

**This is a list of all Associate Degree majors, transfer majors, Certificate of Specialization, and Certificate of**

**Achievement.** Upon submitting an application, you will be asked to choose one of these codes to include on your application. You can change your major at any time in the Counseling Office.

A major is a program of study which leads to a degree. It is the primary area of study in which the greatest depth of knowledge will be developed. If transferring, classes taken in a major area fulfill what is called "preparation for the major." Completion of these courses prepare students for upper division classes.

**DISCLAIMER:**

The major preparation course requirements to transfer to a 4-year college or university are very likely to be different from the major course requirements for the same major at College of the Canyons. Please consult with a counselor or the Transfer Information Website: [www.canyons.edu/offices/Counseling/TransferInfo.asp](http://www.canyons.edu/offices/Counseling/TransferInfo.asp)

**AA/AS\* Degree Majors**

1006	Accounting*	1549	Multimedia Design
