified staff member appointed by the President of the Classified Senate. One of the Faculty members shall serve as chair. Alternates will be appointed as necessary. Three members of the above committee shall constitute a quorum. All members are entitled to vote on matters related to the grievance.

2. No person shall serve as a member of the hearing committee if that person has been personally involved in any matter giving rise to the grievance, has made any public statement on the matters at issue, or could otherwise not act in a fair manner. The grievant(s) or respondent(s) may challenge for cause any member of the hearing committee prior to the beginning of the hearing by addressing a challenge, in writing, to the CEO who shall determine whether cause for disqualification has been shown. If the CEO feels that sufficient grounds for removal of a member of the grievance committee has been presented, the CEO shall remove the challenged member or members and ask that the appropriate person name a replacement.

C. Formal Hearing Procedure

1. The grievance officer will ensure that relevant information and documentation is made available at the hearing. Information requested will be provided in such a way that it does not violate the privacy rights of others.

2. The decision of the grievance hearing committee chair shall be final on all matters relating to the conduct of the hearing unless there is a vote of a majority of the other members of the panel to the contrary.

3. The grievant may obtain the assistance of a person of his or her choice (at his or her own expense), except the grievant may not be represented by legal counsel.

4. The Respondent may represent himself or herself; or the Respondent may obtain the assistance of a person of his or her choice, except the Respondent may not be represented by legal counsel.

5. Each party to the grievance may call witnesses and introduce oral and written testimony relevant to the issues of the matter.
6. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.

7. Unless the grievance hearing committee determines to proceed otherwise, each party to the grievance shall be permitted to make an opening statement. Thereafter, the grievant or grievants shall make the first presentation, followed by the respondent or respondents. The grievant(s) may present rebuttal evidence after the respondent(s)' evidence. The burden shall be on the grievant or grievants to prove by substantial evidence that the facts alleged are true and that a grievance has been established as specified above.

8. Hearings shall be closed and confidential unless all parties request that it be open to the public. Any such request must be made no less than 10 days prior to the date of the hearing.

9. In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the committee agree to the contrary.

10. The hearing shall be recorded by the grievance officer either by tape recording or stenographic recording, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the grievance hearing committee chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. The tape recording shall remain in the custody of the District, either at the college or the District office, at all times, unless released to a professional transcribing service. Any party may request a copy of the tape recording.

11. When the presentation of evidence is concluded, the hearing committee’s deliberations shall be confidential and closed to all parties. The hearing committee’s deliberations shall not be tape-recorded. Only those committee members present throughout the hearing may vote on the recommendations of the grievance hearing committee.

D. Findings of the Grievance Hearing Committee

1. Within twenty (20) days following the close of the hearing, the grievance hearing committee shall prepare and send a written decision to the grievant(s), respondent, and grievance officer.

2. The decision shall include specific factual findings regarding the grievance, and shall include specific conclusions regarding whether a grievance has been established as defined above.

3. The decision shall also include a specific recommendation regarding the relief to be afforded the grievant, if any.

4. The decision shall be based only on the record of the hearing, and not on matters outside of that record.

5. The record will consist of the original grievance, any written response, and the oral and written evidence produced at the hearing.
V. Appeal

Part 1.

1. Any appeal relating to a grievance hearing committee decision that the statement of grievance does not present a grievance as defined in these procedures shall be made in writing to the CEO within ten (10) days of that decision.

2. The CEO shall review the statement of grievance and request for grievance Hearing in accordance with the requirements for a grievance provided in these procedures, but shall not consider any other matters. The CEO's decision whether or not to grant a grievance hearing shall be final and not subject to further appeal.

Part 2.

1. Any appeal related to the findings of the grievance hearing committee following a formal hearing shall be made, in writing, to the CEO within ten (10) days of that decision.

2. The CEO shall review the record of the hearing and the documents submitted in connection with the appeal, but shall not consider any matters outside of the record. Following the review of the record and appeal statements, the CEO shall make a written recommendation regarding the outcome of the appeal.

3. The CEO may decide to sustain, reverse or modify the decision of the grievance hearing committee. The CEO’s decision shall include a statement of reasons for the decision. The CEO’s decision shall be final.

4. The decision on appeal shall be reached within five days after receipt of the appeal documents. Copies of the CEO’s appeal decision shall be sent to the grievant, respondent, and the grievance hearing committee.

ITEM/TITLE: Approval of Board Policy 545 – Multiple Majors, First Reading

BACKGROUND / ANALYSIS:
Proposed Board Policy 545 – Multiple Majors is a newly developed policy that will enable our students to work on two majors at the same time. The policy calls for a common general education pattern with at least 18 discrete units in each major.

The modified policy has been endorsed by the Academic Senate, the ASG, and the College Policy Council.

FISCAL IMPLICATIONS:
None.

RECOMMENDATIONS:
Move approval of Board Policy 545 – Multiple Majors, First Reading.

Submitted by: Michael Wilding

Approval for submission to Board of Trustees:

Assistant Superintendent/VP, Student Services
545.1 Definition:

Multiple majors are acceptable and occur when a student works simultaneously toward the completion of more than one major field of study. The Liberal Arts and Sciences majors (as well as the former Transfer Studies and General Arts and Sciences majors) cannot be included as part of the multiple major.

545.2 Major Requirements:

Completion of the major field of study does not change if a student has declared multiple majors. Students must complete a minimum of 18 unduplicated semester units in each additional major.

545.3 Degree Requirements:

An Associate in Science or Associate in Arts degree with a multiple major can be earned by completion of all general education requirements plus the courses required for the majors as outlined in the College catalog under Associate Degree Programs.

545.4 Diploma:

For those students electing to graduate with multiple majors, a single diploma is issued with both majors listed. For those students electing to graduate with multiple majors of which one major is in the Associate in Arts degree program and one major is in the Associate in Science degree program, two diplomas will be issued.

ITEM/TITLE  Approval of Modification to Board Policy 533 – Student Grades or Grading Review, First Reading

BACKGROUND / ANALYSIS:

Board Policy 533 – Student Grades or Grading Review was adopted by the Board in 2002. It has proven to be a very useful policy for both students and faculty. The modification being proposed via this agenda item reflects changes to Title 5 related to the definition of the term “mistake.” The proposal suggests use of the new definition. No other changes are proposed.

The modification to Policy 533 has been endorsed by the Academic Senate, the ASG, and the College Policy Council.

Board Policy 533 – Student Grades or Grading Review
First Reading

533.1 Introduction
California Education Code Section 76224, quoted below, states the conditions upon which grades or grading may be questioned.

"When grades are given for any courses of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetency, shall be final."

Students may ask that final course grades be reviewed under the guidelines stated in this policy.

533.2 Conditions under which final grades may be reviewed
A. The course grade to be reviewed must be an evaluative grade as defined in Santa Clarita Community College District Policy 508.
B. Final grade review must be requested by the student in writing, using the appropriate College form, within 180 calendar days from the posting of the final grade.
   1. Students may petition to the Chief Student Services Officer for an extension of this time limit. Petitions must be based on extenuating circumstances as denied in Education Code.
C. Grades may only be reviewed within the following context:
   1. Mistake - defined for the purpose of this policy as an error in calculation or an error in marking the roll book relevant to grades, or attendance as, but not limited to, clerical errors and errors made by an instructor in calculating a student's grade. Additionally, mistakes may occur when physically assigning grades or when grades are scanned into the computer system.
   2. Bad Faith - defined for the purpose of this policy as disregarding or changing the basis of assigning grades after publication in the course syllabus or using a system of grading other than that found in the syllabus without prior notification to the students.
   3. Fraud - for the purpose of this policy may exist when a grade is based upon some sort of dishonest activity, for example, selling grades or asking students to perform non-relevant activity in exchange for grades.
   4. Incompetency - defined for the purpose of this policy as, but not limited to, an instructor who is not able to judge a student's performance in the class. A student may claim incompetency when he or she feels the instructor has an impaired ability (due to accident or illness) to adequately judge the student's performance.
D. Students possess evidence that the final grade was determined based upon one of the criteria in 533.2.C above.
533.3 Review Procedure

533.3.A Step I

A student who believes the final grade received was due to mistake, fraud, bad faith, or incompetency shall meet with the faculty member in an attempt to resolve his/her concern.

533.3.B Step II Hearing

Board Policy 537 – Credit by Examination
First Reading

537. CREDIT BY EXAMINATION

537.1 - Credit by Examination may be granted for proficiency previously accomplished by other than an accredited institution; for study; travel; or other experiences in College of the Canyons approved courses. Credit attempted by this method shall be so marked on the student’s permanent record on an A-F grading system. Units and grade points earned shall be counted toward the Associate degree.

537.2 - Units earned by Credit by Examination are not considered as part of the student’s official program and will not be used for reports to insurance companies or other similar agencies.

537.3 - Students must obtain permission from the lead instructor of the department from which the course if offered (or division dean if there is no lead instructor) and obtain approval from a counselor. Lead instructors (or division deans) will forward the results of the examination to the Admissions and Records Office for processing and recording.

537.4 - Requirements for Credit by Examination:

a. Students wishing to receive credit by examination must be a student in good academic standing at College of the Canyons and be currently enrolled in a minimum of six units.

b. Petitions for credit by examination in approved courses must be submitted by the eighth week of the semester. Grades for courses taken through credit by examination are due in the Admissions and Records Office by the last day of finals for the semester or term.

c. Courses taken through credit by examination are subject to A – F grading. Incompletes, withdrawals, or no-credit pass/no-pass grades are not allowed.

d. Unit credit may not be granted after credit has been earned for a more advanced College of the Canyons course. Additionally, unit credit may not be granted for pre-requisites once the more advanced course has been completed.

e. A second examination may not be attempted for the same course, but the course may be taken for credit following regular enrollment requirements.

f. The student must be eligible to take the particular course for credit in terms of any prerequisites and other enrollment requirements.

g. A maximum of 18 units may be taken through credit by examination.

h. Students will be charged the current enrollment fee at the time of exam plus an additional $9.00 per unit to cover the cost of creating and administering the examination by faculty. Students will be charged these fees prior to the time the examination is attempted.

i. Credit by exam fees must be paid prior to taking the exam. Fees are non-refundable.

   No business.

3. **Employment – Adult Hourly**
   The following employees will not be allowed to **meet or exceed** 1000 hours and/or 180 days per academic year.
   
   a. Substitute.
      No business.
   
   b. Temporary.
      From time to time the District experiences a need to employ substitute and short-term/adult hourly employees. These individuals are employed and paid for less than 75 percent of a college year and are not part of the classified service. These individuals should be distinguished from students employed part-time, in any college work-study program, or in a work experience education program.

      At College of the Canyons an adult hourly or substitute employee is asked to perform a service for the District that is related to one or more of the following conditions:
      - replacement for an employee on leave (substitute);
      - working during a period of high student demand;
      - working on a special project of a short-term nature;
      - is in a position that enhances services to students;
      - is doing academic tutoring associated with the academic cycle; and
      - is in a seasonal position (for example a part-time coach).

      Before employing an adult hourly employee, the Board must specify the service required to be performed by the employee and shall indicate the ending date of the service. While the law allows for 195 days (75% of the school year) of service, the Santa Clarita Community College District has imposed a limit, with few exceptions, of 180 days per year.
Adult Hourly V - $10.50 per hour
Provides general assistance in an office, department or classroom. Has basic and practical knowledge, skills, training and/or experience. May require use of computer programs and/or software.
