Dr. Van Hook noted that:
✓ The state budget was finally approved, and for the most part, it is much the same for COC as the one approved at our tentative budget meeting earlier in the year.
✓ Based on when the budget workshops will be held, we will aim to have our Budget meeting on September 26th. We anticipate minor changes from the tentative budget that was presented earlier this year as we will have some additional forced costs. We will present the adopted budget with a 6% fund balance going forward.
✓ She received a call from Mr. Fred Harris at the Chancellor's office. He and Jim Schrage served on a committee with other Chief Facilities Officers to draft legislation to change the Field Act Requirements for community colleges. Senator Runner has moved that language forward, but it appears it will become a 2-year bill. We appreciate Senator Runner's support and tenacity to pursue much overdue changes in facilities planning and approval for community colleges.

Mr. Dermody was not present.

Ms. Mayer had nothing to report. Dr. Van Hook added that Fashia Skjelstad visited her and let her know that a team of classified staff (who attended the leadership workshop) have been meeting to review the bylaws and constitution for the Classified Coordinating Council to move it to a Classified Senate. They also have the support and involvement of CSEA to do so.

Ms. Fiero noted that:
✓ She attended the VIA Connecting to Success fundraiser, where COC had a team of bowlers from the College that participated. It was a fun, successful event.

Dr. Wilding announced that:
✓ Yesterday was the 2nd annual Freshman-Faculty lunch and it was quite successful.
✓ School starts next Monday and ASG will host Welcome Week for students.
✓ Registration lines have been steady, and we expect to have a full south parking lot and will have a “full” feeling on campus.

Dr. Gribbons had nothing to report.
Dr. Capet noted that:
✓ He has two new managers to welcome, Dr. Jennifer Brezina and Ms. Gina Bogna, who were approved on the Consent Calendar. He noted they are revitalizing our non-credit offerings and we are excited to have them working together. Ms. Audrey Green will also be working these new managers to pull this program together.

Ms. Coleal added that:
✓ Our audit is going well, and the Foundation audit is also going great.
✓ Ms. Mary Ann Bardin has been busy helping to put the costumes together for the Opening Day performance.

Dr. Van Hook announced that:
✓ Ms. Jenkins, Mr. Fortine and Mr. Wilk all filed for re-election and were unopposed. She congratulated them, noting it is a compliment and a great vote of confidence for the job they do to providing oversight to the District.
✓ The new Canyon Country staff had a tour and a BBQ, which was coordinated by Dr. Dena Maloney and hosted by Ms. Jasmine Foster at her home. While the temperatures were steamy, it was wonderful to see the progress on campus and talk with the staff and faculty who will be working there.
✓ The Early College High (ECHS) event for their first day of school was held in our gymnasium. The kids were very excited, as were their parents. She took a group photo of the Class of 2011 and had copies sent to the kids later that day. They are currently in the University Center until their space opens at the CCC next week.
✓ The Wayne Newton performance has sold over 700 seats, and Manhattan Transfer has sold over 500 seats. 55% of the revenue target for 2007-08 has already been met.
✓ Dr. Moos has secured the performance of The Alley Cats for a February 14 Valentine’s Day performance in the PAC, and she is very excited about this event.
✓ The new Bottom Line has been printed. It will be distributed to a variety of groups (donors, advisory committee members, etc.) It is designed to get the news and information out to a variety of people in a targeted and strategic way.
✓ She and Ms. Audrey Green will be going on a tour of the Cheesecake Factory in their headquarter in Agoura Hills on September 19. They have a portable kitchen station that they use and we are interested in pursuing something similar.
✓ The Canyon Country magazine has an ad on the back of their magazine highlighting our new campus.
✓ “Dream and Discover” t-shirts and bags will be available on Opening Day. She showed the bag that was designed as part of the sustainable development initiative. In particular, she complimented Nick Pavik on his wonderful design/logo for this year’s theme.
✓ She appreciated Ms. Bozman’s help in getting the details of the advertising and marketing plan for the Canyon Country Campus.

Mr. Vanover announced that:
✓ He meet with Dr. Capet and Ms. Jenkins and Ms. MacGregor earlier today.
✓ Mr. Wilk attended the ASG’s one day retreat, and they appreciated his participation.
✓ He distributed the Advocacy handbook (everyone had one at their places at the table). He noted this handbook is given to students during all events on campus.

Mr. Wilk added that
✓ He was thrilled to be invited to the ASG team building event. They are an outstanding group of people and they have a great year ahead of them

Mr. Fortine noted that he attended:
✓ A meeting of the Golden Goose Society, which is part of the Loose Goose. This year, they are sponsoring the Brenda Mahling Foundation during their fundraiser.
✓ The ECHS opening day event held on campus.
Ms. MacGregor noted that:
✓ Next Monday night is the SCVTA meeting at the Newhall School District offices.
✓ She also congratulated Bruce, Scott and Michele for not only saving the District money by being unopposed in the November election, but she is thrilled to work with them again.
✓ Thanks to everyone on campus to get the many buildings and projects ready. She knows it has been a very busy time for everyone.

Mr. Tichenor added that:
✓ Attended an event called “California Speaks” which was held at 8 different locations around the state for people to discuss alternatives to the health care crisis. The event was held at the Kodak Theatre.
✓ He attended an event for Congressman McKeon at the Goldman’s home.
✓ He attended the BBQ at Jasmine Foster’s home for the new Canyon Country staff.

Ms. Jenkins added that:
✓ She also attended the event for Congressman McKeon.
✓ The ECHS opening day was a really nice event. The Gates Foundation and initiative is proving to be an effective and wonderful idea, given that we had 89 students in this class and it provides access for first generation college students. It appeared that there were hundreds of people there to support these students and they did so enthusiastically and enjoyed Dr. Van Hook’s comments and being a cheerleader for the program.
✓ She thanked the students who were in the audience for attending the meeting, and invited them to contact any of the Board members at any time.
✓ She distributed maps of the Valencia campus with the new names of the buildings on it to her fellow trustees. Dr. Van Hook added that there will be large banners of the new building’s names hanging on the buildings the first day of classes.

None.

Ms. Jenkins noted that the Board would like to review the color board for the new Board room, and they will need to pick out the colors for the new chairs. Ms. Mayer noted she would bring the color boards and other chair colors for the Board members to select.

President Jenkins announced the next meeting will be a Business Meeting held on September 12, 2007 beginning at 5:00 for Closed Session, 6:30 pm for Open Session in the Staff Dining Room.
