CAMPUS SERVICES

ACADEMY OF THE CANYONS

College of the Canyons has several important partnerships with the William S. Hart Union High School District. One of them is Academy of the Canyons, located in the Dr. Dianne G. Van Hook University Center on the Valencia Campus.

Academy of the Canyons (AOC) began as a middle college high school in which 11th and 12th grade students could take required high school classes and college classes at the same time. AOC now includes the Early College High School Program (ECHS), which is also in collaboration with the William S. Hart Union High School District and funded through the Bill and Melinda Gates Foundation. ECHS focuses on providing students, who are typically underrepresented in postsecondary education, an accelerated academic program leading to completion of a high school diploma along with up to two years of college course work while in high school.

Academy of the Canyons is now a 4-year high school blending both the middle college and early college initiatives. This program is designed for students who are mature and ready for a college campus experience. Applications are made through the high school district. For information regarding AOC, contact the principal at (661) 362-3056 or by www.academyofthecanyons.com

CAMPUS ACTIVITIES AND STUDENT DEVELOPMENT

Students are strongly encouraged to become involved with student development activities and opportunities for enrichment outside the classroom. These activities can be found on campus, online or in the surrounding community. Participation in such activities helps students apply, in practical situations, the theory they learn in the classroom. Benefits include leadership development, skill-building, interacting with people and understanding group dynamics, all of which can be utilized throughout one’s life.

Online Registration: www.canyons.edu
Information about all of the following programs and services can be obtained by visiting the staff of the Office of Student Development located in Room STCN-102 in the Student Center on the Valencia campus.

Emerging Leaders Program
This program is designed to provide opportunities for students to develop their leadership skills and techniques through workshop attendance, and networking with local leaders in business, industry, and city government.

The program has five core categories of leadership including ethics and values; leadership development; communication; interpersonal skills; and process management. Within each of these core categories are numerous specific workshops in which students can participate.

Student Development has established a partnership with the SCV Jaycees to sponsor the program. The SCV Jaycees are active members of the Chamber of Commerce and are comprised of business professionals between 21 and 40 years of age. Generally, the facilitators for the Emerging Leaders Program will be provided by members of the SCV Jaycees.

The Emerging Leaders Program is self-paced, meaning students can choose how often they attend. They may choose to participate in one or more workshops per semester or year. When a College of the Canyons student participates and completes a total of 12 workshops and engages in a service project coordinated by the Jaycees, he/she will receive an official certificate of completion that can be attached to a resumé, or university or scholarship application.

Students who attain the certificate of completion will have their first year’s membership dues in the SCV Jaycees paid for by the Associated Student Government, a sponsor of the Emerging Leaders Program.

**Student Success Seminars**
Student Success Seminars are a series of free workshops offered to new students and any student who needs assistance. They are coordinated by the Cougar Mentor Program and facilitated by Cougar Mentors, faculty, and staff. Topics addressed at these workshops range from how to adjust to college life, to ways to succeed inside the classroom.

**Student Involvement Campaign**
A key to college success is becoming involved in an extracurricular activity. The Student Involvement Campaign is coordinated each fall semester to encourage students to become connected to the College by joining a campus club, organization, student government, or by participating in an extracurricular campus activity.

- **First Year Experience**

As a way to provide further opportunities for success for students, the Student Resource Center offers the First Year Experience programs and services. Prior to, and at the beginning of the fall semester each year, a variety of fun and informative events take place providing a forum for new students to meet other students, staff and faculty. Students learn skills needed to be successful academically and socially at the college level. These activities include Welcome Week, Student Success Seminars and Club Rush. These activities and events encourage new students to learn about student life, campus resources and services, academic programs, and skills needed to be successful students inside and outside of the classroom.

- **Empower Hours**

The Student Development Office also offers workshops as part of the First Year Experience during the fall semester. These workshops focus on topics aimed at equipping students with skills and tools to help them succeed during the first year of college. Once a student receives the initial card, he or she should keep the card for the entire time period during which the student may attend the College, even during periods of non-enrollment.

The initial card is the only one the student will receive during his or her attendance at the College. The same card is used each semester the student is enrolled. As students and employees, you should be aware that illicit drug use and alcohol abuse may lead to financial, health, psychological, work, school and legal problems. College of the Canyons presents these facts to make you aware of the dangers of abuse of illicit drugs and alcohol.

HEALTH RISKS

The following are commonly abused drugs and their associated health risks:

Alcohol
- Brain, heart, liver disease
- Fetal alcohol syndrome
- Some forms of cancer
- Addiction
- Reduced life expectancy
- Death from severe overdoses causing respiratory and heart shutdown

Alcohol is involved in two-thirds of violent behavior, one-half of all injuries, one-third of all emotional difficulties and one-third of all academic problems on college campuses. The use of alcohol is detrimental to athletic and academic skills, and impairs concentration, judgment and body coordination.

Marijuana
- Breast enlargement in men
- Increased appetite
- Loss of motivation and purpose
- Heavy psychological dependence
- Loss of sex drive and reduced fertility
- May cause heart and lung damage
- Insomnia for up to 6 months after quit using

Cocaine
- Excitability and restlessness
- False feeling of self-confidence
- Painful nose bleeds and nasal erosion
- Quick addiction
- Depression
- Easy overdose leading to heart failure
- Crack babies
- Behavior leading to exposure to the AIDS virus and syphilis

Stimulants
- Loss of appetite
- Insomnia
- High distractibility
- Anxiety and severe depression
- Suicidal tendencies, anger, violence, and psychotic or criminal behavior

In addition to the above, opiates, depressants, delinquents, hallucinogens and tobacco have significant health risks.

Tobacco use is the leading preventable cause of disease and premature death in the United States. Tobacco use causes more deaths each year than alcohol use, car crashes, suicide, AIDS, homicide, and illegal drug use combined. Save your health and your money: schedule a free appointment with the tobacco cessation counselor at the Student Health and Wellness Center (661)362-3259.

Therapeutic drugs, when used for medical treatment, can have beneficial and predictable results. Drugs used for non-medical reasons can cause serious physical and psychological problems.

APPLICABLE LEGAL SANCTIONS

Laws and regulations forbidding substance abuse include the Federal Controlled Standards Act, the California State Business and Professional Code, and the California State Penal Code. Legal sanctions may be taken against you if you are
- Driving under the influence of any drug,
- In possession of illegal drugs or controlled substances,
- Using a false I.D. to obtain alcohol,
- Obtaining or providing alcohol for people under legal age,
- Giving prescription drugs to others,
- Selling any drug or controlled substance.

Santa Clarita Community College District Board Policy

In accordance with Public Law 101-226 DRUG-FREE SCHOOLS AND COMMUNITIES ACT AMENDMENT OF 1989, the Board of Trustees of Santa Clarita Community College District prohibits the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees on college property and as part of any college-sponsored or sanctioned activity.

Any student or employee in violation of this policy is subject to disciplinary action up to, and including, expulsion from college or termination from employment and referral for prosecution for violations of the standard of conduct.

The decision to take disciplinary action in any such instance rests with the Board of Trustees after consideration of the recommendation of the chancellor of the college.

Personnel health insurance policies may have their own treatment or referral services.
STUDENT RIGHTS AND RESPONSIBILITIES

COLLEGE OF THE CANYONS STATEMENT ON ACADEMIC INTEGRITY AND PLAGIARISM
Approved by Academic Senate in May, 2010

Students are expected to do their own work as assigned. At College of the Canyons, we believe that academic integrity and honesty are among the most important qualities college students need to develop and maintain. To facilitate a culture of academic integrity, College of the Canyons has defined plagiarism and academic dishonesty. Due process procedures have been established when plagiarism or academic dishonesty is suspected.

At College of the Canyons, we define plagiarism as follows: Plagiarism is the submission of someone else’s work or ideas as one’s own, without adequate attribution. When a student submits work for a class assignment that includes the words, ideas or data of others, without acknowledging the source of the information through complete, accurate, and specific references, plagiarism is involved. This may include dual submissions of a similar work for credit for more than one class, without the current instructor’s knowledge and approval.

To be specific, below are some of the situations that will be considered plagiarism at College of the Canyons:

- Use information from any source, online or in print, in one’s own writing without acknowledging the source in the content and in the reference page of the assignment;
- Simply list the sources in the reference page, without parenthetical citations in the body of the essay;
- Take more than one printed line of words consecutively from the source without putting quotation marks around them, even though the student has put the author’s name in the parentheses or in the reference page;
- Turn in work done for other classes, regardless how big or small the assignment may be, without the current instructor’s approval—this is considered “self-plagiarism,” which is a form of academic dishonesty; or,
- Turn in work by another student, even by accident.

In addition, College of the Canyons has strict rules against using electronic devices during exams without the instructor’s approval. To be specific, absolutely no cell phones or any electronic devices can be on the desk or in sight during test or exam without the instructor’s approval. The presence of electronic devices in sight during exams may be considered as intention to cheat and will be processed as a form of academic dishonesty.

Cases of alleged academic dishonesty, such as plagiarism or cheating, will be referred to the Dean of Student Services for investigation. See your syllabus for course specific policies, rules, and guidelines on plagiarism and academic dishonesty.

5529 STUDENT CONDUCT

BP 5530 DISCIPLINARY ACTION
5530.1 The following policies regulating student disciplinary actions are adopted for the purpose of providing a uniform method of disciplining students for misconduct, and assuring that all students are accorded fair and objective treatment. Every effort shall be made to make the student aware of these policies.

Types of Disciplinary Action (Sanctions)
The following types of disciplinary action may be imposed, or imposed and suspended, by appropriate College authorities when a student is found in violation of College rules and regulations.

1. Warning
   Notice to the student that continuation or repetition of specified misconduct may be cause for other disciplinary action.

2. Restitution
   The student is required to make payment to the College, or to other persons, groups, or organizations for damages incurred as a result of a violation of this policy.

3. Fine
   A fine, as established in the associated Administrative Procedures 5530, payable to the College, for violations of this policy. Failure to pay the specific fine by the established date will result in a Hold on the student’s records and ability to register, in any district program, for future terms.

4. Official Reprimand
   A written reprimand is for violation of specified regulations or misconduct. It serves to place on record that a student’s conduct in a specific instance does not meet with the student’s expected performance at the College. A person receiving a reprimand is notified that continued conduct of the type described in the reprimand may result in additional action against the student. The student is further informed that records of reprimands are destroyed four years after the last entry has been made concerning disciplinary action against an individual student and that such records are not considered part of a student’s permanent record at the College.
5. Disciplinary Probation
Disciplinary probation is a status imposed by the College for a specific length of time during which the student must conform to College standards of conduct. Conditions restricting privileges and/or eligibility may be imposed. For example, students may be removed from all College organization offices and denied the privilege of participating in all College and student-sponsored activities, including public performances. Other conditions, such as community service and academic workshops, may be imposed. The term of disciplinary probation shall be not less than one college month nor longer than four (4) college years. Repetition during the probationary period of conduct resulting in disciplinary probation may be cause for suspension or other, more stringent, disciplinary action.

6. Removal by Instructor
An instructor may remove a student from his/her class, field trip, lab, or other educational program when the student has interfered with the instructional process. The duration will be for the day of the removal, at a minimum, and the next class meeting at the instructor’s discretion. The instructor shall immediately report the removal to the Office of Student Services for appropriate action.

7. Disciplinary Suspension
Disciplinary suspension consists of the temporary removal of the student from enrollment in the College for both academic, noncredit, fee based training classes, and programs including but not limited to the Employee Training Institute, Community Education, free workshops, and extracurricular purposes. A student may be suspended from one or more classes for the remainder of the school term; or from all classes and activities of the College for one or more terms. A suspended student is not to occupy any portion of the campus and is denied all College privileges including class attendance and privileges noted under “Disciplinary Probation.” Removal of a student suspended from one or more courses may be noted on the student’s transcript as W for withdrawal.

8. Expulsion
Expulsion consists of the permanent and unconditional removal of the student from the College and all its programs. Students may be expelled from the College only by action of the Board of Trustees upon recommendation of the CEO (Education Code 76030). Notification of the expulsion will be noted on the student’s official transcript for an indefinite period of time. Appeal of this notification may be made to the CEO using the process established in Policy 5531.3(F) – Due Process.

9. Interim Suspension
Interim suspension consists of temporary removal of the student from the College for both academic and extra-curricular activities during the limited time necessary to complete an investigation and is not necessarily considered a disciplinary action.

Interim Suspension shall be:
(a) Imposed by the CEO of the College, or designee, pending a hearing, only when such action is deemed to be necessary for the immediate safety and welfare of the students and staff members or for the protection of the District property:
   a. Imposed by the CEO of the College, or designee, pending a hearing, only when such action is deemed to be necessary for the immediate safety and welfare of the students and staff members or for the protection of the District property;
   b. Limited to only that period of time necessary to assure that the purpose of interim suspension is accomplished;
   c. For not more than a maximum of ten (10) College days.

Students suspended on an interim basis shall be given an opportunity for a hearing within ten (10) days.

The hearing will be held on the following issues: (a) the reliability of the information concerning the student’s conduct, (b) whether the conduct and surrounding circumstances reasonably indicate that the continued presence of the student on the campus poses a substantial threat to the student or to others, or to the stability and continuance of normal College functions. This hearing does not preclude the initiation of regular disciplinary action.

This hearing does not preclude the initiation of regular disciplinary action.

BP 5531 DUE PROCESS - STUDENT DISCIPLINARY ACTION
5531.1 Introduction
Students are members of both society and the academic community with attendant rights and responsibilities. Students are expected to comply with the general law as well as College policies. The procedures below apply to alleged misconduct of students on campus, or at official College events off campus.

The following procedures outlined in sections 5531.2 and 5531.5 represent steps that may be employed to reach a resolution in cases of alleged misconduct. The reader should note that each case is handled individually and that while due process is always employed, some of the procedures outlined
below may not be necessary in every case. Questions concerning these procedures should be addressed to the Office of the Dean of Students.

**5531.2 Definition of Terms**

Student: The term “student” means an individual who:

1. has submitted an application to the College and has engaged in the admissions process;
2. is enrolled in, or registered in an academic program of the College, including classes for credit, noncredit classes, fee based training classes, and programs including but not limited to the Employee Training Institute, Community Education, and free workshops where teaching and/or training occurs, and/or;
3. has completed the immediately preceding term and is eligible for re-enrollment, including the recess periods between academic terms.

Notice: Whenever this Policy requires giving notice to any student, mailing such notice, to the mailing address most recently provided by the student or, if undeliverable at that address, to the student’s permanent address of record, shall constitute notice.

Days: For purposes of this Policy, the term “days” means normal business days and shall not include Saturdays, Sundays, or administrative holidays.

**Student Conduct Committee:** This committee consists of five members of the campus community who convene as needed to adjudicate cases of misconduct. See 5531.4 for additional information.

**5531.3 Due Process**

A. **Referral of Cases**

Any member of the campus community who has knowledge of alleged misconduct of students may bring the matter to the attention of the Dean of Student Services. The Dean may require a written statement relative to the alleged misconduct. The Dean of Student Services in consultation with the Academic Senate will develop specific procedures to address alleged violations of academic and/or classroom misconduct. Referrals to the Dean of Student Services Office shall be made within thirty days following the discovery of the alleged misconduct. The CEO may grant exceptions.

B. **Investigation and Notice to Student:**

Upon receiving notice of the alleged violation, the Dean of Student Services (or designee) may consider information acquired from a complainant and may augment that information through further investigation in order to determine if there is cause to believe that a violation may have occurred. In cases in which the Dean (or designee) determines that there is not cause to believe that a violation may have occurred, the Dean (or designee) may decide that the case will not be pursued further. If the allegation concerns academic and/or classroom misconduct, the Dean will contact the complainant to explain his or her reasoning. The complainant may appeal the decision not to pursue discipline, within 10 working days, to the Vice President of Instruction.

The Dean may refer the matter to other campus and/or community resources.

The Dean shall notify the accused student in writing of the following:

1. the nature of the alleged conduct in question, including a brief statement of the factual basis of the charges; the time, date, and place it is alleged to have occurred; and the campus regulations allegedly violated;
2. a copy of the student conduct procedures; and
3. that an interview with the Dean must be scheduled within seven (7) days for the purpose of an initial hearing. The student may waive the right to an initial hearing and request that the matter be referred directly to the Student Conduct Committee for a hearing.

C. **Placement and Notice of Hold:**

In the event that the student does not contact the Dean of Student Services Office within the seven (7) day period, or fails to keep any scheduled appointment, the Dean may then place a Hold on the student’s records and notify the student that this action has been taken. Such Hold will be removed only when the student either appears at the Dean of Student Services Office for a scheduled interview, or requests in writing that the case be referred to the Student Conduct Committee for hearing.

D. **Initial hearing with the Dean:**

The Dean of Student Services (or designee) shall, at the initial hearing:

1. determine that the student has received a copy of these procedures;
2. discuss confidentiality; inform the student that the content of this and all subsequent communications with the Office regarding information not relevant to the case shall, insofar as allowed by law, be treated confidentially, unless such confidentiality is waived by the student; and that information relevant to the case may be divulged to those who have a legitimate educational interest;
3. describe to the student as completely as possible the allegation, and the College policies allegedly violated, hear the student's defense to such charges and;
4. provide the student with an opportunity to inspect all documents relevant to the case which are in the possession of the Dean at the time of the hearing, and all such documents arriving after the initial hearing but before disposition of the case by the Dean of Students;
5. provide the student with copies of the documents relevant to the case, at the student's request, and;
6. counsel the student regarding the campus discipline process as appropriate.
7. Student may be accompanied by any person(s) of their choice at the initial hearing.

E. Disposition by the Dean of Student Services: After meeting with the student, the Dean (or designee) may take one of several actions:

1. Insufficient Evidence:
   If the Dean concludes that there is insufficient evidence to sustain a finding of culpability, he or she may decide not to refer the case to the Student Conduct Committee. The complainant may still attempt to resolve the matter through campus and/or community resources.
   In the cases of alleged violations of classroom and/or academic misconduct the Dean will notify the complainant of this outcome (if allowed by law). The complainant may appeal this decision, within ten working days, to the Vice President of Instruction.

2. Informal Agreement of Resolution
   In cases in which the Dean determines that an Informal Agreement of Resolution is appropriate, the accused student will be informed that this Resolution, while not a part of the student's permanent record, is binding. If the student fails to abide by the Informal Agreement of Resolution, such failure will be regarded as actionable misconduct, under District Policy 5529.2(K), and may subject the student to disciplinary action by the College.
   Each Informal Agreement of Resolution shall be regarded as binding within the College and may include:
   a. Direction by the Dean to the student to refrain from the behavior(s) described by the Dean and/or restrictions regarding contact with others involved in the case.
   b. Required participation by the student in educational programs and/or reconciliation processes, including mediation.
   c. Required participation by the student as an unpaid volunteer in activities that serve the College and/or community.
   d. Retention of the case file and the Informal Agreement of Resolution in the Dean of Student's Office for two years from the date appearing on the Agreement. During those two years, should the Dean have a reasonable suspicion to believe that the student has engaged in misconduct related in nature to the conduct which occasioned the Agreement, both cases may be subject of College disciplinary action.

3. Formal Disciplinary Action:
   a. If the student does not admit culpability, and if the Dean concludes that an Informal Agreement of Resolution is not appropriate, and that there is sufficient evidence such that a student Conduct Committee could find, by a preponderance of the evidence, that the student has violated College policy, the Dean shall refer the case to the Student Conduct Committee for a hearing.
   b. If the student does admit culpability, and if the Dean concludes that there is sufficient evidence to sustain a finding of culpability, the Dean may impose, or impose and suspend, one or more of the sanctions listed in Santa Clarita Community College District Policy 5530 (excluding expulsion); moreover, the imposition of any sanction may be effective retroactively. No sanction involving separation from the College (i.e., Suspension or Expulsion) shall become official until five (5) days from the date appearing on the letter confirming the Dean's disposition. Regardless of the action taken, the Dean shall confirm his or her disposition of the case in a written notice mailed to the student within seven (7) days of the action.

F. Appeal of the Sanction Imposed by the Dean:
   If the Dean imposes a sanction of Suspension or recommends Expulsion, the student may submit a written appeal of the imposed Suspension or Expulsion to the CEO within five (5) days of the date appearing on the Dean's written confirmation of his or her action. The imposition of a sanction of Suspension shall be withheld during such appeal. The CEO's review of such appeal shall be in accordance with the provisions set forth in Section 5531.5, The CEO, below. The CEO's decision is final.

5531.4 The Student Conduct Committee
   A. The Student Conduct Committee shall provide a hearing for all cases referred to it under this Policy.
   B. It is the intention of this Policy that hearings be set as soon as reasonably possible after referral to the Student Conduct Committee.
   C. Hearings shall be held in accordance with generally accepted standards of procedural due process, including, but not limited to, the opportunity to present evidence in an orderly manner, and the right to examine and cross-examine witnesses. The student may be advised by any person of the student's choice, at the student’s own expense, however, the student must represent him or herself. The Committee Chair may grant exceptions (for example pending criminal charges against the student). The Committee Chair shall rule on all questions of proce-

dure. Evidence may be received of the sort upon which responsible persons are accustomed to rely in the conduct of serious affairs, and is not restricted to evidence admissible under the strict rules of evidence of a court of law.

D. When the hearing involves an allegation of rape, or other forms of sexual assault, evidence of the complainant’s past sexual history, including opinion evidence, reputation evidence, and evidence of specific instances of the complainant’s sexual conduct, shall not be admissible by the accused student unless the Committee Chair makes a specific finding of relevance after an offer of proof by the accused student. Under no circumstances is past sexual history admissible to prove consent. The offer of proof must be made and resolved by the panel before the complainant testifies.

E. No inference shall be drawn from the silence of the accused. The standard of proof to be applied in these hearings is that of a preponderance of the evidence. Hearings shall be recorded and the student shall receive, upon request, a copy of the record without charge. The record may be an audio-tape recording of the hearing.

F. The hearing shall be closed to spectators unless the student specifically requests an open hearing.

G. The Committee Chair has the right to exclude spectators from the hearing room if deemed necessary for the quiet or secure conduct of the hearing. When the hearing involves an allegation of rape or other forms of sexual assault, the hearing shall be closed to spectators except for the following:

1. The complainant shall be entitled, for support, to have up to two persons of the complainant’s choice accompany the complainant to the hearing. A support person may be called as witness, and the fact that he or she is to act as a witness shall not preclude that person’s attendance throughout the entire hearing. If a support person is also a witness, the Committee Chair may require him or her to testify before the complainant. Neither of these persons shall be entitled to represent or defend the complainant. Similar rights shall be afforded the accused student.

2. The complainant shall have the right to be present during the entire hearing, notwithstanding the fact that the complainant is to be called as a witness.

H. Responsibility for Presentation of Cases:

1. At the hearing, the accused must represent himself or herself (exceptions may be granted by the Committee Chair); however he or she may receive advice, from any person at the student’s own expense. An advisor is not allowed to address the Committee directly and must conduct him or herself in an appropriate manner.

2. If the student wishes the Hearing Coordinator to direct communications concerning the case to his or her advisor, as well as to him or herself, he or she must provide the Hearing Coordinator with such a request, including the name and address of his or her advisor, in writing.

3. The College’s representative shall be the Dean of Students or the Dean’s designee. The Dean may consult with Campus Attorneys.

I. Continuing Informal Resolution:

Until the Student Conduct Committee makes its report to the CEO, any agreement between the accused student and the Dean of Students as to the disposition of the matter shall bind all parties and terminate all proceedings.

STUDENT RIGHT-TO-KNOW RATES

COMPLETION RATE: 26.85%
TRANSFER RATE: 17.04%
FROM 2007 COHORT DATA

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the Santa Clarita Community College District and College of the Canyons to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2006, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at College of the Canyons, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 26.85 percent attained a certificate or degree or became ‘transfer prepared’ during a three year period, from Fall 2006 to Spring 2009. Students who are ‘transfer-prepared’ have completed 60 transferable units with a GPA of 2.0 or better.

Based on the cohort defined above, 17.04 percent transferred to another post-secondary institution prior to attaining a degree, certificate, or becoming ‘transfer-prepared’ during a five-semester period, from Spring 2007 to Spring 2009.

The College Student Right-to-Know (SRTK) rates can also be viewed at the California Community College Systems Chancellor’s Office SRTK rate disclosure Website, http://srtk.cccco.edu/index.asp along with the rates for all community colleges in the state. The College’s SRTK rate can be viewed directly at http://srtk.cccco.edu/661/07index.htm.
J. Reports to the CEO:
Within fifteen (15) days after the conclusion of a hearing, the Committee Chair shall submit a report advising the CEO of:
1. the Committee’s specific finding of fact;
2. whether, in the opinion of a majority of the Committee the student has violated one or more College policies; and
3. a recommendation of sanctions, provided that prior to recommending any sanction, the Committee and accused student are briefed by the Dean of Students regarding sanctions imposed in similar cases, and any previous cases of misconduct by the student on file with the Dean of Student Services; and provided further that the Committee indicate the rationale for such recommendation.

The CEO may grant an extension of time for submission of the report for good cause shown and upon such terms as shall avoid undue prejudice to the student. Any member of the Committee may submit a minority report to the CEO.

K. A copy of all reports required to be submitted to the CEO by this Policy, including any minority reports, shall be sent to the accused student, the Dean of Student Services, and the complainant (if allowed by law), when transmitted to the CEO.

L. The accused student shall have seven (7) days from the date appearing on the Committee report in which to submit to the CEO any written argument supporting the student’s position.

M. If an accused student does not meet with the Dean and/or does not appear at the hearing, or has withdrawn from the College while subject to pending disciplinary action, the case may proceed to disposition without the student’s participation.

5531.5 The CEO
A. Decision by the CEO:
The final decision regarding the case shall be made by the CEO except in cases which:
1. are resolved by the Dean of Students, and no written appeal is made by the student;
2. include a recommendation for expulsion.

B. Basis for Decision:
The CEO shall base his or her decision upon:
1. the report submitted by the Student Conduct Committee,
2. counsel solicited from the Dean, regarding sanctions imposed in similar cases, and any previous cases of misconduct by the student on file with the Dean of Student Services Office.

C. Sanctions:
The CEO may decide to impose, or impose and suspend, one or more of the sanctions listed in Section 5530, with the exception of expulsion (discussed below). The CEO is not limited to those sanctions imposed by the Dean, or to those recommended by the Student Conduct Committee, even though such decision may result in a decrease of the student’s penalty; moreover, the imposition of any sanction may be effective retroactively.

D. Recommendation for Expulsion:
Should the Dean, CEO, or CEO designee recommend a sanction of expulsion, the Santa Clarita Community College District Board of Trustees will meet in closed session, unless otherwise requested by the student, to affirm or alter the sanction. The Board is not limited to the recommended sanctions(s), and may impose an alternative sanction, even though such decision may result in a decrease of the student’s penalty; moreover, the imposition of any sanction may be effective retroactively.

Whether the matter is considered at a closed session, or at a public meeting, the final action of the Board shall be taken at the next public meeting and the result of such action shall be public record of the District.

E. Discussion With Student:
If the CEO deems it necessary or desirable, he or she may meet with the student at any point to discuss the case. The student may be accompanied by any person of his or her choice at the student’s own expense.

F. Decision by the Chancellor:
Not later than twenty (20) days after the date appearing on the written appeal of the student; or the report of the Student Conduct Committee, if any, whichever is latest, written notification of the CEO’s decision shall be delivered to:
1. the accused student;
2. the Chair of the Student Conduct Committee, if the Committee heard or reviewed the case and made a report to the CEO, and
3. the Dean of Student Services.

The CEO may also notify other parties of his or her decision. The CEO may direct the Dean of Student Services to notify others, if there is an institutional interest in doing so, and if such parties are authorized to receive such information under the “Santa Clarita Community College District Policy on the Disclosure of Information from Student Records.”

CONFIDENTIALITY OF STUDENT RECORDS AND ACCESS TO RECORDS (FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT)
College of the Canyons maintains student records to ensure the privacy of all such records in accordance with statues set forth in the Family Educational Rights and Privacy Act of 1974. By law, the college shall not permit access to or release of records or information to outside agencies without an educational interest unless the College obtains the student’s written permission. This statute applies regardless of the student’s age. Once a student under the age of 18 is admitted, they are considered a college student and this law applies to their records.

The one area of student records that can be released is called “Directory Information.” Directory information is defined as: student’s name, current enrollment status, dates of attendance, major field of study, degrees and awards received,
participation in officially recognized activities and sports, weight and height of members of athletic teams, and the most recent public or private school attended by the student. Directory information will only be blocked from release by written request of the student. Students may file a written release to block such information in the Admissions & Records office. The College, at its discretion, may limit or deny the release of student directory information to public or private persons or organizations based on the best interests of the students.

In accordance with the privacy act, the College also has the right to release students’ records to institutions and agencies on the basis of educational interest. These are examples of situations where records would be released on the basis of educational interest: college officials, state and federal educational and auditing officers, requests in connection with the application for or receipt of financial aid, subpoenas, recovery services and court orders.

Any student has the right to inspect and review his or her student records, within five days of making an official request. The student may challenge the accuracy of the record or the appropriateness of its retention. Records maintained under this statute include, but are not limited to information regarding: college admission, registration, academic history, official transcripts from other schools and colleges, career, student benefits or services, extra-curricular activities, counseling and guidance, discipline or matters related to student conduct and any other information the college feels appropriate. All official transcripts from other schools and colleges become property of the College upon receipt and photocopies are not released.

The College makes a reasonable charge for furnishing copies of any student record, except for the normal College procedures that apply to transcript requests. Particular questions with respect to students’ rights under the Family Educational Rights and Privacy Act of 1974 should be directed to the Director of Admissions & Records.
