The Board thanked the District’s negotiating team for the time and effort involved, as well as the COCFA team in bringing it forward. With Health and Welfare, steps/columns added in, it is 7.74% (05/06), 10% (06/07) and 7.35% (07/08). This is a positive position for the District to be in and we hope the state budget leaves us in good condition when all is said and done.

The Presentation of the Part-Time Faculty United American Federation of Teachers’, Local 6262 Agreement Re-Opener Proposal with the Santa Clarita Community College District for 2008/2009 was presented as information to the Board of Trustees.
Dr. Van Hook noted that:

- In the Board’s packets, the Board has received copies of the handouts from the Legislative Advocacy meeting held last week. There was great participation and a high level of activity and involvement at this meeting.
- Today she received a call from the Vice Chancellor of finance and he wanted to talk about our advocacy efforts and how to relate them to the system. She will talk with him in further detail tomorrow.

Ms. Meriwether departed the meeting during this discussion item.

Mr. Dermody announced that:

- Members of the Academic Senate are actively involved in the accreditation process.
- At tomorrow’s meeting, the Sustainable Development Committee is coming to discuss their proposed “green” resolution.
- He and Dr. Wilding are planning to discuss textbooks and how to move forward.
- There is a system-wide committee looking at equivalency issues. It appears there is discussion and concerns at the state level, similar to what we talked about.

Ms. Fiero had nothing to report.

Dr. Wilding added that:

- He attended the CSSO meeting in San Diego where there was discussion about the community college system and the threat to transfer protocols in CSU schools.

Dr. Gribbon announced that:

- We had a “Meet the Grant Makers” event with 40 non-profit organizations attending (and over 60 people). There were also two great guest speakers.
- UCLA extension will be at the University Center starting in July with a TESOL certificate (Teaching English to Speakers of Other Languages).
- All the events associated with the AT&T Classic were wonderful.

Ms. Mayer had nothing to report.

Dr. Van Hook noted that:

- The College Planning Team (CPT) had a retreat at Magic Mountain earlier this week. CEO Jay Thomas was a great host and he plans to make the park more usable by non-profits. He is very business minded and we look forward to developing training initiatives with them.
- The Foundation held their meeting at the Canyon Country Campus last night. Highlights of the reports were that they made $108k (net) from Silver Spur and they will host the wine tasting event April 18th in the library.
- Enrollment is up 11% from last spring at this point.
- She visited 3 classrooms today. They were all full with no seats left open and it’s the middle of the semester.
- Mr. Dermody and she are supporting an initiative to develop a Field Studies concept at COC and so that curriculum could offer off-site educational experiences for our students. A proposal has been developed and we are excited to move this forward.
- The District is taking over the development and finalization of the coffee kiosk from the City. Ken Pulskamp agreed with us that the City doesn’t need to be involved, and if the Foundation (under the umbrella of the College) could get it done faster and with less cost than going through the City, we should do so.
- The LEAP program is going well.
Ms. Meriwether had departed the meeting.

Ms. Jenkins:
- Has been involved in participating in the draft of Standard IV, the part that addresses the Board and administration. The Board will review this when the draft is complete in April. Ms. MacGregor noted the Board’s thanks for the amount of time Ms. Jenkins has spent working on this.
- Shared that the Foundation has developed an orientation for the new Chief Development Officer, Mr. Murray Wood. As a part of that plan, they will encourage him to attend community events and she thought that if he could attend the Teacher Tribute dinner, one of the Board members could introduce him to the community.

Mr. Wilk had nothing to report.

Ms. MacGregor noted that:
- She attended the AT&T dinner and the Beach Boys concert.
- The Vienna Boys Choir in the PAC was great.
- Mr. Jon Amador will be our Scholarly Presenter on November 14th. His presentation will be on iTunes University.
