Cooperative Agreement

The Small Business Development Center (SBDC) hosted at Santa Clarita Community College District (SCCCD), hereinafter referred to as The Cooperating Organization, and the Business & Entrepreneurship Center (BEC) at Cuesta College hosted by the San Luis Obispo County Community College District, hereinafter referred to as The Center, agree to coordinate their respective services and collaborate on projects and services as described below. This agreement will remain in effect from August 1, 2014 to December 31, 2014 or until terminated or suspended by either party.

Activities

The Cooperating Organization and The Center have entered into a cooperative agreement to deliver business technical assistance and training to established businesses, entrepreneurs, start-ups in the service area of Santa Clarita, Lancaster, and Antelope Valley.

The Cooperating Organization will identify existing businesses, entrepreneurs, start-ups and/or industry sectors that are in need of business technical assistance. The Cooperating Organization will provide the needed business technical assistance (i.e. expertise, consulting services, and training). Through small business successes, The Center and the Cooperating Organization will contribute to job creation and/or retention in northern Los Angeles area of Santa Clarita, Lancaster, and Antelope Valley and therefore help businesses have a positive impact on the local and regional economies.

To accomplish this, The Center will provide funding in the amount of Twenty Five Thousand Dollars ($25,000.00) to the Cooperating Organization. The funds are to be used to deliver technical assistance and training to regional business in the described service area on behalf of The Center. The source of these funds is from SB1402, DSN Grant #13-159-03.

The goal of this Cooperative Agreement is to create an overall positive economic impact and assist in attaining the goals and objectives of the California Community College Chancellors’ Office under the program of the Division of Workforce and Economic Development “Doing What Matters For Jobs and The Economy.”
