Welcome Week a Big Success

Thank you for joining us during Welcome Week! More than 15 clubs attended ClubFest, informing students of how they could get involved, get engaged and make a difference. The Resource Days offered students a chance to meet with more than a dozen support services offered here at the Canyon Country Campus, including the Student Health & Wellness Center, Financial Aid, Counseling, Library, TLC, Career Center, and Veteran's, to name a few. ASG provided free pizza, breakfast burritos and many drinks to combat the hot weather. We hope you were able to meet our staff and see how we can help you to be successful!

Your Associated Student Government (ASG) in Action

ASG has planned a number of awareness and advocacy activities and events this semester, addressing such topics as student health and wellness, mental health, and no texting and driving, to name a few. Here is what's coming up (all events held on Cougar Way):

- Health and Wellness table: 09/19, 10-11am
- International Students Program Trivia: 09/25, 11-2pm
- No Texting & Driving: 10/09, 11-1pm

Get Involved—Make a difference! By joining ASG, you will be helping to advocate for students on this campus and the local community. In addition, you can plan activities and events at our campus to help students to become more involved and engaged. For more information contact Joanna Kelly at **661-362-3840** or email Joana.Kelly@canyons.edu.

Financial Aid

“Cash for College” will be at the Performing Arts Center on September 25th at 6:30pm. This event is for new and returning college students (and parents) who are interested in receiving financial aid. Also, the FAFSA for the 2019/2020 academic year will open on October 1, 2018!

Construction Update

The new Science Building continues to progress, with structural steel, cement pours, etc. This building will add much needed lab and classroom space to the campus. Visit our [website](#) for more information.

New Student Advisement Workshops

Have you completed steps 1 through 3 on the New Student Checklist?

Then you are ready to attend a New Student Advisement Workshop!

Even if you have already registered for classes, the new student advisement workshops can be helpful, as they are hands-on, practical workshops facilitated by an academic advisor.

By the end of the two hour workshop, students will have clarified their educational goals, become familiar with how to navigate the Schedule of Classes online, be better informed about how to balance classes and manage their time, and they will create a first semester student education plan.

Students can sign up online at www.canyons.edu/offices/counseling/pages/new-student-advisement.aspx

Campus Safety Reminders

Now that we are in our fifth week of the Fall semester, students should already have their permanent student parking permit. If not, daily permits are available from one of our three parking ticket machines in campus lots. After 2:00pm, student permits are *not* required to park in student lots.

Also, some friendly reminders:

- Our campus is a one way only road, in and out of CCC. Drive safely!
- Please, limit the pickup/drop off of students at the designated white curbs only. Parking or stopping at red curbs causes traffic to back up and it's a fire code violation.
- Please do not park or drive on Dr. Dianne G. Van Hook Dr. (formerly Campus Dr.). The road is closed due to the Science building construction.
- Marked Green curbs are for 30 minute parking only, unless the designated time is posted differently.
- Please be careful of where you walk on Cougar Way, due to the construction, there may be equipment and debris.
