✓ She and Dr. Gribbons are working with Ms. Teresa Tena (CCLC) to impact the formation of the systems’ budget requests for 2008/09.

Mr. Dermody was not present.

Ms. Mayer had nothing to report.

Ms. Fiero had nothing to report.

Dr. Wilding thanked Ms. Allison Devlin (who was present in the audience) for all her work to make graduation such a wonderful event.

Dr. Gribbons added that:

✓ He met with the University of La Verne representatives yesterday, and they are interested in including daytime offerings in the University Center. They are working on having a dual admission process (COC and ULV) at the same time, so students could take classes concurrently at both institutions, enhancing their learning and cutting the time needed to complete the degrees. In addition, they are planning to lease 2500 sq ft of exclusive space in the University Center.
✓ He and Ms. Coleal met with Fire Chief Mike Metro and we are close to wrapping up the Agreement with Del Valle.
Dr. Capet noted that:
✓ We are in the first week of summer session and enrollment is up 7.1% over last summer with 7% fewer classes.
✓ Last year (starting July 1), we had 1096 concurrently enrolled high school students and this year we have 2104. Dr. Van Hook noted this is due to the 5% growth cap being removed since last year, thanks to Senator Runner’s bill on concurrent enrollment reform.

Ms. Coleal added that:
✓ She has attended the last two Canyon Country Advisory committee meetings. The Committee members are very involved and it’s nice to have the backing of the community people in this new area. It will be great to have these people helping us to spread the word about our new campus and everything we plan to offer.

Dr. Van Hook noted that:
✓ She attended the AOC graduation and enjoyed the event tremendously.
✓ The Student Learning Outcomes (SLOs) brief has been distributed from the Institutional Development office. WASC has now stated we must develop Administrative Unit Outcomes (AUOs). The managers will get together in July to review the outcomes, actions and priorities in the Strategic Plan and write their administrative outcomes to be incorporated into the accreditation self-study.
✓ The accrediting process is under fire with Secretary Spellings. They have been successful in dismantling one of the accrediting commissions in the United States, and are very “accountability focused.”
✓ Coach Ray Whitten’s retirement party is Saturday night.
✓ There are many events scheduled in the PAC including the SCV Ballet, and a SCV Symphony fundraising event on Saturday night.
✓ She received a great report from Brent Denison outlining a summary of what things were done differently in the PAC this year that made an impact and resulted in us being $49,827 over our projected revenue goals. Ms. Jasmine Foster worked with Mr. Denison on marketing also.
✓ She met with Mr. Ken Pulskamp on Tuesday, and he gave her a use tax revenue check. They discussed that our arrangement with the City for use tax has expired, but that we want to continue it, as COC will be spending lots of money on equipment and want to get the benefit of the purchases we’ll be making. She suggested to Mr. Pulskamp that the City may want to set up the returned revenue as a fund to foster joint economic development issues support of the arts.
✓ Last Friday, she had a good meeting with City staff and COC representatives on a variety of topics, and that it was a good meeting.

Mr. Vanover announced that:
✓ After an interview process, he was appointed today by the ASG officers. He is glad to be back. He has decided to return now that he’s graduated from CSUN in Political Science and will pursue a Business degree.

Mr. Wilk noted:
✓ He attended the SCV Wine Classic, noting he especially enjoyed the food at the COC Culinary Arts program table.
✓ Mr. Worden at The Signal newspaper has now given notice for retirement. Mr. Wilk suggested we reach out to The Signal during this transitional time for them. Dr. Van Hook noted that Mr. Jesse Munoz is now the only education reporter for the Signal and will be covering many educational groups in the SCV on Wednesday nights.

Mr. Fortune noted that he has been busy attending many events, including:
✓ HITE/Honors Banquet
✓ SCV Monopoly Mania event for the School to Business Alliance
✓ Retirement party for Mr. Gary Fuller, Hart HS principal
✓ Collegial Celebration for COC faculty members
✓ Air Force Band Concert in the PAC
✓ Hart Band Spring and Show Choir concert
✓ The 2007 Media Arts Showcase Reception and Awards in the PAC
In addition, he thanked Dr. Wilding for his help with the security of all the graduations that were held on our campus. He noted Mike put together a good plan and he appreciated his help.

Ms. MacGregor noted that she attended:
✓ The final mentor/mentee breakfast. She encouraged other Board members to be involved in the program.
✓ The EOPS breakfast, where she was asked to be a speaker and learned a lot about the program.
✓ The Collegial Celebration
✓ PAC Volunteer potluck recognition
✓ The University Center celebration at Tom Lee’s house, which was a great opportunity to thank those who had donated to the Center’s campaign.
✓ Graduates Honors Breakfast

In addition, she noted the Board should follow up on their Board Workshop and the goals that have been tentatively set. She felt the Board should share the discussions that occurred at the meeting with others.

Ms. Jenkins added that:
✓ She participated in the Foundation Executive committee meeting:
  ✓ Mr. Scott Shauer shared ways the Michael Hoefflin Foundation could work to partner with the College for establishing scholarships in the future.
  ✓ The Coffee Kiosk is still viable and being worked on. Mr. Rick Espinosa was having difficulty getting the plans, completing the soils testing, but it is all being worked out. The deadline was extended to June 17th.
