

HOW TO REGISTER

REGISTRATION

You will need a registration date and time to be able to register for classes. To obtain a registration date and time as a new student, you will need to complete the online orientation. You will be automatically assigned a registration date at the end of the orientation. If you are a returning student, you will receive a date and time after you complete your application. For continuing students, you are automatically assigned a registration date and time. An email and postcard will be sent to you informing you of that date. If you do not receive the email or postcard, please log in to **My Canyons** and click on **My Registration Date**.

Students register for courses according to a priority system. This priority system has been created to make your registration as easy as possible and to avoid overloading the computer system. You will be able to register on or after your date and time.

In order to understand the College of the Canyons registration process, you must know your status as a student. You may access online registration to obtain your registration date and time. **We are now sending registration date and time information by email. Be sure we have your correct email address. You can make changes to your email address by accessing the online registration system. Please be sure to allow emails from any email ending in @canyons.edu. Please do not block these emails, otherwise you may not receive your registration date.**

Your registration date and time is determined by the following:

- How many units you have completed and for units for which you are currently enrolled at College of the Canyons.
- Your priority level (A, B, C, D, E, F, or G) based on your status as a student.

Based on your priority level, you will be assigned a registration date and time. You will be able to register on or after this date and time.

To register for your classes, please log on to **My Canyons**. You will log in during or after your registration date and time. Click on Register/Add a class and follow the prompts. If you need help choosing classes, please see our online tutorials for help. They are located at **www.canyons.edu/office/counseling** and **www.canyons.edu/offices/admissions**.

High School Students

High school students planning to enroll in classes must first complete the admissions process. High school students must submit a Special Admission Enrollment form and an Authorization to Consent to Medical Treatment form with all required signatures every semester before registering for classes. The special admission form must be submitted to the Admissions and Records office in Valencia or Canyon Country to receive appointment registration date and time. Appropriate high school officials must recommend the College of the Canyons degree applicable courses for which students are approved to enroll. High school students may enroll in up to 11.0 units per semester. Please see the College Calendar at the front of this schedule of classes to find the high school registration date. High school students must register online.

High school students in the 11th and 12th grade are eligible to enroll at College of the Canyons for advanced scholastic courses. For more information, please see the information located online at www.canyons.edu/offices/Admissions/highschoolstudents.asp.

Priority H* 11th and 12th grade high school students.
