

**TRANSITIONING
TO THE WORKFORCE
VETERANS EDITION**

Monday, March 20th

4pm - 5pm

CANYONS HALL ROOM 211

Civilians don't speak your language!

One hour PowerPoint presentation covering resources and general resume guidelines for veterans transitioning to the civilian workforce. This presentation is for veterans who don't know how to translate their military experience into civilian language.

This presentation introduces them to a career assessment that outlines possible job fields if they do not know which career path to pursue, resources regarding how to translate their experience in the armed forces into civilian terms, resume guidance and additional resources specifically for veterans.

OBJECTIVES

Introduces veterans to online career resources and in person services available to them

Informs them of tools regarding finding a career pathway and resources that allow them to explore occupations similar to that of jobs held in the armed forces

Teaches them how to translate their experience in the armed forces into corresponding civilian terms

Overviews how to put together a resume that is appropriate for the civilian workforce
