WHAT IS A SPEECH TEAM?

College of the Canyons’ award-winning forensics program provides students with the opportunity to hone their public speaking, debate and presentation skills through on-campus tournaments and regional competitions. The confidence, competence and character gained through the forensics experience benefit COC students as they move on to universities and enter the professional world.

THINKING OF JOINING? WHAT A PAYOFF!

Receive training in the latest competitive speaking methods, understand how and where to access the most up-to-date research, meet new and exciting people from COC and other institutions of higher learning, build your resume, learn about scholarship opportunities for four-year colleges, and be part of a fantastic team!

CONGRATULATIONS...AGAIN!

Spring 2013 is off to a bang, and the COC Speech Team takes First Place at the Pacific Southwest Collegiate Forensics Association Spring Champs Speech Tournament in the Limited Entry Division.

Congratulations, Team, Assistant Coaches, and Coach Michael Leach!
