### Addendum to 2016-17 Catalog

### **DIVERSITY REQUIREMENT (Page 26)**

Complete at least one course from the following:
Anthropology 103, 103H, 210; Business 126; Cinema 123;
Communication Studies 235, 256, 260; Early Childhood
Education 160, 165; Education 203; English 262, 270, 271,
273, 274, 280; Geography 102; Health Science 243, History
120, 120H, 130, 161, 191, 192, 193, 210, 243; Music 108;
Philosophy 102, 220; Political Science 290; Psychology 230,
235, 240, 272; Sign Language 110; Sociology 101, 101H,
103, 103H, 105, 106, 110, 200, 207, 208, 210, 230, 233.
The course used to satisfy this area may also be used to
satisfy another area of general education, if applicable.

#### **SECOND ASSOCIATE DEGREE (Page 27)**

All major requirements for the additional degree must be satisfied, per student's catalog rights.

- A minimum of 18 semester units are completed in the new major.
- A student cannot earn more than one Liberal Arts and Sciences degree.
- A minimum of 12 semester units are completed in residence within the Santa Clarita Community College District after the awarding of the first degree. Students are exempt if they completed the first associate degree in the Santa Clarita Community College District.
- All current Santa Clarita Community College District general education requirements listed above will have been met with the awarding of the first degree. If not, these additional general education courses will also be required.

## Addendum to 2016-17 Catalog

# **BUSINESS**

# Associate in Science for Transfer Degree: Business Administration

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

- Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
  - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
  - b. A minimum of 18 semester units or 27 quarter units i n a major or area of emphasis, as determined by the community college district.
- 2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T in Business Administration. Additional majors are being developed. Please see a counselor or visit http://www.canyons.edu for more information.

### **Degree Student Learning Outcome:**

Students will be able to analyze financial, economic, legal and management issues related to a business entity as required for upper division work in their business-related major.
