Multiple Dismissal
Students who are dismissed more than once are required to stay out two semesters. There are two exceptions to staying out. Students may appeal by following the Appeal of Dismissal procedures. Or, after staying out one semester, they may complete an Intensive workshop and return the subsequent semester. The Intensive workshop option may only be exercised once. Continuation in all cases may be granted, denied, or postponed subject to fulfillment of conditions prescribed by the College. Students are continued in subject-to-dismissal status in accordance with policy 536.7.

TRANSCRIPTS
Transcript Evaluation
Students who submit transcripts from other colleges and universities must request them to be evaluated by submitting an Inclusion of External Coursework form to the Admissions and Records Office. In most cases, units accepted from other institutions will not be posted on College of the Canyons academic transcripts until students have completed 12 units in residence. The most notable exceptions are for students requesting financial aid, military benefits, and completion of at least one unit for IGETC certification on the students’ final transcripts. For further information, contact the Admissions and Records Office.

Transcript Requests
Unofficial Transcripts: Unofficial transcripts are free and can be printed from your printer or you can have them emailed to you. Please visit our website at www.canyons.edu and click on “My Canyons.” You will need a user name and password to use this option. If you do not have a user name and password, you can create one under “Student Profile”. If you decide to come on campus to request an unofficial transcript, a picture ID will be required.

Official Transcripts: College of the Canyons has partnered with Credential’s Solutions to accept official transcript orders via the internet on a secure site. TRANSFER REQUIREMENTS
Transfer curricula information has been compiled to help the many College of the Canyons students who intend to transfer to another college or university. Each institution of higher learning has its own requirements for admission and for junior standing.

To prepare for continued education, a student must decide to which college/university the student will transfer and learn the transfer admission and major preparation requirements of that particular institution. These requirements can be found in the catalog of that institution. Students should also consult the California articulation database ASSIST (www.assist.org) for articulation agreements between California Community Colleges and the California State University (CSU) and the University of California (UC) systems. A university may be made up of a number of colleges. The college in which one will do work depends upon the field of study or major. This means that in any institution of higher learning it will be necessary for a student to fulfill three types of requirements:

First, the general university requirements for graduation; second, those set up by the college under which the major department is classified; and third, those set up by the department in which a student majors.

While attending College of the Canyons, a student who plans to transfer to a four-year college or university should take the courses required by the institution the student is preparing to attend. Since each institution numbers its courses differently, the student must study the course descriptions at both colleges to see if they are equivalent. The student is advised to seek counseling assistance as early as possible in planning transfer to a four-year institution. The student should take care in observing the application deadlines that are published by the various institutions. For help on which courses meet transfer requirements for specific majors at various four-year colleges and universities, please see a College of the Canyons counselor.
