Ms. MacGregor noted that these 3 change orders (Items 6.16, 6.17 and 6.18) total approximately $600,000 worth of changes. Ms. Jenkins noted these changes were within the budget. Dr. Van Hook asked Mr. Schrage to thank the Construction Managers (CM) for their help with Aliso Hall, as we are 100% complete and still have 31% of our established contingency remaining. Lundgren Management, the CM on this project, were right on top of everything throughout this project.
Dr. Van Hook noted that:
✓ Ms. Coleal filled out and returned a survey to the CCLC, which had been requested by the CCLC about the impact of the budget stalemate on community colleges. The survey was sent to all community colleges for their input.
✓ Yesterday, she received a call from Senator Runner’s staff to assure us that the Senator would not support any community college cuts in the budget.
✓ A photo album has been put together to send Senator Runner thanking him for his support towards many COC programs and campus projects over the years as an elected official since 1996. Dr. Van Hook asked the Board members to sign the letter included in the album.
✓ Congressman McKeon helped us to secure $100,000 to get our medical specialty lab program off the ground. We are excited to move forward and identify the partners we need to make the lab a reality. It will be located in a soon to be remodeled space in Bonelli Hall.

Ms. Jenkins noted that she was at an event recently and it appears the legislators are determined to carve out the $680 million from the budget before they will move forward to finalize it.

Mr. Dermody was not present.

Ms. Mayer had nothing to report.

Ms. Fiero and Dr. Wilding had nothing to report.

Dr. Gribbons reported that:
✓ The college hosted a fabulous Open House for the University Center on August 7 from 4:00 to 7:00 pm for prospective students. In the past, we’ve had 100 people attend, but yesterday, we had about 250-300 people in the first hour. The partners and the University Center team members were very excited to have such interest.

Ms. Coleal:
✓ Recognized her staff, as they have been working diligently to close the books for year end and gearing up for the new budget. She appreciates their dedication.
✓ Attended the Betty Ferguson Foundation’s Woman of Honor dinner and truly enjoyed it, noting it was a very moving event.

Dr. Van Hook announced that:
✓ There was a nice article in the paper about Ms. Diane Hellrigel, a former adjunct language instructor for COC. The article was about her successful climb of Mt. Everest.
✓ There was also an article from the Sacramento Bee on Dr. Diane Woodruff, the new interim Chancellor. Dr. Van Hook noted Ms. Woodruff is an excellent choice and is the first woman to serve in this position. Ms. Jenkins echoed that Ms. Woodruff will be great in this position.
✓ The CCLC has provided an overall picture of CSU, UCs, and community colleges entitled “Fast Facts.” Dr. Van Hook distributed copies of it to the Board for those who had not received it already.
✓ She was pleased to see the article in the Signal about Charlie Tichenor’s scholarship that he recently received.

In addition, Dr. Van Hook shared several photographs (via a PowerPoint slide show) with the Board of Yasser and Christina Issa’s baby, the University Center Open House, and the Ropes Course at Camp Tahquitz. It is our hope that we could incorporate this into some of our majors/programs and use the site as a resource to instructional programs.
Board of Trustees Minutes – Business Meeting
August 8, 2007

Mr. Vanover announced that:
✓ He will be attending the Student Trustee Workshop in Santa Clara this weekend. Right now, the CCCT only has one application for the student representative, so he submitted his application for possible appointment to this position as well.
✓ The ASG officers met last week, and will meet again next week to talk about increasing the student support fee, currently at $9 per semester.
✓ They will be present at the Canyon Country Campus during Welcome Week and will explore ideas of how to handle having ASG support and programs at the new campus.

Mr. Wilk had nothing to report.

Mr. Fortine noted that he attended:
✓ The Betty Ferguson Foundation Woman of Honor dinner.
✓ The COC Foundation Board meeting.
✓ The Canyon Theatre Guild’s “Beauty and the Beast” play on Opening Night in the PAC. There was also a dinner at Bill and Cathy Kennedy’s home before the play.

Ms. MacGregor noted that:
✓ While she was in the hospital recuperating from her knee surgery, she talked with many of our former nursing students, who are working at the hospital (HMNMH).

Mr. Tichenor added that:
✓ He attended the Open House for the University Center and talked to many interested students.
✓ He finished his teaching schedule for the summer.
✓ He and his wife Holly are very excited about their son Charlie’s scholarship, noting that Charlie will receive the award at Lincoln Center in New York, and will have the opportunity to play on stage there as well.
