Application for College of the Canyon's Biotechnology Lab Technician Training Program:

Name: _____
Last First Middle

Address: _____ Phone (home) (____) _____ _____
Number and Street

_____ Phone (cell) (____) _____ _____
City State Zip Code

School Attending: _____ Email: _____

Class standing (circle one): Freshman, Sophomore, Junior or Senior:
**Please note that we will be giving preference to Freshman, Soph., and Jr.'s
Please indicate the courses you will have completed by the end of the fall semester.
Algebra: O Trigonometry O Calculus O Chemistry O Microbiology O
Physics O Biology O Anatomy O Physiology O Molecular Biology O
Other Science Courses: _____
_____

Have you every worked in a laboratory setting? If so, please elaborate:_____
_____

What are your plans for transportation to the during the duration of the course?_____
_____

Please provide the name and email of a science faculty member at your high school who is willing to be a reference for you: _____
Have your legal guardians complete the next four lines:
Students applicant name/high school attending _____/_____
Your name and relation to the student_____
Contact information (which ever method is most effective): _____
_____

Guardian Signature and date: _____

Student Signature and date: _____

- You will be expected to attend all 21 hours of training as well as complete related homework and career assessment exercises. Upon completion, you will be awarded a certificate of achievement for total volunteers hours. Additional training and internship opportunities are occasionally (but not always) available for students with appropriate skill levels.
- Students in the Biotechnology Laboratories are obligated to adhere to all OSHA and other pertinent laboratory safety and ethical standards as explained during the course. For safety reasons, all communications in the laboratory must be carried out in English.
- The deadline for application is December 1st. However, applications will be evaluated as they are received until the workshop is full. You will be notified via mail by Dec. 15th as to your standing.
- Please mail the completed application to Professor Jim Wolf, Biotechnology Program Director, College of the Canyons, 26455 Rockwell Canyon Road, Santa Clarita, CA 91355. Questions or comments can be directed to Prof. Wolf @ 661-362-3092 or e-mail "jim.wolf@canyons.edu".

Apply early as space is limited!
