IV. Discussion Items

• Volunteers Needed to Assist with Adjunct Evaluations—Anthropology

Lisa needs help with ANTHRO evaluations. If you can assist, please let her know.
• Use of Term “Unsafe”

When submitting Work Orders to Facilities, use language that specifically describes the situation. The term “unsafe” is important; however, it does not state the specific problem. Provide greater detail to assist in the repair.

• Housekeeping Reminders for VAL and CCC:
  • Class Roster Clean-up—Run Rosters Often, Check Names, and Drop No-Show
  • Lock Doors, Don’t Move Furniture, Don’t Leave Confidential Items in Unlocked Cabinets, and Don’t Leave Classes Unattended

General housekeeping reminders—help keep rooms clean, as well secure. Also, drop “no-shows”—important for census.

• AA-T Degrees for SSB—Need to Consider Political Science, History and Anthropology

AA-T Degrees are moving forward, and departments in SSB are popular. At this time, we are moving on to the disciplines of POLSCI, HIST, and ANTHRO.

• CCC and Role of SSB for Next Year

SSB plays a major role at CCC with regard to class offering and FTES. When we plan, consider how our departments can play an even larger role at CCC, especially regarding classes, labs, and activities.

• Budget—SSB Fund #12

SSB Fund #12 money still exists. Let me know if you would like to order supplies or media material for your areas.

• FYI—Student Activity Transcripts

Please remind students that if they are involved with clubs or other kinds of extra curricular activities, they can receive notation of their work on their Student Activity Transcripts. This information does not automatically appear. They must have advisors/instructors sign-off on the form. Forms are available from the Student Development Office.
• Strategic Plan—Revisions Made and Final Version Moving Forward

Update...

• New Adjunct Evaluation Form (Requires Chair’s Signature)
  • Connect With Adjuncts Soon After Evaluation

Please note that the new adjunct evaluation form now formally requires the department chair’s signature. I know chairs have been reviewing evaluations; however, this new signature line formalizes the process.

• SSB Website

Moving forward…send any available information to Victor or Alan.
