

## Mozilla Firefox

Add-on to view .mht files of Mrs. Gibson's lecture notes.

Within Firefox...

1. Select "Tools" within the menu bar.
2. Choose "Add-ons" from the drop-down menu.
3. Select "Get Add-ons" (box with arrow) within the menu bar of the Add-ons screen that pops up.
4. Click Browse all add-ons in the gray shaded area beneath the menu bar of the Add-ons screen.
5. In the new page that opens, there is a "search for add-ons" textbox. Type "unmht" and hit enter.
6. When you see the "UnMHT" option appear, click the Add to Firefox button .
7. Click the Accept and Install button.
8. Click the Install now button.
9. Click the Restart Firefox button.
10. Click the Restart button.
