I. Introduction

The Santa Clarita Community College District Equal Employment Opportunity Plan (Plan) was adopted by the governing board on November 28, 2010. The Plan reflects the district’s commitment to equal employment opportunity. It is the district’s belief that taking active and vigorous steps to ensure equal employment opportunity and creating a working and academic environment, which is welcoming to all, will foster diversity and promote excellence.

Through an educational experience in an inclusive environment, our students will be better prepared to work and live in an increasingly global society. The Plan’s immediate focus is to ensure equal employment opportunity in its recruitment and hiring policies and practices pursuant to the applicable Title 5 regulations (section 53000 et seq.).

The Plan also includes the requirements for a complaint procedure for noncompliance with the Title 5 provisions relating to equal employment opportunity programs; complaint procedures in instances of unlawful discrimination; establishment of an Equal Employment Opportunity Advisory Committee; the identification of methods to support equal employment opportunity, continuation of our efforts to create and sustain an environment which is welcoming to all; and the development of procedures for dissemination of the Plan. To properly serve a growing diverse population, the district will continue our efforts to hire and retain faculty and staff who are sensitive to, and knowledgeable of, the needs of the continually changing student body it serves.

Dr. Dianne G. Van Hook
Chancellor
II. Definitions

a. *Adverse Impact*: means a statistical measure (such as those outlined in the EEO Commission’s Uniform Guidelines on Employee Selection Procedures) that is applied to the effects of a selection procedure and demonstrates a disproportionate negative impact on any group defined in terms of ethnic group identification, gender, or disability. A disparity identified in a given selection process will not be considered to constitute adverse impact if the numbers involved are too small to permit a meaningful comparison.

b. *Business Necessity*: means circumstances which justify an exception to the requirements of Title 5 section 53021(b)(1) because compliance with that section would result in substantial additional financial cost to the District or pose a significant threat to human life or safety. Business necessity requires greater financial cost than mere business convenience. Business necessity does not exist where there is an alternative that will serve business needs equally well.

c. *Cultural Proficiency*: means the level of knowledge-based skills and understanding that are required to successfully teach and interact with students and to work effectively with colleagues from a variety of cultures by holding all forms of cultural difference in high esteem; a continuing self-assessment of one’s values, beliefs and biases grounded in cultural humility; an ongoing vigilance toward the dynamics of diversity, difference and power; and the expansion of knowledge of cultural practices that recognize cultural bridges as going both ways. Culturally proficient services require that both the individual and the institution be culturally proficient. (Based on Cultural Proficiency: A Manual for School Leaders by Randall B. Lindsey, Kkanza Nuri Robins, and Raymond D. Terrell Corwin Press, 2003)

d. *Diversity*: means a condition of broad inclusion in an employment environment that promotes equal employment opportunity and respect for all persons. A diverse educational community recognizes the educational benefits that flow from employee populations that are varied by race, gender, disability status, belief, age, national origin, cultural background, life experience and other enriching characteristics. Diversity is not the same as the definition for monitored groups as defined by Title V of the California Code of Regulations referenced in item j of this section.
e. **Equal Employment Opportunity (EEO):** means that all qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the District. Equal employment opportunity should exist at all levels and in all job categories listed in Title 5 section 53004(a). Ensuring equal employment opportunity also involves creating an environment that fosters cooperation, acceptance, democracy, and free expression of ideas and that is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination by Title 5, section 53000 et seq.

f. **Equal Employment Opportunity Officer:** means the designated person in charge of administering the District’s EEO plan as well as investigating EEO complaints.

g. **Equal Employment Opportunity Plan:** means a written document in which a district’s workforce is analyzed and specific plans and procedures are set forth for ensuring equal employment opportunity.

h. **Equal Employment Opportunity Programs:** means all the various methods by which equal employment opportunity is ensured. Such methods include, but are not limited to, using nondiscriminatory employment practices, actively recruiting, monitoring and taking additional steps consistent with the requirements of California Code of Regulations, Title 5 section 53006.

1. *Ethnic Minorities:* American Indians or Alaskan natives, Asians or Pacific Islanders, Blacks/African-Americans, and Hispanics/Latinos.

2. *Ethnic Group Identification:* means an individual’s identification in one or more of the ethnic groups reported to the State Chancellor pursuant to California Code of Regulations, Title 5 section 53004. These groups shall be more specifically defined by the State Chancellor consistent with state and federal law.

i. **In-house or Promotional Only Hiring:** means that only existing District employees are allowed to apply for a position.

j. **Monitored Group:** means those groups identified by the State Chancellor’s Office for which monitoring and reporting is required pursuant to California Code of Regulations, Title 5 section 53004. Current monitored groups include:

   1. American Indian/Alaskan Native
   2. Asian
   3. Black/African-American
   4. Caucasian
   5. Hispanic
   6. Native Hawaiian/Other Pacific Islander

k. **Person with a Disability:** means any person who (1) has a physical or mental impairment as defined in California Government Code, section 12926 which limits one or more of such person’s major life activities, (2) has a record of such an impairment, or (3) is regarded as having such an impairment. A person with a disability is “limited” if the condition makes the achievement of the major life activity difficult.

l. **Reasonable Accommodation:** means the efforts made on the part of the District to remove artificial or real barriers, which prevent or limit the employment and upward mobility of persons with disabilities. “Reasonable accommodations” may include the items designated in California Code of Regulations, Title 5 section 53025.
m. *Screening or Selection Procedures:* means any measure, combination of measures, or procedures used as a basis for any employment decision. Selection procedures include the full range of assessment techniques, including but not limited to: traditional paper and pencil tests; performance tests; physical, educational, and work experience requirements; interviews; and review of application forms.
III. Policy Statement

The Santa Clarita Community College District is committed to the principles of equal employment opportunity and will implement a comprehensive program to put those principles into practice. It is the District’s policy to ensure that all qualified applicants for employment and employees have full and equal access to employment opportunity, and are not subjected to discrimination in any program or activity of the District on the basis of ethnic group identification, race, color, national origin, religion, age, sex, physical disability, mental disability, ancestry, sexual orientation, marital status, veteran status, medical condition, or on the basis of these perceived characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.¹ The District will strive to achieve a workforce that is welcoming to men, women, persons with disabilities and individuals from all ethnic and other groups to ensure the District provides an inclusive educational and employment environment. Such an environment fosters cooperation, acceptance, democracy and free expression of ideas. An Equal Employment Opportunity Plan will be maintained to ensure the implementation of equal employment opportunity principles that conform to federal and state laws.

¹Individuals in the protected categories bolded above, and those perceived as having or associated with persons or groups having one or more of these characteristics, are covered by the nondiscrimination regulations adopted by the Board of Governors (Title 5, sections 59300 et seq.). Individual districts may broaden the scope of protected categories, and in some cases may be required to do so by other law or local ordinance. Although districts may broaden who is protected under their nondiscrimination statement, these additional groups will not be entitled to the safeguards under the Title 5 regulations in regards to appeal and/or review by the State Chancellor’s Office.
IV. Delegation of Responsibility, Authority and Compliance

It is the goal of the Santa Clarita Community College District that all employees promote and support equal employment opportunity because equal employment opportunity requires a commitment and a contribution from every segment of the District. The general responsibilities for the prompt and effective implementation of this Plan are set forth below.

a. Governing Board
The governing board is ultimately responsible for proper implementation of the District’s Plan at all levels of district and college operation, and for ensuring equal employment opportunity as described in the Plan.

b. Chief Executive Officer
The governing board delegates to the chief executive officer the responsibility for ongoing implementation of the Plan and for providing leadership in supporting the District’s equal employment opportunity policies and procedures. The chief executive officer shall advise the governing board concerning statewide policy emanating from the Board of Governors of the California Community Colleges and direct the publication of an annual report on Plan implementation. The chief executive officer shall evaluate the performance of all administrative staff who report directly to him/her on their ability to follow and implement the Plan.

c. Equal Employment Opportunity Officer
The District has designated the Assistant Superintendent/Vice President, Human Resources as its Equal Employment Opportunity Officer who is responsible for the day-to-day implementation of the Plan. If the designation of the Equal Employment Opportunity Officer changes before this Plan is next revised, the District will notify employees and applicants for employment of the new designee. The Equal Employment Opportunity Officer is responsible for administering, implementing and monitoring the Plan and for assuring compliance with the requirements of Title 5, sections 53000 et seq. The Equal Employment Opportunity Officer is also responsible for receiving complaints described in Section 6 and for ensuring that applicant pools and selection procedures are properly monitored.

d. Equal Employment Opportunity Advisory Committee
The District has established an Equal Employment Opportunity Advisory Committee to act as an advisory body to the Equal Employment Opportunity Officer and the District as a whole to promote understanding and support of equal employment opportunity policies and procedures. The Equal Employment Opportunity Advisory Committees assists in the development and implementation of the Plan in conformance with state and federal regulations and guidelines, monitors equal employment opportunity progress, and provides suggestions for Plan revisions as appropriate.

e. Agents of the District
Any organization or individual, whether or not an employee of the District, who acts on behalf of the governing board with regard to the recruitment and screening of personnel, is an agent of the District and is subject to all the requirements of this Plan and will be given a copy of it.

f. Good Faith Effort
The District shall make a continuous good faith effort to comply with all the requirements of its Plan.
V. Advisory Committee

The District has established an Equal Employment Opportunity Advisory Committee (EEOAC) to assist the District in implementing its Plan. The committee may also assist in promoting an understanding and support of equal opportunity and nondiscrimination policies and procedures. The committee may serve as a pilot group for the newly revised hiring committee training, sponsor events and/or additional training, or other activities that promote equal employment opportunity, nondiscrimination, retention and diversity. The Equal Employment Opportunity Officer shall train the advisory committee on equal employment compliance and the Plan itself. The committee shall include a diverse membership whenever possible. A substantial good faith effort to maintain a diverse membership is expected. If the District has been unable to meet this requirement, it will document that efforts were made to recruit advisory committee members who are members of monitored groups. The committee will be composed of four faculty members, four classified members, four administrators/managers, and one to two students, if available. Ex officio members shall include the human resources director, the Equal Employment Opportunity Officer, the Title IX Officer, and the ADA coordinator.

The Equal Employment Opportunity Advisory Committee will be chaired by the Equal Employment Opportunity Officer and shall hold a minimum of four (4) meetings per fiscal year, with additional meetings if needed to review EEO and diversity efforts, programs, policies, and progress. When appropriate, the advisory committee shall make recommendations to the Equal Employment Opportunity Officer, the Chief Executive Officer, and the Governing Board.
VI. Complaints

**Complaints Alleging Violation of the Equal Employment Opportunity Regulations (Title 5 Section 53026).** The District established the following process permitting any person to file a complaint alleging that the requirements of the equal employment opportunity regulations have been violated. Any person who believes that the equal employment opportunity regulations have been violated may file a written complaint describing in detail the alleged violation. All complaints shall be signed and dated by the complainant and shall contain, to the best of the complainant’s ability, the names of individuals involved, the date(s) of the event(s) at issue, and a detailed description of the actions constituting the alleged violation. Complaints involving current hiring processes must be filed as soon as possible after such occurrence of the alleged violation and not later than sixty (60) days after such occurrence unless the complainant can verify compelling reason for the District to waive the sixty (60) day limitation. Complaints alleging violations of the Plan that do not involve current hiring processes must be filed as soon as possible after the occurrence of an alleged violation and not later than ninety (90) days after such occurrence unless the violation is ongoing. As directed by the State Chancellor’s Office, the decision of the District in complaints pursuant to section 53026 is final.

The District may return without action any complaints that are inadequate because they do not state clear violation of the EEO regulations. All returned complaints must include a district statement of the reason for returning the complaint without action.

The complaint shall be filed with the Equal Employment Opportunity Officer. If the complaint involves the Equal Employment Opportunity Officer, the complaint may be filed with the Chief Executive Officer. A written determination on all accepted written complaints will be issued to the complainant within ninety (90) days of filing the complaint. If this is not practical, a written notification will be provided to the complainant as to the reasons for the extension and estimated date of completion. The Equal Employment Opportunity Officer will forward copies of all written complaints to the State Chancellor’s Office upon receipt. In the event that a complaint filed under section 53026 alleges unlawful discrimination, it will be processed according to the requirements of section 59300 et seq.

**Complaints Alleging Unlawful Discrimination or Harassment (Section 59300 et seq.).** The District has adopted Board Policies # 811 and 812 for complaints alleging unlawful discrimination or harassment. The Assistant Superintendent/Vice President of Human Resources is responsible for receiving such complaints and for coordinating their investigation.
VII. Notification to District Employees

The commitment of the governing board and the Chief Executive Officer to equal employment opportunity is emphasized through the broad dissemination of its Equal Employment Opportunity policy statement and the Plan. The policy statement will be printed in the college catalogs and class schedules. The Plan and subsequent revisions will be distributed to all District employees, Foundation employees, and the Governing Board. The Plan will be available on the District’s Website, and when appropriate, distributed by e-mail. The Office of Human Resources will provide all new employees with a copy of the written notice described above when they commence employment with the District. Each year, the District will inform all employees of the Plan’s availability including a written summary of the provisions. The annual notice will:

a. Emphasize the importance of the employee’s participation and responsibility in ensuring the Plan’s implementation, and;
b. Provide notification on where complete copies of the Plan are available, including in every campus library, on the District Internet site, the Office of the Chief Executive Officer, and the Office of Human Resources.
VIII. Training for Screening/Selection Committees

Any individual, whether or not an employee of the District, acting on behalf of the District with regard to recruitment and screening/selection of personnel, is subject to the equal employment opportunity requirements of Title 5\(^1\) and the District’s Equal Employment Opportunity Plan. Such an individual shall receive appropriate training on the following:

a. The requirements of the Title 5 regulations on equal employment opportunity (section 53000 et seq.),
b. The requirements of federal and state nondiscrimination laws,
c. The requirements of the District’s Equal Employment Opportunity Plan,
d. The District’s policies on nondiscrimination, recruitment, and hiring,
e. Principles of diversity and cultural proficiency\(^2\),
f. The value of a diverse workforce, and
g. Recognizing bias.

Persons serving in the above capacities will be required to receive training within the 12 months prior to service. This training is mandatory; individuals who have not received this training will not be allowed to serve on screening/selection committees. The District’s Equal Employment Opportunity Officer ensures that the required training is provided.

\(^1\)See Title 5, §53020(c)

\(^2\)Cultural proficiency means the level of knowledge-based skills and understanding that are required to successfully teach and interact with students and to work effectively with colleagues from a variety of cultures by holding all forms of cultural difference in high esteem; a continuing self-assessment of one’s values, beliefs and biases grounded in cultural humility; an ongoing vigilance toward the dynamics of diversity, difference and power; and the expansion of knowledge of cultural practices that recognize cultural bridges as going both ways. Culturally proficient services require that both the individual and the institution be culturally proficient. (Based on Cultural Proficiency: A Manual for School Leaders by Randall B. Lindsey, Kkanza Nuri Robins, and Raymond D. Terrell Corwin Press, 2003)
IX. Annual Written Notice to Community Organizations

The Equal Employment Opportunity Officer will provide annual written notice to appropriate community-based and professional organizations concerning the Plan. The notice will include a summary of the Plan, inform these organizations how they may obtain a copy and shall solicit their assistance in identifying diverse qualified candidates. The notice will also include the Internet address where the District advertises its job openings and the Office of Human Resources phone number to call in order to obtain employment information. The District will actively seek to reach those institutions, organization, and agencies that may be recruitment sources, especially for underrepresented populations. A list of organizations, which will receive this notice, is attached to this Plan. This list may be revised from time to time as necessary.
X. Analysis of District Workforce and Applicant Pool

The Human Resources Office will annually survey the District’s workforce composition and shall monitor applicants for employment on an ongoing basis to evaluate the District’s progress in implementing the Plan, to provide data needed for the reports required by this Plan and to determine whether any monitored group is underrepresented. Monitored groups include men, women, American Indians or Alaskan natives, Asians or Pacific Islanders, Blacks/African-Americans, Hispanics/Latinos, Caucasians, and persons with disabilities.

For purposes of the survey and report each applicant or employee will be afforded the opportunity to voluntarily identify her or his gender, ethnic group identification and, if applicable, her or his disability. Persons may designate two ethnicities they identify with, but shall be counted in only one ethnic group for reporting purposes. This information will be kept confidential and will be separated from the applications that are forwarded to the screening/selection committee and hiring administrator(s). If additional colleges are added to the District, this survey will be done for each college in the District. The District will annually report to the State Chancellor the results of its annual survey of employees. At least every three years the Plan will be reviewed and, if necessary, revised based on an analysis of the ethnic group identification, gender and disability composition of existing staff and of those who have applied for employment in each of the following identified job categories:

XI. Other Measures Necessary to Further Equal Employment Opportunity

The District recognizes that multiple approaches are appropriate to fulfill its mission of ensuring equal employment opportunity and the creation of a diverse workforce. Equal employment opportunity means that all qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the District. Equal employment opportunity should exist at all levels and in all job categories. Ensuring equal employment opportunity also involves creating an environment that fosters cooperation, acceptance, democracy, and free expression of ideas and is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination. To that end the District will implement a diversity program. Having a district that has accepted principles of diversity and multiculturalism can make implementation and maintenance of an effective equal employment opportunity program much easier. For that reason, institutionalizing a diversity program that is visible, well planned out, well funded, and supported by the leadership of the District can be of great value. The District will sponsor cultural events and speakers on issues dealing with diversity, and explore how to infuse diversity into the classroom and curriculum. The District will promote the concept of cultural proficiency, learning opportunities and personal growth in the area of diversity and evaluate how the physical environment can be responsive to its diverse employee and student populations. Pending budget availability, in implementing a diversity program the District shall strive to:

a. Establish an Office of Diversity that is part of the structure of the District and that will be supported by the District leadership;
b. Conduct campus climate studies to identify hidden barriers;
c. Include guest speakers from monitored groups who are in leadership positions and who may inspire students and employees alike;
d. Highlight the District’s equal employment opportunity and diversity policies in job announcements and in its recruitment, marketing, and other publications;
e. Conduct diversity dialogues, forums, and cross-cultural workshops;
f. Work with the District’s Professional Development’s Faculty Development Committee to assist in the development of a “Diversity Instructional Tool Kit” as a resource for faculty to infuse diversity and multiculturalism into their instruction or services to students;
g. Review and revise college/district publications and other marketing tools to reflect diversity in pictures, graphics, and text to project an inclusive image;
h. Recognize and value staff and faculty who have promoted diversity and equal employment opportunity principles by awarding a yearly diversity recognition award;
i. Offer a series of EEO/diversity workshops at instructional improvement days (flex week or staff development day) accessible to all employees;
j. Evaluate administrators on their efforts to meet the District’s equal employment opportunity and diversity efforts;
k. Establish an “Equal Employment Opportunity and Diversity” online presence by highlighting the District’s diversity and equal employment opportunity, ADA, sexual harassment and nondiscrimination policies, procedures and programs on the District’s Website. The Website will also list contact persons for further information on all of these topics;

l. Promote sabbaticals that will assist the District in achieving its equal employment opportunity and diversity objectives;

m. Promote various cultural celebrations and diversity activities on campus through the District’s Diversity Partnership Committee;

n. Recognize multilingualism and knowledge of multiculturalism as a desired, and when appropriate, required skill and qualification for community college employees;

o. Consider alternative educational or experience requirements for nonacademic positions;

p. Ensure that top administrative staff support diversity objectives and that the diversity and/or Equal Employment Opportunity Officer position is maintained as a cabinet or other high-level administrative position;

q. Consider seeking input from student, professional, community and other organizations that represent the diverse community we serve on matters related to the District’s EEO and diversity efforts, as appropriate;

r. Make progress on diversity activities designed to promote student success for all students which have been identified in the District’s Student Equity Plan.
XII. Persons with Disabilities

a. Reasonable Accommodations
Applicants and employees with disabilities shall receive reasonable accommodations consistent with the requirements of Government Code, sections 11135 et seq. and 12940(m); section 504 of the Rehabilitation Act of 1973; and the Americans with Disabilities Act. Such accommodations may include, but are not limited to, job site modifications, job restructuring, part-time work schedules, flexible scheduling, reassignment to a reasonably equivalent vacant position, adaptive equipment, and auxiliary aides such as readers, interpreters, and notetakers.

The Human Resources Benefits Coordinator is responsible for handling requests for accommodations from current employees. The Senior Human Resources Generalist facilitating the applicable recruitment is responsible for handling requests from applicants seeking such accommodations during the application process. Requests for accommodation must be made in writing.

b. Monitoring Representation of Persons with Disabilities
The District will monitor representation of persons with disabilities in applicant pools, throughout the recruitment process, and in its employee population. The District will make every effort to remove barriers in hiring and employment processes to ensure these processes do not adversely affect persons with disabilities.
XIII. Benefits of Employment in Community Colleges

The District will encourage community college students to become qualified for, and seek employment as, community college employees. The District shall research and inform students about programs that may assist them to complete their graduate studies and become community college employees. The District will disseminate information through a variety of mediums likely to reach or be accessible by students. Efforts will be made to inform graduate students in local colleges and universities about the benefits of employment at a community college.
