

PROGRAM OF STUDY

Geography Associate in Arts for Transfer (AA-T)

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Geography. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu> for more information.

Student Learning Outcome:

Locate and analyze the distribution of physical and cultural features in the world, relate them to modifying processes, and assess variables that influence resulting spatial patterns.

Program Requirements:

Required Core Courses:

		Units
GEOG 101	Physical Geography	3 - 0
	or	
GEOG 101H	Physical Geography - Honors	3 - 0
GEOG 102	Human Geography	3 - 0

Plus six units from the following:

		Units
GEOG 101L	Physical Geography Lab	1 - 0
GEOG 103	Weather and Climate	3 - 0
GEOG 104	World Regional Geography	3 - 0
GIS 101	Introduction to Geographic Information Systems	3 - 0

Plus six units from the following:

		Units
ANTHRO 103	Cultural Anthropology	3 - 0
	or	
ANTHRO 103H	Cultural Anthropology - Honors	3 - 0
GEOL 101	Physical Geology	3 - 0

Major Codes: 5600.GOEG.AA-T or 5610.GEOG.AA-T

Total Units**18**
