COC CAMPUS COMMUNITY FUNDRAISER
NEPAL EARTHQUAKE RELIEF
Benefiting
THE AMERICAN RED CROSS

Wednesday, May 20, 2015
10AM - 2PM
Honor Grove

Join College of the Canyons and the campus community as we help respond to the recent earthquakes in Nepal. We will gather to prepare cloths of different colors and sizes to string with messages of hope across the Honor Grove, in visual imitation of the well-known and beautiful Tibetan prayer flags.

Participants are kindly asked to donate $2 or more for each flag message, with the goal of raising at least $3,000 for earthquake relief.

Event participants include the International Services & Programs Office, the Associated Student Government and student clubs, the Sustainability Center, the TEDxClub, Model United Nations, and a variety of College of the Canyons programs and offices.
