Welcome to Introduction to Philosophy class! I am Sanja Morris, your instructor. This letter will provide you with some useful info about the class you are going to take. Since this class is 100% online, you can email me with your questions at sanja.morris@canyons.edu.

1. Make sure you can login to the class Blackboard https://bb9.canyons.edu/webapps/login/ by using your College of the Canyons user name and password.
2. If you are new to online courses, I strongly recommend you check on these online tutorials http://www.canyons.edu/BBTutorial.
3. Read and print the syllabus.
4. Complete the Syllabus Quiz.
5. Explore the links in the course.

I will be adding students from the wait list by following the order they are listed. If I offer you a spot, you will need to contact me within 24 hours.

For this course, you will have to have both a dependable computer and a reliable access to the internet. If you experience any technical problems, please contact Blackboard Support via email bbsupport@canyons.edu or by phone: 661/362-3344, and email me, too.

I am looking forward to working with you this summer. The content of this online class is identical to the content of my face-to-face class in Introduction to Philosophy except you will not be attending the lectures. You will have to be self-motivated and disciplined to get the work done.

Thank you.
