Giving a Student More Time on a Test

Question:
I have a student in my class that has a DSPS accommodation for testing. I need to give the student more time on a test. How do I do that?

Answer:

1. Click on "Edit the Test Options" within the quiz itself.
2. Scroll down to where it says "Test Availability Exceptions".
3. Click add user or group, click on the student's name,
4. Change the number of attempts and the time allowed to submit a test.
5. Click submit
