- ✓ Actively review and report on the proper expenditure of taxpayers' money for school construction;
- ✓ Advise the public as to whether the District is in compliance with Article XIII A, Section 1(b)(3);
- ✓ Provide oversight for both of the following:
 - Ensuring that bond revenues are expended only for the purposes described in Article XIII A, Section 1(b)(3), and
 - Ensuring that no funds are used for any teacher or administrative salaries or other school operating expenses.
