There were no additional comments.

Mr. Wilk noted he would like to discuss how we can bring back in a more systematic way any information that Board members cull from the community. He noted he, too, toured Channel 20 recently, and the City staff representatives were shocked that our Board members didn’t get any information prior to when the City Council members came to COC about 6 weeks ago. At the Betty Ferguson event, he spent time with the chair of the Economic Development Corporation. That chairman was shocked there had been no report to this Board on things going on with that Commission. Mr. Wilk noted it is great Board members are going out into the community. Part of that is to represent the college and the other part is bringing it back and sharing it so all Board members can have the information. He felt the Board should talk about the best way they can do that so they keep each other informed.

Ms. MacGregor announced the next meeting will a Budget Study Session/Business Meeting and will be held on Wednesday, October 14, 2009. Closed Session will begin at 5:00pm, and Open Session will begin at 6:30pm.
