The Culinary Arts Certificate of Achievement allows you to obtain work experience and college credit at the same time through a Cooperative Work Experience Education internship.

This provides students who complete the program with the advantage of establishing a working relationship with an employer. According to the National Association of Colleges and Employers (NACE), nearly 69 percent of students who had an internship with a company were offered full-time positions.

For more information about our graduation rates, the median debt of students who completed the program, and other important information, please visit the Gainful Employment Information found on the Financial Aid web page at http://www.canyons.edu/Offices/CTE/programs.culinaryarts.asp

What is Culinary Arts?
Culinary Arts is the art of preparing and cooking foods. If you have a passion for food, love to cook, and a desire to have a career in the culinary field, the Culinary Arts training program is perfect for you.

What kind of training can I receive at College of the Canyons?
The Culinary Arts Certificate of Achievement program is designed to prepare students for careers in the culinary field. The design of the program is balanced between developing the hands-on skills of food preparation and the management qualities necessary for career growth. The program will focus on cooking skills development, problem solving, and challenging students to critically evaluate the strengths and weaknesses of culinary operations, while also identifying entrepreneurial approaches to operations.

Trained culinarians are continually needed in both the hospitality and tourism industries. Employment in the food service area is growing and will continue to grow. Some career possibilities include positions in restaurants, clubs, bakeries, hotels and institutions. There are many different kinds of kitchen organization and, as a result, position titles vary.

Here are some examples of position titles:
- Chef de Cuisine
- Chef de Partie
- Sous Chef
- Executive Chef
- Line or Prep Cook
- Caterer
- Food Buyer
- Food Stylist
- Expediter
- Assistant Cook/Chef
- Research & Development Chef
- Food Journalist
- Food Critic or Blogger
- Food & Beverage Director
