

The first day of classes for the Winter 2010 session is *Monday, January 4*.  
Registration for this session begins on *Tuesday, November 16, 2009*.

**PLEASE NOTE IMPORTANT INFORMATION IN THE BOX BELOW  
AND ON THE NEXT PAGE!**

Winter session classes will be held on both the Valencia and Canyon Country campuses and there will be some online classes. In response to cuts in funding from state government, the number of classes we are offering during the session has been significantly reduced compared to last Winter session and the classes we are offering are those that we believe are in most demand.

**About the schedule:**

- This schedule of classes is organized into two sections – one listing the classes available to you and one with other important application, registration and support information.
- Classes are organized alphabetically by department.
- This schedule includes classes that are offered at our Valencia Campus, Canyon Country Campus, online and at other off-campus locations. *Please see page 7* for the addresses of these locations. It is important to know where a class is being held and to have enough time to get there. It takes about 30-35 minutes to drive from the Canyon Country Campus to the Valencia campus.
- Please make sure to read the registration instructions starting on *page 26*.

**This publication is as comprehensive as it could be at the time of printing, but please be sure to check back online at [www.canyons.edu](http://www.canyons.edu) for classes and sections that may have been added or deleted since that time.**
