

Arizona State University -- California Community College Transfer Articulation Pathway (TAP)

California General Education Pattern: CSUGE

Students who complete the CSUGE, including the additional science laboratory requirement and the second semester of English Composition, with a GPA of 2.0, will have satisfied all lower division General Studies requirements at ASU. Students who transfer 60 credit hours of transferable coursework with an overall GPA of 3.0 or greater will be eligible for financial support in the form of an ASU Transfer Merit Grant. ASU requires all transferable coursework to be completed with a grade of "C" or better.

CSU Certification Areas	Credits
General Education:	
<i>Note 1: ASU requires two semesters of English Composition. Students are encouraged to take the second semester of English Composition within Area A3 (Critical Thinking) of the CSUGE requirements.
