Workshops

New Students Advisement Workshop
This workshop welcomes new students to the college and teaches them what factors to consider when planning their schedules to meet their academic goals. This is a 2-hour workshop facilitated by a counselor. The student learning outcome for this workshop is a first semester education plan.

Academic Probation Workshop
This workshop is offered to students notified that they are on "Probation" because of academic difficulties. The Academic Probation Workshop is a 2-hour workshop that provides students individual and group activities that address 2 domains: academic and personal. Within 24 hours of attending the workshop, the hold on the students' registration is removed so that they can enroll in classes and continue their studies.

Academic CPR Workshop
This workshop is offered for students notified that they are "Subject to dismissal" because of academic difficulties. The Academic CPR Workshop is a 2-hour workshop. The counselors teach students a problem solving model and provide a positive environment in which to apply the problem solving steps to the students' academic concerns. Within 24 hours of attending the workshop, the hold on the students' registration is removed so that they can enroll in classes and continue their studies.

Adult Reentry Information Session
This workshop welcomes adult students, 28 years of age or older, back to college after taking a break from their education. If you need assistance transitioning back to school, knowledge about counseling services and college resources, how to make career and educational choices, and an interactive format with counselors and adults like you, attend this information session.
