Movie Night a Big Success

On Friday, October 26, the community joined us for a celebration of the Center for Early Childhood Education's 10th year at CCC, with a outdoor showing of Disney Pixar's "COCO". An open house, kid's activities, dancers and the movie rounded out the evening. There was also free movie snacks, a food truck for dinner, and more. Our next event will be the Garden Walk on Nov. 3, from 9-11am. Check our website for more information: www.canyons.edu/ccc

Star Party was Stellar!

Thank you to those who joined us at our Star Party event on Friday, October 12th! More than 500 visitors and many campus clubs and departments showed off why science and astronomy are so awesome. Plan to join us for Spring's Star Party!

Your Associated Student Government (ASG) in Action

ASG planned a number of awareness and advocacy activities and events this semester, addressing such topics as student health and wellness, mental health, and no texting and driving, to name a few. Here's a quick snapshot:

- ⇒ **10/2/18 - Love on the Leash** - Many Students and staff de-stressed by engaging with 7 therapy dogs from Love on the Leash as well as grabbing a free snack and water too! If you missed your chance this time, don't worry because our furry friends will be back to spread joy at our Honoring Veterans Program on Nov. 8th from 11 am - 1:30 pm. Stop by and get a free scantron/blue book too!
- ⇒ **10/9/18 - No Texting and Driving** - Students realized how challenging it is to text and push a doll on a walker while going through an obstacle course. This increased the student's awareness on how dangerous texting and driving really is. About 50 of our students signed the pledge to not text and drive. We hope the COC community continues to know that the text can wait!
- ⇒ **10/10/18 - Voices of Power** - This interactive outreach piece showcased the power of speaking out against Domestic Violence. Many students engaged and pledged that they would help to stop domestic violence and that our voices are powerful!
- ⇒ **10/16/18 - Student Health Awareness** - Learn what the Health & Wellness Center has to offer you here at CCC. There is both physical and mental health services available. Check the website for hours.
- ⇒ **10/30/18 - Bookstore Pop-up** - The Bookstore pays CCC a visit, bringing products, services and giveaways.

Campus Safety Reminders

You may have noticed the stop signs have been removed at the cross walks, being replaced with traffic signs directing drivers to stop when pedestrians are present. As a driver, please keep your eyes open for pedestrians when approaching these signs and stop to allow them to cross. When walking to and from classes, be sure to watch for cars that may not see you. Important Traffic Reminders:

- Student parking is available in Lots 1, 2, and 3, and a permanent student parking permit is required before 2pm.
- Daily permits are available from one of our three black parking ticket machines in campus lots.
- No student parking permit required after 2:00pm daily.
- Our campus is a one way only road from entry to exit.
- Pickup/drop off of students at the designated white curbs only. Parking or stopping at red curbs causes traffic to back up and it's a fire code violation.
- No parking on Dr. Dianne G. Van Hook Dr. (formerly Campus Dr.). The road is closed due to the Science building construction.
- Marked Green curbs are for 30 minute parking only, unless the designated time is posted differently.
- Please be careful of where you walk on Cougar Way, due to the construction, there may be equipment and debris in the area.

Thanks, and be SAFE!
