

Access to My Canyons is available every day from 7 a.m. until 2:30 a.m. the next morning!

IMPORTANT NOTE:
The California Legislature has raised fees to \$36 per unit for the Fall 2011 semester!

The first day of classes for Fall 2011 is Monday, August 22. Registration begins July 20.

About the schedule:

- We have organized this schedule into two sections – one listing the classes available to you and one with other important application, registration and support information.
- Classes are organized **alphabetically by department**. Please **pay close attention to the starting and ending dates** so that you register for classes during the dates and times you want.
- This schedule includes classes that are offered at our **Valencia Campus, Canyon Country Campus, online and at other off-campus locations**. Please see *page 6 for the addresses* of these locations. It is important to know where a class is being held and to have enough time to get there. It takes about 30-35 minutes to drive from the Canyon Country Campus to the Valencia campus.

In addition to our credit classes, you will also find lists of *noncredit classes on pages 36, 37, 38 and 84*.

This publication is as comprehensive as it could be at the time of printing, but please be sure to check online at www.canyons.edu for classes and sections that may have been added or deleted since that time.

College of the Canyons is no longer mailing printed Schedules of Classes to Santa Clarita Valley residents. A limited number of printed copies will be available for special situations at a cost of \$1 per copy. They are available for purchase in the Student Business Offices on both the Valencia and Canyon Country campuses. All registration activities will be conducted either online or in-person at both the Valencia and Canyon Country campuses.
