THE CANYON COUNTRY CAMPUS
SPRING 2015 HIGHLIGHTS

The Canyon Country Campus is a vital part of College of the Canyons’ commitment to quality instructional programs, supportive student services, and meaningful community partnerships in the Santa Clarita Valley. Spring 2015 semester activities and highlights include:

- Welcomed nearly 5,000 students to campus with 284 spring sections with approximately 9,000 seats available in 41 different disciplines.

- Hosted one of the largest FLEX days ever at CCC on February 4th with presentations on student equity, emergency preparedness, classroom strategies, and what’s new at CCC.

- The 2014/15 academic year is the eighth year of operation and more than 10,000 unduplicated students will earn credits at CCC this year.

- 171 faculty teach at CCC this semester, with 101 teaching exclusively at CCC. 15% of all on-ground District faculty are only at CCC this fall.

- Campus connections continue with strong community attendance at campus events and many program review objectives for the campus.

Collaboration continues to make campus growth possible! Find out more today by visiting the CCC website or schedule a campus tour (661) 362-3802.
### Some Examples of Current Planning Implications & Activities for the Canyon Country Campus Include:

- Comprehensive review of program review documents (NIPRs and APRs) to identify and support appropriate/necessary CCC objectives.

- Build discreet instructional pathways for students at CCC in conjunction with Academic Affairs.

- Facilities planning for current and future instructional space needs at CCC, including advocacy necessary to achieve these needs.

- Maintain full-service campus and ensure that student support services and campus resources are appropriately comprehensive and equitable to support student learning—in line with accreditation requirements.

- Extend activities from the student success-supporting initiatives (Equity, Title V, BSI, 3SP, AB86, etc.) to the Canyon Country Campus, as appropriate, and promote coordination between student success initiatives wherever possible.

- Training of second educational administrator at CCC

- Expand connections between CCC and Economic Development, including SBDC workshops, ETI training, WorkSource recruitments, open house events, and other business-friendly practices.

- Identify and prepare contingency plans for facilities expansion at CCC in case the statewide construction funding continues to be delayed, and explore opportunities at offsite locations including adjacent properties.

- Ongoing evaluation of student services and support programs to determine sufficiency and future needs.

- Extension of the Weekend College accelerated pilot program in Fall 2015, including additional accelerated evening courses offered on weeknights.

- Support expansion of events and workshops at CCC that highlight student and staff excellence and promote opportunities to connect the community to on-campus resources.

- Follow action implications of recent faculty and staff surveys to expand services, increase professional development opportunities, and encourage expanded engagement by District staff with the campus.
