

Earn a **TESOL** certificate with **UCLA Extension** at **College of the Canyons**

Our **Teaching English to Speakers of Other Language (TESOL) certificate** provides you with the practical skills and knowledge to specialize in ESL (English as a Second Language) instruction.

Experienced educators, coordinators, and administrators may also enroll in most individual courses for their own personal growth or professional development without applying to the certificate program.

Our Winter Online Courses Include:

- Applied Methods in Teaching English Language Development
- Cultural Diversity in the Classroom
- Language Development and Acquisition
- Language Structure and Usage
- Methodologies in Teaching Academic Content in and through English
- Practicum: Observation and Instruction in the ESL Classroom

UCLA Extension Winter Quarter begins January 6, 2010.

Courses fill fast—so save your place in class today!
