Initial instructions for beginning of class: Once you login, you can go to the section's content and assignments. You will then see the layout of the course, the topics we will cover and the deadlines for quizzes and essays (I actually keep them open for the entirety of the semester so that you can work at your own pace). All of this will be clearer when you have the page in front of you. Take time to explore the site. Click on the various tags to see what they contain, but do not try to open any quizzes or exams for it will force you to take them there and then. It is also critical that actively participate in the DISCUSSION FORUMS found under the Tools menu. I will be providing topics for all of us to debate and to analyze in threaded discussions. Your ongoing participation is critical in the calculation of your final grading. 30% of your grade will be come from this activity. Students initiating discussions and opening new forums will be given extra credit (2% extra credit for an initiated topic). For all technical questions, please contact: support@connect4education.com Or call: (703) 880 1180 from 9 am to 5 pm Eastern Time.
