Subject: Early Childhood Education
Course Number: 101
Section Number: 13490
Name of Class: Child Growth and Development
Instructor: Michelle Hancock
E-mail: michelle.hancock@canyons.edu
Semester: Spring 2015
Class Starting Date: April 13, 2015
Class Ending Date: June 4, 2015

Class Description: Examines the major physical, psychosocial, and cognitive/language developmental milestones of children, both typical and atypical from conception through adolescence. Emphasizing interactions between maturational processes and environmental factors while studying developmental theory and investigative research methodologies. Field observation required.

Other Course Materials Required:

Initial instructions for beginning of class: Log into College of the Canyons Blackboard, watch the introduction video in the Announcements area and then proceed to the section marked "START HERE FIRST." Be sure to login no later than the first day of class and post your introduction.

Testing regulations (included proctoring guidelines link): There are no proctored tests for this course.

Course Management System Information:

Student Learning Outcomes: Apply developmental theory to the milestones for children conception through adolescence in the areas of physical, psychosocial, cognitive and language development.

Useful Links: You will need your textbook from the first day - get it early! Be sure your textbook includes Connect Plus Access. The publisher also offers a 14 day free trial, but that is only for emergencies and won’t get you through the course. Link to the bookstore: http://coc.bncollege.com/webapp/wcs/stores/servlet/TBWizardView?catalogId=10001&langId=-1&storeId=24054

Other: This course requires ongoing access to the internet. You must have access to your textbook and be able to log on to Blackboard at least twice each week.

Because this is a full semester of work rolled into ½ the time, you must be prepared with internet access and the textbook right from the beginning of the course.
**DSPS Information:** COC provides services for students with disabilities in compliance with the American Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973. Students with disabilities needing accommodations should make requests to Disabled Students Programs & Services (DSPS), (661) 362-3341 or by logging into [http://www.canyons.edu/Offices/DSPS](http://www.canyons.edu/Offices/DSPS). If you have approved accommodations, please message me privately. All requests for assistance require advance notice to avoid a delay in services.
