Dr. Van Hook noted that:
✓ In preparation for next week’s trip to Sacramento with KHTS, a new “What They’re Saying…” written by Mr. Eric Harnish was distributed to the Board members. Dr. Van Hook briefly discussed some of the key issues included in the newsletter.
✓ She appreciated Mr. Harnish’s and the Public Information Offices’ involvement during the visit from Secretary Spellings last week.

Mr. Dermody noted that:
✓ The Academic Senate has been involved with hiring and being involved with orientations with the assistance from Human Resources (HR), which has been helpful.
✓ They have been working with HR to fine-tune the hiring process.
✓ The faculty is preparing for some end-of-the-year changes to curriculum and are working on a new form to help develop new programs.
✓ They have been tasked with office allocation and assignments of 78 faculty members (47% of the faculty).
✓ May 24 is the Collegial Celebration and the Board is invited to participate.

Ms. Mayer noted that:
✓ She and Ms. Lenore Marta appreciated the opportunity to participate in the Administrative Assistant’s workshop at the CCLC conference last week. It provided great information, updates and an opportunity to share and acquire new ideas with other assistants.
✓ On behalf of the classified staff, she thanked the committee, administrators and managers who helped, coordinated and were present during the great activities during the Classified Appreciation Week.
✓ She was flattered and thrilled to have received the Professional Achievement Award and thanked the Board, administration and fellow employees for the honor.

Ms. Fiero announced that:
✓ The Human Resource department has trained 18 committees with 5-6 people in each for hiring committees. She thanked the Academic Senate for their help in making these orientations useful and helpful.
✓ The retiree’s BBQ will be held this Friday, May 11 in Cougar Den.

Dr. Wilding:
✓ This is a busy time of year for his department, with many events.

Dr. Gribbons added that:
✓ At Dr. Van Hook’s request, he traveled with Ms. Coleal to Sacramento last week to testify to the Board of Governors about the growth formulas and changes they were planning to make.
✓ We are waiting to hear back on 12 grants that have been submitted and noted our CACT grant was renewed by the Chancellor’s Office for another five-year term.
Dr. Capet noted:
✓ The faculty and committee members have been putting the final touches on the Canyon Country schedule and everyone is very excited about it.

Ms. Coleal added that:
✓ The bond rating was held on April 23 after 2 months of preparation. We were able to have a phone conference because they had seen us so many times in the last few years, they felt comfortable doing it over the phone. Dianne did a great job representing the college. Having a president who has been at the same college for a long time goes a long way with the rating agencies, as does have a sound financial situation. We’re glad to have this done and will be getting the money at the end of the month, which will be very exciting.
✓ She will be attending the ACBO conference next week and we hope to get the May Revise at that time.
✓ As Dr. Gribbons noted, they traveled to Sacramento to make a presentation to the Board of Governors to address the changes made in the formula for the regulations. This was done after Ms. Cindy Grandorge noticed a problem in the formula that would negatively impact many community colleges.

Dr. Van Hook added that they had 3 ½ hours of meetings last week with Eric Skinner (who is relatively new in the Chancellor’s Office) to review the funding formula and how it affects colleges and their budgets. She had offered to have Dr. Gribbons and Ms. Coleal there to assist in making the necessary points to the Board of Governors. We were the only District present and the only ones who appeared to know there had been a change in the regulations, and the catastrophic impact it would have.

Dr. Van Hook:
✓ Distributed a Board Update to the Board. She briefly highlighted/expanded on many of the topics included in the update.
✓ Noted she is leaving on vacation next Monday and won’t be back until May 29th.

Mr. Pemberton announced that:
✓ The ASG passed a Code of Conduct and made revisions to their by-laws.
✓ The Lazerock! production in the PAC sold 497 tickets and generated $5,500 in revenue. There were only 88 complimentary tickets that were distributed.
✓ They have had 20 applications for next year’s ASG open offices and will have a recruitment lunch next week.
✓ A new Student Trustee will be appointed in June by the ASG officers.

Mr. Wilk noted:
✓ He enjoyed working with Dr. Capet during an off-campus meeting last week.

Mr. Fortine noted that:
✓ The Air Force Band is coming to our PAC on May 15 at 7:30 pm and will also perform on May 16 at 10:00 am. We only had 3 weeks to coordinate the event. However, working with the administration and the staff of the PAC has been a great experience and he has appreciated their help.

Ms. MacGregor noted that:
✓ She went to the CCLC conference and enjoyed the individual workshops.
✓ She attended the All-College staff meeting (hosted by Dr. Van Hook) and appreciated getting a copy of the presentation from the standing room only meeting.
✓ She has been asked to speak at the EOPS lunch.
✓ She plans to attend the May 14-15 Sacramento trip with KHTS/community representatives to promote education.
✓ The “100 Years of Broadway” show in the PAC was wonderful.
✓ She was fortunate to assist Ms. Allison Devlin in the delivery of gifts to the children associated with the “Wish Granted” program. It was a wonderful opportunity.
✓ She asked the Board members to please calendar August 23rd for the “Q&A with the Board” scheduled during Fall FLEX week.
Mr. Tichenor announced that he:
✓ Attended the Man and Woman of the Year event.
✓ Participated in the Taste of the Town event.
✓ Enjoyed Secretary Spellings’ visit to COC.
✓ Will be attending the HITE/Honors dinner this Friday.

Ms. Jenkins added that:
✓ She also attended the CCLC conference in San Francisco. She and Dr. Van Hook led a workshop on CEO/Board relationships the retention of the CEO and success of college districts.
✓ She is looking forward to the HITE dinner.

None.

Ms Jenkins noted that:
✓ Our Board needs to conduct the annual Board Evaluation. She would like to send out the evaluation form, have Board members fill it out, solicit available dates to talk review it, as well as address next year’s Board’s budget in the near future.
✓ She would like an update/information as to the status of the Board meeting room, possibly at the June Board meeting.
✓ The Board would like to establish and implement a tracking system for expenditures on the many construction projects we have going on, including Canyon Country.

President Jenkins announced the next meeting will be a Joint meeting with the City Council members on Wednesday, May 30, 2007 at 6:00 pm. The location for this meeting has yet to be determined.

There being no further business, the meeting was adjourned at 8:36 p.m.
