Expect More! Get More!
The COC Honors Program provides students with a competitive edge when seeking admittance into a 4-year college or university. As college entrance requirements become more competitive, it is imperative for transfer students to maximize their chances of acceptance. Fulfilling the requirements of the COC Honors Program will demonstrate academic motivation and dedication to potential colleges.

Requirements
Students must complete a formal application process and meet the following eligibility requirements to join COC Honors:

- Completed a minimum of 12 UC/CSU transferable college units with a 3.25 GPA or higher or, if coming from high school or having fewer than 12 UC/CSU college units, must have a 3.5 or higher GPA
- Be eligible to take English 101 or have completed English 101 or English 101H, or English 102, or English 103 (or the equivalent college course) with a grade of “A” or “B”.
- Complete a personal statement indicating what the student hopes to gain from the Honors Program as well as what they believe they can contribute to it.

Mission Statement
The Honors Program at College of the Canyons offers an enriched curriculum to students with a strong academic record in order to increase their chances for successful transfer to competitive four-year institutions. Through seminar-style classes, special projects, and community activities, the program provides opportunities for critical thinking, extensive writing, and in-depth learning in a wide variety of transferable general education courses.
