"Success comes from knowing that you did your best to become the best that you are capable of becoming."

— -John Wooden

Dear Students,

Welcome to College of the Canyons! On behalf of our faculty, staff, administration, and Board of Trustees, as well as your fellow students, I welcome you to what I know you will find to be an extraordinary place that is uniquely equipped to help you reach your full potential.

College of the Canyons is one of 115 community colleges in California. For five decades, our college has distinguished itself in the academic and career programs and support services and enrichment activities that enable students to be their best.

Our commitment to student success begins in the classroom, where you can choose from nearly 200 degree and certificate options in fields of study ranging from Animation, to Nursing, to Welding. We offer courses that will enable you to transfer to an elite university, or equip you with the skills needed to launch a career in cutting-edge fields. Whatever path you choose, you have the confidence of knowing that College of the Canyons has won numerous awards for its skill in helping students succeed.

Since the college opened for classes in 1969 with just over 700 students, we have steadily built our reputation for excellence over the past 50 years. College of the Canyons is committed to enhancing access to higher education and growing its capacity to meet the ever-changing needs of the 32,000 students we serve annually. From traditional-age college students, to professionals training for new careers, to veterans, to high school students, to adults re-starting college, to students who will be their first in their families to earn a degree, to entrepreneurs and local business and industry leaders, we pride ourselves on successfully meeting the needs of all who turn to us to expand their learning, to pursue their dreams, and to design their futures.

We do so because the people of College of the Canyons are committed to ongoing innovation and excellence in all facets of our service to the community. Administrators lead the way in determining our strategic growth, removing barriers, and relentlessly pursuing the resources needed to fuel the college's continued innovation. At the same time, our professors dedicate themselves to being at the forefront of their subject areas and sharing their expertise in the classroom, and serving as inspirational role models for you, their students, as well as their colleagues. And, in every office on campus, our classified staff members can be counted on to welcome you with a smile, connect you to campus resources, and help you to thrive.

What we achieve springs from a spirit of collaboration among all employees, and a shared focus on doing whatever is necessary to ensure we offer the best educational experiences possible to our students and our community. Together, we challenge ourselves to create an environment that builds on our past success, inspires unlimited possibilities, and fosters creativity in our students and our employees.

While we take pride in what we have accomplished over the years, we are never content with the status quo. We are always looking ahead, welcoming change, stretching our capabilities and pushing ourselves to find new ways to fulfill our mission and develop into a center for higher education in our valley.

That's why you'll find opportunities at College of the Canyons not typically available in a community college. Math Engineering Science Achievement (MESA) enables students to explore careers in exciting fields and provides extra support and services to succeed in challenging classes. The University Center features more than 30 bachelor's and master's degrees, along with a doctoral program and teaching credentials, offered by four highly regarded partner universities. We also boast a wide array of leadership and learning opportunities through clubs and campus activities. Whether you participate in Model United Nations, our NASA-affiliated RockSat-X and High Altitude Student Payload teams, Forensics, Future Business Leaders of America, Associated Student Government, the Honors Program, Forensics, Civic Engagement, one of our 17 inter-collegiate athletic teams, the Santa Clarita Environmental Education Consortium, or one of dozens of campus clubs, you will have an opportunity to grow your capabilities beyond traditional classroom learning.

Just as our history has been marked by growth and expansion, we continue to improve our facilities to further enhance student success. A new Parking Structure at the Valencia Campus added 1,000 more parking spaces, and encouraged the use of electric cars by making more than 50 charging stations available. In the upcoming year, we will open a new Science Center at the Canyon Country Campus. With more than 50,000 square feet of space, it will offer more science labs than are currently available at either campus. And, work will also begin soon on the adjoining student services facility, which will bring key services together in one convenient location for students.

This college is ready to make the most of the opportunities that lie ahead because we have proven time and again that we are future focused. We have built a reputation for innovation and excellence that will enable us to not only keep pace with the community's continued growth, but also to shape the opportunities that will change the lives of our students.

I am so proud that you have chosen to study, learn, grow, and network at College of the Canyons. Here, you will discover both an established tradition of excellence, and the inspiration needed to create the future you imagine. I encourage you to make the most of what College of the Canyons offers, and as you do, know that you have our full support as you strive to become the best that you are capable of becoming.

Dr. Dianne G. Van Hook
Chancellor

MISSION STATEMENT

As an innovative institution of excellence, College of the Canyons offers an accessible, enriching education that provides students with essential academic skills and prepares students for transfer education, workforce-skills development, and the attainment of learning outcomes corresponding to their educational goals. To fulfill its mission, College of the Canyons embraces diversity, fosters technical competencies, supports the development of global responsibility, and engages students and the community in scholarly inquiry, creative partnerships, and the application of knowledge.

VISION STATEMENT

College of the Canyons is dedicated to being a leading two-year college, recognized locally, regionally, statewide and nationally for technical advancement, institutional effectiveness, student support, model academic and professional programs, excellence in teaching and learning, fostering a broad range of community partnerships, maximizing student access, and for the sense of community that we provide to our students and staff.

PHILOSOPHY

We believe in the following values:

Teaching and Learning: We honor and reward high performance in teaching and learning.

Respect for All People: We foster a climate characterized by civility, collegiality and acceptance. We expect honesty, integrity, social responsibility and ethical behavior.

Partnership with Community: We create relationships providing the foundation of success for chosen current and future partnerships with local schools, colleges and universities, businesses, government, and social agencies. These partnerships advance the educational, intellectual, artistic, civic, cultural, and economic aspirations of our surrounding community.

Excellence: We set the highest standards for ourselves and support the professional development of faculty, staff and administrators.

Creativity and Innovation: We are an innovative and creative community college. We encourage members of the college community to be entrepreneurial, forward thinking, creative, persistent, spontaneous and welcome changes that will enhance the college's ability to fulfill its mission.

Strategic Goals

TEACHING AND LEARNING – College of the Canyons will provide a positive environment and necessary resources to support excellent teaching, student learning, and the completion of students' goals including attaining degrees and certificates and transfer.

STUDENT SUPPORT – College of the Canyons will provide student support to facilitate equitable student success and maximize opportunity for all students.

CULTURAL DIVERSITY – College of the Canyons will promote, encourage, and celebrate the diversity of students and staff in our campus community.

HUMAN RESOURCES – College of the Canyons will select and develop high-quality staff.

INSTITUTIONAL ADVANCEMENT – College of the Canyons will generate support, resources, networks and information to enhance the college's success.

INSTITUTIONAL EFFECTIVENESS – College of the Canyons will use outcomes data on progress being made towards college goals – including student learning outcomes, administrative unit outcomes, and other accountability measures – on a regular basis to inform planning and decisions.

FINANCIAL STABILITY – College of the Canyons will provide support, direction and oversight for all district financial resources to ensure fiscal compliance, proper accounting and positive audits and develop financial resources to maintain and improve programs and services consistent with institutional commitments (mission, goals, and objectives) and in alignment with our enrollment management plans.

TECHNOLOGICAL ADVANCEMENT – College of the Canyons will utilize state-of-the-art technologies to enhance programs, services and operations.

PHYSICAL RESOURCES – College of the Canyons will provide facilities that are clean, efficient, safe, and aesthetically pleasing to support College programs and services.

INNOVATION – College of the Canyons will dare to dream and make it happen!

CAMPUS CLIMATE – College of the Canyons will enhance and support a sense of community and cooperation on campus.

LEADERSHIP – College of the Canyons will assert its leadership to increase educational, economic, and cultural opportunities for the community including businesses, industry, arts groups, and community-based organizations in the region.

August	Last day of Summer August 22

HISTORY OF COLLEGE OF THE CANYONS

College of the Canyons was conceived in 1967 as an idea that resonated with the local populace – and forged by decree at the ballot box. While the Election Day ballot that year made no mention of “College of the Canyons” – the moniker was, after all, a formality to be crafted later – citizens were united around the notion that a public institution of higher learning was exactly what the burgeoning Santa Clarita Valley needed.

Taking the helm of California’s newest community college was Dr. Robert Rockwell, who previously served as president of Santa Barbara City College. It took about two years for Rockwell to build a team and create a college from the ground up. Together, they forged ambitious ideas into a workable plan for the future, hired the necessary faculty and staff, developed the curriculum, and prepared to open the college before it even had a campus to call its own.

The College Debuts

The college’s first classes – around 150 of them – were offered in the fall of 1969 at Hart High School, which contributed a modest, nondescript bungalow at its Newhall campus. Inaugural enrollment was 735 students.

The schedule was limited, hampered by the fact that classes couldn’t start until late afternoon, after high school students had left for the day. As that first academic year came to a close, the college held its first and only commencement ceremony at Hart High to honor its first graduates – all 16 of them.

Rockwell’s plan picked up speed in 1970 with the purchase of 153 acres of barren land along the east side of Interstate 5, south of Valencia Boulevard. Here, in the first summer of the new decade, architects envisioned the future and earth-movers began reshaping the terrain. Before the summer was over, an assortment of modular classrooms and offices was assembled to accommodate that fall’s first classes at the college’s new, permanent home.

Fast-Forward 50 Years

Fifty years later, the contrast between then and now is striking. College of the Canyons now serves more than 20,000 students per year on two campuses – in Valencia and Canyon Country – and is among the fastest-growing community colleges in both the state and nation.

The college provides cutting-edge educational and training programs, and its completion rates rank among the highest in California. While widely recognized as a model community college for enhancing student access, success and equity, it has also established a reputation for bolstering economic development and offering innovative career technical education programs.

College of the Canyons owes a great deal of its success to an equally fast-growing, dynamic and historically supportive community, as well as the vision of college leadership to build the finest and most-innovative community college anywhere.

Exceeding Demands

The back-to-back openings of Canyons Hall and the College of the Canyons Institute for Culinary Education marked a milestone for the Valencia campus in 2015. It signified completion of the goals set forth in the Valencia campus master plan.

As the college focuses on its new master plan, much of the attention will turn to the Canyon Country campus, where a 55,000-square-foot Science Center is now under construction. To put the size of this building into perspective, its square footage eclipses the total available space at that campus today. The building is expected to open by 2021, with at least three more buildings to follow. They include the Business & Art Center, Technology & Health Center, and Student Center.

The passage of Measure E, a \$230 million bond measure approved by voters in 2016, is fulfilling its promise of allowing the college to meet future needs, as well as leverage state resources for construction projects at both campuses. The most recent example is a three-level parking structure that opened at the Valencia campus in early 2019. With more than 1,600 spaces, the structure has helped alleviate parking shortages and congestion.

These new facilities not only address the urgent needs of today, they signify a longstanding commitment by college leadership and the Board of Trustees to create the facilities necessary to provide relevant, cutting-edge educational and training programs well into the future.

College Leadership

The vast majority of the college’s growth and development has occurred under the leadership of Chancellor Dr. Dianne G. Van Hook, who was hired to lead the college in 1988. She has transformed the Valencia campus – and created an entirely new one in Canyon Country – to not only meet the community’s demands, but to anticipate the educational and training programs that will emerge in the future.

She wasted no time upon arriving here 30 years ago, embarking on a major update of the educational and facilities master plan, a “roadmap” that guided a seemingly non-stop series of construction projects that dramatically altered the college landscape. The master plan addressed ways to accommodate soaring enrollment and an ever-increasing number of educational and training opportunities.

The college was composed of just eight buildings on a single campus when Dr. Van Hook took the helm. Today, that campus in Valencia has been radically reshaped with 16 additional or expanded facilities that encompass nearly 1 million square feet. And, it was her vision that created an entirely new campus in Canyon Country to serve the increasing educational and training needs of the eastern Santa Clarita Valley.

Her leadership and imagination are responsible for facilities such as the Santa Clarita Performing Arts Center, the Library and its subsequent expansion, Mentry Hall and its expansion, the Family Studies & Early Childhood Education Center, Pico Canyon Hall, Aliso Hall, Aliso Lab, Hasley Hall, the University Center, East Physical Education Building and adjacent tennis courts, the TLC (The Learning Center), Applied Technology Education Center, Canyons Hall, and the College of the Canyons Institute for Culinary Education. These state-of-the-art facilities have allowed the college to vastly expand the breadth and depth of its educational and training programs, as well as numerous services that augment and support them.

She was instrumental as well in creating the University Center, home to a collection of public and private universities that offer advanced degree programs at the Valencia campus – eliminating the need for residents to commute long distances to obtain bachelor and master's degrees, specialized certificates, and credentials. This expansive facility also accommodates the William S. Hart Union High School District's award-winning Academy of the Canyons, the Santa Clarita Valley Economic Development Corp., and the college's Economic Development Division and its subsidiaries, among others. Because of her vision, passion and resolve in bringing the center to fruition, the Board of Trustees deemed it appropriate to attach her name to the building, which is now known as the Dr. Dianne G. Van Hook University Center.

Educational Expansion

The college's academic and occupational offerings have grown significantly over the years. As of mid-2019, the college now offers 92 associate degree programs, up from 49 a decade ago. Among those academic opportunities are 23 associate degree for transfer (AD-T) programs. And, 71 more programs lead to workforce training certificates, approximately twice the number offered 10 years ago.

Academic programs are numerous and varied, ranging from animation to welding. Expanding students' transfer options are 24 associate degree programs that provide guaranteed transfer to the California State University system. These transfer programs include administration of justice, communication studies, computer science, early childhood education, elementary teacher education, mathematics, and physics.

College of the Canyons also stands out as a leader in student achievement. The college is ranked No. 1 in Los Angeles County and No. 2 in California for its completion rate by college-prepared students. Nearly 80 percent of college-prepared students complete a

degree or certificate, or are ready to transfer to four-year universities when their studies are completed. And, the percentage of students who transfer to four-year universities is one of the highest of the 21 community colleges in L.A. County.

Increasing opportunities even further is Canyons Promise, which pays first-year college fees for new full-time students, as well as second-year fees for those students who maintain academic standards. Launched in 2017 as First-Year Promise, the expanded and rebranded program allows students to achieve their educational goals by paying their enrollment and student service fees, and providing free computer lab printing, textbooks and instructional supplies.

The college also is a pioneer in the effort to adopt Zero Textbook Costs (ZTC), a term that refers to textbooks and other learning resources available in the public domain. Students consistently point to the high cost of textbooks as a significant barrier to their educational goals. The number of courses using ZTC materials is growing, and students using them are currently saving more than \$3 million per year.

Regardless of their chosen major, College of the Canyons students consistently obtain the knowledge and skills they need to launch new, high-paying careers or graduate prepared to continue their studies at four-year universities.

Athletic Excellence

With an institutional philosophy to educate both the mind and body, the college provides outstanding opportunities with 17 intercollegiate athletic programs that compete in the Western State Conference and Southern California Football Association. The newest athletic program, women's tennis, launched in 2018.

Intercollegiate achievements include three consecutive Western State Conference Supremacy Awards, which recognized the collective performance of College of the Canyons athletic programs from 2013-14 to 2015-16. The most recent supremacy award encompassed six conference championships – for women's volleyball, women's soccer, women's basketball, softball, men's cross country and men's golf.

Innovative Partnerships

The college has established numerous partnerships in both the public and private sectors that have redefined the traditional role of a community college. Academy of the Canyons was established at the Valencia campus in partnership with the William S. Hart Union High School District in 2002. Based on a middle college high school model, it allows promising high school students to attend high school and college concurrently. Recognized as an Exemplary High Performing School, the academy received the National Blue Ribbon Award in 2015, placing it in the top 1 percent of high schools nationally.

Partnerships have helped private industry become more productive, efficient and competitive while helping fuel the local economy. The College of the Canyons Economic Development Division, which includes the Small Business Development Center, Center for Applied

Competitive Technologies and Employee Training Institute, to name a few, has helped local businesses and their employees. The division has trained thousands of employees at hundreds of companies, contributed to numerous business startups, and helped create hundreds of local jobs.

The college maintains still more partnerships to ensure that vital services such as health care, law enforcement, fire protection and emergency medical response remain at the highest levels possible. Home to the Los Angeles County Sheriff's Department's north training academy, the college also helps train firefighters and emergency medical technicians. A robust nursing program is augmented further by a unique partnership with Henry Mayo Newhall Memorial Hospital that provides real-world training for nursing students on the hospital's campus. The nursing program, as well as partnerships with the hospital and others throughout the region, have helped the college make significant progress in alleviating the statewide shortage of trained nurses. And, the Performing Arts Center's K-12 Arts Education Outreach Program represents a key partnership with every K-12 school district in the Santa Clarita Valley. The program has served more than 75,000 local students by bringing them to the college campus to experience the performing arts or providing visiting artists at their schools.

Finally, one of the college's most important partnerships is the one with scholarship donors, whose generous support of the College of the Canyons Foundation Scholarship Program makes attending college a reality for so many students. The college and the foundation are committed to making college as affordable as possible to as many students as possible.

Gateway to Opportunity

College of the Canyons serves as a gateway to higher education, professional training and, by extension, opportunity. An estimated 300,000 people have attended the college since 1969. Many thousands have graduated, moved on to four-year universities and pursued successful careers.

In a testament to students' favorable experiences here, as well as the skills and knowledge they have gained, many have found their way back. Nearly half of the college's staff members were once students here. College of the Canyons' commitment to excellence is a 50-year tradition instilled by its innovative, results-oriented leadership. As the next chapters of its history are written, the outstanding foundation that has been laid will support future progress and achievements – and the college will continue to uphold the ideals of educational excellence while contributing to a vibrant, thriving community for many generations to come.

THE SPECIAL MISSION OF THE COLLEGE OF THE CANYONS FOUNDATION

The mission of the College of the Canyons Foundation is to generate and administer contributions to promote the general welfare of the college. These contributions are used to assist the college in providing the programs and services beyond what tax dollars alone will support, and to strive for the highest reaches of excellence in teaching, scholarship, vocational training and innovation.

The foundation is governed by a volunteer board of directors that is composed of Santa Clarita Valley business and community leaders. Dedicated to providing funds to College of the Canyons through private gifts, the Board of Directors believes that public educational institutions and private enterprise must work together to provide an affordable and accessible college education for all who have the desire to succeed.

Through annual giving, special events and programs, the foundation provides College of the Canyons with crucial private resources. The foundation needs more support. Individuals, businesses and organizations interested in contributing to the College of the Canyons Foundation are encouraged to contact:

Murray Wood, Chief Development Officer of the College of the Canyons Foundation, 26455 Rockwell Canyon Road, Santa Clarita, California 91355; Telephone: (661) 362-3433.

COC FOUNDATION OFFERS ACTIVITIES TO THE COMMUNITY

Students, parents and community members have many opportunities to become involved with the college through foundation-managed support groups. Members of these support groups enjoy a variety of benefits, including social events, on-campus privileges, recognition and advance notice of upcoming events. Current support groups include:

- Chancellor's Circle: A prestigious group of community and business leaders
- Alumni Network: Current and former students at COC and friends of the college
- Patrons of the Arts
- Center for Early Childhood Education Circle of Friends
- Cougar Club: Through a variety of activities, this club supports the enhancement of COC athletic programs

The foundation also has an active Legacy Society through which friends of the college make planned gifts to the foundation. If one is interested in becoming involved with the College of the Canyons Foundation, please call (661) 362-3433.

Admission to the College / Getting Started

ADMISSIONS

Any person applying for admission to the college must qualify using one of the following conditions:

- A. Be a graduate of high school, or have passed the California High School Proficiency Exam.
- B. Has completed coursework for high school graduation and is in possession of a Certificate of Specialization, or the equivalent.
- C. Be 18 years of age or over and be capable of profiting from the instruction offered.
- D. Be eligible for admission as a special student pursuant to Sections 48800, 48800.5, 48802, 76001, and 76002 of the California Education Code.
 1. Students falling under these criteria must be approved by their high school principal or designee for “advanced scholastic or vocational work,” and must be identified as a special part-time or full-time student.
 2. Students may be admitted from K-10 if identified as “highly gifted.”
 3. Students may be admitted as a special part-time or full-time student if:
 - (a) The class is open to the general public, and
 - (b) The student is currently enrolled in grades 11-12. Exceptions may be made for some special programs and course work, and
 - (c) The student has demonstrated eligibility for instruction by completing assessment and orientation.

Eligibility for Admission Definitions:

- A. Advanced scholastic or vocational work is identified as College of the Canyons degree applicable course work.
- B. A special part-time student is identified as attending high school and College of the Canyons concurrently, and is enrolled in 11.0 college units or less.
- C. A special full-time student is identified as a high school student who has been completely released by his or her high school to attend College of the Canyons full-time, and is enrolled in 12.0 units or more.
- D. A highly gifted student would be a student in K-10 who has a score of 150 or higher on the most current version of the WISC intelligence test.

The College may restrict admission in some courses and programs. For instance, special admission students cannot enroll in Culinary Arts 226-Food and Wine and HLHSCI 151-Emergency Medical Technician I as both courses have an age restriction. In addition, special admission students must obtain departmental consent for all courses in welding and manufacturing. Additionally, specially admitted students are restricted from taking physical education courses (except AOC students and high school students registering for on or off season intercollegiate athletics courses).

Students participating in the Santa Clarita Valley Youth Orchestra program do not have a grade level restriction for taking music classes in this program. Students participating in Academy of the Canyons middle college programs follow the same assessment and orientation

process as other special admission students. However, Academy of the Canyons students will be enrolled in classes according to the agreement their institution has made with College of the Canyons.

Students enrolled in grades 11-12 in a public or private school district may apply for admission to the College upon submitting an approved Special Admit form as well as an Authorization to Consent to Medical Treatment form and any other forms as deemed necessary. Home school programs for grades 11-12 must meet state guidelines for special admit students to apply for admission.

Pursuant to California Education Code Section 76001 (d), specially admitted part-time students may not enroll in more than 11 units per semester.

Pursuant to California Education Code Section 76300 (f), specially admitted part-time students may be exempt from payment of the enrollment fees, per special action of the Board. All other appropriate fees shall be assessed.

Specially admitted students released from their high school to attend College of the Canyons full-time must pay the enrollment fee and all other appropriate fees as assessed.

Admission Procedure - Application

A formal application for admission must be filed with the Admissions and Records Office. This should be done as soon as the decision has been made by the individual to seek admission to the College. Students returning after missing one semester or more must submit a new application to reactivate their student history file.

International Students: International students are required to submit the International Student application to the International Services & Programs (ISP) office. Please contact ISP before beginning the application process to obtain guidance on proper completion of the application and submittal of supporting documents.

International Services & Programs: +1 (661) 362-3580; isp@canyons.edu.

Documents Required (Transcripts)

Applicants entering as first-time freshmen must arrange to have academic transcripts from their high school of graduation or school of last attendance sent to the Admissions and Records Office. Students should have transcripts sent from each college attended. All transcripts should arrive prior to the student’s registration date to be used to meet course prerequisites and prevent an interruption to the automated registration process. All transcripts become the property of the College, and photocopies may not be released.

International Students: Demonstration of completion of secondary education may be required. Contact the International Services & Programs (ISP) office for detailed instructions concerning transcripts and other required documents.

All documents submitted to ISP become the property of the College. Once documents are submitted, copies are not provided. **International Services & Programs: +1 (661) 362-3580; isp@canyons.edu.**

Student Correspondence

College of the Canyons is making every effort to communicate with students by sending correspondence through email. The College provides each student with a College of the Canyons email address. This email account is assigned once a student submits an application and (re) sets their "My Canyons" user name and password. The email account is supported by Microsoft. We advise you to check your email often, as information we send will often be time sensitive and important to your college career.

Credit Accepted

College of the Canyons accepts credit for courses completed at colleges and universities that have been accredited by one of the regional accrediting associations. Upon petition and after evaluation, credit may be accepted from schools and colleges having other types of accreditation. Students must have 12 units in residence before credit will be placed on the academic transcript. Some exceptions apply; for more information contact Admissions and Records.

International Students: International students are required to consult with the International Services & Programs office for guidance on credit accepted.

Residency

New and returning students to College of the Canyons are classified for the purpose of determining California residency and/or non-resident status. The classifications are as follows: Unmarried minors (persons under 18 years of age), who are US Citizens or a status that allows residence, whose parents have resided in California for a period of one year immediately prior to the first day of instruction of the term the applicant expects to attend, may attend as residents.

Persons over 18 years of age, who have legal residence in California for a period of one year immediately prior to the first day of instruction of the term the applicant expects to attend, may attend as residents.

Applicants having less than one year of residence in California immediately prior to the first day of instruction of the term they expect to attend are classified as non-residents for tuition purposes.

United States citizens, permanent residents, and aliens without lawful immigration status who have attended a California high school for at least three years and then graduated may qualify for a non-resident tuition waiver. Contact Admissions and Records for more details.

Non-immigrant alien students are required to pay the non-resident tuition and may need to meet certain other admission requirements. Contact Admissions and Records for more information.

International Students: International students are advised to contact the International Services & Programs office before proceeding with College residency or tuition waiver requests.

International Students

College of the Canyons is authorized under federal law to enroll non-immigrant alien students. International students applying for admission and subsequent student

visas must meet special admission requirements. For a statement of these requirements and procedures, inquiries should be made to the director of international students.

College of the Canyons is authorized under federal law to enroll non-immigrant alien students. Non-immigrant aliens applying for admission must meet international student admission requirements. For information on these requirements, contact the International Services & Programs (ISP) office. **International Services & Programs: +1 (661) 362-3580; isp@canyons.edu.**

MANDATORY CORE SERVICES

Evidence-based practices and research demonstrate that students who participate in orientation, assessment, and advising create a strong academic foundation and are more likely to persist and flourish in college and to meet their education goals. All new students entering College of the Canyons are required to complete three core matriculation services: orientation, assessment, and the development of a first semester education plan through participation in new student advising.

ADMISSION

New students must complete and submit an application for admission online (www.canyons.edu) prior to enrollment at College of the Canyons.

International Students: International students are required to submit the International Student application to the International Services & Programs (ISP) office. Please contact ISP before beginning the application process for guidance on proper completion of the application and submittal of supporting documents. **International Services & Programs: +1 (661) 362-3580; isp@canyons.edu.**

ORIENTATION (MANDATORY)

Online orientation is required of all new and first-time to College of the Canyons students. It provides valuable information about the services, programs, and courses available at the College. Orientation helps new students navigate through the rich array of resources and services available at the College and teaches students how to use these resources to their fullest.

ASSESSMENT (MANDATORY)

Consultation with a counselor to plan courses, establish goals, and chart an educational path is one of the most important connections a new student can make. Professional counselors are available to assist students in identifying interests, aptitudes and educational objectives. All matriculated students are encouraged to meet with a counselor to formulate a Student Educational Plan (SEP).

NEW STUDENT ADVISEMENT - (MANDATORY)

New students must complete and submit an application for admission online (www.canyons.edu) prior to enrollment at College of the Canyons.

International Students: International students are required to consult with the International Services & Programs office for information concerning mandatory new student advisement. **International Services & Programs: +1 (661) 362-3580; isp@canyons.edu.**

COUNSELING

All students are encouraged to meet with a counselor for educational and career planning. Counselors help students write individual educational plans that list all the courses needed and in the correct sequence to reach their educational goals. However, first-time students must have attended a new student workshop and completed their first semester at College of the Canyons prior to making a counseling appointment. For a list of available workshops and to sign-up, first-time students should visit the Counseling department website at www.canyons.edu/Counseling or the **New Student Checklist website at www.canyons.edu/SSSP/NewStudent-CheckList**

International Students: International students are required to consult with the International Services & Programs (ISP) office concerning educational and career planning before their first semester. In addition, the international student New Student Workshop is included in the biannual ISP orientation before the semester begins. For information specific to international students, contact the ISP office. **International Services & Programs: +1 (661) 362-3580; isp@canyons.edu.**

COUNSELING / PROGRAM ADVISEMENT

The mission of the Counseling department is to help students reach their educational and career goals. The specific goals are to assist students with the effective use of campus learning resources, student services, and educational opportunities. Counselors assist students in determining, analyzing, and understanding their interests, aptitudes, abilities, limitations, and opportunities. Counselors are also skilled in providing personal counseling assistance to students as it relates to achieving their educational objectives.

Program advisors are available throughout open office hours at the drop-in desk in the Counseling office for quick consultations. Program advisors provide information about certificate, degree, and transfer requirements, and college policies and procedures. Students should contact the Counseling office or the counseling webpage at www.canyons.edu/counseling to schedule private half-hour appointments with counselors. Students should, before the time of their appointments, study this catalog, the catalog of any college or university to which they may seek transfer, and the Schedule of Classes for the upcoming term at College of the Canyons. To obtain the most benefit from the appointment, students need to be able to discuss their long-range educational goals as well as the courses desired in the ensuing term. Students are responsible for making final decisions concerning their college programs.

Counseling classes are taught by counselors and cover such topics as college-success skills, career development, and transfer planning. See Schedule of Classes for specific offerings. Specialized counseling is also provided through the DSP&S, EOPS, and CalWORKs.

International Students: International student advisement is provided through the International Services & Programs (ISP) office. International students are advised to contact ISP to make arrangements for an advisement

appointment. **International Services & Programs: +1 (661) 362-3580; isp@canyons.edu.**

REGISTRATION

Registration is the formal process of arranging courses desired by the student into a program of classes and of securing a seat in classes. College of the Canyons determines enrollment priority based on Title 5 section 58108. Priority will be determined by the following levels:

Level 1:

New fully matriculated and continuing or returning students in good standing who are part of one or more of the following student groups: Veterans, Foster Youth, EOPS, DSPS, CalWorks, or Homeless Youth.

Level 2:

New fully matriculated and continuing or returning students in good standing who are part of one or more of the following student groups: Athletics, ASG, and MESA. Students who petition to graduate, earn a certificate or are in their last semester prior to transfer. (This priority is given one time only to a student)

Continuing and returning students in good standing from 99.9 units to 20 units

New fully matriculated students

Continuing and returning students in good standing from 19.9 units to 0 units.

Level 3:

Continuing students not in good standing

New non-matriculated students

Students with over 100 degree applicable units

High school students

Please visit our website on enrollment priorities for more information on these levels at

www.canyons.edu/admissions/. Students are given a registration date and time and may register anytime on or after this date and time. For online registration visit: www.canyons.edu. Late registration, which occurs after the regular registration period closes, will be permitted on a first-come, first-served basis into those vacancies that may exist in classes. Students registering during the late registration period must meet all criteria to be eligible to attend. See the current Student College Calendar for specific information.

Clearance of Obligations (Holds)

All obligations to the College must be met before a student's record will be considered clear. Outstanding obligations will prevent registration for classes, the ability to obtain verifications of enrollment, grades, academic transcripts, degrees, and any other services offered by the College.

International Students: International students with outstanding obligations may be prevented from enrollment in a full course of study as required to maintain student visa status. Tuition and fees are due at the time of registration to prevent from being dropped from classes.

Classification of Students

Full Time: Enrolled in 12 units or more in a full-length semester

3/4 Time: Enrolled in 9 to 11 units

1/2 Time: Enrolled in 6 to 8 units

1/4 Time: Enrolled in 3 to 5 units

Freshman: One who has completed 30 units or less

Sophomore: One who has completed 31 units or more

International Students: International students that have student visa sponsorship from College of the Canyons are required to be enrolled in a full course of study unless authorized by the International Services & Programs (ISP) office.

Payment

Payment for tuition and fees is due at the time of registration each semester or each time materials are acquired or services rendered. Failure to make your payment in full will result in being dropped from some or all of your classes. If the Student Business Office is closed, payment must be made online to prevent being dropped. Any payments made after deadlines listed on the Non-Payment Drop Schedule will not prevent you from being dropped. Please refer to the Student Business Office website or My Canyons for the most current drop schedule.

Financial Obligation

By registering for class(es), students will incur a financial liability. College of the Canyons will make every effort to keep fees at a minimum, however, the State Enrollment Fee and other fees are subject to change during the academic year.

Students are responsible for adhering to college policies and deadline dates as outlined in the college catalog and schedule of classes. All classes must be paid or have an established payment arrangement made by the established deadline date to avoid being dropped from some or all of enrolled classes.

If a student no longer plans on attending a class, including paid classes, unpaid classes and classes not attended, they are solely responsible for dropping said class. Students will be responsible for payment of fees for any class enrolled, dropped after the refund deadline date, or withdrawn.

Any financial aid awards, grants or loans, may be applied towards a balance due for the awarded semester. Financial aid in excess of a balance due at the time of disbursement will be refunded. Students will be responsible for paying any balance not covered through awarded financial aid, sponsorship or scholarship. In order to graduate in two (2) years, students must take 15.0 units per semester, or 30 units per year. A Cal Grant award is limited to four (4) academic years.

In order to be eligible for a refund, classes must be dropped prior to the refund deadline date. All unrequested refunds will be issued at the end of each semester and will not be transferred to a future semester.

College of the Canyons will not email or mail a hard copy of invoices showing charges and payments. Invoices are available through "My Canyons".

Checks not accepted by the bank will be assessed an additional processing fee and a financial hold until the account has been paid in full. If paying by credit card and a chargeback or return of funds is issued, the student

may receive a financial hold, be referred to the dean's office for review or to a third party collection agency.

The college will send communications via my.canyons. email and students are responsible for monitoring emails.

Failure to pay any balance due in full by the established deadline date may result in further collection activities including, but not limited to, registration holds; grade and transcript holds; phone calls, including automated calls; my.canyons emails; collection letters and referral to a third party collection agency.

Schedule of Fees

All fees are established by action of the Board of Trustees of the Santa Clarita Community College District and the California State Legislature. Fees are subject to change. Consult the online class schedule or the Student Business Office for current fee schedules. The following fees are effective as of the fall semester 2019.

Enrollment Fee

Students are required to pay an enrollment fee upon registration at a community college in California. At the time of printing, the fee is \$46 per unit. The enrollment fee and other fees are subject to change during the academic year. Check the online class schedule for the most up-to-date fee information.

Additional Fees

Annual Student Center Fee ¹	\$1 per unit/\$10 maximum
Audit Fee (Paid in Community Education Office)	\$15/unit
Credit by Examination Fee ²	\$55/unit
Health Fee (Fall/Spring) ³	\$20.00
Health Fee (Summer/Winter) ³	\$17.00
International Student Tuition.....	\$265 <i>plus</i> \$46 Enrollment fee per unit <i>plus</i> \$12 Capital Outlay fee per unit
Non-resident Student Tuition	\$265 <i>plus</i> \$46 Enrollment fee per unit <i>plus</i> \$12 Capital Outlay fee per unit
Official Transcript (first two free).....	\$5.00
Official Transcript (2 business days).....	\$10.00
Official Transcript (on demand)	\$15.00
Refund Processing Fee (once semester begins)	\$10.00
Parking Fee (Fall/Spring) ⁴	\$50.00
Parking Fee (Winter/Summer).....	\$25.00
Parking Fee (Motorcycles).....	\$15.00
Student Representation Fee.....	\$1.00
Student Support Fee* <i>Optional</i> (Fall/Spring).....	\$15.00
Student Support Fee* <i>Optional</i> (Winter/Summer)	\$10.00

¹ **Student Center Fee:** Students who qualify for the California College Promise Grant-A are exempt from paying the student center fee. Contact the Financial Aid office for further information.

² **Credit by Exam Fees:** The \$46.00/unit plus \$9.00/unit credit by exam fee applies equally for resident, non-resident and international students. See the Credit by Exam policy and procedure for more information.

³ **Health Fee:** College of the Canyons requires all students attending college, both full and part-time, to pay the health fee as outlined in California Education Code section 76355. According to statute, students who fall into one of the following categories may apply for an exemption to the health fee: dependence on prayer for healing, apprentices, and low-income students eligible for a California College Promise Grant. Method 'A' Exemption forms are submitted to the Student Business Office on the Valencia campus in Seco Hall or the Canyon Country campus in Building 1C.

⁴ **Parking Fee:** Students with a California College Promise Grant A waiver will have their parking fee waived. Students with a California College Promise Grant B or C waiver will pay \$20 per semester and \$10 for winter or summer parking. Each semester, these students are eligible to purchase one (1) parking pass at a discounted rate.

Capital Outlay Fee

The capital outlay fee is charged to all nonresident and international students to contribute to the cost associated with capital outlay of the District. This fee can be waived for any student who can demonstrate economic hardship. Economic hardship is defined as any student who is a recipient of benefits under the Temporary Assistance for Needy Families program described in Part A of Title IV of the Social Security Act (42 E.S.C. Secs. 601, et seq.), the Supplemental Income/State Supplementary Program, or a general assistance program. Students must provide documented evidence of receiving the benefits dated within the last year. All documentation must be provided to the Student Business office prior to the refund deadline of the term charged. The fee can also be waived for a student who is a victim of persecution or discrimination in the country in which the student is a citizen and resident. The student must show court documented evidence or USCIS documentation of persecution or discrimination.

Instructional Materials Fee

Some courses at College of the Canyons require an instructional materials fee. The fee is used to supply the student with materials of particular value outside the classroom setting. Such materials include, but are not limited to textbooks, sheet music, tools, equipment, clothing, and those materials which are necessary for a student's vocational training and employment. In most cases, these materials are being provided at or below cost to the college. See the individual department for a complete list of materials. Instructional material fees vary by course, and are listed in the course description of all classes charging this fee. Students may waive this fee prior to the refund deadline if they choose to provide the materials themselves. To waive these fees, please see the Student Business office on the Valencia campus in Seco Hall 101 or the Canyon Country campus in Building 1C.

International Student/Non-Resident Tuition

Students classified as non-residents by the residency determination date each semester or term, are subject to non-resident tuition. Students classified as international students (have an F-1 or J-1 visa) are

subject to international student tuition. For the 2019-2020 academic year, tuition is set at \$265 per unit, plus a capital outlay fee of \$12 per unit, plus an enrollment fee of \$46 per unit for a total of \$315/unit for non-resident and international students.

Enrollment fees and other fees are subject to change during the academic year.

Returned Check Policy

If a check is not honored by the bank, the student will be notified by mail that payment of the original fees plus a \$25 dishonored check fee will be charged. Payment must be made by cash or certified funds. If a check is returned and the student withdraws from classes, the regular withdrawal procedures must be followed. These procedures are outlined in the class schedule. A "hold" will be placed on the student's account until receipt of full payment. If a student's check is not honored by the bank, the student will no longer be able to pay by check. All future transactions must be paid by cash, certified or cashier's check, or credit card.

Refund Policy

In order to be eligible for a refund, classes must be dropped prior to the refund deadline date. All unrequested refunds will be issued at the end of each semester and will not be transferred to a future semester. Refund deadline dates are available on the student billing and registration statement. Requested refunds are processed approximately six weeks after the refund deadline. For more information, please contact the Valencia campus Student Business office at (661) 362-3033, or the Canyon Country campus at (661) 362-3901.

A student who misses the established deadline for a particular class may obtain a late refund if a petition to the Student Business office is approved. If the refund deadline is missed, the student must demonstrate extenuating circumstances and provide appropriate documentation as part of the petition process. The extenuating circumstances must have occurred prior to the refund deadline for the class and term in question in order for the student to be eligible for the refund. The Petition for Late Refund form and all supporting documentation for late refunds must be submitted no later than the end of the term in which the class in question is offered.

Refund of Parking Permits

College of the Canyons does not issue refunds for parking permits for any reason. Students may not sell or transfer the permit to another person. The sale of parking permits are final.

Refund of Student Support Fee

To receive a refund of the optional student support fee, a student must opt out by the refund deadline date on the student's individual class printout. Opting out of the fee and all of its associated benefits must be done in person during the registration period for the semester or term in question at any of the following locations: the Office of Student Development, Student Center, Room 102 or the Student Business office in Seco Hall, Room 101 on the Valencia campus or building 1C at the Canyon Country campus during posted business hours. All locations will have extended office hours during the first week of each

semester. Students may also contact the Office of Student Development directly at (661) 362-3648 to arrange for a special appointment if they are exclusively online students or if their work schedule does not permit coming to campus during regular or extended business hours. After the refund deadline date for the semester/term has passed, students enrolling for late start classes may opt out within one week of their initial enrollment. For more information, please check the Student Development webpages on the College's website at www.canyons.edu or email questions to studentsupportfee@canyons.edu.

1098T Student Tax Documents

1098T Student tax documents are furnished by the end of January for the preceding tax year. For additional information on this form and viewing your form electronically, please visit www.canyons.edu/student-services/sbo.

STUDENT SPONSOR AGREEMENTS

Organizations, agencies or businesses may sponsor or pay for a student's education. Sponsors will need to submit a sponsorship application to the Student Business office on the Valencia Campus prior to the beginning of the new semester.

Students will be required to bring in appropriate documentation and sign a sponsorship agreement prior to registering for classes to prevent them from being dropped from classes for non-payment.

The sponsor will be billed directly for the tuition/fees that they are covering and the student will be responsible for all remaining fees.

If there is a refund due for any items that were paid by the sponsor, the refund will be returned directly to the sponsor. Students that are sponsored by Veterans' Affairs under the GI Bill Chapter 33 may receive refunds. In these cases, it will be the student's responsibility to follow up with their sponsor.

The Student Business office will be available to assist with any additional questions. Please call (661) 362-3033 or email sbo@canyons.edu for more information.

LIMITATION OF UNIT LOAD

A unit load of 18 units per semester is considered maximum. To take more than the maximum, approval must be obtained from the Counseling office.

CHANGE OF STUDENT SCHEDULE

The Santa Clarita Community College District's chief student services officer or designee, in conjunction with the Director of Admissions and Records and the Academic Senate, will determine the last day to add classes. The specific date for each semester will be published in the Student College Calendar and made available in Admissions and Records. Exceptional cases will be considered by the Director of Admissions and Records after receipt of documented extenuating circumstances. Students must follow the established change of student schedule procedures.

Non-standard length classes have individual change-of-schedule deadlines. Check with the class instructor for specific deadline dates.

Exceptions to this policy may be made for students who:

1. are transferring from one section to another section of the same class;
2. are transferring from an advanced section to a less advanced section in the same department;
3. enter an open entry/open exit class;
4. Are being reinstated following an administrative adjustment.

WAITLISTS

Once a class meets its maximum seat capacity, the registration system will ask students if they wish to be placed on a waitlist for the class. This means that all seats in the class are taken and students on the list are "waiting" for a seat to open up. Once a student has elected to be placed on the waitlist, the registration system will issue a waitlist number. The lower the number, the better the chance you have of actually obtaining a seat in the class.

As students drop themselves, or are dropped for non-payment, seats will become available. The College will then automatically enroll students from the waitlist into the class. As students are enrolled into the class, those remaining on the waitlist will move up toward the top of the list. Students enrolled in a class from a waitlist will be notified by email that this action has taken place. Once the student is moved into the course, the student has until midnight to pay their fees. If registration fees are not paid, the student will be dropped from the course and the next student on the waitlist will be moved in. All fees must be paid at the time the student is moved into the course. If students are dropped for nonpayment, they may attempt to place themselves back on the waitlist, if there is room available; however, the original waitlist position is not guaranteed.

Because this process is run daily, students are advised to check "My Canyons" daily to see if they have been moved into the class. Students may drop themselves from the waitlist or the class at any time prior to the start of the class. It is important that the student check their College email account regularly and verify the College has an accurate phone number on file. Changes to your phone number may be made on the College website at www.canyons.edu and click "My Canyons." Students are responsible for meeting all eligibility requirements to enroll in the class, such as clearing any holds, prerequisites, time conflicts, and unit maximums.

ADD PROCEDURES

Open Classes: Classes that have not met their maximum seat capacity will remain open during the first week of the fall or spring semesters. Students may use online registration to enroll in these courses. Proof of enrollment must be presented to the instructor at the next class meeting.

Closed Classes: Classes that have met their maximum seat capacity and/or have students on a waitlist are considered closed and require instructor permission to enroll. The instructor will issue an add code to students allowed to enroll in the course. The add code must be processed using the online registration system. Add codes and add forms are no longer valid after the add deadline.

LATE ADD PROCEDURES

All adds must be processed by the add deadlines which are published in the student college calendar, or obtained by the class instructor. Students who have verifiable extenuating circumstances may petition to add after the deadline by submitting a late add petition before 50% of the course is complete.

The student's first date of attendance must be prior to the established add deadline to submit a petition along with documented evidence of extenuating circumstances (mandatory). Examples of extenuating circumstances are verified cases of accidents, illness, family, work obligations, or other circumstances beyond the control of the student.

The Admissions and Records office will notify the student with a determination in two to four days after receiving the above documents.

Late Add Petitions will not be accepted after 50% of the class has passed in the semester/term for which the student wishes to add. Please see Board Policy 5903 for more information.

DROP PROCEDURES AFFECTING A STUDENT'S TRANSCRIPT

A student may drop from a course anytime during the first two weeks of a full-semester course, (or within the first 20% of instruction for a short-term course) without receiving any grades or notations on his or her transcript. A student may withdraw from a course after the second week and up until the end of the twelfth week of the full-semester course, (or 75% of instruction for a short-term course) and will receive a grade of W on his or her transcript. Drops and withdrawals may be processed on-line through "My Canyons" or by visiting the Admissions and Records office during business hours.

Academic Information

ACADEMIC INFORMATION

OPEN CLASSES

It is the policy of this district, unless specifically exempted by statute, that every course, course section or class, the average daily attendance of which is to be reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to Title 5, section 51006 of the California Administrative Code.

ABSENCE FROM CLASS

Students are expected to attend class on a regular basis. Any student absent for any reason for more than 10% of the class meetings may be dropped by the instructor prior to 75% of the course. After 75% of the course, neither the instructor, nor the student, may withdraw from the course. The student must earn a grade in the course. For Distance Education courses, the instructor and student must have regular and substantive interaction. The student's absence from an online course shall be determined by the last day on which the student was academically engaged and participated in an academically related activity in the class.

Any student who receives federal financial aid and completely withdraws or fails to complete any units during the payment period or period of enrollment, will be required to repay any unearned financial aid funds. For more information on absences from classes, please consult your instructor, syllabus and Board Policy 4233, Attendance."

DEGREE APPROPRIATE CLASSES

Certain courses in English, mathematics and other disciplines can no longer be used toward the 60 unit requirement for the associate degree. These courses are noted with the term non-degree-applicable or "NDA" in the course description.

TRANSFERABLE COURSES

In the following course descriptions, "CSU" indicates that a course is transferable to California State Universities; "UC" indicates that a course is transferable to the University of California.

ACADEMIC RECOGNITION**Chancellor's Honors List**

A Chancellor's Honors List of students who achieve academic honors is published each semester. It lists the name of each student who has completed 12.0 units or more of work with a grade point average of 3.5 or higher during the regular semester immediately preceding the posting of the grade point average. In addition to the public recognition given to the Chancellor's Honors List, each student listed will receive a letter of commendation.

Academic Recognition at Graduation

Academic recognition at graduation will be based upon all degree applicable units from College of the Canyons and from all other regional accredited colleges where the student has completed units. Categories of academic recognition include the following.

Cum Laude Graduate – requires a cumulative associate degree applicable grade point average of 3.5 - 3.69.

Magna Cum Laude Graduate - requires a cumulative associate degree applicable grade point average of 3.7 - 3.89.

Summa Cum Laude Graduate - requires a cumulative associate degree applicable grade point average of 3.9 - 4.0.

Chancellor's Honors Scholar – the student or students with the highest cumulative associate degree applicable grade point average and has completed the College of the Canyons Honor's Program requirements; including at least a 3.5 grade point average in all University of California transferable courses.

Valedictorian – the student or students with the highest cumulative associate degree applicable grade point average.

COC Honors Program

The COC Honors Program at College of the Canyons provides an enriched curriculum to students with a strong academic record to enhance their chances for successful transfer to competitive four-year institutions. The program provides opportunities for critical thinking, extensive writing, and in-depth learning in a wide variety of transferable general education courses. In addition, innovative and creative classroom activities are fostered, as well as extra curricular enrichment activities. The Honors Program provides an enriched learning environment for academically motivated students. Students are required to complete 15 units of honors coursework with a grade of a "B" or higher and earn a cumulative GPA of 3.5 to receive Honors Program recognition at graduation. To join COC Honors, students must maintain a 3.25 GPA of at least 12 units of UC/CSU credit courses to enroll in the program. In addition, students must remain enrolled in COC Honors for at least two semesters in order to receive graduation recognition, as well as to apply for UCLA TAP Certification. Honors courses are designated in the class schedule by the letter "H" and "Honors" found in the course number and title (e.g., SOCI 101H: Introduction to Sociology--Honors). Students who complete COC Honors receive special recognition at graduation, as well as receive diploma and transcript notation. The COC Honors student with the highest GPA will be recognized as a COC Honors Scholar. Additional benefits include an increased opportunity to work closely with honors faculty; apply for scholarship opportunities; gain "partner" benefits with several four year universities through membership in the Honors Transfer Council of California (HTCC); and, most importantly, to receive "priority admission consideration" to UCLA's College of Letters and Science through the Transfer Alliance Program (TAP) Agreement. Community service, scholarships, and enrichment activities are also available to students who join Phi Theta Kappa (an international Honor society). For more information about the Honors Program, please email Dr. Miriam S. Golbert, Chair and Professor, Biological Sciences Department at Miriam.Golbert@canyons.edu, or visit her in ALLB-211. Also, see the honors webpage at www.canyons.edu/honors for more information.

Transfer Alliance Program (TAP) Agreements

The Transfer Alliance Program (TAP) comprises partnerships with California community colleges that have honors programs. Qualifying students receive "priority

admission consideration” each year to majors within UCLA’s College of Letters and Science. Honors students who meet COC Honors Program criteria, including the completion of 15 units of UC transferable Honors coursework by the end of the semester they submit their admission’s packet, are eligible for UCLA Transfer Alliance Program (TAP) Certification. Students who successfully complete COC Honors Program requirements are “certified” by COC and receive the following benefits:

- 1) Priority admission consideration when being reviewed for one of UCLA’s College of Letters and Science majors. TAP students can list an alternate major (which must be listed on the UCLA application and the TAP Certification form) as long as it doesn’t list one of the most highly selective majors as listed in the UCLA Transfer Admissions Guide. NOTE: Students who apply to majors outside the College of Letters and Science may list an alternative major within the College of Letters and Science.
- 2) Eligibility to apply for scholarships reserved for the Transfer Alliance Program.
- 3) Limited privileges at UCLA’s main library. (For more information, see http://www.admission.ucla.edu/Prospect/Adm_tr/ADM_CCO/tap.htm)

Membership in one or more of these societies entitles the students to special recognition, the opportunity to compete for scholarships and more. For more information about the COC Honors Program or the Honor Societies, please visit the COC Honors homepage at www.canyons.edu/honors or contact program representatives at honors@canyons.edu

HONOR SOCIETIES

Alpha Delta Nu Nursing Honor Society

Alpha Delta Nu Nursing Honor Society at College of the Canyons promotes scholarship and academic excellence in the profession of nursing, recognizes the academic excellence of students in the study of associate degree nursing, and encourages the pursuit of advanced degrees in the profession of nursing as well as continuing education as a life-long professional responsibility.

Alpha Mu Gamma

Alpha Mu Gamma is the national collegiate foreign language honor society. Its primary purpose is to honor students for outstanding achievement and excellence during their first years of foreign-language study in college. More than three hundred chapters have been granted to state and private universities. At College of the Canyons, our chapter is Kappa XI. Eligibility requirements include: Two final course grades of “A” in two college level courses (each at least 3 semester units) of the same foreign language or American sign language (ASL). A candidate who is a native of non-English speaking country, may offer two final course grades of “A” in college level English or ESL. A GPA of 3.0 or higher in college level work. Members receive national distinction and notation on school transcripts, an official certificate and a gold pin. Members are eligible to apply for scholarships for foreign language study.

The COC Honors Club

The COC Honors Club works to promote the Honors Program through various activities involving community service, leadership, and academic scholarship. The club’s

goal is to enrich the lives of members through professional collegiality while paving the way for future college success. Membership requirements include maintaining a 3.25 GPA or higher while attending College of the Canyons. If a student is currently attending COC while still enrolled in high school or has recently graduated from high school, a GPA of 3.5 or above is required for membership.

Gamma Beta Phi Honor Society

Gamma Beta Phi Honor Society is an honor and service organization for students of any major. The three major objectives of Gamma Beta Phi are to recognize and encourage individual excellence in education; promote the development of leadership ability and character in its members; and foster, disseminate, and improve education through appropriate service projects.

Lambda Epsilon Chi

Lambda Epsilon Chi (LEX) is a national honor society to recognize students for their outstanding academic achievement. LEX offers students national scholarship opportunities, participation in regional, state and local conferences, and networking opportunities with other legal professionals. Students must demonstrate “superior academic performance” which is evidence by an overall GPA of at least 3.25 and in the paralegal classes of at least 3.50.

Phi Theta Kappa

Phi Theta Kappa, the international community college Honor Society, recognizes and encourages scholarship among two-year college students, as well as fosters leadership, service, fellowship, and academic excellence in an academically-enriched environment. Membership requirements include at least 12 units of completed coursework applicable to an associate degree (part-time students are also eligible) and demonstrate a 3.5 GPA or higher.

Psi Beta

Psi Beta is the national honor society in psychology for community and junior colleges. Psi Beta is committed to the development of psychology students through promotion and recognition of excellence in scholarship, leadership, research, and community service. Eligibility requirements include completion of at least one psychology class, have an overall 3.25 GPA, and have at least a B average in all psychology classes.

Phi Rho Pi

Phi Rho Pi is a national organization committed to increasing knowledge and appreciation of the forensics arts at the community college level. It has the distinct honor of being one of the oldest forensics organizations in the United States. Phi Rho Pi’s purpose is to promote forensics programs at community colleges and to foster the growth, development, and participation of forensics. In addition, Phi Rho Pi promotes educational services, organizes national conventions and tournaments, maintains national honorary society status, and facilitates competitive forensic activities, as well as academic, professional, and leadership activities for members.

Sigma Chi Eta Honor Society

The mission of the sigma chi eta honor society is to recognize, promote, and reward excellent scholastic achievement in communication studies; to foster interest in

and provide opportunities for exchange of ideas in the field of communication; and to explore the field for options for four-year transfer students or those entering the workforce.

Sigma Delta Mu

Sigma Delta Mu is the National Honor Society for Hispanic Studies. At College of the Canyons, our chapter is Iota Chapter of California. The society is committed to honoring those who seek and attain excellence in the study of the literature and culture of Spanish-speaking people, and to foster friendly relations and mutual respect between the nations of Hispanic speech and those of English speech. Membership requirements include a 3.0 GPA or higher and a Spanish course with at least a B average.

Sigma Kappa Delta

Sigma Kappa Delta's central purpose is to confer distinction upon outstanding students of the English language and literature in undergraduate studies. Sigma Kappa Delta also recognizes the accomplishments of professional writers who have contributed to the fields of language and literature. To be eligible for membership, students must have completed a minimum of one college course (excluding developmental courses) in English language or literature, have no grade lower than a B in English, have a minimum grade point average of 3.0 (on a 4.0 scale) in general scholarship, and have completed at least one semester or two quarters of college course work for a cumulative total of twelve semester hours. Students are not required to be English majors. Students who are members gain the prestige of membership in a national honor society, can apply for scholarships and awards, may represent the local chapter at state, regional, and national conventions, and have the opportunity to associate with other Sigma Kappa Delta members on local levels and regional levels and with Sigma Kappa Delta and Sigma Tau Delta members on the national level who share their interest in literature, the English language, and fine arts.

Sigma Zeta

Sigma Zeta National Science and Mathematics Honor Society is a national undergraduate honor society to encourage and foster scholarly activity and recognize academic scholarship in the natural and computer sciences and mathematics. Membership requirements include the completion of at least 25 semester hours, including 15 semester hours in natural sciences, computer science, or mathematics and attain at least a 3.0 grade point average in all subjects including science and mathematics.

ACADEMIC RENEWAL

In certain cases and within the guidelines outlined below, students may petition for alleviation of previously recorded, substandard academic performance, which is not reflective of a student's demonstrated ability.

A student's recently demonstrated performance may be quite satisfactory, but his/her cumulative grade point average may be greatly affected by poor grades earned during an earlier period when undefined educational or career goals, as well as personal difficulties inhibited demonstration of his/her academic potential. In these cases, current "satisfactory" performance may not be sufficient to ensure "normal" advancement to current educational goals.

College of the Canyons acknowledges these difficulties and has adopted guidelines, Board Policy 4240, for petition of alleviation of previously substandard coursework.

If the following conditions are met, the Santa Clarita Community College District may disregard substandard coursework associated with the computation of a student's cumulative grade point average, up to a maximum of two semesters of coursework or three quarters taken at any college.

These conditions are:

- A. The coursework to be disregarded is substandard. The semester/quarter grade point average of the courses to be disregarded is less than 2.0.
- B. A minimum of 24 semester units have been completed at College of the Canyons with a grade point average of at least 2.0, subsequent to the coursework to be disregarded.
- C. At least three calendar years have elapsed since the most recent coursework to be disregarded.

Courses with substandard grades will have the units and grade points earned during such a semester disregarded. If another accredited college has acted to remove previous coursework from consideration in computing the grade point average, such action shall be honored in terms of its policy.

Academic renewal actions are irreversible. Students should meet with a counselor before taking such an action. If the student is otherwise eligible for graduation, academic renewal may not be used to raise the grade point average in order to qualify for graduation with honors. Academic renewal cannot be used to set aside a semester containing units or coursework which has been used to meet graduation requirements by a student who has previously graduated.

This policy is adopted for use in the Santa Clarita Community College District. Other institutions may have adopted different policies. The transfer status of such action depends upon the policy of the college to which a student transfers.

ADVANCED PLACEMENT

College of the Canyons shall grant associate degree credit for successful completion of examinations in the Advanced Placement Program of the College Entrance Examination Board. Students who present scores of three or better may be granted up to eight semester units for each examination. (Refer to the table of equivalences.)

Advanced Placement Credit

Credit for Advanced Placement exams varies from university to university. Although College of the Canyons will give credit for advanced placement scores of three or higher, the policy may be different at the university to which the student intends to transfer. All students are advised to consult with a COC counselor or to review the catalog of their transfer college for specific rules concerning Advanced Placement Credit.

International Baccalaureate

College of the Canyons shall grant associate degree credit for successful completion of examinations that are part of the International Baccalaureate program. Credit is awarded as noted on the International Baccalaureate credit equivalency chart in this catalog.

COLLEGE OF THE CANYONS ADVANCED PLACEMENT COURSE EQUIVALENCY LIST

California Community Colleges have adopted the CCC GE AP list as the standard for accepting AP courses. At College of the Canyons, we have also adopted the list below. We will be awarding credits based on the AP list on this page. Additional information regarding transferrable CSU and UC units can be found on the COC Counseling website at www.canyons.edu/Offices/Counseling/Pages/AP-Exams.aspx. Please see a COC Counselor for more support.

ASSOCIATE DEGREES/GRADUATION REQUIREMENTS

The Board of Trustees of the Santa Clarita Community College District as authorized by the Board of Governors of the California Community Colleges shall confer the degree of Associate in Arts or Associate in Science upon a student who has satisfactorily completed the degree requirements which include all of the following:

1. a minimum of 60 semester degree applicable units
2. the required courses for a specific major
3. General Education, American Institutions, PE/Wellness, and Diversity requirements
4. a cumulative grade point average of 2.0 or better in associate degree applicable units and good academic standing at College of the Canyons
5. a minimum of 12.0 units completed at College of the Canyons
6. a maximum of 18 semester units of coursework with the grade of "P" or CR" used towards the 60 degree applicable units

All updates to associate degree requirements after the printing of this catalog can be found on the Counseling Department website at www.canyons.edu/counseling. Please see Board Policy and Administrative Procedures 4100 for more information regarding the associate degree or certificates.

Philosophy of General Education

College of the Canyons is dedicated to the philosophy that all students will receive the highest quality education possible. Central to this philosophy is the belief that all students granted an associate degree should be required to enroll in a variety of general education courses in addition to those courses that are required by a student's major. These general education courses comprise a body of knowledge that introduces students to the natural sciences, social sciences, humanities and arts, written communications, critical thinking, and physical education and wellness. The intent of the requirement for general education courses is to cultivate in each student:

- The skills necessary to think clearly, logically, and ethically; to find information from a variety of sources and technologies; to examine information critically; to communicate effectively both orally and in writing; to develop effective and creative capabilities and social attitudes; and to reason quantitatively.
- An understanding of scientific principles and methods of inquiry.
- Knowledge, understanding and appreciation of the arts, ideas, and values expressed in the world's cultural traditions, including the contributions of women, ethnic minorities, and non-western cultures.
- An understanding of history, the political and economic practices of societies, and the social and psychological dimensions of human behavior.
- An understanding and appreciation of the differences and similarities that exist within the pluralistic society of the United States, including the rights and responsibilities of participating within its democratic system.
- An understanding and appreciation of cultural diversity and a motivation for lifelong learning and well-being.

GENERAL EDUCATION REQUIREMENTS

Complete a minimum of 18 semester units of general education including at least one course in each of the following areas. A given course meets the requirements in only one area.

A. Natural Sciences - *minimum 3 semester units required*

Anthropology 101, 100H 101L
 Astronomy 100, 101, 101L, 102
 Biological Science 100, 100H, 106, 106H, 107, 107H, 115, 116, 119, 130, 132, 140, 180, 201, 202, 204, 205, 221, 230, 240
 Chemistry 100,151,151H, 201, 201H, 202, 255, 256
 Environment 103, 104
 Geography 101, 101H, 101L, 103, 105
 Geology 101, 101L, 102, 104,105, 109, 109L
 Oceanography 101
 Physical Science 101
 Physics 101, 110, 111, 220, 221, 222
 Psychology 102

B. Social and Behavioral Sciences - *minimum 3 semester units required*

Anthropology 103, 103H, 210, 220
 Business 103, 126
 Communication Studies 120, 235, 246, 256, 260, 270
 Early Childhood Education 101, 125
 Environment 101
 Economics 170, 170H, 201, 201H, 202, 202H
 Geography 102, 104
 Global Studies 101, 102
 History 101, 102, 111, 111H, 112, 112H, 115, 120, 120H, 130, 161, 191, 192, 193, 210, 212, 240, 243
 Media Entertainment Arts 100
 Political Science 150, 150H, 200, 210, 230, 250, 270, 290
 Psychology 100, 101, 101H, 105, 109, 126, 172, 172H,180, 225, 230, 235, 240, 272
 Sociology 101, 101H, 102, 103, 103H, 104, 105, 106, 107, 108, 110, 130, 200, 200H, 205, 207, 208, 210, 230, 233, 250

C. Humanities and Fine Arts - *minimum 3 semester units required*

Anthropology 210, 220
 Art 110, 111, 112, 115, 116, 124A, 124B, 140, 141, 205, 222, 270
 Business 160
 Chinese 101, 102
 Cinema 120, 121, 122, 123, 131
 Communication Studies 100, 100H, 105, 105H, 150, 225, 246, 256, 260
 Dance 100, 101, 111, 121, 122, 131, 132, 133, 134, 135, 137, 141, 142, 161, 170

D. Language and Rationality - 6 semester units - minimum grade of "C" required (completion of both 1 and 2 are required)

1. **English Composition:**

Select one course from the following:
 English 101, 101H, 103, 103H, 112, 112H, 204

2. **Communication and Analytical Thinking:**

Select one course from the following:
 Communication Studies 105, 105H, 120, 225, 227; Computer Science 111, 132, 256; Economics 291; English 112, 112H, Math 070, 075, 083, 100, 102, 103, 104, 111, 130, 140, 140H, 211, 212, 213, 214, 215, 240; Philosophy 106, 230; Psychology 103, 104; Sociology 102, 108 or 137

AMERICAN INSTITUTIONS

6 semester units required:

United States History – 3 units
 U.S. Constitution, State and Local Government – 3 units (complete one course from #1 and one course from #2)

1. Economics 170 or 170H; History 111, 111H, 112, 112H, 120, 120H, 130
2. Political Science 150 or 150H
 Or complete both History 111 or 111H and 112 or 112H

PHYSICAL EDUCATION AND WELLNESS

Minimum two units or 2 courses:
 Physical Education activity (KPEA or KPEI) or Dance activity courses (except Dance 100) Health Science 100 or 149. Recreation Management 100. (Veterans exempted. DD214 required.)

DIVERSITY REQUIREMENT

Complete at least one course from the following:
 Anthropology 103, 103H, 210; Business 126; Cinema 123; Communication Studies 235, 256, 260; Early Childhood Education 160, 165; Education 203; English 262, 270, 271, 273, 274, 280; Geography 102; Health Science 243, History 120, 120H, 130, 161, 191, 192, 193, 210, 243; Music 108; Philosophy 102, 220; Political Science 290; Psychology 230, 235, 240, 272; Sign Language 110; Sociology 101, 101H, 103, 103H, 104, 105, 106, 107, 110, 130, 200, 207, 208, 210, 230, 233. The course used to satisfy this area may also be used to satisfy another area of general education, if applicable.

COMPETENCY REQUIREMENTS

- **Reading Competency** - Minimum grade of "C" required. Competence is demonstrated by completion of English: 101 or 101H
- **Written Expression Competency** - Minimum grade of "C" required. Competence is demonstrated by completion of English: 101, 101H, 103, 103H, 112, 112H, and 204
- **Mathematics Competency** - Minimum grade of "C" required. Competence is demonstrated by completion of Economics 291; Mathematics 070, 075, 083, 100, 102, 103, 104, 111, 130, 140, 140, 140H, 211, 212, 213, 214, 215, 240; Psychology 104 or Sociology 137

ASSOCIATE DEGREES WITH GENERAL EDUCATION EXCEPTIONS

College of the Canyons offers transfer associate degrees with exceptions made to the general education requirements. The associate degrees listed below have exceptions made based on current law or requirements placed on the degree by external certifying boards.

- Requirements for AA-T and AS-T transfer majors prescribed by SB 1440 are exempt from all local general education requirements and may not be changed by local authorities.
- The Liberal Arts and Sciences majors (as well as the former Transfer Studies major) are exempt from the physical education and wellness requirement.
- The RN and LVN-to-RN majors are exempt from Physical Education and Wellness and the diversity requirement.
- The Paralegal Studies major must meet the American Bar Association criteria. Therefore a separate general education pattern is required for this major. Please see the Paralegal department course descriptions for more information.

MAJOR REQUIREMENT

Completion of the required courses for an approved major listed in the Program/Course Description section of the catalog. All courses required for the major must be completed with a "C" grade or better.

UNIT REQUIREMENT

To satisfy the unit requirement for graduation, the student must complete a minimum of 60 semester units of college-level work that includes the courses and units:

1. required for the student's major,
2. specified in the general education requirements above, and
3. electives to total 60 units.

GRADE POINT REQUIREMENT

A minimum 2.0 grade-point average ("C") or better in the associate degree applicable units and the student must be in good academic standing at College of the Canyons.

RESIDENCE REQUIREMENT

Complete a minimum of 12 units at College of the Canyons.

PETITION FOR GRADUATION

File a petition for graduation in the Counseling office no later than the first class meeting of the semester/term of graduation. See the Schedule of Classes for the specific date. Petitions are accepted for graduation for fall, spring, and summer terms only.

ACADEMIC RECOGNITION AT GRADUATION
Graduation with Honors

Academic recognition at graduation will be based upon completed degree applicable units from College of the Canyons and from all other regional accredited colleges where the student has attended. Categories of academic recognition include the following.

Cum Laude Graduate – requires a cumulative associate degree applicable grade point average of 3.5 - 3.69.

Magna Cum Laude Graduate - requires a cumulative associate degree applicable grade point average of 3.7 - 3.89.

Summa Cum Laude Graduate - requires a cumulative associate degree applicable grade point average of 3.9 - 4.0.

Chancellor's Honors Scholar – the student or students with the highest cumulative associate degree applicable grade point average and has completed the College of the Canyons Honor's Program requirements; including at least a 3.5 grade point average in all University of California transferable courses.

Valedictorian – the student or students with the highest cumulative associate degree applicable grade point average.

SECOND ASSOCIATE DEGREE

All major requirements for the additional degree must be satisfied, per student's catalog rights.

1. A minimum of 18 semester units are completed in the new major.
2. A student cannot earn more than one Liberal Arts and Sciences degree.
3. A minimum of 12 semester units are completed in residence within the Santa Clarita Community College District after the awarding of the first degree. Students are exempt if they completed the first associate degree in the Santa Clarita Community College District.
4. All current Santa Clarita Community College District general education requirements listed above will have been met with the awarding of the first degree. If not, these additional general education courses will also be required.

MULTIPLE MAJORS

Multiple majors are acceptable and occur when a student works simultaneously toward the completion of more than one major field of study. Completion of the major field of study does not change if a student has declared multiple majors. An Associate in Science or Associate in Arts degree with a multiple major can be earned by completion of all general education requirements plus the courses required for the majors as outlined in the college catalog under Associate Degree Programs. The student must petition to graduate with each major. The student will be awarded one diploma for each major completed.

EXTERNAL ACCREDITING AGENCIES

In addition to the current ACCJC college-wide accreditation, certain programs at College of the Canyons are also accredited by the following external accrediting agencies:

Automotive Technology - accredited by NATEF (National Automotive Technicians Education Foundation)

Center for Early Childhood Education - accredited by NAEYC (National Association for the Education of Young Children)

Medical Laboratory Technician - accredited by NAACLS (National Accrediting Agency for Clinical Laboratory Science)

Nursing - Accredited by NLN-CNEA (National League for Nursing - Commission for Nursing Education Accreditation)

AUDITING CREDIT COURSES

The governing board of the Santa Clarita Community College District has authorized the auditing of credit classes at College of the Canyons pursuant to Ed Code 76370.

Course auditing is permitted as a service to students who have completed designated credit courses for the maximum number of allowed repeats. The purpose of auditing is to allow students to continue study after course repeatability has been exhausted. The following list of courses has been approved for auditing:

KPEI- 153, 245A, 245B, 250A, 250B, 255A, 255B, 260A, 260B, 265, 270A, 270B, 275A, 275B, 280A, 280B, 285A, 285B, 290A, 290B, 295A, 295B

Music- 153, 165, 173, 174, 175, 176, 177, 185, 186

Photography- 090L, 091L

Theatre- 120, 161, 180A, 184A, 186A, 190

Classes taken by audit follow the same deadline dates as classes taken for credit. Contact Community Education if you wish to audit classes.

Regulations

1. Students wishing to audit classes must receive the approval of the instructor of the course.
2. Students wishing to audit a course must be in at least grades 11-12. Those students in grades K-10 are not eligible to audit classes. The exception to this regulation, are the music classes eligible for audit listed in the college catalog.
3. No student auditing a course shall be permitted to change enrollment in that course to receive credit for the course.
4. Students auditing a course are not subject to attendance, test or grade requirements. Attendance of students auditing a course is not included in computing the apportionment accounting procedures.
5. A fee of \$15 per unit will be charged. Students enrolled in classes to receive credit for ten or more units shall not be charged a fee to audit three or fewer semester units. Audit fees are paid through the Community Education office.

- Once enrolled, students must present their class instructor with a copy of the audit receipt obtained in the Community Education office.

BASIC SKILLS LIMITATION (College Success Skills)

Basic skills courses provide a foundation in reading, writing, mathematics, English as a Second Language, learning and study skills. These classes are not applicable to the associate degree but provide the skills necessary for students to succeed in college-level work.

Basic Skills Course Limitation

Except as specifically exempted, no student shall accrue more than 30 units of credit for basic skills coursework at College of the Canyons. Non-exempt students who have exhausted the unit limitation shall be referred to appropriate alternate educational service providers.

Exemptions from Basic Skills Course Limitation

The following classifications of students are exempted from the 30-unit limitation on basic skills coursework:

- Students enrolled in one or more courses of English as a Second Language.
- Students identified as learning disabled according to Title 5, section 55035.

Waiver of Basic Skills Course Limitation

A waiver of the 30-unit limitation for basic skills coursework may be granted to non-exempt students who demonstrate significant measurable progress toward the development of skills necessary for college-level courses. Such waivers shall be given for specified periods of time or for a specified number of units. A petition to waive the 30-unit limitation must be submitted to the Counseling department for approval.

CATALOG RIGHTS FOR CONTINUING STUDENT STATUS

Students establish catalog rights in the first semester/term they complete courses at College of the Canyons. This initial catalog will be used when validating associate degree and vocational certificate requirements. If a student stops attending College of the Canyons for one year or longer, initial catalog rights are lost. One year is defined as four consecutive terms (including summer and winter intersessions).

Upon re-entry to the college after one year's absence, catalog rights will be reestablished using the current academic catalog determined by the student's semester/term of re-entry.

Degree and transfer requirements for continuing students are determined by those listed in the catalog for the year in which they initially enrolled.

Students who have stopped attending College of the Canyons due to active military duty will not lose catalog rights. Upon return, the student must present their orders to the Veterans office to establish their previous catalog rights.

CERTIFICATES

Certificate programs are designed for students who are looking for programs of instruction, some of which are short-term, with a high degree of specialization. These

programs typically are designed to prepare students for employment, job enhancement and/or job advancement. Certificate programs vary in length and generally require less than two years of full-time study.

Certificate of Achievement

A Certificate of Achievement is awarded by the Board of Trustees of the Santa Clarita Community College District as authorized by the Board of Governors of the California Community Colleges when a student has successfully completed required courses in an approved program of study as specified in the Program/Course Description and Certificate Programs section of this catalog. To qualify for the Certificate of Achievement, students must satisfy the following requirements:

- Complete at least half of the units required for the certificate program in residence;
- Earn a grade of "C" or better in each course required for the certificate;
- File a petition for the certificate in the office of Admissions and Records during the semester in which requirements will be completed.

Certificate of Specialization

A Certificate of Specialization is a departmental award in an area of specialization requiring less than 18 semester units. This issuance of the departmental award is not recorded on the student's official transcript. To qualify for the Certificate of Specialization, students must satisfy the following requirements:

- Complete at least half of the units required for the certificate program in residence;
- Earn a grade of "C" or better in each course required for the certificate;
- File a petition for the certificate in the academic department issuing the certificate during the semester in which requirements will be completed.

Non-Credit Certificate Requirements

Certificates of Completion and Competency are non-credit awards granted by the District to students who have demonstrated mastery skills within a non-credit area.

- Students must complete required courses in an approved program of study as specified in the Continuing Education section of the course catalog.
- The Certificate of Competency within the noncredit ESL program requires the student to meet the criteria for the certificate based on the combination of placement and successful course completion with a grade of "P".
- The Certificate of Completion requires the student to complete all required courses in the approved program of study as listed in the college catalog.

COURSE PREREQUISITES

Some courses require the completion of prerequisites. A prerequisite is a course that must be completed, or a placement score that must be achieved, before a more advanced course is attempted. Students are advised to consult the course descriptions found in the current college catalog or schedule of classes to identify course prerequisites.

All prerequisites must have been completed with a satisfactory grade. "Satisfactory grade" means the grade earned must be a C, P, or better; D, F, FW, or NP grades are not acceptable.

Many of our courses have prerequisites. Our policy allows you to enroll in the next course, but unless your final grade in the prerequisite course meets the minimum grade of a C, you will not be allowed to stay in the next course. Once the previous semester grades are posted you will be dropped from the more advanced course. The drop may happen after the semester has begun and could impact your ability to obtain another course.

Units may not be granted after credit has been earned for a more advanced College of the Canyons course. Additionally, unit credit may not be granted for prerequisites once the more advanced course has been completed.

- **Prerequisite** – a condition of enrollment, typically a course or a placement score that a student is required to meet before being allowed to enroll in a more advanced course or educational program.
- **Co-requisite** – means that there are two courses offered that connect to each other and the student is required to enroll in both of them.
- **Strongly Recommended** – means that students are advised to strengthen their subject skills by taking the recommended course but are not required to do so.

Challenge Process

Prerequisite challenge petitions are available in the Admissions and Records office. A prerequisite may be challenged for the following reasons:

- The prerequisite has not been made reasonably available;
- The prerequisite was established in violation of regulation, or in violation of District approved processes;
- The prerequisite is discriminatory or applied in a discriminatory manner; and/or
- You have knowledge or ability to succeed in the course despite not meeting the prerequisite.

In each case the student must provide documentation to support the challenge. Examples of documentation are transcripts, copies of certificates, proof of knowledge of the required material, etc.

The procedure for prerequisite challenge petitions is as follows:

1. Fill out a Prerequisite Challenge petition.
 2. Submit it to Admissions and Records (if the class is closed an add form with instructor's signature must also be attached).
 3. Admissions and Records will conditionally allow you to enroll yourself pending petition approval. You must pay for the class at this point and continue attending class until the petition is approved or denied.
 4. The petition will be forwarded by Admissions and Records to the appropriate division for review.
5. If the petition is approved, you will be notified via your My Canyons email and will continue with the class.
 6. If the petition is denied, you will be notified via your My Canyons email, an administrative drop will be processed and a refund of the class fees will be sent to you.

COURSE REPETITION

Per Title 5 of the California Code of Regulations, Section 55040-55046, the Santa Clarita Community College District has adopted the following policy with regard to the repetition of courses for which a student has received a substandard grade. Nothing in this policy should be taken as an exception to Section 55040-55041 of Title 5, of the California Code of Regulations.

Definitions:

For the purposes of course repetition, academic renewal, and all other grade-related issues, substandard grades shall be defined as meaning coursework for which the student has earned a D, F, FW, NC and/or NP.

For the purposes of course repetition, academic renewal, and all other grade related issues, non-substandard grades shall be defined as coursework for which the student has earned an A, B, C, CR or P.

For the purposes of this policy "extenuating circumstances" is taken to mean verified cases of accidents, illness, or other circumstances beyond the control of the student.

1. Students may enroll in a course for which they have earned a substandard grade or a withdrawal no more than three times.
2. If a student repeats a course for which he or she has earned a substandard grade or a withdrawal and receives a non-substandard grade (A, B, C, CR or P), he or she cannot repeat the course a second time.
3. If the student repeats a course for which he or she has earned a substandard grade or a withdrawal and receives a second substandard grade or a withdrawal, he or she can repeat the course one more time. If the student receives a withdrawal or a substandard grade on the third enrollment, the student cannot repeat the course again. A withdrawal does not alleviate the substandard grade on the previous enrollment.
4. After course repetition occurs to alleviate substandard grades, the previous grade and unit credit will be disregarded in computing the student's GPA for the previous two instances of substandard repetition. The course will be annotated such that the GPA calculation occurs for the most recent grade. A withdrawal does not alleviate a substandard grade.
5. A student who enrolls in a course three times and earns a Withdraw grade of (W) on each attempt is allowed one additional attempt at the course. On the fourth attempt, a student must drop the course prior to the drop deadline or earn a grade in the course. The student cannot earn a fourth withdraw from the same course on the fourth attempt.

Exceptions:

Students may repeat a course for which a substandard or withdrawal grade has been recorded twice under the following conditions:

- That previous grades were, at least in part, the result of extenuating circumstances.
- Certain courses may be repeated up to a maximum of three times for a total of four enrollments regardless of the grades earned. These courses are identified in the College Catalog and the Schedule of Classes. All grades earned for the authorized repeats shall be counted toward the grade point average.

Transcript Notation:

When courses are repeated for which a substandard grade was received, all coursework shall remain on the student's permanent record. The course will be annotated such that the grade point calculation occurs for the most recent grade. No more than two substandard grades will be removed from the grade point average.

When courses are repeated for which a non-substandard grade was received, credit will be given once. All coursework shall remain on the student's permanent record. When a course is repeated pursuant to this manner, the previous grade and unit credit will be disregarded in computing the GPA.

Repetition of courses for which the student has received a non-substandard grade

Per Section 55041 of Title 5, California Code of Regulations, the Santa Clarita Community College District has adopted Board Policy 4225, with regard to repeating courses for which the student has earned a non-substandard grade:

Students may submit a Repeat Petition, accompanied by verified extenuating circumstances, requesting that courses be repeated. If approved, the previous grade and unit credit will be disregarded in computing the GPA.

Course repetition shall be permitted in cases where such repetition is necessary for a student to meet a legally-mandated training requirement as a condition of continued paid or volunteer employment. Such courses may be repeated for credit, any number of times, regardless of whether or not substandard work was previously recorded, and the grade and units received each time shall be included for purposes of calculating the student's GPA. The Santa Clarita Community College District reserves the right to require a student to certify or document that course repetition is necessary to complete legally mandated training pursuant to this section.

The District may permit or require a student to repeat a course due to significant lapse of time. Students cannot repeat courses where a non-substandard grade was received, unless there has been a significant lapse of time (36 months) and:

- i. there is an established recency prerequisite established by the course curriculum; or,

- ii. there is an established recency requirement as established by a transfer institution; or,

Course repetition for a significant lapse of time can only occur once. All course work shall remain on the student's permanent record. When a course is repeated pursuant to this section, the previous grade and unit credit will be disregarded in computing the GPA.

PASS/NO PASS

It is recognized that many students fail to explore outside their specific fields of competence for fear of damaging their academic records. To offset this, a system of pass (P)/no pass (NP) grading has been devised. Students have the option, during the time of registration, to petition to take classes on a P/NP basis in lieu of a grade of A, B, C, D, F, or FW.

Students electing to be evaluated on a P/NP basis will receive credit upon satisfactory completion (grade of "C" or better) of the course. Students who fail to perform satisfactorily will be assigned a grade of no pass (NP).

Regulations

1. A maximum of 18 semester units of credit can be applied towards the Associate in Arts or Associate in Science degree. Pass (P)/no pass (NP) grades received as a result of awarding Advance Placement units are exempt from the 18 unit limit.
2. Students who elect to take a course on a pass/no pass basis must receive approval from their counselor and file a Pass/No Pass Petition in the Admissions and Records Office before 30% of the semester or course transpires.
3. Courses in which this option is available are listed in the college catalog. Generally, no course taken for a pass/no pass grading option may be used toward a major for an associate degree. Students should be aware that courses graded P/NP might not be accepted in a transfer major, and are advised to consult with their intended transfer institution.
4. Students who elect to be evaluated on a P/NP basis do not have the option of reversing their decision at a later date.
5. Students taking courses on a P/NP basis are held responsible for all assignments and examinations.
6. Courses graded on a P/NP basis are not counted in calculating grade point average; however, they are considered in calculating progress probation/dismissal. Students electing to take courses on a P/NP basis must meet any course prerequisite prior to enrolling in the course.
7. The P/NP option is not applicable to courses taken through credit by examination.
8. Some courses are offered on a P/NP basis only. These courses are listed in the college catalog.

CREDIT BY EXAMINATION

Credit by examination may be granted for proficiency previously accomplished in other than an accredited institution; for study; travel; or other experiences in College of the Canyons approved courses. Credit attempted by this method shall be so marked on the

student's permanent record on an A - F grading system. Units and grade points earned shall be counted toward the associate degree. Units earned by credit by examination are not considered as units completed in residence and will not be used for reports to insurance companies or other similar agencies.

Students must obtain permission from the dean of the school or department chair from which the course is offered and obtain approval from a counselor. The dean (or division chair) will forward the results of the examination to the Admissions and Records Office for processing and recording.

Requirements for Credit by Examination

- A. Students wishing to receive credit by examination must be in good academic standing or have no academic standing at College of the Canyons and be currently enrolled in a minimum of one course.
- B. Petitions for credit by examination in approved courses must be submitted before fifty percent of the term. Grades for courses taken through credit by examination are due in the Admissions and Records Office by the last day of the semester or term.
- C. Courses taken through credit by examination are subject to A - F grading, unless the course is only offered Pass/No Pass option. Incompletes, withdrawals, or no-pass grades are not allowed.
- D. A second examination may not be attempted for the same course. However, a student may enroll in the course in a subsequent term for credit if the credit by exam produced a substandard grade.
- E. The student must be eligible to take the particular course for credit in terms of any prerequisites and other enrollment requirements.
- F. A maximum of 18 units may be awarded through credit by examination.
- G. Resident, non-resident, and international students will be charged the current enrollment fee at the time of exam plus an additional \$9.00 per unit processing fee. Students will be charged these fees prior to the time the examination is attempted.
- H. Credit by exam fees must be paid prior to taking the exam. Fees are non-refundable.
- I. The student's academic record shall be clearly annotated to reflect that credit was earned by examination.

Credit for Public Safety Academy Training

Credit for basic recruit academy training instructional programs in Administration of Justice or other public safety occupations shall be granted as follows:

- Unit credit will be given for training from institutions which meet the standards of training of the California Peace Officers Standards and Training Commission or training verified by other public safety agencies.
- A single block of unit credit will be given and identified as academy credit.
- One unit of credit may be granted for each 50 hours, not to exceed 18 semester units or their equivalent.
- Unit credits granted for Law Enforcement Academy

Training will be posted upon completion of one unit of College of the Canyons coursework.

- Physical Education and Wellness for the associate degree requirement will be waived.

CREDIT FOR MILITARY SERVICE

A veteran who has completed a continuous active duty period of 181 days or more with the United States military service (Air Force, Army, Coast Guard, Marine Corps and/or Navy), and who was discharged or released from active duty under conditions other than dishonorable, may petition and be allowed credit as follows:

Depending on the branch of service, a veteran will be awarded between three and four units of college credit for completion of Military Basic Training. Two of these units can be used to meet the Physical Education requirement for both the College of the Canyons associate degree and/or CSU General Education breadth certification. The remaining unit(s) will be posted as elective credit.

The veteran may also receive additional elective credit for formal service school courses offered by the United States military services. Service school transcripts are evaluated and credit granted based on the recommendations by the Commission on Accreditation of Service Experiences of the American Council on Education. A maximum of 18 units will be allowed for military school service. Unit credit will be posted on the academic transcript and reported to the Veteran's Administration at the end of the second semester/term of attendance.

DIRECTORY INFORMATION

The Santa Clarita Community College District regards the following as "directory information" which can be released to the public: student's name, district provided email address, current enrollment status, dates of attendance, major field of study, degrees and awards received from the District, participation in officially- recognized activities and sports, weight and height of members of athletic teams, the most recent public or private school attended by the student.

If a student desires to withhold directory information, he or she must file a written request with the Admissions and Records Office.

In accordance with the Family Education Rights and Privacy Act of 1974, all other student information, excluding that designated as directory information, cannot be released to a third party without written permission submitted to the college by the student. This law applies to all students attending College of the Canyons, regardless of the student's age.

FAMILIES OF COURSES

New regulations governing the repetition of credit courses in the California Community College system effective Fall 2013 have eliminated repeatability in the Art, Dance, Graphic & Multimedia Design, Kinesiology (activity courses), Media Entertainment Arts, Music, Photography, and Theatre departments. While students will not, in most cases, be allowed to repeat active participatory courses in these departments, students will still be allowed to enroll in a series of active participatory courses that are related in content (commonly referred to as a family of courses) a maximum of four times.

A family of courses may include more than four courses, but students are limited to a maximum of four courses in any family. Further, all grades, including “W”s, will count toward the four course enrollment limitation and for computing the grade point average (GPA). Students can repeat Art, Dance, Drama, Music, and PE courses that are included in Families of Courses in which a “NP”, “D”, “F” grade was earned or “W” was assigned; however, all enrollments count toward the 4 enrollment maximum for each family of courses.

College of the Canyons has developed 49 families of courses which can be accessed at www.canyons.edu/curriculum. For further information regarding enrollment into a family of courses, visit the link above or contact the Admissions and Records office.

GRADES

Awarding grades to students is the responsibility of the instructor of the course in which the student is enrolled. Once awarded, grades may not be changed except where evidence is presented that a clerical error has occurred. (See Student Grievance Policy, page 272.) The grading system and grading point equivalent follow:

A	Excellent	4 grade points/units
B	Good	3 grade points/units
C	Satisfactory	2 grade points/units
D	Passing, less than Satisfactory	1 grade point/unit
F	Failing	0 grade points/units
FW	Failing, lack of attendance	0 grade points/units

The I, W, NC, CR, NP, P and IP are not used in computing grade point averages; however, I, W, NP, and NC are used in the calculation of progress probation/dismissal. MW grades are given to students called up to active duty in the military. Upon presentation of orders, an MW grade is awarded for each class for which the student was enrolled, regardless of when the student stopped attending. MW grades are non-evaluative and do not count in computing the grade point average, nor are they used in calculating progress probation/dismissal. Upon returning from active duty, the student is considered a continuing student with no break in attendance. They retain original catalog rights and resume the same level of priority registration. The Excused Withdrawal (EW) occurs when a student is permitted to withdraw from a course(s) due to specific events beyond the control of the student affecting his or her ability to complete a course(s). The EW shall not be counted in progress probation and dismissal calculations, and shall not be counted toward the permitted number of withdrawals or counted as an enrollment attempt. The SP indicates satisfactory progress towards completion of the course (used for non-credit courses only and is not supplanted by any other symbol).

EW	Excused Withdrawal
SP	Satisfactory Progress
W	Withdrawal
MW	Military Withdrawal
CR	Credit
NC	No Credit
P	Pass

NP	No Pass
IP	In Progress
I	Incomplete
RD	Report Delayed

Note: The grade of incomplete is given only in cases of emergency and when the student is unable to complete the course due to circumstances beyond his/her control usually during the final weeks of the course. Arrangements to receive an “I” must be made with the instructor before the course ends.

To clear an “I” grade, a student must make arrangements with the instructor to make up the grade prior to the end of the ensuing semester in which the incomplete was given. Failure to clear an “I” grade will result in a grade by the instructor given in lieu of completion of the course and could result in an F or FW grade being assigned. An incomplete grade cannot be changed to a W or to NC. Students may not re-enroll in a class in which an “I” is pending.

Grading Review Policy

533.1 Introduction

California Education Code Section 76224, quoted below, states the conditions upon which grades or grading may be questioned.

“When grades are given for any courses of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course, and the determination of the student’s grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetency, shall be final.”

Students may ask that final course grades be reviewed under the guidelines stated in this policy.

533.2 Conditions under which final grades may be reviewed

- The course grade to be reviewed must be an evaluative grade as defined in Santa Clarita Community College District Policy 508.
- Final grade review must be requested by the student in writing, using the appropriate College form, within 180 calendar days from the posting of the final grade.
 - Students may petition to the chief student services officer for an extension of this time limit. Petitions must be based upon extenuating circumstances as defined in the Education Code.
- Grades may only be reviewed within the following context:
 - Mistake** – defined for the purposes of this policy as an error in calculation, or an error in marking the roll book relevant to grades, or attendance. Additionally, mistakes may occur when physically assigning grades or when grades are scanned into the computer system.
 - Bad Faith** – defined for the purpose of this policy as disregarding or changing the basis of assigning grades after publication in the course syllabus or using a system of grading other than that found in the syllabus without prior notification to the students.

3. **Fraud** – for the purpose of this policy, may exist when a grade is based upon some sort of dishonest activity, for example, selling grades or asking students to perform non-relevant activity in exchange for grades.
 4. **Incompetency** – defined for the purpose of this policy as, but not limited to, an instructor who is not able to judge a student's performance in the class. A student may claim incompetency when he or she feels the instructor has an impaired ability (due to accident or illness) to adequately judge the student's performance.
- d. Students possess evidence that the final grade was determined based upon one of the criteria in 533.2.C above.

533.3 Review Procedure

533.3.A Step I

A student who believes the final grade received was due to mistake, fraud, bad faith, or incompetence shall meet with the faculty member in an attempt to resolve his/her concern.

533.3.B Step II Hearing

In the event Step I fails to resolve the concern, the student shall meet with the faculty member, the appropriate dean, and/or the department chair (as determined by the schools dean).

1. During this meeting the student must produce a preponderance of evidence that the final grade was determined based upon one of the criteria in 533.2 above.
2. Students may be accompanied by representation at the student's expense.
3. The schools dean shall produce a written decision on the matter within fourteen (14) calendar days. Copies of the decision will be forwarded to the student and the faculty member in question.

533.3.C STEP III Appeal

In the event Step II fails to resolve the concern, the matter may be appealed to the Grade Review Committee (GRC).

1. The GRC shall be comprised of the following:
 - a. The chief student services Officer, or designee, who shall serve as chair,
 - b. The Chief Instructional officer or designee,
 - c. The Associated Student Government President or designee,
 - d. Two faculty members (not associated with the matter) appointed by the Academic Senate President.
2. The GRC may do the following:
 - a. Hear testimony relevant to the matter,
 - b. Review the findings of the school dean,
 - c. Review coursework and other relevant materials, and
 - d. Conduct its own review.
3. The GRC will render a written opinion on the matter within fourteen (14) calendar days of concluding its process. Copies of the opinion will be forwarded to the student and the faculty member in question.

4. The decision of the GRC to not change the grade will be final.
5. In the event the GRC recommends a change of grade, and the faculty member disagrees, the decision will be forwarded to the Board of Trustees for review and disposition.

PROBATION/DISMISSAL

Academic standing is determined exclusively by grades earned at College of the Canyons and is calculated at the end of the fall and spring semesters.

Academic Standards Definitions:

1. Units attempted: for probation, subject-to-dismissal, and dismissal purposes only, all units of credit in which the student is enrolled at College of the Canyons.
2. Units enrolled: All units of credit for which the student is enrolled after the first two weeks or 20% of the time the class is scheduled to meet, whichever is less, at the college.
3. Consecutive semesters: Enrollment in two semesters (fall and spring) or enrollment in one semester, followed by a break, then enrollment in another full semester. Summer sessions and intersessions are not considered when calculating consecutive semesters.

Standards for Probation

1. **Academic Probation:** A student shall be placed on academic probation if the student has completed at least 12 units at College of the Canyons and the overall grade point average has fallen below a 2.0 after one semester.
2. **Progress Probation:** A student shall be placed on progress probation if the student has enrolled in a total of at least 12 units and the percentage of all enrolled units in which entries of W (Withdrawal), I (Incomplete), and NP (No Pass) are recorded reaches or exceeds 50%.

Standards for Subject-to-Dismissal

1. **Academic Subject-to-Dismissal:** A student shall be subject-to-dismissal for academic performance after being placed on probation and having earned a cumulative grade-point average of below 2.0 for the second consecutive semester.
2. **Progress Subject-to-Dismissal:** A student shall be subject to dismissal for progress after two consecutive semesters of progress probation as defined above.

Standards for Dismissal

1. **Academic Dismissal:** A student shall be dismissed for academic performance after being placed on subject-to-dismissal status and having earned a cumulative grade-point average of below 2.0 for the third consecutive semester.
2. **Progress Dismissal:** A student shall be dismissed for progress after three consecutive semesters of progress probation as defined above.

Restoration of Good Standing

1. **Academic:** A student who has a grade-point deficiency for one, two, or three semesters shall

be restored to good standing when the student's cumulative COC grade-point average is 2.0 or higher.

- Progress:** A student who has accumulated more than 50% of total COC units noted W (Withdrawal), I (Incomplete), and NP (No Pass) for one, two, or three semesters shall be restored to good standing when the percentage of those notations drops below 50%.

Determination of good standing is made at the end of the fall and spring semesters.

Exceptions to Dismissal

A student who is dismissed may be automatically continued for one semester under the following conditions:

- Academic:** When, at the end of the most recent full semester, the student enrolled in a credit course bearing at least one graded unit and earned a semester grade-point average of 2.25 or higher.
- Progress:** When, in the most recent full semester, the student completed more than 75% of the units in which the student enrolled.

Re-admission after Dismissal

A student who is dismissed must stay out one semester or file a successful appeal.

- Staying out one semester:** reinstatement may be requested after one semester has elapsed (excluding summer sessions and intersessions). The student must consult with a counselor, prior to the start of the semester, to formulate a corrective educational plan and to obtain approval to enroll.
- Dismissal appeal:** dismissal may be postponed and the student continued for one semester if the student presents evidence of extenuating circumstances and their appeal is approved. The written appeal should be submitted to the Counseling Department. Appeals should be based on the following:
 - Evidence, based on the academic record, that dismissal status does not reflect the student's usual level of performance.
 - Circumstances beyond the control of the student, for example, accident or illness.

Continuation in all cases may be granted, denied, or postponed subject to fulfillment of conditions prescribed by the College. Students are continued in subject-to-dismissal status in accordance with policy 4250.

TRANSCRIPTS

Transcript Evaluation

Students who submit transcripts from other colleges and universities must request them to be evaluated by submitting a Transcript Evaluation Request form to the Admissions and Records Office. In most cases, units accepted from other institutions will not be posted on College of the Canyons academic transcripts until students have completed 12 units in residence. The most notable exceptions are for students requesting financial aid, military benefits, and completion of at least one unit for IGETC certification on the students' final transcripts. For further information, contact the Admissions and Records Office.

Transcript Requests

Unofficial Transcripts: Students have access to unofficial transcripts through their My Canyons account. Please visit our website at www.canyons.edu and click on "My Canyons." You will need a username and password to us this option. If you do not have a username and password, you can create one under "My Canyons Profile." If you decide to come on campus to request an unofficial transcript, a picture ID will be required.

Official Transcripts: College of the Canyons has partnered with Credentials Solutions to accept official transcript orders via the internet on a secured site. You can order official transcripts online at www.canyons.edu and click on "My Canyons." You will need a username and password to use this option. If you do not have a user name and password, you can create one under "My Canyons Profile." This will eliminate the need to come to the college, stand in line, or mail in a request. This service also allows you to check on the status of your order and will communicate with you via email about your order.

College of the Canyons provides three processing times for an official transcript. The regular transcript is processed within 7-10 business days. The rush transcript is processed within 2 business days. The on demand transcript is produced at the time of request.

Two regular transcripts are made available for free. The request for your free transcripts must be made in person or by mail. The cost of a regular transcript is \$5, a rush transcript is \$10, and an on-demand transcript is \$15. College of the Canyons transmits and receives electronic transcripts via the eTranscriptCA network. Students may request their transcripts be sent electronically following the same official transcript request process as above.

Degree and Enrollment Verifications

College of the Canyons has authorized the National Student Clearinghouse to provide degree and enrollment verifications. The National Student Clearinghouse can be contacted at www.studentclearinghouse.org or www.degreeverify.org. The fax number is (703) 742-4239 and the mailing address is National Student Clearinghouse, 13454 Sunrise Valley Drive, Suite 300, Herndon, VA, 20171. Enrollment verifications for students are free through this service. Employers and entities acting on behalf of the student are required to pay a nominal fee. School of Personal and Professional Learning (noncredit) enrollment verifications must be requested at the School of Personal and Professional Learning office on the Valencia campus, room CHCS-167.

TRANSFER REQUIREMENTS

Transfer curricula information has been compiled to help the many College of the Canyons students who intend to transfer to another college or university. Each institution of higher learning has its own requirements for admission and for junior standing.

To prepare for continued education, a student must decide to which college/university the student will transfer and learn the transfer admission and major preparation transfer requirements of that particular college. These requirements can be found in the catalog

of that institution.

Students should also consult the California articulation database ASSIST (www.assist.org) for articulation agreements between California Community Colleges and the California State University (CSU) and the University of California (UC) systems. A university may be made up of a number of colleges. The college in which one will do work depends upon the field of study or major. This means that in any institution of higher learning it will be necessary for a student to fulfill three types of requirements:

First, the general university requirements for graduation; second, those set up by the college under which the major department is classified; and third, those set up by the department in which a student majors.

While attending College of the Canyons, a student who plans to transfer to a four-year college or university should take the courses required by the institution the student is preparing to attend. Since each institution numbers its courses differently, the student must study the course descriptions at both colleges to see if they are equivalent.

The student is advised to seek counseling assistance as early as possible in planning transfer to a four-year institution. The student should take care in observing the application deadlines that are published by the various institutions. For help on which courses meet transfer requirements for specific majors at various four-year colleges and universities, please see a College of the Canyons counselor.

2019-2020 INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) FOR TRANSFER TO CSU AND UC

Please note that IGETC alone does not meet the transfer requirements.

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) satisfies the lower division general education at California State University or University of California system without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. IGETC may be an inappropriate option for some UC campus majors. Students must meet UC or CSU admission requirements in order to transfer.

The course requirements for all areas must be completed before the IGETC can be certified. All courses must be completed with grades of "C" or better ("C" minus grades are not allowed). Certification of IGETC is not automatic; certification must be requested from Admissions and Records at the time when the final COC transcript is sent to the transfer college/university.

A course may be listed in more than one area, but shall not be certified in more than one area.

* Indicates that transfer credit may be limited by UC or CSU or both. Please consult with a counselor.

AREA 1 - ENGLISH COMMUNICATION

CSU: Three courses required, one from each group below. UC: Two courses required, one each from group A and B.

Group A:

English - Composition (one course, three semester units) English 101, 101H

Group B:

Critical Thinking - English Composition (one course, three semester units) Communication Studies 227, English 103, 103H, 112, 112H

This requirement must be met by completing a course at a California community college only. AP credit is not applicable.

Group C:

Oral Communication - CSU only (one course, three semester units) Communication Studies 105 or 105H

AREA 2 - MATHEMATICAL CONCEPTS AND QUANTITATIVE REASONING

(One course, three semester units minimum)

Economics 291; Mathematics 100, 103, 104, 111, 140, 140H, 211, 212, 213, 214, 215, 240; Psychology *104; Sociology *137

AREA 3 - ARTS & HUMANITIES

(At least three courses, with at least one from the "arts" and one from the "humanities," nine semester units, "C" minimum)

Arts Courses:

Art 110, 111, 112, 115, 116, 205; Cinema 120, 121, 122, 123, 131; Dance 100; Graphic and Multimedia Design 120; Media Entertainment Arts 102; Music 100, 105, 106, 107, 108, 112; Photography 140, 150; Theater 110, 110H, 220, 221

Humanities Courses:

Anthropology 210; Economics 170, 170H; English 110, 111, 112, 112H, 135, 225, 250, 251, 260, 261, 262, 263, 264, 265, 270, 271, 272, 273, 274, 275, 280, 281, 285; French 201, 202; History 101, 101H, 102, *111, 111H *112, *112H, 115, 120, 120H, 130, 161, 191, 192, 193, 210, 212, 240, 243; Humanities 100, 101, 115, 116, 150; Philosophy 101, 101H, 102, 110, 111, 112, 120, 130, 220, 225, 240, 250; Sign Language 110; Sociology 200, 200H; Spanish 201, 202, 240

AREA 4 - SOCIAL AND BEHAVIORAL SCIENCES

(At least three courses in at least two disciplines - nine semester units)

Anthropology 103, 103H, 105, *210, 220; Communication Studies 100, 100H, 256; Early Childhood Education 101, 125; Economics 170, 170H, 201, 201H, 202, 202H; Environmental Sciences 101; Geography 102, 104, Health Sciences 140; History 101, 101H, 102, *111, 111H *112, *112H, 115, *120, 120H, 130, 161, 191, 192, 193, 210, 212, 240, 243; MEA 100; Philosophy 130; Political Science 150, 150H, 200, 230, 250, 270, 290; Psychology 101, 101H, 105, 109, 126, 172, 172H, 225, 230, 235, 240, 272; Sociology 101, 101H, 102, 103, 103H, 104, 105, 106, 107, 108, 110, 130, 200, 200H, 205, 207, 208, 210, 230, 233, 250

AREA 5 - PHYSICAL AND BIOLOGICAL SCIENCES

(Two courses, one Physical Science course and one Biological Science course; at least one must include a laboratory, seven - nine semester units)

5A-Physical Sciences:

Astronomy *100, *101, *102; Chemistry *100, *151, 151H, *201, *201H, 202, 255, 256; Environmental Sciences 103, 104; Geography 101, 101H, 103; Geology 100, 101, 102, 104, 105, *109, Oceanography 101; Physical Science 101; Physics *101, *110, *111, *220, *221, *222

5B-Biological Sciences:

Anthropology 101, 101H; Biological Sciences *100, 100H, *106, *106H, *107, 107H, *115, *116, 119, 130, 132, 140, *201, *202, *204, *205, 221, 230, 240; Geology 103; Psychology 102

5C-Laboratory Science :

Anthropology 101L; Astronomy 101L; Biological Sciences *100, 100H, *106, *106H, *107, 107H, *115, *116, *119, *201, *202, *204, *205, 221, 230, 240; Chemistry *151, 151H, *201, *201H, 202, 255, 256; Environmental Sciences 103; Geography 101L ; Geology 101L, 102, 109L; Oceanography 101; Physical Science 101; Physics *101, *110, *111, *220, *221, *222

LANGUAGE OTHER THAN ENGLISH

UC requirement only. Proficiency equivalent to two years high school study. High school transcript must be on file in Admissions and Records Office.

Chinese 101, 102; French 101; German 101; Italian 101, 102; Sign Language 101; Spanish 101, 101H, 211

AMERICAN INSTITUTIONS

(Six units required) Not part of IGETC but required for graduation from CSU.

U.S. History (three units) and U.S. Constitution, State and Local Government (three units) required. Complete one course from each area below:

1. Economics 170, 170H; History *111, 111H, *112, 112H, 120, 120H, 130
2. Political Science 150, 150H or 112H

Or complete History 111 or 111H, 112 and 112H combined.

Please consult with a COC counselor. AP Exam scores of three, four or five may be used to satisfy any IGETC subject area except Critical Thinking - English Composition.

Courses used to meet the American Institutions requirement may not be used to fulfill IGETC requirements above for CSU.

2019-2020 GENERAL EDUCATION TRANSFER REQUIREMENTS TO CALIFORNIA STATE UNIVERSITY SYSTEM

(In Compliance with Executive Order 595 - Subject to revision by CSU system)

Upon completion of this pattern of courses, College of the Canyons will certify that a student's lower-division general education requirements are completed for any of the 23 campuses within the CSU system. Students who transfer with GE certification will be responsible only for the upper-division requirements in general education. Certification is not automatic. A student must have completed 12 units in residence at College of the Canyons and must request GE certification from the Admissions and Records Office with the final transcript.

NOTICE:

1. Students must have a minimum of 60 transferable semester units with a "C" average (2.0 GPA) to be considered an upper division transfer. Of the 60 units needed, at least 30 semester units must be from the GE courses listed below. Students may earn up to (9) units of coursework with the grade of D.
2. Students must complete all of Area A (Communication in the English Language and Critical Thinking) and Area B-4 (Mathematics/Quantitative Reasoning) with "C" grade or better. Please be aware that some campuses may not let a student complete Area A and B-4 during the last term prior to transfer to CSU -- please see a counselor for specifics.
3. With the exception of the science lab requirement (B-3), a single course may not meet more than one general education requirement.
4. For clarification of transfer eligibility, please contact a COC counselor or program advisor.

AREA A: COMMUNICATION IN THE ENGLISH LANGUAGE AND CRITICAL THINKING

Nine units (Select three units from each sub-category)

A-1: Oral Communication:

Communication Studies 105, 105H, 120

A-2: Written Communication:

English 101, 101H

A-3: Critical Thinking:

Communication Studies 225, 227; English 103, 103H; 112, 112H; First Year Experience 100; Philosophy 106, 230; Sociology 108

AREA B: PHYSICAL UNIVERSE AND ITS LIFE FORMS

Nine units (Select at least one three-unit class from B-1, B-2, and B-4. At least one of the selections must include a lab course, listed in B-3.)

B-1: Physical Science:

Astronomy 100, 101, 102; Biological Science 218; Chemistry 100, 151, 151H, 201, 201H, 202, 221, 255, 256; Environmental Sciences 103, 104; Geography 101, 101H, 103; Geology 101, 102, 104, 105, 109; Oceanography 101; Physical Science 101; Physics 101, 110, 111, 220, 221, 222

B-2: Life Science:

Anthropology 101, 101H; Biological Science 100, 100H, 106, 106H, 107, 107H, 115, 116, 119, 130, 132, 140, 201, 202, 204, 205, 221, 230, 240; Geology 103; Psychology 102

B-3: Laboratory Activity:

(At least one of the following classes, which have labs, must be included in Group B-1 or B-2):
 Anthropology 101L; Astronomy 101L; Biological Science 100, 106, 106H, 107, 107 H, 115, 116, 119, 201, 202, 204, 205, 221, 230, 231, 240; Chemistry 151, 151H, 201, 201H, 202, 221, 255, 256; Environmental Sciences 103; Geography 101L; Geology 101L, 102, 109L; Oceanography 101; Physical Science 101; Physics 110, 111, 220, 221, 222

B-4: Mathematics/Quantitative Reasoning:

Economics 291; Mathematics 100, 102, 103, 104, 111, 130, 140, 140H, 211, 212, 213, 214, 215, 240; Psychology 104; Sociology 137

AREA C: ARTS, LITERATURE, PHILOSOPHY, FOREIGN LANGUAGES, ETHNIC STUDIES, GENDER STUDIES

Nine units (Nine units total, with at least one class from C-1 and C-2.)

C-1: Arts: (Art, Dance, Music, Theater)

Art 110, 111, 112, 115, 116, 124A, 124B, 140, 141, 205; Cinema 120, 121, 122, 123, 131; Communication Studies 150; Dance 100; English 105; Graphic and Multimedia Design 120; Interior Design 114, 115; MEA 102; Music 100, 105, 106, 107, 108, 112, 120A, 120B, 125, 126; Photography 140, 150, 160, 285; Theater 110, 110H, 140, 141, 220

C-2: Humanities: (Ethnic Studies, Gender Studies, Literature, Philosophy, Foreign Language)

Anthropology 210; Business 160; Chinese 101, 102; Economics 170, 170H; English 102, 102H, 108, 109, 110, 111, 112, 112H, 135, 225, 250, 251, 260, 261, 262, 263, 264, 270, 271, 272, 273, 274, 275, 280, 281; French 101, 102, 201, 202; German 101, 102; History 101, 101H, 102, 111, 111H, 112, 112H, 115, 120, 120H, 130, 161, 191, 192, 193, 212, 240, 243; Humanities 100, 101, 115, 116, 150; Italian 101, 102, 150; KPET 209; Philosophy 101, 101H, 102, 110, 111, 112, 120, 130, 215, 220, 225, 240, 250; Sign Language 101, 102, 103, 104, 110; Sociology 200, 200H; Spanish 101, 101H, 102, 150, 160, 201, 202, 211, 212, 240; Theater 240

AREA D: SOCIAL, POLITICAL AND ECONOMIC INSTITUTIONS AND BEHAVIOR; HISTORICAL BACKGROUND

Nine units (Select classes from at least two of the sub-categories listed below. It is recommended that the American Institutions Requirement (AIR) be met within the selected nine units.)

Sociology and Criminology:

Sociology 101, 101H, 102, 103, 103H, 104, 106, 107, 108, 130, 110, 200, 200H, 205, 207, 208, 210, 230, 233, 250

Anthropology and Archaeology:

Anthropology 103, 103H, 105, 220

Economics:

Economics 201, 201H, 202, 202H

Ethnic Studies:

Anthropology 210; Business 126; History 101, 101H, 102, 240; Political Science 290; Sociology 105, 106, 107, Spanish 240

Gender Studies:

Communication Studies 260; Health Science 243; History 120, 120H; Political Science 290; Psychology 235; Sociology 130, 200, 200H

Geography:

Geography 102, 104

History:

Economics 170, 170H; History 101, 101H, 102, 111, 111H, 112, 112H, 115, 120, 120H, 130, 161, 191, 192, 193, 210, 212, 240, 243

Interdisciplinary Social or Behavioral Science:

Communication Studies 246, 256; Early Childhood Education 101, 125; Environmental Sciences 101; Global Studies 101, 102; Health Science 243; Philosophy 130; Sociology 105

Political Science, Government and Legal Institutions:

Political Science 150, 150H, 200, 210, 230, 250, 270, 290

Psychology:

Early Childhood Education 101; Psychology 101, 101H, 105, 109, 126, 172, 172H, 180, 225, 230, 235, 240, 272

NOTE: The American Institutions Requirement (AIR) (U.S. History, Constitution, California State and Local Government) as well as requirements for Political and Economic Institutions may be met by completion of one of the following options:

Complete one course from (a) and (b) below:

(a) Economics 170, 170H; History 111, 111H, 112, 112H, 120, 120

(b) Political Science 150, 150H

OR Complete History 111 or 111H and 112 or 112H

AREA E: LIFELONG UNDERSTANDING AND SELF-DEVELOPMENT

Three Units

Communication Studies 100, 100H, 235; Counseling 100, 110, 111, 142, 150; Dance 101, 107, 108, 130, 133, 134, 135, 136, 137, 180, (all dance courses limited to two units); Health Science 100, 149, 150, 243; Kinesiology/PE Activity (KPEA) 100A, 100B, 101A, 101B, 102, 103, 105, 107 (F07), 125, 145A, 145B, 150A, 150B, 165A, 165B, 165C, 170A, 170B, 175A, 175B, 180A, 180B, 180C, 185A, 185B, 185C, 195A, 195B, 195C; Kinesiology/PE Intercollegiate (KPEI) 153, 245A, 245B, 250A, 250B, 255A, 260A, 260B, 265, 270A, 270B, 275A, 275B, 280A, 280B, 285A, 285B, 290A, 290B, 295A, 295B (All preceding PE courses are limited to two units toward this requirement); Kinesiology/PE Theory (KPET) 150, 200, 204; MEA 100; Psychology 105, 150, 172, 172H, 230; Recreation 100, 101, 103; Sociology 103, 103H, 110, 208, 230, 233

Support Services and Programs

SUPPORT SERVICES AND PROGRAMS

ACADEMY OF THE CANYONS

College of the Canyons has several important partnerships with the William S. Hart Union High School District. One of them is Academy of the Canyons, located in the Dr. Dianne G. Van Hook University Center on the Valencia Campus.

Academy of the Canyons (AOC) began as a middle college high school in which 11th and 12th grade students could take required high school classes and college classes at the same time.

AOC is now a 4-year high school blending both the middle college and early college initiatives. This program is designed for students who are mature and ready for a college campus experience. Applications are made through the high school district. For information regarding AOC, contact the principal at (661) 362-3056 or visit www.academyofthecanyons.com.

BOOKSTORE

The College of the Canyons bookstore, located in Room STCN-134A of the Student Center building on the Valencia Campus, serves the general needs of the student body. The College of the Canyons bookstore is your source for rental, digital, used and new books.

The store stocks current semester textbooks, reference materials, paperbacks, clothing, gifts, school supplies and snacks for sale to students, faculty and campus visitors.

Hours

Please visit the College of the Canyons bookstore website at coc.bncollege.com or call the bookstore at (661) 362-3255 for current store hours.

Buyback

The best time for students to sell back their books and potentially receive up to 50% of the retail price back is during finals week in May and December.

All books sold back must be in good condition without water damage, missing pages or excessive writing. The covers of the books must be in good condition without tears or spine damage.

Website

Textbooks, COC clothing and gifts and school supplies may be purchased 24 hours a day at the bookstore website at www.coc.bncollege.com. Customers can request that orders be picked up at the Valencia campus bookstore location or shipped for their convenience. Please visit the website for additional information and updates including current store hours.

The bookstore app can also be downloaded to your Android and Apple phone to keep you current on the status of your online orders and store promotions. Click on the App Store and search for My College Bookstore.

Refund Policy

Textbooks: Full refund, if returned within the first week of class, in your original form of payment with a receipt.

- With a proof of schedule change, a full refund will be given in your original form of payment with a receipt during the first 30 days of classes.
- No refunds or exchanges given on textbooks without a receipt.
- No

refunds given on custom course materials, outlines or study guides.

- Textbooks must be in original condition with no opened shrink-wrap for full refund.

All Other Merchandise: Full refund in your original form of payment with a receipt within 30 days of purchase.

- No refunds given on prepaid phone cards.
- All merchandise must be in original condition with a receipt.

CALWORKS PROGRAM

CalWORKs is a state-funded program that provides supportive services and encouragement to students who receive cash aid (i.e. TANF) and are the parent of a dependent child. The program provides support to qualified students in the attainment of their educational goals and in their transition from community college to work or to the university. Students may receive:

- Work-Study opportunities that ensure all earnings are 100 percent exempt from cash aid.
- Personal and academic counseling in a supportive and informative environment that encourages student success.
- Vocational and career counseling.
- Confidential liaison between program participant, the College, the Department of Public Social Services (DPSS), GAIN and other agencies.
- Referral to other departments at the college and to other agencies when required.

CalWORKs Eligibility Criteria

1. The student must be a legal resident of the State of California.
2. The student must be on cash aid (i.e. TANF).
3. The student must be in compliance with DPSS and GAIN program requirements.
4. A CalWORKs contract must be signed and followed by the student.
5. The student must be in compliance with the College CalWORKs program requirements.
6. The student must maintain normal progress (as defined by college policies) toward a certificate or degree leading to employment while maintaining a satisfactory grade point average of 2.0 or higher.

CalWORKs is available in the Student Support Center or call (661) 362-3271 on the Valencia Campus. Information is available at www.canyons.edu/offices/calworks.

CAMPUS ACTIVITIES AND STUDENT DEVELOPMENT

Students are strongly encouraged to become involved with student development activities and opportunities for enrichment outside the classroom. These activities can be found on campus, online or in the surrounding community. Participation in such activities helps students apply, in practical situations, the theory they learn in the classroom. Benefits include leadership development, skill-building, interacting with people and understanding group dynamics, all of which can be utilized throughout one's life.

Information about all of the following programs and services can be obtained by visiting the Office of Student Development located in room STCN-102 in the Student Center on the Valencia Campus.

Associated Student Government (ASG)

The purpose of the Associated Student Government (ASG) is to promote the general welfare of the students, to guarantee equality of opportunity among students, to offer experience in the practice of American democratic government, and to encourage participation in planning student activities as permitted under the Education Code of the State of California and the policies of the Board of Trustees of the Santa Clarita Community College District.

The officers of the student government are elected by the student body to represent all students in interactions with the college administration, staff and faculty, and with state legislators and statewide organizations. Student government personnel serve on district committees and represent student viewpoints and opinions on matters of policy, curriculum, and other college issues.

The activity program supported by the ASG is a college-wide enterprise. Its operation is a direct benefit to each student. Cooperative financial support enables students to pay their own way for value received and at the same time makes a better and more extensive program possible.

ASG Benefits/Student Support Fee

The Associated Student Government provides benefits to all students who pay the student support fee at the time of registration, each term. The revenue generated from the student support fee funds student services, programs and campus activities that benefit all students and the campus.

ASG benefits also include reduced rates or free admission to most ASG-sponsored programs and activities such as concerts, athletic events, and lectures, as well as the following (subject to change without notice):

- FREE 25 Score Card (10-50% discount to 650+ merchants; learn more at www.25score.com)
- Discount movie tickets priced from \$7.00 to \$9.00 each for Regal, AMC, Cinemark and Pacific Theatres. To purchase, go to STCN-102, Valencia Campus or room 204, Canyon Country Campus.
- Discount tickets and coupons to Southern California theme parks and attractions.
- ASG Computer Lab (STCN-124) and CCC ASG Computer Lounge (room 204) privileges including the use of PC's, iMAC's, free color and black and white printers (limited use), copier, fax, scanner, and other general office supplies (need Student Support Fee sticker to use).
- FREE entry to all COC home athletic events (need Student Support Fee sticker for admittance).
- FREE or reduced prices to all ASG campus events.
- Over \$27,000 in ASG scholarship opportunities (apply during the first six weeks of the spring semester through the Financial Aid Department).

Note: Benefits subject to change without notice.

To receive a refund of the optional student support fee, a student must opt out by the refund deadline date on the student's individual class printout. Opting out of the fee and all of its associated benefits must be done in person during the registration period for the semester or term in question at any of the following locations: the Office of Student Development, Student Center, room 102 or the Student Business Office, Seco Hall, room 101 on the Valencia Campus or building 1C at the Canyon Country Campus during posted business hours. After the refund deadline date for the semester/term has passed, students enrolling for late start classes may opt out within one week of their initial enrollment. For more information, please check the Student Development webpages on the college's website at www.canyons.edu or email questions to studentsupportfee@canyons.edu.

Clubs and Organizations

Many opportunities for involvement exist through membership and participation in student clubs and organizations. More than six dozen charters are on file for a variety of clubs and organizations. Please check with the Office of Student Development for currently active clubs and organizations.

Students are encouraged to develop new special interest groups on campus in addition to those which already exist. Before a new group is recognized officially, a constitution must be submitted and approved for charter by the Office of Student Development, the ASG and the Inter-Club Council.

Student Resource Center

The Student Resource Center is a free service provided to all first-year students at College of the Canyons. The center offers a variety of programs and services that help first-year students adjust to college life including:

Student Involvement Campaign

A key to college success is becoming involved in an extracurricular activity. The Student Involvement Campaign is coordinated each fall semester to encourage students to become connected to the College by joining a campus club, organization, student government, or by participating in an extracurricular campus activity.

Student Development Transcript Program

The Student Development Transcript Program (SDTP) offers students the opportunity to maintain an official record of their involvement in co-curricular activities. When applying for scholarships, jobs, and/or admission to colleges and universities that they wish to transfer to, students are able to supplement their record of academic achievements with the addition of their Student Development Transcript.

The Student Development Transcript Program is offered through the Office of Student Development (STCN-102). In order to receive a Student Development Transcript, each student must first register to be enrolled in the program. Students are encouraged to register for the program as soon as possible to ensure a complete transcript by the time they are ready to apply to transfer to a university or apply for a professional job or scholarships. The Student Development Transcript

Program is not retroactive and only activities that have been verified for the current semester can be documented.

To register for the SDTP or for more information, drop by the Office of Student Development, located in the Student Center, STCN-102 or call (661) 362-3983.

Photo Identification Card

All students are encouraged to obtain a student photo identification card through the Office of Student Development. Besides serving as a form of photo identification, the card is also used by many departments providing student services such as the tutorial lab, fitness center, and the library, which uses the card for books and materials checkout.

Once a student receives the initial card, he or she should keep the card for the entire time period during which the student may attend the college, even during periods of non-enrollment.

The initial card is the only one the student will receive during the student's attendance at the college. The same card is used each semester the student is enrolled. It is necessary for the student to receive a new Student Support Fee validation sticker from the Office of Student Development at the beginning of each semester to validate student benefits for that semester.

CAMPUS SAFETY DEPARTMENT

The Campus Safety Department is committed to providing and maintaining a safe and secure instructional environment while respecting the rights and dignity of individuals utilizing programs and facilities of College of the Canyons. The mission shall be accomplished within the constraints of federal, state and local laws and ordinances.

Valencia Campus:

Campus Safety Office X-8
661-362-3229 and 661-362-3239
On-duty cell: 510-3881

If there is no one in the office, you may reach Campus Safety through the Communication Center by dialing 0 or, if it is an **emergency, dial 7** from any on-campus telephone.

Canyon Country Campus:

Campus Safety Office: Room 700A and Room 511
661-362-3977 office phone with voice mail
On-duty cell: 661-666-8738
17252 Sierra Hwy
On-duty: **Communication Center: Dial 3801**

If there is no one in the office, you may reach Campus Safety through the Communication Center by dialing 0 or, if it is an **emergency, dial 6** from any on-campus telephone.

CAREER CENTER

The Career Center offers services for major exploration, career counseling, job development, and assisting with internship placement. In fall 2018, the Cooperative Work Experience Education (internships) program merged services with the Career Center.

Students are provided tools and preparation needed to explore career opportunities and majors that lead to a path associated with a desired career. Through career assessments, and one-on-one counseling or advisement, students may develop a plan to achieve their academic and career goals. A Job Developer can help students with full and part-time employment, and internship exploration. Job and internship search assistance includes resume and cover letter development and critique, interview prep, and new job and internship opportunities posted daily in the MyJobs portal. The Center utilizes LinkedIn as a key tool for job search and allowing students manage their professional and alumni profile after college. A variety of workshops and orientations are provided throughout the year as well as a variety of focused job fairs for COC students. The Center continues to offer the annual fall job fair open to students and the community.

Appointments are available to meet with a Career Counselor, Advisor or Job Developer by calling (661) 362-3286, or stop by Canyons Hall, room 102 (Valencia Campus), or Room 202A at the Canyon Country Campus.

CHILD CARE ON CAMPUS

The Children's Program in the Valencia Campus Center for Early Childhood Education has child care openings for financially qualified student-parents of children 12 months to five years of age. The Children's Program on the Canyon Country Campus has child care openings for financially qualified student-parents of children three and four years of age.

In addition to subsidized childcare, there is placement available to students, staff/faculty and the community for a monthly tuition.

For information on morning, afternoon or all-day sessions and/or to see if you qualify, please call (661) 362-3501 or (661) 362-3531.

Under various state-funded programs, free and sliding scale enrollment may be possible. Openings are limited and subject to specific State requirements.

CIVIC CENTER

The Civic Center Office is responsible for processing facility requests for use of the college facilities. Facility requests are available online at canyons.edu/facilities/civicccenter. Please submit a request at least two weeks prior to the event/needs. Facility use questions can be answered by calling (661) 362-3240.

COMMUNITY-BASED LEARNING

Community-Based Learning (CBL) opportunities exist through various courses on campus and encourages reflective thinking of social issues as students connect classroom to community. The Community-Based Learning Office provides three models of experiential learning and assists students with placement, guidance, and support.

For more information, email COC-CBL@canyons.edu or call 661.362.3231.

COOPERATIVE AGENCIES RESOURCES FOR EDUCATION (CARE)

CARE is a state-funded program dedicated to assisting single parents who receive cash aid. Since 1998 CARE has been a joint effort between the California Employment Development Department, Department of Public Social Services, California Community College Chancellor's Office, and College of the Canyons to help the student reach his or her educational and career goals. CARE offers academic, economic, and emotional support to the student who is on the road to becoming independent. CARE emphasizes services to ensure student success and is sensitive to the student's needs. Qualified students may receive, but are not limited to:

- Counseling
- CARE peer advisement
- First-day book services
- Parenting workshops
- Group support seminars
- Referral services
- Child care grants
- Self-esteem seminars
- Other services, as determined by need eligibility criteria

To be eligible for CARE, a student must:

- Apply for financial aid
- Be EOPS-eligible
- Be single and head of household
- Be 18 years of age or older
- Have a dependent child under age 14
- Be enrolled full time (12 units or more)
- Be pursuing a certificate, associate degree, or a transfer program
- Be a legal resident of California for over a year
- Receive current assistance from CalWORKs, TANF, or CARE. Information is available in the Student Support Center on the Valencia Campus or by calling (661) 362-3279 or www.canyons.edu/student-services/eops

COUNSELING & PROGRAM ADVISEMENT

The mission of the Counseling Department is to provide educational, career, and personal counseling and program advisement. Our purpose is to empower students by providing program information and by counseling students to establish goals, evaluate options, develop an educational plan, and learn to study effectively so they may reach their educational and career goals. Counseling faculty are trained to meet with students individually in private counseling appointments for educational counseling, career counseling, and personal counseling; they help students develop educational plans, they facilitate group counseling workshops, and they teach counseling courses. Counseling involves teaching students self-awareness, establishing goals, exploring alternative plans of action and possible consequences, considering possible

challenges and how to overcome them, establishing a support network, and evaluating actions.

Program Advisors are available throughout open office hours at the drop-in desk in the Counseling office for quick consultations. Program advisors provide information about certificate, degree, and transfer requirements, and college policies and procedures.

Academic Advisors are available to meet with new first-time college students with less than 12 units to create a one semester plan in a workshop or an advisement appointment. New students may attend a New Student Advisement workshop after completing the online orientation. By the end of the workshop, students will have developed a one semester plan of classes to take their first semester at COC.

Counselors are available for private 30 - 60 minute counseling appointments. All students are encouraged to meet with a counselor for educational and career planning.

Counselors help students write individual educational plans that list all the courses needed and in the correct sequence to reach their educational goals. Counselors also guide students in career exploration through the use and analysis of career assessment.

Students should contact the Counseling Department or the Counseling webpage at www.canyons.edu/counseling to schedule appointments with counselors. Students should, before the time of their appointments, study this catalog, the catalog of any college or university to which they may seek transfer, and the Schedule of Classes for the upcoming term at College of the Canyons. To obtain the most benefit from the appointment, students need to be able to discuss their long-range educational goals as well as the courses desired in the ensuing term. Students are responsible for making final decisions concerning their college programs.

Counseling classes are taught by counselors and cover such topics as college-success skills, career development, and transfer planning. See Schedule of Classes for specific offerings. Specialized counseling is also provided through the First Year Promise program, DSP&S, EOPS, ISP, Reentry, Student Athletics and CalWORKs.

PROGRAMAS Y SERVICIOS PARA ESTUDIANTES INCAPACITADOS (DSP&S)

Si usted está inscrito en el programa de DSPS, consulte con dicha oficina ya que los recientes cortes presupuestales pueden haber alterado la información impresa en este programa.

La Oficina de Programas y Servicios para Estudiantes Incapacitados ofrece servicios de apoyo a estudiantes que tengan incapacidades físicas, psicológicas, lingüísticas y de aprendizaje. Algunos de los servicios que se ofrecen son: ayuda con la inscripción y con la selección de clases, asesoramiento académico y vocacional, tutorías, intérpretes, facilidades para tomar exámenes, ayuda para escribir las notas de clase, y conversión de textos a audio.

Para más información, comuníquese con el vice-rector de servicios para estudiantes, al (661) 362-3292.

DISABLED STUDENT PROGRAMS AND SERVICES (DSP&S)

If you are enrolled in the DSP&S program, budget cuts may have created changes to the program subsequent to the printing of this schedule. Please check with the DSP&S office for any changes that may apply to you.

The Disabled Students Programs & Services (DSP&S) offers educational support services for students with a variety of disabilities, including those students with physical, psychological, communicative and learning disabilities.

Support services and accommodations include, but are not limited to, priority registration, scheduling assistance, academic and vocational counseling, tutorial lab, interpreters, test-taking accommodations, assistive technology and recorded text. Students with verified disabilities who require alternate formats of college publications and resources should check with DSP&S. Materials available include, but are not limited to, Braille, large print, books on tape and electronic text. These formats help accommodate students' specific needs and are created in the timeliest manner possible.

For students who are enrolled in college classes, and meet the appropriate criteria, DSP&S offers assessment to determine individual strengths and weaknesses and program eligibility according to the California Community College criteria.

DSP&S serves as a liaison with the campus and community agencies on behalf of students with disabilities. Students may contact DSP&S in Seco Hall room 103 or by calling (661) 362-3341 at the Valencia campus. Students with verifiable disabilities who do not wish to avail themselves of the services of the DSP&S Department may still be eligible for reasonable accommodations and services. Contact the Associate Vice-President of Student Services (661) 362-3261; or www.canyons.edu/studentservices/dsps for more information.

ECONOMIC DEVELOPMENT DIVISION Services for the Community:

Center for Applied Competitive Technologies (CACT)

The Center for Applied Competitive Technologies (CACT) is one of six technology centers hosted at California community colleges. This center is dedicated to helping California manufacturers compete successfully in the global marketplace by providing them with a single point of access to advanced technology training.

Call (661) 362-3111 or visit www.canyonsecondev.org and click on CACT for more information.

Center for International Trade Development (CITD)

As a newly designated CITD, the college's goal is to help business owners and entrepreneurs progress through the various stages of export/import trade development and help those businesses grow and succeed. Our CITD is one of nine offices located across the state, providing a full range of free or low cost trade assistance services to both companies and individuals looking to expand their international business presence.

For more information call the Small Business Development Center at 661-362-5900.

Employee Training Institute (ETI)

ETIs focus is to drive down costs, expand the talent pool in the local workforce, and help businesses adopt continuous improvement methods and processes. The ETI offers training programs customized to the needs of each business or organization. Training classes and services are offered at the client's site or at one of several college training locations. Class schedules are flexible with schedules based on the needs of the client. They can be offered before, during, or after business hours. Training offerings can be short or long-term, ranging from a single workshop to a series that runs over several months.

ETI's fees are competitively priced, and ETI also offers eligible employers the opportunity to access state training funds through the Employment Training Panel. This allows companies to stretch their precious training dollars farther. Call 661-362-3245 for more information, or come by our office in the University Center, room 279.

Fast Track Institute

The institute provides fast-paced, intensive, job preparation programs for job seekers, mid-career professionals, recent high school graduates and other community members looking for an opportunity to quickly jumpstart their career. Fast Track has two major focuses: entry level skills and professional certifications. Fast Track entry-level courses teach the job skills needed to quickly begin working in local businesses and industries where applicants with up-to-date training are in high demand. Most Fast Track courses take only a few months to complete, and result in participants completing a complement of skill competencies they can share with potential employers.

For more information visit www.canyonsecondev.org

Healthcare Workforce Initiative (HWI)

The Health Sector works with specific workforce services that are coordinated by the Deputy Sector Navigator Health who align community college and other workforce development resources with the needs of health sector that result in highly specialized industry training, technical consulting and business development. Healthcare businesses can access the Health Workforce Initiative (HWI) that is dedicated to serving California's healthcare companies with innovative solutions that are unique and customized to your business. We identify the workforce needs of California's health care delivery systems and develop solutions through a comprehensive problem-solving process that includes assessment and analysis, planning and development, and implementation and evaluation. We provide education and training programs to meet emerging demands for California's health care industry workers; to determine needs, facilitate development of innovative solutions and to locate resources to implement planned responses; to evaluate and initialize health-related educational programs.

Information Communications Technologies (ICT)

Information And Communications Technologies and Digital Media (ICT-DM) works with educators on behalf of businesses, shaping and aligning college curriculum to reflect emerging IT demands in the workplace. ICT-DM partners with the college’s Employee Training Institute to deliver intense immersion and fast-paced technical training programs. ICT-DM advocates and encourages adaptations of industry recognized IT and Digital Media certifications as part of our educational offerings.

Services at a Glance

- Programming/Web Development
- Big Data/Analytics
- Networking
- IT Security

Call (661) 362-5108 or visit www.canyons.econdev.org

Small Business Development Center (SBDC)

SBDC offers free assistance to emerging businesses in the Santa Clarita Valley by providing a wide variety of information and consulting.

For more information or to schedule a free appointment, call (661) 362-5900 or visit the website at www.canyonsecondev.org and click on SBDC.

Strong Workforce Apprenticeship Group (SWAG)

Strong Workforce Apprenticeship Group (SWAG) is a partnership between College of the Canyons and Goodwill Southern California. The mission of SWAG is to collaborate with employers, educational institutions, and community-based organizations to drive the expansion of apprenticeship throughout the State of California.

SWAG currently has 50 apprentices working at 12 companies in industry sectors such as Advanced Manufacturing, Cyber Security, and Logistics. SWAG has 12 occupations registered with the US Department of Labor and the Division of Apprenticeship Standards.

SWAG also operates a pre-apprenticeship in collaboration with Jobs for the Future. The curriculum, which is provided by Google will prepare students for entry level careers in information technology. Students will also receive a Certificate of Completion from Google, as well as SWAG. Over 100 students have registered for the pre-apprenticeship, which includes more than 30 Veterans. The program also has an equity component, with more than 70% of its participants coming from challenged backgrounds.

To learn more about SWAG visit them at www.sw-apprenticeshipgroup.com

EXTENDED OPPORTUNITY PROGRAMS AND SERVICES (EOPS)

The Extended Opportunity Programs and Services (EOPS) is a state-funded retention program that recruits, and transitions to work or to university, those students who are eligible. The program’s goal is to serve and encourage students from various backgrounds to continue their education at the community college level. The specific responsibility of EOPS is to develop programs, services, techniques, and activities that are over and above traditional college programs. Qualified students may receive, but are not limited to:

- Academic counseling
- Personal counseling
- Vocational/Career counseling
- Peer advising
- Priority registration
- Meal cards
- Financial aid referrals
- Transfer assistance
- College survival workshops
- Special tutoring
- First-day book services
- School supplies
- Computer usage
- Study skills workshops
- Cultural awareness activities
- Study Center
- Other services as determined by need

EOPS Eligibility Criteria

1. Full-time student (12 units or more)
2. Legal resident of the State of California
3. Eligible for the California Promise Grant
4. An EOPS contract must be signed and followed
5. Maintain normal progress (as defined by College policies) toward a goal, certificate, or degree while maintaining a satisfactory grade point average (2.0 or higher)

EOPS applications and information are available in the Student Success Center on the Valencia Campus, and Building 1B (by appointment) on the Canyon Country Campus or by calling (661) 362-3279 or www.canyons.edu/student-services/eops.

PROGRAMA Y SERVICIO DE OPORTUNIDAD EXTENDIDA (EOPS)

El Programa y Servicio de Oportunidad Extendida (EOPS en inglés) es una programa estatal de retención de estudiantes, cuya misión es reclutar y ayudar a estudiantes cualificados, que no podrían asistir de otro modo a la universidad.

El objetivo del programa es servir a personas de diferente extracción social, animándolas y ayudándolas para que continúen su educación a nivel de la

universidad comunitaria. De forma más concreta, el Programa y Servicio de Oportunidad Extendida desarrolla programas, servicios, técnicas, y actividades adicionales a los programas universitarios tradicionales. Hay también estudiantes asesores a su disposición para ayudarlo.

Para obtener solicitudes del Programa y Servicio de Oportunidad Extendida, o para más información, puede ir a la oficina de EOPS en el campus de Valencia o puede comunicarse a (661) 362-3279.

Ayuda económica

Cualquier estudiante puede solicitar ayuda económica (becas, préstamos y/o trabajo). Para ello, debe llenar la solicitud de Ayuda Federal para Estudiantes (FAFSA). Puede obtenerse en persona en la oficina de Ayuda Económica para estudiantes (CHCS-123) o por el Internet en www.fafsa.ed.gov Para más información, favor de comunicarse al (661) 362-3215.

FINANCIAL AID AND SCHOLARSHIP PROGRAMS

Federally and state-funded student financial aid provides access to a college education to those students who otherwise would not be able to afford one. The Financial Aid office provides a complete array of student services that are designed to help students with educationally-related expenses pay for their college education.

COC participates in these financial aid programs:

- California College Promise Grant
- Cal Grants
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant
- Federal Workstudy
- Federal Direct Loans
 - Subsidized
 - Unsubsidized
 - PLUS (Parent Loan for Undergraduate Students)
- Student Success Completion Grant

Grant, loan or workstudy job opportunities may be available to any College of the Canyons student who establishes financial need by completing the financial aid process. Students must complete a financial aid application online at www.fafsa.gov. Eligible students will be awarded financial aid through various types of programs as funding is available. Eligible applicants will be expected to maintain standards of progress to remain eligible for financial aid.

Additional information and criteria for each of the grant, loan and work study programs can be obtained on the College of the Canyons Financial Aid at webpage www.canyons.edu/money4college. Additional information regarding financial aid services is available in the Financial Aid office located in CHCS-142, or by calling (661) 362-3215, or email at finaid@canyons.edu. On the Canyon Country Campus go to Building 1A or call (661) 362-3215.

California College Promise Grant (CCPG)

The California College Promise Grant (CCPG) program waives enrollment fees for eligible students for the academic year. A student may receive a waiver for any number of units, with no minimum. The CCPG waives ENROLLMENT FEES only. Students are responsible to pay any fees not covered by the CCPG at the time of registration to avoid being dropped for non-payment.

Students must meet academic and progress standards at College of the Canyons in order to remain eligible for the fee waiver. Students can apply for the CCPG by completing the Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov. For more information on the CCPG program, visit the Financial Aid Office website at www.canyons.edu/money4college.

Grants

A grant is an award, based upon demonstrated financial need and other criteria, that does NOT have to be repaid. The College participates in the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Cal Grants, and Student Success Completion Grant.

Loans

Low-interest loans made by the Federal government, are available to students to help pay for education costs. College of the Canyons offers three types of Federal Stafford student loans – subsidized, unsubsidized and PLUS loans. The Stafford student loans must be repaid by the student usually beginning six months after leaving college. Current and former students who are in default on their Federal Stafford Loan will not be permitted to receive financial aid, grades, transcripts, or diplomas, nor will copies of their grades be forwarded to other institutions.

SCHOLARSHIP PROGRAMS

College of the Canyons offers two types of scholarship programs:

College of the Canyons Scholarship Awards

Students applying for the annual College of the Canyons scholarship awards program must submit an online scholarship application. Applications are available annually in February at www.canyons.edu/scholarships. Student notification is in May for awards which will be disbursed in the following academic year.

Outside Scholarships

In addition to the annual program for students, many community groups and organizations also sponsor student scholarships as a means of expressing confidence in College of the Canyons students. Scholarships usually range in amounts from \$200 to \$2500 and are made available intermittently throughout the year. Student eligibility varies according to each individual scholarship; therefore, scholarship applications must be filed for each individual scholarship for which the student wishes to be considered. Scholarship deadlines vary. Scholarships have pre-established criteria which may include any or all of the following: academic merit, specific educational major, financial need, college/ community involvement, and/or transfer to 4-year college/

university. Scholarship applications may also require letters of recommendation.

An up-to-date listing of available scholarships is available on the Financial Aid webpage at www.canyons.edu/money4college. Further information is available from the Financial Aid office which is located in CHCS-142, (661) 362-3215. Information is also available at the Canyon Country Campus, call (661) 362-3215 or go to building 1A.

Student Employment - Work-Study

The Federal Workstudy Program (FWS) allows students to earn money for their educationally-related expenses through a variety of on-campus work-study positions. These positions are usually tied to community service or to the student's educational major. Federal Work-study is awarded through the FAFSA application and funding is limited. While participating in the Federal Work-study program, a student must be enrolled at least half-time (six or more units) and maintain a minimum 2.0 GPA.

HOUSING

The college is a community college serving primarily the students who live within the Santa Clarita Community College District. Most of the students reside within commuting distance of the campus. The college provides no campus housing.

INTERNATIONAL SERVICES & PROGRAMS (ISP)

ISP assists non-U.S. students attending the college. Located in Student Support Center 123, the ISP team supports prospective and current students in meeting academic objectives and transferring to bachelor degree programs around the country. Programs include student support in class selection, cultural acclimation, personal counseling, and career consulting. In addition, ISP runs short-term programs of 1 month or less on English language proficiency and local cultural experience. ISP is the main check-in and monitoring point for students to learn about the services available on and off campus. ISP can be reached at ISP@canyons.edu or by phone at 661-362-3580.

LEARNING RESOURCES

The primary goal of Learning Resources is to support the college curriculum. To achieve this goal, Learning Resources, primarily through the Library and the TLC Lab, provides services and materials to assist instruction, enhance student success, and support life-long learning.

Online Education

Online Education opportunities support the District's mission to provide education, training, and lifelong learning opportunities to all who seek them. Technology is utilized to make a wide range of college courses available to students unable or who do not wish to attend traditional on-campus classes. Online Education currently includes three formats: online, hybrid, and educational travel. Each of these options offers a variety of learning opportunities and delivery methods and are listed in each schedule of classes and at www.canyons.edu/onlineeducation or call (661) 362-3600.

Online Classes

Online classes require no on-campus meetings. Note: Some classes may require proctored testing that can be arranged through the college's TLC on the Valencia campus. To access the class, regular access to a computer with Internet access is required. Communication occurs with instructor(s) and other online students using communication tools within an online classroom.

Hybrid Online-based Classes

Hybrid classes meet on campus at least once during the semester with remaining classwork conducted online via the Internet. There may also be on-campus orientation meetings and periodic on-campus testing. The same level of technology as used with online classes is required.

Library

The college library serves students, staff, faculty, and the community. Services include reference assistance, orientation, copy machines, group study rooms, course reserves, and interlibrary loans. Printing from many computer stations is possible with the purchase of a print card in the library or TLC Lab. Materials include books, magazines, and newspapers; audiovisual media such as DVDs and CDs are also available. A number of online databases are accessible to students, faculty, and staff on campus and at home; these include Academic Search Premier, JSTOR, LexisNexis Academic, ProQuest, and the EBSCOhost eBook Collection.

The library on the Canyon Country Campus is located in Room 307.

The library website, with links to online databases, the online catalog and many special resources, can be accessed at www.canyons.edu/library.

Tutoring - The Learning Center (TLC)

The Learning Center (TLC) provides free tutoring and academic support for College of the Canyons coursework in mathematics, writing in any discipline, computers and many other fields for students registered at College of the Canyons. Drop-in tutoring takes place both in-person and online. TLC offers supplemental learning in the form of group workshops, Guided Learning Activities (GLAs), and math test review jams. TLC's writing center offers specialized services for international students and students for whom English is not their primary language.

Students can use TLC computers equipped with Multimedia (MACs and PCs), Computer Science, Web Development, Microsoft Office, and other software required for a variety of coursework. Other services for students include Canvas support and test proctoring for COC and outside university classes.

The Valencia Campus TLC is located adjacent to the Library in LTLC-126. The Canyon Country Campus TLC is located in room 306. Student ID card is required. For further information please visit The Learning Center's webpage at www.canyons.edu/TLC or call (661) 362-3351.

MATHEMATICS, ENGINEERING, SCIENCE ACHIEVEMENT (MESA)

Mathematics, Engineering, Science Achievement (MESA) is an enrichment program for students majoring in math, engineering, physics, computer science, biology and chemistry. Participation in the program helps to build the skills needed to be successful in math and science courses at COC and beyond. We will also assist with the transfer process. Academic Excellence workshops help in gaining content mastery for courses such as calculus, physics and chemistry. The program also supports the development of student learning networks, access to technology, academic advisement, and many other support services. The MESA Student Study Center, located in Aliso Lab, room ALLB-114 on the Valencia Campus, provides a learning community where students can study, participate in workshops, and receive free academic support. For more information about the program please call (661) 362-3448 or go to our website <https://www.canyons.edu/Offices/MESA>.

PARKING AND TRAFFIC REGULATIONS

Permits are required in all student lots seven days a week, 24 hours a day, 365 days of the year. Student permits are valid in student lots only.

Display of Permit

On both campuses, permits must be displayed clearly from the rear view mirror when parking. Failure to display a valid permit may result in a parking citation for the amount of \$35.

Refund of Parking Fees

See Refund Policy on page 16.

Citations

The Campus Safety Department receives its authority to enforce the traffic and parking regulations from the California Penal Code, the California Vehicle Code and the Municipal Court. Ignoring a citation will result in immediate legal action in the form of additional penalties and a hold being placed on your vehicle registration with the Department of Motor Vehicles.

Citations will be issued for violation of provisions of the California Vehicle Code as well as the following special college regulations under Section 21113 C.V.C.:

1. Any vehicle parked in a regular stall shall have displayed a valid Student Parking Permit which must be displayed clearly from the rear view mirror when parking in college parking lots. Students with vehicles without permits may purchase a temporary parking permit from the permit vending machines, located in lots #6, 7, 8, 13, 14 and 15 on the Valencia campus and in lots #2 and 3 on the Canyon Country Campus, which requires \$3.00 in dollar bills or credit/debit cards for an all-day parking permit good in any student lot, on both campuses.
2. No person shall fail to obey any sign or signal erected to carry out these regulations or any section of the California Vehicle Code.
3. Parking is not allowed in any area that does not have a clearly marked stall.

4. Vehicles parked within a stall shall not overlap the lines that designate that stall.
5. All vehicles shall be parked heading into a parking stall.
6. Painted curbs are an indication of restricted parking and the color denotes the type of parking allowed as follows.
 - a. **RED ZONE** - indicates no parking or stopping anytime, whether the vehicle is attended or not.
 - b. **YELLOW ZONE** - indicates a fifteen- (15) minute time limit for loading and unloading vehicles. Vehicles parked in these areas must leave flashers on.
 - c. **GREEN ZONE** - indicates thirty- (30) minute parking as marked.
 - d. **BLUE ZONE** - indicates handicapped persons' parking area only with special permit.
7. No person shall abandon, leave standing, any vehicle or motorized cycle on the campus for 72 or more consecutive hours without permission of the Campus Safety department. Violations will result in vehicle removal and storage.
8. No person shall drive any unlicensed vehicle, nor shall any person stop, park or leave standing any vehicle, whether attended or unattended, upon driveways, paths, or the grounds of College of the Canyons without permission. Any unidentifiable vehicle on campus is subject to removal and storage. Exception is made for district-owned vehicles.

Special Parking Areas

VISITORS - Thirty-minute time areas are designed with green curbs on the Valencia Campus and Canyon Country Campus. If any visitor is going to be in a space for longer than the designated time limit, he/she should purchase a temporary parking permit from the permit vending machines. Located in lots 6, 7, 8, 13, 14 and 15 on the Valencia campus and lots 1, 2 and 3 on the Canyon Country campus.

HANDICAPPED - Several areas on both campuses are designated for handicapped parking. Vehicles parked in these blue-lined parking stalls are required to properly display a California handicapped placard.

STAFF LOTS - Staff members must have properly affixed on their vehicles, a staff parking permit. Staff permits are not valid in handicapped areas or red zones.

MOTORCYCLES - Motorcycles may park in designated motorcycle parking areas located in the south lot 13 and in student lot 4 on the Valencia Campus and in the end caps of each row in lots 1, 2 and 3 on the Canyon Country Campus. A student motorcycle permit is required. A staff permit is required on all motorcycles parking in staff lots.

For additional parking information visit our website at www.canyons.edu/campussafety.

Parking Lot Security

The College provides personnel to patrol the parking lots. However, persons parking on District property do so at their own risk. Santa Clarita Community College District does not assume any responsibility for loss or damage

to vehicles or their contents while parked anywhere on district property.

PATHWAY TO LAW SCHOOL

The Pathway to Law School is a California Community College initiative in partnership with eight California law schools to increase the diversity in the legal profession. The purpose of the Program is to provide a pathway to a law school education for students whose post-secondary education begins at the community college level. This program will provide a clear pathway from community college to law school, after obtaining a Bachelor's degree. For more information about the program please visit www.canyons.edu/lawschoolpathway.

PERFORMING ARTS CENTER

The Santa Clarita Performing Arts Center at College of the Canyons is the cultural center for the Santa Clarita Valley. It opened in 2004 and provides performance space for college instructional productions, professional and community entertainment and informational programs. Developed in partnership with the City of Santa Clarita, the PAC boasts a spectacular proscenium theater seating 886 and a state-of-the-art sound system, as well as an experimental "black box" theater. Information may be found at www.canyonspac.com.

PHYSICAL EDUCATION/ATHLETICS (KPEI)

The college has 17 intercollegiate Cougar athletic teams that compete in the Western State Conference. Cougar men's teams compete in baseball, basketball, soccer, cross country, football, golf, swimming, and track and field. Cougar women's teams compete in basketball, cross country, golf, soccer, softball, swimming, tennis, track and field, and volleyball. Intercollegiate athletic competition is governed by the California Community College Commission on Athletic Association. Information may be found at cocathletics.com

To be eligible for intercollegiate competition, student athletes must be enrolled in a minimum of 12 units during the season of sport (nine of these units must be degree applicable). Between seasons of sport, student athletes are required to complete 24 units, 18 of which must be degree applicable, with a 2.0 grade point average. Consult the athletic director or athletic counselor (in WPEK-107) to determine athletic eligibility and to complete a student educational plan.

STUDENT HEALTH & WELLNESS CENTER

The mission of the Student Health & Wellness Center is to keep students physically and emotionally healthy so they can succeed in school and life. Quality clinical services, innovative health promotion activities, and referrals to on and off campus resources. The health center provides assistance with securing affordable health insurance, homelessness, and food insecurity. All services are provided in a caring, confidential, cost effective and convenient manner for COC students.

Eligibility

Full-or part-time students, who have paid enrollment fees and are currently enrolled and active in classes are eligible for services.

Cost

No charge is made for most services. A nominal fee is charged for certain laboratory tests, immunizations, and prescription medications.

Personnel

A registered nurse and/or nurse practitioner/physician assistant, medical assistant, mental health counselors and a case manager are available by appointment during Student Health & Wellness Center hours.

Services include:

- Treatment of acute illness and minor injuries
- Mental-health counseling
- Blood pressure checks
- Family planning: information, pap tests, birth control, pregnancy tests
- Screening and treatment for sexually transmitted infections
- Assistance with Covered California, Medi-Cal, and FamilyPACT applications
- Vaccinations
- Referrals to physicians and other community agencies
- First aid
- T.B. assessment/skin test
- Laboratory testing

Treatment of a Minor

Any student under the age of 18 is required to have a parental consent form signed prior to receiving treatment, except in emergencies or cases exempted by state law. A minor student's parent must sign permission for treatment at time of enrollment.

Accident Insurance

Accident insurance is included in the student health fee and provides on-campus accident coverage while attending college or college-sponsored activities. It is recommended that each student carry voluntary insurance coverage for off-campus emergencies and illnesses.

Information on various health insurance options may be obtained in the Student Health & Wellness Center, Student Center, room STCN-122 on the Valencia Campus and in Building 1B on the Canyon Country Campus or call (661) 362-3259 for further information.

Health Recommendation

Each student should be free from any communicable disease. It is strongly recommended that student immunizations are current, including two doses of the measles-mumps-rubella vaccine and a tetanus-diphtheria-pertussis (Tdap) vaccination within the past 10 years.

TRANSFER CENTER

The Transfer Center serves as a clearing house for transfer activities and information. The Transfer Center provides a variety of services and information for students who are interested in transferring to a four-year college or university.

In the Transfer Center, students will receive assistance in reaching their transfer goals. In addition, the center offers workshops to assist transfer-ready students in completing admission's applications, the writing of personal statements and the overall knowledge of the transfer process.

University representatives are available by appointment to provide counseling on up-to-date information on their admission requirements, financial aid, housing facilities, majors and much more. Also available is a one unit CSU transferable course entitled, Counseling 120 "University Transfer Planning."

Students may obtain additional information by visiting the Transfer Center, Canyons Hall, room 214, on the Valencia Campus and Building 1C on the Canyon Country Campus or by calling (661) 362-3455. Please go to the website at www.canyons.edu/transfercenter to get information on activities and events.

UNIVERSITY CENTER

The Dr. Dianne G. Van Hook University Center affords students the opportunity to earn selected bachelor's and master's degrees or credential programs from one of several accredited colleges and universities on the College of the Canyons Valencia Campus.

The University Center is home to numerous colleges and universities committed to making degree programs readily available to residents and employers of the Santa Clarita Valley. For more information regarding any of the universities and upcoming programs, please call (661) 362-5150 or visit the website at www.cocuniversitycenter.com.

VETERANS RESOURCE CENTER

Building X-9, (661) 362-3469

The Veterans Resource Center (VRC) at College of the Canyons provides a comprehensive program of services for our student veterans.

The center provides the essential components in academic support services for student veterans and staff to compliment classroom learning and college success.

There are VA Education Benefits Advisors, a computer lab, conference table, study desk, hospitality table, information boards, new student veteran initial advisements and orientations, veteran mentors and relevant support programs.

The VRC provides a relaxing place for student veterans to meet, do homework, get help with their classes, find a mentor, receive the latest veteran benefits information,

request Veteran Education Benefits, coordinate with a veteran's network, attend workshops, and meet with veterans' service providers.

The VRC is a centralized resource hub, easily accessible and widely available to all student veterans and veteran dependents. The center's primary goal is to assist veterans for a successful transition to academic life.

Veteran Education and Vocational Programs

College of the Canyons provides assistance to veterans for the following benefit programs:

- **Chapter 30** - Active Duty Educational Assistance Program, Montgomery GI Bill
- **Chapter 31** - Vocational Rehabilitation
- **Chapter 33** - Post-9/11 GI Bill
- **Chapter 35** - Survivors and Dependents Educational Assistance Program
- **Chapter 1606** - Selected Reserve Educational Assistance Program
- **Chapter 1607** - Reserve Educational Assistance Program (REAP)

Veteran Registration

Veterans may be eligible for priority registration for 15 years following their discharge from active duty. In order to be eligible, veterans must take a copy of their DD214 discharge papers to the Veteran Resource Center. Active duty military need to show proof of their military ID and orders. Once a level 1 registration date has been assigned you can view it through your My Canyons student account.

Veterans seeking to use VA Educational Benefits apply online at www.gibill.va.gov for their Certificate of Eligibility. One copy must be given to the Veteran Resource Center. For questions regarding pay, Certificate of Eligibility or benefits call 1-888-GIBILL-1. While waiting for the Certificate of Eligibility, students are advised to complete the College of the Canyons enrollment process, such as completing the online admission application and, if required, proceed with completing the placement test and online orientation.

Veterans that wish to receive Veterans Education Benefits should only register for classes required to complete their VA approved program on or after their assigned registration date/time. Check with the Veteran Resource Center for a list of VA approved programs.

Veteran Financial Aid

Other financial aid may be available by completing a FAFSA application (Free Application for Federal Student Aid) only at www.fafsa.gov. For additional information:

- Contact the Veteran Resource Center at (661) 362-3469 or email veterans@canyons.edu. Additional information is available at <http://www.canyons.edu/offices/va/Pages/default.aspx>.

Veteran Residency

College of the Canyons adheres to the Veterans Access, Choice, and Accountability Act of 2014 (VACA Act).

College of the Canyons exempts students from non-resident tuition who are members of the armed forces of the United States stationed in this state on active duty, except those assigned to California for educational

purposes. A student who is a natural or adopted child, stepchild, or spouse who is a dependent of a member of the armed forces who is classified as a California resident is also exempt from non-resident tuition. A qualified veteran and/or dependent who reside in California and are attending a California school within 3 years of discharge will receive Resident Tuition Rate.

Schedule of Fees For Veterans

Fees are due at the time of registration each semester or each time materials are acquired or services rendered, unless you are eligible for the Post 9/11 GI Bill (Chapter 33) or VA Vocational Rehabilitation (Chapter 31) and establish a sponsor account. Fees must be paid at the time of registration. Any fees that are not covered by the Department of Veteran Affairs are the student's responsibility. If all fees are not paid at the time of registration, the student will be removed from all courses.

Veteran Benefits Initial Advisement and Orientation must be completed in the Veteran Resource Center in order to begin the process of certification for VA Education or Vocational Benefits. Certification may take 2-3 weeks during peak times for processing. A request for VA payment must be submitted to the College of the Canyons Veteran Resource Center every term via a VP-20 form in order to initiate the process for benefits and if you are eligible for Chapter 31 or 33, this will help to avoid being dropped from courses for non-payment.

Prior Credit, CFR 521.4253 (d) (3)

All prior credit must be reviewed and credit granted as appropriate to an approved program that has been selected by the veteran student. Whenever a student initially enrolls or changes programs a Veteran Student Education Plan (VA SEP) must be completed before a request for VA Education Benefits can be processed.

Repeating Courses

Courses that are failed or for which the grade does not meet minimum requirements for graduation may be certified for VA purposes if they are repeated.

Classes that are successfully completed may not be certified again for VA purposes if they are repeated. However, if a student fails a class, or if a program requires a higher grade than the one achieved in a particular class for successful completion, that course may be repeated and certified to VA again.

Example 1, if a nursing program requires a "B" or better in biology, then that class may be repeated if a "B" or better was not earned. That requirement must be in the school catalog.

Example 2. If a course is required for graduation, a student may repeat the course and be certified for it until it is successfully completed. No further information needs to be provided to VA regarding those courses.

Example 3. If a student chooses to repeat a course that was successfully completed, just to improve their GPA, that course cannot be certified to VA.

Academic Counseling for Veteran Students

Veteran students using benefits must complete the matriculation process as required of all students. The new student advisement is especially important for

veterans because the veteran is required to select an approved program and can only receive benefits for taking courses that are required to complete the approved program. The first-semester education plan is helpful in selecting classes for the first term and can be used for VA Education Benefits.

Veterans using benefits may schedule counseling appointments with a Veterans Academic Counselor or with general counseling. Veteran students should be reminded that all transcripts must be submitted and all prior credit must be evaluated. The counselor will create a SEP which is written to the VA standards and used in the certification process.

Veterans Attendance Standards

Veterans are expected to adhere to all school attendance policies. In addition to the schools policy, the Veterans Administration regulations (21.4253, 21.4277, 21.4135, and 21.4203) have established a requirement that all schools set standards of attendance and progress for attending veterans. The following guidelines have been developed to meet these requirements.

The last date of attendance /effective date for each course is reported to the VA when a student officially withdraws, is administratively withdrawn or stops attending without officially withdrawing. For VA Education Benefits a W grade is considered punitive and the last date of attendance must be reported to the VA.

All changes in credit must be reported to the Veteran Resource Center using Form VP-30 Veterans Notice of Change in Schedule. If changes are not reported in a timely manner it can cause an overpayment of VA Educational Benefits.

Veteran students that withdraw from classes as a result of a conflict with military duty may request MW (military withdrawal) grade in the Veteran Resource Center. When submitting a request for Military Withdrawal you must submit a copy of military orders that demonstrate a conflict with completing registered courses.

Probation and Disqualification of Veterans Benefits

The law requires that educational assistance benefits to veterans and other eligible persons be discontinued when the student ceases to make satisfactory progress toward completion of his or her training objective. Benefits can be resumed if the student reenrolls in the same educational institution and in the same program. In other cases, benefits cannot be resumed unless VA finds that the cause of the unsatisfactory attendance, conduct or progress has been removed and the program of education or training to be pursued by the student is suitable to his or her aptitudes, interests, and abilities.

The VA is notified of unsatisfactory progress and academic progress. It is important to note poor academic standing may impact your education or vocational benefits.

- Academic probation means that your cumulative GPA at COC is below a 2.0.
- Progress probation means that more than half of the total number of classes you have attempted have ended up with Incompletes, Withdrawals, or No Pass notations.

For more information on academic standing please see the Academic Counselor.

INTERNSHIPS AND WORK EXPERIENCE

The Internships Department is part of the Career Center. Internships allow students to apply knowledge gained in courses to an actual work setting and allows students to sample career choices to help them select a major that is right for them.

Students earn CSU transferable units by registering in an internship course, Cooperative Work Experience Education (CWE). CWE courses are integrated into programs throughout the College. Students may also earn college credit for their current job by enrolling in CWE General Work Experience.

Information regarding eligibility is available by calling 661-362-3309. To find out more about how to obtain an internship, visit www.canyons.edu/interns or stop by Career Central X-6 on the Valencia Campus.

Instructional Programs

INSTRUCTIONAL PROGRAMS

College of the Canyons offers credit education in four areas: general education, transfer education, career/technical education and college success skills.

General Education

Many courses are taken by students to meet general education requirements for associate degrees or transfer. These general education requirements are intended to provide students with a broad educational background, so that they may participate in society more completely and benefit from their participation.

Transfer Education

College of the Canyons provides preparation for transfer to four-year colleges and universities in a variety of majors. The transfer courses are articulated to either or both the California State University and University of California systems (designated in the course description as CSU and UC courses, respectively) as well as other transfer institutions.

Career Education

Career Education programs at College of the Canyons include courses that enable students to acquire or update job skills or prepare for transfer to technical programs at four-year institutions. All career programs firmly support the principle of gender equity: all students are encouraged and supported to enter and complete any career program whether or not it has been a “traditional” field for their gender.

College Success Skills

Many courses in the English and mathematics departments are oriented toward allowing students to develop language (reading, spelling and writing) or mathematics skills (basic arithmetic through high school courses) that are needed for college success.

SPECIAL COURSES

Special Topics

Courses listed as 198 (transferable) or 098 (non-transferable) or 097 (non-degree applicable) are offered in a department to add depth to the course offerings. Special topics courses in a department’s curriculum offer the same pedagogy but with a focus area that changes from term to term. Topics are differentiated from one another within the department offering by a unique letter designation after the number (i.e. 198 A, B, C).

Experimental Courses listed as 199 or 099

An experimental course is offered with the intent to eventually make it part of the regular curriculum. Each experimental course is designated with the number 099 (non-transferable) or 199 (transferable).

COURSE DESCRIPTIONS

Course descriptions are arranged alphabetically by subject discipline and are distinguished by identifying numbers and course titles.

The credit value of each course is indicated in semester units. Each unit represents one hour per week of lecture or recitation, or a longer time in laboratory or activity classes.

Repeatability

Some courses may be repeated for credit, but only if explicitly indicated in the description. Unless otherwise indicated, a course may only be taken once for credit. Students wishing to repeat a course for the purpose of recalculating the grade point average should refer to the policy regarding “Course Repetition.”

Below each course title, the units, hours, prerequisites, and course description is given. Students should read this material carefully to ensure that they are qualified to take the course and that the course content meets their needs and interests.

In many areas, courses are intended to be taken in sequence. This is especially true in mathematics, the sciences, foreign languages and English. In these cases, credit will not be given for a lower-level course after receiving credit for a higher-level (i.e., no credit is earned for Spanish I if it is taken after credit has been earned for Spanish II, etc.)

A Schedule of Classes is issued at the opening of the fall, winter, spring and summer terms, and lists the courses to be offered.

Course Identification Numbering System (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a Schedule of Classes or Catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college’s course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

CLASSES THAT DO NOT PROVIDE CREDIT School of Personal and Professional Learning (formerly Continuing Education - Noncredit)

School of Personal and Professional Learning classes, also known as “noncredit,” are financially supported by the state of California and are offered tuition-free. The classes are designed to provide students with a high-quality learning experience. Tuition-free classes include GED Preparation, ESL (English as a Second Language) and Citizenship Courses. These classes are offered as the State’s funding agenda permits. Some courses may require a materials fee or the purchase of a textbook. These classes do not earn college credit. For more information please call the School of Personal and Professional Learning at (661) 362-3304 or visit www.canyons.edu/CE.

Community Education

The Community Education Program provides learning opportunities for the entire community through short-term classes in a variety of topics, including: short-term vocational programs, summer youth programs; traffic school; driver’s education; and hundreds of online classes in a wide variety of subjects. None of the classes earn college credit and are offered for a nominal fee. For more information please call the Community Education office at (661) 362-3300 or visit www.canyons.edu/communityed.

PROGRAM/COURSE DESCRIPTION

Program/Course Description

PROGRAM/COURSE DESCRIPTION

ADMINISTRATION OF JUSTICE

The Administration of Justice program focuses on the study of law enforcement in the United States with the primary emphasis on California law, procedures, and evidence. The student gains an insight into the history of law enforcement, the evolution of law, both Constitutional and statutory, investigative techniques, report writing, evidence, and criminal procedure.

Upon successful completion of the Administration of Justice degree program, the student will have a general, but very practical knowledge of modern law enforcement in the United States and an in-depth knowledge of California criminal laws and techniques.

Target occupations typical to this major include Police Officer, Deputy Sheriff, Highway Patrol Officer, Correctional Officer, FBI Agent, DEA Agent, Secret Service Agent, Customs Officer, Border Patrol Officer, Evidence Technician, Security Officer, Loss Prevention Officer, and Private Investigator.

NOTE:

Most law enforcement agencies have extensive testing procedures prior to hiring including written, oral, and psychological tests and require the applicant to complete additional rigorous academy training prior to being hired. Most federal agencies require a bachelor's degree prior to appointment. Security officers employed in the state of California must take additional courses and pass state approved examinations in order to meet state mandates.

**Associate in Science Degree:
Administration of Justice for Transfer**

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:

- a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T in Administration of Justice. Additional majors are being developed. Please see a counselor or visit www.canyons.edu/student-services/counseling/degrees/aat-ast.php for more information.

Degree and Certificate Student Learning Outcome:
Students will be able to analyze, interpret, and evaluate concepts related to the administration of justice.

Program Requirements:

Units required: 18

	Units
ADMJUS-101 Introduction to Administration of Justice System	3.0
ADMJUS-125 Criminal Law.....	3.0
<i>Plus six units from the following:</i>	
ADMJUS-110 Principles and Procedures of the Justice System	3.0
ADMJUS-135 Criminal Evidence.....	3.0
ADMJUS-155 Criminal Investigation	3.0
<i>Plus six units from the following:</i>	
PSYCH-101 Introduction to Psychology	3.0
<i>OR</i>	
PSYCH-101H Introduction to Psychology - Honors	3.0
<i>AND</i>	
SOCI-101 Introduction to Sociology	3.0
<i>OR</i>	
SOCI-101H Introduction to Sociology – Honors.....	3.0

Associate in Science Degree and Certificate of Achievement: Administration of Justice

Degree and Certificate Student Learning Outcome:
Students will be able to demonstrate proficiency in the core skills and knowledge for academic training in a police academy.

Program Requirements:

Units required: 24

	Units
ADMJUS-101 Introduction to Administration of Justice	3.0
ADMJUS-110 Principles and Procedures of the Justice System	3.0
ADMJUS-125 Criminal Law	3.0
ADMJUS-126 Substantive Criminal Law	3.0
ADMJUS-130 Report Writing for Law Enforcement.....	3.0
ADMJUS-135 Criminal Evidence.....	3.0
<i>Plus six units from the following:</i>	
ADMJUS-150 Police Field Operations	3.0
ADMJUS-155 Criminal Investigation	3.0
ADMJUS-160 Traffic: Enforcement and Investigation	3.0
ADMJUS-175 Organized Crime and Vice	3.0
ADMJUS-180 Dangerous Drugs and Narcotics	3.0
ADMJUS-185 Police-Community Relations	3.0

ADMJUS 101 INTRODUCTION TO ADMINISTRATION OF JUSTICE

Units: 3.00
UC:CSU 54.00 hours lecture
C-ID AJ 110

Recommended Preparation: ENGL-101 or ENGL-101H

Examines due process in criminal proceedings from pre-arrest through trial and the appeal process using statutory law and state and federal constitutional law precedents. Includes an in-depth study of each primary segment of the administration of justice system. UC credit limitation: ADMJUS-101 and 110 combined, maximum credit one course.

ADMJUS 110 PRINCIPLES AND PROCEDURES OF THE JUSTICE SYSTEM

Units: 3.00
UC:CSU 54.00 hours lecture
C-ID AJ 122

Examines due process in criminal proceedings from pre-arrest through trial and the appeal process using statutory law and state and federal constitutional law precedents. Includes an in-depth study of each primary segment of the administration of justice system. UC credit limitation: ADMJUS-101 and 110 combined, maximum credit one course.

ADMJUS 125 CRIMINAL LAW

Units: 3.00
UC:CSU 54.00 hours lecture
C-ID AJ 120

Recommended Preparation: ENGL-101 or ENGL-101H

Presents the historical development, philosophy of law and U.S. Constitutional provisions, including definitions, classification of crimes, concepts of legal research, case law and concepts of law as a social force. Discusses various elements of crimes and relates common law to current California law.

ADMJUS 126 SUBSTANTIVE CRIMINAL LAW

Units: 3.00
CSU 54.00 hours lecture

Presents the substantive laws most often encountered by municipal, county, or state police officers; emphasizing in depth examination of the most common misdemeanor and felony violations of the California law.

ADMJUS 130 REPORT WRITING FOR LAW ENFORCEMENT

Units: 3.00
CSU 54.00 hours lecture

Prepares students to complete police reports consistent with their departments policies, incorporating proper grammar, sentence and paragraph construction, and necessary elements of the incident(s) reported therein.

ADMJUS 135 CRIMINAL EVIDENCE

Units: 3.00
CSU 54.00 hours lecture
C-ID AJ 124

Introduces the fundamentals of evidence in a law enforcement context including relevant constitutional issues, Supreme Court decisions, and the California and Federal Rules of Evidence.

ADMJUS 150 POLICE FIELD OPERATIONS

Units: 3.00
CSU 54.00 hours lecture

Explores the theories, philosophies, and concepts related to the role of the line law enforcement officer, including patrol, traffic, and public service responsibilities and their relationship to the administration of justice.

ADMJUS 155 CRIMINAL INVESTIGATION

Units: 3.00
CSU 54.00 hours lecture
C-ID AJ 140

Introduces the basic principles of investigation utilized in the justice system, including how to deal with the public, knowledge of crime scenes, interviews, evidence, surveillance, follow-up, technical resources, and the role of the investigator in case preparation for trial.

ADMJUS 160 TRAFFIC: ENFORCEMENT AND INVESTIGATION

Units: 3.00

CSU 54.00 hours lecture

Examines traffic collision investigation, including basic reporting requirements, classification and determination of the cause of collisions, and traffic control and enforcement.

ADMJUS 175 ORGANIZED CRIME, GANGS, AND VICE

Units: 3.00

CSU 54.00 hours lecture

Introduces the history of gangs and organized criminal enterprises including the social, political and legal influences of organized crime and its impact on crime in the United States.

ADMJUS 180 DANGEROUS DRUGS AND NARCOTICS

Units: 3.00

CSU 54.00 hours lecture

Presents law enforcement's role in the prevention of narcotics and dangerous drug sales and use, including the study of laws pertaining to controlled substances, detailed identification of drugs, symptoms of use, sales and packaging and investigative techniques.

ADMJUS 185 POLICE-COMMUNITY RELATIONS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID AJ 160

Presents a study of the roles of the law enforcement agencies and their interaction with the community. Emphasizes professionalism and the development of positive relationships between law enforcement and the public.

ANIMATION

(See Media Entertainment Arts)

ANTHROPOLOGY

Anthropology is a scientific discipline that studies human beings from a biological and cultural (bio-cultural) perspective using data, methodology and research results from biological science and social science and behavioral science disciplines under the paradigm of evolution. Physical (biological) anthropology studies humans and their animal relatives, both living and extinct, primarily as species originating in the natural world. Cultural (social-cultural) anthropology complements physical anthropology through the observation and recording of the broad range of human diversity using ethnographic data collected from participant observer field studies and ethnohistorical accounts. Archaeology, the study of human life ways in the past, adopts a strategy similar to cultural anthropology but relies mainly on evidence from the material culture of a people as well as on the use of specialized field, laboratory and preservation methods rather than upon ethnographic information provided by informants. Students who complete introductory courses in anthropology are equipped to understand those complex interactions between human biology, culture, technology and language that have enabled our species to evolve and adapt to the natural world, a foundation important for their future success as upper-division and graduate level university students. An associate degree in Anthropology is not offered.

Associate in Arts for Transfer Degree: Anthropology

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.

- b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
- 2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Anthropology. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree and Certificate Student Learning Outcome:

Students will be able to Analyze and interpret modern humans, and human ancestors, from biological and cultural perspectives.

Program Requirements:

Units required: 20-21

	Units
ANTHRO-101 Physical Anthropology	3.0
<i>OR</i>	
ANTHRO-101H Physical Anthropology – Honors.....	3.0
ANTHRO-103 Cultural Anthropology	3.0
<i>OR</i>	
ANTHRO-103H Cultural Anthropology – Honors.....	3.0
ANTHRO-105 Introduction to Archeology	3.0
<i>Plus five units from the following:</i>	
ANTHRO-101L Physical Anthropology Laboratory ...	1.0
MATH-140 Introductory Statistics	4.0
<i>OR</i>	
MATH-140H Introductory Statistics – Honors.....	4.0
<i>OR</i>	
PSYCH-104 Statistics for the Behavioral Sciences.....	4.0
<i>OR</i>	
SOCI-137 Statistics for the Social Sciences.....	4.0
<i>Plus three to four units from the following:</i>	
BIOSCI-201 Introduction to Human Anatomy	4.0
GEOL-101 Physical Geology	3.0
GEOL-101L Physical Geology Lab.....	1.0

GIS-101	Introduction to Geographical Information Systems.....	3.0
PSYCH-103	Introduction to Behavioral Research Methods	3.0
SOCI-102	Introduction to Sociological Research Methods	3.0
<i>Plus three units from the following:</i>		
ANTHRO-210	Indians of California.....	3.0
ANTHRO-220	Magic, Witchcraft and Religion.....	3.0
GEOG-102	Human Geography	3.0
PHILOS-220	introduction to Comparative Religion.....	3.0
SOCI-106	Introduction to Race and Ethnicity...3.0	

ANTHRO 101 PHYSICAL ANTHROPOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

Focuses on the evolution of the human species and non-human primates primarily from the biological perspective. Topics include human heredity and population genetics, primate behavior and conservation, the human fossil record, and modern human variation.

ANTHRO 101H PHYSICAL ANTHROPOLOGY-HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

Focuses on the evolution of the human species and non-human primates primarily from the biological perspective. Topics include human heredity and population genetics, primate behavior and conservation, the human fossil record, and modern human variation. Additional reading, writing, and research techniques are required.

ANTHRO 101L PHYSICAL ANTHROPOLOGY LABORATORY

Units: 1.00

UC:CSU 54.00 hours lab

C-ID ANTH 115L

Co-requisite: ANTHRO-101 or ANTHRO-101H

A laboratory course in physical anthropology designed primarily for non-science majors. A half-day field trip is required.

ANTHRO 103 CULTURAL ANTHROPOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ANTH 120

Presents the nature of humankind, culture, and society, including the concepts and theories used for their analysis and understanding. Prehistory and cultural growth, social organization, family systems, politics and economics, war, religion, values, culture shock, and applied anthropology are examined.

ANTHRO 103H CULTURAL ANTHROPOLOGY - HONORS

Units: 3.00
 UC:CSU 54.00 hours lecture
 C-ID ANTH 120

Recommended Preparation: ENGL-101 or ENGL-101H
 Presents the nature of humankind, culture, and society, including the concepts and theories used for their analysis and understanding. Prehistory and cultural growth, social organization, family systems, politics and economics, war, religion, values, culture shock, and applied anthropology are examined. Additional reading, writing and research techniques are required in the honors section.

ANTHRO 105 INTRODUCTION TO ARCHEOLOGY

Units: 3.00
 UC:CSU 54.00 hours lecture
 C-ID ANTH 150

Examines archaeology and human prehistory from an interdisciplinary perspective, including methods for excavation, dating, interpretation, and conservation of items of material culture. Topics include past social systems, the process of cultural change throughout human history, and the relevance of archaeological studies to contemporary social issues. Archaeological ethics regarding human remains, looting, preservation, cultural resource management and the role of indigenous peoples are examined. Field trips may be required.

ANTHRO 210 INDIANS OF CALIFORNIA

Units: 3.00
 UC:CSU 54.00 hours lecture

Examines Native American cultures of California from prehistoric times to the present, including geographic origins, settlement areas, technology, subsistence patterns, social organization, religion, folklore, material culture and current social issues.

ANTHRO 220 MAGIC, WITCHCRAFT AND RELIGION

Units: 3.00
 UC:CSU 54.00 hours lecture

Explores the cross-cultural phenomena of religion, witchcraft and magical behavior from an anthropological perspective and how it can affect social controls, cultural change, and healing practices. Topics include mythology, rituals, altered states of consciousness, the soul, religious specialists and modern religious movements.

ARCHITECTURAL DRAFTING

Associate in Science Degree: Architectural Drafting and Technology

The Architectural Drafting program is designed to prepare students for careers in the industry as drafters or related occupations, and/or transfer to a four- or five-year architectural program. Drafting technicians are in short supply, affording many employment opportunities for qualified individuals. The program provides students with entry-level skills and knowledge in the fields of computer and architectural drafting. Competencies include knowledge in AutoCAD generated drawings, current practices in architectural drafting and construction technology, 2-D and 3-D drawings, drafting techniques such as clarity, line weight expression and accuracy.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core knowledge and skills required for employment in architectural computer-aided drafting

Program Requirements:

Units Required: 36

	Units
ARCHT-110 Architectural Drafting	3.0
ARCHT-120 Design I - Elements of Architectural Design	3.0
ARCHT-140 Materials and Methods of Construction	3.0
ARCHT-160 2-D CAD for Architecture and Interior Design	3.0
ARCHT-180 Codes and Zoning Regulations	3.0
ARCHT-190 Design II - Space Planning	3.0
ARCHT-200A Sustainable Development and Environmental Design	3.0

Plus fifteen units from the following:

ARCHT-200B Design III - Environmental Design Lab	3.0
ARCHT-220 Advanced 2-D CAD for Architecture and Interior Design	3.0
ARCHT-240 Architectural Design Portfolio	3.0
ARCHT-270 Advanced 3-D CAD and Building Information Modeling (BIM)	3.0
ARCHT-280 Design IV – Advanced Design	3.0
ID-114 Architecture and Interiors History: Antiquity - Classical Revival	3.0
ID-115 Architecture and Interiors History: Classical Revival - Post Modern	3.0

ARCHITECTURAL DRAFTING

Recommended electives:

ARCHT-084	Digital Illustration for Architecture and Interior Design	2.0
ARCHT-100	Careers in Architecture, Interior Design and Related Fields	1.0
ARCHT-260	3-D CAD for Modeling/Animation.....	3.0
ID-102	Applied Color for Designers.....	3.0
ID-104	Rapid Visualization and Perspective ... Illustration	3.0
ID-207	Residential Design.....	3.0

Certificate of Achievement: Architectural Drafting

The architectural drafting program is designed to prepare students for careers in industry as drafters or related occupations, and/or transfer to a four or five-year architectural program. Drafting technicians are in short supply, affording many employment opportunities for qualified individuals. The program provides students with entry-level skills and knowledge in the fields of computer and architectural drafting. Competencies include knowledge in AutoCAD generated drawings, current practices in architectural drafting and construction technology, 2-D and 3-D drawings, drafting techniques such as clarity, line weight expression and accuracy, to name a few.

Upon completion of the program, students will be prepared for entry-level drafting positions. An associate degree and certificate can be earned in architectural drafting.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core knowledge and skills required for employment in architectural drafting.

Program Requirements:

Units Required: 31

		Units
ARCHT-100	Careers in Architecture, Interior Design and Related Fields	1.0
ARCHT-110	Architectural Drafting	3.0
ARCHT-140	Materials and Methods of Construction	3.0
ARCHT-160	2-D CAD for Architecture and Interior Design	3.0
ARCHT-180	Codes and Zoning Regulations	3.0
ARCHT-190	Design II - Space Planning	3.0
ARCHT-220	Advanced 2-D CAD for Architecture and Interior Design	3.0
ARCHT-240	Architectural Design Portfolio	3.0
ARCHT-260	3-D CAD for Modeling/Animation	3.0
ARCHT-270	Advanced 3-D CAD and Building Information Modeling (BIM)	3.0

ID-114	Architecture and Interiors History: Antiquity - Classical Revival	3.0
<i>OR</i>		
ID-115	Architecture and Interiors History: Classical Revival - Post Modern.....	3.0

Certificate of Achievement: Sustainable Design and Development

Sustainably designed (Green) buildings continue to be the fastest growing sector of the construction industry in the United States. This growth can be attributed, in part, to third-party voluntary certification systems such as LEED (Leadership in Energy and Environmental Design), which have gained tremendous momentum over the past decade. Similarly, the California Green Building Code (CALGreen), first adopted statewide in 2009, now mandates that a significant portion of commercial and residential construction in California be designed and constructed to meet a new range of sustainable and energy saving measures. In addition, post occupancy energy consumption mandated reviews are now required. Updated versions of the CALGreen code will be adopted by the state on a three year cycle (<http://www.bsc.ca.gov/Home/CALGreen.aspx>).

The design and construction of Green Buildings address the following environmental issues:

- Climate change
- Resource depletion
- Water consumption
- Degradation of ecosystems/habitat
- Indoor environmental quality
- Occupant comfort and productivity

As a result of the rapidly growing market for green building sector certifications and code compliance documentation, educational resources must adapt to meet the needs of the marketplace and to keep pace with these new sustainable technologies and advancements.

This certificate provides training related to both CalGreen and LEED Certification, thus preparing students to sit for the LEED Green Associate Examination (LEED GA)

Certificate Student Learning Outcome:

Students will be able to demonstrate the knowledge and skills required to work in the green building industry.

Program Requirements:

Units Required: 18.5

		Units
ARCHT-085	Introduction to the LEED Rating System	0.5
ARCHT-086	Project Site Factors	0.5
ARCHT-087	Sustainable Materials and Indoor Environmental Quality	0.5
ARCHT-088	Innovation in Design and Regional Priorities	0.5

ARCHT-089	Green Building Economics	0.5
ARCHT-090	LEED Online Documentation and Processing.....	0.5
ARCHT-091	Green Building Control Systems and Resource Efficiency.....	1.0
ARCHT-095	LEED Green Associate (GA) Test Preparation	0.5
ARCHT-200A	Sustainable Development and Environmental Design	3.0

*Plus a minimum of eleven units
from the following courses:*

ARCHT-110	Architectural Drafting	3.0
ARCHT-140	Materials and Methods of Construction	3.0
ARCHT-180	Codes and Zoning Regulations	3.0
ARCHT-200B	Design III - Environmental Design Lab	3.0
CONST-102	Construction Management Principles.....	3.0
CONST-103	Blue Print Reading for Construction	3.0
CONST-105	Construction Estimating Principles.....	3.0
CWE-186ID	Cooperative Work Experience	
	Education Interior Design (Unpaid).....	1.0 - 2.0
CWE-188ID	Cooperative Work Experience	
	Education Interior Design (Paid).....	1.0 - 2.0
ENGL-094	Introduction to Technical Reading and Writing	3.0
ID-110	Architectural Drafting	3.0
ID-111	Kitchen and Bath Design.....	3.0
ID-113	Interior Design Materials and	3.0
	Specifications	3.0
SPAN-150	Beginning Conversational Spanish.....	3.0
WATER-120	Introduction to Water Systems	3.0
	Technology	3.0
WATER-132	Water Supply	3.0
WATER-135	Water Quality.....	3.0

Certificate of Specialization: Architectural Computer Aided Drafting

Students will complete a series of Architectural Drafting Computer Aided Drafting (CAD) courses to become proficient in a high-skilled specialization that is in high demand.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core knowledge and skills required for employment in architectural computer aided drafting.

Program Requirements:

Units Required: 15

	Units	
ARCHT-110	Architectural Drafting	3.0
ARCHT-160	2-D CAD for Architecture and Interior Design	3.0
ARCHT-220	Advanced 2-D CAD for Architecture and Interior Design	3.0
ARCHT-260	3-D CAD for Modeling/Animation	3.0
ARCHT-270	Advanced 3-D CAD and Building Information Modeling (BIM)	3.0

Certificate of Specialization: Sustainable Design and Development

Provides the green collar workforce with a practical training approach to sit for the LEED GA Accreditation exam. Courses consist of focused study in each LEED category. The certificate is most applicable to architectural practices, interior design, construction technology, building management, construction management, building inspection, landscape architecture and planning, as well as related fields with an economic life-cycle approach to the built environment.

Certificate Student Learning Outcome:

Students will be able to possess technical knowledge of green building design and construction in order to meet the requirements for accreditation testing.

Program Requirements:

Units Required: 4.5

	Units	
ARCHT-085	Introduction to the LEED Rating System	0.5
ARCHT-086	Project Site Factors	0.5
ARCHT-087	Sustainable Materials and Indoor Environmental Quality	0.5
ARCHT-088	Innovation in Design and Regional Priorities	0.5
ARCHT-089	Green Building Economics	0.5
ARCHT-090	LEED Online Documentation and Processing.....	0.5
ARCHT-091	Green Building Control Systems and Resource Efficiency.....	1.0
ARCHT-095	LEED Green Associate (GA) Test Preparation	0.5

ARCHT 084 DIGITAL ILLUSTRATION FOR ARCHITECTURE AND INTERIOR DESIGN

Units: 2.00

18.00 hours lecture, 54.00 hours lab

Introduces graphic illustration software for architecture and interior design presentations. Same as ID-084.

ARCHT 085 INTRODUCTION TO THE LEED RATING SYSTEM

Units: 0.50

9.00 hours lecture

Introduces the LEED Rating System point structure, overview of the various LEED credits and an introduction to the LEED online application process. Units do not apply to the associate degree and offered pass/no pass only.

ARCHT 086 PROJECT SITE FACTORS

Units: 0.50

9.00 hours lecture

Defines and explores factors involved in sustainable site development, including Brownfield redevelopment and best practices for stormwater, landscape and transportation design. Field trip to a Brownfield site is required. Units do not apply to the associate degree and offered pass/no pass only.

ARCHT 087 SUSTAINABLE MATERIALS AND INDOOR ENVIRONMENTAL QUALITY

Units: 0.50

9.00 hours lecture

Provides an overview of sustainable building material selection for exterior and interior applications pursuing LEED certification credits. Indoor environmental health considerations such as indoor air quality, ventilation, interior lighting and acoustical quality will also be introduced. Units do not apply to the associate degree and offered pass/no pass only.

ARCHT 088 INNOVATION IN DESIGN AND REGIONAL PRIORITIES

Units: 0.50

9.00 hours lecture

Introduces innovative sustainable building design strategies, emphasizing emerging trends that address pressing regional environmental issues. Units do not apply to the associate degree and offered pass/no pass only.

ARCHT 089 GREEN BUILDING ECONOMICS

Units: 0.50

9.00 hours lecture

Provides strategies on the application of economic principles to assess and balance the competing environmental and resource demands involved in the construction of the built environment. Factors analyzed will include the waste assimilation capacity of the environment, resource decision making based on market economy, building efficiency and lifecycle cost analysis. Units do not apply to the associate degree and offered pass/no pass only.

ARCHT 090 LEED ONLINE DOCUMENTATION AND PROCESSING

Units: 0.50

9.00 hours lecture

Introduces students to LEED Online, the internet based interface for submitting credit compliance information to the Green Building Certification Institute for a project's prospective LEED certification. Units do not apply to the associate degree and offered pass/no pass only.

ARCHT 091 GREEN BUILDING CONTROL SYSTEMS AND RESOURCE EFFICIENCY

Units: 1.00

18.00 hours lecture

Presents the efficient use and conservation of energy resources for environmental control systems in green buildings, including heating, cooling, ventilation and lighting. Topics include the use of automated solar control, cross and stack ventilation, daylighting methods and an introduction to mechanical systems for interior environment control in green buildings. Emphasis on sustainable building technology use in the design of environmental control systems. Units do not apply to the associate degree and offered pass/no pass only.

ARCHT 095 LEED GREEN ASSOCIATE TEST PREPARATION

Units: 0.50

9.00 hours lecture

Prepares students for the LEED Green Associate (GA) exam through a structured program that includes introduction to studying methodologies, test taking strategies and in-class practice testing. Units do not apply to the associate degree and offered pass/no pass only.

ARCHT 096L ARCHITECTURAL DRAFTING CAD LAB

Units: 1.00

54.00 hours lab

A lab for the currently-enrolled student who wishes to increase skills through the use of the CAD lab facility. Note: Students must attend faculty supervised weekly scheduled class time posted in printed schedule. Hours must be accrued at a time separate from any other class in which the student is also registered. This course is not a required course for any certificate or degree in the architecture program. Units do not apply to the associate degree.

ARCHT 100 CAREERS IN ARCHITECTURE, INTERIOR DESIGN AND RELATED FIELDS

Units: 1.00

CSU 18.00 hours lecture

Surveys careers in architecture, interior design and related fields, including degree requirements, transfer institutions, income, and employment opportunities. Field trips may be required. (Same as ID-100)

ARCHT 110 ARCHITECTURAL DRAFTING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Presents current practices in architectural drafting and construction technology focusing on a small single family residence. Drafting techniques will emphasize clarity, line weight expression and accuracy. Same as ID-110.

ARCHT 120 DESIGN I - ELEMENTS OF ARCHITECTURAL DESIGN

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

Introduces fundamentals of the 2D and 3D design process including the design and representation of architectural form, space and organization.

ARCHT 140 MATERIALS AND METHODS OF CONSTRUCTION

Units: 3.00

CSU 54.00 hours lecture

Introduces principles, materials, methods, and processes of traditional and sustainable construction. Combines both theory and practical application. Field trips are required.

ARCHT 160 2-D CAD FOR ARCHITECTURE AND INTERIOR DESIGN

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: ARCHT-110 or ID-110

Presents drawing and editing commands and procedures to complete basic 2-D CAD drawings for an architectural set of construction documents.

ARCHT 180 CODES AND ZONING REGULATIONS

Units: 3.00

CSU 54.00 hours lecture

Provides an in-depth review of California building codes, ADA or California Title 24 (Disabled Access Regulations based on the Americans with Disability Act), as related to commercial, residential and institutional projects. Students will apply building and zoning codes for the design and drafting in architecture and interior design.

ARCHT 190 DESIGN II – SPACE PLANNING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

*Prerequisite: ID-110 or ARCHT-110**Recommended Preparation: ARCHT-120 and ID-101B*

Interpret required sheets, content, and order for a small set of working drawings for a single story wood frame residence. Same as ID-190.

ARCHT 200A SUSTAINABLE DEVELOPMENT AND ENVIRONMENTAL DESIGN

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces sustainable development and environmental design concepts related to culture, economics, politics, climate, energy systems, architecture and city planning. Field trip may be required.

ARCHT 200B DESIGN III - ENVIRONMENTAL DESIGN LAB

Units: 3.00

CSU 162.00 hours lab

Prerequisite: ARCHT-120 Co-requisite: ARCHT-200A Recommended Preparation: ARCHT-140, ARCHT-190, and ARCHT-110 or ID-110.

A laboratory course focusing on environmental design principles, including climate, energy use, comfort, and materials for envelope load dominated buildings. Field trip may be required.

ARCHT 220 ADVANCED 2-D CAD FOR ARCHITECTURE AND INTERIOR DESIGN

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: ARCHT-160

Presents architectural construction drawings using advanced 2-D CAD commands, including appropriate codes for a two-story wood frame structure.

ARCHT 240 ARCHITECTURAL DESIGN PORTFOLIO

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended Preparation: ARCHT-084

Presents the process of preparing for employment in the architecture industry, including a portfolio of appropriate selection of work, concept improvement and methods of presentation.

ARCHT 260 3-D CAD FOR MODELING/ ANIMATION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: ARCHT-084 or ARCHT-160

Presents advanced computer-aided drafting (CAD) features to create 3-dimensional conceptual drawings.

ARCHT 270 ADVANCED 3-D CAD AND BUILDING INFORMATION MODELING (BIM)

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

*Prerequisite: ARCHT-160**Recommend Preparation: ARCHT-084 or ID-084*

Presents intermediate to advanced architectural CAD in 3-D illustration, rendering and animation. Virtual “walk-through” and “fly-through” of interior/exterior 3-D models with photo-realistic materials and lighting will be produced. Field trips may be required.

ARCHT 280 DESIGN IV - ADVANCED DESIGN

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

*Prerequisite: ARCHT-190, ARCHT-200A, ARCHT-200B**Recommended Preparation: ARCHT-084, ARCHT-260, ARCHT-270, ID-115*

Application of methods and theory used in architectural design projects. Includes graphic technique, design process, site analysis, presentation drawings, construction principles physical and cultural determinants of design and urban form. Portfolio will be produced. Field trip may be required.

ART

The Art Department program at College of the Canyons provides students with introductory courses in the fine arts. The current program offers both studio and lecture sections, and the majority are transferable to University of California, California State University as well as most private art colleges in the nation. The College of the Canyons catalog reflects California State University's lower division requirements for a BA at the freshman and sophomore levels. The art program provides a wide range of skills. Studio courses at the beginning and intermediate levels include: beginning drawing, life drawing, 2-D design, 3-D design, sculpture, two levels of printmaking, painting, watercolor painting, landscape painting and illustration. Art appreciation and art history courses survey the development of art from the Paleolithic period to the present. In addition to developing critical and creative skills, art students have many opportunities to get involved in contemporary art culture. As part of the regular program, students will do many of the following activities: visit local art exhibitions, artists' studios, private collections and art libraries, and gain experience in review writing. The art gallery provides a program of up to five exhibitions a year. While our exhibition schedule represents diversity in culture and style, it also parallels the curriculum of the fine and applied arts departments. The gallery serves as an instructional tool for all visual arts courses, the college at large relationships with other academic departments and the community.

Associate in Arts for Transfer Degree: Art History

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer,” a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California

- State University General Education – Breadth Requirements.
- b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Art History. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to analyze and interpret works of cultural importance.

Program Requirements:

Units Required: 18

	Units
ART-110 Art History: Paleolithic to Renaissance	3.0
ART-111 Art History: Renaissance to Modern	3.0
ART-124A Drawing I	3.0
<i>Plus three units from the following:</i>	
ART-112 Art of Africa, Oceania, and the Indigenous Americas	3.0
ART-116 Asian Art History	3.0
<i>Plus three units from the following:</i>	
ART-124B Drawing II	3.0
ART-140 Beginning Design: Two-Dimensional Media	3.0
ART-141 Beginning Design: Three-Dimensional Media	3.0
ART-235 Sculpture	3.0
PHOTO-155 Photography	3.0
<i>Plus three units from the following:</i>	
ART-115 Art History: U.S and European Modernism	3.0

Associate in Arts Degree: Studio Arts for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer.” a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Studio Arts. Additional majors are being developed. Please see a counselor for more information.

Degree Student Learning Outcome:

Students will be able to critically engage with the world of ideas, both historical and contemporary, enabling them to interpret and understand their place in the world as citizens and active participants in the expression of human culture and values.

Program Requirements:

Units Required: 24

	Units
ART-111 Art History: Renaissance to Modern	3.0
ART-124A Drawing I	3.0
ART-140 Beginning Design: Two-Dimensional Media	3.0
ART-141 Beginning Design: Three-Dimensional Media	3.0

ART

Plus three units from the following:

ART-110	Art History: Paleolithic to Renaissance.....	3.0
ART-112	Art of Africa, Oceania, and the Indigenous Americas	3.0
ART-115	Art History: U.S and European Modernism	3.0
ART-116	Asian Art History	3.0

Plus one course from any of three of the following areas for a maximum of nine units:

Color:

ART-270	Color Theory	3.0
---------	--------------------	-----

Drawing:

ART-124B	Drawing II	3.0
ART-224A	Drawing III – Life Drawing	3.0

Illustration:

ART-222	Illustration I	3.0
---------	----------------------	-----

Painting:

ART-227	Painting I.....	3.0
ART-228	Painting II.....	3.0

Printmaking:

ART-237	Fundamentals of Printmaking.....	3.0
---------	----------------------------------	-----

Sculpture:

ART-235	Sculpture	3.0
---------	-----------------	-----

Associate in Arts Degree: Art

Degree Student Learning Outcome:

Students will be able to analyze and interpret works of cultural importance.

Program Requirements:

Units Required: 24

Units

Choose six units from the following:

ART-110	Art History: Paleolithic to Renaissance.....	3.0
ART-111	Art History: Renaissance to Modern	3.0
ART-115	Art History: U.S and European Modernism.....	3.0
ART-116	Asian Art History	3.0

Plus twelve units from the following:

ART-124A	Drawing I	3.0
ART-124B	Drawing II	3.0
ART-140	Beginning Design: Two-Dimensional Media.....	3.0
ART-141	Beginning Design: Three-Dimensional Media.....	3.0

Plus six units from the following:

ART-220	Watercolor Painting	3.0
ART-222	Illustration I	3.0
ART-227	Painting I.....	3.0

ART-235	Sculpture	3.0
ART-237	Fundamentals of Printmaking.....	3.0

Recommended electives:

ART-224A	Drawing III – Life Drawing	3.0
ART-236	Sculpture II	3.0
ART-238	Printmaking – Intaglio	3.0
ART-295	Professional Skills for Artists	3.0

ART 110 ART HISTORY: PALEOLITHIC TO RENAISSANCE

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ARTH 110

Analyzes major works of art, emphasizing monuments of art on painting, sculpture, and architectures of the Western World from prehistoric times until the Renaissance. Field trip may be required.

ART 111 ART HISTORY: RENAISSANCE TO MODERN

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ARTH 120

Analyzes major works of art emphasizing leading creative movements of the Western World from the Italian Renaissance through the contemporary period. Field trip may be required.

ART 112 ART OF AFRICA, OCEANIA, AND THE INDIGENOUS AMERICAS

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: ENGL-101 or ENGL-101H

Survey of the visual art and culture within select regions of Africa, Oceania, and the Americas. Field trip may be required.

ART 115 ART HISTORY: U.S. AND EUROPEAN MODERNISM

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys the history of architecture, sculpture and painting from the mid-nineteenth century to the present time in Western Europe and North America, emphasizing art of the twentieth century. Museum field trips may be required.

ART 116 ASIAN ART HISTORY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ARTH 130

Recommended Preparation: ENGL-101 or ENGL-101H

Surveys art and architecture from India, Southeast Asia, China, Korea, and Japan from prehistory to modern times. Field trip may be required.

ART 124A DRAWING I

Units: 3.00

UC:CSU 27.00 hours lecture, 81.00 hours lab
C-ID ARTS 110

The beginning course in drawing experiences emphasizing basic drawing techniques in a variety of media and compositional and design fundamentals.

ART 124B DRAWING II

Units: 3.00

UC:CSU 27.00 hours lecture, 81.00 hours lab
C-ID ARTS 200*Recommended Preparation: ART-124A*

Continues the study of drawing focusing on skeletal and muscular structure from a live model, and emphasizing the development of drawing skills to suggest proportion, form, and gesture.

**ART 140 BEGINNING DESIGN:
TWO-DIMENSIONAL MEDIA**

Units: 3.00

UC:CSU 27.00 hours lecture, 81.00 hours lab
C-ID ARTS 100

Introduces the study of the elements and principles of 2-D design with special emphasis on structure, color, and composition; materials may include pencil, gouache, and ink.

**ART 141 BEGINNING DESIGN:
THREE-DIMENSIONAL MEDIA**

Units: 3.00

UC:CSU 27.00 hours lecture, 81.00 hours lab
C-ID ARTS 101

Introduces the basic principles of three-dimensional design with applications in a variety of sculptural media including clay, plaster, wood and paper. Topics include basic design principles, interpretive analysis of form and content and theories of spatial organization. Field trip may be required.

**ART 205 LANDMARKS OF ART AND
VISUAL CULTURE**

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces great works of art and visual culture, both past and present, as a means of stimulating visual, emotional, and intellectual awareness of the artistic heritage of world culture. Field trips may be required.

ART 220 WATERCOLOR PAINTING

Units: 3.00

UC:CSU 27.00 hours lecture, 81.00 hours lab

Introduces the use of transparent watercolor media, including instruction in the techniques of wet into wet, dry brush, glazing and direct painting applications. Field trips may be required.

ART 222 ILLUSTRATION I

Units: 3.00

CSU 27.00 hours lecture, 81.00 hours lab

Prerequisite: ART-124A or ART-140

Introduces materials and techniques used by commercial illustrators. Projects emphasize concept development, style, imagery, and illustrative communication for use in and in combination with advertising, editorial print media, and various publications. Projects are designed to meet professional standards. Field trips may be required.

ART 224A DRAWING III - LIFE DRAWING

Units: 3.00

UC:CSU 27.00 hours lecture, 81.00 hours lab

Recommended Preparation: ART-124A

Presents advanced drawing techniques studying skeletal and muscular structure from the live model, emphasizing the development of drawing skills to suggest proportion, form and gesture.

ART 227 PAINTING I

Units: 3.00

UC:CSU 27.00 hours lecture, 81.00 hours lab
C-ID ARTS 210*Prerequisite: ART-124A or ART-140*

Introduces beginning painting techniques, pictorial design, and composition. Includes exploration of various media such as oil and acrylic. Field trip may be required.

ART 228 PAINTING II

Units: 3.00

UC:CSU 27.00 hours lecture, 81.00 hours lab

Prerequisite: ART-227 or presentation of portfolio

Presents advanced painting techniques including pictorial design, creative interpretation and the use of various media. Field trips may be required.

ART 235 SCULPTURE I

Units: 3.00

UC:CSU 27.00 hours lecture, 81.00 hours lab

Prerequisite: ART-141

Introduces the study of plastic form through the processes of modeling, casting, carving and construction. Emphasis on the development of ideas and personal expression. Materials may include clay, plaster, hydrocal, stone carving, wood carving and mixed media. Field trip may be required.

ART 236 SCULPTURE II

Units: 3.00

UC:CSU 27.00 hours lecture, 81.00 hours lab

Prerequisite: ART-235

Second of a two course sequence in sculpture continuing the student's knowledge of contemporary techniques and materials. Additive, subtractive, manipulation and substitution techniques are further explored.

ART 237 FUNDAMENTALS OF PRINTMAKING

Units: 3.00

UC:CSU 27.00 hours lecture, 81.00 hours lab

Recommended Preparation: ART-124A

Introduces materials and techniques of monotype, etching, silk screen and relief print including wood and linoleum.

ART 238 PRINTMAKING - INTAGLIO

Units: 3.00

UC:CSU 27.00 hours lecture, 81.00 hours lab

Prerequisite: ART-237

Introduces intaglio printmaking techniques and image development, including etching, photo etching, engraving, dry-point and aquatint.

ART 270 COLOR THEORY

Units: 3.00

CSU 27.00 hours lecture, 81.00 hours lab

C-ID ARTS 270

Recommended Preparation: ART-140

Examines the principles, theories, and applications of additive and subtractive color in two-dimensional art. Topics will include major historical and contemporary color systems, production of projects in applied color, and the elements of design as they apply to color. Field trips may be required.

ART 295 PROFESSIONAL SKILLS FOR ARTISTS

Units: 3.00

CSU 27.00 hours lecture, 81.00 hours lab

Emphasizes business and practical skills for a career in the arts, including photographing, documenting, matting, framing, crating, shipping, installation, lighting, resume writing, publicity, visual presentation, preparation of invoices and taxes, contracts, copyright law and portfolio presentation.

ASTRONOMY

Astronomy is the study of the principles and development of the solar system and the galaxies. Astronomy classes include general survey introductory courses for physical science majors or students looking for interesting alternatives to fulfill general education requirements. The following is a sample of career options available for astronomy majors, of which most require a baccalaureate degree, and some require a graduate degree: teacher, astrophysicist and astronomer. An associate degree is not available in astronomy.

ASTRON 100 SURVEY OF GENERAL ASTRONOMY

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys the principal concepts of astronomy including motion, light, telescopes, our solar system, extra-solar planets and the evolution of stars, galaxies and cosmology. UC credit limitation: No credit for ASTRON-100 if taken after 101 or 102.

ASTRON 101 STARS AND GALAXIES

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys stellar and galactic astronomy including the properties of atoms, light, stars, galaxies, and the formation and evolution of the universe. UC credit limitation: No credit for ASTRON-100 if taken after 101 or 102.

ASTRON 101L OBSERVATIONAL ASTRONOMY

Units: 1.00

UC:CSU 54.00 hours lab

Co-requisite: ASTRON-101

Introduces the techniques of observational astronomy. Utilizes star charts, telescopes, and digital cameras to observe and map objects in the sky. Includes an analysis of the properties of light and atoms.

ASTRON 102 OUR SOLAR SYSTEM AND OTHER PLANETARY SYSTEMS

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys the dynamics of our solar system and other planetary systems including Kepler's Laws, motion, planets and their satellites, dwarf planets, comets, meteors and extra-solar planet systems. UC credit limitation: No credit for ASTRON-100 if taken after 101 or 102.

AUTOMOTIVE TECHNOLOGY

Associate in Science Degree and Certificate of Achievement: Automotive Technology

The Automotive Technology program is a comprehensive two-year program designed to prepare students with the industry defined entry-level skills needed for an automotive technician position in a variety of settings including dealerships, independent automotive repair facilities or city/county agencies. Students may opt to complete an associate in science degree or a certificate of achievement in Automotive Technology. The program provides in-depth training with extensive hands-on experiences. In the classroom, students learn the theoretical aspects of automotive diagnosis, repair and service. In the automotive laboratory setting students will experience applying the theory learned in the classroom. Upon completion of the course work required for the certificate or major, students will have achieved competencies in the areas of brakes, suspension, electrical components and wiring, transmissions, engine diagnosis and drivability. While many automobile dealerships require technicians to acquire manufacturer specialty training, the basic skills and knowledge needed to enter specialty training will be obtained in the Automotive Technician program at College of the Canyons.

Degree and Certificate Student Learning Outcome: Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in the automotive industry.

Program Requirements:

Units Required: 37

	Units
AUTECH-110 Introduction to Automotive Technology	4.0
AUTECH-112 Engine Fundamentals for Technicians.....	3.0
AUTECH-113 Engine Overhaul.....	2.0
AUTECH-114 Basic Automotive Electrical Systems.....	3.0
AUTECH-135 Engine Performance.....	4.0
AUTECH-140 Automotive Suspension & Steering Systems.....	3.0
AUTECH-150 Automotive Brake Systems	4.0
AUTECH-170 Automotive Heating, Ventilation and Air Conditioning	3.0
AUTECH-180 Engine Mechanical Maintenance and Light Repair	3.0

AUTECH-185 Automotive Chassis Maintenance and Light Repair 3.0

Plus one course from the following:

AUTECH-120 Automatic Transmissions & Transaxles 5.0

AUTECH-130 Automotive Manual Transmissions and Drive Train Systems 5.0

AUTECH 110 INTRODUCTION TO AUTOMOTIVE TECHNOLOGY

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Introduces an overview of automotive maintenance and repair concepts for the student with little or no background in the automotive field. Covers major vehicle operations including; theory of operation, basic maintenance, lubrication, cooling, fuel, lighting, brakes, tires, ignition system and roadside emergency procedures. Formerly AUTO-090.

AUTECH 112 ENGINE FUNDAMENTALS FOR TECHNICIANS

Units: 3.00

CSU 54.00 hours lecture

Introduces theory and practice in automotive engine repair, including operating principles component identification and diagnosis process of engine failures. AUTECH-112 and AUTECH-113 formerly AUTO-101.

AUTECH 113 ENGINE OVERHAUL

Units: 2.00

CSU 108.00 hours lab

Prerequisite: AUTECH-112

Provides occupational preparation in the skills required for adjustment and repair of modern automobile engine assembly. Emphasis is placed on diagnosis, repair techniques, service procedures, and machining operations. AUTECH-112 and AUTECH-113 formerly AUTO-101.

AUTECH 114 BASIC AUTOMOTIVE ELECTRICAL SYSTEMS

Units: 3.00

CSU 54.00 hours lecture

Introduces the electrical theory and mathematical application required to be successful in the automotive field. Formerly AUTO-103.

AUTOMOTIVE TECHNOLOGY

AUTECH 116 ADVANCED AUTOMOTIVE ELECTRICAL SYSTEMS

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Prerequisite: AUTECH-110 & 114

Examines modern automobile's electrical system as related to the engine and various engine related systems. The theory of operation, operational characteristics and methods of problem diagnosis and repair for the following systems are included; electronic ignition systems, electronic fuel injection, engine management, emission control, charging, cooling and starting. This course prepares the student for the (ASE) Automotive Service Excellence; A-8 Engine Performance Exam and is intended for Automotive majors

AUTECH 120 AUTOMATIC TRANSMISSIONS AND TRANSAXLES

Units: 5.00

CSU 72.00 hours lecture, 54.00 hours lab

Prerequisite: AUTECH-110 & 114

Introduces the theory, operation, diagnosis, service and repair of automatic transmissions and transaxles. Prepares students to take the A2 ASE (Automotive Service Excellence) test. Formerly AUTO-105.

AUTECH 130 AUTOMOTIVE MANUAL TRANSMISSIONS AND DRIVE TRAIN SYSTEMS

Units: 5.00

CSU 72.00 hours lecture, 54.00 hours lab

Prerequisite: AUTECH-110 & 114

Presents the theory, operation, diagnosis, service and repair of automotive manual transmissions and drive trains. Prepares students to take the A3 ASE (Automotive Service Excellence) test. Formerly AUTO-106.

AUTECH 135 ENGINE PERFORMANCE

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Prerequisite: AUTECH-112 & 114

Introduces the design and operation of domestic and import ignition, fuel and emission control systems. Formerly AUTO-102.

AUTECH 136 ADVANCED ENGINE PERFORMANCE AND EMISSION CONTROL

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Prerequisite: AUTECH-114 & 135

Examines advanced concepts in Engine Diagnosis, Tune-Up, and Drivability classes. This course is designed for students who want to enter the field of Tune-up, Drivability and Emissions.

AUTECH 140 AUTOMOTIVE SUSPENSION & STEERING SYSTEMS

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: AUTECH-114

Provides theory and operation, diagnosis, service and repair procedures of automotive suspension and steering systems. Prepares students to take the A4 ASE (Automotive Service Excellence) test. Formerly AUTO-104.

AUTECH 150 AUTOMOTIVE BRAKE SYSTEMS

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Prerequisite: AUTECH-110 & 114

Provides the theoretical and practical application of the operation, diagnosis and repair of automotive braking systems. Prepares students to take the A5 ASE (Automotive Service Excellence) test. Formerly AUTO-109.

AUTECH 160 DIESEL ENGINES

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces students to the field of diesel-powered engines and equipment maintenance and service. Students learn about the common types of diesel powered engines and equipment, shop safety, hydraulic fittings, technician tool requirements, service shop organization and procedures.

AUTECH 165 DIESEL FUEL SYSTEMS

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces students to the two and four stroke diesel fuel systems. Students learn about the common types of diesel fuel delivery systems, engine brakes, shop safety, hydraulic fittings, fuel safety, technician tool requirements, service shop organization and procedures.

AUTECH 170 AUTOMOTIVE HEATING, VENTILATION AND AIR CONDITIONING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: AUTECH-110 & 114

Provides theory and operation, diagnosis, service and repair of automotive heating, ventilation and air conditioning systems. Prepares students to take the A7 ASE (Automotive Service Excellence) and/or the MACS EPA (Mobile Air Conditioning Society, Environmental Protection Agency) certification tests. Formerly AUTO-094.

AUTECH 180 ENGINE MECHANICAL MAINTENANCE AND LIGHT REPAIR

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces basic service and repair procedures for the engine and its subsystems in modern automobile. Students will learn how to safely perform basic repair, maintenance operations, automotive diagnosis and tune-up procedures as they pertain to the function and control of the engine, fuel, ignition, starting, and charging systems.

AUTECH 185 AUTOMOTIVE CHASSIS MAINTENANCE AND LIGHT REPAIR

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Explores the fundamentals of service and repair procedures for the drive train and its subsystems in modern automobile. Students will learn how to safely perform basic repair, maintenance operations and automotive drivetrain diagnosis as they pertain to the function and control of the transmission, brakes, suspension, exhaust and chassis electrical systems.

AUTECH 190 AUTOMOTIVE COMPUTER NETWORKING & DIAGNOSIS

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Prerequisite: AUTECH-116 & 136

Provides advanced theory and principles of automotive diagnosis and troubleshooting procedures. This course is specific to computer controlled systems of the modern automobile. This course is designed to strengthen existing student skills in the field of modern automotive technology, service, and repair, as well as complete the A8 ASE certification test.

AUTECH 200 INTRODUCTION TO HYBRID AND ELECTRIC VEHICLES

Units: 4.00

CSU 72.00 hours lecture

Prerequisite: AUTECH-116 & 136

Explores the use and service of hybrid electronic generation, plug-in battery-electric power, and fuel cell power generation for vehicles. Topics will include OSHA/NEC/NFPA high voltage safety specifically for the service technician. Dynamics of high voltage battery energy, hybrid generation systems, electric vehicle applications and their integrated systems from many manufacturers will be discussed.

BIOLOGICAL SCIENCES

Associate in Science for Transfer Degree: Biology

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) for STEM or the California State University General Education – Breadth for STEM Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T in Biology. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

It is highly recommended that counselors at community colleges discuss other possible courses that are part of major preparation at a target CSU campus and encourage students to take some of these additional courses prior to transfer.

Degree Student Learning Outcome:

Students will be able to interpret, analyze, and evaluate biological knowledge using the scientific method.

Program Requirements:

Units Required: 32

	Units
BIOSCI-106 Organismal & Environmental Biology.....	4.0
<i>OR</i>	
BIOSCI-106H Organismal & Environmental Biology - Honors.....	4.0
BIOSCI-107 Molecular and Cellular Biology.....	4.0
<i>OR</i>	
BIOSCI-107H Molecular and Cellular Biology Honors.....	4.0
CHEM-201 General Chemistry I.....	6.0
<i>OR</i>	
CHEM-201H General Chemistry I – Honors.....	6.0
CHEM-202 General Chemistry II.....	5.0
MATH-211 Calculus I.....	5.0
PHYSIC-220 Physics for Scientists and Engineers: Mechanics of Solids and Fluids.....	4.0
PHYSIC-221 Physics for Scientists and Engineers: Electricity and Magnetism.....	4.0
<i>Recommended electives:</i>	
PHYSIC-222 Physics for Scientists and Engineers: Wave Motion, Heat, Optics and Modern Physics.....	4.0

Associate in Science Degree: Biological Sciences

Biological Sciences covers all aspects of the scientific study of life and emphasizes both the unity and diversity of living things. The structure, function and behavior of organisms are studied at the molecular, cellular, organismal and environmental levels. The biology program serves three areas: a broad background of studies for the biology major preparing for transfer to a four-year institution; support courses in human anatomy, human physiology and general microbiology, which may be used to satisfy prerequisites for nursing programs and other allied-health fields and courses in natural sciences to fulfill general education requirements.

Degree Student Learning Outcome:

Students will be able to interpret, analyze and evaluate biological knowledge using the scientific method.

Program Requirements:

Units Required: 32

	Units
<i>Eight units from the following:</i>	
BIOSCI-106 Organismal & Environmental Biology.....	4.0
<i>OR</i>	
BIOSCI-106H Organismal & Environmental Biology - Honors.....	4.0
BIOSCI-107 Molecular and Cellular Biology.....	4.0

BIOSCI-130 Environmental Biology.....	3.0
BIOSCI-132 Concepts in Evolution.....	3.0
BIOSCI-140 Principles of Human Genetics.....	3.0
BIOSCI-180 Biology of Cancer.....	3.0

BIOSCI 100 GENERAL BIOLOGY

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

Recommended Preparation: MATH-060 or higher math placement

Explores the nature of science, including cell structure and processes, energetics in living systems, heredity, development, evolution, diversity, and environmental relationships. UC credit limitations: No credit for BIOSCI-100 if taken after BIOSCI-106, 107, 201, 202, 204, 205, 215, 216, or 221.

BIOSCI 100H GENERAL BIOLOGY – HONORS

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

Recommended Preparation: MATH-060 or higher math placement, ENGL-101 or ENGL-101H

Explores the nature of science, including cell structure and processes, energetics in living systems, heredity, development, evolution, diversity, and environmental relationships. Critical analysis combined with written and oral presentation of primary scientific literature will differentiate BIOSCI 100H from BIOSCI 100. UC credit limitations: No credit for BIOSCI-100H if taken after BIOSCI-106, 107, 107H 201, 202, 204, 205, 215, 216, or 221.

BIOSCI 106 ORGANISMAL & ENVIRONMENTAL BIOLOGY

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

C-ID BIOL 140

Prerequisite: MATH-070 or higher math placement

Surveys the basic biology and diversity of unicellular and multicellular organisms. It emphasizes general biological principles including population biology and ecology, basic genetics, animal behavior, evolution, classification, structure, function and adaptations of organisms (including plants, fungi, animals, and unicellular organisms) to their environments. This course is intended for Biological Sciences majors. Field trips may be required.

BIOSCI 106H ORGANISMAL & ENVIRONMENTAL BIOLOGY - HONORS

Units: 4.00

UC:CSU: 54.00 hours lecture, 54.00 hours lab

C-ID BIOL 140

Prerequisite: MATH-070 or higher math placement

Surveys the basic biology and diversity of unicellular and multicellular organisms. It emphasizes general biological principles including population biology and ecology, basic genetics, animal behavior, evolution, classification, structure, function and adaptations of organisms (including plants, fungi, animals, and unicellular organisms) to their environments. This course

is intended for Biological Sciences majors. Critical analysis combined with written and oral presentation of primary scientific literature will differentiate BIOSCI-106H from BIOSCI-106. Field trips may be required.

BIOSCI 107 MOLECULAR AND CELLULAR BIOLOGY

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

C-ID BIOL 190, C-ID 135S - BIOSCI-106 + BIOSCI-107

Prerequisite: CHEM-201 or CHEM-201H and MATH-070 or higher math placement.

Introduces the principles of cellular form and function including: bioenergetics and metabolism, molecular structure and evolution, gene regulation, cellular anatomy and physiology, and the principles of biotechnology.

BIOSCI 107H MOLECULAR AND CELLULAR BIOLOGY HONORS

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

C-ID BIOL 190, C-ID 135S - BIOSCI-106H + BIOSCI-107H

*Prerequisite: CHEM-201 or CHEM-201H and MATH-070 or higher math placement.**Recommended Preparation: ENGL-101 or ENGL-101H*

Introduces the principles of cellular form and function including: bioenergetics and metabolism, molecular structure and evolution, gene regulation, cellular anatomy and physiology and the principles of biotechnology. Critical analysis combined with written and oral presentation of primary scientific literature will differentiate BIOSCI 107H from BIOSCI 107.

BIOSCI 115 GENERAL ZOOLOGY

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

Prerequisite: MATH-070 or higher math placement

Recommended Preparation: BIOSCI-107 or BIOSCI-107H

Surveys the animal kingdom with an emphasis on applying evolutionary and ecological principles to integrate mechanisms at the cellular, organismal and population levels. Field trips may be required.

BIOSCI 116 GENERAL BOTANY

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

*Prerequisite: MATH-070 or higher math placement**Recommended Preparation: BIOSCI-107 or BIOSCI-107H*

Surveys the plant kingdom with an emphasis on the biology, ecology, evolution and the economic impact of plant communities. Field trips may be required and may be outside the assigned class times.

BIOSCI 119 MARINE BIOLOGY

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

Examines the description, distribution and natural history of marine organisms. Field trips may be required and may extend outside the assigned class times.

BIOSCI 130 ENVIRONMENTAL BIOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces basic ecological principles, current environmental issues such as pollution (air, water, and soil), global warming, deforestation, the impact of human population growth on the earth's environment, and possible solutions to these problems. Not designed for biological science majors.

BIOSCI 132 CONCEPTS IN EVOLUTION

Units: 3.00

UC:CSU 54.00 hours lecture

Explores the emergent concepts of evolution by natural selections, elementary population genetics, concepts of fitness and adaptation, genetic and developmental basis for evolutionary change, speciation, micro and macro evolution, human evolution, evolutionary science, creationism and society.

BIOSCI 140 PRINCIPLES OF HUMAN GENETICS

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces the principles of human genetics and function of DNA; genes, chromosomes and patterns of inheritance are explored. Not designed for biological science majors.

BIOSCI 180 BIOLOGY OF CANCER

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces the basic principles underlying the development and treatment of cancer including risk factors, tumor formation, cancer genes and cancer vaccines.

BIOSCI 201 INTRODUCTION TO HUMAN ANATOMY

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

C-ID BIOL 110B

Prerequisite: BIOSCI-100 or BIOSCI-100H

Recommended Preparation: Eligibility for college level English (ENGL-101 or ENGL-101H). Eligibility for college level math course with an Intermediate Algebra prerequisite (MATH-103, MATH-140).

Presents the major structural characteristics of the human body including cells, tissues, organs and the following organ systems: skeletal, muscular, nervous,

circulatory, respiratory, digestive, urinary, integumentary, sensory, lymphatic, reproductive and endocrine. UC credit limitations: BIOSCI-201, 202 and 204, 205 combined; maximum credit 8 units.

BIOSCI 202 INTRODUCTION TO HUMAN PHYSIOLOGY

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

C-ID BIOL 120B

Prerequisite: BIOSCI-100 or BIOSCI-100H

Recommended Preparation: Eligibility for college level English (ENGL-101 or ENGL-101H). Eligibility for college level math course with an Intermediate Algebra prerequisite (MATH-103, MATH-140).

Examines the functioning of the human body including cells and membranes, nerve and muscle function, cardiovascular, respiratory, renal, and gastrointestinal physiology, metabolism, sensory organs, lymphatic and immune systems, endocrinology and reproduction. Students gain experience in the use of standard and computerized physiological equipment. UC credit limitations: BIOSCI-201, 202, and 204, 205 combined; maximum credit 8 units.

BIOSCI 204 HUMAN ANATOMY AND PHYSIOLOGY I

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

Prerequisite: BIOSCI-100 or BIOSCI-100H

Recommended Preparation: Eligibility for college level English (ENGL-101 or ENGL-101H). Eligibility for college level math course with an Intermediate Algebra prerequisite (MATH-103, MATH-140).

Present the structure and function of the human body including the integumentary, skeletal, muscular and the nervous systems. UC credit limitations: BIOSCI-201, 202 and 204, 205 combined; maximum credit 8 units.

BIOSCI 205 HUMAN ANATOMY AND PHYSIOLOGY II

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

C-ID BIOL 115S

Prerequisite: BIOSCI-204

Continues the study of the structure and function of the human body including the endocrine, sensory, circulatory, immune, respiratory, digestive, urinary, and male and female reproductive systems. UC credit limitations: BIOSCI-201, 202 and 204, 205 combined; maximum credit 8 units.

BIOSCI 221 INTRODUCTION TO MICROBIOLOGY

Units: 5.00

UC:CSU 54.00 hours lecture, 108.00 hours lab

Prerequisite: BIOSCI-100 or BIOSCI-100H

Recommended Preparation: Eligibility for college level English (ENGL-101 or ENGL-101H). Eligibility for college level math course with an Intermediate Algebra prerequisite (MATH-103, MATH-140).

Introduces the biology of microorganisms bacteria, viruses, protozoa, parasitic worms, algae, fungi, their significance and their role in human affairs.

BIOSCI 240 MOLECULAR GENETICS

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

Prerequisite: BIOSCI-107 or BIOSCI-107H

Introduces the principles of both prokaryotic and eukaryotic genetics, while emphasizing the structure, function and regulation of genes along with patterns of inheritance.

BUSINESS

The Business Department offers a comprehensive program for transfer and non-transfer students. The first two years of coursework in preparation for a four-year degree in Accounting and/or Business Administration may be completed, or students may earn associate degrees and/or certificates while exploring areas of personal interest or job enrichment. The department offers a variety of courses in Accounting, Bookkeeping, Business Administration, International Business, Business Mathematics, Management, Finance, Investing, Marketing, Salesmanship, Retail Management, Electronic Commerce, Advertising, Ethics, Law, Conflict Resolution and Managing Diversity in the Workplace. Associate degrees and certificates are designed to allow students to specialize in a particular area, and are especially useful for persons seeking a first job, or looking to advance in a current career.

Associate in Science for Transfer Degree: Business Administration

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus, university or college that is not part of the CSU system. Students should consult with a counselor when

planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T in Business Administration. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to analyze financial, economic, legal and management issues related to a business entity as required for upper division work in their business-related major.

Program Requirements:

Units required: 28-30

	Units
BUS-100 Introduction to Business	3.0
BUS-201 Principles of Accounting I	5.0
BUS-202 Principles of Accounting II	5.0
BUS-211 Business Law	3.0
ECON-201 Macroeconomics	3.0

OR

ECON-201H Macroeconomics - Honors.....	3.0
ECON-202 Microeconomics.....	3.0

OR

ECON-202H Microeconomics Honors.....	3.0
--------------------------------------	-----

Plus one course for a minimum of three units from the following:

ECON-291 Statistical Methods in Business and Economics	3.0
MATH-140 Introductory Statistics	4.0
MATH-140H Introductory Statistics - Honors	4.0
MATH-240 Math Analysis-Business/Social Science	5.0

Plus one of the following two courses for 3 units:

CAWT-101 Introduction to Computers	3.0
CAWT-140 Survey of Microsoft Office Programs	3.0

Associate in Science Degree and Certificate of Achievement: Accounting

Degree and Certificate Student Learning Outcome:

Students will be able to analyze financial, economic, and management issues and formulate strategies for the growth and development of a business entity.

Program Requirements:

Units Required: 22-23

	Units
BUS-201 Principles of Accounting I	5.0
BUS-202 Principles of Accounting II	5.0
BUS-211 Business Law	3.0

OR

BUS-211H Business Law – Honors.....	3.0
ECON-201 Macroeconomics	3.0

OR

ECON-201H Macroeconomics - Honors.....	3.0
ECON-202 Microeconomics.....	3.0

OR

ECON-202H Microeconomics Honors	3.0
ECON-291 Statistical Methods in Business and Economics	3.0

OR

MATH-140 Introductory Statistics	4.0
--	-----

OR

MATH-140H Introductory Statistics - Honors	4.0
--	-----

Recommended electives:

CAWT-145 Quickbooks Pro	3.0
-------------------------------	-----

Associate in Science Degree and Certificate of Achievement: Accounting Technician

Degree and Certificate Student Learning Outcome:

Students will be able to analyze key issues relating to accounting principles and implement accounting procedures to organize financial data based upon generally accepted accounting principles.

Program Requirements:

Units Required: 20

	Units
BUS-100 Introduction to Business	3.0
BUS-101 Bookkeeping and Accounting	5.0
BUS-157 Entrepreneurial Finance	3.0
BUS-211 Business Law	3.0
CAWT-115 Business English	3.0
CAWT-145 Quickbooks Pro	3.0

Associate in Science Degree and Certificate of Achievement: Human Resources Management

Degree and Certificate Student Learning Outcome:

Students will be able to:

- Evaluate the sources of employee conflict in a diverse workforce
- Create a framework within which to resolve potential conflicts between business practice and professional or personal ethics.

Program Requirements:

Units Required: 27

	Units
BUS-100 Introduction to Business	3.0
BUS-110 Principles of Management	3.0
BUS-111 Human Relations in the Workplace.....	3.0
BUS-112 Human Resources Management.....	3.0
BUS-126 Managing Diversity in the Workplace.....	3.0
BUS-132 Negotiation and Conflict Resolution.....	3.0
BUS-160 Business Ethics	3.0
BUS-211 Business Law	3.0
CAWT-116 Business Communications	3.0

Associate in Science Degree and Certificate of Achievement: Marketing

Degree and Certificate Student Learning Outcome:

Students will be able to analyze key issues relating to marketing principles, design marketing strategies, and integrate those strategies in business operations.

Program Requirements:

Units Required: 21

	Units
BUS-100 Introduction to Business	3.0
BUS-110 Principles of Management	3.0
BUS-140 Principles of Marketing	3.0
BUS-141 Principles of Advertising	3.0
BUS-142 Principles of Selling	3.0
BUS-190 Principles of Electronic Commerce..	3.0
<i>OR</i>	
BUS-192 E-Business Strategy	3.0
BUS-211 Business Law	3.0

Associate in Science Degree and Certificate of Achievement: Entrepreneurship and Small Business Management

Degree and Certificate Student Learning Outcome:

Students will be able to demonstrate the management skills unique to the successful operation of a small business enterprise, including financial, marketing and management strategies.

Program Requirements:

Units Required: 23

	Units
BUS-100 Introduction to Business	3.0
<i>OR</i>	
BUS-110 Principles of Management	3.0
BUS-101 Bookkeeping and Accounting	5.0

BUS-140 Principles of Marketing	3.0
<i>OR</i>	
BUS-132 Negotiation and Conflict Resolution	3.0
BUS-126 Managing Diversity in the Workplace.....	3.0
BUS-160 Business Ethics	3.0
<i>Recommended elective:</i>	
CAWT-145 Quickbooks Pro	3.0

Certificate of Specialization: Finance

Certificate Student Learning Outcome:

Students will be able to analyze key issues relating to personal finance, analyze the advantages and disadvantages of various alternatives to address these issues, determine the appropriate response, and devise specific plans to implement the response in an integrated manner.

Program Requirements:

Units Required: 12

	Units
BUS-100 Introduction to Business	3.0
BUS-154 Personal Finance.....	3.0
BUS-156 Introduction to Investments	3.0
BUS-157 Entrepreneurial Finance	3.0

Certificate of Specialization: E-Commerce – Business

In recent years, various changes in the business environment have occurred, including the emergence of new information technologies. Consequently, many businesses need to realign with the new Internet economy in order to compete effectively in our changing world. In addition, there are opportunities for e-business start-ups with sound business foundations and competitive strategies. This certificate of completion in E-Commerce Business attempts to provide students with the skill-building techniques and knowledge that will empower them to achieve career goals in the current e-business environment.

Certificate Student Learning Outcome:

Students will be able to analyze e-commerce principles and design an e-business plan to promote a competitive advantage in the current e-commerce environment.

Program Requirements:

Units Required: 15

	Units
BUS-190 Principles of Electronic Commerce.....	3.0
BUS-192 E-Business Strategy	3.0
CAWT-170 Website Development I	3.0
BUS-100 Introduction to Business	3.0

OR

OR

BUS-211 Business Law3.0

BUS-140 Principles of Marketing3.0

OR

BUS-141 Principles of Advertising3.0

Certificate of Achievement: Retail Management

Retail Management is an expanding career path supported by many industry sectors. Strong retail managers are essential to business success in electronics, clothing, food, entertainment, home furnishings, children’s supplies, publishing, cosmetics, educational materials, gift, athletic equipment, pet supplies, and just about every other imaginable consumer product and service. The retail industry is at the heart of many local economies. Effective management is the key to long-term economic security throughout the state. This program, designed in collaboration with industry leaders, is intended to provide the student with many of the competencies required for success at the management level within the vast retail industry. This program encompasses the business essentials such as accounting and marketing, and also emphasizes management and communication skills required for career success.

Certificate Student Learning Outcome:

Students will be able to demonstrate the skills necessary to successfully manage a retail business enterprise, including human resources, marketing, and bookkeeping.

Program Requirements:

Units Required: 24

	Units
BUS-110 Principles of Management.....	3.0
BUS-111 Human Relations in the Workplace .	3.0
BUS-112 Human Resource Management.....	3.0
BUS-113 Retail Management	3.0
BUS-140 Principles of Marketing	3.0
BUS-157 Entrepreneurial Finance	3.0
CAWT-116 Business Communications	3.0
CAWT-140 Survey of Microsoft Office Programs	3.0

BUS 100 INTRODUCTION TO BUSINESS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID BUS 110

Introduces the field of business administration, examining how U.S. and global business policies and practices are affected by the interaction of economic systems, culture, legal, political, and financial institutions, including economic systems, leadership, entrepreneurship, strategic management, organizational structure and communication, marketing, accounting, finance, stock market, operations, information technology, human resources, organized labor, ethics, social responsibility, sustainability and globalization.

BUS 101 BOOKKEEPING AND ACCOUNTING

Units: 5.00

CSU 90.00 hours lecture

Introduces the theory and application of double entry bookkeeping for non-transfer business majors. Examines the accounting cycle for both service and merchandising sole-proprietorship firms, including the use of ledgers, worksheets, and special purpose journals.

BUS 110 PRINCIPLES OF MANAGEMENT

Units: 3.00

CSU 54.00 hours lecture

Examines the fundamental functions of modern management in a changing world with an emphasis on planning, leading, organizing, and control. Substantive areas include leadership in management, motivation, communication, cultural diversity, team decision-making, management by objectives, organizational environment, sustainability, planning and strategic management, control process, organizational structure, and managing organizational change.

BUS 111 HUMAN RELATIONS IN THE WORKPLACE

Units: 3.00

CSU 54.00 hours lecture

Introduces basic concepts of individual, group, and organizational human behavior as they affect human relations, performance, and productivity within the workplace, including strategies and techniques that influence interpersonal, administrative and organizational communications and interactions among people.

BUS 112 HUMAN RESOURCE MANAGEMENT

Units: 3.00

CSU 54.00 hours lecture

Introduces the management of human resources and an understanding of the impact and accountability to the organization in terms of human resource activities. Topics include global human resource strategies, social and organizational realities, legal implications affecting people at work, union/non-union practices, comparable work, employee compensation and benefits and employee rights.

BUS 113 RETAIL MANAGEMENT

Units: 3.00

CSU 54.00 hours lecture

Introduces principles and practices used in the management of retail stores. Topics include site selection, layout, organization, staffing, positioning, customer service, the critical buying function and promotional techniques.

BUS 117 BUSINESS ENTREPRENEURSHIP

Units: 3.00

CSU 54.00 hours lecture

Examines the establishment, marketing, managing, financing, promoting, insuring, developing, and staffing a small business.

BUS 126 MANAGING DIVERSITY IN THE WORKPLACE

Units: 3.00

CSU 54.00 hours lecture

Examines the effects of increasing diversity in the workplace, including the benefits and challenges to management and staff presented by diversity of gender, race, ethnicity, national origin, sexual orientation and other differences. Organizational and interpersonal strategies for working effectively are examined along with developing skills for the creation of productive and diverse business environments.

BUS 132 NEGOTIATION AND CONFLICT RESOLUTION

Units: 3.00

CSU 54.00 hours lecture

Introduces business conflict and negotiation strategies for effective resolution with emphasis on negotiation, mediation, and arbitration.

BUS 140 PRINCIPLES OF MARKETING

Units: 3.00

CSU 54.00 hours lecture

Focuses on the fundamental concepts of modern marketing in a changing world. Substantive areas include: creating customer value, buying behaviors, market research, market strategy, target market analysis, global marketing, electronic marketing, and sales techniques, with particular emphasis on the marketing mix, including product, pricing, promotion, and distribution decisions.

BUS 141 PRINCIPLES OF ADVERTISING

Units: 3.00

CSU 54.00 hours lecture

Focuses on fundamental concepts of modern advertising in the current business environment while using specialized techniques to create and promote an advertising campaign. Topics include the role of advertising, its relation to the marketing mix, psychological and socio-cultural influences on consumer buying behavior, advertising research and strategy, target market analysis, the global marketing environment, electronic advertising, media selection, ethics, creative advertising message design and integrated marketing. Emphasizes planning an advertising campaign and communicating ideas using advertising techniques.

BUS 142 PRINCIPLES OF SELLING

Units: 3.00

CSU 54.00 hours lecture

Examines concepts of selling in the current business environment, including electronic selling, communication styles, sales servicing, ethics, and sales-force management. Emphasizes developing effective selling strategies and confidence building when making sales decisions.

BUS 154 PERSONAL FINANCE

Units: 3.00

CSU 54.00 hours lecture

Introduces the concepts, tools and applications of personal financial planning, including developing and prioritizing goals, managing money and credit, identifying investment alternatives, as well as examining retirement planning, housing decisions, tax planning, risk management/insurance, estate planning and the institutional sources and regulation of financial services and products.

BUS 156 INTRODUCTION TO INVESTMENTS

Units: 3.00

CSU 54.00 hours lecture

Introduces the principles of investing and portfolio management as primarily related to the stock market, including the various types of financial assets an investor must choose from, as well as related institutional settings and valuations.

BUS 157 ENTREPRENEURIAL FINANCE

Units: 3.00

CSU 54.00 hours lecture

Introduces the fundamentals of finance that apply to current or prospective entrepreneurs, including time value of money, cost of capital, working capital management, risk and return, financial performance and the interpretation of financial statements.

BUS 160 BUSINESS ETHICS

Units: 3.00

CSU 54.00 hours lecture

Presents different schools of ethical thought applicable in the business environment including ethical issues and methodologies used for appropriate conduct. Current cases and fact scenarios are presented along with historical examples to demonstrate their effect on contemporary ethical dilemmas.

BUS 190 PRINCIPLES OF ELECTRONIC COMMERCE

Units: 3.00

CSU 54.00 hours lecture

Introduces the theoretical and practical issues related to conducting business via the internet. Topics include: evolving e-business models, web-based technologies, value chains, electronic marketing, payment systems, security, ethics, legal, international, and cross-cultural issues. Familiarity with navigating the internet is assumed.

BUS 192 E-BUSINESS STRATEGY

Units: 3.00

CSU 54.00 hours lecture

Focuses on the fundamental concepts of strategic planning for conducting business via the Internet. Substantive areas include: case analysis of business issues and strategies in the Internet economy, and key elements needed to develop a strategic e-business plan for competitive advantage. Familiarity with the Internet is assumed.

BUS 201 PRINCIPLES OF ACCOUNTING I

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID ACCT 110

Recommended Preparation: Eligibility for College Composition (ENGL-101/101H) and Elementary Algebra (MATH-060) or higher math placement.

Presents the study of accounting as an information system, examining why it is important and how it is used by managers, investors, creditors, and others to make decisions. Covers the fundamental principles, theory and applications to record business transactions through the accounting cycle, including the application of generally accepted accounting principles, the financial statements, and statement analysis. Includes issues relating to asset, liability, and equity valuation, revenue and expense recognition, cash flow, internal controls, and ethics. Designed for transfer majors in business disciplines.

BUS 202 PRINCIPLES OF ACCOUNTING II

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID ACCT 120

Prerequisite: BUS-201.

Presents the study of how managers use accounting information in decision-making, planning, directing operations, and controlling. Focuses on cost terms and concepts, cost behavior, cost structure, cost-volume-profit analysis and budget analysis. Includes issues relating to cost systems, cost control, profit planning, and performance analysis in manufacturing and service environments. Designed for transfer majors in business disciplines.

BUS 211 BUSINESS LAW

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID BUS 125

Introduces the legal environment of business, including federal and state court systems and processes, business crimes, contract law, tort law, employment law, and business organizations.

CHEMISTRY

Chemistry is the study of matter and its changes. Chemistry focuses on understanding matter and energy on a molecular level. The chemistry courses are designed to meet general education and major transfer requirements. Examples of career options include research scientist, teacher, pharmacist, and medical doctor. Some of these career options require a baccalaureate degree and others require a graduate degree. An associate degree is not available in Chemistry.

CHEM 100 CHEMISTRY AND SOCIETY

Units: 3.00

UC:CSU: 54.00 hours lecture

C-ID CHEM 100

Prerequisite: MATH-060 or MATH-075 or higher math placement.

Introduces students to basic concepts of chemistry and requires analyses of the socio-cultural contexts within which chemistry places a central role in everyday life. The course is designed to provide a general educational exposure to the physical sciences, specifically chemistry, and is not recommended for science majors. Introduction to chemistry course for non-science majors.

CHEM 151 PREPARATORY GENERAL CHEMISTRY

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

C-ID CHEM 101

Prerequisite: MATH-060 or higher math placement.

A preparatory course for Chemistry 201. Provides basic foundation in problem solving, atomic theory, stoichiometry, nomenclature, states of matter and solution chemistry. UC credit limitation: CHEM-110 and 151 combined, maximum credit, one course.

CHEM 151H PREPARATORY GENERAL CHEMISTRY - HONORS

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

C-ID CHEM 101

Prerequisite: MATH-060 or higher math placement.

A preparatory course for Chemistry 201. Provides basic foundation in problem solving, atomic theory, stoichiometry, nomenclature, states of matter and solution chemistry. Honors work challenges students to be more analytical and creative through expanded assignments such as critical analyses of primary scientific literature, real-world applications and enrichment opportunities which differentiate this course from Chem 151. UC credit limitation: CHEM-110 and 151H combined, maximum credit, one course.

CHEM 201 GENERAL CHEMISTRY I

Units: 6.00

UC:CSU 90.00 hours lecture, 54.00 hours lab

C-ID CHEM 110

Prerequisite: MATH-070 or higher math placement and CHEM-151 or CHEM-151H, or MATH-070 or higher math placement and COC Chemistry Placement Exam

Provides a foundation in the basic principles of the molecular nature of matter and its change, including reaction chemistry, atomic and bonding theories of matter, the properties of matter (solids, liquids, gases, solutions) and their relationship to energy. Introduces gravimetric, volumetric and spectroscopic analysis techniques in the laboratory portion. Required of all majors in chemistry and most other fields of science or technology. UC credit limitation: maximum credit, 5 units.

CHEM 201H GENERAL CHEMISTRY I – HONORS

Units: 6.00

UC:CSU 90.00 hours lecture, 54.00 hours lab

C-ID CHEM 110

Prerequisite: MATH-070 or higher math placement and CHEM-151 or CHEM-151H, or MATH-070 or higher math placement and COC Chemistry Placement Exam

Provides a foundation in the basic principles of the molecular nature of matter and its change, including reaction chemistry, atomic and bonding theories of matter, the properties of matter (solids, liquids, gases, solutions) and their relationship to energy. Introduces gravimetric, volumetric, and spectroscopic analysis techniques in the laboratory portion. Required of all majors in chemistry and most other fields of science or technology. Honors work challenges students to be more analytical and creative through expanded assignments such as critical analyses of primary scientific literature, and enrichment opportunities which differentiate this course from CHEM-201. UC credit limitation: maximum credit, 5 units.

CHEM 202 GENERAL CHEMISTRY II

Units: 5.00

UC:CSU 54.00 hours lecture, 108.00 hours lab

C-ID CHEM 120S

Prerequisite: CHEM-201 or CHEM-201H

Builds upon the foundation of principles of chemistry presented in Chemistry 201. Topics are chemical kinetics, ionic equilibria (solutions of acids and bases, buffers, solubility of insoluble salts, and solubility product), nuclear chemistry, thermodynamics (entropy & free energy), coordination compounds, advanced qualitative analysis, spectroscopy, and an introduction to organic chemistry.

CHEM 255 ORGANIC CHEMISTRY I

Units: 5.00

UC:CSU 54.00 hours lecture, 108.00 hours lab

Prerequisite: CHEM-202

First semester of a two-semester sequence in organic chemistry for science majors focusing on nomenclature, molecular structure, chemical and physical properties, reaction mechanisms and synthesis of organic compounds. Laboratory experiments involve using appropriate methods, techniques, and instrumentation for the synthesis, purification and identification of organic compounds.

CHEM 256 ORGANIC CHEMISTRY II

Units: 5.00

UC:CSU 54.00 hours lecture, 108.00 hours lab

C-ID CHEM 160S

Prerequisite: CHEM-255

Second semester of a two-semester sequence in organic chemistry for science majors, focusing on the syntheses and reaction mechanisms of aromatic, carbonyl, and biological compounds.

CHINESE*(See Modern Languages)***CINEMA**

Courses in Cinema provide a broad survey of the history, theory, techniques and development of modern pictures. The history of film as an aesthetic form and its major artists, works and styles are emphasized. An associate degree is not available in cinema.

CINEMA 120 FILM AESTHETICS

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys the motion picture both as a medium of mass communication and as a developing art form. Analyzes representative feature films as to genre, technique, aesthetics, and sociological impact.

CINEMA 121 HISTORY OF AMERICAN CINEMA

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys American motion picture masterpieces, including the ideas and values of films as reflected and emphasized through artistic techniques.

CINEMA 122 HISTORY OF CINEMA

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys and analyzes motion picture masterpieces from their inception to the present, including how ideas and values are emphasized through artistic techniques.

CINEMA 123 AMERICAN CINEMA: CROSSING CULTURES

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys American motion pictures that have been made by filmmakers representing a variety of American ethnic groups. Students will analyze Hollywood's treatment of ethnic cultures throughout film history.

CINEMA 131 HISTORY OF INTERNATIONAL CINEMA

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys and analyzes international motion picture masterpieces from their inception to the present, including the ideas and values as reflected and emphasized

COMMUNICATION STUDIES

An Associate of Arts degree in Communication Studies seeks to provide students with a comprehensive knowledge of the complex and diverse nature of the communication process and a sharpened understanding of contexts within which humans use signs and symbols to create meaning. The degree focuses on the way[s] language and other symbolic systems are used interpersonally within small group settings and in mass mediated formats. Courses will allow students to achieve three separate aims depending upon their academic goals. First, students will be well prepared to transfer to a four-year institution with a broad range of communication coursework completed. Second, students will be prepared for entry into a variety of careers—all of which require effective communication skills for working with diverse sets of people in an increasingly complex technological workplace. Careers including business, public relations, human resources, law [after law school], advertising arts, teaching, social & human services and entertainment industries are all suited for graduates of a Communication Studies degree. Finally, students who are interested in the field of Communication Studies but do not wish to complete a Baccalaureate degree in the discipline may pursue a two-year course of study. Such study will prepare them to understand diverse communication messages and practice excellent communication skills in a variety of settings.

Associate in Arts Degree: Communication Studies for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer,” a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.

- b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Communication Studies. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to:

- Develop and deliver informative and persuasive presentations using clear written and oral communication skills.
- Analyze theoretical concepts of communication and assess how each concept is utilized within various communication contexts.

Program Requirements:

Units Required: 18-19

	Units
COMS-105	Fundamentals of Public Speaking.....3.0
	<i>OR</i>
COMS-105H	Fundamentals of Public Speaking - Honors.....3.0
	<i>Plus six units from the following:</i>
COMS-120	Small Group Communication.....3.0
COMS-225	Strategies of Argumentation3.0
COMS-246	Interpersonal Communication.....3.0
	<i>Plus six to seven units from the following:</i>
COMS-100	Process of Communication.....3.0
	<i>OR</i>
COMS-100H	Process of Communication - Honors.....3.0
COMS-150	Oral Interpretation.....3.0
COMS-190	Forensics1.0 - 4.0
COMS-256	Intercultural Communication.....3.0
MEA-100	Mass Media Communications3.0
	<i>Plus three units from the following:</i>
COMS-227	Introduction to Rhetorical Criticism.....3.0
COMS-235	Intergenerational Communication....3.0

COMS-260	Communication and Gender.....	3.0
COMS-270	Communication and Leadership.....	3.0
ANTHRO-103	Cultural Anthropology	3.0
ANTHRO-103H	Cultural Anthropology – Honors	3.0
PSYCH-101	Introduction to Psychology	3.0
PSYCH-101H	Introduction to Psychology – Honors	3.0
SOCI-101	Introduction to Sociology	3.0
SOCI-101H	Introduction to Sociology – Honors	3.0

Associate in Arts Degree: Communication Studies

Degree Student Learning Outcome:

Students will be able to:

- Develop and deliver informative and persuasive presentations using clear written and oral communication skills.
- Analyze theoretical concepts of communication and assess how each concept is utilized within various communication contexts.

Program Requirements:

Units Required: 19 – 22

	Units
COMS-105	Fundamentals of Public Speaking... 3.0
	<i>OR</i>
COMS-105H	Fundamentals of Public Speaking - Honors..... 3.0
	<i>OR</i>
COMS-120	Small Group Communication..... 3.0
	<i>Plus three units from the following:</i>
COMS-100	Process of Communication..... 3.0
	<i>OR</i>
COMS-100H	Process of Communication - Honors..... 3.0
	<i>Plus one to four units from the following:</i>
COMS-150	Oral Interpretation..... 3.0
	<i>OR</i>
COMS-190	Forensics..... 1.0 - 4.0
	<i>Plus three units from the following:</i>
COMS-225	Strategies of Argumentation 3.0
	<i>OR</i>
COMS-227	Introduction to Rhetorical Criticism.. 3.0
	<i>Plus nine units from the following:</i>
COMS-235	Intergenerational Communication.... 3.0
COMS-246	Interpersonal Communication..... 3.0

COMS-256	Intercultural Communication.....	3.0
COMS-260	Communication and Gender.....	3.0
COMS-270	Communication and Leadership.....	3.0

COMS 100 PROCESS OF COMMUNICATION

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMM 180

Surveys the discipline of communication studies, emphasizing a theoretical understanding of human communication. Explores the history, assumptions, principles, specializations, and processes of human communication as an academic field.

COMS 100H PROCESS OF COMMUNICATION – HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMM 180

Recommended Preparation: ENGL-101 or ENGL-101H or higher english placement

Surveys the discipline of communication studies, emphasizing a theoretical understanding of human communication. Explores the history, assumptions, principles, specializations, and processes of human communication as an academic field. Additional reading, writing, critical thinking, and research techniques are required in the honors section.

COMS 105 FUNDAMENTALS OF PUBLIC SPEAKING

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMM 110

Examines the principles and practices of public speaking, communication theory, and techniques for public speaking. Includes speech organization, development, research, audience analysis, reasoning, and presentation skills for the development of informative and persuasive speeches.

COMS 105H FUNDAMENTALS OF PUBLIC SPEAKING - HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMM 110

Examines the principles and practices of public speaking, communication theory, and techniques for public speaking. Includes speech organization, development, research, audience analysis, reasoning and presentation skills for the development of informative and persuasive speeches. Speech analysis and rhetorical criticism skills will differentiate COMS-105H from COMS-105.

COMS 120 SMALL GROUP COMMUNICATION

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMM 140

Applies principles of communication in a variety of group contexts. Examines the theory, application, and evaluation of group communication processes, including problem solving, conflict management, decision making, and leadership.

COMS 150 ORAL INTERPRETATION

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMM 170

Introduces theoretical approaches to interpret literature and prepares students to apply these in the performance of that literature.

COMS 190 FORENSICS

Units: 1.00-4.00

CSU 9.00-18.00 hours lecture, 27.00-162.00 hours lab

C-ID COMM 160B

May be taken four times for credit

Preparation for competitive speech team. Studies in argumentation and debate, informative and persuasive speaking and extemporaneous and impromptu speaking. Involves research and one-on-one training. Requires participation in interscholastic competition or community speakers' bureau.

COMS 225 STRATEGIES OF ARGUMENTATION

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMM 120

Introduces the strategies used for rhetorical argument, including finding issues, using evidence and detailing fallacies in rhetorical communications.

COMS 227 INTRODUCTION TO RHETORICAL CRITICISM

Units: 3.00

UC:CSU 54.00 hours lecture

Prerequisite: ENGL-101 or ENGL-101H

Introduces critical methodologies of rhetoric and principles of rhetorical theory as a means to analyze and evaluate public discourse, including critical reasoning, advocacy, analysis, writing, and discussion.

COMS 235 INTERGENERATIONAL COMMUNICATION

Units: 3.00

CSU 54.00 hours lecture

Analyzes intergenerational interaction and communication patterns throughout the lifespan, including the examination of theories, attitudes, stereotypes, myths and cultural differences.

COMS 246 INTERPERSONAL COMMUNICATION

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMM 130

Examines theories and topics within interpersonal communication, such as verbal and nonverbal communication, perception, self-concept, communication climate, relationship satisfaction, conflict, and self-disclosure within different dyadic communication contexts.

COMS 256 INTERCULTURAL COMMUNICATION

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMM 150

Examines intercultural communication, including cultural patterns, verbal and nonverbal communication codes and their practical application in today's diverse society.

COMS 260 COMMUNICATION AND GENDER

Units: 3.00

UC:CSU 54.00 hours lecture

Examines the communication styles of males and females in a variety of settings and suggests ways to develop communication competence in gendered societies, including the areas of family, friendship, courtship and marriage, education, media, and business.

COMS 270 COMMUNICATION AND LEADERSHIP

Units: 3.00

CSU 54.00 hours lecture

Introduces students to the fundamental elements of communication in relation to leadership theories, ethics, styles, and perspectives, including the development of a personal philosophy of leadership that includes an understanding of self, others and community. Prepares students for leadership roles in college and community settings.

COMPUTER APPLICATIONS AND WEB TECHNOLOGIES

Associate in Science Degree and Certificate of Achievement: Computer Applications

The CIT Computer Applications Degree is designed to provide a solid foundation in the latest, highly marketable business software used in industry today. This program provides the training and exposure that is essential to prospective computer users and office workers at all levels. The sequence of courses included in this program maps to the Microsoft Certified Applications Specialist (MCAS) exam, which provides an outstanding opportunity for students to present to prospective employers a globally recognized certificate representing high-level skills and achievement. At the conclusion of their studies, students will be prepared for entry-level positions such as administrative assistant, computer applications specialist, word processing specialist, database specialist, spreadsheet analyst, bookkeeping assistant and web content provider. Students who complete this program will be eligible to sit for the MCAS examination.

Degree and Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required to use popular office applications to develop professional documents for organizations and businesses.

Program Requirements:

Units Required: 33

	Units
CAWT-036 Microsoft Outlook - Brief	1.5
CAWT-074 Introduction to Photoshop - Brief	1.5
CAWT-105 Microsoft Windows	3.0
CAWT-140 Survey of Microsoft Office Programs	3.0
CAWT-150 Microsoft Word I	3.0
CAWT-151 Microsoft Word II	3.0
CAWT-155 Microsoft Excel I	3.0
CAWT-156 Microsoft Excel II	3.0
CAWT-160 Microsoft Access I	3.0
CAWT-165 Microsoft PowerPoint	3.0

Plus six units from the following:

CAWT-076 Introduction to WordPress	1.5
CAWT-082 Adobe Acrobat - Brief	1.5
CAWT-145 Quickbooks Pro	3.0
CAWT-161 Microsoft Access II	3.0
CAWT-166 Desktop Publishing	3.0
CAWT-173 Web Development: Dreamweaver	3.0

Associate in Science Degree and Certificate of Achievement: Administrative Assistant

The CIT Administrative Assistant Degree and certificate is designed to provide a solid foundation in the area of office systems, procedures and communications required for the modern office environment.

At the conclusion of their studies, students will be prepared for entry-level positions in a number of areas that relate to office procedures and protocol including business communications, and document formatting and processing. Also built into the program are options to pursue areas related to medical office procedures, bookkeeping, and database management.

Additionally, the CIT curriculum is tailored to meet the needs of businesses and organizations that are constantly responding to new trends and changes in technology.

Degree and Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment as an administrative assistant.

Program Requirements:

Units Required: 33

	Units
CAWT-036 Microsoft Outlook - Brief	1.5
CAWT-082 Adobe Acrobat - Brief	1.5
CAWT-101 Introduction to Computers	3.0
CAWT-110 Keyboarding and Document Processing	3.0
CAWT-115 Business English	3.0
CAWT-116 Business Communications	3.0
CAWT-120 Administrative Office Procedures	3.0
CAWT-140 Survey of Microsoft Office Programs	3.0
CAWT-150 Microsoft Word I	3.0
CAWT-155 Microsoft Excel I	3.0

Plus six units from the following:

CAWT-035 The Internet - Brief	1.5
CAWT-074 Introduction to Photoshop - Brief	1.5
CAWT-076 Introduction to WordPress	1.5
CAWT-105 Microsoft Windows	3.0
CAWT-145 Quickbooks Pro	3.0
CAWT-151 Microsoft Word II	3.0

CAWT-156	Microsoft Excel II	3.0
CAWT-160	Microsoft Access I.....	3.0
CAWT-166	Desktop Publishing.....	3.0

Associate in Science Degree: Web Development

The goal of the A.S. degree in Web Development is to provide students with the broad educational background required to transfer to a four-year school in a related discipline and the opportunity to acquire training necessary to meet the demand for skilled personnel to develop and maintain websites for private corporations, non-profit or government organizations, and individuals. The need for individuals who possess web development skills has grown exponentially in recent years due to convergence of technology on the Internet and the prominent role web sites play in the daily activities of businesses and other organizations.

The web curriculum is a vocational program that reflects the multi-faceted nature of the competencies required to become a professional web developer. The program is, therefore, interdisciplinary and draws from courses offered in both the Computer Applications and Web Technologies (CAWT) and Computer Science Departments. Cooperative Work Experience Education is also an essential component included in the sequence of required classes.

The curriculum is designed to provide students with a strong and balanced foundation in aspects of both front- and back-end web development. Students will develop proficiency with markup languages, cascading style sheets, web authoring software, database connectivity, image and search engine optimization, client- and server-side programming, e-commerce considerations, and the entire web life-cycle development process.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core knowledge and skills needed to develop and implement dynamic, interactive websites.

Program Requirements:

Units Required: 34

	Units
CAWT-074	Introduction to Photoshop - Brief..... 1.5
CAWT-076	Introduction to WordPress..... 1.5
CAWT-160	Microsoft Access I..... 3.0
CAWT-170	Website Development I..... 3.0
CAWT-171	Website Development II..... 3.0
CAWT-173	Web Development: Dreamweaver... 3.0
CAWT-174	Web Prototyping and Images..... 3.0
CMPSCI-190	Web Programing: Javascript..... 3.0
CMPSCI-192	PHP Programing..... 3.0
<i>Plus 10 units from the following:</i>	
CAWT-082	Adobe Acrobat - Brief..... 1.5
CAWT-115	Business English..... 3.0
CAWT-116	Business Communications..... 3.0

CAWT-161	Microsoft Access II	3.0
CMPNET-154	CCNA R&S: Introduction to Networks	3.5
CMPSCI-111	Introduction to Algorithms and Programming/Java	3.0
CMPSCI-111L	Introduction to Algorithms and Programming Lab	1.0
CMPSCI-235	C++ Programming	3.0

Certificate of Achievement: Web Development

The Certificate of Achievement in Web Development is a vocational program that reflects the multi-faceted nature of the competencies required to develop and maintain websites. The program is, therefore, interdisciplinary and draws from courses offered in both the Computer Applications and Web Technologies (CAWT) and Computer Science Departments. The multi-disciplinary approach will prepare students for entry-level positions as web developers and for career-change or promotion opportunities. Cooperative Work Experience Education is also an essential component included in the sequence of required classes.

The curriculum is designed to provide students with a strong and balanced foundation in aspects of both front- and back-end web development. Students will develop proficiency with markup languages, cascading style sheets, web authoring software, database connectivity, image and search engine optimization, client- and server-side programming, e-commerce considerations, and the entire web life-cycle development process.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core knowledge and skills needed to develop and implement dynamic, interactive websites.

Program Requirements:

Units Required: 24

	Units
CAWT-074 Introduction to Photoshop - Brief	1.5
CAWT-076 Introduction to WordPress	1.5
CAWT-160 Microsoft Access I.....	3.0
CAWT-170 Website Development I	3.0
CAWT-171 Website Development II	3.0
CAWT-173 Web Development: Dreamweaver...3.0	
CAWT-174 Web Prototyping and Images	3.0
CMPSCI-190 Web Programing: Javascript	3.0
CMPSCI-192 PHP Programing.....	3.0

Recommended Electives:

CWE-186CAWT Cooperative Work Experience	
Education	
Computer Applications and Web	
Technologies (Unpaid).....	1.0 – 4.0
CWE-188CAWT Cooperative Work Experience	
Education	
Computer Applications and Web	
Technologies (Paid).....	1.0 – 4.0

Associate in Science Degree: Web Publishing and Design

The Web Publishing and Design degree program is designed to provide students with a strong foundation in front-end web development, web content management, design and publishing. Front-end developers are not involved with programming or scripting competencies but are responsible for the design, look and feel, as well as usability and accessibility of websites. Students will develop proficiency with markup languages, cascading style sheets, web multimedia, content optimization, typography, graphic design, wireframing, prototype design and the entire web development life-cycle process.

The Web Publishing and Design curriculum is a vocational program that reflects the multi-faceted nature of the competencies required to design, develop, and maintain web content. The proposed program is, therefore, interdisciplinary and draws from subjects taught in both CAWT and Graphics and Multimedia Design. In addition to preparing students for entry-level positions or promotion opportunities in the field of web publishing and design, the program provides a foundation for further studies in media studies, web authoring, graphic design and related areas, including web development, web application development and advertising.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in the web publishing and design industry.

Program Requirements:

Units Required: 35.5

	Units
CAWT-074 Introduction to Photoshop - Brief	1.5
CAWT-076 Introduction to WordPress	1.5
CAWT-082 Adobe Acrobat.....	1.5
CAWT-170 Website Development I	3.0
CAWT-171 Website Development II	3.0
CAWT-173 Web Development: Dreamweaver...3.0	
CAWT-174 Web Prototyping and Images	3.0
GMD-144 Graphic Design I.....	3.0
GMD-145 Type and Typography	3.0
GMD-177 Web page Design I.....	3.0

Plus 10 units from the following:

CAWT-115 Business English	3.0
CAWT-116 Business Communications	3.0
CAWT-160 Microsoft Access I.....	3.0
CAWT-161 Microsoft Access II.....	3.0
CMPNET-154 CCNA R&S: Introduction To Networks	3.5
CMPSCI-111 Introduction to Algorithms and	
Programming/Java	3.0
CMPSCI-111L Introduction to Algorithms and	
Programming Lab.....	3.0
CMPSCI-132 Introduction to Programming	3.0
CMPSCI-190 Web Programming: JavaScript.....	3.0
CMPSCI-192 PHP Programming.....	3.0
CMPSCI-235 'C' Programming	3.0
CMPSCI-236 C++ Object Oriented Programming.3.0	
GMD-101 Introduction to Visual Communication	3.0
GMD-277 Web Page Design II.....	3.0
MEA-109 Story Development and Storyboarding	3.0
MEA-110 Writing for Journalism and New Media	3.0
BUS-190 Principles of Electronic Commerce..3.0	
BUS-192 E-Business Strategy	3.0
CWE-186CAWT Cooperative Work Experience	
Education	
Computer Applications and Web	
Technologies (Unpaid).....	1.0 – 4.0
CWE-188CAWT Cooperative Work Experience	
Education

Certificate of Specialization: Medical Office Administrative Assistant

The Medical Office Administrative Assistant Certificate program provides students with the fundamental skills to work in entry-level office administrative positions for health-care facilities, doctors’ offices and hospitals. This program involves an experiential learning approach to expose students to concepts, skills, and practical application of computer software programs used in the health-care industry in the areas of front office reception, basic medical coding and billing, and transcription of dictated correspondence.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core knowledge and skills needed for employment as a medical office administrative assistant.

Program Requirements:

Units Required: 17

	Units
CAWT-116 Business Communications	3.0
CAWT-130 Medical Office Procedures	3.0
CAWT-131 Medical Transcription.....	2.0
CAWT-132 Medical Office Finances	3.0
CAWT-140 Survey of Microsoft Office	
	Programs
	3.0
HLHSCI-249 Medical Terminology	3.0

Certificate of Specialization: E-Commerce - Technology

The certificate of specialization in E-Commerce-Technology program provides students with an overview of the fundamental issues and skills involved in developing an online implementation of a business enterprise. The certificate should also appeal to those interested in general website development due to the business nature of many sites that pervade the web. The program’s “hands-on” approach assures prospective employers that students who complete the sequence will have obtained practical experience employing web technologies as business solutions. Courses are appropriate for those who seek entry-level positions in the field and for managers or entrepreneurs who desire a better understanding of the technologies employed in developing commercial websites.

Certificate Student Learning Outcome:

Students will be able to evaluate web technologies for potential business solutions and apply e-commerce principles to design an e-business Website.

Program Requirements:

Units Required: 15

	Units
BUS-190 Principles of Electronic	
	Commerce
	3.0
BUS-192 E-Business Strategy	3.0

CAWT-170	Website Development I	3.0
CAWT-171	Website Development II	3.0
CAWT-173	Web Development: Dreamweaver...	3.0

Certificate of Specialization: Website Development

The certificate in website development affords students the opportunity to acquire basic skills related to the design, planning and realization of functional websites. Many employers require their content developers to be proficient in markup languages, style sheets, generation of animated pages, and the latest authoring tools – the primary skills targeted by this certificate. This program is designed for those interested in all aspects of front-end website development and especially those who are considering future study, career moves and promotional opportunities related to this growing and continuously evolving area.

Certificate Student Learning Outcome:

Students will be able to plan and create a functional website.

Program Requirements:

Units Required: 15

		Units
CAWT-074	Introduction to Photoshop - Brief	1.5
CAWT-076	Introduction to WordPress	1.5
CAWT-170	Website Development I	3.0
CAWT-171	Website Development II	3.0
CAWT-173	Web Development: Dreamweaver...	3.0
CAWT-174	Web Prototyping and Images	3.0

CAWT 010 EXPLORING COMPUTERS - BRIEF

Units: 1.50

18.00 hours lecture, 27.00 hours lab

Provides a brief overview of the use of computers, hardware, software, and application of the Internet in modern society.

CAWT 011 MICROSOFT WINDOWS - BRIEF

Units: 1.50

18.00 hours lecture, 27.00 hours lab

Provides a hands-on overview of Microsoft Windows fundamentals, including the basics of using a mouse, icons, Windows Explorer, file management, Windows accessories and Control Panel. .

CAWT 035 THE INTERNET - BRIEF

Units: 1.50

18.00 hours lecture, 27.00 hours lab

Explores the architecture and historical development of the Internet, including browsers, e-mail, online communications, netiquette, and online resources, including search engines, web applications, blogs, chat rooms, and RSS feeds. Familiarity with a PC and Microsoft Windows is assumed.

CAWT 036 MICROSOFT OUTLOOK - BRIEF

Units: 1.50

18.00 hours lecture, 27.00 hours lab

Recommended Preparation: CAWT-035 & CAWT-105

Introduces Microsoft Outlook, including the use of e-mail, scheduling, calendar planning, contact list management and notes features.

CAWT 074 INTRODUCTION TO PHOTOSHOP

Units: 1.50

18.00 hours lecture, 27.00 hours lab

Introduces basic digital image editing using Photoshop, including layers, selections, masks, image retouching, paint tools, text and special effects, with application to commercial or personal projects. Familiarity with a PC and the Windows operating system is assumed.

CAWT 076 INTRODUCTION TO WORDPRESS

Units: 1.50

18.00 hours lecture, 27.00 hours lab

Introduces the creation and management of WordPress web sites and blogs using themes, widgets, dynamic content, search engine optimization, and WordPress web analytics. Proficiency with Microsoft Windows, file management, and an Internet browser is assumed.

CAWT 082 ADOBE ACROBAT - BRIEF

Units: 1.50

18.00 hours lecture, 27.00 hours lab

Introduces Adobe Acrobat to create, modify, and authenticate universal Portable Document Format (PDF) documents for cross-platform distribution, including PDF conversion, multimedia content, interactive elements, electronic forms, security features, document review cycle. Familiarity with a PC and Microsoft Windows is assumed.

CAWT 101 INTRODUCTION TO COMPUTERS

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

C-ID ITIS 120, C-ID BUS 140

Introduces computers, including their history, usage, technology, and terminology, as well as their impact on society, ethics, and organizational settings. Provides an introduction to system hardware, networks, telecommunications, operating systems and popular production software, including spreadsheet, database, word processing, presentation software, Internet, and e-mail applications.

CAWT 105 MICROSOFT WINDOWS

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Presents in-depth study of the Windows graphical user interface, including file management, windows manipulation, desktop customization, multitasking, data search, use of Windows accessories, Object Linking and Embedding (OLE), and troubleshooting.

CAWT 110 KEYBOARDING AND DOCUMENT PROCESSING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Develops a mastery of the computer keyboard by touch and proficiency in producing business letters, reports, tables, memos and other documents using Microsoft Word.

CAWT 115 BUSINESS ENGLISH

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces business language skills as they relate to written and oral communication in the contemporary business environment. Covers sentence structure, parts of speech, paragraph writing, and lays the foundation for clear and correct business writing.

CAWT 116 BUSINESS COMMUNICATIONS

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Presents concepts and techniques for developing written and oral communications skills adapted to various business situations, including the organization of information to support conclusions, using appropriate formats and business writing styles while applying conventions of standard English. Familiarity with computer keyboarding and the Windows operating system is assumed.

CAWT 120 ADMINISTRATIVE OFFICE PROCEDURES

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the technological and procedural tasks typically encountered by the administrative assistant in the business environment.

CAWT 130 MEDICAL OFFICE PROCEDURES

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces administrative medical office procedures, including medical ethics, legal responsibilities and appropriate communications skills. Medical office software for completing such tasks as patient registration, records, appointment scheduling, and billing and collection is also examined.

CAWT 131 MEDICAL TRANSCRIPTION

Units: 2.00

CSU 18.00 hours lecture, 54.00 hours lab

Presents entry-level skills in medical transcription using computer applications, medical dictation and transcription software, incorporating business English, medical knowledge, proofreading, and editing skills. Familiarity with medical terminology and keyboarding skills are assumed.

CAWT 132 MEDICAL OFFICE FINANCES

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

C-ID IT IS 120

Examines the various financial methods used in medical offices and hospitals for a variety of duties using the latest medical management software program to perform such tasks as posting patient account entries, printing daily reports, managing office files, and billing routines such as insurance payments and adjustments, hospital coding and billing, report generation, and inpatient and outpatient coding and billing.

CAWT 140 SURVEY OF MICROSOFT OFFICE PROGRAMS

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces Microsoft Office and its organizational settings, including word processing, spreadsheet analysis, database management, and presentation software.

CAWT 145 QUICKBOOKS PRO

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the basics of QuickBooks Pro, designed to assist in the operation of a small business as well as a merchandise business. Familiarity with the Windows operating system is assumed.

CAWT 150 MICROSOFT WORD I

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the latest version of Microsoft Word, including creating, editing, formatting, saving, retrieving, and printing a variety of business documents. Prepares the student to take the Microsoft Office Specialist (MOS) certification core exam in Word.

CAWT 151 MICROSOFT WORD II

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: CAWT-150

Provides a continuation of CAWT-150, presenting a comprehensive overview of advanced features of Microsoft Word including merging documents, sorting and selecting data using Access database, formatting macros, styles, working with shared documents, creating specialized tables and indexes, and using XML data in different applications. Prepares students for the Microsoft Office User Specialist (MOS) certification expert exam in Word.

CAWT 155 MICROSOFT EXCEL I

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the latest version of Microsoft Excel, including formulas and functions as related to charting, formatting worksheets, creating absolute cell references, working with large worksheets, conducting what-if analysis, and using Excel to create static and dynamic Web pages. Prepares students for the Microsoft Office Specialist (MOS) certification core exam.

CAWT 156 MICROSOFT EXCEL II

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: CAWT-155

Provides a continuation of CAWT-155, presenting a comprehensive overview of advanced features of Microsoft Excel, including templates, SmartArt images, Pivot table reports, Pivot chart reports, formula auditing, data validation, and the use of Macros and Visual Basic for applications. Prepares students to take the MOS exam in Excel.

CAWT 160 MICROSOFT ACCESS I

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the latest version of Microsoft Access, including creating, querying, and maintaining relational databases. Skills are developed from basic functions through intermediate features such as designing and building databases; creating tables, reports and forms with wizards; maintaining and updating databases; developing data access pages and combo boxes; and using OLE fields, hyperlinks, and subforms. Prepares the student to take the Microsoft Office Specialist (MOS) certification core exam in Access.

CAWT 161 MICROSOFT ACCESS II

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: CAWT-160

Provides a continuation of CAWT-160, presenting advanced features of Microsoft Access including creating, querying, and maintaining a database; creating reports, forms, and combo boxes; formulating cross tab queries, mailing labels, and mail merge reports; defining relationships, integrating Excel worksheet data into an Access database; using OLE fields, creating an application system using the Switchboard Manager; customizing forms using VBA, working with PivotTable and PivotChart objects, administering a database; establishing customized menu bars; publishing to the Internet using Data Access pages, using XML to share data and using data from the Internet and other sources. Prepares students for the MCAS Exam.

CAWT 165 MICROSOFT POWERPOINT

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Provides an in-depth study of presentation fundamentals using Microsoft PowerPoint software to create slide presentations incorporating templates, images, screen transitions, sound and animation. Examines how to create dynamic slides and develop slide shows based on business topics. Designed as preparation for the Microsoft Office Specialist (MOS) certification Core and Expert exams in PowerPoint.

CAWT 166 DESKTOP PUBLISHING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces desktop publishing using Adobe InDesign to create graphically-rich layouts, brochures, posters, fliers and newsletters. Familiarity with Windows, file management and a PC is assumed.

CAWT 170 WEBSITE DEVELOPMENT I

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the creation of websites and remote website administration using HTML, CSS, and FTP. Also includes related topics such as information architecture, Internet infrastructure, Security, and Accessibility. Proficiency with Windows, the Internet, a browser and a PC is assumed.

CAWT 171 WEBSITE DEVELOPMENT II

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Continues studies began in Website Development I using HTML coding and CSS positioning, including implementation of audio, video, Java applets, and introductory JavaScript. Concepts related to large-scale development, site promotion, and e-commerce may also be covered. Proficiency with HTML, CSS, the Internet, a browser and Windows is assumed.

**CAWT 173 WEB DEVELOPMENT:
DREAMWEAVER**

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces Adobe Dreamweaver to develop and publish websites, emphasizing a critical-thinking approach and accepted standards of web page design. Proficiency with Windows, OS, PC, the Internet, and basic HTML and CSS is assumed.

**CAWT 174 WEB PROTOTYPING AND
IMAGES**

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended Preparation: CAWT-074, CAWT-105, CAWT-170

Provides hands-on training and application of theoretical concepts related to creating imagery for web delivery with digital imaging software such as Adobe Photoshop. Topics include graphic formats, image optimization, image slicing, resolution, wireframing, GIF animation and Website prototyping with graphical mockups.

COMPUTER NETWORKING

**Associate in Science Degree and
Certificate of Achievement: Computer
Networking**

The Computer Networking Program will prepare students for an entry-level position in an IT related industry with emphasis in either systems administration or network administration. The associate degree has two options: CCNA Network Administrator or MCSA Systems Administrator. It is designed for transfer to four-year colleges or universities. The program also offers the following Certificate of Specializations: Network Associate and Systems Associate. Classes are designed for first-time college students, reentry students, and current industry employees requiring skill enhancement or upgrade training. Emphasis is placed on hands-on labs and case studies designed to apply principles and develop troubleshooting skills. Students can prepare for industry certifications from industries and organizations such as BICSI, Cisco, CompTIA, or Microsoft.

Degree and Certificate Student Learning Outcome:

Students will be able to design, implement, troubleshoot and maintain networking systems.

Program Requirements:

Units Required: 27.5

	Units
CMPNET-132 A+ Computer Repair.....	3.0
CMPNET-133 Data Center	4.0
CMPNET-171 Security + Certification	3.5
ESYST-101 Basic Electronics	3.0

Plus fourteen units from the following:

CMPNET-151 CCNA Prep 1	7.0
<i>OR</i>	
CMPNET-154 CCNA R&S: Introduction to Networks.....	3.5
<i>AND</i>	
CMPNET-155 CCNA R&S: Routing and Switching Essentials	3.5
CMPNET-152 CCNA Prep 2	7.0
<i>OR</i>	
CMPNET-156 CCNA R&S: Scaling Networks	3.5

AND

CMPNET-157	CCNA R&S: Connecting Networks.....	3.5
CMPNET-166	MCSA Prep 1	7.0
CMPNET-167	MCSA Prep 2.....	7.0

Recommended electives:

ESYST-111	Electromechanical Systems	4.0
ESYST-112	Industrial Robotics	4.0
ESYST-113	Industrial Controllers.....	4.0
CWE-188CPNT	Cooperative Work Experience Education Computer Networking (Unpaid).....	1.0 - 4.0
CWE-188CPNT	Cooperative Work Experience Education Computer Networking (Paid).....	1.0 - 4.0
MATH-140	Introductory Statistics	4.0

OR

MATH-140H	Introductory Statistics - Honors	4.0
-----------	--	-----

Certificate of Specialization: Network Associate

Design configuration and maintenance of LANs. Develop practical experience in cabling, routing, IP addressing, Cisco supported network technologies, network troubleshooting skills, WAN technologies, VLANs, OSPF, and EIGRP.

Certificate Student Learning Outcome:

Students will be able to design, implement, maintain, and troubleshoot Cisco network infrastructure devices.

Program Requirements:

Units Required: 14

CMPNET-151	CCNA Prep 1	7.0	Units
	<i>OR</i>		

CMPNET-154	CCNA R&S: Introduction to Networks.....	3.5
------------	---	-----

AND

CMPNET-155	CCNA R&S: Routing and Switching Essentials.....	3.5
------------	---	-----

CMPNET-152	CCNA Prep 2	7.0
	<i>OR</i>	

CMPNET-156	CCNA R&S: Scaling Networks	3.5
	<i>AND</i>	

CMPNET-157	CCNA R&S: Connecting Networks.....	3.5
------------	------------------------------------	-----

Certificate of Specialization: Network Engineer

Design, configuration, and maintenance of LANs and WANs. Develop advanced experience in, routing, IP addressing, Cisco supported network technologies, network troubleshooting skills, WAN technologies, VLANs, OSPF, EIGRP, VoIP, WLANs and security.

Certificate Student Learning Outcome:

Students will be able to design, implement, maintain, and troubleshoot advanced Cisco network infrastructure devices.

Program Requirements:

Units Required: 17.5

		Units
CMPNET-251	CCNP: ROUTE.....	3.5
CMPNET-253	CCNP: SWITCH & TSHOOT	3.5
CMPNET-261	CCNA: VOICE	3.5
CMPNET-271	CCNA: SECURITY	3.5
CMPNET-281	CCNA: Wireless.....	3.5

Certificate of Specialization: System Administrator

Design configuration and maintenance of LANs. Develop practical experience in Microsoft supported network technologies, network troubleshooting skills, Windows client OS, Windows server OS, Active Directory.

Certificate Student Learning Outcome:

Students will be able to design, implement, maintain, and troubleshoot Microsoft network devices.

Program Requirements:

Units Required: : 14

		Units
CMPNET-166	MCSA Prep 1	7.0
	<i>OR</i>	

CMPNET-176	MCSA: Client OS.....	3.5
	<i>AND</i>	

CMPNET-177	MCSA Prep 2.....	3.5
CMPNET-167	MCSA Prep 2.....	7.0
	<i>OR</i>	

CMPNET-178	MCSA: Administering Windows Server	3.5
	<i>AND</i>	

CMPNET-179	MCSA: Configuring Advanced Windows Server Services.....	3.5
------------	---	-----

CMPNET 131 NETWORK CABLING INFRASTRUCTURE

Units: 4.00

CSU 36.00 hours lecture, 108.00 hours lab

Introduces cabling requirements and standards used in modern telecommunications infrastructures, including content related to the BICSI Level 1 Installer Exam.

CMPNET 132 A+ COMPUTER REPAIR

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Provides instruction in computer repair and upgrade including content related to the Computing Technology Industry Association (CompTIA) A+ certification.

CMPNET 133 DATA CENTER

Units: 4.00

CSU 36.00 hours lecture, 108.00 hours lab

Examines data center design and implementation with a focus on environmentally friendly "green" technologies.

CMPNET 151 CCNA PREP 1

Units: 7.00

CSU 108.00 hours lecture, 54.00 hours lab

The first of two classes are in designing, configuring, and maintaining LANs including cabling, routing, IP addressing, network technologies and network troubleshooting skills. This course aligns with the Cisco CCNA and CompTIA Network+ certification exams and helps the student with their preparation for those certification exams. Credit limitation: CMPNET-151, 154, 155; maximum credit 7 units.

CMPNET 152 CCNA PREP 2

Units: 7.00

CSU 108.00 hours lecture, 54.00 hours lab

Prerequisite: CMPNET-151 or CMPNET-155 or Cisco CCENT Certification

The second of two classes extend knowledge and experience in designing, configuring and maintaining LANs and WANs, including WAN technologies PPP and Frame Relay and LAN technologies VLANs, VTP, and STP. This course aligns with the Cisco CCNA and CompTIA Network+ certification exams and helps the student with their preparation for those certification exams. Credit limitation: CMPNET-152, 156, 157; maximum credit 7 units.

CMPNET 154 CCNA R&S: INTRODUCTION TO NETWORKS

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

The first of four classes in designing, configuring, and maintaining LANs, include cabling, IP addressing, network technologies and network troubleshooting skills. This course aligns with the Cisco CCENT and CompTIA Network+ certification exams and helps the student with their preparation for those certification exams. Credit limitation: CMPNET-151, 154, 155; maximum credit 7 units.

CMPNET 155 CCNA R&S: ROUTING AND SWITCHING ESSENTIALS

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Prerequisite: CMPNET-154

The second of four classes in designing, configuring, and maintaining LANs, include cabling, IP addressing, network technologies and network troubleshooting skills. This course aligns with the Cisco CCENT and CompTIA Network+ certification exams and helps the student with their preparation for those certification exams. Credit limitation: CMPNET-151, 154, 155; maximum credit 7 units.

CMPNET 156 CCNA R&S: SCALING NETWORKS

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Prerequisite: CMPNET-151 or CMPNET-155 or Cisco CCENT Certification

The third of four classes in designing, configuring, and maintaining LANs, include cabling, IP addressing, network technologies and network troubleshooting skills. This course aligns with the Cisco CCNA and CompTIA Network+ certification exams and helps the student with their preparation for those certification exams. Credit limitation: CMPNET-152, 156, 157; maximum credit 7 units.

CMPNET 157 CCNA R&S: CONNECTING NETWORKS

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Prerequisite: CMPNET-156

The fourth of four classes in designing, configuring, and maintaining LANs, include cabling, IP addressing, network technologies and network troubleshooting skills. This course aligns with the Cisco CCNA and CompTIA Network+ certification exams and helps the student with their preparation for those certification exams. Credit limitation: CMPNET-152, 156, 157; maximum credit 7 units.

CMPNET 166 MCSA PREP 1

Units: 7.00

CSU 108.00 hours lecture, 54.00 hours lab

First of two courses covering Microsoft MCSA certification. This course aligns with the tests Windows client OS and Installing and Configuring Windows Server OS and helps the student with their preparation for those certification exams. Credit limitation: CMPNET-166, 176, 177; maximum credit 7 units.

CMPNET 167 MCSA PREP 2

Units: 7.00

CSU 108.00 hours lecture, 54.00 hours lab

Prerequisite: CMPNET-166 or CMPNET-177

Second of two courses covering Microsoft MCSA certification. This course aligns with the tests Administering Windows Server OS and Configuring Advanced Windows Server OS Services and helps the student with their preparation for those certification exams. Credit limitation: CMPNET-167, 178, 179; maximum credit 7 units.

CMPNET 171 SECURITY+ CERTIFICATION

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Prerequisite: CMPNET-133

Explores basic concepts in network security including security baselines, securing the network infrastructure, web security, cryptography, operational security, security policies, and introduces computer forensics. This course aligns with the CompTIA Security+ certification exam and helps the student with their preparation for that certification exam.

CMPNET 176 MCSA: CLIENT OS

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

First of four courses covering Microsoft MCSA certification. This course aligns with the test Windows client OS and helps the student with their preparation for that certification exam. Credit limitation: CMPNET-166, 176, 177; maximum credit 7 units.

CMPNET 177 MCSA: SERVER OS

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Prerequisite: CMPNET-176

Second of four courses covering Microsoft MCSA certification. This course aligns with the test Windows server OS and helps the student with their preparation for that certification exam. Credit limitation: CMPNET-166, 176, 177; maximum credit 7 units.

CMPNET 178 MCSA: ADMINISTERING WINDOWS SERVER

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Prerequisite: CMPNET-166 or CMPNET-177 or Microsoft Server OS Certification

Third of four courses covering Microsoft MCSA certification. This course aligns with the test Administering Windows Server OS and helps the student with their preparation for that certification exam. Credit limitation: CMPNET-167, 178, 179; maximum credit 7 units.

CMPNET 179 MCSA: CONFIGURING ADVANCED WINDOWS SERVER SERVICES

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Prerequisite: CMPNET-178

Fourth of four courses covering Microsoft MCSA certification. This course aligns with the test Configuring Advanced Windows Server Services and helps the student with their preparation for that certification exam. Credit limitation: CMPNET-167, 178, 179; maximum credit 7 units.

CMPNET 191 LINUX/UNIX 1: PREPARATION FOR LPIC-1

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Provides the foundation for the development of Linux/UNIX administration skills. Prepares the student for the LPIC-1 certification.

CMPNET 251 CCNP: ROUTE

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Prerequisite: CMPNET-152 or possession of a valid Cisco CCNA certificate

Covers Cisco CCNP topics offered through the College of the Canyons Cisco Academy, including advanced routing, routing protocols, routing tables, scalable routing protocols, access lists, route distribution, IPv6, and configuration of advanced networks.

CMPNET 253 CCNP: SWITCH & TSHOOT

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Prerequisite: CMPNET-152 or possession of a valid Cisco CCNA certificate

Covers Cisco CCNP topics offered through the College of the Canyons Cisco Academy, including VLANs, STP, inter-VLAN routing, high availability and redundancy, switch security, and advanced services.

CMPNET 261 CCNA: VOICE

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Prerequisite: CMPNET-152

Introduces Voice over IP (VoIP) and covers IP PBX, IP telephony, handset, call control, and voicemail. Prepares the student for the CCNA Voice certification exam.

CMPNET 271 CCNA: SECURITY

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Prerequisite: CMPNET-152

Introduces WAN Network Security focusing on installation, troubleshooting and monitoring of network devices to maintain integrity, confidentiality and availability of data and devices. Prepares the student for the CCNA Security certification exam.

CMPNET 281 CCNA: WIRELESS

Units: 3.50

CSU 54.00 hours lecture, 27.00 hours lab

Prerequisite: CMPNET-152 or CMPNET-157 or Cisco CCNA Certification

Introduces Wireless LANs focusing on design, planning, implementation, operation, and troubleshooting. This course aligns with the Cisco CCNA Wireless certification exam and helps the student with their preparation for that certification exam.

COMPUTER SCIENCE

The Computer Science program is designed to address problems in organizing, representing, manipulating, and presenting information in an automatic processing environment. Computerized information systems are being developed and used in almost every field where information must be processed. The goal of the Computer Science program is to provide understanding of the functions of the modern computer and operational skills in programming. The following list is a sample of the many career options available to the computer science major. While a few require an associate degree, most require baccalaureate degrees and some require a graduate degree: programmer, computer hardware specialist, data base specialist, computer operator, systems analyst, programmer analyst, software engineer, and instructor.

Associate in Science Degree: Computer Science for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degree traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU

system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T in Computer Science. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to evaluate and analyze fundamental software solutions and their applications.

Program Requirements:

Units Required: 30

	Units
CMPSCI-111 Introduction to Algorithms and Programming/Java	3.0
CMPSCI-122 Computer Architecture and Assembly Language	3.0
CMPSCI-182 Data Structures and Program Design	3.0
CMPSCI-256 Discrete Structures	3.0
MATH-211 Calculus I	5.0
MATH-212 Calculus II	5.0
PHYSIC-220 Physics for Scientists and Engineers: Mechanics of Solids and Fluids	4.0
PHYSIC-221 Physics for Scientists and Engineers: Electricity & Magnetism	4.0

Associate in Science Degree: Computer Science

Degree Student Learning Outcome:

Students will be able to identify, evaluate, analyze, and present fundamental software solutions and their applications.

Program Requirements:

Units Required: 36

	Units
CMPSCI-111 Introduction to Algorithms and Programming/Java	3.0
CMPSCI-111L Introduction to Algorithms and Programming Lab	1.0
CMPSCI-122 Computer Architecture and Assembly Language	3.0
CMPSCI-182 Data Structures and Program Design	3.0
CMPSCI-182L Data Structures and Program Design Lab	1.0
CMPSCI-235 'C' Programming	3.0
CMPSCI-282 Advanced Data Structures	3.0

Plus six units from the following:

CMPSCI-132 Introduction to Programming	3.0
CMPSCI-190 Web Programming: JavaScript	3.0

CMPSCI-192 PHP Programming	3.0
CMPSCI-222 Computer Organization	3.0
CMPSCI-236 C++ Object Oriented Programming	3.0
PHILOS-230 Symbolic Logic	3.0

Plus 13 units from the following (for transfer students)

MATH-211 Calculus I	5.0
MATH-212 Calculus II	5.0
MATH-214 Linear Algebra	3.0

OR

Plus 13 units from the following (for Non-Transfer students)

MATH-211 Calculus I	5.0
---------------------------	-----

AND

Eight additional units from the above CMPSCI courses that have not already been taken

CMPSCI 111 INTRODUCTION TO ALGORITHMS AND PROGRAMMING/JAVA

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMP 122

Co-Requisite: CMPSCI-111L

Introduces computer programming using Java, including algorithms, data and control structures, problem solving, structured and object oriented programming.

CMPSCI 111L INTRODUCTION TO ALGORITHMS AND PROGRAMMING LAB

Units: 1.00

UC:CSU 54.00 hours lab

Co-Requisite: CMPSCI-111

Required java programming laboratory to support CMPSCI 111.

CMPSCI 122 COMPUTER ARCHITECTURE AND ASSEMBLY LANGUAGE

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMP 142

Introduces computer architecture, assembly/machine language programming, system software and computer applications.

CMPSCI 132 INTRODUCTION TO PROGRAMMING

Units: 3.00

UC:CSU 54.00 hours lecture

Introduction to programming using Visual Basic. Designed for students with little or no experience in computer programming. Includes hands-on programming projects, as well as the history of computer science and theories of software development.

CMPSCI 182 DATA STRUCTURES AND PROGRAM DESIGN

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMP 132

Prerequisite: CMPSCI-111 Co-requisite: CMPSCI-182L

Presents object-oriented view of data structures: stacks, queues, trees, lists, hash tables and analysis of performance of algorithms for data structures. This course is a second semester (intermediate) Java programming language course.

CMPSCI 182L DATA STRUCTURES AND PROGRAM DESIGN LAB

Units: 1.00

UC:CSU 54.00 hours lab

Co-requisite: CMPSCI-182

Implementation and programming of object-oriented data structures using the Java programming language.

CMPSCI 190 WEB PROGRAMMING: JAVASCRIPT

Units: 3.00

CSU 54.00 hours lecture

Introduces Javascripting for web designers, including creating animated web pages, client-side forms validation, AJAX, processing forms data, and generating dynamically updated web pages. Experience creating web pages with HTML is strongly suggested prior to taking this course.

CMPSCI 192 PHP PROGRAMMING

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: Student must be familiar with HTML and creating web pages.

Introduces programming and PHP language. Covers PHP language elements including object oriented programming (OOP). In-depth coverage of CGI programming and processing FORM elements from a web page. Additional topics include XML manipulation, data base interfaces and programming e-commerce web pages.

CMPSCI 222 COMPUTER ORGANIZATION

Units: 3.00

CSU 54.00 hours lecture

Introduces advanced computer architecture.

CMPSCI 235 C PROGRAMMING

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces C Programming including data types, operators and expressions, control flow logic, program structure, arrays functions and file I/O.

CMPSCI 236 C++ OBJECT ORIENTED PROGRAMMING

Units: 3.00

UC:CSU 54.00 hours lecture

Prerequisite: CMPSCI-235

Introduces Object Oriented Programming (OOP) using the language C++. Topics covered will be C++ classes/objects, input/output streams, overloading, inheritance, templates and exception handling.

CMPSCI 256 DISCRETE STRUCTURES

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID COMP 152

Prerequisite: CMPSCI-111

Introduces discrete structures used in Computer Science emphasizing their applications. Topics include functions, relations and sets, basic logic, proof techniques, basics of counting, graphs and trees and discrete probability.

CMPSCI 282 ADVANCED DATA STRUCTURES

Units: 3.00

UC:CSU 54.00 hours lecture

Prerequisite: CMPSCI-111

Explores the foundations of database design with in-depth coverage of data structures using the Java programming language including effective storage of data in disk-based files.

CONSTRUCTION MANAGEMENT TECHNOLOGY

Associate in Science and Certificate of Achievement: Construction Management Technology

The Construction Management Technology program is designed to prepare students with the foundation needed to meet the current technological requirements of the construction workplace. The program has two tracks: one for those interested in transferring to a four-year college or university to major in Construction Engineering Technology or Construction Management; the other option is for those students already employed in the construction industry or who plan to enter the industry after completion of a certificate or associate degree. The certificate and associate degree curriculum provides students with the industry identified skill competencies for entry into the field.

Degree and Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in construction management.

Program Requirements:

Units Required: 33

	Units
CONST-101 Introduction to Construction and Construction Engineering	2.0
CONST-102 Construction Management Principles	3.0
CONST-103 Blueprint Reading for Construction	3.0
CONST-104 The Construction Process - Planning and Scheduling	3.0
CONST-105 Construction Estimating Principles	3.0
CONST-106 Survey of Construction Contracts and Laws	3.0
CONST-108 Introduction to Construction Inspection and Codes.....	2.0
SURV-101 Introduction to Land Surveying.....	4.0
<i>Plus ten units from the following: (A minimum of one unit must be completed in CWE-186CNST or CWE-188CNST)</i>	
ARCHT-110 Architectural Drafting I.....	3.0

ARCHT-140	Materials and Methods of Construction	3.0
BUS-101	Bookkeeping and Accounting	5.0
CWE-186CNST	Cooperative Work Experience Education Construction (Unpaid).....	1.0 - 4.0
CWE-188CNST	Cooperative Work Experience Education Construction (Paid).....	1.0 - 4.0
MFGT-090	Measurements and Computations	3.0

Associate in Science and Certificate of Achievement: Construction Technology

The Construction Technology Program is designed to prepare students for entry-level positions in the building construction trades. The Certificate of Achievement curriculum prepares students with the basic skills required to enter a career in Plumbing, Electrical, Carpentry, or related field. The Construction Technology Certificate of Achievement stacks upon the Plumbing, Electrical, and Carpentry Certificates of Achievement, and the Construction Technology Associate in Science Degree stacks upon the Certificate of Achievement.

Degree and Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in entry-level skills and knowledge required for employment in a construction technology career field.

Program Requirements:

Units Required: 26

	Units
CONST-010 Plumbing Technology I	2.0
CONST-012 Plumbing Technology II	2.0
CONST-020 Electrical Technology I.....	2.0
CONST-022 Electrical Technology II.....	2.0
CONST-030 Carpentry Technology I.....	2.0
CONST-032 Carpentry Technology II.....	2.0
CONST-101 Introduction to Construction and Construction Engineering	2.0
CONST-103 Blue Print Reading for Construction	3.0
CONST-109 California Building Code	3.0
CONST-122 Plumbing Systems and the Plumbing Code	3.0
<i>OR</i>	
CONST-124 California Electrical Code	3.0
MFGT-090 Measurements and Computations...	3.0

Certificate of Achievement: Building Inspection

The Building Inspection option is designed to prepare students to meet entry-level requirements for employment in the building inspection profession. The coursework prepares students to take code certification exams typically required for employment. Inspectors are employed by government agencies, private companies, contractors and lending institutions. Inspectors observe, evaluate, judge and enforce laws and regulations pertaining to building construction. The inspector is required to have a broad base of knowledge in all components of construction including plan reading, specification interpretation and legal requirements.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required to interpret California construction codes and apply them to building and construction applications.

Program Requirements:

Units Required: 18

	Units
CONST-103	Blueprint Reading for Construction3.0
CONST-108	Introduction to Construction Inspection and Codes.....2.0
CONST-109	California Building Code3.0
CONST-120	California Mechanical Code.....3.0
CONST-122	Plumbing Systems and the Plumbing Code3.0
CONST-124	California Electrical Code3.0

A minimum of one unit from the following:

CWE-186CNST	Cooperative Work Experience Education Construction (Unpaid).....1.0 - 4.0
CWE-188CNST	Cooperative Work Experience Education Construction (Paid).....1.0 - 4.0

Certificate of Achievement: Carpentry Technology

The Carpentry Technology Certificate of Achievement is designed to prepare students for entry-level positions in a carpentry technology related trade. The curriculum incorporates courses in skills application, trades math, print reading, building codes, and general construction site operations and safety.

Certificate Student Learning Outcome:

Students will be able to apply basic skills and knowledge required for employment in a carpentry technology related trade.

Program Requirements:

Units Required: 18

	Units
CONST-030	Carpentry Technology I.....2.0
CONST-032	Carpentry Technology II.....2.0
CONST-101	Introduction to Construction and Construction Engineering2.0
CONST-103	Blue Print Reading for Construction3.0
CONST-109	California Building Code3.0
CONST-122	Plumbing Systems and the Plumbing Code3.0
MFGT-090	Measurements and Computations...3.0

Certificate of Achievement: Electrical Technology

The Electrical Technology Certificate of Achievement is designed to prepare students for entry-level positions in an electrical technology related trade. The curriculum incorporates courses in skills application, trades math, print reading, and building codes. The Electrical Technology Certificate of Achievement stacks upon the Certificate of Specialization.

Certificate Student Learning Outcome:

Students will be able to apply basic skills and knowledge required for employment in an electrical technology related trade.

Program Requirements:

Units Required: 18

	Units
CONST-020	Electrical Technology I.....2.0
CONST-022	Electrical Technology II.....2.0
CONST-101	Introduction to Construction and Construction Engineering2.0
CONST-103	Blue Print Reading for Construction3.0
CONST-109	California Building Code3.0
CONST-124	California Electrical Code3.0
MFGT-090	Measurements and Computations...3.0

Certificate of Achievement: Plumbing Technology

The Plumbing Technology Certificate of Achievement is designed to prepare students for entry-level positions in a plumbing technology related trade. The curriculum incorporates courses in skills application, trades math, print reading, and building codes. The Plumbing Technology Certificate of Achievement stacks upon the Certificate of Specialization.

Certificate Student Learning Outcome:

Students will be able to apply basic skills and knowledge required for employment in a plumbing technology related trade.

Program Requirements:

Units Required: 18

	Units
CONST-010 Plumbing Technology I	2.0
CONST-012 Plumbing Technology II	2.0
CONST-101 Introduction to Construction and	
Construction Engineering	2.0
CONST-103 Blue Print Reading for	
Construction	3.0
CONST-109 California Building Code	3.0
CONST-122 Plumbing Systems and the	
Plumbing Code	3.0
MFGT-090 Measurements and Computation	3.0

CONST 010 PLUMBING TECHNOLOGY I

Units: 2.00

18.00 hours lecture, 54 hours lab

Introduces the fundamentals of plumbing technology. Topics includes industry standard safe practices, hand tool operation, applied math, print reading, water supply systems, hydraulics, plumbing code, pipe fit up, and pipe joining.

CONST 012 PLUMBING TECHNOLOGY II

Units: 2.00

18.00 hours lecture, 54 hours lab

Prerequisite: CONST-010

Continues the study of plumbing including the application of plumbing technology fundamentals to the design and installation of a residential plumbing system. Topics includes pipe fitting, fixture, water heater, and valve installation.

CONST 020 ELECTRICAL TECHNOLOGY I

Units: 2.00

18.00 hours lecture, 54 hours lab

Introduces the fundamentals of electrical technology. Includes industry standard safe practices, electric circuit theory, electrician tools, wiring systems, conductors, boxes, fittings, and covers.

CONST 022 ELECTRICAL TECHNOLOGY II

Units: 2.00

18.00 hours lecture, 54 hours lab

Prerequisite: CONST-020

Continues the study of electricity including the applications of electrical technology fundamentals to the design and construction of residential electrical systems. Topics includes device wiring, overcurrent protection, grounding, service entrances, prints, specification, branch circuits, and appliance wiring.

CONST 030 CARPENTRY TECHNOLOGY I

Units: 2.00

18.00 hours lecture, 54 hours lab

Introduces the fundamentals utilized in the construction of a residential wood framed structure. Topics includes industry standard safe practices, hand tool operation, print reading, site preparation, foundations, and rough framing.

CONST 032 CARPENTRY TECHNOLOGY II

Units: 2.00

18.00 hours lecture, 54 hours lab

Prerequisite: CONST-030

Continues the study of carpentry including closing in and finishing methods utilized in the construction of a residential wood framed structure. Topics include roofing, plastering, insulation, drywall, painting, and finish carpentry.

CONST 101 INTRODUCTION TO CONSTRUCTION AND CONSTRUCTION ENGINEERING

Units: 2.00

CSU 36.00 hours lecture

Introduces the construction industry, the building design process, the construction project process and the roles and responsibilities of: clients, architects, engineers, contractors, project managers, technicians, sub-contractors, suppliers, regulatory agencies, bankers, lawyers and the public. Includes an overview of careers in construction.

CONST 102 CONSTRUCTION MANAGEMENT PRINCIPLES

Units: 3.00

CSU 54.00 hours lecture

Introduces construction management principles, practices and methods used to produce a quality construction project. Topics include roles and responsibilities, delivery methods, human relations, project monitoring and control, contract documents, management styles, safety, general project administration and computer aided construction management.

CONST 103 BLUEPRINT READING FOR CONSTRUCTION

Units: 3.00

CSU 54.00 hours lecture

Presents reading, interpreting, analyzing and visualizing construction drawings and specifications prepared by architects and engineers, emphasizing reading and extracting information from detailed drawings for both residential and commercial construction.

CONST 104 THE CONSTRUCTION PROCESS - PLANNING AND SCHEDULING

Units: 3.00

CSU 54.00 hours lecture

Introduces the fundamental concepts used in planning, scheduling and controlling construction projects including software applications. Introduces diagrams, precedence networks, resources, time assignment and computations, the Critical Path Method (CPM), monitoring and updating.

CONST 105 CONSTRUCTION ESTIMATING PRINCIPLES

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: CONST-103

Introduces methods and practices related to construction estimating including quantities and costs of materials, labor and management as well as miscellaneous items related to construction costs. Course requires print reading knowledge and introduces basic scheduling concepts in relation to estimating. May include computer program applications.

CONST 106 SURVEY OF CONSTRUCTION CONTRACTS AND LAWS

Units: 3.00

CSU 54.00 hours lecture

Introduces the basics of construction contracts including typical contract terms and conditions and formation, administration and interpretation of contracts. Introduces laws and regulations applying to construction including license laws for contractors and design professionals, mechanics liens, stop notices, labor regulations, safety and CalOSHA, SWPPP and environmental issues.

CONST 108 INTRODUCTION TO CONSTRUCTION INSPECTION AND CODES

Units: 2.00

CSU 36.00 hours lecture

Recommended Preparation: ARCHT-140 or CONST-103

Introduces the function, responsibilities, authority and technical requirements of quality assurance of construction projects using California's building codes as a basis.

CONST 109 CALIFORNIA BUILDING CODE

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: CONST-108

Focuses on California building codes requirements for residential and non-residential construction as they pertain to the building inspection process.

CONST 120 CALIFORNIA MECHANICAL CODE

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: CONST-108

Introduces the Uniform Mechanical Code as it applies to construction and maintenance of buildings regulated by this code.

CONST 122 PLUMBING SYSTEMS AND THE PLUMBING CODE

Units: 3.00

CSU 54.00 hours lecture

Introduces plumbing systems used in buildings and other construction projects including systems for water, waste, storm water, fuel gas, medical gas and vacuum, sewage disposal, water reuse and reclaimed water. Surveys the Plumbing Code requirements for each of these systems.

CONST 124 CALIFORNIA ELECTRICAL CODE

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: CONST-108

Introduces the National Electrical Code including provisions of the code, interpretation of construction documents, construction procedures and inspection procedures.

COOPERATIVE WORK EXPERIENCE

WORK EXPERIENCE, COOPERATIVE EDUCATION PROGRAM (CWE)

The Cooperative Work Experience Education (CWEE) Program has been integrated into academic departments throughout the College. This program allows students to apply knowledge gained in college courses to an actual work setting. In addition, interns who qualify for these courses are able to sample career choices and to improve job-readiness skills. This would be in a paid or unpaid work setting.

CWE 186AUTO COOPERATIVE WORK EXPERIENCE EDUCATION AUTOMOTIVE TECHNOLOGY (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Automotive Technology from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186BUS COOPERATIVE WORK EXPERIENCE EDUCATION BUSINESS (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Business from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186CAWT COOPERATIVE WORK EXPERIENCE EDUCATION COMPUTER APPLICATIONS AND WEB TECHNOLOGIES (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Computer Applications and Web Technologies from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186CNST COOPERATIVE WORK EXPERIENCE EDUCATION CONSTRUCTION (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Construction from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186CPNT COOPERATIVE WORK EXPERIENCE EDUCATION COMPUTER NETWORKING (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Computer Networking from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186CULA COOPERATIVE WORK EXPERIENCE EDUCATION CULINARY ARTS (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Culinary Arts from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186EDUC COOPERATIVE WORK EXPERIENCE EDUCATION ELEMENTARY EDUCATION (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Elementary Education from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186GMD COOPERATIVE WORK EXPERIENCE EDUCATION GRAPHIC AND MULTIMEDIA DESIGN (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Graphic and Multimedia Design from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186ID COOPERATIVE WORK EXPERIENCE EDUCATION INTERIOR DESIGN (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Interior Design from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186MEA COOPERATIVE WORK EXPERIENCE EDUCATION MEDIA ENTERTAINMENT ARTS (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Media Entertainment Arts from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186MFGT COOPERATIVE WORK EXPERIENCE EDUCATION MANUFACTURING TECHNOLOGY (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Manufacturing Technology from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186PHOT COOPERATIVE WORK EXPERIENCE EDUCATION PHOTOGRAPHY (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Photography from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186PLGL COOPERATIVE WORK EXPERIENCE EDUCATION PARALEGAL (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Paralegal from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186SIGN COOPERATIVE WORK EXPERIENCE EDUCATION SIGN LANGUAGE (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Sign Language from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186THTR COOPERATIVE WORK EXPERIENCE EDUCATION TECHNICAL THEATRE (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Technical Theatre from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 186WELD COOPERATIVE WORK EXPERIENCE EDUCATION WELDING TECHNOLOGY (UNPAID)

Units: 1.00-4.00

CSU 60.00 - 240.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Welding Technology from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 188 COOPERATIVE WORK EXPERIENCE EDUCATION

Units: 1.00-4.00

CSU 60.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained from college courses in a supervised work setting. Credit may be accrued at the rate of one to 4 units per semester for a total of sixteen units. Students must work 75 paid hours or 60 non-paid hours per unit registered.

CWE 188AUTO COOPERATIVE WORK EXPERIENCE EDUCATION AUTOMOTIVE TECHNOLOGY (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Automotive Technology from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188BUS COOPERATIVE WORK EXPERIENCE EDUCATION BUSINESS (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Business from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188CAWT COOPERATIVE WORK EXPERIENCE EDUCATION COMPUTER APPLICATIONS AND WEB TECHNOLOGIES (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Computer Applications and Web Technologies from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188CNST COOPERATIVE WORK EXPERIENCE EDUCATION CONSTRUCTION (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Construction from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188CPNT COOPERATIVE WORK EXPERIENCE EDUCATION COMPUTER NETWORKING (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Computer Networking from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188CULA COOPERATIVE WORK EXPERIENCE EDUCATION CULINARY ARTS (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Culinary Arts from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188EDUC COOPERATIVE WORK EXPERIENCE EDUCATION ELEMENTARY EDUCATION (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Elementary Education from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188GMD COOPERATIVE WORK EXPERIENCE EDUCATION GRAPHIC AND MULTIMEDIA DESIGN (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Graphic and Multimedia Design from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 60 hours per unit for an unpaid internship in order to receive credit.

CWE 188ID COOPERATIVE WORK EXPERIENCE EDUCATION INTERIOR DESIGN (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Interior Design from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188MEA COOPERATIVE WORK EXPERIENCE EDUCATION MEDIA ENTERTAINMENT ARTS (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Media Entertainment Arts from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188MFGT COOPERATIVE WORK EXPERIENCE EDUCATION MANUFACTURING TECHNOLOGY (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Manufacturing Technology from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188PHOT COOPERATIVE WORK EXPERIENCE EDUCATION PHOTOGRAPHY (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Photography from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188PLGL COOPERATIVE WORK EXPERIENCE EDUCATION PARALEGAL (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Paralegal from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188SIGN COOPERATIVE WORK EXPERIENCE EDUCATION SIGN LANGUAGE (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Sign Language from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188THTR COOPERATIVE WORK EXPERIENCE EDUCATION TECHNICAL THEATRE (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Technical Theatre from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 188WELD COOPERATIVE WORK EXPERIENCE EDUCATION WELDING TECHNOLOGY (PAID)

Units: 1.00-4.00

CSU 75.00 - 300.00 hours lab

Provides students with the opportunity to apply knowledge and skills gained in the area of Welding Technology from college courses or career exploration in an actual work setting. Maximum of 4 units per enrollment. Students must work at the internship site a minimum of 75 hours per unit for a paid internship in order to receive credit.

CWE 189GNRL COOPERATIVE WORK EXPERIENCE EDUCATION GENERAL

Units: 1.00-3.00

CSU 75.00 – 225.00 hours lab

Develops desirable work habits, attitudes and career awareness. The work experience need not be related to students' educational goals. Students must be employed to register in this course. This work experience course of supervised employment is designed to assist students to become productive employees and provide students with career awareness for jobs. Credit may be accrued at the rate of 1 to 3 units per semester for a maximum of 3 units. Students must work 75 hours per unit registered.

COUNSELING

COUNS 010 CAREER EXPLORATION

Units: 1.00

18.00 hours lecture

Provides students with career exploration techniques. Emphasis is placed on selecting a career based on self-examination of interests, values, abilities and personality through assessment inventories, skill exercises and career research.

COUNS 070 DISTANCE LEARNING AND STRATEGIES FOR SUCCESS

Units: 1.00

18.00 hours lecture

Introduces the practical strategies and skills necessary to succeed in distance education. Students will learn how to anticipate, avoid and/or solve typical problems encountered in the distance learning environments. Familiarity with the Windows operating systems is necessary. Offered pass/no-pass only.

COUNS 100 SUCCESS STRATEGIES FOR THE REENTRY ADULT

Units: 3.00

CSU 54.00 hours lecture

Introduces adult reentry students to the educational, psychological, intellectual, social and health-related factors that impact lifelong learning, well-being and success. Topics include motivation, self-discovery and self-efficacy, critical and creative thinking, effective study strategies, learning styles, health & wellness issues and lifestyle choices, effective written and oral communication, cross-cultural communication, time and stress management strategies, career exploration and educational and life planning.

COUNS 110 CAREER/LIFE PLANNING

Units: 3.00

CSU 54.00 hours lecture

Introduces self-assessment tools to identify college majors and careers by clarifying interests, skills, values, and personality type. Students also examine the decision-making process, self-management, life roles and goal-setting. Includes a review of labor market trends, career research, interviewing skills, resume and cover letter writing and job search strategies.

COUNS 111 INTRODUCTION TO COLLEGE AND STRATEGIES FOR SUCCESS

Units: 1.00

CSU 18.00 hours lecture

Provides students with the skills necessary to increase success in college. Topics include: college culture, goal setting, time management, study strategies, college services/resources and educational planning.

COUNS 120 UNIVERSITY TRANSFER PLANNING

Units: 1.00

CSU 18.00 hours lecture

Provides students with information and resources to facilitate a smooth transfer to four-year colleges and universities. Topics include UC/CSU applications, major and general education requirements, financial aid/ scholarships, personalized student education plans and analysis of factors involved in the selection of transfer schools.

COUNS 142 LEARNING TO LEARN

Units: 3.00

CSU 54.00 hours lecture

Focuses on brain-based learning strategies that develop self-regulatory learning: discovering self-motivation, gaining self-awareness, developing emotional intelligence, employing interdependence, accepting personal responsibility, applying active listening, reading and note-taking, monitoring performance, and developing a growth mindset that believes in self. Students will combine theory and practice to become successful learners and college students.

COUNS 150 STUDENT SUCCESS

Units: 3.00

UC:CSU 54.00 hours lecture

Designed to integrate personal growth, critical thinking, creative thinking, problem solving and academic success. The course introduces the student to the benefits of higher education, educational planning, goal setting and career choices. The student is guided through the process of self-discovery which emphasizes the importance of self-awareness, self-responsibility and self-empowerment.

CULINARY ARTS

Associate in Arts Degree and Certificate of Achievement: Culinary Arts

The Culinary Arts program is designed to prepare students for careers in the culinary field. The design of the program is balanced between developing the culinary tactile skills of food preparation and the management qualities necessary for career growth. The program will focus on cooking skills development, problem solving, and challenging students to critically evaluate the strengths and weaknesses of culinary operations and identify entrepreneurial approaches to operations.

Degree and Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in the food industry.

Program Requirements:

Units Required: 33.5 - 35

	Units
CULARTS-050 Knife Skills	2.0
CULARTS-055 Culinary Safety and Sanitation	1.0
CULARTS-121 Culinary Fundamentals I	3.0
CULARTS-123 Culinary Fundamentals II	3.0
CULARTS-125 Principles of Garde Manger I	3.0
CULARTS-127 Principles of Baking I	3.0
CULARTS-132 Culinary Fundamentals III	3.0
CULARTS-134 ICUE Café Production I	4.0
CULARTS-135 Catering	3.0
CULARTS-136 ICUE Front of House Service	3.0
CULARTS-150 Food Service Costs and Controls	2.0

Plus one course from the following:

CULARTS-128 Principles of Baking II	3.0
CULARTS-133 International Cuisine	2.5
CULARTS-138 ICUE Café Production II	4.0

Plus a minimum of one unit from the following:

CWE-186CULA Cooperative Work Experience	
Education Culinary Arts (Unpaid)	1.0 – 4.0
CWE-188CULA Cooperative Work Experience	
Education Culinary Arts (Paid)	1.0 – 4.0

CULINARY ARTS

Certificate of Specialization: Baking and Pastry

The Culinary Arts Baking and Pastry Certificate of Specialization is designed for those interested in professional baking. It includes comprehensive study with an emphasis on application of fundamental baking techniques and ingredients. Program completers are prepared for entry level employment as bread bakers, pastry cooks, cake decorators or confectioners.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in the baking industry.

Program Requirements:

Units Required: 15

	Units
CULARTS-127 Principles of Baking I.....	3.0
CULARTS-128 Principles of Baking II.....	3.0
CULARTS-129 Cake Decorating Essentials	3.0
CULARTS-130 Pastry Art.....	2.5
CULARTS-131 Chocolates.....	2.5

Plus a minimum of one unit from the following:

CWE-186CULA Cooperative Work Experience Education Culinary Arts (Unpaid).....	1.0 – 4.0
CWE-188CULA Cooperative Work Experience Education Culinary Arts (Paid).....	1.0 – 4.0

CULARTS 050 KNIFE SKILLS

Units: 2.00

18.00 hours lecture, 54.00 hours lab

Co-requisite: CULARTS-055

Introduces basic knife skills, including theory and proper technique, emphasizing correct sanitation practices and good motor skills.

CULARTS 055 CULINARY SAFETY AND SANITATION

Units: 1.00

18.00 hours lecture

Introduces principles of food safety and sanitation in a food service operation. Topics include sanitation regulations, personal hygiene, contamination sources, microorganisms, proper food handling techniques and storage, comprehensive cleaning and sanitizing and workplace safety concepts.

CULARTS 121 CULINARY FUNDAMENTALS I

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Co-Requisite: CULARTS-050 and CULARTS-055

Recommended Preparation: CULARTS-120

Introduces classical cooking and current theories to provide students with the basics of food chemistry and cooking techniques as well as equipment, ingredients and basic professional cooking techniques. Field trips may be required.

CULARTS 123 CULINARY FUNDAMENTALS II

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: CULARTS-050, CULARTS-055 and CULARTS-121

Continues development of skills learned in CULARTS-121. Introduces intermediate level culinary techniques and modern cooking styles, emphasizing beef, poultry, fish and shellfish, pork and game cooking techniques. Plate presentation theory and practice explored. Field trips may be required.

CULARTS 125 PRINCIPLES OF GARDE MANGER I

Units: 3.00

CSU 27.00 hours lecture, 81.00 hours lab

Prerequisite: CULARTS-050, CULARTS-055 and CULARTS-121

Introduces theory and practical skills needed to produce quality salads, sandwiches, appetizers and cold sauces for a restaurant pantry station. Also includes identification and production of cheese and fruit displays. Field trips may be required.

CULARTS 127 PRINCIPLES OF BAKING I

Units: 3.00

CSU 27.00 hours lecture, 81.00 hours lab

Co-requisite: CULARTS-055

Introduces the principles of baking, including the basic characteristics and function of the major ingredients and the importance of accurately measuring weight. Field trips may be required.

CULARTS 128 PRINCIPLES OF BAKING II

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: CULARTS-127

Presents the advanced preparation of refined pastries and desserts, including the theory and practical skills required to produce quality pastries for the hotel/ restaurant/catering industries. Field trips may be required.

CULARTS 129 CAKE DECORATING ESSENTIALS

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisites: CULARTS-055 and CULARTS-127

Presents fundamentals of the American and European style of cake decoration. Commercial culinary practices that will be included are: equipment, procedures of cake production, coloring techniques, cake design and construction, borders, and icings. Field trips may be required.

CULARTS 130 PASTRY ART

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

*Prerequisite: CULARTS-128**Co-requisite: CUALRTS-129*

Introduces culinary techniques to prepare industry standard individual plated desserts and their components. Includes working with pulled sugar, garnishing preparation and preparation of frozen desserts. Field trips may be required.

CULARTS 131 CHOCOLATES

Units: 2.50

CSU 18.00 hours lecture, 81.00 hours lab

Prerequisite: CULARTS-128

Introduces fundamental techniques in chocolate production including candies, confections and desserts. Field trips may be required.

CULARTS 132 CULINARY

FUNDAMENTALS III

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: CULARTS-123

Presents advanced theory in culinary techniques and modern cooking styles, including breakfast and brunch cookery, vegetarian dishes and menu design. Field trips may be required.

CULARTS 133 INTERNATIONAL CUISINE

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

Prerequisite: CULARTS-123

Introduces the skills necessary to prepare international foods including traditional methods of preparation and the cultural influences on each dish; promotes an appreciation of international foods and culture. Field trips may be required.

CULARTS 134 ICUE CAFE PRODUCTION I

Units: 4.00

CSU 36.00 hours lecture, 108.00 hours lab

Prerequisite: CULARTS-123

Provides fundamentals of commercial food preparation and restaurant operations. Students rotate through stations of a student run café for lunch, developing food preparation skills and hands-on experience. Field trips may be required.

CULARTS 135 CATERING

Units: 3.00

CSU 27.00 hours lecture, 81.00 hours lab

Prerequisite: CULARTS-121

Presents practical training for chefs in all aspects of catering including food service, staff and management. Field trips may be required.

CULARTS 136 ICUE FRONT OF HOUSE SERVICE

Units: 3.00

CSU 27.00 hours lecture, 81.00 hours lab

Prerequisite: CULARTS-121

Presents practical training for chefs in all aspects of service for the front of the house. Field trips may be required.

CULARTS 138 ICUE CAFE PRODUCTION II

Units: 4.00

CSU 36.00 hours lecture, 108.00 hours lab

Prerequisite: CULARTS-132

Provides fundamentals of commercial food preparation and restaurant operations. Students rotate through stations of a student-run cafe, developing food preparation skills and hands on experience. Field trips may be required.

CULARTS 150 FOOD SERVICE COSTS AND CONTROLS

Units: 2.00

CSU 36.00 hours lecture

Recommended Preparation: CULARTS-121

Examines food, beverage, and labor costs and the application of appropriate cost controls.

DANCE

The Dance program introduces students to a variety of dance techniques, theories and styles, both contemporary and classic. There are numerous opportunities for students of all skill levels and interests to develop talent in performance and choreography by participating in informal concerts or enrolling in the COC Dance Company. Many dance courses meet general education requirements in the arts, humanities and/or physical education categories. An Associate Degree is not available in dance.

DANCE 100 DANCE APPRECIATION

Units: 3.00

UC:CSU 54.00 hours lecture

Examines the influences that have historically and culturally shaped dance throughout the world. Non-performance course. Does not satisfy the Physical Education activity requirement for the Associate Degree.

DANCE 101 INTRODUCTION TO WORLD DANCE

Units: 1.00

UC:CSU 54.00 hours lab

Introduces world dance, focusing on selected dances of world cultures including Asia, Latin America, Australia, New Zealand, Europe and Africa.

DANCE 107 DANCE CONDITIONING

Units: 1.00

UC:CSU 54.00 hours lab

Focuses on dance conditioning, including practice of dance exercises for muscle development, conditioning, strength and flexibility.

DANCE 108 PILATES

Units: 1.00

UC:CSU 54.00 hours lab

Introduces the study and practice of Pilates, a conditioning program based on the teachings of Joseph H. Pilates. Emphasizes activities designed to reduce muscular imbalances and assist in the development and improvement of body alignment through strength, relaxation and flexibility techniques.

DANCE 111 FUNDAMENTALS OF DANCE MOVEMENT

Units: 1.00

UC:CSU 54.00 hours lab

Provides movement experiences focusing upon basic ballet, modern, jazz and selected cultural dance styles. Emphasizes recognition of skills and dance vocabulary as they relate to contemporary and traditional dance styles.

DANCE 121 BEGINNING MODERN DANCE

Units: 1.00

UC:CSU 54.00 hours lab

Introduces the basic movements, patterns and style of modern dance, emphasizing elementary skills and techniques while conferring an appreciation of modern dance and increasing understanding of body structure and movement.

DANCE 122 INTERMEDIATE MODERN DANCE

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: DANCE-121

Continues the study of modern dance technique with expanded movement experience. Explores rhythmic structure and patterns, expanded choreographic experiences and a more refined use of music in modern dance composition.

DANCE 130 HIP-HOP DANCE

Units: 1.00

UC:CSU 54.00 hours lab

Introduces the fundamentals of hip-hop dancing, pop and lock, funk, krumping, free-styling, break dancing and other dances classified as hip-hop style of dance.

DANCE 131 BEGINNING JAZZ DANCE

Units: 1.00

UC:CSU 54.00 hours lab

Introduces beginning movement skills in jazz dance technique, emphasizing an understanding and appreciation of jazz as an artistic dance form. Emphasizes alignment of the body, strength, flexibility, simple locomotor patterns and stylistic movements.

DANCE 132 INTERMEDIATE JAZZ DANCE

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: DANCE-131

Develops jazz dance technique at the intermediate level. Emphasizes style and refinement of technical ability. Stresses more complex patterns and combinations to promote fluency in the dance form.

DANCE 133 INTRODUCTION TO AFRICAN DANCE

Units: 1.00

UC:CSU 54.00 hours lab

Introduces dances from West Africa focusing on the dances performed in Senegal, Gambia and Guinea.

DANCE 134 BALLROOM AND SOCIAL DANCE

Units: 1.00

UC:CSU 54.00 hours lab

Introduces students to beginning ballroom techniques including salsa, swing, waltz, foxtrot, tango, cha-cha and other selected dances. Dances may vary by semester.

DANCE 135 BEGINNING TAP DANCE

Units: 1.00

UC:CSU 54.00 hours lab

Introduces basic and elementary tap techniques, as well as various routines and rhythmic structures.

DANCE 136 INTERMEDIATE TAP

Units: 1.00

UC:CSU 54.00 hours lab

Introduces intermediate-level tap skills, syncopated rhythmic combinations and evaluation techniques for the sound and rhythmic accuracy of the taps.

DANCE 137 FLAMENCO AND SPANISH DANCE

Units: 1.00

UC:CSU 54.00 hours lab

Introduces students to the fundamental steps, movements, rhythms and music of flamenco and Spanish dance.

DANCE 141 BEGINNING BALLET

Units: 1.00

UC:CSU 54.00 hours lab

Introduction to the basic skills and techniques of ballet exercises at the barre, in order to develop flexibility, strength, control and resilience. The course concentrates on simple port de bras, adagio, and allegro combinations in all five positions.

DANCE 142 INTERMEDIATE BALLET

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: DANCE-141

Develops ballet technique and expanded movement experience at an intermediate level. Exploration of rhythmic structure and patterns, choreographic experiences, and more refined technical level of ballet positioning and movements.

DANCE 159 COMMERCIAL DANCE

Units: 2.00

CSU 108.00 hours lab

Introduces movement techniques for the dance concert and dance industry including movement for videos, industrial shows and other commercial applications.

DANCE 161 COC DANCE COMPANY PRODUCTION

Units: 3.00

UC:CSU 18.00 hours lecture, 108.00 hours lab

Prerequisite: DANCE-111 and Successful Audition.

Offers students an opportunity to participate in a concert dance production in a capacity to be determined by the abilities of the individual and the demands of the choreography.

DANCE 170 BEGINNING CHOREOGRAPHY

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Recommended Preparation: DANCE-111

Introduces theory and dance techniques of basic dance composition enhanced through the analyses of choreographic exercises in space, time, shape and dynamics. Students apply and perform choreographic concepts in informal and formal settings. Requires attendance at live dance concert.

DANCE 180 INTRODUCTION TO YOGA

Units: 1.00

UC:CSU 54.00 hours lab

Introduces students to the beginning practice of yoga. Students learn the practice of yoga postures to aid in improvement of concentration, physical endurance, flexibility, balance, and alignment. The course integrates basic breathing techniques to enhance the mind-body connection, and reduce stress.

DRAFTING

Certificate of Specialization: Mechanical Drafting

The Drafting program is designed to prepare students for careers in industry as drafters or related occupations. Engineers require drafting skills, as do architects and designers. The techniques of drafting are used in many types of industries such as automotive, electronics, building construction, aeronautical/aerospace, machine design, advertising, illustrating and engineering. The program provides students with entry-level skills and knowledge in the fields of computer mechanical drafting. Competencies include knowledge of orthographic projection and isometric sketching, AutoCAD generated drawings, current practices in construction technology, 2D and 3D drawings and drafting techniques such as clarity, line weight expression and accuracy to name a few.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for a drafting position in the civil, electrical, electronic or mechanical engineering fields.

Program Requirements:

Units Required: 9

	Units
ENGR-110 Introduction to AutoCAD	3.0
ENGR-114 Solids Modeling for Mechanical Drafting	3.0
<i>Plus three units from the following:</i>	
MFGT-121 CNC 1: Operation and Manual Programming	3.0
MFGT-131 CAD/CAM I	3.0

EARLY CHILDHOOD EDUCATION

The Early Childhood Education (ECE) degree and certificate programs give students the opportunity to prepare for careers in the field of early childhood education and/or transfer to a four-year university. Education and training prepares students for entry into a variety of careers in the field. The field of early childhood education needs trained, creative educators to provide high quality services to children and families in a variety of settings.

Associate in Science Degree: Early Childhood Education for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer,” a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T in Early Childhood Education.

Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

- Students will be able to:
- Demonstrate knowledge of a variety of types of programs for young children, the history of early care and education in the United States, the ethical standards, NAEYC professional preparation standards, and the California Early Childhood Educator Competencies which support professionalism in the field of early childhood education.
 - Design and implement environments and curriculum which support positive development and learning through play for all children including the cycle of observation, assessment and planning.
 - Articulate an understanding of typical and atypical development of young children from birth - 8 including health, safety, and nutritional aspects of development.
 - Develop strategies that promote partnerships and equity between programs, teachers, diverse families and their communities.

Program Requirements:

Units Required: 24

	Units
ECE-100 Principles and Practices of Early Childhood Education	3.0
ECE-101 Child Growth and Development.....	3.0
ECE-102 Child, Family, and Community.....	3.0
ECE-103 Observation and Assessment.....	3.0
ECE-104 Introduction to Curriculum for Early Childhood Education	3.0
ECE-105 Health, Safety, Nutrition in Early Childhood Education	3.0
ECE-106 The Role of Equity and Diversity in Early Childhood Education	3.0
ECE-200 Practicum – Field Experience.....	3.0

Certificate of Achievement: Early Childhood Education - Infant/Toddler

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment as an Infant/Toddler teacher in a Title 22 licensed center in the field of Early Childhood.

Program Requirements:

Units Required: 24

	Units
ECE-100 Principles and Practices of Early Childhood Education	3.0
ECE-101 Child Growth and Development.....	3.0
ECE-102 Child, Family, and Community.....	3.0
ECE-103 Observation and Assessment.....	3.0

ECE-104 Introduction to Curriculum for Early Childhood Education	3.0
ECE-105 Health, Safety, Nutrition in Early Childhood Education	3.0
ECE-130 Infant/Toddler Development Curriculum	3.0
ECE-200 Practicum – Field Experience.....	3.0

Certificate of Achievement: Early Childhood Education – Preschool

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment as an Early Childhood Master Teacher in a Title 5 program.

Program Requirements:

Units Required: 24

	Units
ECE-100 Principles and Practices of Early Childhood Education	3.0
ECE-101 Child Growth and Development.....	3.0
ECE-102 Child, Family, and Community.....	3.0
ECE-103 Observation and Assessment.....	3.0
ECE-104 Introduction to Curriculum for Early Childhood Education	3.0
ECE-105 Health, Safety, Nutrition in Early Childhood Education	3.0
ECE-106 The Role of Equity and Diversity in Early Childhood Education	3.0
ECE-200 Practicum – Field Experience.....	3.0

Certificate of Achievement: Early Childhood Education - School-Age

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment as a school-age teacher in a Title 22 licensed center in the field of Early Childhood.

Program Requirements:

Units Required: 27

	Units
ECE-100 Principles and Practices of Early Childhood Education	3.0
ECE-101 Child Growth and Development.....	3.0
ECE-102 Child, Family, and Community.....	3.0
ECE-103 Observation and Assessment.....	3.0
ECE-104 Introduction to Curriculum for Early Childhood Education	3.0
ECE-135 School Age Child Care Programs and Curriculum	3.0
ECE-140 Recreational Leadership in School Age Child Care	3.0

ECE-105	Health, Safety, Nutrition in Early Childhood Education 3.0
ECE-200	Practicum – Field Experience..... 3.0

Certificate of Achievement: Early Childhood Education - Special Education

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment as a Special Education teacher in a Title 22 licensed center in the field of Early Childhood

Program Requirements:

Units Required: 32

	Units
ECE-100	Principles and Practices of Early Childhood Education 3.0
ECE-101	Child Growth and Development..... 3.0
ECE-102	Child, Family, and Community..... 3.0
ECE-104	Introduction to Curriculum for Early Childhood Education 3.0
ECE-105	Health, Safety, Nutrition in Early Childhood Education 3.0
ECE-106	The Role of Equity and Diversity in Early Childhood Education 3.0
ECE-130	Infant/Toddler Development Curriculum 3.0
ECE-144	Music and Movement for the Young Child 2.0
ECE-151	Art and Creativity for Young Children 2.0
ECE-155	Science and Math for the Young Child 2.0
ECE-156	Literature and Language Development for the Young Child.... 2.0
ECE-160	Understanding and Education of Children with Special Needs..... 3.0

Certificate of Achievement: Early Childhood Education - Supervision and Administration of Children’s Programs

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment as a Supervisor/Administrator in a Title 22 licensed center in the field of Early Childhood.

Program Requirements:

Units Required: 30

	Units
ECE-100	Principles and Practices of Early Childhood Education 3.0
ECE-101	Child Growth and Development..... 3.0
ECE-102	Child, Family, and Community..... 3.0
ECE-103	Observation and Assessment..... 3.0

ECE-104	Introduction to Curriculum for Early Childhood Education 3.0
ECE-105	Health, Safety, Nutrition in Early Childhood Education 3.0
ECE-200	Practicum – Field Experience..... 3.0
ECE-201	Supervision and Administration of Children’s Programs 3.0
ECE-202	Advanced Supervision and Administration of Children’s Programs 3.0
ECE-220	Adult Supervision and the Mentor Process in Early Care and Education..... 3.0

ECE 100 PRINCIPLES AND PRACTICES OF EARLY CHILDHOOD EDUCATION

Units: 3.00
 CSU 54.00 hours lecture
 C-ID ECE 120

Recommended Preparation: ENGL-091 or higher english placement

Examines underlying principles of quality practices utilized in early childhood programs emphasizing the key role of relationships, constructive adult-child interactions, and teaching strategies to support physical, cognitive and social/emotional development for all children. This course includes a review of the evolution of the field and introduces the profession of early childhood education. Requires a minimum of 10 hours in a pre-approved early childhood setting and a current TB test, TDAP & MMR vaccine. Formerly ECE-121.

ECE 101 CHILD GROWTH AND DEVELOPMENT

Units: 3.00
 UC:CSU 54.00 hours lecture
 C-ID CDEV 100

Recommended Preparation: ENGL-091 or higher english placement

Examines the major physical, psycho-social, and cognitive/language developmental milestones of children, both typical and atypical from conception through adolescence. Emphasizes interactions between maturational processes and environmental factors while studying developmental theory and investigative research methodologies. Field observation required.

ECE 102 CHILD, FAMILY, AND COMMUNITY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID CDEV 110

Recommended Preparation: ENGL-091 or higher english placement

Examines the developing child in a societal context focusing on the interrelationship of family, school, and community and emphasizing historical and sociocultural factors. The processes of socialization and identity development will be highlighted, showing the importance of respectful, reciprocal relationships that support and empower families. Formerly ECE-125

ECE 103 OBSERVATION AND ASSESSMENT

Units: 3.00

CSU 54.00 hours lecture

C-ID ECE 200

Prerequisite: ECE-100

Focuses on the appropriate use of assessment and observation strategies to document development, growth, play and learning. Explores recording strategies, rating systems, portfolios, and multiple assessment tools. Requires 10 hours of observation in a child care setting. Formerly ECE -129.

ECE 104 INTRODUCTION TO CURRICULUM FOR EARLY CHILDHOOD EDUCATION

Units: 3.00

CSU 54.00 hours lecture

C-ID ECE 130

Prerequisite: ECE-100

Presents an overview of the knowledge and skills needed to provide developmentally appropriate curriculum in early childhood education programs. Examines the teacher's role in supporting development and learning, including the essential role of play. Includes environment, routine, interpersonal tone and activity planning, implementation and reflective evaluation. Requires 5 hours of additional coursework outside of the classroom. Formerly ECE-123.

ECE 105 HEALTH, SAFETY, NUTRITION IN EARLY CHILDHOOD EDUCATION

Units: 3.00

CSU 54.00 hours lecture

C-ID ECE 220

Introduces the regulations, policies, and procedures for early childhood curriculum related to child health, safety, and nutrition. Explores the importance of collaboration with families and health professionals to ensure physical health, mental health and safety for all children, families, and professionals. Formerly ECE-127.

ECE 106 THE ROLE OF EQUITY AND DIVERSITY IN EARLY CHILDHOOD EDUCATION

Units: 3.00

CSU 54.00 hours lecture

C-ID ECE 230

Explores the impact of personal experiences and social identity on teaching effectiveness and objectivity when working with young children and families. Formerly ECE-165.

ECE 130 INFANT/TODDLER DEVELOPMENT AND CURRICULUM

Units: 3.00

CSU 54.00 hours lecture

Surveys infant/toddler development and its implications for group child care settings, including principles of infant/toddler philosophy and care giving.

ECE 135 SCHOOL AGE CHILD CARE PROGRAMS AND CURRICULUM

Units: 3.00

CSU 54.00 hours lecture

Examines the need and design of school age child care programs, emphasizing developmental stages of the child ages 5-13, curriculum development, the relationship of the family and the special needs of the school age child.

ECE 140 RECREATIONAL LEADERSHIP IN SCHOOL AGE CHILD CARE

Units: 3.00

CSU 54.00 hours lecture

Presents different leadership techniques as they apply to various recreational activities for school age children, emphasizing behavioral management skills and recreational activities for large groups of children.

ECE 144 MUSIC AND MOVEMENT FOR THE YOUNG CHILD

Units: 2.00

CSU 36.00 hours lecture

Provides the basic skills, methods and theory in music and movement experiences relating to the young child, including developing a portfolio of materials, lesson plans and classroom demonstrations. Requires 3-5 hours of curriculum planning and implementation in a pre-approved early childhood setting.

ECE 151 ART AND CREATIVITY FOR YOUNG CHILDREN

Units: 2.00

CSU 36.00 hours lecture

Provides the basic skills, methods and theory in art and creativity learning experiences relating to the young child, including developing a portfolio of materials, lesson plans and classroom demonstrations. Requires 3-5 hours of curriculum planning and implementation in a pre-approved early childhood setting.

ECE 155 SCIENCE AND MATH FOR THE YOUNG CHILD

Units: 2.00

CSU 36.00 hours lecture

Introduces an experimental and discovery approach to learning in the areas of science and math for early childhood professionals. Students plan and implement developmentally appropriate math and science experiences for young children and apply theoretical concepts in a variety of ways.

ECE 156 LITERATURE AND LANGUAGE DEVELOPMENT FOR THE YOUNG CHILD

Units: 2.00

CSU 36.00 hours lecture

Emphasizes a basic understanding of how children learn language and literacy skills, including developing techniques to promote and establish a language and literature program in the preschool setting through the use of flannel board activities, stories, puppets, drama, finger plays and circle activities.

ECE 160 UNDERSTANDING AND EDUCATION OF CHILDREN WITH SPECIAL NEEDS

Units: 3.00

CSU 54.00 hours lecture

Introduces the field of special education, emphasizing the developmental theories as they apply to the understanding and education of children with special needs through age eight. Overview of special needs categories as defined by IDEA, inclusion, and preparation of Individual Education Program (IEP) and Individualized Family Service Plan (IFSP).

ECE 200 PRACTICUM – FIELD EXPERIENCE

Units: 3.00

CSU 27.00 hours lecture, 81.00 hours lab

C-ID ECE 210

Prerequisite: ECE-100, 101, 102, 103, 104, 105

Provides guided supervision and application for early childhood education. Focuses on connecting theory to practice and enhancing professional behaviors. Students additionally plan and implement child-centered, play-oriented approaches to teaching, learning, and assessment. Requires 6 hours per week in a pre-approved early childhood program and 1.5 hour per week in lecture. Requires current TB test, Tdap, MMR and influenza vaccine. Mandatory orientation meeting prior to start of semester. Formerly ECE-131.

ECE 201 SUPERVISION AND ADMINISTRATION OF CHILDREN'S PROGRAMS

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: ECE-100 and ECE-101 and ECE-104

Principles and practices of supervision and administration of children's programs, including Title 22 and Title 5 requirements regarding organizational structure, budgets, personnel policies and practices, record keeping, reporting, community relationships and resources, regulatory agencies and parents. Also reviews social and public policy, as well as professional groups influencing child development today.

ECE 202 ADVANCED SUPERVISION AND ADMINISTRATION OF CHILDREN'S PROGRAMS

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: ECE-201

Provides opportunities for administrators of children's programs to learn techniques in hiring and training staff. Covers philosophies of management and staff relations, including team building and human resource development. Course meets one of the requirements of the Child Development Permits for Site Supervisor or Program Director as needed for Title V programs.

ECE 220 ADULT SUPERVISION AND THE MENTOR PROCESS IN EARLY CHILDHOOD EDUCATION

Units: 3.00

CSU 54.00 hours lecture

*Prerequisite: ECE-200**Recommended Preparation: ENGL-101 or ENGL-101H*

Presents methods and principles of supervising student teachers, volunteers, staff and other adults in early care and education settings. Emphasizes the roles and development of early childhood professionals as mentors and leaders.

ECONOMICS

Economics study attempts to clarify how the use of natural, technical and financial resources affect the lives of human beings. Economic concerns can range from how individuals and businesses make decisions, to the roles of government and the Federal Reserve, to the complex world of international trade. Economic theories are examined and applied to the modern economic world. Topics of specialization include macroeconomics and microeconomics, how businesses make decisions, business statistics, using numbers for analysis, U.S. economic history, the economic development of the U.S. economic history, the economic development of the U.S. consumer economics, how consumers make economic choices and comparative economic systems, and the comparison of capitalism and socialism as it is applied in different countries. An associate degree is not available in economics.

Associate in Arts for Transfer Degree: Economics

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer”, a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when

planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Economics. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree and Certificate Student Learning Outcome:

- Students will be able to analyze and evaluate Scarcity, the fundamental concept defining Economics and be ready to transfer and complete successfully various upper-division academic-degrees, especially in Economics, Finance and Business.
- Students will be able to examine how limited-resources allocations occur throughout markets and government policies by applying and appraising the Classical and Keynesian principles to Business Fluctuations in terms of Economic Growth, Changes on the Average Price Level and Labor Employment.
- Students will be able to compare and contrast the decision-making processes of consumers and firms, regarding Scarcity, under different levels of competition in the Product and Resource markets. Students will distinguish and apply the qualifying assumptions of Perfect Competition, Monopoly, Monopolistic Competition and Oligopoly theories.
- Students will be able to acquire the quantitative tools and the historical perspectives to advance awareness of the interdependence between Government Policies and Positive Economics.

Program Requirements:

Units Required: :21 - 25

		Units
ECON-201	Macroeconomics	3.0
	<i>OR</i>	
ECON-201H	Macroeconomics - Honors.....	3.0
ECON-202	Microeconomics.....	3.0
	<i>OR</i>	
ECON-202H	Microeconomics - Honors.....	3.0
	<i>Plus four units from the following:</i>	
MATH-140	Introductory Statistics	4.0
MATH-140H	Introductory Statistics - Honors	4.0
PSYCH-104	Statistics for the Behavioral Sciences.....	4.0
	<i>Plus five units from the following:</i>	
MATH-211	Calculus I.....	5.0
MATH-240	Math Analysis-Business/Social Science.....	5.0
	<i>Plus one course from the following for three to five units:</i>	
BUS-201	Principles of Accounting I	5.0
BUS-202	Principles of Accounting II	5.0
CAWT-101	Introduction to Computers	3.0
CAWT-116	Business Communications	3.0
CAWT-140	Microsoft Office.....	3.0

ENGL-204	Technical Report Writing.....	3.0
MATH-212	Calculus II.....	5.0
<i>Plus one course from the following that has not already been used above for three to five units:</i>		
BUS-201	Principles of Accounting I	5.0
BUS-202	Principles of Accounting II	5.0
CAWT-101	Introduction to Computers	3.0
CAWT-116	Business Communications	3.0
CAWT-140	Microsoft Office.....	3.0

ECON-170H	Economic History of the United States - Honors	3.0
ENGL-204	Technical Report Writing.....	3.0
MATH-212	Calculus II.....	5.0
MATH-213	Calculus III.....	5.0
MATH-214	Linear Algebra	3.0

ECON 170 ECONOMIC HISTORY OF THE UNITED STATES

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys the economic development of the U.S. emphasizing a topical approach, including the development of business cycles, trade, banks in the new nation, manufacturing, tariffs, slavery, big business, labor, government regulation and deregulation leading to a modern industrial nation. Meets Title V American Institutions U.S. History requirement for the associate degree.

ECON 170H ECONOMIC HISTORY OF THE UNITED STATES - HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: ENGL-101 or ENGL-101H

Surveys the economic development of the U.S. emphasizing a topical approach, including the development of business cycles, trade, banks in the new nation, manufacturing, tariffs, slavery, big business, labor, government regulation and deregulation leading to a modern industrial nation. Additional reading, writing, critical thinking and research techniques required. Meets Title V American Institutions U.S. History requirement for the associate degree.

ECON 201 MACROECONOMICS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ECON 202

Prerequisite: MATH-070 or higher math placement.

Examines the basic concepts of economics, emphasizing macro-analysis including the nature of the American economy, national income analysis, money and banking, fiscal and monetary policies.

ECON 201H MACROECONOMICS - HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ECON 202

Prerequisite: MATH-070 or higher math placement.

Examines the basic concepts of economics, emphasizing macro-analysis including the nature of the American economy, national income analysis, money and banking, and fiscal and monetary policies. Additional reading, writing and research techniques are required.

ECON 202 MICROECONOMICS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ECON 201

Prerequisite: MATH-070 or higher math placement.

Examines how individuals, firms and industries perform in our economy, including supply and demand, perfect competition, monopolies, oligopolies, monopolistic competition, wages, prices and profits.

ECON 202H MICROECONOMICS-HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ECON 201

Prerequisite: MATH-070 or higher math placement.

Examines how individuals, firms, and industries perform in our economy, including supply and demand, perfect competition, monopolies, oligopolies, monopolistic competition, wages, prices and profits. Additional reading, writing and research required.

ECON 291 STATISTICAL METHODS IN BUSINESS AND ECONOMICS

Units: 3.00

UC:CSU 54.00 hours lecture

Prerequisite: MATH-070 or higher math placement.

Examines descriptive statistics, elements of probability distributions, sampling, estimation and confidence intervals, tests of hypothesis, linear regression and correlation, including applications to problems in business and economics. Writing and the use of spreadsheet software are required. UC credit limitation: ECON-291, MATH-140, MATH-140H, PSYCH-104, and SOCI-137 combined; maximum credit, one course.

EDUCATION

EDUC 203 INTRODUCTION TO TEACHING IN A DIVERSE SOCIETY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID EDUC 200

Introduces students to concepts and issues related to teaching diverse learners in contemporary public schools. Topics include teaching as a profession and a career, contemporary educational issues, common core state standards, and requirements for earning a teaching credential. This course requires a minimum of 45 hours of structured field work in a Transitional Kindergarten – 12th grade public school classroom that represents California's diverse student population and includes cooperation with at least one credentialed classroom teacher. CSU credit limitation; consult a counselor. TB test and Livescan may be required.

ELECTRONIC SYSTEMS TECHNOLOGY

The Electronic Systems Technology program trains students for careers in the electrical service industries including data network services, telecommunication services, audio/video service and home security systems.

ESYST 101 BASIC ELECTRONICS

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Introduces basic electronics and electronic systems technology.

ESYST 111 ELECTROMECHANICAL SYSTEMS

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Co-requisite: ESYST-101

Presents the theory and application of mechanical devices and their control circuits, including component recognition, electrical schematic diagrams, hydraulics, pneumatics, AC and DC motors, stepping motors, mechanical drive systems and servomechanisms.

ESYST 112 INDUSTRIAL ROBOTICS

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Co-requisite: ESYST-101

Presents industrial robotics, including designing, building, operating and programming.

ESYST 113 INDUSTRIAL CONTROLLERS

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Co-requisite: ESYST-101

Presents basic control systems for process machines and driven equipment used in industry, including programmable controllers, basic electrical circuits, input devices, output devices, control diagrams and specific programmable controller applications.

ENGINEERING

Associate in Science Degree: Engineering

The Engineering program provides curriculum concerned with the fundamentals of mechanics, electrical theory, and materials that can be applied to all disciplines within engineering. The degree concentrates on helping students develop critical thinking skills, a creative imagination and excellent communication skills to effectively function in the professional environment. Most careers in engineering require a baccalaureate or graduate degree. Career options include: mechanical engineer, civil engineer, computer engineer, aerospace engineer, biomedical engineer, automotive engineer and manufacturing engineer.

Degree Student Learning Outcome:

Students will be able to interpret, analyze, and evaluate engineering concepts.

Program Requirements:

Units Required: 48

	Units
ENGR-151	Materials of Engineering.....3.0
ENGR-152	Statics.....3.0
ENGR-260	Electrical Circuits I.....3.0
ENGR-260L	Electrical Circuits I Laboratory1.0
CHEM-201	General Chemistry I.....6.0
<i>OR</i>	
CHEM-201H	General Chemistry I – Honors.....6.0
MATH-211	Calculus I.....5.0
MATH-212	Calculus II.....5.0
MATH-213	Calculus III.....5.0
MATH-215	Differential Equations3.0
PHYSIC-220	Physics for Scientists and Engineers: . Mechanics of Solids and Fluids.....4.0
PHYSIC-221	Physics for Scientists and Engineers: . Electricity and Magnetism.....4.0

Plus a minimum of three units from the following:

ENGR-101	Introduction to Engineering.....2.0
ENGR-110	Introduction to Engineering Graphics .. with AutoCAD3.0
ENGR-114	Solids Modeling for Mechanical Drafting3.0
ENGR-151L	Materials of Engineering Lab.....1.0
ENGR-230	Dynamics.....3.0
ENGR-240	Strength of Materials3.0
MATH-214	Linear Algebra3.0
PHYSIC-222	Physics for Scientists and Engineers: . Wave Motion, Heat, Optics and Modern Physics.....4.0
SURV-101	Introduction to Land Surveying.....4.0

Plus a minimum of three units from the following:

ENGR-220	Programming and Problem- Solving in MATLAB.....3.0
CMPSCI-111	Introduction to Algorithms and Programming/Java3.0
CMPSCI-111L	Introduction to Algorithms and Programming Lab.....1.0
CMPSCI-235	'C' Programming.....3.0

ENGR 096 DISCOVER ENGINEERING

Units: 2.00

18.00 hours lecture, 54.00 hours lab

Explores the various engineering disciplines by examining engineering problems and their solutions. Includes essential techniques for success in subsequent engineering courses and orientation to relevant computer based technologies.

ENGR 101 INTRODUCTION TO ENGINEERING

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

C-ID ENGR 110

Prerequisite: MATH-102

Explores the branches of engineering, the functions of an engineer, and the industries in which engineers work. Explains the engineering education pathways and explores effective strategies for students to reach their full academic potential. Presents an introduction to the methods and tools of engineering problem solving and design including the interface of the engineer with society and engineering ethics. Develops communication skills pertinent to the engineering profession.

ENGR 110 INTRODUCTION TO ENGINEERING GRAPHICS WITH AUTOCAD

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MATH-102

Covers the principles of engineering drawings in visually communicating engineering designs and an introduction to computer-aided design (CAD). Topics include the development of visualization skills; orthographic projections; mechanical dimensioning and tolerancing practices; and the engineering design process. Assignments develop sketching and 2D and 3D CAD skills. The use of CAD software is an integral part of the course.

ENGR 114 SOLIDS MODELING FOR MECHANICAL DRAFTING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the computer aided aspects of mechanical design and development utilizing the solids modeling program Solidworks. Emphasizes surface modeling and "top-down" design as related to mechanical objects and their assembly.

ENGR 151 MATERIALS OF ENGINEERING

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGR 140

Prerequisite: PHYSIC-220 and CHEM-201 or 201H.

Presents the internal structures and resulting behaviors of materials used in engineering applications, including metals, ceramics, polymers, composites, and semiconductors. The emphasis is upon developing the ability both to select appropriate materials to meet engineering design criteria and to understand the effects of heat, stress, imperfections, and chemical environments upon material properties and performance. Includes the properties of materials as related to atomic and crystal structure.

ENGR 151L MATERIALS OF ENGINEERING LAB

Units: 1.00

UC:CSU 54.00 hours lab

C-ID ENGR 140L

Prerequisite: PHYSIC-220 and CHEM-201 or 201H.

This course is the experimental exploration of the connections between the structure of materials and materials properties. Laboratories provide opportunities to directly observe the structures and behaviors discussed in ENGR 151. Students will operate testing equipment to analyze experimental data and to prepare reports. Presents crystalline structures, mechanical properties of metals, the electrical properties of semiconducting materials, and polymers in a laboratory setting. Investigates experiments involving cold-working, heat treatment, material hardness, ductile-to-brittle fracture behavior, fatigue, equilibrium phase diagrams, steel microstructure, corrosion, and process methods.

ENGR 152 STATICS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGR 130

Prerequisite: MATH-212 and PHYSIC-220

Applies the principles of mechanics to rigid bodies in two and three-dimensional equilibrium. Focuses on analytical and graphical solutions using force vectors and equivalent force systems to solve problems pertaining to friction, centroids, center of gravity, and moments of inertia for areas.

ENGR 220 PROGRAMMING AND PROBLEM-SOLVING IN MATLAB

Units: 3.00

UC:CSU 36.00 hours lecture, 54 hours lab

C-ID ENGR 220

Prerequisite: MATH-211

Utilization of the MATLAB environment to provide students with a working knowledge of computer-based problem-solving methods relevant to science and engineering. Introduction of the fundamentals of procedural and object-oriented programming, numerical analysis, and data structures

ENGR 230 DYNAMICS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGR 230

Prerequisite: ENGR-152

Fundamentals of kinematics and kinetics of particles and rigid bodies. Topics include kinematics of particle motion; Newton's second law, work-energy and momentum methods; kinematics of planar motions of rigid bodies; work-energy and momentum principles for rigid body motion; mechanical vibrations. Formerly ENGR-155

ENGR 240 STRENGTH OF MATERIALS

Units: 3.00

UC:CSU 54.00 hours lecture

Prerequisite: ENGR-152

Presents stresses, strains and deformations associated with axial, torsional and flexural loading of bars, shafts and beams as well as pressure loading of thin-walled pressure vessels. In addition, the course also covers stress and strain transformation, Mohr's Circle, ductile and brittle failure theories, buckling of columns, and statically indeterminate systems. Formerly ENGR-161.

ENGR 260 ELECTRICAL CIRCUITS

Units: 3.00

CSU 54.00 hours lecture

*Prerequisite: PHYSIC-221**Co-requisite: MATH-215*

Introduces analysis of electrical circuits. Use of analytical techniques based on the application of circuit laws and network theorems. Analysis of DC and AC circuits containing resistors, capacitors, inductors, dependent sources, operational amplifiers, and/or switches. Natural and forced responses of first and second order RLC circuits; the use of phasors; AC power calculations; power transfer; and energy concepts. ENGR-260 & ENGR-260L formerly ENGR-153.

**ENGR 260L ELECTRICAL CIRCUITS
LABORATORY**

Units: 1.00

CSU 54.00 hours lab

Co-requisite: ENGR-260

Introduces the construction and measurement of electrical circuits. Basic use of electrical test and measurement instruments including multimeters, oscilloscopes, power supplies, and function generators. Use of circuit simulation software. Interpretation of measured and simulated data based on principles of circuit analysis for DC, transient, and sinusoidal steady-state (AC) conditions. Elementary circuit design. Practical considerations such as component value tolerance and non-ideal aspects of laboratory instruments. Construction and measurement of basic operational amplifier circuits. ENGR-260 & ENGR-260L formerly ENGR-153.

ENGLISH

The study of English prepares students for careers in any field for which close reading, critical thinking, and thoughtful, accurate written and verbal expression are necessary.

The English Department offers several areas of instruction:

- College skills courses, which integrate reading and writing instruction to prepare students for success in transfer-level composition courses
- Transfer-level composition courses, which fulfill the language and rationality general education requirement and reading and writing competency requirements for graduation, as well as CSUGE and IGETC transfer requirements
- Literature courses, which fulfill humanities general education and transfer requirements and provide cultural enrichment as well as experience with close reading and analysis
- Creative writing courses, which fulfill humanities general education and transfer requirements and provide instruction in multiple genres as well as literary magazine production
- Technical writing courses, which prepare students for writing in the workplace
- A linguistics course, which analyzes systems of grammar, the social and historical contexts of language, language learning, and language change

Associate in Arts Degree: English for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:

- a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
- b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0. Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in English. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to:

- Appraise the contributions and relevance of literature.
- Apply multiple perspectives and critical thinking methods to analyze and interpret literature.

Program Requirements:

Units Required: 18-19

Units

Select one of the following two options below for four to six units:

OPTION 1:

ENGL-103	Critical Reading, Writing, and Thinking	3.0
	<i>OR</i>	
ENGL-103H	Critical Reading, Writing, and Thinking – Honors	3.0
ENGL-110	Composition and Literature	3.0

OPTION 2:

ENGL-112	Intermediate Composition, Literature, and Critical Thinking	4.0
	<i>OR</i>	
ENGL-112H	Intermediate Composition, Literature, and Critical Thinking - Honors	4.0

Plus six units from the following:

ENGL-250	British Literature I	3.0
ENGL-251	British Literature II	3.0
ENGL-260	American Literature I	3.0
ENGL-261	American Literature II	3.0
ENGL-273	World Literature I	3.0
ENGL-274	World Literature II	3.0

If Option 1 is selected above, plus three units from the following that have not already been selected from the courses listed above:

If Option 2 is selected above, plus six units from the following that have not already been selected from the courses listed above:

Units

ENGL-105	Introduction to Creative Writing	3.0
ENGL-106	Creative Writing - Nonfiction	3.0
ENGL-108	Creative Writing - Poetry	3.0
ENGL-109	Creative Writing - Short Stories	3.0
ENGL-250	British Literature I	3.0
ENGL-251	British Literature II	3.0
ENGL-260	American Literature I	3.0
ENGL-261	American Literature II	3.0
ENGL-262	American Multicultural Literature	3.0
ENGL-273	World Literature I	3.0
ENGL-274	World Literature II	3.0
ENGL-275	Shakespeare	3.0

Plus three units from the following that have not already been selected from the courses listed above:

ENGL-105	Introduction to Creative Writing	3.0
ENGL-106	Creative Writing - Nonfiction	3.0
ENGL-108	Creative Writing - Poetry	3.0
ENGL-109	Creative Writing - Short Stories	3.0
ENGL-122	Literary Magazine Production	3.0
ENGL-135	Literature and Film	3.0
ENGL-225	Children’s Literature	3.0
ENGL-250	British Literature I	3.0
ENGL-251	British Literature II	3.0
ENGL-260	American Literature I	3.0
ENGL-261	American Literature II	3.0
ENGL-262	American Multicultural Literature	3.0
ENGL-263	Introduction to Poetry	3.0
ENGL-264	Study of Fiction	3.0
ENGL-270	Introduction to African-American Literature	3.0
ENGL-271	Mythology	3.0
ENGL-272	The Bible As Literature	3.0
ENGL-273	World Literature I	3.0
ENGL-274	World Literature II	3.0
ENGL-275	Shakespeare	3.0
ENGL-280	Women Writers	3.0
ENGL-281	Introduction to Science Fiction and Fantasy	3.0
HUMAN-101	Forms and Ideas in Humanities	3.0

Associate in Arts Degree: English

The English associate degree provides students with a wide variety of intellectual skills while introducing them to a major source of cultural enrichment. The major includes both creative writing and literature courses. The creative writing courses provide instruction in multiple genres. The literature courses offer a broad range of types and periods of literature.

Degree Student Learning Outcome:

Students will be able to:

- Appraise the contributions and relevance of literature.
- Apply multiple perspectives and critical thinking methods to analyze and interpret literature.

Program Requirements:

Units Required: 19

	Units
ENGL-112 Intermediate Composition, Literature and Critical Thinking	4.0
<i>OR</i>	
ENGL-112H Intermediate Composition, Literature and Critical Thinking - Honors	4.0
<i>Plus three units from the following:</i>	
ENGL-250 British Literature I	3.0
ENGL-251 British Literature II	3.0
<i>Plus three units from the following:</i>	
ENGL-260 American Literature I	3.0
ENGL-261 American Literature II	3.0
<i>Plus nine units from the following:</i>	
ENGL-105 Introduction to Creative Writing	3.0
ENGL-106 Creative Writing - Nonfiction	3.0
ENGL-108 Creative Writing - Poetry	3.0
ENGL-109 Creative Writing - Short Stories	3.0
ENGL-122 Literary Magazine Production	3.0
ENGL-135 Literature and Film	3.0
ENGL-225 Children's Literature	3.0
ENGL-250 British Literature I	3.0
ENGL-251 British Literature II	3.0
ENGL-260 American Literature I	3.0
ENGL-261 American Literature II	3.0
ENGL-262 American Multicultural Literature	3.0
ENGL-263 Introduction to Poetry	3.0
ENGL-264 Study of Fiction	3.0
ENGL-270 Introduction to African-American Literature	3.0
ENGL-271 Mythology	3.0
ENGL-272 The Bible As Literature	3.0
ENGL-273 World Literature I	3.0
ENGL-274 World Literature II	3.0

ENGL-275 Shakespeare	3.0
ENGL-280 Women Writers	3.0
ENGL-281 Introduction to Science Fiction and Fantasy	3.0

ENGL 089 ESSENTIAL READING AND WRITING SKILLS

Units: 3.00

54.00 hours lecture

Provides an introduction to essential college skills, including source-based composition, critical reading of fiction and non-fiction, and success strategies. Units do not apply to the associate degree.

ENGL 091 INTRODUCTION TO COLLEGE READING AND WRITING

Units: 3.00

54.00 hours lecture

Prerequisite: ENGL-089 or higher English placement.

Prepares students to write well-organized, unified and coherent essays for a college audience and teaches critical reading skills for college-level reading material. No credit if taken after ENGL-094 or ENGL-096. Units do not apply to the associate degree.

ENGL 094 INTRODUCTION TO TECHNICAL READING AND WRITING

Units: 3.00

54.00 hours lecture

Prerequisite: ENGL-089 or higher English placement.

Prepares students to write well-organized and unified business communications, including the rhetorical principles and compositional practices necessary to write effective business letters, memos, resumes, instructions, proposals, and reports. No credit if taken after ENGL-091. Units do not apply to the associate degree.

ENGL 096 ACCELERATED PREPARATION FOR COLLEGE READING AND WRITING

Units: 4.00

72.00 hours lecture

Prerequisite: Placement as determined by the COC English assessment process.

Provides an accelerated approach to prepare students for transfer-level English composition by focusing on writing strategies for well-organized, unified, and coherent college essays and critical reading skills for interpreting college-level reading material. Units do not apply to the associate degree.

ENGL 101 ENGLISH COMPOSITION

Units: 4.00

UC:CSU 72.00 hours lecture

C-ID ENGL 100

Prerequisite: ESL-100 (English as a Second Language) or higher English placement

Builds critical reading and expository writing skills through the analysis and evaluation of college-level texts and the composition of well-organized, full-length essays containing properly documented evidence.

ENGL 101H HONORS ENGLISH COMPOSITION

Units: 4.00

UC:CSU 72.00 hours lecture

C-ID ENGL 100

Prerequisite: ESL-100 (English as a Second Language) or higher English placement

Builds critical reading and expository writing skills through the analysis and evaluation of college-level texts and the composition of well-organized, full-length essays containing properly documented evidence. The honors component requires expanded and more complex reading and writing assignments.

ENGL 103 CRITICAL READING, WRITING AND THINKING

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGL 105

Prerequisite: ENGL-101 or ENGL-101H

Examines the principles of critical thinking as applied to writing and reading arguments on complex issues. Focuses on close textual analysis, argumentative writing, and logical reasoning.

ENGL 103H CRITICAL READING, WRITING AND THINKING – HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGL 105

Prerequisite: ENGL-101 or ENGL-101H

Examines the principles of critical thinking as applied to writing and reading arguments on complex issues. Focuses on close textual analysis, argumentative writing, and logical reasoning. Honors work challenges students to be more analytical and creative through expanded assignments such as more in-depth engagement with, and application of, techniques of persuasion and argumentation.

ENGL 104 TECHNICAL READING AND WRITING

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: ESL-100 (English as a Second Language) or higher English placement

Builds critical and expository writing skills through the analysis and evaluation of real world texts and the composition of analytical writing required in the student's field of study. This course is designed primarily for students in Career Technical Education fields of study.

ENGL 105 INTRODUCTION TO CREATIVE WRITING

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGL 200

Prerequisite: ENGL-101 or ENGL-101H

Focuses on writing and analysis of poetry, short stories, and plays. Students learn to develop ideas with an awareness of stylistic and formal elements.

ENGL 106 CREATIVE WRITING - NONFICTION

Units: 3.00

UC:CSU 54.00 hours lecture

Prerequisite: ENGL-101 or ENGL-101H

Presents nonfiction prose, emphasizing description and narration through the composition of memoirs and personal essays. Writing practice underscores the writer's development of personal style in accordance with the standards of various creative nonfiction approaches.

ENGL 108 CREATIVE WRITING - POETRY

Units: 3.00

UC:CSU 54.00 hours lecture

Prerequisite: ENGL-101 or ENGL-101H

Presents elements of poetry and advanced practice in the writing of poems, emphasizing the writer's awareness of his or her own style and the manipulation of formal and stylistic elements. Includes analysis of selected published writings.

ENGL 109 CREATIVE WRITING - SHORT STORIES

Units: 3.00

UC:CSU 54.00 hours lecture

Prerequisite: ENGL-101 or ENGL-101H

Presents the elements of short fiction and advanced practice in writing short stories, emphasizing the writer's awareness of his or her own style and the manipulation of formal and stylistic elements.

ENGL 110 COMPOSITION AND LITERATURE

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGL 120

Prerequisite: ENGL-101 or ENGL-101H

Introduces representative works from major genres, develops students' close reading and analytical writing skills, and promotes appreciation and critical understanding of the cultural, historical, and aesthetic qualities of literature.

ENGL 111 INTRODUCTION TO LINGUISTICS

Units: 3.00

UC:CSU 54.00 hours lecture

Prerequisite: ENGL-101 or ENGL-101H

Introduces the theory and methods of linguistics, with an emphasis on the structure, function, and history of language. Includes a study of language acquisition, language change, and the sociology and psychology of language.

ENGL 112 INTERMEDIATE COMPOSITION, LITERATURE AND CRITICAL THINKING

Units: 4.00

UC:CSU 72.00 hours lecture

C-ID ENGL 110

Prerequisite: ENGL-101 or ENGL-101H

Builds on the critical thinking, reading, and writing practices begun in English 101, offering instruction in analytical, critical, and argumentative writing, critical thinking, research strategies, information literacy, and proper documentation through the study of literary works from major genres, while developing students' close reading skills and promoting an appreciation for the aesthetic qualities of literature.

ENGL 112H INTERMEDIATE COMPOSITION, LITERATURE AND CRITICAL THINKING - HONORS

Units: 4.00

UC:CSU 72.00 hours lecture

C-ID ENGL 110

Prerequisite: ENGL-101 or ENGL-101H

Builds on the critical thinking, reading, and writing practices begun in English 101, offering instruction in analytical, critical, and argumentative writing, critical thinking, research strategies, information literacy, and proper documentation through the study of literary works from major genres, while developing students' close reading skills and promoting an appreciation for the aesthetic qualities of literature. Honors work challenges students to be more analytical and creative through expanded assignments, such as more in depth engagement with and application of literary theory.

ENGL 122 LITERARY MAGAZINE PRODUCTION

Units: 3.00

CSU 54.00 hours lecture

Introduces literary magazine production, culminating in the publication of a creative arts magazine. Includes reading, evaluating, and editing literary manuscripts and artistic submissions for publication in a variety of formats.

ENGL 135 LITERATURE AND FILM

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: ENGL-091

Explores the complex interplay between literature and film by studying the conventions and characteristics, terms and concepts, and critical theories in both fields.

ENGL 204 TECHNICAL REPORT WRITING

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: ENGL-101 or ENGL-101H

Focuses on the writing of reports and accompanying documents required in professional or vocational environments, including proposals, summaries, memoranda and research skills.

ENGL 225 CHILDREN'S LITERATURE

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGL 180

*Prerequisite: ESL-100 (English as a Second Language) or higher English placement**Recommended Preparation: ENGL-101 or ENGL-101H*

Introduces literature written for children, with emphasis on analysis and evaluation, including cultural, psychological, and literary contexts.

ENGL 250 BRITISH LITERATURE I

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGL 160

*Prerequisite: ESL-100 (English as a Second Language) or higher English placement**Recommended Preparation: ENGL-101 or ENGL-101H*

Surveys the literature written in the British Isles up to the last quarter of the 18th century.

ENGL 251 BRITISH LITERATURE II

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGL 165

*Prerequisite: ESL-100 (English as a Second Language) or higher English placement**Recommended Preparation: ENGL-101 or ENGL-101H*

Surveys British literature from the late eighteenth century to contemporary British and post-colonial texts.

ENGL 260 AMERICAN LITERATURE I

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGL 130

*Prerequisite: ESL-100 (English as a Second Language) or higher English placement**Recommended Preparation: ENGL-101 or ENGL-101H*

Surveys the major movements and genres of American literature from its beginnings through the Civil War.

ENGL 261 AMERICAN LITERATURE II

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGL 135

*Prerequisite: ESL-100 (English as a Second Language) or higher English placement**Recommended Preparation: ENGL-101 or ENGL-101H*

Surveys a wide range of American authors and their relationship to major literary and intellectual movements from the second half of the nineteenth century to the present.

ENGL 262 AMERICAN MULTICULTURAL LITERATURE

Units: 3.00

UC:CSU 54.00 hours lecture

*Prerequisite: ESL-100 (English as a Second Language) or higher English placement**Recommended Preparation: ENGL-101 or ENGL-101H*

Surveys various genres of multicultural literature of the United States, addressing issues of voice, agency, and the construction of American identity across racial, ethnic, regional, and gender boundaries in the cultural context of a diverse country.

ENGL 263 INTRODUCTION TO POETRY

Units: 3.00

UC:CSU 54.00 hours lecture

Examines major poetic forms and literary elements in selected English poems representing a diversity of voices. Emphasizes close, analytical reading of imagery, symbol, figurative language, rhythm, and sound to discover theme, tone and significance.

ENGL 264 STUDY OF FICTION

Units: 3.00

UC:CSU 54.00 hours lecture

*Prerequisite: ESL-100 (English as a Second Language) or higher English placement**Recommended Preparation: ENGL-101 or ENGL-101H*

Presents selected prose fiction from various writers in Western Civilization. Emphasizes short fiction of the 19th and 20th centuries plus one novel. Through close reading and discussion, students will learn to analyze and interpret prose narratives.

ENGL 270 INTRODUCTION TO AFRICAN-AMERICAN LITERATURE

Units: 3.00

UC:CSU 54.00 hours lecture

*Prerequisite: ESL-100 (English as a Second Language) or higher English placement**Recommended Preparation: ENGL-101 or ENGL-101H*

Surveys African American literature from the 1700s to the present, including poetry, fiction, autobiography, essays, drama, and oral literature.

ENGL 271 MYTHOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

Presents a multicultural look at basic themes and archetypes in mythology, including creation, the female and male divine, heroic quest, the trickster and sacred places.

ENGL 272 THE BIBLE AS LITERATURE

Units: 3.00

UC:CSU 54.00 hours lecture

*Prerequisite: ESL-100 (English as a Second Language) or higher English placement**Recommended Preparation: ENGL-101 or ENGL-101H*

Introduces the literary qualities of selected books of the Hebrew and Christian Bibles and their later appropriation by the Anglo-American literary canon.

ENGL 273 WORLD LITERATURE I

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGL 140

*Prerequisite: ESL-100 (English as a Second Language) or higher English placement**Recommended Preparation: ENGL-101 or ENGL-101H*

Surveys world literature in translation from ancient times to the seventeenth century, including the Middle East, Europe, Asia, and other areas.

ENGL 274 WORLD LITERATURE II

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID ENGL 145

*Prerequisite: ESL-100 (English as a Second Language) or higher English placement**Recommended Preparation: ENGL-101 or ENGL-101H*

Surveys world literature in translation from the seventeenth century to modern times, including European, Asian, Middle Eastern, African, and Latin American literature.

ENGL 275 SHAKESPEARE

Units: 3.00

UC:CSU 54.00 hours lecture

*Prerequisite: ESL-100 (English as a Second Language) or higher English placement**Recommended Preparation: ENGL-101 or ENGL-101H*

Surveys the principles of Shakespearean poetry and drama. Detailed reading of selected poems, comedies, tragedies, and histories.

ENGL 280 WOMEN WRITERS

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys literature written by women from diverse cultural backgrounds throughout various literary periods focusing on relevant, on-going gender issues.

ENGL 281 INTRODUCTION TO SCIENCE FICTION AND FANTASY

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces science fiction and fantasy as literature; emphasizes the conventions, history, traditions of the genre, and the use of mythology. Provides a context for the political, philosophical, and social commentary in works studied.

ENGLISH AS A SECOND LANGUAGE

The ESL program offers beginning, intermediate, and advanced level courses providing essential language skills aimed at preparing non-native speakers of English for college-level work. An associate degree is not available in English As A Second Language.

ESL 060 COLLEGE READING, WRITING AND GRAMMAR LEVEL I

Units: 3.00

54.00 hours lecture

Develops reading, writing, and grammar skills designed to move non-native speakers of English toward college-level work. Units do not apply to the associate degree.

ESL 061 COLLEGE LISTENING AND SPEAKING I

Units: 3.00

54.00 hours lecture

Provides practice in speaking in informal college situations. Focuses on listening, speaking, and pronunciation through extensive practice in common college situations. Units do not apply to the associate degree.

ESL 070 COLLEGE READING, WRITING AND GRAMMAR LEVEL II

Units: 3.00

54.00 hours lecture

Prerequisite: ESL-060 or COC Credit or Noncredit placement test

Continued development of reading, writing, and grammar skills necessary for college-level work. Units do not apply to the associate degree.

ESL 071 COLLEGE LISTENING AND SPEAKING II

Units: 3.00

54.00 hours lecture

Provides extensive practice in oral communication in both formal and informal college situations. Develops listening strategies. Units do not apply to the associate degree.

ESL 080 COLLEGE WRITING AND GRAMMAR LEVEL III

Units: 3.00

54.00 hours lecture

Prerequisite: ESL-070 or appropriate placement as determined by the COC placement process.

Focuses on writing researched non-personal paragraphs and short essays using more advanced grammatical structures. Units do not apply to the associate degree.

ESL 081 COLLEGE LISTENING & SPEAKING III

Units: 3.00

54.00 hours lecture

Provides intensive practice in academic listening, note-taking, and speaking skills. Focuses on fluency. Units do not apply to the associate degree.

ESL 083 COLLEGE READING, VOCABULARY AND DISCUSSION III

Units: 3.00

54.00 hours lecture

Prerequisite: ESL-070 or appropriate placement by the COC ESL placement process.

Develops reading, vocabulary skills, and discussion techniques through analysis of fiction and non-fiction materials.

ESL 091 ACCENT REDUCTION

Units: 4.00

72.00 hours lecture

Focuses on accent reduction for non-native speakers of English. Course covers discrete sounds and phonemes, as well as stress and intonation, aural discrimination, and sound patterns reproduction. Offered pass/no-pass only. Units do not apply to the associate degree.

ESL 100 COLLEGE READING AND WRITING IV

Units: 4.00

UC:CSU 72.00 hours lecture

Prerequisite: ESL-080 and 083 or appropriate placement as determined by the COC ESL placement process.

Designed to prepare non-native speakers for transfer-level English composition courses, including complex sentence patterns and multi-paragraph essays.

ENVIRONMENTAL SCIENCES

The Environmental Sciences focus on understanding the relationships between nature and humanity.

The courses offered provide the necessary background knowledge and training for students to successfully transfer into prominent four-year colleges and universities in the fields of Environmental Studies and Sciences. Environmental scientists are needed to develop sustainable solutions to global problems currently facing our society.

An associate degree is not currently available in Environmental Sciences.

Associate in Science for Transfer Degree: Environmental Science

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

Degree Student Learning Outcome:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) for STEM Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an

AS-T in Environmental Science. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

It is highly recommended that counselors at community colleges discuss other possible courses that are part of major preparation at a target CSU campus and encourage students to take some of these additional courses prior to transfer.

Degree Student Learning Outcome:

Students will be able to apply physical, biological and social science principles and research to address current environmental issues.

Program Requirements:

Units Required: 42

	Units
BIOSCI-106 Organismal & Environmental Biology.....	4.0
<i>OR</i>	
BIOSCI-106H Organismal & Environmental Biology - Honors.....	4.0
BIOSCI-107 Molecular and Cellular Biology.....	4.0

GEOG-101H Physical Geography – Honors.....	3.0
GEOG-101L Physical Geography Lab	1.0
<i>OR</i>	
GEOG-101 Physical Geology.....	3.0
GEOG-101L Physical Geography Lab	1.0

Plus eight units from the following:

PHYSIC-110 General Physics I	4.0
PHYSIC-111 General Physics II	4.0
<i>OR</i>	
PHYSIC-220 Physics for Scientists and Engineers: . Mechanics of Solids and Fluids.....	4.0
PHYSIC-221 Physics for Scientists and Engineers: . Electricity and Magnetism.....	4.0

Associate in Arts: Environmental Studies

Environmental Studies is an interdisciplinary and multidisciplinary program of study that presents a broad overview of ecological issues from a variety of perspectives. The coursework examines the interplay between natural and social systems, and the ideological foundations of humankind’s attitudes and behaviors with respect to their continually changing environment. The program provides students with the understanding that environmental challenges face every aspect of society, and it provides them with the skills needed to help solve these complex problems through cooperation and negotiation with the different and often competing stakeholders.

Degree Student Learning Outcome:

Students will be able to critically analyze the intersection of nature and social systems.

Program Requirements:

Units Required: : 28-31

	Units
ENVRMT-101 Introduction to Environmental Studies.....	3.0
BIOSCI-130 Contemporary Issues in Environmental Biology.....	3.0
ECON-201 Macroeconomics	3.0
<i>OR</i>	
ECON-201H Macroeconomics - Honors.....	3.0
PHILOS-120 Introduction to Ethics	3.0
<i>OR</i>	
PHILOS-250 Environmental Ethics.....	3.0
POLISC-150 Introduction to American Government and Politics	3.0
<i>OR</i>	
POLISC-150H Introduction to American Government and Politics - Honors...	3.0

Plus three to four units from the following:

MATH-140 Introductory Statistics	4.0
MATH-140H Introductory Statistics – Honors.....	4.0
ECON-291 Statistical Methods in Business and Economics.....	3.0

Plus four units from one of the following two options:

ENVRMT-103	Introduction to Environmental Science.....	4.0
	<i>OR</i>	
GEOG-101	Physical Geography	3.0
	<i>OR</i>	
GEOG-101H	Physical Geography – Honors	3.0
GEOG-101L	Physical Geography Lab	1.0

Plus two courses from the following for six to eight units:

ANTHRO-103	Cultural Anthropology	3.0
	<i>OR</i>	
ANTHRO-103H	Cultural Anthropology – Honors.....	3.0
BIOSCI-106	Organismal & Environmental Biology.....	4.0
BIOSCI-115	General Zoology	4.0
BIOSCI-116	General Botany.....	4.0
BIOSCI-119	Marine Biology.....	4.0
BIOSCI-132	Concepts in Evolution.....	3.0
ECON-202	Microeconomics.....	3.0
	<i>OR</i>	
ECON-202H	Microeconomics – Honors	3.0
ENVRMT-104	Energy Resources and Conservation	3.0
GEOG-102	Human Geography	3.0
POLISC-230	Political Theory	3.0
POLISC-270	International Relations.....	3.0
SOCI-101	Introduction to Sociology	3.0
	<i>OR</i>	
SOCI-101H	Introduction to Sociology – Honors..	3.0

ENVRMT 101 INTRODUCTION TO ENVIRONMENTAL STUDIES

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces the use of the Earth's natural resources by human civilizations; the roles that economics, ethics, law, history, politics, culture and gender inequity have played in resource use and distribution in environmental studies. Field trips may be required.

ENVRMT 103 INTRODUCTION TO ENVIRONMENTAL SCIENCE

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

Provides students with an understanding of the natural processes operating in the world. Explores environmental processes associated with society and emphasizes the scientific method, elements of statistics and sampling, and the completion of research-based experimental studies along with required field trips.

ENVRMT 104 ENERGY RESOURCE CONSERVATION

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces a quantitative survey of current energy resources, alternate methods of energy generation, and various energy conservation methods, including practical applications relevant to today's economy and technology while stressing physics of energy and environmental utilization relevant to energy use. Field trips may be required.

FIRE TECHNOLOGY

Associate in Science Degree: Fire Service Management In-Service

This degree is for the fire service professional who wishes to advance to the rank of Company Officer. Upon completing the degree program, fire service professionals will further their knowledge in the following areas: Human Resource Management, General Administrative Functions, Fire Inspections and Investigation, All-Risk Command Operations, Wildland Incident Operations, Instructional Methodology, Safety and Survival, as well as Tactics and Strategy.

Degree Student Learning Outcome:

Students will be able to implement an action plan for a posed emergency incident to mitigate the situation.

Program Requirements:

Units Required: 20

	Units
FIRETC-106 Principles of Fire and Emergency Service Administration.....	3.0
FIRETC-109 Principles of Fire and Emergency Services & Survival.....	3.0
FIRETC-125 Firefighting Tactics and Strategy	3.0
FIRETC-210A Company Officer 2A: Human Resource Management for Company Officers.....	2.0
FIRETC-210B Company Officer 2B: General Administrative Functions for Company Officers.....	1.0
FIRETC-210C Company Officer 2C: Fire Inspections and Investigation for Company Officers.....	2.0
FIRETC-210D Company Officer 2D: All-Risk Command Operations for Company Officers.....	2.0
FIRETC-210E Company Officer 2E: Wildland Incident Operations for Company Officers.....	2.0
FIRETC-211A Instructor I: Instructional Methodology	2.0

Associate in Science Degree: Fire Technology - Pre-Service

The Fire Technology - Pre-Service degree/certificate program prepares students for careers in the fire service, either public or private. After completion of the program, students will have a basic understanding in fire protection, prevention and behavior, fire company

organization and procedures, fire hydraulics, wildland fire behavior and fire investigation among other areas. HLHSCI 151 (EMT) may be waived if the student has successfully completed EMT training; however, two additional elective courses must be taken in lieu of HLHSCI 151.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge of fire organization, fire prevention, fire equipment and systems, building construction for fire protection, fire behavior and combustion and emergency medical technician.

Program Requirements:

Units Required: 33.5

	Units
FIRETC-101 Principles of Emergency Services...	3.0
FIRETC-102 Fire Prevention	3.0
FIRETC-103 Fire Protection Systems	3.0
FIRETC-104 Building Construction for Fire Protection	3.0
FIRETC-105 Fire Behavior and Combustion.....	3.0
FIRETC-109 Principles of Fire and Emergency Services & Survival.....	3.0
HLHSCI-151 Emergency Medical Technician	9.5

Plus six units from the following:

FIRETC-106 Principles of Fire and Emergency Service Administration	3.0
FIRETC-107 Fire Apparatus and Equipment.....	3.0
FIRETC-108 Fire Protection Hydraulics and Water Supply	3.0
FIRETC-110 Wildland Fire Behavior	3.0
FIRETC-120 Hazardous Materials Chemistry	3.0
FIRETC-123 Fire Investigation	3.0
FIRETC-125 Firefighting Tactics and Strategy	3.0
HLHSCI-046 Emergency Medical Responder	3.0

Certificate of Achievement: Fire Technology - Pre-Service

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge of fire organization, fire prevention, fire equipment and systems, building construction for fire protection, fire behavior and combustion and emergency medical technician.

Program Requirements:

Units Required: 27.5

	Units
FIRETC-101 Principles of Emergency Services...	3.0
FIRETC-102 Fire Prevention	3.0
FIRETC-103 Fire Protection Systems	3.0
FIRETC-104 Building Construction for Fire Protection	3.0
FIRETC-105 Fire Behavior and Combustion.....	3.0
FIRETC-109 Principles of Fire and Emergency Services & Survival.....	3.0
HLHSCI-151 Emergency Medical Technician	9.5

Recommended electives:

FIRETC-106	Principles of Fire and Emergency Service Administration.....	3.0
FIRETC-107	Fire Apparatus and Equipment.....	3.0
FIRETC-108	Fire Protection Hydraulics and Water Supply	3.0
FIRETC-110	Wildland Fire Behavior	3.0
FIRETC-120	Hazardous Materials Chemistry	3.0
FIRETC-123	Fire Investigation	3.0
FIRETC-125	Firefighting Tactics and Strategy	3.0
HLHSCI-046	Emergency Medical Responder	3.0

FIRETC 101 PRINCIPLES OF EMERGENCY SERVICES

Units: 3.00

CSU 54.00 hours lecture

C-ID FIRE 100X

Provides an overview of fire protection and emergency services; career opportunities in fire protection and related fields; culture and history of emergency services; fire loss analysis; organization and function of public and private fire protection services; fire departments as part of local government; laws and regulations affecting the fire service; fire service nomenclature; specific fire protection functions; basic fire chemistry and physics; introduction to fire protection systems; introduction to fire strategy and tactics and life safety initiatives.

FIRETC 102 FIRE PREVENTION

Units: 3.00

CSU 54.00 hours lecture

C-ID FIRE 110X

Provides fundamental knowledge relating to the field of fire prevention. Topics include: history and philosophy of fire prevention; organization of a fire prevention bureau; use and application of codes and standards; plans review; fire inspections; fire and life safety education; and fire investigation.

FIRETC 103 FIRE PROTECTION SYSTEMS

Units: 3.00

CSU 54.00 hours lecture

C-ID FIRE 120X

Provides information relating to the features of design and operation of fire alarm systems, water-based suppression systems special hazard fire suppression systems, water supply for fire protection and portable fire extinguishers.

FIRETC 104 BUILDING CONSTRUCTION FOR FIRE PROTECTION

Units: 3.00

CSU 54.00 hours lecture

C-ID FIRE 130X

Provides the components of building construction related to firefighter and life safety. The elements of construction and design of structures are shown to be key factors when inspecting buildings, preplanning fire operations, and operating at emergencies.

FIRETC 105 FIRE BEHAVIOR AND COMBUSTION

Units: 3.00

CSU 54.00 hours lecture

C-ID FIRE 140X

Explores the theories and fundamentals of how and why fires start, spread, and are controlled.

FIRETC 106 PRINCIPLES OF FIRE AND EMERGENCY SERVICE ADMINISTRATION

Units: 3.00

CSU 54.00 hours lecture

Introduces the student to the organization and management of a fire and emergency services department and the relationship of government agencies to the fire service. Emphasis is placed on fire and emergency service, ethics, and leadership from the perspective of the company officer.

FIRETC 107 FIRE APPARATUS AND EQUIPMENT

Units: 3.00

CSU 54.00 hours lecture

Presents fire apparatus design, including mobile and fixed apparatus, a review of construction specifications and performance capabilities, and the effective deployment, utilization and performance of equipment under emergency conditions.

FIRETC 108 FIRE PROTECTION HYDRAULICS AND WATER SUPPLY

Units: 3.00

CSU 54.00 hours lecture

Presents the theory and principles of using water in fire protection, including the hydraulic principles used to solve water supply problems.

FIRETC 109 PRINCIPLES OF FIRE AND EMERGENCY SERVICES SAFETY AND SURVIVAL

Units: 3.00

CSU 54.00 hours lecture

C-ID FIRE 150X

Introduces the basic principles and history related to the national firefighter life safety initiatives, focusing on the need for cultural and behavior change throughout emergency services.

FIRETC 110 WILDLAND FIRE BEHAVIOR

Units: 3.00

CSU 54.00 hours lecture

Covers topics related to wildland fire behavior such as weather, fuel and topographic factors. Field trips may be required.

FIRETC 120 HAZARDOUS MATERIALS CHEMISTRY

Units: 3.00

CSU 54.00 hours lecture

Provides basic chemistry relating to the categories of hazardous materials including recognition, identification, reactivity, and health hazards encountered by emergency services.

FIRETC 123 FIRE INVESTIGATION

Units: 3.00

CSU 54.00 hours lecture

Provides the fundamentals and technical knowledge needed for proper fire scene interpretations, including recognizing and conducting origin and cause, preservation of evidence and documentation, scene security, motives of the fire setter, and types of fire causes.

FIRETC 125 FIREFIGHTING TACTICS AND STRATEGY

Units: 3.00

CSU 54.00 hours lecture

Presents the principles of fire ground control through utilization of personnel, equipment, and extinguishing agents. Field trips may be required.

FIRETC 210A COMPANY OFFICER 2A: HUMAN RESOURCE MANAGEMENT FOR COMPANY OFFICERS

Units: 2.00

CSU 40.00 hours lecture

Provides information on the use of human resources to accomplish assignments, evaluating member performance, supervising personnel, and integrating health and safety plans, policies, and procedures into daily activities as well as the emergency scene. This course is designed for Firefighters who have met the educational requirements for Fire Fighter II.

FIRETC 210B COMPANY OFFICER 2B: GENERAL ADMINISTRATIVE FUNCTIONS FOR COMPANY OFFICERS

Units: 1.00

CSU 20.00 hours lecture

Provides information on general administrative functions and the implementation of department policies and procedures and addresses conveying the fire department's role, image, and mission to the public. This course is designed for Firefighters who have met the educational requirements for Fire Fighter II.

FIRETC 210C COMPANY OFFICER 2C: FIRE INSPECTIONS AND INVESTIGATION FOR COMPANY OFFICERS

Units: 2.00

CSU 40.00 hours lecture

Provides information on conducting inspections, identifying hazards and addressing violations, performing a fire investigation to determine preliminary cause and securing the incident scene and preserving evidence. This course is designed for Firefighters who have met the educational requirements for Fire Fighter II.

FIRETC 210D COMPANY OFFICER 2D: ALL-RISK COMMAND OPERATIONS FOR COMPANY OFFICERS

Units: 2.00

CSU 40.00 hours lecture

Provides information on conducting incident size-up, developing and implementing an initial plan of action involving a single and multi-unit operations for various types of emergency incidents to mitigate the situation following agency safety procedures, conducting pre-incident planning, and develop and conduct a post-incident analysis. This course is designed for Firefighters who have met the educational requirements for Fire Fighter I, and completed the ICS-200.B: Incident Command System for Single Resources and Initial Action Incident and Hazardous Material Incident Commander courses (as offered by the California Specialized Training Institute).

FIRETC 210E COMPANY OFFICER 2E: WILDLAND INCIDENT OPERATIONS FOR COMPANY OFFICERS

Units: 2.00

CSU 40.00 hours lecture

Prerequisite: FIRETC-210D

Provides information on evaluating and reporting incident conditions, analyzing incident needs, developing and implementing a plan of action to deploy incident resources completing all operations to suppress a wildland fire, establishing an incident command post, creating an incident action plan, and completing incident records and reports. This course is designed for Firefighters who have met the educational requirements for Fire Fighter II, and completed the S-290 Intermediate Fire Behavior course (classroom delivery).

FIRETC 211A INSTRUCTOR I: INSTRUCTIONAL METHODOLOGY

Units: 2.00

CSU 40.00 hours lecture

Provides the skills and knowledge needed for the entry level professional instructor to perform his or her duties safely, effectively, and competently. At the end of this course, candidates for Instructor I certification will be able to teach and deliver instruction from a prepared lesson plan utilizing instructional aids and evaluation instruments. The Instructor I will also be able to adapt a lesson plan and complete the reporting requirements to the local jurisdiction.

FIRST YEAR EXPERIENCE

(Also known as Canyons Promise)

FYE 100 FIRST YEAR SEMINAR

Units: 3.00

CSU 54.00 hours lecture

Provides students who are participating in the Canyons Promise program a seminar-style course that will introduce them to the pursuit of intellectual inquiry in college and life via critical thinking. Students who are eligible for this course have applied and been accepted to the Canyons Promise Program.

FRENCH

(See *Modern Languages*)

GEOGRAPHY

Geography is the broad spatial science that studies the location, distribution, and interaction among all physical and cultural features of earth. These studies include physical processes that create and modify landforms, affect daily weather and long-term climates, and influence the setting for all biologic phenomena such as plants, animals and humans. These studies also include the distribution and interaction of cultural phenomena such as population, language, religion, economics, politics, diseases, agriculture, migration, resources, urban patterns, ethnic studies, and the many short-term and long-term effects of humans on the environment. The geography program also includes the study and use of graphs, maps, geospatial digital data retrieval and cartographic technology.

Through lecture, lab, and field study, the geography program provides insight, perspective, and application required to assist citizens in making well-informed decisions involving the inter-relationships between the natural physical environment and the systems and networks of human societies.

Associate in Arts Degree: Geography for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer,” a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Geography. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to locate and analyze the distribution of physical and cultural features in the world, relate them to modifying processes, and assess variables that influence resulting spatial patterns.

Program Requirements:

Units Required: 18

		Units
GEOG-101	Physical Geography	3.0
OR		
GEOG-101H	Physical Geography - Honors.....	3.0
GEOG-102	Human Geography	3.0
Plus six units from the following:		
GEOG-101L	Physical Geography Lab	1.0
GEOG-103	Weather and Climate	3.0
GEOG-104	World Regional Geography	3.0
GEOG-105	California Geography.....	3.0
GIS-101	Introduction to Geographic Information Systems.....	3.0
<i>Plus six units from the following:</i>		
ANTHRO-103	Cultural Anthropology	3.0
OR		
ANTHRO-103H	Cultural Anthropology – Honors.....	3.0
GEOL-101	Physical Geology.....	3.0

GEOG 101 PHYSICAL GEOGRAPHY

Units: 3.00
 UC:CSU 54.00 hours lecture
 C-ID GEOG 110

Analyzes the elements and interconnections among earth’s physical features of lithosphere, atmosphere, hydrosphere, biosphere, annual seasons and its humans. Examines geospatial concepts including location, distance, time zones, and cartography. Field trips may be required.

GEOG 101H PHYSICAL GEOGRAPHY - HONORS

Units: 3.00
 UC:CSU 54.00 hours lecture
 C-ID GEOG 110

Recommended Preparation: ENGL-101 or ENGL-101H

Analyzes the elements and interconnections among earth’s physical features of lithosphere, atmosphere, hydrosphere, biosphere, annual seasons, and its humans. Examines geospatial concepts including location, distance, time zones, and cartography. Field trips may be required. Honors work challenges students to be more analytical and creative through expanded assignments that include additional critical thinking, research and presentation techniques.

GEOG 101L PHYSICAL GEOGRAPHY LAB

Units: 1.00
 UC:CSU 54.00 hours lab
 C-ID GEOG 111

Co-requisite: GEOG-101 or GEOG-101H

Focuses on observation, interpretation, and application of data of Earth’s environment, utilizing the tools and techniques of physical geographers. Field trips may be required.

GEOG 102 HUMAN GEOGRAPHY

Units: 3.00
 UC:CSU 54.00 hours lecture
 C-ID GEOG 120

Analyzes the spatial distribution and interaction of human patterns such as population, language, religion, economics, migration, ethnicity, urban and political systems, agriculture, development, and human-environment interactions.

GEOG 103 WEATHER AND CLIMATE

Units: 3.00
 UC:CSU 54.00 hours lecture
 C-ID GEOG 130

Introduces the mechanics and processes of the atmosphere, including general and severe weather, weather forecasting, climates, and the complex natural and human influences on global climate change. May include field work and field trips.

GEOG 104 WORLD REGIONAL GEOGRAPHY

Units: 3.00
 UC:CSU 54.00 hours lecture
 C-ID GEOG-125

Examines the interdependency, connectivity, and diversity of the world’s regions, both in natural environments and cultural societies. It also explores sensitive equity and ethnic issues facing society. Field trips may be required.

GEOG 105 CALIFORNIA GEOGRAPHY

Units: 3.00

CSU 54.00 hours lecture

Explores the physical and human landscapes that have evolved as a result of the human-environment interface. The topics includes California's issues, processes and topics relevant to geography including climate, landforms, natural vegetation, water resources, cultural landscape, ethnic diversity, urban and agricultural regions, and the economy. Field trips may be required.

GEOGRAPHIC INFORMATION SYSTEMS

Geographic Information System (GIS) is a computer-based geospatial management system that allows the user to visualize, question, analyze, interpret, and understand complex data in order to reveal relationships, patterns, and trends. The study of GIS leads to increased efficiency, improved communication, and all-around better decision making in an almost endless variety of fields and disciplines.

GIS 101 INTRODUCTION TO GEOGRAPHIC INFORMATION SYSTEMS

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

C-ID GEOG 155

Introduces the fundamental concepts, methods, and applications of Geographic Information Systems (GIS) science and its role in spatial analysis, decision making, and data management.

GEOLOGY

Geology is the science that studies the earth. These studies includes earth's formation and composition, the processes that create resources such as fuels, minerals, and construction materials, the energy systems that modify landforms on the crust, the historical evolution of life and global climates, and the continuing interaction between humans and the natural environment.

Through lecture, lab and field study, the geology program provides insight, perspective, and application required to assist citizens in making well-informed decisions concerning earth-related issues such as water resources, building and engineering, natural disasters, agriculture and ocean resources, and the long-term effects on our planet from an increasing population.

Associate in Science Degree: Geology for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T in Geology. Additional majors are being developed.

Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to synthesize information from a variety of sources and disciplines in order to solve geologic problems.

Program Requirements:

Units Required: 29

	Units
GEOL-101 Physical Geology.....	3.0
GEOL-101L Physical Geology Lab.....	1.0
GEOL-102 Historical Geology	4.0
CHEM-201 General Chemistry I.....	6.0
<i>OR</i>	
CHEM-201H General Chemistry I – Honors.....	6.0
CHEM-202 General Chemistry II.....	5.0
MATH-211 Calculus I.....	5.0

GEOL 101 PHYSICAL GEOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID GEOL 100

Explores the basic features of the exterior and interior of the earth's crust, the materials of which those features are composed, and the geologic processes which produced them. Field trips may be required.

GEOL 101L PHYSICAL GEOLOGY LAB

Units: 1.00

UC:CSU 54.00 hours lab

C-ID GEOL 100L

Co-requisite: GEOL-101

Provides the principles and tools of direct and remote observation of Earth's crustal evolution and surface processes through analysis of minerals, rocks, fossils, topographic and geologic maps, cross sections and other geologic tools. Field work may be required.

GEOL 102 HISTORICAL GEOLOGY

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

C-ID GEOL 111

Studies the evolution of the earth's crust and the earth's plant and animal life from the beginnings to the present as revealed in geologic strata and in the fossil record. Emphasizes the evolution of the North American continent, its landforms, contiguous oceans, animals and plants, including some study of the principles of paleontology. Field trips may be required.

GEOL 103 DINOSAURS

Units: 3.00

UC:CSU 54.00 hours lecture

Presents the origins, evolution, diversity, anatomy, physiology, ecology, habitat, behaviors, extinction, and paleontology of the dinosaurs in the Mesozoic Era.

GEOL 104 NATURAL DISASTERS

Units: 3.00

UC:CSU 54.00 hours lecture

Examines the earth processes, forces and systems that cause natural disasters, including volcanic eruptions, earthquakes, hurricanes, tsunamis, tornadoes, floods, climate change, landslides, mass extinction, and extraterrestrial impacts. Field trips may be required.

GEOL 105 GEOLOGY OF CALIFORNIA

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys the major geomorphic provinces of California, including their geologic history, topography, geologic structures, rock units, natural resources, and possible environmental risks. Field trips may be required.

GEOL 109 EARTH SCIENCE

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID GEOL 120

Surveys the terminology and basic concepts of the fields of earth science, including astronomy, geology, meteorology, and oceanography. Examines earth's changing geological systems and the importance of earth science phenomenon to daily life. UC credit limitation: no credit if taken after a college-level course in Astronomy, Geology, Meteorology or Oceanography. Field trip may be required.

GEOL 109L EARTH SCIENCE LABORATORY

Units: 1.00

UC:CSU 54.00 hours lab

C-ID GEOL 120L

Co-requisite: GEOL-109

Presents laboratory experiences focusing on earth science materials and systems in the lithosphere, hydrosphere, atmosphere, and solar system.

GERMAN*(See Modern Languages)***GLOBAL STUDIES****Associate in Arts for Transfer Degree: Global Studies**

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Global Studies. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Identify major and emerging global issues and trends, and the definition of globalization.

Program Requirements:

Units Required: 21 - 25

	Units
GLST-101 Introduction to Global Studies.....	3.0
GLST-102 Global Issues	3.0

Take five courses from the following for a minimum of fifteen units, at least one course from four of the following five sections:

Culture and Society Area

ANTHRO-103	Cultural Anthropology	3.0
	<i>OR</i>	
ANTHRO-103H	Cultural Anthropology – Honors.....	3.0

Economic Area

ECON-201	Macroeconomics	3.0
	<i>OR</i>	
ECON201H	Macroeconomics – Honors	3.0
ECON-202	Microeconomics.....	3.0
	<i>OR</i>	
ECON-202H	Microeconomics – Honors	3.0

Geography Area

GEOG-102	Human Geography	3.0
GEOG-104	World Regional Geography	3.0

Humanities Area

ENGL-273	World Literature I	3.0
ENGL-274	World Literature II	3.0
FRNCH-201	Intermediate French I	5.0
FRNCH-202	Intermediate French II	5.0
SPAN-201	Intermediate Spanish I.....	5.0
SPAN-202	Intermediate Spanish II.....	5.0

Politics Area

POLISC-250	Comparative Government and Politics	3.0
POLISC-270	International Relations.....	3.0

Certificate of Achievement: Global Competencies

The Certificate of Achievement in Global Competencies is an interdisciplinary program of study designed to expose students to a diversity of foundational courses that collectively lead to heightened global awareness and responsibility. Students completing this certificate will be better prepared for degrees in global studies or international relations, and/or careers in such fields as Public Relations, Diplomacy, Civil Service, Global Trade, Global Policy, World Health and Related Affairs, and Humanitarian Services amongst others.

Certificate Student Learning Outcome:

- Demonstrate an understanding of interdependent socio-cultural, geographical, and political systems inherent to international affairs and global communities.

- Demonstrate an ability to apply sustainable and responsible perspectives to local, national, and international situations with a heightened awareness of their global impact.

Program Requirements:

Units Required: 18

Take six courses from the following for a minimum of 18 units, at least one course from each of the five areas:

	Units	
Global Politics		
POLISC-210	Model United Nations	3.0
POLISC-250	Comparative Government and Politics	3.0
POLISC-270	International Relations.....	3.0
Regional Area Studies		
GEOG-104	World Regional Geography	3.0
HIST-191	History of Eastern Civilization I.....	3.0
HIST-193	History of India.....	3.0
HIST-212	History of the Middle East.....	3.0
HIST-240	Latin America Civilization.....	3.0
HIST-243	History of Mexico and the Mexican and Chicano Peoples	3.0
The Physical World		
BIOSCI-130	Contemporary Issues in Environmental Biology.....	3.0
GEOG-101	Physical Geography	3.0
	<i>OR</i>	
GEOG-101H	Physical Geography – Honors.....	3.0
GEOL-103	Weather and Climate.....	3.0
The Socio-Historical World		
ANTHRO-103	Cultural Anthropology	3.0
	<i>OR</i>	
ANTHRO-103H	Cultural Anthropology – Honors.....	3.0
ANTHRO-220	Magic, Witchcraft, and Religion.....	3.0
ENGL-273	World Literature I	3.0
GEOG-102	Human Geography	3.0
HUMAN-101	Forms and Ideas in Humanities.....	3.0
HUMAN-115	Cultural Eras in Humanities I: Antiquity to the Late 15th Century ..	3.0
PHILOS-220	Introduction to Comparative Religion.....	3.0
SOCI-102	Introduction to Sociological Research Methods	3.0
SOCI-200	Introduction to Women’s Studies.....	3.0
SOCI-200H	Introduction to Women’s Studies – Honors	3.0

SOCI-205	Society and the Environment.....	3.0
SOCI-207	Social Problems.....	3.0

World Culture and Arts

ART-110	Art History: Ancient to Medieval.....	3.0
ART-111	Art History: Renaissance to Modern	3.0
ART-112	Art of Africa, Oceania, and the Indigenous Americas	3.0
ART-116	Asian Art History	3.0
ART-205	Landmarks of Art and Visual Culture.....	3.0
CINEMA-131	History of International Cinema	3.0
CULARTS-133	International Cuisine.....	2.5
DANCE-101	Introduction to World Dance	3.0
MUSIC-108	World Music.....	3.0
MUSIC-112	Music History	3.0

GLST 101 INTRODUCTION TO GLOBAL STUDIES

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: ENGL-101 or ENGL-101H

Introduces the interdisciplinary field of Global Studies, including the history of globalization, and economic, political, social, cultural and ecological developments related to the process of globalization.

GLST 102 GLOBAL ISSUES

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: ENGL-101 or ENGL-101H

Examines the origins, current status, and future trends of major transnational issues confronting the global community, focusing on global governance, including the study of collective global responsibilities.

GRAPHIC AND MULTIMEDIA DESIGN

Associate in Arts Degree: Graphic & Multimedia Design

The primary goal of the Associate in Arts Degree in Graphic and Multimedia Design is to provide students with a foundation of knowledge and technical abilities required for a position within the field of graphic and multimedia design. In addition to providing students with basic skills and competencies, course work is sequenced to facilitate transferability to an art or design program at a four-year university.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in a graphic and multimedia position.

Program Requirements:

Units Required: 33

	Units
ART-124A	Drawing I 3.0
GMD-101	Introduction to Visual Communication..... 3.0
GMD-104	Graphic Design for Web and Social Media 3.0
GMD-107	Multimedia for Web and Social Media 3.0
GMD-120	History of Graphic Design..... 3.0
GMD-142	Digital Illustration 3.0
GMD-144	Graphic Design I..... 3.0
GMD-145	Type and Typography 3.0
GMD-173	Motion Design..... 3.0
GMD-177	Web Page Design I..... 3.0
GMD-242	Graphic Design II..... 3.0

Certificate of Achievement: Graphic & Multimedia Design

The Certificate of Achievement in Graphic and Multimedia Design develops students' creative and technical skills by providing hands-on training in current technologies. The two-year program prepares students for employment in the fields of graphic design for web, social media, user interface, motion, and illustration, as well as digital photography, art direction, video production and game design.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in a graphic and multimedia position.

Program Requirements:

Units Required: 31

	Units
GMD-101 Introduction to Visual Communication.....	3.0
GMD-104 Graphic Design for Web and Social Media	3.0
GMD-107 Multimedia for Web and Social Media	3.0
GMD-120 History of Graphic Design.....	3.0
GMD-142 Digital Illustration	3.0
GMD-144 Graphic Design I.....	3.0
GMD-145 Type and Typography	3.0
GMD-173 Motion Design.....	3.0
GMD-177 Web Page Design I.....	3.0
GMD-242 Graphic Design II.....	3.0

Plus a minimum of one unit from the following:

CWE-186GMD Cooperative Work Experience Education Graphic & Multimedia Design (Unpaid).....	1.0 - 4.0
CWE-188GMD Cooperative Work Experience Education Graphic & Multimedia Design (Paid).....	1.0 - 4.0

GMD 041 INTRODUCTION TO INDESIGN

Units: 1.00

13.50 hours lecture, 13.50 hours lab

Introduces page layout for print media using Adobe InDesign. Students learn how to utilize layout features for both text and images. Basic computer knowledge is assumed. Offered pass/no-pass only.

GMD 097L MULTIMEDIA LAB

Units: 1.00

54.00 hours lab

A lab for the currently-enrolled graphics student who wishes to increase skills through the use of the graphics lab facility. Note: Students must attend faculty supervised weekly scheduled class time posted in printed schedule. Hours must be accrued at a time separate from any other class in which the student is also registered. This course is not a required course for any certificate or degree in the graphics program. Offered pass/no-pass only. Units do not apply to the associate degree.

GMD 101 INTRODUCTION TO VISUAL COMMUNICATION

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

Introduces the concepts and practices applicable to visual communication, including the elements and principles of composition, divergent thinking, and the creative process. Includes instruction in several software applications.

GMD 104 GRAPHIC DESIGN FOR WEB AND SOCIAL MEDIA

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the fundamental concepts, terminology and techniques to design and manage brand identity for web and social media with applications such as Twitter, Facebook, Instagram, YouTube, Tumblr, and emerging social media platforms.

GMD 107 MULTIMEDIA FOR WEB AND SOCIAL MEDIA

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the fundamental concepts, terminology and techniques to produce and manage multimedia assets including images, graphics, video, animation and sound for web and social media using applications such as Illustrator and Photoshop.

GMD 120 HISTORY OF GRAPHIC DESIGN

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys the origin and evolution of graphic design, including the development of typography, advertising, poster design, illustration, corporate identities and trademarks.

GMD 142 DIGITAL ILLUSTRATION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces digital illustration for graphic design using Adobe Illustrator and Adobe Photoshop. Topics include: book, editorial and package design.

GMD 144 GRAPHIC DESIGN I

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: GMD-101

Introduces the design of print graphics, covering various page layout formats and the fundamentals of typographic design. Includes instruction in several software applications.

GMD 145 TYPE AND TYPOGRAPHY

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

Introduces type and typography for visual communication. Traditional and contemporary techniques are combined to explore the art of letterforms.

GMD 173 MOTION DESIGN

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the fundamental concepts, terminology, and techniques of motion design using industry standard software such as Adobe AfterEffects.

GMD 177 WEB PAGE DESIGN I

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended preparation: GMD-101 and GMD-145

Introduces the fundamental concepts, terminology and techniques of web and interactive design using industry standard software.

GMD 242 GRAPHIC DESIGN II

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces advanced visual communication skills in print graphics, using graphic software applications to explore logo, advertising and publication design.

GMD 277 WEB PAGE DESIGN II

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended preparation: GMD-177

Introduces advanced concepts, terminology and techniques of web and interactive design using industry standard software such as Adobe Photoshop and Adobe Dreamweaver.

HEALTH SCIENCE

**Associate in Science for Transfer Degree:
Public Health Science**

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
 2. Obtainment of a minimum grade point average of 2.0.
- Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T in Public Health. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to demonstrate the core science and health education principles necessary to function in public health careers.

Program Requirements:

Units Required: 32

	Units
HLHSCI-100 Health Education	3.0
HLHSCI-140 Introduction to Public Health.....	3.0
BIOSCI-100 General Biology	4.0
<i>OR</i>	
BIOSCI-100H General Biology – Honors	4.0
CHEM-151 Preparatory General Chemistry.....	4.0
<i>OR</i>	
CHEM-151H Preparatory General Chemistry –	4.0

MATH-140 Introductory Statistics	4.0
<i>OR</i>	
MATH-140H Introductory Statistics – Honors.....	4.0
PSYCH-101 Introduction to Psychology	3.0
<i>OR</i>	
PSYCH-101H Introduction to Psychology –	3.0
<i>Honors.....</i>	
<i>Plus eight units from the following two options:</i>	
BIOSCI-201 Introduction to Human Anatomy	4.0
BIOSCI-202 Introduction to Human Physiology... ..	4.0
<i>OR</i>	
BIOSCI-204 Human Anatomy and Physiology I... ..	4.0
BIOSCI-205 Human Anatomy and Physiology II... ..	4.0
<i>Plus three units from the following:</i>	
ECON-201 Macroeconomics	3.0
ECON-201H Macroeconomics - Honors.....	3.0
ECON-202 Microeconomics.....	3.0
ECON-202H Microeconomics – Honors	3.0
HLHSCI-243 Women and Health.....	3.0
PSYCH-230 Human Sexuality	3.0
SOCI-101 Introduction to Sociology	3.0
SOCI-101H Introduction to Sociology –	3.0
<i>Honors.....</i>	

Certificate of Specialization: Emergency Medical Technician

Prepares students for certification and employment as an Emergency Medical Technician (also known as EMT-Basic). Includes emergency department and ambulance clinical observations. Health clearance and background check required prior to start of clinical rotations. Upon successful completion, students are eligible to take the National Registry EMT-B examination. This course meets DOT objectives. May be repeated if used for legally mandated training.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in EMT skills and knowledge as required by state and local regulations.

Program Requirements:

Units Required: 9.5

	Units
HLHSCI-151 Emergency Medical Technician	9.5

HLHSCI 046 EMERGENCY MEDICAL RESPONDER

Units: 3.00

49.50 hours lecture, 13.50 hours lab

Prepare students to become Emergency Medical Responders (EMR) who manage medical and/or trauma emergencies during the first few minutes prior to advanced care arriving on scene.

HLHSCI 100 HEALTH EDUCATION

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PHS 100

Surveys the physical, emotional, social, intellectual, environmental, and spiritual dimensions of health. Health topics will include stress management, mental health, fitness, nutrition, weight management, addiction, sexuality, and environmental health issues. An emphasis will be placed on prevention strategies and lifestyle behavior change techniques. UC credit limitation: HLHSCI-100, and HLHSCI-243 combined, maximum credit one course.

HLHSCI 101 INTRODUCTION TO THE HEALTH PROFESSIONS

Units: 3.00

CSU 54.00 hours lecture

Introduces a variety of health occupations, including roles and responsibilities, educational preparation requirements, health care, career planning, and an overview of the US health system.

HLHSCI 140 INTRODUCTION TO PUBLIC HEALTH

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PHS 101

Introduces the discipline of public health including terminology, the role of public health agencies in society, public health professions, epidemiology, healthcare policy and management.

HLHSCI 149 NUTRITION FOR FITNESS AND BALANCED LIVING

Units: 2.00

UC:CSU 36.00 hours lecture

Examines the psycho-biological, cultural, social, cognitive, and environmental factors that influence a person's eating, physical activity behaviors, and body image. Provides practical strategies to promote healthy attitudes and behaviors. UC credit limitation: HLHSCI-149 and HLHSCI-150 combined, maximum credit one course.

HLHSCI 150 NUTRITION

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces the study of food and nutrients throughout the lifespan and their impact on quality of life and disease prevention. UC credit limitation: HLHSCI-149 and HLHSCI-150 combined, maximum credit one course.

HLHSCI 151 EMERGENCY MEDICAL TECHNICIAN

Units: 9.50

CSU 167.00 hours lecture, 27.00 hours lab

Prerequisite: Must be 18 years or older the first day the class meets and have completed an American Heart Association "BLS for the Healthcare Provider" course and present AHA BLS Healthcare Provider card to instructor the first day of class. Recommended Preparation: HLHSCI-046

Prepares students for certification and employment as an Emergency Medical Technician, including emergency department clinical experience and ambulance ridealong. Health clearance and background check required prior to start of clinical rotations. Upon successful completion students are eligible to take the National Registry EMT examination. The course meets the U.S. Department of Transportation (DOT) National EMS Education Standards (DOT HS 811 077A, January 2009) May be repeated if used for legally mandated training.

HLHSCI 153 EMERGENCY MEDICAL TECHNICIAN REFRESHER

Units: 1.50

CSU 24.00 hours lecture, 8.00 hours lab

Recommended Preparation: HLHSCI-151 or current/lapsed EMT Certification

Prepares students for for L.A. County/State of California EMT recertification, including L.A. County scope of practice, NREMT transition materials and skills testing.

HLHSCI 243 WOMEN AND HEALTH

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys past and current issues surrounding women's health, including anatomy, sexuality, reproductive health, sexually transmitted diseases, disorders common to women, mental health, domestic violence, menopause and women in the health profession. UC credit limitation: HLHSCI-100 and HLHSCI-243 combined, maximum credit one course.

HLHSCI 249 MEDICAL TERMINOLOGY

Units: 3.00

CSU 54.00 hours lecture

Presents a comprehensive study of medical terminology, emphasizing determining meanings by dividing words into their component parts. Basic anatomy and physiology are discussed. Correct spelling, pronunciation and meaning of common medical terms related to individual body systems, clinical procedures, laboratory tests and pathological conditions are covered.

HISTORY

In a broad sense, history is the study and record of all human experience. It examines people, institutions, ideas and events through the past, develops cultural literacy, critical thinking and other useful skills while helping to plan for the future. By having knowledge of the origins and people of the past we are able to obtain a better understanding of ourselves as individuals and as a society.

History provides a solid fundamental preparation for careers in business, industry, government and education. It also serves as a preparation for law school, foreign service, international work, urban affairs, and library science.

Associate in Arts Degree: History for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer,” a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in History. Additional majors are being developed. Please

see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to analyze and interpret the significance of specific historical events and time periods.

Program Requirements:

HIST 101 HISTORY OF WESTERN CIVILIZATION: THE PRE-INDUSTRIAL WEST

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID HIST 170

Surveys the history of Western Civilization from earliest times to the 16th century, including the development of economic, socio-political, and cultural institutions from pre-history to Riverine cultures of the Near East, Greco-Roman world and medieval and early modern Europe.

HIST 101H HISTORY OF WESTERN CIVILIZATION: THE PRE-INDUSTRIAL WEST HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID HIST 170

Recommended Preparation: ENGL-101 or ENGL-101H
 Surveys the history of Western Civilization from earliest times to the 16th century, including the development of economic, socio-political, and cultural institutions from pre-history to Riverine cultures of the Near East, Greco-Roman world and medieval and early modern Europe. Additional reading, writing, critical thinking, and research techniques are required.

HIST 102 HISTORY OF WESTERN CIVILIZATION: THE MODERN ERA

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID HIST 180

Surveys the history of Western Civilization from the 16th century to the present period, including the economic, socio-political, and cultural developments in Europe, the Americas, and the emergent nations of the modern era.

HIST 111 UNITED STATES HISTORY I

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID HIST 130

Surveys American civilization, from the Pre-Columbian era through Reconstruction, emphasizing the political, cultural, economic, and social history of the United States. Meets Title 5 American Institutions U.S. History requirement for the associate degree. UC credit limitation: HIST-111, 111H, 112, 112H and 115 combined, maximum credit, two courses.

HIST 111H UNITED STATES HISTORY I - HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID HIST 130

Recommended Preparation: ENGL-101 or ENGL-101H

Surveys American civilization, from the Pre-Columbian era through Reconstruction, including the political, cultural, economic, and social history of the United States. Additional reading, writing, and research techniques required. Meets Title V American Institutions U.S. History requirement for the associate degree. UC credit limitation: HIST-111, 111H, 112, 112H and 115 combined, maximum credit, two courses.

HIST 112 UNITED STATES HISTORY II

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID HIST 140

Surveys the political, economic, and social history of the United States from Reconstruction to the present. Meets Title V American Institutions U.S. History requirement for the associate degree. UC credit limitation: HIST-111, 111H, 112, 112H and 115 combined, maximum credit, two courses.

HIST 112H UNITED STATES HISTORY II - HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID HIST 140

Recommended Preparation: ENGL-101 or ENGL-101H

Surveys the political, economic, and social history of the United States from Reconstruction to the present. Additional reading, writing, and research techniques required. Meets Title V American Institutions U.S. History requirement for the associate degree. UC credit limitation: HIST-111, 111H, 112, 112H and 115 combined, maximum credit, two courses.

HIST 115 UNITED STATES HISTORY SINCE 1945

Units: 3.00

UC:CSU 54.00 hours lecture

Examines the political, social, and cultural events occurring in the United States since 1945, exploring the connections with racial unrest, foreign and military policy, civil liberties, and governmental responsibility. UC credit limitation: HIST-111, 111H, 112, 112H and 115 combined, maximum credit, two courses.

HIST 120 THE ROLE OF WOMEN IN THE HISTORY OF THE UNITED STATES

Units: 3.00

UC:CSU 54.00 hours lecture

Explores the political, economic, and intellectual history of women in the development of the United States from the early Colonial Era to the present day, including their challenges and contributions. Meets Title V American Institutions US History requirement for the associate degree.

HIST 120H THE ROLE OF WOMEN IN THE HISTORY OF THE UNITED STATES - HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: ENGL-101 or ENGL-101H

Explores the political, economic, and intellectual history of women in the development of the United States from the early Colonial Era to the present day, including their challenges and contributions. Additional reading, writing, and research techniques required. Meets Title V American Institutions US History requirement for the associate degree.

HIST 130 SOCIAL AND CULTURAL HISTORY OF THE UNITED STATES

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys the social, political, and cultural history of the United States, from the 15th century to the present, including changes in society, immigration, and culture, and issues of gender, ethnicity, and race. Meets Title V American Institutions U.S. History requirement for the associate degree.

HIST 161 WORLD HISTORY I

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID HIST 150

Examines world civilization from prehistory through the 1500s, including Greek and Roman philosophies, Confucianism, Hinduism, Buddhism, Christianity, Islam, political institutions, social practices, literature, women's status, and cross-cultural influences.

HIST 191 HISTORY OF EASTERN CIVILIZATION I

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys Asian civilizations from antiquity to the 19th century, including philosophical and social environments and cultural and political trends. Specifically examines China and Japan, as well as neighboring areas like Korea, India, and Southeast Asia.

HIST 192 HISTORY OF EASTERN**CIVILIZATION II**

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys Asian civilizations from the 19th century to the present, emphasizing the regions of China, Japan, Korea, India, and Southeast Asia. Topics include Western imperialism, nationalist movements, Asian affairs during World War II, communist regimes, economic modernization, and cultural trends.

HIST 193 HISTORY OF INDIA

Units: 3.00

UC:CSU 54.00 hours lecture

History of India's diverse populations, social practices, religions, government institutions, nationalist movements, art, and literature from antiquity to the present, including the Indus Civilization, Mughal Empire, tenets and socio-political implications of Hinduism, Buddhism, Islam, British colonialism, communal strife, and modern India.

HIST 210 HISTORY OF CALIFORNIA

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys California from its pre-Columbian past to the present. Emphasizes the economic, political, social, and natural history utilizing a cross-cultural emphasis.

HIST 212 HISTORY OF THE MIDDLE EAST

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys the Middle East, ancient civilizations in the Fertile Crescent leading up to the rise of Islam, including economic, political, ethnic, religious, and national differences.

HIST 240 LATIN AMERICAN CIVILIZATION

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys the geography, history, culture, economic, and political development of Latin America from the late pre-Columbian era to the present.

HIST 243 HISTORY OF MEXICO AND THE MEXICAN AND CHICANO PEOPLES

Units: 3.00

UC:CSU 54.00 hours lecture

Examines the history of Mexico and the Mexican/Chicano people from the late Pre-Cortesian era to the present, including Aztec and Maya societies, Mexican Independence Movement, Mexican Revolution, and the North American Free Trade Agreement.

HOTEL AND RESTAURANT MANAGEMENT

Associate in Science for Transfer Degree: Hospitality Management

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T in Hospitality Management. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for entry level employment in the hospitality management industry.

Program Requirements:

Units Required: 18-21

	Units
HRMGT-101 Introduction to the Hospitality Industry.....	3.0

Plus nine units from the following:

ECON-202 Microeconomics	3.0
-------------------------------	-----

OR

ECON-202H Microeconomics - Honors	3.0
---	-----

HRMGT-150 Introduction to Hotel/Resort Operations.....	3.0
--	-----

HRMGT-210 Hotel and Restaurant Law	3.0
--	-----

HRMGT-220 Restaurant Operations	3.0
---------------------------------------	-----

HRMGT-225 Food Service Sanitation and Safety	3.0
--	-----

Plus two courses from the following for six to nine units:

BUS-201 Principles of Accounting I	5.0
--	-----

BUS-211 Business Law	3.0
----------------------------	-----

HRMGT-102 Introduction to the Tourism Industry.....	3.0
---	-----

HRMGT-275 Hospitality Industry Accounting.....	3.0
--	-----

MATH-140 Introductory Statistics	4.0
--	-----

OR

MATH-140H Introductory Statistics – Honors.....	4.0
---	-----

Associate in Science Degree: Hotel and Restaurant Management

The Associate of Science degree program in Hotel and Restaurant Management provides a broad-based fundamental approach to the managerial functions in both the hotel and restaurant industry. The combined designation adds accounting requirements to either the restaurant or the hotel management program offerings.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in hotel and restaurant management.

Program Requirements:

Units Required: 18

	Units
HRMGT-101 Introduction to the Hospitality Industry.....	3.0

HRMGT-210 Hotel and Restaurant Law	3.0
--	-----

HRMGT-225 Food Service Sanitation and Safety 3.0	3.0
--	-----

HRMGT-245 Hotel and Restaurant Supervision and Guest Relations	3.0
--	-----

HRMGT-275 Hospitality Industry Accounting.....	3.0
--	-----

Plus three units from the following:

HRMGT-220 Restaurant Operations	3.0
---------------------------------------	-----

HRMGT-235 Hotel and Restaurant Sales and Marketing.....	3.0
---	-----

Associate in Science Degree: Hotel Management

The associate of science degree in Hotel Management focuses on developing the tools necessary to create a career in the hotel industry.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in hotel management.

Program Requirements:

Units Required: 18

	Units
HRMGT-101 Introduction to the Hospitality Industry.....	3.0

HRMGT-150 Introduction to Hotel/Resort Operations.....	3.0
--	-----

HRMGT-210 Hotel and Restaurant Law	3.0
--	-----

HRMGT-225 Food Service Sanitation and Safety	3.0
--	-----

HRMGT-245 Hotel and Restaurant Supervision and Guest Relations	3.0
--	-----

Plus three units from the following:

HRMGT-102 Introduction to the Tourism Industry	3.0
--	-----

HRMGT-235 Hotel and Restaurant Sales and Marketing.....	3.0
---	-----

Associate in Science Degree: Restaurant Management

The Associate in Science Degree with a designation prepares students for a career in the restaurant management industry.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in restaurant management.

Program Requirements:

Units Required: 18

	Units
HRMGT-101 Introduction to the Hospitality Industry.....	3.0

HRMGT 101 INTRODUCTION TO THE HOSPITALITY INDUSTRY

Units: 3.00

CSU 54.00 hours lecture

Introduces students to careers and trends in the hotel, restaurant, and tourism industries, including social and economic forces that influence various industry components.

HRMGT 102 INTRODUCTION TO THE TOURISM INDUSTRY

Units: 3.00

CSU 54.00 hours lecture

Examines operations, principles and trends in the emerging tourism industry, emphasizing the marketing and the competitive service strategies of major tourist attractions.

HRMGT 126 DINING ROOM SERVICE

Units: 2.00

CSU 18.00 hours lecture, 54.00 hours lab

Recommended Preparation: HRMGT-225

Designing quality food and beverage operations service systems. Evaluates and matches guest service needs to efficient and courteous food presentation techniques. A wide variety of table appointments and settings are evaluated in conjunction with presentation and design principles.

HRMGT 150 INTRODUCTION TO HOTEL/ RESORT OPERATIONS

Units: 3.00

CSU 54.00 hours lecture

C-ID HOSP 140

Introduces students to lodging operations with an emphasis on the accounting, management and performance standards of a lodging enterprise.

HRMGT 210 HOTEL AND RESTAURANT LAW

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: HRMGT-101

Provides fundamental legal principles and concepts requiring appropriate response and action by hospitality personnel, including proactive actions and programs to limit legal exposure.

HRMGT 220 RESTAURANT OPERATIONS

Units: 3.00

CSU 54.00 hours lecture

C-ID HOSP 130

Examines operations, management, policy, development and related aspects of a retail restaurant establishment.

HRMGT 225 FOOD SERVICE SANITATION AND SAFETY

Units: 3.00

CSU 54.00 hours lecture

Presents the concepts and related practices that assure a safe and sanitary food service facility, emphasizing the application of the HACCP (Hazard Analysis of Critical Control Point) system of prevention. Areas covered include the following: food handling and processing, foodborne illness and prevention, and accident and fire prevention.

HRMGT 235 HOTEL AND RESTAURANT SALES AND MARKETING

Units: 3.00

CSU 54.00 hours lecture

Examines the fundamentals of marketing plans used by hotels and restaurants, emphasizing advertising, promotions, merchandising and sales.

HRMGT 245 HOTEL AND RESTAURANT SUPERVISION AND GUEST RELATIONS

Units: 3.00

CSU 54.00 hours lecture

Provides a comprehensive analysis of the design and delivery of service industry products with emphasis on effective managerial oversight techniques. The performance and evaluation of operating systems are presented and then compared to the standards of leading industry performers.

HRMGT 275 HOSPITALITY INDUSTRY ACCOUNTING

Units: 3.00

CSU 54.00 hours lecture

Presents accounting for hotel and restaurant operations emphasizing revenue and expenses, payroll, inventory, food and beverage, and the tools necessary to create the financial reports to evaluate operations of hotels and restaurants.

HUMANITIES

Humanities studies the history and development of human thought and culture. By focusing on literature, history, philosophy, art and film, humanities courses seek a broad and interconnected understanding of the human experience.

HUMAN 100 INTRODUCTION TO STUDIES IN THE HUMANITIES

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: ENGL-091 or higher english placement

Introduces themes and methods of inquiry of the Humanities. Compares and contrasts ideas and cultural expressions of Western and Non-Western Civilizations, focusing on a selected theme chosen each term.

HUMAN 101 FORMS AND IDEAS IN HUMANITIES

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: ENGL-091 or higher english placement

Introduces the interdisciplinary analysis and interpretation of art, literature, and philosophical ideas. Examines the relationship between forms, ideas, and world civilizations.

HUMAN 115 CULTURAL ERAS IN HUMANITIES I: ANTIQUITY TO THE LATE 15TH CENTURY

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: ENGL-091 or higher english placement

Presents an interdisciplinary, multi-cultural study of major eras of humanistic development from the ancient world to the late fifteenth century through representative works of visual art, architecture, music, philosophy, religion, and oral and written literature. No credit for HUMAN-115 if taken after HUMAN-101, 105, or 106.

HUMAN 116 CULTURAL ERAS IN HUMANITIES II: LATE 15TH CENTURY TO THE PRESENT

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: ENGL-091 or higher english placement

Presents an interdisciplinary, multi-cultural study of eras of humanistic development from the late 15th century to the present through representative works of visual art, architecture, music, philosophy, religion, and oral and written literature. No credit for HUMAN-116 if taken after HUMAN-101, 105, or 106.

HUMAN 150 GREAT BOOKS, GREAT IDEAS

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: ENGL-091

Traces an idea in the humanities from antiquity and its influence on contemporary values and ideas through the reading of great works.

INTERIOR DESIGN

The Interior Design program's goals are to prepare graduates for employment in the current job market and/or for transfer to a four-year institution. An important objective of the program is to consistently offer professional level curriculum that provides graduates with the ability to perform successfully in a variety of occupations as industry demands change and economic conditions fluctuate. Additionally, the comprehensive curriculum for this degree follows CIDA (Council for Interior Design Accreditation) standards to meet the functional and aesthetic needs required by clients for interior environments. Students who complete this A.S. Degree will be eligible to sit for the CID examination upon graduation, an important step towards becoming a Certified Interior Designer.

Associate in Science Degree: Interior Design

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in interior design.

Program Requirements:

Units Required: 45

	Units

Certificate of Specialization: Interior Design - Set Decorator for TV and Film

This certificate is designed to prepare students for internships and employment opportunities as production assistants in TV and film. Upon completion of the certificate program, students will be able to pursue the following positions: Prop house worker, prop house consultant, set dresser, assistant set dresser, on-set dresser, lead of set decoration department, swing gang worker, and set decorator for small non-union productions. Students will obtain the following skills and knowledge: color application, identification of period history, the application of principles and elements of design, and the ability to obtain trade resources.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment as a set decorator for TV, film or theatre.

Program Requirements:

Units Required: 17

	Units
ID-101A	Introduction to Interior Design3.0
ID-102	Applied Color for Designers.....3.0
ID-105	Introduction to Production Design ...3.0

ID-114	Architecture and Interiors History: Antiquity - Classical Revival3.0
ID-115	Architecture and Interiors History: Classical Revival - Post Modern.....3.0

ID 084 DIGITAL ILLUSTRATION FOR ARCHITECTURE AND INTERIOR DESIGN

Units: 2.00

18.00 hours, lecture, 54.00 hours lab

Introduces graphic illustration software and fundamental 3D modeling techniques for architecture and interior design. Same as ARCHT-084.

ID 091 ART AND ACCESSORIES IN INTERIOR DESIGN

Units: 1.00
18.00 hours lecture

Covers the use and application of fine collectibles, art, serigraphs, lithographs, posters, framing methods, portable light fixtures, linens and tableware in interior design. Field trips may be required.

ID 092 MERCHANDISING FOR INTERIOR DESIGN

Units: 1.00
18.00 hours lecture

Surveys retail store operations, store policies, customer service, sales techniques, and strategies used by visual merchandisers to attract customers. Field trips may be included.

ID 093 HOME STAGING AND APPLICATIONS

Units: 1.50
18.00 hours lecture, 27.00 hours lab

Introduces home staging for marketability, including home staging applications. Field trips may be required. Students who have earned credit for ID 094 & 095 cannot receive credit for this course. Offered pass/no-pass only.

ID 096L INTERIOR DESIGN LAB

Units: 1.00
54.00 hours lab

A lab for the currently-enrolled student who wishes to increase skills through the use of the CAD lab facility. Note: Students must attend faculty supervised weekly scheduled class time posted in printed schedule. Hours must be accrued at a time separate from any other class in which the student is also registered. This course is not a required course for any certificate or degree in the interior design program. Offered pass/no-pass only. Units do not apply to the associate degree.

ID 100 CAREERS IN ARCHITECTURE, INTERIOR DESIGN AND RELATED FIELDS

Units: 1.00
CSU 18.00 hours lecture

Surveys careers in architecture, interior design and related fields, including degree requirements, transfer institutions, income, and employment opportunities. Field trips may be required. (Same as ARCHT-100).

ID 101A INTRODUCTION TO INTERIOR DESIGN

Units: 3.00
CSU 54.00 hours lecture

Introduces the principles and elements of interior design based on function and aesthetics. Field trips may be required.

ID 101B INTRODUCTION TO INTERIOR DESIGN LAB

Units: 1.00
CSU 54.00 hours lab

Co-requisite: ID-101A

Lab component applying content from ID-101A.

ID 102 APPLIED COLOR FOR DESIGNERS

Units: 3.00
CSU 36.00 hours lecture, 54.00 hours lab

Focuses on color concepts through two- and three-dimensional design problems, theory and application of color in design and/or digital illustration. Concentrates on color systems and psychology, and appropriate color choices for various projects. Field trips may be required.

ID 104 RAPID VISUALIZATION AND PERSPECTIVE ILLUSTRATION

Units: 3.00
CSU 36.00 hours lecture, 54.00 hours lab

Introduces traditional and digital freehand drawing and illustration techniques necessary for 2D/3D communication and presentations, including rapid visualization sketching and one-point/two-point perspective techniques.

ID 105 INTRODUCTION TO PRODUCTION DESIGN

Units: 3.00
CSU 54.00 hours lecture

Examines the process of production design in TV, film, and theatre, including the design process of various production team members. Educational and professional qualifications for entry into the industry are reviewed. Field trips may be required.

ID 106 TRADE RESOURCES FOR TV, FILM, AND THEATRE

Units: 2.00
CSU 18.00 hours lecture, 54.00 hours lab

Explores trade resources for set decorators working in TV, film and theatre.

ID 110 ARCHITECTURAL DRAFTING

Units: 3.00
CSU 36.00 hours lecture, 54.00 hours lab

Presents current practices in architectural drafting and construction technology focusing on a small single family residence. Drafting techniques will emphasize clarity, line weight expression and accuracy. Same as ARCHT-110.

ID 111 KITCHEN AND BATH DESIGN

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: ARCHT-110 or ID-110

Presents the analysis and application of the design process to space planning, materials and finish choices, codes application, and selection of specialized equipment unique to the planning of kitchens and baths. Field trips may be required.

ID 113 INTERIOR DESIGN MATERIALS AND SPECIFICATIONS

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: ID-101A & ID-101B

Introduces the selection, specifications, and computations for interior design materials, products and textiles for residential and commercial design. Field trips may be required.

ID 114 ARCHITECTURE AND INTERIORS HISTORY: ANTIQUITY - CLASSICAL REVIVAL

Units: 3.00

CSU 54.00 hours lecture

Explores the history of building styles in architecture, and the decorative arts in interior design from Antiquity to Classical Revival. Emphasis is placed on style development as it relates to social, economic, and political influences. Field trips may be required.

ID 115 ARCHITECTURE AND INTERIORS HISTORY: CLASSICAL REVIVAL - POST MODERN

Units: 3.00

CSU 54.00 hours lecture

Traces the development of styles in the decorative arts, architecture, and interior furnishings in the period from Classical Revival to Post Modern. Emphasizes style development as it relates to social, economic and political influences. Field trips may be required.

ID 117 LIGHTING DESIGN

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: ARCHT-110 or ID-110

Presents lighting design principles, applications, visual perception, properties of light color, luminaires types, and calculations. Includes energy efficient lighting practices and applicable codes and regulations, as well as written and graphic design documents. Field trips may be required.

ID 190 DESIGN II – SPACE PLANNING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: ID-110 or ARCHT-110*Recommended Preparation:* ARCHT-120 and ID-101B

Interpret required sheets, content, and order for a small set of working drawings for a single story wood frame residence. Same as ARCHT-190.

ID 207 RESIDENTIAL DESIGN

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisites: ID-101A and ID-101B and ID-110

Addresses residential space planning, programming, and support spaces explored through creative expression. Includes critiques and design presentations.

ID 211 ADVANCED KITCHEN AND BATH DESIGN

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: ID-111*Recommended Preparation:* ARCHT-160, ID-113, ID-117

Introduces industry standard software to design, render and price quotes as well as ordering materials, appliances and millwork for the kitchen and bath design industry. Field trips may be required.

ID 217 ADVANCED RESIDENTIAL INTERIOR DESIGN STUDIO

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisites: ARCHT-084 or ID-084, ID-101A, ID-101B, and ID-110.*Recommended Preparation:* ID-104, ID-113, ID-114, ID-115, ID-207.

Solves residential interior design problems by focusing on the process of creating design solutions for diverse clients and diverse budgets. Portfolio pieces will be produced. Field trips may be included.

ID 219 INTERIOR DESIGN PORTFOLIO

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended Preparation: ID-084

Presents the process of preparing a professional interior design portfolio including an appropriate selection of work, concept improvement and methods of presentation.

ID 295 PROFESSIONAL PRACTICES FOR INTERIOR DESIGN

Units: 3.00

CSU 54.00 hours lecture

Presents basic principles, procedures, and office systems necessary to professionally organize and carry through a creative interior design project from the original client contract to final billing and collecting. Field trips may be required.

KINESIOLOGY – PHYSICAL EDUCATION

The Physical Education-Kinesiology program offers a diverse curriculum which includes theory courses in Physical Education-Kinesiology, health education, and athletic training/sports medicine. A wide variety of movement courses are offered for the development of physical activity skills, knowledge, and fitness necessary for lifetime wellness in the areas of group exercise, aquatics, team sports, and recreation.

Associate in Arts Degree: Kinesiology for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer” - a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Kinesiology. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core academic skills and knowledge required for transfer into a kinesiology program at a four-year college or university.

Program Requirements:

Units Required: 21-24

	Units
KPET-200 Introduction to Kinesiology	3.0
<i>Plus eight units from the following:</i>	
BIOSCI-201 Introduction to Human Anatomy	4.0
AND	
BIOSCI-202 Introduction to Human Physiology ...	4.0
OR	
BIOSCI-204 Human Anatomy and Physiology I ...	4.0
AND	
BIOSCI-205 Human Anatomy and Physiology II	4.0
<i>Plus a maximum of one course from any three of the following areas for a minimum of three units:</i>	

Aquatics

KPEA-180A Beginning Swimming	1.0
KPEA-180B Intermediate Swimming	1.0
KPEA-180C Advanced Swimming	1.0

Fitness

DANCE-107 Dance Conditioning	1.0
DANCE-108 Pilates	2.0
DANCE-180 Introduction to Yoga	1.0
KPEA-101A Beginning Weight Training	1.0
KPEA-101B Advanced Weight Training	1.0
KPEA-102 Running for Fitness	1.0
KPEA-103 Cardio-Cross Training	1.0
KPEA-105 Step Aerobics	1.0
KPEA-125 Walking for Fitness	1.0
KPET-201 Principles of Physical Fitness and Conditioning	3.0

Individual Sports

KPEA-165A Beginning Golf	1.0
KPEA-165B Intermediate Golf	1.0
KPEA-165C Advanced Golf	1.0
KPEA-185A Beginning Tennis	1.0
KPEA-185B Intermediate Tennis	1.0
KPEA-185C Advanced Tennis	1.0

Team Sports

KPEA-145A Beginning Baseball	1.0
KPEA-145B Intermediate Baseball	1.0
KPEA-150A Beginning Basketball	1.0

KPEA-150B	Intermediate Basketball.....	1.0
KPEA-160A	Beginning Football.....	1.0
KPEA-160B	Intermediate Football.....	1.0
KPEA-170A	Beginning Soccer.....	1.0
KPEA-170B	Intermediate Soccer.....	1.0
KPEA-175B	Intermediate Softball.....	1.0
KPEA-175A	Beginning Softball.....	1.0
KPEA-175B	Intermediate Softball.....	2.0
KPEA-195A	Beginning Volleyball.....	1.0
KPEA-195B	Intermediate Volleyball.....	1.0
KPEA-195C	Advanced Volleyball.....	1.0

Plus two courses from the following for seven to ten units:

Biology

BIOSCI-100	General Biology.....	4.0
	<i>OR</i>	
BIOSCI-100H	General Biology – Honors.....	4.0

Chemistry

CHEM-201	General Chemistry I.....	6.0
	<i>OR</i>	
CHEM-201H	General Chemistry I – Honors.....	6.0

Physics

PHYSIC-110	General Physics I.....	4.0
	<i>OR</i>	
PHYSIC-220	Physics for Scientists and Engineers: Mechanics of Solids and Fluids.....	4.0

Statistics

MATH-140	Introductory Statistics.....	4.0
	<i>OR</i>	
MATH-140H	Introductory Statistics – Honors.....	4.0
	<i>OR</i>	
SOCI-137	Statistics for the Social Sciences.....	4.0
	<i>OR</i>	
PSYCH-104	Statistics for the Behavioral Sciences.....	4.0

Associate in Arts Degree: Physical Education-Kinesiology

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core academic skills and knowledge required for transfer to a kinesiology program at a four-year college or university.

Program Requirements:

Units Required: 23

		Units
KPET-200	Introduction to Kinesiology.....	3.0
KPET-201	Principles of Physical Fitness and Conditioning.....	3.0
KPET-210	Prevention and Care of Athletic Injuries.....	3.0

KPEA-185B	Intermediate Tennis.....	1.0

KPEA-185C	Advanced Tennis	1.0
KPEA-195A	Beginning Volleyball	1.0
KPEA-195B	Intermediate Volleyball	1.0
KPEA-195C	Advanced Volleyball	1.0

Recommended electives:

KPET-120	Emergency Procedures	2.0
----------	----------------------	-----

Associate in Science Degree: Sports Medicine

The Sports Medicine program/degree prepares the student for appropriate procedures in the recognition, prevention, care and rehabilitation of athletic related injuries. This program is designed to prepare students to transfer into university degree programs in related fields including but not limited to athletic training, physical therapy, and orthopedics.

Degree Student Learning Outcome:

Demonstrate the necessary skills and knowledge required for prevention, evaluation, diagnosis, immediate care and rehabilitation of athletic injuries.

Program Requirements:

Units Required: 32

	Units	
HLHSCI-100	Health Education	3.0
HLHSCI-150	Nutrition	3.0
KPET-120	Emergency Procedures	2.0
KPET-201	Principles of Physical Fitness and Conditioning	3.0
KPET-210	Prevention and Care of Athletic Injuries	3.0
KPET-210L	Prevention and Care of Athletic Injuries Lab	1.0
KPET-212	Sports Medicine Clinical Experience	3.0

Plus four units from the following:

KPET-213A	Practicum in Sports Medicine – Lower Extremity	2.0
KPET-213B	Practicum in Sports Medicine – Upper Extremity	2.0
KPET-213C	Practicum in Sports Medicine – General Medical Conditions	2.0

Plus eight units from the following:

BIOSCI-201	Introduction to Human Anatomy ..	4.0
------------	----------------------------------	-----

AND

BIOSCI-202	Introduction to Human Physiology	4.0
------------	--	-----

OR

BIOSCI-204	Human Anatomy and Physiology I	4.0
------------	--------------------------------------	-----

AND

BIOSCI-205	Human Anatomy and Physiology II	4.0
------------	---------------------------------------	-----

Plus two units from the following:

KPEA-100A	Beginning Physical Fitness Lab...	1.0
KPEA-100B	Advanced Physical Fitness Lab...	1.0
KPEA-101A	Beginning Weight Training.....	1.0
KPEA-101B	Advanced Weight Training.....	1.0
KPEA-102	Running for Fitness	1.0
KPEA-103	Cardio Cross-Training	1.0
KPEA-105	Step Aerobics	1.0
KPEA-106	Bowling	1.0
KPEA-107	Stretching for Flexibility and Relaxation.....	1.0
KPEA-125	Walking for Fitness	1.0
KPEA-145A	Beginning Baseball.....	1.0
KPEA-145B	Intermediate Baseball.....	1.0
KPEA-150A	Beginning Basketball	1.0
KPEA-150B	Intermediate Basketball	1.0
KPEA-150C	Advanced Basketball	1.0
KPEA-160A	Beginning Football.....	1.0
KPEA-160B	Intermediate Football.....	1.0
KPEA-165A	Beginning Golf.....	1.0
KPEA-165B	Intermediate Golf	1.0
KPEA-165C	Advanced Golf	1.0
KPEA-170A	Beginning Soccer	1.0
KPEA-170B	Intermediate Soccer	1.0
KPEA-175A	Beginning Softball.....	1.0
KPEA-175B	Intermediate Softball.....	1.0
KPEA-180A	Beginning Swimming	1.0
KPEA-180B	Intermediate Swimming	1.0
KPEA-180C	Advanced Swimming	1.0
KPEA-185A	Beginning Tennis	1.0
KPEA-185B	Intermediate Tennis	1.0
KPEA-185C	Advanced Tennis	1.0
KPEA-195A	Beginning Volleyball	1.0
KPEA-195B	Intermediate Volleyball	1.0
KPEA-195C	Advanced Volleyball	1.0

Certificate of Specialization: Personal Training

This certificate will help prepare those who are interested in entering the private training industry. This set of courses will assure that students will have a solid background in Kinesiology, resistance training program design, exercise techniques, and an array of conditioning techniques.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment as a personal trainer.

Program Requirements:

Units Required: 10

	Units
KPEA-101B	Advanced Weight Training..... 1.0
KPET-200	Introduction to Kinesiology3.0
KPET-201	Principles of Physical Fitness and Conditioning.....3.0
KPET-205	Personal Trainer Certification Preparation.....2.0
<i>Plus one unit from the following:</i>	
KPEA-103	Cardio Cross-Training 1.0
<i>Recommended electives:</i>	
HLHSCI-150	Nutrition3.0
BIOSCI-201	Introduction to Human Anatomy4.0
BIOSCI-202	Introduction to Human Physiology...4.0
BIOSCI-204	Human Anatomy and Physiology I...4.0
BIOSCI-205	Human Anatomy and Physiology II..4.0

Certificate of Specialization: Therapeutic Procedures

This certificate of specialization in therapeutic procedures will train the student in the use of therapeutic interventions used in Physical Therapy, Athletic Training, and Chiropractic Fields. Through the courses required for this certificate a student will learn about basic body movement, common orthopedic injuries and the healing process, and clinically relevant skills like the application of ultrasound, electrical stimulation, cold, heat, taping, rehabilitation charting, clinical professionalism, and exercise instruction under credentialed supervision. Upon completion of the courses required for the therapeutic procedures certificate, the student will be able to demonstrate to possible employers their competency of prerequisites commonly found in aide positions in PT and Chiropractic clinics increasing the strength of their resumes as compared to applicants without the certificate.

Certificate Student Learning Outcome:

Students will be able to demonstrate skills and proficiency in therapeutic procedures necessary to safely and effectively administer therapeutic modalities and exercises to patients.

Program Requirements:

Units Required: 10

	Units
KPET-200	Introduction to Kinesiology3.0
KPET-210	Prevention and Care of Athletic Injuries.....3.0
KPET-210L	Prevention and Care of Athletic Injuries Lab..... 1.0
KPET-212	Sports Medicine Clinical Experience.....3.0

KINESIOLOGY - ACTIVITY (KPEA)

KPEA 100A BEGINNING PHYSICAL FITNESS LAB

Units: 1.00

UC:CSU 54.00 hours lab

Introduces beginning physical fitness principles and applications to develop and encourage positive habits in a personalized exercise program. Offered pass/no pass only.

KPEA 100B ADVANCED PHYSICAL FITNESS LAB

Units: 1.00

UC:CSU 54.00 hours lab

Recommended preparation: KPEA-100A

Presents advanced techniques in a laboratory physical fitness course designed to develop and encourage lifelong positive attitudes and habits in a personalized exercise program. Offered pass/no pass only.

KPEA 101A BEGINNING WEIGHT TRAINING

Units: 1.00

UC:CSU 54.00 hours lab

Presents beginning level instruction in weight training, emphasizing lifting and training techniques.

KPEA 101B ADVANCED WEIGHT TRAINING

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: KPEA-101A, KPEI-153 or equivalent physical preparation.

Advanced methods of physical conditioning and fitness program design, including principles of explosive training like Olympic lifts, plyometrics, balance training, speed development and functional flexibility training.

KPEA 102 RUNNING FOR FITNESS

Units: 1.00

UC:CSU 54.00 hours lab

Presents the theories and techniques associated with running to develop aerobic fitness. Strength and flexibility training for improved running performance will be discussed.

KPEA 103 CARDIO CROSS-TRAINING

Units: 1.00

UC:CSU 54.00 hours lab

Focuses on improvement of cardiovascular and muscular fitness. Various training methods such as step aerobics, kick boxing, plyometrics, muscle sculpting, and core training are included. Proper form, exercise technique, and safety will be addressed for all training modes. Basic anatomy and physiology of human conditioning will also be discussed.

KPEA 105 BEGINNING STEP AEROBICS

Units: 1.00

UC:CSU 54.00 hours lab

Provides group cardiovascular conditioning utilizing a step platform.

KPEA 106 BOWLING

Units: 1.00

UC:CSU 54.00 hours lab

Introduces the fundamental techniques of bowling, including scoring, rules, strategy, competitive formats and etiquette.

KPEA 107 STRETCHING FOR FLEXIBILITY AND RELAXATION

Units: 1.00

UC:CSU 54.00 hours lab

Introduces stretching exercises that enhance flexibility, reduce muscle tension, and promote relaxation; styles may include yoga, pilates and others.

KPEA 125 WALKING FOR FITNESS

Units: 1.00

UC:CSU 54.00 hours lab

Focuses on improving cardio-respiratory endurance through a safe and effective beginning walking exercise program.

KPEA 145A BEGINNING BASEBALL

Units: 1.00

UC:CSU 54.00 hours lab

Introduces the fundamentals of baseball, including the skills and mechanics of throwing, hitting, and catching, as well as overall gamesmanship.

KPEA 145B INTERMEDIATE BASEBALL

Units: 1.00

UC:CSU 54.00 hours lab

Designed to enable students to become proficient in the intermediate skills of baseball, emphasizing play and strategy.

KPEA 150A BEGINNING BASKETBALL

Units: 1.00

UC:CSU 54.00 hours lab

Introduces the basic fundamentals of basketball.

KPEA 150B INTERMEDIATE BASKETBALL

Units: 1.00

UC:CSU 54.00 hours lab

Recommended preparation: KPEA-150A

KPEA 150C ADVANCED BASKETBALL

Units: 1.00

UC:CSU 54.00 hours lab

Recommended preparation: KPEA-150B

Presents the advanced skills of basketball.

KPEA 160A BEGINNING FOOTBALL

Units: 1.00

UC:CSU 54.00 hours lab

Introduces the techniques of the sport of football, emphasizing recreational play, skills, and game strategy.

KPEA 160B INTERMEDIATE FOOTBALL

Units: 1.00

UC:CSU 54.00 hours lab

Develops intermediate level football skills, emphasizing competitive play and specific game-situation strategies.

KPEA 165A BEGINNING GOLF

Units: 1.00

UC:CSU 54.00 hours lab

Introduces the fundamentals of golf including stance, grip, swing, putting, rules of golf, and overall gamesmanship.

KPEA 165B INTERMEDIATE GOLF

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: KPEA-165A

Develops intermediate golf skills emphasizing the techniques and tactics for long irons and woods.

KPEA 165C ADVANCED GOLF

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: KPEA-165B

Develops advanced skills including course management, match and stroke play strategies, and club selection.

KPEA 170A BEGINNING SOCCER

Units: 1.00

UC:CSU 54.00 hours lab

Introduces the techniques of the sport of soccer for the beginning level player, emphasizing recreation play, strategy and rules.

KPEA 170B INTERMEDIATE SOCCER

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: KPEA-170A

Develops intermediate-level soccer skills, emphasizing intermediate play, strategy and rules.

KPEA 175A BEGINNING SOFTBALL

Units: 1.00

UC:CSU 54.00 hours lab

Introduces the fundamentals of softball, including the rules and mechanics of throwing, hitting, and catching, and overall gamesmanship.

KPEA 175B INTERMEDIATE SOFTBALL

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: KPEA-175A

Develops the intermediate skills of softball with emphasis on play and strategy. Progressive instruction includes hitting, fielding, throwing and catching, including weight training and conditioning.

KPEA 180A BEGINNING SWIMMING

Units: 1.00

UC:CSU 54.00 hours lab

Introduces beginning swimming skills, emphasizing water safety.

KPEA 180B INTERMEDIATE SWIMMING

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: KPEA-180A

Develops intermediate swim skills, emphasizing the four competitive swim strokes. Speed and endurance will be emphasized in a training environment.

KPEA 180C ADVANCED SWIMMING

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: KPEA-180B

Develops advanced swim skills emphasizing four competitive swim strokes, as well as advanced speed and endurance training.

KPEA 185A BEGINNING TENNIS

Units: 1.00

UC:CSU 54.00 hours lab

Introduces rules, methods, and techniques for the beginning tennis player.

KPEA 185B INTERMEDIATE TENNIS

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: KPEA-185A

Develops intermediate tennis skills emphasizing play and strategy.

KPEA 185C ADVANCED TENNIS

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: KPEA-185B

Presents advanced tennis skills with highly competitive game playing, including attacking ground strokes, quick volleys, offensive overheads, serves, service returns and power ground strokes.

KPEA 195A BEGINNING VOLLEYBALL

Units: 1.00

UC:CSU 54.00 hours lab

Introduces the fundamentals of volleyball including rules, overall gamesmanship, and the primary skills: serving, passing, setting, hitting, blocking and digging.

KPEA 195B INTERMEDIATE VOLLEYBALL

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: KPEA-195A

Introduces intermediate volleyball skills and strategies, including jump-serving, the quick attack, 6-2 and 5-1 offensive systems, and rotational defense.

KPEA 195C ADVANCED VOLLEYBALL

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: KPEA-195B

Further develops the development of volleyball skills and strategies at an advanced/competitive level.

KINESIOLOGY - INTERCOLLEGIATE (KPEI)

KPEI 153 OFF-SEASON CONDITIONING FOR INTERCOLLEGIATE SPORTS

Units: 1.00-2.00

UC:CSU 54.00-108.00 hours lab

May be taken four times for credit

Specific physical fitness related to off-season intercollegiate athletic participation. An understanding of and participation in advanced exercise programs contributing to the advancement of athletic performance. Emphasis is placed on individual and group activities that contribute to specific sport advancement.

KPEI 245A INTERCOLLEGIATE BASEBALL

Units: 3.00

UC:CSU 162.00 hours lab

May be taken four times for credit

Intercollegiate competition in the sport of baseball. Students must meet California Community College eligibility requirements as established by the California Community College Athletic Association.

KPEI 245B OFF-SEASON BASEBALL TRAINING

Units: 2.00

UC:CSU 108.00 hours lab

May be taken four times for credit

Provides off-season training in the sport of baseball. Appropriate for members of the intercollegiate baseball team and individuals interested in baseball training at an advanced level.

KPEI 250A INTERCOLLEGIATE BASKETBALL I

Units: 1.50

UC:CSU 81.00 hours lab

May be taken four times for credit

Fall intercollegiate competition in the sport of basketball. Students must meet California Community College eligibility requirements as established by the California Community College Athletic Association.

KPEI 250B INTERCOLLEGIATE BASKETBALL II

Units: 1.50

UC:CSU 81.00 hours lab

May be taken three times for credit

Spring intercollegiate competition in the sport of basketball. Students must meet California Community College eligibility requirements as established by the California Community College Athletic Association.

KPEI 255A INTERCOLLEGIATE CROSS-COUNTRY

Units: 3.00

UC:CSU 162.00 hours lab

May be taken four times for credit

Intercollegiate competition in the sport of cross country. Students must meet California Community College eligibility requirements as established by the California Community College Athletic Association.

KPEI 255B OFF-SEASON CROSS-COUNTRY TRAINING

Units: 2.00

UC:CSU 108.00 hours lab

May be taken four times for credit

Provides off-season training in the sport of cross-country. Appropriate for members of the intercollegiate cross-country team and individuals interested in cross-country training at a competitive level.

KPEI 260A INTERCOLLEGIATE FOOTBALL

Units: 3.00

UC:CSU 162.00 hours lab

May be taken four times for credit

Intercollegiate competition in the sport of football. Students must meet California Community College eligibility requirements as established by the California Community College Athletic Association.

KPEI 260B OFF-SEASON FOOTBALL TRAINING

Units: 2.00

UC:CSU 108.00 hours lab

May be taken four times for credit

Provides off-season training in the sport of football. Appropriate for members of the intercollegiate football team and individuals interested in football training at an advanced level.

KPEI 265 INTERCOLLEGIATE GOLF

Units: 2.00

UC:CSU 108.00 hours lab

May be taken four times for credit

Intercollegiate competition in the sport of golf. Students must meet California Community College eligibility requirements as established by the California Community College Athletic Association.

KPEI 270A INTERCOLLEGIATE SOCCER

Units: 3.00

UC:CSU 162.00 hours lab

May be taken four times for credit

Intercollegiate competition in the sport of soccer. Students must meet California Community College eligibility requirements as established by the California Community College Athletic Association.

KPEI 270B OFF-SEASON SOCCER TRAINING

Units: 2.00

UC:CSU 108.00 hours lab

May be taken four times for credit

Provides off-season training in the sport of soccer. Appropriate for members of the intercollegiate soccer team and individuals interested in soccer training at an advanced competitive level.

KPEI 275A INTERCOLLEGIATE SOFTBALL

Units: 3.00

UC:CSU 162.00 hours lab

May be taken four times for credit

Intercollegiate competition in the sport of softball. Students must meet California Community College eligibility requirements as established by the California Community College Athletic Association.

KPEI 275B OFF-SEASON SOFTBALL TRAINING

Units: 2.00

UC:CSU 108.00 hours lab

May be taken four times for credit

Provides off-season training in the sport of softball. Appropriate for members of the intercollegiate softball team and individuals interested in softball training at an advanced level.

KPEI 280A INTERCOLLEGIATE SWIMMING

Units: 3.00

UC:CSU 162.00 hours lab

May be taken four times for credit

Intercollegiate competition in the sport of swimming. Students must meet California Community College eligibility requirements as established by the California Community College Athletic Association.

KPEI 280B OFF-SEASON SWIMMING TRAINING

Units: 2.00

UC:CSU 108.00 hours lab

May be taken four times for credit

Provides off-season training in the sport of swimming. Appropriate for members of the intercollegiate swim team and individuals interested in swim training at an advanced level.

KPEI 285A INTERCOLLEGIATE TENNIS

Units: 3.00

UC:CSU 162.00 hours lab

May be taken four times for credit

Intercollegiate competition in the sport of tennis. Students must meet California Community College eligibility requirements as established by the California Community College Athletic Association.

KPEI 285B OFF-SEASON TENNIS TRAINING

Units: 2.00

UC:CSU 108.00 hours lab

May be taken four times for credit

Provides off-season training in the sport of tennis. Appropriate for members of the intercollegiate tennis team and individuals interested in tennis training at an advanced level.

KPEI 290A INTERCOLLEGIATE TRACK AND FIELD

Units: 3.00

UC:CSU 162.00 hours lab

May be taken four times for credit

Intercollegiate competition in the sport of track and field. Students must meet California Community College eligibility requirements as established by the California Community College Athletic Association.

KPEI 290B OFF-SEASON TRACK AND FIELD TRAINING

Units: 2.00

UC:CSU 108.00 hours lab

May be taken four times for credit

Provides off-season training in the sport of track and field. Appropriate for members of the intercollegiate track and field team and individuals interested in track and field training at an advanced level.

KPEI 295A INTERCOLLEGIATE VOLLEYBALL

Units: 3.00

UC:CSU 162.00 hours lab

May be taken four times for credit

Intercollegiate competition in the sport of volleyball. Students must meet California Community College eligibility requirements as established by the California Community College Athletic Association.

KPEI 295B OFF-SEASON VOLLEYBALL TRAINING

Units: 2.00

UC:CSU 108.00 hours lab

May be taken four times for credit

Provides off-season training in the sport of volleyball. Appropriate for members of the intercollegiate volleyball team and individuals interested in volleyball training at an advanced level.

KINESIOLOGY - THEORY (KPET)**KPET 104 THEORY AND ANALYSIS OF FOOTBALL**

Units: 3.00

UC:CSU 54.00 hours lecture

Presents advanced football fundamentals, including the theory and philosophy of offensive and defensive strategy, principles of the kicking game and special teams, and coaching organization and implementation. Does not meet the physical education activity requirement for the associate degree.

KPET 107 THEORY AND ANALYSIS OF BASKETBALL

Units: 3.00

UC:CSU 54.00 hours lecture

Presents the history, rules, styles, game strategy, and current developments of basketball while preparing teams for games and practices. Does not meet PE activity requirement. UC credit limitations, consult a counselor.

KPET 108 THEORY AND ANALYSIS OF SOCCER

Units: 3.00

UC:CSU 54.00 hours lecture

Examines the history, rules, styles, game strategy, current developments, preparations of teams for games and weekly practice schedules, of soccer. Does not meet PE activity requirement. UC credit limitations, consult a counselor.

KPET 120 EMERGENCY PROCEDURES

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Introduces procedures to maintain health in emergency first aid situations. Successful course completion qualifies a student for the American Red Cross Community First Aid and Safety, CPR for the Professional Rescuer and Automated External Defibrillation cards. Does not meet the Physical Education requirement for the Associate Degree.

KPET 200 INTRODUCTION TO KINESIOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID KIN 100

C-ID KIN 100

Examines the field of kinesiology as a profession and an academic discipline including: exercise physiology, sports nutrition, biomechanics, motor behavior, sports medicine, coaching, and sport psychology. (This course does not satisfy the physical education activity requirement for the associate degree. UC credit limitation: KPET-200 and KPET-201 combined, maximum credit one course.

KPET 201 PRINCIPLES OF PHYSICAL FITNESS AND CONDITIONING

Units: 3.00

UC:CSU 54.00 hours lecture

Fitness and conditioning concepts and their relationship to the human body. Focus is on physiological principles and the conditioning process. This course does not satisfy the physical education activity requirement for the associate degree. UC credit limitation: KPET-200 and 201 combined, maximum credit one course.

KPET 205 PERSONAL TRAINER CERTIFICATION PREPARATION

Units: 2.00

CSU 36.00 hours lecture

Prepares students to take the CPT, Certified Personal Trainer exam through the National Strength and Conditioning Association (NSCA). Covers methods of client assessment, measurement, and evaluation. Highlights include resistance training program design, nutrition, body composition, and cardio-respiratory fitness. Instruction in proper weight training exercise fundamentals and spotting techniques. Does not meet the Physical Education requirement for the Associate Degree.

KPET 209 AMERICAN SPORTS IN FILM

Units: 3.00

CSU 54.00 hours lecture

Examines American sports history, the portrayal of sport, and the contributions made by members representing various gender, ethnic and socio-economic backgrounds as depicted through sports related films.

KPET 210 PREVENTION AND CARE OF ATHLETIC INJURIES

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces the field of athletic training, including the role of the athletic trainer in relation to the physician, coach and athlete, emphasizing the prevention, recognition, and treatment of common sports injuries. Does not meet the Physical Education activity requirement for the associate degree.

KPET 210L PREVENTION AND CARE OF ATHLETIC INJURIES LAB

Units: 1.00

UC:CSU 54.00 hours lab

Covers the principles and techniques for application of protective taping, padding, wrapping and bracing, emphasizing the prevention of sport and exercise injuries. Does not meet the Physical Education activity requirement for the associate degree.

KPET 212 SPORTS MEDICINE CLINICAL EXPERIENCE

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended Preparation: KPET-120 & KPET-210L

Provides instruction and clinical experience for students interested in sports-related injury care and rehabilitation. Includes injury assessment and diagnosis, therapeutic modality usage and selection, and rehabilitation of sports injuries. Does not meet the physical education activity requirement for the associate degree.

KPET 213A PRACTICUM IN SPORTS MEDICINE – LOWER EXTREMITY

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

*Prerequisite: KPET-210, KPET-210L & KPET-212.**Recommended Preparation: KPET-120*

Focuses on practical experience in sports medicine, emphasizing lower extremity athletic injuries. Includes immediate recognition, diagnosis, treatment, rehabilitation and taping technique to enable athletes to return safely to competition. Does not meet the physical education activity requirement for the associate degree.

KPET 213B PRACTICUM IN SPORTS MEDICINE – UPPER EXTREMITY

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

*Prerequisite: KPET-210, KPET-210L & KPET-212.**Recommended Preparation: KPET-120*

Focuses on practical experience in sports medicine, emphasizing upper extremity athletic injuries. Includes immediate recognition, diagnosis, treatment, rehabilitation and taping technique to enable athletes to return safely to competition. Does not meet the physical education activity requirement for the associate degree.

**KPET 213C PRACTICUM IN SPORTS
MEDICINE – GENERAL MEDICAL
CONDITIONS**

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Prerequisite: KPET-210, KPET-210L & KPET-212.

Recommended Preparation: KPET-120

Focuses on a practical experience in sports medicine with a specific focus on traumatic injuries and general medical conditions as they pertain to the athletic population. Includes immediate recognition, diagnosis and treatment of traumatic injuries and general medical conditions to enable athletes to safely compete. Does not meet the physical education activity requirement for the associate degree.

KPET 217 SPORTS MANAGEMENT

Units: 3.00

CSU 54.00 hours lecture

Introduces organization, management, planning, staffing, directing, and controlling a sports program, including such areas as budget, facilities, scheduling, officials, transportation, public relations, parent and booster clubs, purchase and care of athletic equipment, fundraising and marketing.

LAND SURVEYING

**Associate in Science and Certificate of
Achievement Degree: Land Surveying**

The focus of the Land Surveying program is to provide the student with a thorough background in land surveying and mapping, in addition to an introduction to the collecting, manipulating, formatting and mapping of geospatial data. A student who successfully completes the program will have the technical expertise necessary for an entry level position in the field of Land Surveying or related fields of geographic information systems specialists, architectural services, and engineering services. Land Surveyors typically measure and record property boundaries and the topography of the land covered by construction and engineering projects. Surveys are used to establish legal boundaries to prepare maps and exhibits, and write descriptions of land tracts that satisfy legal requirements. The program also assists students in preparing for the State Land Surveyor In Training and Land Surveyor's Exams.

Degree and Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in land surveying.

Program Requirements:

Units Required: 33

		Units
SURV-101	Introduction to Land Surveying.....	4.0
SURV-102	Advanced Land Surveying.....	4.0
SURV-103	Advanced Applications in Surveying I.....	3.0
SURV-104	Advanced Applications in Surveying II.....	3.0
SURV-105	Boundary Control and Legal Principles I.....	3.0
SURV-106	Boundary Control and Legal Principles II.....	3.0
SURV-107	Construction Surveying	4.0
SURV-110	Computer Aided Drafting for Surveyors	3.0
GIS-101	Introduction to Geographic Information Systems.....	3.0
MATH-102	Trigonometry	3.0

SURV 101 INTRODUCTION TO LAND SURVEYING

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Recommended Preparation: MATH-070 & MATH-083 or higher math placement

Presents the fundamentals of land surveying, field practice, and calculations. Includes equipment and equipment use, horizontal, vertical, angular measurements; error, traversing, leveling and stadia. Also covers the history of and careers in surveying.

SURV 102 ADVANCED LAND SURVEYING

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Prerequisite: SURV-101 Recommended Preparation: MATH-102

Presents advanced concepts in land surveying, field practice, and calculations. Includes equipment and equipment use, horizontal and vertical curves, construction staking, earthwork, stadia, topography, public lands, and state plane coordinates.

SURV 103 ADVANCED APPLICATIONS IN SURVEYING I

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: SURV-102 Recommended Preparation: MATH-102

Focuses on measurement analysis and adjustments, geodesy, various mapping elements, state plane coordinates and the use of GPS for land surveying applications.

SURV 104 ADVANCED APPLICATIONS IN SURVEYING II

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: SURV-102 Recommended Preparation: MATH-102, SURV-103

Focuses on photogrammetry, celestial surveying, research, and survey project management, emphasizing concepts and calculations performed by the land surveyor. Presents professional licensing requirements and employment strategies in the land surveying industry.

SURV 105 BOUNDARY CONTROL AND LEGAL PRINCIPLES I

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: SURV-102

Introduces the basic elements of the U.S. Public Land Survey System (PLSS), including background, history, subdivisions of sections, and restoration of lost corners. Principles of preparing land descriptions for surveyors and title companies.

SURV 106 BOUNDARY CONTROL AND LEGAL PRINCIPLES II

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: SURV-105

Examines principles of boundary control, including land descriptions, property transfer, senior rights, conveyances, and case law pertaining to boundary disputes.

SURV 107 CONSTRUCTION SURVEYING

Units: 4.00

CSU 54.00 hours lecture, 54.00 hours lab

Prerequisite: SURV-102, Recommended Preparation: MATH-102

Introduces construction surveys for pipelines, tunnels, culverts, bridges, buildings, highways and municipal surveys.

SURV 110 COMPUTER-AIDED DRAFTING FOR SURVEYORS

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended Preparation: SURV-101

Introduces computer aided drafting for land surveying using AutoCAD Civil 3D.

LIBERAL ARTS AND SCIENCES

The Liberal Arts and Sciences major is designed for students planning to transfer to either the California State University or University of California. To earn the Associate in Arts degree with a Liberal Arts and Sciences major, students must complete either the Intersegmental General Education Transfer Curriculum (IGETC) UC or CSU option or the CSU General Education Certification pattern and one of the three areas of emphasis. The areas of emphasis are: Mathematics and Science, Social and Behavioral Sciences or Humanities. The area of emphasis requires a minimum of 18 units with a grade of "C" or better in all courses in the area of emphasis. The courses identified for each area of emphasis fulfill major preparation requirements as demonstrated through ASSIST.org articulation. A minimum of six units must be within a single discipline and in the case of the Mathematics and Science area of emphasis, at least one mathematics course must be completed. Select courses based on ASSIST.org data for major preparation articulation with selected transfer institutions. Consult a counselor for specific information regarding the intended major at the college the student is choosing.

Courses used to complete a student's area of emphasis can double count for general education just as they may for any other major.

Although the associate degree recognizes the completion of lower division general education requirements, it does not guarantee admission to a specific campus in the CSU or UC system, nor does it guarantee admission to a specific major. Some majors and schools require a higher GPA than is necessary for the associate degree. Students should meet with a counselor to determine the lower division major preparation needed for their intended transfer school.

- Complete CSU General Education Breadth for Certification, including the American Institutions and Diversity requirements. Consult with the Counseling Office for the appropriate list of applicable courses.
- Earn a "C" or "CR" grade or higher in all CSU Breadth course.
- Complete a minimum of 60 degree applicable CSU transferable semester units.
- Earn a cumulative G.P.A. of 2.0 in all college coursework completed.
- Meet College of the Canyons residency requirements for graduation.

Note: No Physical Education and/or wellness courses are required.

To meet requirements for the IGETC - CSU associate degree program, students must:

- Complete IGETC - CSU Certification pattern.
- Consult with the Counseling Office for the appropriate list of applicable courses.
- Meet the American Institutions and Diversity requirements.
- Earn a "C" or "CR" grade or higher in all IGETC courses.
- Complete a minimum of 60 degree applicable CSU transferable semester units.
- Earn a cumulative G.P.A. of 2.0 in all college coursework completed.
- Meet College of the Canyons residency requirements for graduation.

Note: No Physical Education and/or wellness courses are required.

To meet requirements for the IGETC - UC associate degree program, students must:

- Complete IGETC - UC Certification pattern.
- Meet the American Institutions and Diversity requirements.
- Earn a "C" or "CR" grade or higher in all IGETC courses.
- Complete a minimum of 60 degree applicable UC transferable semester units.
- Earn a cumulative G.P.A. of 2.0 in all college coursework completed.
- Meet College of the Canyons residency requirements for graduation.

Note: No Physical Education and/or wellness courses are required.

Associate in Arts Degree: Liberal Arts and Sciences

Degree Student Learning Outcome:

Students will be able to analyze concepts from the liberal arts and sciences.

Humanities Emphasis – Minimum 18 units: Select at least six units from one discipline.

	Units
ART-110	Art History: Ancient to Medieval..... 3.0
ART-111	Art History: Renaissance to Modern 3.0
ART-124A	Drawing I 3.0
ART-140	Beginning Design: Two-Dimensional Media..... 3.0
ENGL-112	Intermediate Composition, Literature and Critical Thinking 4.0
<i>OR</i>	
ENGL-112H	Intermediate Composition, Literature and Critical Thinking - Honors 4.0
ENGL-250	British Literature I 3.0
ENGL-251	British Literature II 3.0
ENGL-260	American Literature I 3.0
ENGL-261	American Literature II 3.0
FRNCH-101	Elementary French I 5.0

FRNCH-102	Elementary French II	5.0
FRNCH-201	Intermediate French I	5.0
FRNCH-202	Intermediate French II	5.0
GERMAN-101	Elementary German I	5.0
GERMAN-102	Elementary German II	5.0
HIST-101	History of Western Civilization: The Pre-Industrial West.....	3.0
	<i>OR</i>	
HIST-101H	History of Western Civilization: The Pre-Industrial West - Honors....	3.0
HIST-102	History of Western Civilization: The Modern Era.....	3.0
MUSIC-120	Tonal Harmony	3.0
MUSIC-121	Chromatic Harmony.....	3.0
PHILOS-101	Introduction to Philosophy	3.0
	<i>OR</i>	
PHILOS-101H	Introduction to Philosophy – Honors.....	3.0
PHILOS-110	History of Ancient Philosophy	3.0
PHILOS-111	History of Modern Philosophy.....	3.0
PHILOS-112	History of Philosophy - 20th Century Philosophy	3.0
PHILOS-120	Introduction to Ethics	3.0
SPAN-101	Elementary Spanish I	5.0
	<i>OR</i>	
SPAN-101H	Elementary Spanish I	5.0
	<i>OR</i>	
SPAN-211	Spanish for Heritage Speakers I.....	5.0
SPAN-102	Elementary Spanish II	5.0
	<i>OR</i>	
SPAN-212	Spanish for Heritage Speakers II.....	5.0
SPAN-201	Intermediate Spanish I.....	5.0
SPAN-202	Intermediate Spanish II.....	5.0
SIGN-101	American Sign Language I	4.0
SIGN-102	American Sign Language II	4.0
SIGN-103	American Sign Language III	4.0
SIGN-104	American Sign Language IV	4.0
THEATR-110	Understanding Theatre.....	3.0
	<i>OR</i>	
THEATR-110	Understanding Theatre – Honors.....	3.0
THEATR-140	Acting Fundamentals.....	3.0
THEATR-141	Scene Performance.....	3.0
THEATR-220	Theatre History I.....	3.0
THEATR-221	Theatre History II.....	3.0

Mathematics and Science Emphasis: Minimum 18 units. Select six units from a single discipline and at least one mathematics course.

		Units
BIOSCI-106	Organismal & Environmental Biology.....	4.0
	<i>OR</i>	
BIOSCI-106	Organismal & Environmental Biology - Honors.....	4.0
BIOSCI-107	Molecular and Cellular Biology.....	4.0
	<i>OR</i>	
BIOSCI-107H	Molecular and Cellular Biology - Honors.....	4.0
BIOSCI-115	General Zoology.....	4.0
BIOSCI-116	General Botany.....	4.0
CHEM-151	Preparatory General Chemistry.....	4.0
	<i>OR</i>	
CHEM-151H	Preparatory General Chemistry - Honors.....	4.0
CHEM-201	General Chemistry I.....	6.0
	<i>OR</i>	
CHEM-201H	General Chemistry I – Honors.....	6.0
CHEM-202	General Chemistry II.....	5.0
CHEM-255	Organic Chemistry I.....	5.0
CHEM-256	Organic Chemistry II.....	5.0
GEOG-101	Physical Geography	3.0
	<i>OR</i>	
GEOG-101H	Physical Geography - Honors.....	3.0
GEOG-101L	Physical Geography Lab	1.0
GEO-101	Physical Geology.....	3.0
GEO-101L	Physical Geology Lab.....	1.0
MATH-211	Calculus I.....	5.0
MATH-212	Calculus II.....	5.0
MATH-213	Calculus III.....	5.0
MATH-214	Linear Algebra	3.0
MATH-215	Differential Equations	3.0
PHYSIC-110	General Physics I	4.0
PHYSIC-111	General Physics II	4.0
PHYSIC-220	Physics for Scientists and Engineers: Mechanics of Solids and Fluids.....	4.0
PHYSIC-221	Physics for Scientists and Engineers: Electricity and Magnetism.....	4.0
PHYSIC-222	Physics for Scientists and Engineers: Wave Motion, Heat, Optics, and Modern Physics.....	4.0

Social and Behavioral Sciences Emphasis –

Minimum 18 units: Select at least six units from one discipline

	Units
ANTHRO-103 Cultural Anthropology	3.0
<i>OR</i>	
ANTHRO-103H Cultural Anthropology - Honors	3.0
ANTHRO-105 Introduction to Archaeology and Prehistory	3.0
ECON-201 Macroeconomics	3.0
<i>OR</i>	
ECON-201H Macroeconomics - Honors.....	3.0

SOCI-101H Introduction to Sociology - Honors ..	3.0
SOCI-102 Introduction to Sociological Research Methods	3.0

Certificate of Achievement: IGETC

The certificate of achievement UC IGETC allows the student transferring to a four-year college or university the opportunity to receive a certificate. The requirements for this certificate of achievement are completion of UC IGETC with a grade of "C" or better in each course. Specific requirements can be found at www.assist.org or consult with the Counseling Department.

Certificate of Achievement: CSU General Education Breadth

The certificate of achievement CSU GE Breadth allows the student transferring to a four-year college or university the opportunity to receive a certificate. The requirements for this certificate of achievement are completion of CSU GE Breadth with a grade of "C" or better in each course. Specific requirements can be found at www.assist.org or consult with the Counseling department.

LIBERAL STUDIES

Associate in Arts Degree: Elementary Teacher Education for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer,” a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtain a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a “C” or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Elementary Teacher Education. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to demonstrate the foundational skills and knowledge needed to teach elementary school students in the following: Science, Mathematics, English/Communication, Social Studies and the Arts.

Program Requirements:

Units Required: 49

	Units
BIOSCI-100	General Biology 4.0
	<i>OR</i>
BIOSCI-100H	General Biology – Honors 4.0
COMS-105	Fundamentals in Public Speaking..... 3.0
	<i>OR</i>
COMS-105H	Fundamentals in Public Speaking – Honors 3.0
ECE-101	Child Growth and Development..... 3.0
EDUC-203	Introduction to Teaching in a Diverse Society..... 3.0
ENGL-101	English Composition..... 4.0
	<i>OR</i>
ENGL-101H	Honors English Composition 4.0
ENGL-110	Composition and Literature 3.0
GEOG-104	World Regional Geography 3.0
GEOL-109	Earth Science 3.0
GEOL-109L	Earth Science Laboratory 1.0
HIST-111	United States History 3.0
	<i>OR</i>
HIST-111H	United States History – Honors 3.0
HIST-161	World History I 3.0
MATH-130	Mathematics for Elementary School Teachers 3.0
PHYSICI-101	Physical Science 4.0
POLISC-150	Introduction to American Government and Politics 3.0
	<i>OR</i>
POLISC-150H	Introduction to American Government and Politics – Honors 3.0
	<i>Plus one course from the following:</i>
COMS-227	Introduction to Rhetorical Criticism..... 3.0
ENGL-103	Critical Reading, Writing and Thinking 3.0
ENGL-103H	Critical Reading, Writing and Thinking – Honors 3.0
SOCI-108	Thinking Critically About Social Issues 3.0
	<i>Plus one course from the following:</i>
DANCE-100	Dance Appreciation 3.0
THEATR-110	Understanding Theatre..... 3.0
THEATR-110H	Understanding Theatre - Honors 3.0

LIBRARY/MEDIA TECHNOLOGY

Library/Media Technology courses provide training in phases of library/media work, background knowledge of the types of libraries and media centers and their services, and actual work experience.

LMTECH 100 COLLEGE RESEARCH SKILLS

Units: 1.00

UC:CSU 18.00 hours lecture

Introduces college-level research, including instruction on evaluating print and electronic resources. (This course is not designed for Library Media majors.)

MANUFACTURING TECHNOLOGY

Manufacturing Technology is a career education program designed to prepare students for a variety of entry-level positions in a manufacturing environment. These positions may include manual machine operator, computer numerical control operator, Computer-aided design/manufacturing (CAD/CAM) designer, or programmer. Classes are designed for first-time college students, re-entry students, and current industry employees requiring skill enhancement or upgrade training. Learned skills may include the ability to operate conventional and computer numerical control (CNC) machinery, program CNC machinery, operate various CAD/CAM systems and interpret blueprints.

Certificate of Specialization: Manufacturing Technology - CAD/CAM

This certificate prepares students on CAD/CAM training using MASTERCAM specifically used in the automotive, aerospace, and manufacturing industries. Upon completion of the certificate, students will be able to work in the automotive, aerospace, and manufacturing industries as a CAD/CAM design engineer, machinist, CNC operator, or CNC programmer.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core CAD/CAM skills and knowledge required for a variety of manufacturing industries.

Program Requirements:

Units Required: 6

	Units
MFGT-131 CAD/CAM I.....	3.0
MFGT-132 CAD/CAM II.....	3.0

Certificate of Specialization: Manufacturing Technology - CATIA

This certificate prepares students on CATIA software specifically used in the automotive, aerospace, and manufacturing industries. Upon completion of the certificate, students will be able to work in the automotive, aerospace, and manufacturing industries as a designer or drafter.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core CATIA skills and knowledge required for a variety of manufacturing industries.

Program Requirements:

Units Required: 6

	Units
MFGT-141 CATIA I	3.0
MFGT-142 CATIA II	3.0

Certificate of Specialization: Automated Machining

This certificate provides students training in CAD/CAM using MASTERCAM and CNC Programming specifically used in the automotive, aerospace, and manufacturing industries. Upon completion of the certificate, students will be able to work in the automotive, aerospace, and manufacturing industries as a CAD/CAM design engineer, machinist, CNC operator, or CNC programmer.

Certificate Student Learning Outcome:

Students will be able to accurately perform a variety of CAD/CAM and CNC application and calculations using appropriate equipment.

Program Requirements:

Units Required: 12

	Units
MFGT-121 CNC 1: Operation and Manual Programming	3.0
MFGT-122 CNC 2: Concepts and Programming	3.0
MFGT-131 CAD/CAM I	3.0
MFGT-132 CAD/CAM II	3.0

Certificate of Specialization: Machining/ CNC

This certificate prepares students for CNC programming specifically used in the automotive, aerospace, and manufacturing industries. Upon completion of the certificate, students will be able to work in the automotive, aerospace, and manufacturing industries as a CNC machinist, CNC lathe operator, production machinist, or CNC programmer.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core CNC skills and knowledge required for a variety of manufacturing industries.

Program Requirements:

Units Required: 6

	Units
MFGT-121 CNC 1: Operation and Manual Programming	3.0
MFGT-122 CNC 2: Concepts and Programming	3.0

Certificate of Specialization: Manufacturing Fundamentals

This certificate provides students training in non-CNC machining applications used in the automotive, aerospace, and manufacturing industries. Upon completion of the certificate, students will be able to work in the automotive, aerospace, and manufacturing industries as an entry-level machinist.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in non-CNC machining and knowledge required for a variety of manufacturing industries.

Program Requirements:

Units Required: 9

	Units
MFGT-090 Measurements and Computations	3.0
MFGT-112 Introduction to Manufacturing Technology	3.0
MFGT-113 Machining Fundamentals	3.0

MFGT 090 MEASUREMENTS AND COMPUTATIONS

Units: 3.00

54.00 hours lecture

Focuses on measurements and calculations used in career technical fields. Reviews basic computations and measurement systems.

MFGT 112 INTRODUCTION TO MANUFACTURING TECHNOLOGY

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces basic machine tool practices as they relate to common manufacturing operations, including measuring, cutting, and drilling common metals to standard drawings and specifications. Emphasis is placed on the care and safe use of related hand tools and machine shop equipment.

MFGT 113 MACHINING FUNDAMENTALS

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the theory and application training in the use of machine tools such as lathes, milling machines, drill presses, power saws, and bench grinders. Machine tool terminology, theory, math, part layout, and bench work using common and precision measuring tools is covered. Emphasis is placed on shop safety, housekeeping, and preventative maintenance of equipment.

MFGT 121 CNC 1: OPERATION AND MANUAL PROGRAMMING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Explores the history of NC/CNC, elementary CNC programming conventions, cutting tool types, automatic tool changing, tool offsets and compensation, CNC set up procedures, and CNC mill and lathe practice.

MFGT 122 CNC 2: CONCEPTS AND PROGRAMMING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MFGT-121

Studies advanced skills for programming and set up for mill and lathe parts on computer numerical control machine tools (3-axis & 5-axis).

MFGT 131 CAD/CAM I

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces computer-aided design and manufacturing using MASTERCAM as a CAD/CAM environment, emphasizing the writing and running of CNC lathe programs and machining metal parts. Includes a review of machining and CNC programming fundamentals, the MASTERCAM environment and process overview, basic two-dimensional geometry construction and modification, process and toolpath planning, and 2-axis toolpath generation and editing.

MFGT 132 CAD/CAM II

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MFGT-131

Provides intermediate level CAD/CAM training using MASTERCAM and SolidWorks. This course is intended primarily for manufacturing technology students and industrial practitioners who have some experience with MASTERCAM.

MFGT 141 CATIA I

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces solid modeling using CATIA software. Topics include sketching, part design modeling, assembly design, drafting, and introduction to wire frame and surface design.

MFGT 142 CATIA II

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MFGT-141

Presents advanced topics in using CATIA software, including sketching, part design modeling, wire frame and surface design, assembly design, DMU Kinematics, part preparation for manufacturer, and an introduction to other CATIA Workbenches including Prismatic Machining and Generative Structural Analysis.

MATHEMATICS

The Mathematics program provides curriculum from basic arithmetic to algebra, statistics, linear algebra, calculus, and differential equations. These courses fulfill breadth requirements, associate degree requirements and transfer major requirements for degrees in mathematics, physics, chemistry and engineering. Many bachelor's degree-level careers require extensive background in mathematics. Virtually all two-year career programs in the business or technology fields require a solid foundation in mathematics. Examples of these career options include computer programmer, financial analyst, statistician, systems analyst, urban planner, and teacher.

Associate in Science Degree: Mathematics for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T

in Mathematics. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to:

- Prepare for the mathematical reasoning required in upper division work in their major, including the ability to generalize concepts and comprehend increasing levels of abstraction.
- Demonstrate mathematical literacy, problem-solving ability, and modeling ability.

Program Requirements:

Units Required: 18-21

	Units
Twelve to fifteen units from the following:	
MATH-211	Calculus I..... 5.0
MATH-212	Calculus II..... 5.0
MATH-213	Calculus III..... 5.0

Plus three units from the following:

MATH-214	Linear Algebra 3.0
MATH-215	Differential Equations 3.0

Plus three units from the following that have not already been selected from the courses listed above:

CMPSCI-235	C Programming 3.0
CMPSCI-236	C++ Object Oriented Programming. 3.0
MATH-140	Introductory Statistics 4.0

OR

MATH-140H	Introductory Statistics - Honors 4.0
MATH-214	Linear Algebra 3.0
MATH-215	Differential Equations 3.0
CMPSCI-111	Introduction to Algorithms and Programming/Java 3.0

OR

CMPSCI-111L	Introduction to Algorithms and Programming Lab..... 1.0
-------------	---

Associate in Science Degree: Mathematics

Degree Student Learning Outcome:

Students will be able to:

- Prepare for the mathematical reasoning required in upper division work in their major, including the ability to generalize concepts and comprehend increasing levels of abstraction.
- Demonstrate mathematical literacy, problem-solving ability, and modeling ability.

Program Requirements:

Units Required: 18

	Units
MATH-211	Calculus I..... 5.0
MATH-212	Calculus II..... 5.0
MATH-213	Calculus III..... 5.0

Plus three units from the following:

MATH-140	Introductory Statistics 4.0
----------	-----------------------------------

OR

MATH-140H	Introductory Statistics - Honors 4.0
MATH-214	Linear Algebra 3.0
MATH-215	Differential Equations 3.0
CMPSCI-111	Introduction to Algorithms and Programming/Java 3.0
PHYSIC-220	Physics for Scientists and Engineers: Mechanics of Solids and Fluids 4.0

MATH 058 ALGEBRA PREPARATION

Units: 5.00

90.00 hours lecture

Introduces the basic elements of arithmetic and algebra for those who need a preparatory course before enrolling in Elementary Algebra or Intermediate Algebra for Statistics. An alternative to the Math-059 computer-assisted course.

MATH 059 ALGEBRA PREPARATION - COMPUTER-ASSISTED

Units: 5.00

90.00 hours lecture

A computer-assisted introduction to the basic elements of arithmetic and algebra for those who need a preparatory course before enrolling in elementary algebra or Intermediate Algebra for Statistics. An alternative to the Math-058 traditional course.

MATH 060 ELEMENTARY ALGEBRA

Units: 5.00

90.00 hours lecture

Prerequisite: MATH-058 or MATH-059 or higher math placement

Presents beginning algebra skills, including first-degree equations in one variable, identifying and evaluating functions, factoring and operations on polynomials, rational expressions, linear equations and graphs, systems of linear equations, exponents, quadratic equations, and applications. Units do not apply to the associate degree.

MATH 070 INTERMEDIATE ALGEBRA

Units: 5.00

90.00 hours lecture

Prerequisite: MATH-060 or higher math placement

Examines functions and equations involving linear, radical, quadratic, exponential, logarithmic, and absolute-value functions as well as other algebraic topics including radicals, rational exponents, inequalities, and conics.

MATH 075 INTERMEDIATE ALGEBRA FOR STATISTICS

Units: 5.00

90.00 hours lecture

Prerequisite: MATH-058 or MATH-059 or higher math placement

Introduces intermediate algebra topics and the basic elements of exploratory data analysis. Advisory: This class is not intended as preparation for calculus. It is a prerequisite for only those students wanting to take MATH-111, MATH-130, MATH-140 or MATH-140H. Those students needing MATH-103 or MATH-104 need to take MATH-060 and MATH-070.

MATH 083 GEOMETRY

Units: 5.00

90.00 hours lecture

Prerequisite: MATH-060 or higher math placement

Presents geometric theory and concepts and their application.

MATH 090 SUPPORT FOR STATISTICS

Units: 1.00

54.00 hours lab

Co-requisite: MATH-140

Presents basic mathematical concepts and exploratory data analysis skills that are helpful in Introductory Statistics. Units do not apply to the associate degree.

MATH 092 SUPPORT FOR TRIGONOMETRY

Units: 1.00

54.00 hours lab

Co-requisite: MATH-102

Presents basic algebraic and geometric ideas, skills, and tools used in trigonometry and other STEM math courses. Units do not apply to the associate degree.

MATH 093 SUPPORT FOR COLLEGE ALGEBRA

Units: 1.00

54.00 hours lab

Co-requisite: MATH-103

Presents basic mathematical concepts and skills that are helpful in College Algebra. Units do not apply to the associate degree.

MATH 100 LIBERAL ARTS MATHEMATICS

Units: 3.00

UC:CSU 54.00 hours lecture

Prerequisite: MATH-070 or higher math placement.

Presents general mathematical ideas and tools used to solve practical problems including logic, sets, numbers, financial calculations, probability, statistics, and mathematics in politics, society, and the arts.

MATH 102 TRIGONOMETRY

Units: 3.00

CSU 72.00 hours lecture

Prerequisite: MATH-070 and MATH-083 or higher math placement

Examines trigonometric functions, identities, and equations, along with solutions of triangles, complex numbers, vectors, and applications.

MATH 103 COLLEGE ALGEBRA

Units: 4.00

UC:CSU 90.00 hours lecture

Prerequisite: MATH-070 or higher math placement

Presents linear and non-linear algebraic relations and functions, conic sections, exponential and logarithmic functions, matrices and determinants, complex numbers and selected topics from theory of equations, sequences and series. UC credit limitation: MATH-103 and MATH-104 combined, maximum credit one course.

MATH 104 PRECALCULUS

Units: 5.00

UC:CSU 90.00 hours lecture

Prerequisite: MATH-102 or higher math placement

Analyzes equations, inequalities, functions, systems of equations, conic sections, zeros of polynomial equations and additional topics in preparation for calculus. UC credit limitation: MATH-103 and MATH-104 combined, maximum credit one course.

MATH 111 FINITE MATH

Units: 4.00

UC:CSU 90.00 hours lecture

Prerequisite: MATH-070 or MATH-075 or higher math placement

Introduces math concepts related to game theory, linear algebra, finance, logic, probability and statistics.

MATH 130 MATH FOR ELEMENTARY SCHOOL TEACHERS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID MATH 120

Prerequisite: MATH-070 or MATH-075 or higher math placement

Introduces number theory, problem-solving techniques, and the development, structure and history of the real number system. (Designed primarily for students intending to teach at the elementary or junior high school level.)

MATH 140 INTRODUCTORY STATISTICS

Units: 4.00

UC:CSU 90.00 hours lecture

C-ID MATH 110

Prerequisite: MATH-070 or MATH-075 or higher math placement

Examines statistical methods including empirical and theoretical frequency distributions, sampling, estimation, hypothesis testing, correlation, regression, probability, counting techniques and computer-based statistical software. UC credit limitation: MATH-140H, MATH-140, BUS-291, ECON-291, PSYCH-104, and SOCI-137 combined, maximum credit one course.

MATH 140H INTRODUCTORY STATISTICS - HONORS

Units: 4.00

UC:CSU 90.00 hours lecture

C-ID MATH 110

Prerequisite: MATH-070 or MATH-075 or higher math placement

Examines statistical methods including empirical and theoretical frequency distributions, sampling, estimation, hypothesis testing, correlation, regression, probability, counting techniques and computer-based statistical software. Honors work challenges students to be more analytical through expanded assignments involving critical analysis of peer-reviewed journals and primary scientific literature. UC credit limitation: MATH-140H, MATH-140, BUS-291, ECON-291, PSYCH-104 and SOCI-137 combined, maximum credit one course.

MATH 211 CALCULUS I

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID MATH 211

Prerequisite: MATH-104 or higher math placement

Introduces limits, derivatives and integrals, as well as applications including rate of change, maxima-minima, curve sketching, and area problems.

MATH 212 CALCULUS II

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID MATH 221

Prerequisite: MATH-211

Covers differentiation and integration of transcendental functions, techniques of integration, improper integrals, infinite series, and applications.

MATH 213 CALCULUS III

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID MATH 230

Prerequisite: MATH-212

Presents vectors and vector calculus, functions of several variables, partial derivatives, multiple integrals, line and surface integrals, Green's Theorem, the Divergence Theorem, and Stokes' Theorem.

MATH 214 LINEAR ALGEBRA

Units: 3.00

UC:CSU 72.00 hours lecture

C-ID MATH 250

Prerequisite: MATH-212

Presents linear algebra including real vector spaces, inner product spaces, linear transformations, matrices, determinants and eigenvalues.

MATH 215 DIFFERENTIAL EQUATIONS

Units: 3.00

UC:CSU 72.00 hours lecture

C-ID MATH 240

Prerequisite: MATH-212

Presents an introduction to ordinary differential equations, including quantitative and qualitative methods, as well as applications from a variety of disciplines. Introduces the theoretical aspects of differential equations, including establishing when solutions exist, and techniques for obtaining solutions, including series solutions, singular points, numerical methods, Laplace transforms, and linear systems.

MATH 240 MATH ANALYSIS FOR BUSINESS AND SOCIAL SCIENCE

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID MATH 140

Prerequisite: MATH-103 or MATH-104

Presents a study of the techniques of calculus with emphasis placed on the application of these concepts to business and management-related problems. The applications of derivatives and integrals of functions including polynomials, rational, exponential and logarithmic functions are studied.

MEDIA ENTERTAINMENT ARTS

Media Entertainment Arts seeks to create, improve, expand and strengthen relevant and rigorous academic programs of study, in cooperation with local high school, regional occupational program (ROP), and community and regional business and industry partners. By developing sequentially modeled curricula and practicum for media, entertainment, and design industrial arts, Media Entertainment Arts will link current industry skills and foundation career education standards to all aspects of study.

Associate in Arts Degree: Journalism for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer,” a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Journalism. Additional majors are being developed.

Please see a counselor for more information.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the cores skills and knowledge required for journalism.

Program Requirements:

Units required: 18 - 19

	Units
MEA-100	Mass Media and Society3.0
MEA-110	Writing for Journalism and New Media.....3.0
MEA-225	News Media Production.....3.0
<i>Plus three units from the following:</i>	
MEA-125	Introduction Multimedia Journalism .3.0
MEA-210	Intermediate News Reporting/ Writing3.0
MEA-215	Photojournalism and News Photography3.0
<i>Plus a minimum of six units from the following:</i>	
COMS-100	Process of Communication.....3.0
<i>OR</i>	
COMS-100H	Process of Communication - Honors.....3.0
COMS-225	Strategies of Argumentation3.0
ENGL-103	Critical Reading, Writing and Thinking3.0
<i>OR</i>	
ENGL-103H	Critical Reading, Writing and Thinking – Honors3.0
MATH-140	Introductory Statistics4.0
<i>OR</i>	
MATH-140H	Introductory Statistics – Honors.....4.0
<i>OR</i>	
SOCI-137	Statistics for the Social Sciences4.0
PHOTO-155	Photography3.0
POLISC-150	Introduction to American Government and Politics3.0
<i>OR</i>	
POLISC-150H	Introduction to American Government and Politics – Honors3.0

Associate in Arts Degree: Animation Production

The Animation Production program will prepare students for an entry-level position in the animation industry with emphasis in either computer or hand-drawn methods. The associate degrees are also designed to transfer to four-year colleges or universities. At the conclusion of their studies, all students will be prepared for entry-level positions in a number of fields (for example: video game design, television and motion picture production) requiring them to create animation, by either computer or hand-drawn methods, or a combination of the two. Classes include traditional drawn animation, character design, layout, storyboarding, two-dimensional computer animation, and three-dimensional computer animation.

Degree Student Learning Outcome:

Students will be able to:

- Create portfolio-ready artwork demonstrating their mastery of the fundamentals of concept art and 2D animation.
- Critique animation projects using industry standards.

Program Requirements:

Units Required: 30.5

	Units
MEA-100	Mass Media and Society 3.0
	<i>OR</i>
MEA-101	Television and Film Media Aesthetics 3.0
	<i>OR</i>
MEA-102	History of Animation 3.0
MEA-106	Introduction to Animation 3.0
MEA-109	Story Development and Storyboarding 3.0
MEA-118	Introduction – 2D Digital Animation . 3.0
MEA-265	Animation Production 3.0
CAWT-074	Introduction to Photoshop 1.5
ART-124A	Drawing I 3.0
	<i>OR</i>
ART-124B	Drawing II 3.0
ART-224A	Drawing III - Life Drawing 3.0
Plus a minimum of six units from the following:	
MEA-232	Character and Prop Design for Animation 3.0
MEA-233	Advanced 2D Animation 3.0
MEA-261	Advanced Animation 3.0
<i>Plus a minimum of two units from the following:</i>	
MEA-295	Professional Practices/Portfolio 2.0
	<i>OR</i>
CWE-186MEA	Cooperative Work Experience Education Media Entertainment Arts (Unpaid) 1.0 – 4.0

OR

CWE-188MEA	Cooperative Work Experience Education Media Entertainment Arts (Paid) 1.0 – 4.0
------------	--

Recommended electives:

THEATR-140	Acting Fundamentals 3.0
------------	-------------------------------

Certificate of Achievement: Animation Production

Animation Production provides the skills necessary in the animation industry with a focus on drawn animation and concept art.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core knowledge and skills required for employment in animation production.

Program Requirements:

Units Required: 15

	Units
MEA-106	Introduction to Animation 3.0
MEA-109	Story Development and Storyboarding 3.0
MEA-118	Introduction – 2D Digital Animation . 3.0
<i>Plus a minimum of six units from the following:</i>	
MEA-232	Character and Prop Design for Animation 3.0
MEA-233	Advanced 2D Animation 3.0
MEA-261	Advanced Animation 3.0

Recommended electives:

GMD-173	Motion Design 3.0
MEA-114	Digital Sound Editing 3.0
MEA-116	Film/Video Editing 3.0

Associate in Arts Degree: Computer Animation

Degree Student Learning Outcome:

Students will be able to:

- Create portfolio-ready art work demonstrating their mastery of the fundamentals of computer animation and computer-generated imagery (CGI) scene creation.
- Critique animation projects using industry standards.

Program Requirements:

Units Required: 33.5

	Units
MEA-100	Mass Media and Society 3.0
	<i>OR</i>
MEA-102	History of Animation 3.0
MEA-106	Introduction to Animation 3.0

MEA-109	Story Development and Storyboarding	3.0
MEA-114	Digital Sound Editing	3.0
	<i>OR</i>	
MEA-116	Film/Video Editing.....	3.0
	<i>OR</i>	
MEA-118	Introduction – 2D Digital Animation .	3.0
MEA-131	3D Modeling and Surfacing	3.0
MEA-135	Computer Animation and Special Effects.....	3.0
MEA-265	Animation Production	3.0
CAWT-074	Introduction to Photoshop.....	1.5
GMD-173	Motion Design.....	3.0
	<i>Plus a minimum of six units from the following:</i>	
MEA-231	Digital Sculpture	3.0
MEA-234	Character Animation	3.0
MEA-235	Visual Effects.....	3.0
	<i>Plus a minimum of two units from the following:</i>	
MEA-295	Professional Practices/Portfolio.....	2.0
	<i>OR</i>	
CWE-186MEA	Cooperative Work Experience Education Media Entertainment Arts (Unpaid).....	1.0 – 4.0
	<i>OR</i>	
CWE-188MEA	Cooperative Work Experience Education Media Entertainment Arts (Paid).....	1.0 – 4.0
	<i>Recommended electives:</i>	
MEA-108	Scriptwriting Fundamentals	3.0
ART-124A	Drawing I	3.0
DANCE-111	Fundamentals of Dance Movement.....	1.0
	<i>OR</i>	
THEATR-241	Movement for the Performer.....	3.0
PHOTO-150	Introduction to Cameras and Composition.....	3.0

Certificate of Achievement: Computer Animation

The Computer Animation Certificate provides skills necessary in the animation industry with a focus on 2D and 3D computer animation.

Certificate Student Learning Outcome:

Students will be able to create portfolio-ready artwork demonstrating their mastery of the fundamentals of computer animation and CGI scene creation.

Program Requirements:

Units Required: 18

	Units	
MEA-118	Introduction – 2D Digital Animation .	3.0
MEA-131	3D Modeling and Surfacing	3.0
MEA-135	Computer Animation and Special Effects.....	3.0
GMD-173	Motion Design.....	3.0

Plus a minimum of six units from the following:

MEA-231	Digital Sculpture	3.0
MEA-234	Character Animation	3.0
MEA-235	Visual Effects.....	3.0

Recommended Electives

MEA-114	Digital Sound Editing	3.0
MEA-116	Film/Video Editing.....	3.0
MEA-265	Animation Production	3.0

Associate in Arts Degree: Filmmaking

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in the filmmaking industry.

Program Requirements:

Units Required: 29

	Units	
MEA-101	Television and Film Media Aesthetics.....	3.0
MEA-120	Introduction to Cinematography	3.0
	<i>Plus a minimum of two units from the following:</i>	
MEA-111	Exploring Video Field Production	2.0
MEA-112	Exploring Video Studio Production	2.0
	<i>Plus fifteen units from the following:</i>	
MEA-100	Mass Media and Society	3.0
	<i>OR</i>	
MEA-103	Exploring Contemporary Television .	3.0
MEA-108	Scriptwriting Fundamentals	3.0
MEA-116	Film/Video Editing.....	3.0
MEA-180	Filmmaking I	3.0
MEA-280	Filmmaking II: Directing and Producing	3.0

Required electives:

Capstone (needs only one unit of CWE-186MEA or CWE-188MEA)

MEA-295	Professional Practices/Portfolio.....	2.0
CWE-186MEA	Cooperative Work Experience Education Media Entertainment Arts (Unpaid).....	1.0 – 4.0

OR

CWE-188MEA Cooperative Work Experience
Education
Media Entertainment Arts
(Paid) 1.0 – 4.0

*Plus a minimum of three units from the following not
already taken above:*

MEA-100 Mass Media and Society 3.0
 MEA-102 History of Animation..... 3.0
 MEA-103 Exploring Contemporary Television .3.0
 MEA-106 Introduction to Animation 3.0
 MEA-109 Story Development and
 Storyboarding 3.0
 MEA-110 Writing for Journalism and New
 Media..... 3.0
 MEA-111 Exploring Video Field Production 2.0
 MEA-112 Exploring Video Studio Production .. 2.0
 MEA-114 Digital Sound Editing 3.0
 MEA-118 Introduction – 2D Digital
 Animation..... 3.0
 MEA-119 Announcing and Media
 Performance 3.0
 MEA-125 Introduction Multimedia Journalism .3.0
 MEA-125 News Reporting and Anchoring 3.0
 MEA-131 3D Modeling and Surfacing 3.0
 MEA-135 Computer Animation and
 Special Effects 3.0
 MEA-155 Basic Audio Production..... 3.0
 MEA-159 Music Production for Film/TV/
 New Media 3.0
 MEA-206 Digital Video Editing II 3.0
 MEA-210 Intermediate News Reporting/
 Writing 3.0
 MEA-215 Photojournalism and News
 Photography 3.0
 MEA-218 Real-time Video Game Animation .. 3.0
 MEA-225 News Media Production..... 3.0
 MEA-230 Online Production and New Media/
 Management..... 3.0
 MEA-231 Digital Sculpture 3.0
 MEA-232 Character and Prop Design for
 Animation 3.0
 MEA-233 Advanced 2D Digital Animation 3.0
 MEA-234 Character Animation 3.0
 MEA-235 Visual Effects 3.0
 MEA-255 Digital Audio Post-Production 3.0
 MEA-261 Advanced Animation 3.0
 MEA-265 Animation Production 3.0

**Associate in Arts Degree: New Media
Journalism**

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in
the core skills and knowledge required for new media
journalism.

Program Requirements:

Units Required: 27

Fundamental Skills (in addition to the requirements
below, complete 3 additional units from MEA department
for 18 units)

	Units
MEA-110 Writing for Journalism and New Media.....	3.0
MEA-125 Introduction Multimedia Journalism .3.0	
MEA-125 News Reporting and Anchoring 3.0	
MEA-210 Intermediate News Reporting/ Writing 3.0	
MEA-225 News Media Production..... 3.0	
MEA-230 Online Production and New Media Management..... 3.0	

Plus a minimum of three units from the following:

MEA-100 Mass Media and Society 3.0
 MEA-103 Exploring Contemporary Television .3.0
 COMS-105 Fundamentals of Public Speaking... 3.0

OR

COMS-105H Fundamentals of Public Speaking -
Honors..... 3.0

Plus a minimum of two units from the following:

MEA-111 Exploring Video Field Production 2.0
 MEA-112 Exploring Video Studio Production .. 2.0
 Plus a minimum of three units from the following:
 MEA-119 Announcing and Media
 Performance 3.0
 MEA-120 Introduction to Cinematography 3.0

Plus a minimum of one unit from the following:

CWE-186MEA Cooperative Work Experience
Education
Media Entertainment Arts
(Unpaid)..... 1.0 – 4.0

OR

CWE-188MEA Cooperative Work Experience
Education
Media Entertainment Arts
(Paid) 1.0 – 4.0

*Plus a minimum of three units from the following not
already taken above:*

MEA-100 Mass Media and Society 3.0
 MEA-101 Television and Film Media
 Aesthetics..... 3.0

MEA-102	History of Animation	3.0
MEA-103	Exploring Contemporary Television.....	3.0
MEA-106	Introduction to Animation	3.0
MEA-108	Scriptwriting Fundamentals	3.0
MEA-109	Story Development and Storyboarding	3.0
MEA-111	Exploring Video Field Production	2.0
MEA-112	Exploring Video Studio Production	2.0
MEA-114	Digital Sound Editing	3.0
MEA-116	Film/Video Editing	3.0
MEA-118	Introduction – 2D Digital Animation.....	3.0
MEA-119	Announcing and Media Performance	3.0
MEA-120	Introduction to Cinematography	3.0
MEA-131	3D Modeling and Surfacing	3.0
MEA-135	Computer Animation and Special Effects	3.0
MEA-155	Basic Audio Production.....	3.0
MEA-159	Music Production for Film/TV/ New Media	3.0
MEA-180	Filmmaking I	3.0
MEA-206	Digital Video Editing II	3.0
MEA-215	Photojournalism and News Photography	3.0
MEA-218	Real-time Video Game Animation.....	3.0
MEA-231	Digital Sculpture	3.0
MEA-232	Character and Prop Design for Animation	3.0
MEA-233	Advanced 2D Digital Animation	3.0
MEA-234	Character Animation	3.0
MEA-235	Visual Effects.....	3.0
MEA-255	Digital Audio Post-Production	3.0
MEA-261	Advanced Animation	3.0
MEA-265	Animation Production	3.0
MEA-280	Filmmaking II: Directing and Producing the Independent Film	3.0
MEA-295	Professional Practices/Portfolio.....	2.0

Associate in Arts Degree: Media Entertainment Arts - Sound Arts

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for sound arts.

Program Requirements:

Units Required: 27

		Units
MEA-100	Mass Media and Society	3.0

	<i>OR</i>	
MEA-101	Television and Film Media Aesthetics	3.0
	<i>OR</i>	
MEA-102	History of Animation.....	3.0
	<i>OR</i>	
MEA-103	Exploring Contemporary Television.....	3.0
MEA-108	Scriptwriting Fundamentals	3.0
	<i>OR</i>	
MEA-109	Story Development and Storyboarding	3.0
MEA-111	Exploring Video Field Production	2.0
	<i>OR</i>	
MEA-112	Exploring Video Studio Production	2.0
MEA-114	Digital Sound Editing	3.0
MEA-155	Basic Audio Production.....	3.0
	<i>Plus six units from the following:</i>	
MEA-116	Film/Video Editing.....	3.0
MEA-125	Introduction Multimedia Journalism	3.0
MEA-159	Music for Film, Television, and New Media.....	3.0
	<i>Plus a minimum of three units from the following not already taken:</i>	
MEA-100	Mass Media and Society	3.0
MEA-101	Television and Film Media Aesthetics.....	3.0
MEA-102	History of Animation	3.0
MEA-103	Exploring Contemporary Television.....	3.0
MEA-106	Introduction to Animation	3.0
MEA-108	Scriptwriting Fundamentals	3.0
MEA-109	Story Development and Storyboarding	3.0
MEA-110	Writing for Journalism and New Media.....	3.0
MEA-111	Exploring Video Field Production	2.0
MEA-112	Exploring Video Studio Production	2.0
MEA-116	Film/Video Editing	3.0
MEA-118	Introduction – 2D Digital Animation.....	3.0
MEA-119	Announcing and Media Performance	3.0
MEA-120	Introduction to Cinematography	3.0
MEA-125	Introduction Multimedia Journalism	3.0

MEA-131	3D Modeling and Surfacing	3.0
MEA-135	Computer Animation and Special Effects	3.0
MEA-159	Music Production for Film/TV/ New Media	3.0
MEA-180	Filmmaking I	3.0
MEA-206	Digital Video Editing II	3.0
MEA-210	Intermediate News Reporting/ Writing	3.0
MEA-215	Photojournalism and News Photography	3.0
MEA-218	Real-time Video Game Animation	3.0
MEA-225	News Media Production.....	3.0
MEA-230	Online Production and New Media Management	3.0
MEA-231	Digital Sculpture	3.0
MEA-232	Character and Prop Design for Animation	3.0
MEA-233	Advanced 2D Digital Animation	3.0
MEA-234	Character Animation	3.0
MEA-235	Visual Effects	3.0
MEA-255	Digital Audio Post-Production	3.0
MEA-261	Advanced Animation	3.0
MEA-265	Animation Production	3.0
MEA-280	Filmmaking II: Directing and Producing the Independent Film	3.0
MEA-295	Professional Practices/Portfolio	2.0
<i>Plus a minimum of three units from the following not already taken above:</i>		
MEA-206	Digital Video Editing II	3.0
MEA-210	Intermediate News Reporting/ Writing	3.0
MEA-215	Photojournalism and News Photography	3.0
MEA-218	Real-time Video Game Animation	3.0
MEA-225	News Media Production.....	3.0
MEA-230	Online Production and New Media Management	3.0
MEA-231	Digital Sculpture	3.0
MEA-232	Character and Prop Design for Animation	3.0
MEA-233	Advanced 2D Digital Animation	3.0
MEA-234	Character Animation	3.0
MEA-235	Visual Effects	3.0
MEA-255	Digital Audio Post-Production	3.0
MEA-261	Advanced Animation	3.0
MEA-265	Animation Production	3.0
MEA-280	Filmmaking II: Directing and	

	Producing the Independent Film	3.0
MEA-295	Professional Practices/Portfolio	2.0
<i>Plus a minimum of one from the following:</i>		
CWE-186MEA	Cooperative Work Experience	
	Education	
	Media Entertainment Arts (Unpaid).....	1.0 – 4.0
<i>OR</i>		
CWE-188MEA	Cooperative Work Experience	
	Education	
	Media Entertainment Arts (Paid).....	1.0 – 4.0

Certificate of Specialization: News Reporting and Anchoring

Certificate Student Learning Outcome:

Students will be able to report a news story in new media journalism.

Program Requirements:

Units Required: 12

Units

MEA-110	Writing for Journalism and New Media.....	3.0
MEA-119	Announcing and Media Performance	3.0
<i>OR</i>		
MEA-210	Intermediate News Reporting/ Writing	3.0
MEA-125	Introduction Multimedia Journalism	3.0
MEA-225	News Media Production.....	3.0

Certificate of Achievement: Video Game Animation

A certificate designed to prepare students to enter the video game animation industry.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in the field of video game animation.

Program Requirements:

Units Required: 24.5

Units

MEA-106	Introduction to Animation	3.0
MEA-109	Story Development and Storyboarding	3.0
MEA-131	3D Modeling and Surfacing	3.0
MEA-218	Real-Time Video Game Animation ..	3.0
MEA-231	Digital Sculpture	3.0
MEA-232	Character and Prop Design for Animation.....	3.0

MEA-234	Character Animation.....	3.0
MEA-295	Professional Practices/Portfolio.....	2.0
CAWT-074	Introduction to Photoshop.....	1.5

Recommended electives:

CMPSCI-235	C Programming	3.0
CMPSCI-236	C++ Object Oriented Programming.....	3.0
CWE-186MEA	Cooperative Work Experience	
	Education	
	Media Entertainment Arts	
	(Unpaid).....	1.0 – 4.0

OR

CWE-188MEA	Cooperative Work Experience	
	Education	
	Media Entertainment Arts	
	(Paid).....	1.0 – 4.0

MEA 100 MASS MEDIA AND SOCIETY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID JOUR 100

Surveys mass communication by examining the interrelationships between media and society, and by defining the history, structures, trends and technologies of mass media content, including print, radio, television, film, digital media and the internet.

MEA 101 TELEVISION AND FILM MEDIA AESTHETICS

Units: 3.00

CSU 54.00 hours lecture

Surveys and examines the fundamental components of cinematic art, as found in television, film and digital media. Students analyze how various dramatic, narrative, and technological conventions are used to tell stories and create meaning.

MEA 102 HISTORY OF ANIMATION

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys and analyzes animated motion picture and television masterpieces from their inception to the present, including the ideas and values of the examined animated films as reflected and emphasized through artistic techniques.

MEA 103 EXPLORING CONTEMPORARY TELEVISION

Units: 3.00

CSU 54.00 hours lecture

Recommend Preparation: ENGL-101 or ENGL-101H

Examines the contemporary American television programming genre and analyzes the industry from a variety of perspectives including social, cultural, political, historical and economic.

MEA 106 INTRODUCTION TO ANIMATION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended Preparation: ART-124B

Introduces the principles of animation, laws of motion, timing, analysis, and the production of a short animated narrative video using traditional drawing methods.

MEA 108 SCRIPTWRITING FUNDAMENTALS

Units: 3.00

CSU 54.00 hours lecture

Recommend Preparation: ENGL-091 or higher english placement

Presents writing for film, television, and electronic media and surveys standard industry script formats for commercials, broadcast, film and television narratives.

MEA 109 STORY DEVELOPMENT AND STORYBOARDING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces story development and storyboarding for animation. Emphasis is on storyboarding, as well as the understanding of traditional story structure for animated film, television and internet.

MEA 110 WRITING FOR JOURNALISM AND NEW MEDIA

Units: 3.00

CSU 54.00 hours lecture

C-ID JOUR 110

Recommend Preparation: ENGL-091 or higher english placement

Introduces language and style as it applies to print, broadcast and new media journalism.

MEA 111 EXPLORING VIDEO FIELD PRODUCTION

Units: 2.00

CSU 27.00 hours lecture, 27.00 hours lab

Introduces the theory, terminology, operation and aesthetics of field video production, including direction, camera operation, portable lighting, audio, and video recording equipment for on-location multimedia production.

MEA 112 EXPLORING VIDEO STUDIO PRODUCTION

Units: 2.00

CSU 27.00 hours lecture, 27.00 hours lab

Presents the theory and technology of video studio production, including lighting, camera, switcher, special effects, microphones, audio mixer, and videotape recorders, including the production process from script to screen through a variety of in-class studio projects.

MEA 114 DIGITAL SOUND EDITING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces non-linear sound editing and audio creation used for multimedia content, including podcasts, film and television soundtracks, video game sound design, and the internet.

MEA 116 FILM/VIDEO EDITING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces non-linear editing used for multimedia content, including podcasts, film and television soundtracks, video game sound design, and the internet.

MEA 118 INTRODUCTION - 2D DIGITAL ANIMATION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces 2D computer animation. Students produce a short narrative film using characters.

MEA 119 ANNOUNCING AND MEDIA PERFORMANCE

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the theory and practice of broadcast announcing, emphasizing interpretation of copy and pronunciation. Students learn how to develop an "on-air personality" through vocal delivery, eye contact, and body language, as well as the practical use of audio equipment and ad-libbing.

MEA 120 INTRODUCTION TO CINEMATOGRAPHY

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Examines the well-disciplined creative and technical control of high definition, ultra high definition and film cameras, including the demonstration and application of cinematic lighting techniques for both studio and location production.

MEA 125 INTRODUCTION MULTIMEDIA JOURNALISM

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Presents beginning instruction of multimedia journalism including newsgathering, photo journalism, podcasting, social media, animation and text, broadcast media and web.

MEA 131 3D MODELING AND SURFACING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces 3D computer design, including modeling, surfacing, textures, lighting and rendering through the use of Maya software. Students learn how Maya "nodes" work with polygon modeling, as well as surfacing controls. Students also learn how to design environments and explore camera and lighting setups.

MEA 135 COMPUTER ANIMATION AND SPECIAL EFFECTS

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended Preparation: MEA-131

Introduces 3D computer animation and special effects through the use of Maya software. Students learn how the graph editor works to control animation, how to apply the principles of motion and emotion to animated scenes, and how to create visual special effects used in animation and live-action entertainment.

MEA 155 BASIC AUDIO PRODUCTION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the tools and techniques used to create professional audio for film, television, and new media. Explores recording methods for both studio and location sound recording and mixing.

MEA 159 MUSIC FOR FILM, TELEVISION AND NEW MEDIA

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Examines tools, techniques and aesthetics used in creating music scores and soundtracks for motion pictures, television, and new media, including production fundamentals, audio/visual synchronization, and basic electronic music composition. (Same as MUSIC-159)

MEA 180 FILMMAKING I

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended Preparation: MEA-120

Introduces basic training in visual storytelling, directing cast and crew, and organizing a film production. Concepts of narrative structure and production protocol are grounded in technical knowledge of HD digital video formats.

MEA 210 INTERMEDIATE NEWS REPORTING/WRITING

Units: 3.00

CSU 54.00 hours lecture

C-ID JOUR 210

Recommend Preparation: MEA-110

Focuses on coverage of public affairs beats, including local and regional government, police, courts, and school and city boards. Emphasizes both on- and off-campus reporting and writing/news presentation for a variety of news purposes and through multiple platforms.

MEA 215 PHOTOJOURNALISM AND NEWS PHOTOGRAPHY

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

C-ID JOUR 160

Prerequisite: MEA-120 or PHOTO-150 or PHOTO-155 or PHOTO-160

Introduces contemporary photojournalism and news photography through applications of theory and concepts of visual communication to digital photographic processes to produce news stories, photographic series, and photo-essays. Note: It is recommended that students have access to a Digital SLR camera with manual exposure and interchangeable lenses. (Same as PHOTO-215)

MEA 218 REAL-TIME VIDEO GAME ANIMATION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MEA-131

Designing, creating, and animating within a real-time, virtual, 3D game environment using 3D software and game engine, including modeling, surface texturing (normal mapping), animation, special effects and virtual set lighting.

MEA 225 NEWS MEDIA PRODUCTION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

C-ID JOUR 130

Recommended Preparation: MEA-125

Presents advanced instruction and practicum in new media creation, and television production including newsgathering, on-air reporting, studio operation, and written content for online publication, "Cougar News."

MEA 230 ONLINE PRODUCTION AND NEW MEDIA MANAGEMENT

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MEA-225

Capstone course emphasizing practice in supervising and managing student-produced online content for cougarnews.com, including news, entertainment, features and sports.

MEA 231 DIGITAL SCULPTURE

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MEA-131

Presents digital sculpting software to create 3D computer images or characters from concept to digital model, as well as a professional production process to create digital 3D creatures for films and games.

MEA 232 CHARACTER AND PROP DESIGN FOR ANIMATION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended Preparation: ART-124B

Introduces traditional and digital tools to create animated models, emphasizing emotional content and clarity of design, as well as technical conventions.

MEA 233 ADVANCED 2D DIGITAL ANIMATION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MEA-106 Recommended Preparation: ART-124A

Studies design, composition, perspective, atmospheric and psychological lighting, and camera placement as applied to the construction of scenes, the congruency of sequences, and the designing of environments for animation. Utilizes 2D digital software in the creation of character-driven narratives.

MEA 234 CHARACTER ANIMATION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MEA-135

Explores 3D computer character animation through the use of Maya software to create characters showing action and emotions, including facial animation and non-linear editing.

MEA 235 VISUAL EFFECTS

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended Preparation: GMD-173

Presents advanced practice and theory of using computer-generated special effects combined with live action, video, and film. Addresses compositing special effects in a variety of different styles and looks as well as the use of green screen or matting and rotoscoping and digital set extensions.

MEA 255 AUDIO POST-PRODUCTION FOR FILM/TV/NEW MEDIA

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended Preparation: MEA-114, MEA-155, MEA-159

Examines advanced audio technologies and postproduction techniques for film, television, and new media, including studio and location sound recording, digital sound editing, sound design aesthetics, and mixing/mastering of professional soundtracks.

MEA 261 ADVANCED ANIMATION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MEA-106

Examines 2D, digital character animation and its techniques in depth. Students will complete advanced animation exercises, as well as design and produce a short animated film.

MEA 265 ANIMATION PRODUCTION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MEA-106, MEA-131, MEA-135

Presents designing, planning, and creating an animated film in a team-based environment.

MEA 280 FILMMAKING II: DIRECTING AND PRODUCING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MEA-180

Examines advanced filmmaking techniques to create film projects that reflect the personal style of the writer-director, including management skills in directing and producing.

MEA 295 PROFESSIONAL PRACTICES/ PORTFOLIO

Units: 2.00

CSU 27.00 hours lecture, 27.00 hours lab

Develops career-building skills for Media Entertainment Arts majors seeking employment in the media industry, transfer to four-year film/media arts degree programs, and application to film and media festivals. Focuses on workforce preparation, including: portfolio design and evaluation; creation of professional resumes, cover letters, and artist statements; and examining networking tools including online marketing and social media.

MEDICAL LABORATORY TECHNICIAN

Associate in Science Degree: Medical Laboratory Technician

The Medical Laboratory Technician Program is accredited by the National Accrediting Agency for Clinical Laboratory Science. The Medical Laboratory Technology Associate Degree program prepares students for employment in clinical laboratories, industry and biotechnology. The MLT Program curriculum, an integration of classroom lectures, student laboratories and clinical training, fosters development of analytical and problem-solving skills required in this profession.

PREREQUISITES – completed with minimum 2.50 GPA

1. Anatomy (4 semester or 6 quarter units)
2. Physiology (4 semester or 6 quarter units)
3. Microbiology (4 semester or 6 quarter units)
4. Preparatory General Chemistry (4 semester or 6 quarter units)

Completing program prerequisites does not assure admission into the program.

RECOMMENDED PREPARATION

ENGL-101 or ENGL-101H. It is highly recommend that students be proficient in both the written and oral English language prior to enrolling in the program or, at the very least, prior to enrolling in the clinical practicum courses and training at the clinical laboratory sites.

APPLICATION PROCEDURE:

1. Submit College of the Canyons application and obtain a student identification number.
2. Submit the following documents to Admissions and Records:
 - Official sealed transcripts from all colleges attended, except COC (must include all coursework regardless if MLT prerequisite or not)
 - For transcripts from other countries, an official sealed foreign transcript evaluation from a NACES-approved agency
 - Official College Board AP English score
 - A copy of high school transcript, copy of diploma, OR copy of GED certificate
 - Students with transcripts evaluated by ACCRAO should contact the Mathematics, Sciences, and Health Professions office for assistance.
3. Submit MLT Program Application to the Mathematics, Sciences, and Health Professions office. Evidence of completion of Phlebotomy must be attached to the application. A valid COC email

address is required.

4. The MLT application and official transcripts will be evaluated to determine if applicant meets current MLT Program selection criteria. Applicants will not be eligible for selection if admission requirements are not met.
5. Selected applicants must attend and complete the mandatory program orientation or they will be dropped from the program.

Mandatory Requirements of all Medical Lab Technician (MLT) Students:

Once admitted to the MLT Program, students are required to complete lab experiences at affiliated hospitals and clinical labs. Students must have their own means of transportation to these off-campus sites. These facilities have requirements above and beyond the requirements of being a student on a community college campus. All students entering the program must complete the following in order to participate in program activities:

- Current Physical
- Current TB clearance – Two-Step Process or Chest Xray
- Color Blindness Screening – for accommodation purposes only
- Immunizations and Titers
- Drug Screening
- Current CPR card
- Current Fire Life Safety Card
- Malpractice Insurance
- Background Check and OIG/GSA Clearance – any student with questions about background checks should contact the Mathematics, Sciences, and Health Professions office for a confidential opportunity to discuss this based on healthcare setting requirements about background clearances
- Hepatitis B Video
- ID Badge

If these mandatory requirements are not met, the student will be blocked from registration for the MLT courses and dropped from the program.

Additional details and information about these requirements will be provided to students upon acceptance to the program. Students who have questions prior to applying to the program may contact the Mathematics, Sciences, and Health Professions office for assistance.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment as a medical laboratory technician.

Program Requirements:

Units Required: 58.75

	Units
MLT-110	Clinical Hematology Lecture..... 3.0
MLT-110L	Clinical Hematology Lab..... 1.0

MLT-112	Clinical Urinalysis Lecture 1.0
MLT-112L	Clinical Urinalysis Lab 0.5
MLT-114	Clinical Coagulation Lecture..... 1.0
MLT-114L	Clinical Coagulation Lab..... 0.75
MLT-116	Clinical Microbiology Lecture..... 3.0
MLT-116L	Clinical Microbiology Lab..... 1.0
MLT-118	Clinical Immunology/Immunohe- matology Lecture 3.0
MLT-118L	Clinical Immunology/Immunohe- matology Lab 1.0
MLT-120	Clinical Chemistry I Lecture..... 3.0
MLT-120L	Clinical Chemistry I Lab..... 1.0
MLT-124	Clinical Chemistry II Lecture..... 3.0
MLT-124L	Clinical Chemistry II Lab..... 1.0
MLT-128	Clinical Hematology/Urinalysis/ Coagulation Practicum 4.0
MLT-129	Clinical Microbiology Practicum..... 4.0
MLT-130	Clinical Immunology/Immunohe- matology Practicum 3.0
MLT-131	Clinical Chemistry Practicum..... 4.0
	<i>Required electives:</i>
BIOSCI-221	Introduction to Microbiology..... 5.0
CHEM-151	Preparatory General Chemistry..... 4.0
	<i>OR</i>
CHEM-151H	Preparatory General Chemistry - Honors..... 4.0
MLT-050	Phlebotomy..... 3.5
	<i>Plus eight units from the following:</i>
BIOSCI-201	Introduction to Human Anatomy 4.0
	<i>AND</i>
BIOSCI-202	Introduction to Human Physiology... 4.0
	<i>OR</i>
BIOSCI-204	Human Anatomy and Physiology I... 4.0
	<i>AND</i>
BIOSCI-205	Human Anatomy and Physiology II.. 4.0

MLT 050 PHLEBOTOMY

Units: 3.50

45.00 hours lecture, 54.00 hours lab

Prerequisite: Official admission to the MLT Program

Designed to prepare personnel to collect blood samples for medical laboratory analysis. Technique, equipment, and proper patient preparation will be stressed. Successful completion of the course will result in a Phlebotomy Technician Proficiency Certificate, which makes students eligible for state certification. Includes learning experiences both in on-campus skills laboratories and at affiliated clinical sites. Students must have their own means of transportation to these off-campus sites.

MLT 110 CLINICAL HEMATOLOGY**LECTURE**

Units: 3.00

CSU 54.00 hours lecture

*Prerequisite: Official admission to the MLT Program.**Co-requisite: MLT-110L*

Presents hematology from the unclassified stem cell in the bone marrow to both normal and abnormal peripheral blood cells, including the procedures used to identify these cells.

MLT 110L CLINICAL HEMATOLOGY LAB

Units: 1.00

CSU 54.00 hours lab

*Prerequisite: Official admission to the MLT Program.**Co-requisite: MLT-110*

Introduces the instruments and techniques used for hematology testing, including calibration and interpretation of results. Emphasizes the morphology and identification of common human blood cells.

MLT 112 CLINICAL URINALYSIS LECTURE

Units: 1.00

CSU 18.00 hours lecture

*Prerequisite: Official admission to the MLT Program.**Co-requisite: MLT-112L*

Presents the properties and constituents of urine, emphasizing the interpretation of qualitative and quantitative clinical analysis of urine, and a comparison of lab results to kidney function.

MLT 112L CLINICAL URINALYSIS LAB

Units: 0.50

CSU 27.00 hours lab

*Prerequisite: Official admission to the MLT Program.**Co-requisite: MLT-112*

Presents urine testing, interpretation, and correlation. Emphasizes qualitative and quantitative clinical examination of urine specimens, including the principle of each reaction, quality control, interpretation, and correlation to other laboratory findings.

MLT 114 CLINICAL COAGULATION**LECTURE**

Units: 1.00

CSU 18.00 hours lecture

*Prerequisite: Official admission to the MLT Program.**Co-requisite: MLT-114L*

Presents hemostasis, properties, and factors involved in the clotting system, including various coagulation disorders and their related laboratory findings.

MLT 114L CLINICAL COAGULATION LAB

Units: 0.75

CSU 40.50 hours lab

*Prerequisite: Official admission to the MLT Program.**Co-requisite: MLT-114*

Introduces the techniques and safety procedures used in the clinical coagulation laboratory, emphasizing platelet function tests and intrinsic and extrinsic clotting pathway testing.

MLT 116 CLINICAL MICROBIOLOGY**LECTURE**

Units: 3.00

CSU 54.00 hours lecture

*Prerequisite: Official admission to the MLT Program.**Co-requisite: MLT-116L*

Introduces identification methods, theories, and techniques used in basic bacteriology, parasitology, and mycology emphasizing routine organism identification.

MLT 116L CLINICAL MICROBIOLOGY LAB

Units: 1.00

CSU 54.00 hours lab

*Prerequisite: Official admission to the MLT Program and BIOSCI 221.**Co-requisite: MLT-116*

Introduces the various techniques and safety procedures in clinical microbiology. Emphasizes the morphology and identification of common pathogenic organisms.

**MLT 118 CLINICAL IMMUNOLOGY/
IMMUNOHEMATOLOGY LECTURE**

Units: 3.00

CSU 54.00 hours lecture

*Prerequisite: Official admission to the MLT Program.**Co-requisite: MLT-118L*

Introduces the principles of antigen and antibody reactions included in blood grouping and typing, and compatibility testing, and serological and immuno-hematological procedures.

**MLT 118L CLINICAL IMMUNOLOGY/
IMMUNOHEMATOLOGY LAB**

Units: 1.00

CSU 54.00 hours lab

*Prerequisite: Official admission to the MLT Program.**Co-requisite: MLT-118*

Introduces serological and immuno-hematology procedures and techniques to measure analytes qualitatively and quantitatively.

**MLT 120 CLINICAL CHEMISTRY I
LECTURE**

Units: 3.00

CSU 54.00 hours lecture

*Prerequisite: Official admission to the MLT Program.**Co-requisite: MLT-120L*

Presents the theoretical and practical concepts associated with testing procedures used in the clinical chemistry laboratory, including the fundamentals of general laboratory principles and specific basic instrumentation and methodologies.

MLT 120L CLINICAL CHEMISTRY I LAB

Units: 1.00

CSU 54.00 hours lab

*Prerequisite: Official admission to the MLT Program.**Co-requisite: MLT-120*

Introduces the various types of instrumentation used in the clinical chemistry laboratory, including testing parameters, calibration, quality control, preventative maintenance, and some manual procedures.

**MLT 124 CLINICAL CHEMISTRY II
LECTURE**

Units: 3.00

CSU 54.00 hours lecture

*Prerequisite: MLT-120 and MLT-120L**Co-requisite: MLT-124L*

Second in two-part clinical chemistry series, emphasizing the endocrine, liver, kidney, and pancreatic functions. Also includes tumor markers, drug screening, and body fluids.

MLT 124L CLINICAL CHEMISTRY II LAB

Units: 1.00

CSU 54.00 hours lab

*Prerequisite: MLT-120 and MLT 120L**Co-requisite: MLT-124*

Presents more advanced instrumentation used in the clinical chemistry laboratory to test different body systems as well as drug screening, tumor markers, and body fluids. Includes their principles, testing parameters, calibration, quality control, and preventive maintenance.

**MLT 128 CLINICAL HEMATOLOGY/
URINALYSIS/ COAGULATION PRACTICUM**

Units: 4.00

CSU 216.00 hours lab

Prerequisite: MLT-110 and MLT-110L, MLT-112 and MLT-112L, MLT-114 and MLT-114L

Provides entry-level clinical laboratory experience in the clinical laboratory hematology, urinalysis, and coagulation departments, emphasizing technique, accuracy, and precision.

**MLT 129 CLINICAL MICROBIOLOGY
PRACTICUM**

Units: 4.00

CSU 216.00 hours lab

Prerequisite: MLT-116 and MLT-116L

Provides entry-level clinical laboratory experience in the clinical laboratory microbiology department, emphasizing technique, accuracy, and precision.

**MLT 130 CLINICAL IMMUNOLOGY/
IMMUNOHEMATOLOGY PRACTICUM**

Units: 3.00

CSU 162.00 hours lab

Prerequisite: MLT-118 and MLT-118L

Provides entry-level clinical laboratory experience in the serology and blood banking departments, emphasizing technique, accuracy, and precision.

**MLT 131 CLINICAL CHEMISTRY
PRACTICUM**

Units: 4.00

CSU 216.00 hours lab

Prerequisite: MLT-124 and MLT-124L

Provides entry-level clinical laboratory experience in the general and special chemistry departments, emphasizing technique, accuracy, and precision.

MODERN LANGUAGES

The Department of Modern Languages offers courses in Chinese, French, German, Italian and Spanish. Foreign-language studies provide the student with a foundation in written communication skills of the language. From a vocational standpoint, the program provides skills in translation and interpretation, business, commerce, and foreign-language based research. Foreign-language studies include numerous opportunities for students to enhance language skills and intercultural awareness through activities such as conversational groups, cultural excursions, poetry reading, and foreign film festivals.

CHINESE

CHINESE 101 ELEMENTARY CHINESE I - MANDARIN

Units: 5.00

UC:CSU 90.00 hours lecture

Introduces Chinese language (Mandarin) with emphasis in developing essential skills in communication. Practice in speaking and understanding as well as reading and writing Chinese characters. Introduces the geography, customs and culture of China. Corresponds to the first two years of high school Chinese. Not appropriate for native or heritage speakers.

CHINESE 102 ELEMENTARY CHINESE II - MANDARIN

Units: 5.00

UC:CSU 90.00 hours lecture

Prerequisite: CHNESE-101

Develops linguistic and cultural proficiency at the novice high level with emphasis on communication within the context of the Chinese culture. Practices speaking and understanding as well as reading and writing Chinese characters.

FRENCH

Associate in Arts Degree: French

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in communicating in expressive and receptive forms in French. Compare and contrast cultures and histories of the French speaking world.

Program Requirements:

Units Required: 23

	Units
FRNCH-101 Elementary French I	5.0
FRNCH-102 Elementary French II	5.0
FRNCH-150 Beginning Conversational French ...	3.0
FRNCH-201 Intermediate French I	5.0
FRNCH-202 Intermediate French II	5.0

FRNCH 101 ELEMENTARY FRENCH I

Units: 5.00

UC:CSU 90.00 hours lecture

Develops language skills in listening, reading, speaking and writing at the novice mid level within a cultural context with a strong emphasis on communication. Corresponds to the first two years of high school French. Not appropriate for native speakers.

FRNCH 102 ELEMENTARY FRENCH II

Units: 5.00

UC:CSU 90.00 hours lecture

Prerequisite: FRNCH-101

Continues the study of the fundamentals of the French language, emphasizing correct pronunciation and mastery of a practical vocabulary, oral and written expression, and the study of the cultures of the contemporary French-speaking world. Not appropriate for native speakers. Corresponds to the third year of high school French.

FRNCH 150 BEGINNING CONVERSATIONAL FRENCH

Units: 3.00

CSU 54.00 hours lecture

Presents the essentials of French for conversational and practical usage. Emphasis on understanding and speaking French in everyday situations, including vocabulary and phrases useful for traveling, studying and working in French-speaking countries.

FRNCH 201 INTERMEDIATE FRENCH I

Units: 5.00

UC:CSU 90.00 hours lecture

Prerequisite: FRNCH-102

Reviews French grammar, emphasizing practical and idiomatic usage as well as analyzing essays, poems and short stories in French by famous authors from the French-speaking world. Corresponds to the fourth year of high school French.

FRNCH 202 INTERMEDIATE FRENCH II

Units: 5.00

UC:CSU 90.00 hours lecture

Prerequisite: FRNCH-201

Presents more advanced grammatical structures and syntax, emphasizing practical and idiomatic usage, as well as analyzing essays, poems, short stories and novels in French by famous authors from the French-speaking world.

GERMAN**GERMAN 101 ELEMENTARY GERMAN I**

Units: 5.00

UC:CSU 90.00 hours lecture

Develops language skills in listening, reading, speaking and writing within a cultural context with a strong emphasis on communication. Emphasizes acquisition of vocabulary, structures, and grammatical patterns necessary for comprehension and production of spoken and written German at the beginning level. Taught in German. Corresponds to the first two years of high school German. Not appropriate for native or heritage speakers.

GERMAN 102 ELEMENTARY GERMAN II

Units: 5.00

UC:CSU 90.00 hours lecture

Prerequisite: GERMAN-101

Develops linguistic and cultural proficiency at the novice high level. Taught in German. Corresponds to the third year of high school German. Not appropriate for native or heritage speakers.

ITALIAN**ITAL 101 ELEMENTARY ITALIAN I**

Units: 5.00

UC:CSU 90.00 hours lecture

Develops language skills in listening, reading, speaking and writing within a cultural context with a strong emphasis on communication. Emphasizes acquisition of vocabulary, structures, and grammatical patterns necessary for comprehension and production of spoken and written Italian at the beginning level. This course is taught in Italian. This course corresponds to the first two years of high school Italian. Not appropriate for native or heritage speakers.

ITAL 102 ELEMENTARY ITALIAN II

Units: 5.00

UC:CSU 90.00 hours lecture

Prerequisite: ITAL-101

Develops linguistic and cultural proficiency at the novice high level. Taught in Italian. Corresponds to the third year of high school Italian. Not appropriate for native or heritage speakers.

ITAL 150 CONVERSATIONAL ITALIAN

Units: 3.00

UC:CSU 54.00 hours lecture

Presents the essentials of Italian for conversational and practical usage. Intensive practice in the expression and comprehension of spoken Italian.

Associate in Arts Degree: Spanish for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Spanish. Additional majors are being developed. Please see a counselor **or visit <http://www.canyons.edu/degreetransfer>** for more information.

Degree Student Learning Outcome:

Students will be able to:

- Demonstrate proficiency in communicating in expressive and receptive forms in Spanish.
- Compare and contrast cultures and histories of the Spanish speaking world.

Program Requirements:

Units Required: 23

		Units
SPAN-101	Elementary Spanish I	5.0

OR

SPAN-101H	Elementary Spanish I – Honors.....	5.0
SPAN-102	Elementary Spanish II	5.0

Plus eight units from the following:

SPAN-201	Intermediate Spanish I.....	5.0
----------	-----------------------------	-----

OR

SPAN-211	Spanish for Heritage Speakers I.....	5.0
----------	--------------------------------------	-----

AND

SPAN-202	Intermediate Spanish II.....	5.0
----------	------------------------------	-----

OR

SPAN-212	Spanish for Heritage Speakers II.....	5.0
----------	---------------------------------------	-----

Plus three units from the following:

SPAN-150	Beginning Conversational Spanish.....	3.0
----------	--	-----

SPAN-240	Introduction to Latin American Literature	3.0
----------	--	-----

If students need to substitute units due to testing out of required courses, they may choose from the courses listed below if not already taken above:

FRNCH-101	Elementary French I	5.0
-----------	---------------------------	-----

FRNCH-102	Elementary French II	5.0
-----------	----------------------------	-----

ITAL-101	Elementary Italian I.....	5.0
----------	---------------------------	-----

SPAN-150	Beginning Conversational Spanish.....	3.0
----------	--	-----

SPAN-240	Introduction to Latin American Literature	3.0
----------	--	-----

Associate in Arts Degree: Spanish

Degree Student Learning Outcome:

- Demonstrate proficiency in communicating in expressive and receptive forms in Spanish.
- Compare and contrast cultures and histories of the Spanish speaking world.

Program Requirements:

Units Required: 21

		Units
SPAN-150	Beginning Conversational Spanish.....	3.0

SPAN-201	Intermediate Spanish I.....	5.0
----------	-----------------------------	-----

SPAN-202	Intermediate Spanish II.....	5.0
----------	------------------------------	-----

SPAN-240	Introduction to Latin American Literature	3.0
----------	--	-----

Plus five units from the following:

SPAN-102	Elementary Spanish II	5.0
----------	-----------------------------	-----

SPAN-212	Spanish for Heritage Speakers II.....	5.0
----------	---------------------------------------	-----

SPAN 101 ELEMENTARY SPANISH I

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID SPAN 100

Develops linguistic and cultural proficiency at the novice mid level. Taught in Spanish. Corresponds to the first two years of high school Spanish. Not appropriate for native or heritage speakers. UC credit limitation: SPAN-101 and 211 combined, maximum credit one course.

SPAN 101H ELEMENTARY SPANISH I – HONORS

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID SPAN 100

Develops linguistic and cultural proficiency at the novice mid level. Taught in Spanish within a cultural context. Corresponds to the first two years of high school Spanish. Not appropriate for native or heritage speakers. UC credit limitation: SPAN-101 and 211 combined, maximum credit one course. Additional reading and writing assignments are required for honors section.

SPAN 102 ELEMENTARY SPANISH II

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID SPAN 110

Prerequisite: SPAN-101 or SPAN-101H

Develops linguistic and cultural proficiency at the novice high level. Corresponds to the third year of high school Spanish. Not appropriate for native or heritage speakers. UC credit limitation: SPAN-102 and 212 combined, maximum credit one course.

SPAN 150 BEGINNING CONVERSATIONAL SPANISH

Units: 3.00

UC:CSU 54.00 hours lecture

Essentials of Spanish for conversational and practical usage. Intensive practice in the expression and comprehension of spoken Spanish. Emphasizes the practical application of the language, not grammar acquisition or review.

SPAN 201 INTERMEDIATE SPANISH I

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID SPAN 200

Prerequisite: SPAN-102

Presents Spanish grammar at the intermediate level, emphasizing practical and idiomatic usage as well as analyzing essays, poems and short stories in Spanish by famous authors from the Spanish-speaking world.

SPAN 202 INTERMEDIATE SPANISH II

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID SPAN 210

Prerequisite: SPAN-201

Presents more advanced grammatical structures and syntax at the intermediate high level, emphasizing linguistic and cultural proficiency using cultural and literary materials.

SPAN 211 SPANISH FOR HERITAGE SPEAKERS I

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID SPAN-220

Prerequisite: SPAN-102

Focuses on developing and strengthening reading and writing skills while exploring Spanish speaking culture. Emphasis is placed on spelling, punctuation, lexical variations, idioms and cultural components of the Spanish language. This class is designed for students who communicate in Spanish, heritage speakers, and/or have near-native oral proficiency. UC credit limitation: SPAN-101 and 211 combined, maximum credit one course.

SPAN 212 SPANISH FOR HERITAGE SPEAKERS II

Units: 5.00

UC:CSU 90.00 hours lecture

C-ID SPAN 230

Prerequisite: SPAN-211

Focuses on reading and writing with special attention to formal aspects of the language while exploring the Spanish speaking culture. Designed for students who communicate in Spanish and/or have near-native oral proficiency. UC credit limitation: SPAN-102 and 212 combined, maximum credit one course.

SPAN 240 INTRODUCTION TO LATIN AMERICAN LITERATURE

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys literature and culture of Latin America from 1492 to the present, including basic literary concepts and analysis of the four genres, narrative, essay, poetry, and drama within literary movements in Latin America. Lectures and discussions are in Spanish.

MUSIC

Associate in Arts Degree: Music for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer”, a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
 2. Obtainment of a minimum grade point average of 2.0.
- Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Music. Additional majors are being developed. Please see a counselor for more information.

Degree Student Learning Outcome:

Students will be able to apply theoretical music concepts and performance-based skills to produce and to create original music.

Program Requirements:

Units required: 23

	Units
MUSIC-101 Musicianship Skills I	1.0
MUSIC-102 Musicianship Skills II	1.0
MUSIC-103 Musicianship Skills III	1.0
MUSIC-120A Tonal Harmony I	3.0
MUSIC-120B Tonal Harmony II	3.0

MUSIC

MUSIC-220A Chromatic Harmony I.....3.0
 Plus four units of Applied Music (courses may be repeated):

MUSIC-189 Individualized Music Lessons..... 1.0
 MUSIC-190 Applied Performance..... 1.0

Plus four units of Major Ensemble and/or Specialized Ensemble form the following (courses may be repeated):

MUSIC-153 Studio Jazz Ensemble..... 1.0
 MUSIC-165 Symphony of the Canyons 1.0
 MUSIC-173 Jazz Vocal Ensemble 1.0
 MUSIC-175 Festival Choir: Voices of the Canyons 1.0
 MUSIC-176 Chamber Singers..... 1.0
 MUSIC-177 Women’s Choir (Les Chanteuses)... 1.0
 MUSIC-185 Symphonic Band 1.0
 MUSIC-186 Music Ensemble 1.0

Plus three units from the following:

MUSIC-105 Music Appreciation 3.0
 MUSIC-112 Music History 3.0
 MUSIC-220B Chromatic Harmony II..... 3.0

Associate in Arts Degree: Music - Composition

The Music-Composition program is designed to give students the ability to develop an individualistic artistic voice through the exposure to the rigors of traditional music theory, performance and musicianship, with the option to choose among various elective courses to focus on their area of creative interest.

The Department of Music offers a comprehensive curriculum to prepare songwriters, electronic minded musicians, symphonic composers, pop and jazz enthusiasts, for the path toward successful creative careers.

Music students in this major must participate in at least two major performing groups while enrolled in the program. Students should select a performing group that fits their performance specialty or interest.

Degree Student Learning Outcome:

Students will be able to apply theoretical music concepts and performance-based skills to produce and to create original music.

Program Requirements:

Units Required: 21-24

	Units
MUSIC-103 Musicianship Skills III	1.0
MUSIC-104 Musicianship Skills IV	1.0

Plus a minimum of nine units from the following:

MUSIC-120A Tonal Harmony I 3.0
 MUSIC-120B Tonal Harmony II 3.0
 MUSIC-126 Pop and Jazz Music Theory 3.0

MUSIC-220A Chromatic Harmony I.....3.0
 MUSIC-220B Chromatic Harmony II.....3.0
 Plus a minimum of six units from the following:

MUSIC-118 Popular Songwriting 3.0
 MUSIC-125 Studies in Music Composition 3.0
 MUSIC-127 Orchestration for Strings and Woodwinds 3.0
 MUSIC-128 Orchestration for Brass, Percussion, and Harp..... 3.0
 MUSIC-142 Electronic Music Composition 3.0
 MUSIC-146 Electronic Music for the Stage..... 3.0

Plus a minimum of two units from the following:

MUSIC-131 Keyboard Instruction I 2.0
 MUSIC-132 Keyboard Instruction II 2.0
 MUSIC-160 Guitar Studies I 2.0
 MUSIC-161 Guitar Studies II 2.0
 MUSIC-167 Jazz Guitar Studies I 2.0
 MUSIC-168 Jazz Guitar Studies II 2.0

Plus a minimum of two - five units from the following:

MUSIC-116 Performance Ensembles for Music Theater..... 1.0 - 3.0
 MUSIC-151 Jazz Improvisation..... 1.0
 MUSIC-153 Studio Jazz Ensemble..... 1.0
 MUSIC-165 Symphony of the Canyons 1.0
 MUSIC-185 Symphonic Band 1.0
 MUSIC-186 Music Ensemble 1.0

Recommended electives:

MUSIC-100 Fundamentals of Music 3.0
 MUSIC-101 Musicianship Skills I 1.0
 MUSIC-102 Musicianship Skills II 1.0

Associate in Arts Degree: Music – Concert Performance

Music-Concert Performance students are required to audition and, once accepted, enroll in Music 189 (Individualized Lessons), to receive instruction on an instrument of their choice. Performance majors will be required to take Music 189 and Music 190 (Applied Performance) a total of four times. Students enrolled in this program will also have to take music theory and musicianship classes to earn the degree and to participate in one of the various instrumental ensembles in residence at the college per semester.

The Music-Concert Performance option offers music students an array of traditional symphonic, Jazz ensembles and chamber groups to prepare them toward the successful transfer to four-year institutions, as well as providing valuable experiences to build a professional career in music performance.

Music students in this major must participate in at least one major performing group or activity per semester. Students should select a performing group that fits their performance

specialty or interest. All ensembles and Jazz Improvisation classes are repeatable for credit up to four times all total.

Degree Student Learning Outcome:

Students will be able to apply theoretical music concepts and performance-based skills to produce and to create original music.

Program Requirements:

Units Required: 24

	Units
MUSIC-103 Musicianship Skills III	1.0
MUSIC-104 Musicianship Skills IV	1.0

Plus a minimum of six units from the following:

MUSIC-120A Tonal Harmony I	3.0
MUSIC-120B Tonal Harmony II	3.0
MUSIC-126 Pop and Jazz Music Theory	3.0
MUSIC-220A Chromatic Harmony I.....	3.0
MUSIC-220B Chromatic Harmony II.....	3.0

Take both courses below for a total of four units each:

MUSIC-189 Individualized Music Lessons	1.0
MUSIC-190 Applied Performance	1.0

Plus a minimum of eight units from the following:

MUSIC-116 Performance Ensembles for Music Theater	1.0 - 3.0
MUSIC-151 Jazz Improvisation.....	1.0
MUSIC-153 Studio Jazz Ensemble	1.0
MUSIC-165 Symphony of the Canyons	1.0
MUSIC-185 Symphonic Band	1.0
MUSIC-186 Music Ensemble	1.0

Recommended electives:

MUSIC-100 Fundamentals of Music	3.0
MUSIC-101 Musicianship Skills I	1.0
MUSIC-102 Musicianship Skills II	1.0
MUSIC-191 Contemporary Practices in Music Publishing.....	3.0
MUSIC-192 Music Business.....	3.0

Associate in Arts Degree: Music - Guitar Performance

Students pursuing the guitar major are given the recommendation to enroll in any of several guitar classes offered by the Music Department, while preparing to qualify for private lessons on either Jazz or Classical guitar, through the Individualized Music Lessons program. Students will be required to take Music 189 and Music 190 four times altogether. They will also need to enroll in music theory and musicianship classes to earn the degree.

Music students in this major must participate in at least one major performing group or activity per semester. Students should select a performing group that fits their performance specialty or interest.

Degree Student Learning Outcome:

Students will be able to play guitar music of various styles both as a soloist and in conjunction with other musicians.

Program Requirements:

Units Required: 24

	Units
MUSIC-103 Musicianship Skills III	1.0
MUSIC-104 Musicianship Skills IV	1.0

Plus a minimum of six units from the following:

MUSIC-120A Tonal Harmony I	3.0
MUSIC-120B Tonal Harmony II	3.0
MUSIC-126 Pop and Jazz Music Theory	3.0
MUSIC-220A Chromatic Harmony I.....	3.0
MUSIC-220B Chromatic Harmony II.....	3.0

Take both courses below for a total of four units each:

MUSIC-189 Individualized Music Lessons	1.0
MUSIC-190 Applied Performance	1.0

Plus a minimum of eight units from the following:

MUSIC-116 Performance Ensembles for Music Theater	1.0 - 3.0
MUSIC-151 Jazz Improvisation.....	1.0
MUSIC-153 Studio Jazz Ensemble	1.0
MUSIC-185 Symphonic Band	1.0
MUSIC-186 Music Ensemble	1.0

Recommended electives:

MUSIC-100 Fundamentals of Music	3.0
MUSIC-101 Musicianship Skills I	1.0
MUSIC-102 Musicianship Skills II	1.0
MUSIC-160 Guitar Studies I.....	2.0
MUSIC-161 Guitar Studies II.....	2.0
MUSIC-167 Jazz Guitar Studies I	2.0
MUSIC-168 Jazz Guitar Studies II	2.0
MUSIC-191 Contemporary Practices in Music Publishing.....	3.0
MUSIC-192 Music Business.....	3.0

Associate in Arts Degree: Music - Jazz Performance

Students in the Jazz Performance option will have access to various college-based ensembles as well as jazz theory and improvisation courses to prepare them to either transfer to a four-year university, or pursue a musical career.

There is also the opportunity to enroll in the college's Applied Music courses. For all qualified students, private lessons are offered on the instrument of their choice.

All students in this degree must participate in at least one major performing group or activity per semester. Students should select a performing group that fits their performance specialty or interest.

Degree Student Learning Outcome:

Students will be able to perform and improvise with a jazz-based ensemble on any band instrument.

Program Requirements:

Units Required: 18

Units

Fourteen units from the following:

MUSIC-101	Musicianship Skills I	1.0
MUSIC-102	Musicianship Skills II	1.0
MUSIC-103	Musicianship Skills III	1.0
MUSIC-104	Musicianship Skills IV	1.0
MUSIC-120A	Tonal Harmony I	3.0
MUSIC-120B	Tonal Harmony II	3.0
MUSIC-131	Keyboard Instruction I.....	2.0
MUSIC-132	Keyboard Instruction II.....	2.0
MUSIC-175	Festival Choir: Voices of the Canyons	1.0
MUSIC-220A	Chromatic Harmony I.....	3.0
MUSIC-220B	Chromatic Harmony II.....	3.0

*Plus a minimum of four units from the following
(courses may be repeated):*

MUSIC-151	Jazz Improvisation.....	1.0
MUSIC-153	Studio Jazz Ensemble.....	1.0

Recommended electives:

MUSIC-191	Contemporary Practices in Music Publishing.....	3.0
MUSIC-192	Music Business.....	3.0

Associate in Arts Degree: Music - Voice Performance

Students choosing the Voice Performance option will have access to various college-based ensembles as well as theory and improvisation courses to prepare them to either transfer to a four-year university or to pursue musical careers.

There is also the opportunity to enroll in the college's Applied Music courses. For all qualified students, private lessons are offered for vocalists.

All students in this degree must participate in at least one major performing group or activity per semester. Students should select a performing group that fits their performance specialty or interest.

The seven unit "Required Electives" option below is only required for the Applied Music option.

Degree Student Learning Outcome:

Students will be able to sing music of various styles from different historical periods both as a soloist and in conjunction with other musicians.

Program Requirements:

Units Required: 18

Units

Fourteen units from the following:

MUSIC-101	Musicianship Skills I	1.0
MUSIC-102	Musicianship Skills II	1.0
MUSIC-103	Musicianship Skills III	1.0
MUSIC-104	Musicianship Skills IV	1.0
MUSIC-120A	Tonal Harmony I	3.0
MUSIC-120B	Tonal Harmony II	3.0
MUSIC-131	Keyboard Instruction I.....	2.0
MUSIC-132	Keyboard Instruction II.....	2.0
MUSIC-175	Festival Choir: Voices of the Canyons	1.0
MUSIC-220A	Chromatic Harmony I.....	3.0
MUSIC-220B	Chromatic Harmony II.....	3.0

Plus a minimum of four units from the following:

MUSIC-140	Vocal Development for Popular Music	1.0
MUSIC-141	Voice Development: From the Baroque to The 21st Century	2.0
MUSIC-173	Jazz Vocal Ensemble	1.0
MUSIC-175	Festival Choir: Voices of the Canyons	1.0
MUSIC-176	Chamber Singers.....	1.0
MUSIC-177	Women's Choir (Les Chanteuses)...	1.0

Recommended electives:

MUSIC-191	Contemporary Practices in Music Publishing.....	3.0
MUSIC-192	Music Business.....	3.0

MUSIC 090L ELECTRONIC MUSIC LAB

Units: 1.00

54.00 hours lab

A lab for the currently enrolled music student who wishes to increase skills through the use of the music lab facility. Note: Students must attend faculty supervised weekly scheduled class time. Hours must be accrued at a time separate from any other class in which the student is also registered. This course is not a required course for any certificate or degree in the Music program. Offered pass/no-pass only. Units do not apply to the associate degree.

MUSIC 100 FUNDAMENTALS OF MUSIC

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID MUS 110

Introduces the elements of music and musical notation; music reading and sight-singing; scales and intervals.

MUSIC 101 MUSICIANSHIP SKILLS I

Units: 1.00

UC:CSU 54.00 hours lab

C-ID MUS 125

Prerequisite: MUSIC-100

First in a series of four comprehensive training workshops for musicians. It includes intensive practice of sight-singing, melodic and rhythmic dictations, chord recognition as well as applied music theory exercises.

MUSIC 102 MUSICIANSHIP SKILLS II

Units: 1.00

UC:CSU 54.00 hours lab

C-ID MUS 135

Prerequisite: MUSIC-101

Second in a series of four comprehensive training workshops providing musicians with intensive practice in sight-singing, melodic and rhythmic dictations, chord recognition and applied music theory exercises.

MUSIC 103 MUSICIANSHIP SKILLS III

Units: 1.00

UC:CSU 54.00 hours lab

C-ID MUS 145

Prerequisite: MUSIC-102

Third in a series of four comprehensive training workshops providing musicians with intensive practice in sight-singing, melodic and rhythmic dictations, chord recognition and applied music theory exercises.

MUSIC 104 MUSICIANSHIP SKILLS IV

Units: 1.00

UC:CSU 54.00 hours lab

C-ID MUS 155

Prerequisite: MUSIC-103

Fourth in a series of four comprehensive training workshops providing musicians with intensive practice in sight-singing, melodic and rhythmic dictations, chord recognition and applied music theory exercises.

MUSIC 105 MUSIC APPRECIATION

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID MUS 100

Surveys musical masterpieces through all eras of musical evolution. Develops on appreciation and understanding of music in relation to culture and other art forms through listening experiences, lecture, and discussion.

MUSIC 106 DEVELOPMENT OF JAZZ

Units: 3.00

UC:CSU 54.00 hours lecture

Presents jazz as a cultural medium, including its historical background and development in the United States.

MUSIC 107 HISTORY OF ROCK & ROLL

Units: 3.00

UC:CSU 54.00 hours lecture

Explores the rise of rock and roll as a modern musical genre and examines its place in modern society.

MUSIC 108 WORLD MUSIC

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys non-Western cultures through their musical traditions.

MUSIC 112 MUSIC HISTORY

Units: 3.00

UC:CSU 54.00 hours lecture

Presents the main periods and styles of Western music from the Middle Ages to the present, including the most important composers, as well as the cultural context in which their music was created.

MUSIC 116 PERFORMANCE ENSEMBLES FOR MUSIC THEATER

Units: 1.00 - 3.00

UC:CSU 54.00 - 162.00 hours lab

Rehearsal and performance of music for scenes and complete musical theater productions produced in conjunction with Theater and other performing arts departments. Ability to sing or play a wind, brass, string or percussion instrument is assumed. Offered pass/no-pass only.

MUSIC 118 POPULAR SONGWRITING

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces popular song writing and the construction of lyrics for the commercial music industry. Basic knowledge of music fundamentals is assumed.

MUSIC 120A TONAL HARMONY I

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID MUS 120

Recommended Preparation: MUSIC-101 & concurrent enrollment in MUSIC-131

Presents the theory and practice of Western harmony from the 17th century to the beginning of the 20th Century. Major topics include: properties of sound, rhythm and meter, intervals, diatonic scales and triads, seventh chords (including dominant seventh chords), figured bass symbols, principles of voice leading, non-harmonic tones and harmonic analysis of music from the classical period [c.1725-1825].

MUSIC 120B TONAL HARMONY II

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID MUS 130

*Prerequisite: MUSIC-120A**Recommended Preparation: Concurrent enrollment in MUSIC-102 & MUSIC-132*

Continues the concepts from Tonal Harmony I. Additional content includes: an introduction to two-part counterpoint; voice leading involving four-part chorale writing; diatonic harmony; and an introduction to secondary/applied chords and modulation.

MUSIC 125 STUDIES IN MUSIC COMPOSITION

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

Presents a technical and historical analysis of works in various music languages. Students will compose individual pieces to be performed by college-based music ensembles.

MUSIC 126 POP AND JAZZ MUSIC THEORY

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: MUSIC-120A

Focuses on the theoretical principles and practices found within the styles of jazz and pop music. Emphasizes analytical comprehension of style and chordal structure.

MUSIC 127 ORCHESTRATION FOR STRINGS AND WOODWINDS

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: MUSIC-100

A study of orchestration using the instruments of the standard symphonic ensemble with emphasis on strings and woodwinds. Course also focuses upon the use of computers, samplers and synthesizers as tools for the contemporary composer and arranger, as well as with the use of instruments from non-European traditions.

MUSIC 128 ORCHESTRATION FOR BRASS, PERCUSSION, AND HARP

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: MUSIC-100

Presents orchestration as it applies to the instruments of the standard symphonic ensemble, emphasizing brass, percussion, and harp. Includes the use of computers, samplers, and synthesizers as tools for the contemporary composer and arranger, as well as instruments from non-European traditions.

MUSIC 131 KEYBOARD INSTRUCTION I

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

First of two levels of keyboarding, focusing on introductory skills. Emphasizes instruction in elementary music-reading, repertoire, piano technique, tone production, sight-reading, keyboard harmony, and performance styles.

MUSIC 132 KEYBOARD INSTRUCTION II

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Recommended Preparation: MUSIC-131

Second of two levels of keyboarding, focusing on advanced beginner skills. Emphasizes instruction in music reading, repertoire, piano technique, tone production, sight-reading, keyboard harmony, and performance styles for music and non-music majors at a first-year level.

MUSIC 140 VOCAL DEVELOPMENT FOR POPULAR MUSIC

Units: 1.00

CSU 54.00 hours lab

Develops vocal skills for professional singing of popular music; public performances will be scheduled.

MUSIC 141 VOICE DEVELOPMENT: FROM THE BAROQUE TO THE 21ST CENTURY

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Presents the art and technique of solo singing, including musical theater repertoire, art songs and arias from the European tradition of the last five centuries, non-Western music, American folk music, and spiritual selections.

MUSIC 142 ELECTRONIC MUSIC COMPOSITION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Presents the composition and production of in-studio music in a variety of contemporary idioms utilizing digital technology.

MUSIC 146 ELECTRONIC MUSIC FOR THE STAGE

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Focuses on the techniques and aesthetics of music created with the computer for on-stage applications.

MUSIC 151 JAZZ IMPROVISATION

Units: 1.00

UC:CSU 54.00 hours lab

Recommended Preparation: MUSIC-100

Emphasizes understanding basic theoretical structure as well as stylistic, melodic and rhythmic considerations. Designed to assist the jazz musician. Public performance may be required.

MUSIC 153 STUDIO JAZZ ENSEMBLE

Units: 1.00

UC:CSU 70.00 hours lab

May be taken four times for credit

C-ID MUS 180

Prerequisite: Audition by instructor to ensure satisfactory performance ability.

Examines the historical basis of jazz and fosters the improvement of jazz performance skills on wind, string, vocal or percussion instruments through participation in public concerts. Field trips may be required.

MUSIC 159 MUSIC FOR FILM, TELEVISION AND NEW MEDIA

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Examines technical and aesthetic tools used in electronic music production, to create soundtracks for motion picture, television, and new media. Explores music production fundamentals, including basic composition techniques in synchronization with a visual counterpart. (Same as MEA-159)

MUSIC 160 GUITAR STUDIES I

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Introduces the needed skills to perform proficiently on the guitar.

MUSIC 161 GUITAR STUDIES II

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Recommended Preparation: MUSIC-160

Advances the study and application of guitar skill through advanced chord structures, sight reading (1-5 position), and more complex rhythm techniques.

MUSIC 165 SYMPHONY OF THE CANYONS

Units: 1.00

UC:CSU 70.00 hours lab

May be taken four times for credit

C-ID MUS 180

Prerequisite: See schedule of classes for audition information.

Examines musical styles, performance techniques and basic theoretical analysis as they relate to performance of symphonic literature, as well as orchestra accompaniment of operatic and major choral works. Includes participation in public performance with the ensemble.

MUSIC 167 JAZZ GUITAR STUDIES I

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Introduces position-playing for jazz guitar, including jazz chordal structures, rhythm comping, harmonic structure and historical context of jazz forms.

MUSIC 168 JAZZ GUITAR STUDIES II

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Recommended Preparation: MUSIC-167

Presents intermediate-level position for jazz guitar, including jazz chordal structures, rhythm comping and structural analysis of jazz forms.

MUSIC 169 IMPROVISATION FOR GUITARISTS

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Focuses on the many facets of improvising on the guitar. It is assumed students are able to perform on the guitar at a beginning or intermediate level.

MUSIC 170 BASS GUITAR STUDIES I

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Provides basic skills on the electric bass guitar, focuses on the construction and performance of bass lines through chord changes in standard popular and jazz repertoire. Students will learn note-reading skills on the instrument.

MUSIC 171 BASS GUITAR STUDIES II

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Recommended Preparation: MUSIC-170

Second in a series of studies on the electric bass guitar utilizing basic music theory concepts as they apply to the intermediate skills. Topics include construction and performance of complex bass lines through chord changes in standard popular and jazz repertoire, as well as intermediate note-reading skills on the instrument.

MUSIC 173 JAZZ VOCAL ENSEMBLE

Units: 1.00

UC:CSU 70.00 hours lab

May be taken four times for credit

Prerequisite: Audition

Provides the advanced singer an opportunity to learn and develop jazz vocal technique, including how to work with a sound system (microphones, mixing board, monitors, and speakers) and a jazz trio (piano, bass and drums). The repertoire consists of vocal arrangements from standard and progressive jazz schools. This group refines individual selections to high performance standards and represents the college at intercollegiate festivals, on-campus performances, and in the community. Appropriate sight-singing proficiency and ability to follow a conductor are assumed. Students must audition through the Music Department; contact the department for time, date, and other details.

MUSIC 175 FESTIVAL CHOIR: VOICES OF THE CANYONS

Units: 1.00

UC:CSU 70.00 hours lab

May be taken four times for credit

C-ID MUS 180

Examines musical styles, performance practices and rehearsal techniques while refining individual selections to high performance standards and represents the college at intercollegiate festivals, on-campus performances, and in the community. Field trips may be required.

MUSIC 176 CHAMBER SINGERS

Units: 1.00

UC:CSU 70.00 hours lab

May be taken four times for credit

C-ID MUS 180

Prerequisite: Audition by instructor to ensure satisfactory performance ability. Contact the Music Department for date, time, and other details.

Presents the study and performance of chamber music from the 15th to the 21st centuries, emphasizing the development of skills needed to sing from a variety of choral styles and historical periods. Represents the college at intercollegiate festivals, on-campus events, and within the community. Attendance at all scheduled performances is required.

MUSIC 177 WOMEN'S CHOIR (LES CHANTEUSES)

Units: 1.00

UC:CSU 70.00 hours lab

May be taken four times for credit

C-ID MUS 180

Prerequisite: Audition

Studies musical styles and performance practices from an historical perspective, as well as correct and efficient rehearsal techniques as they apply to the selected choral literature. Represents the college at intercollegiate festivals, on-campus events, and within the community. Field trips may be required.

MUSIC 185 SYMPHONIC BAND

Units: 1.00

UC:CSU 70.00 hours lab

May be taken four times for credit

C-ID MUS 180

Prerequisite: Audition

Recommended Preparation: Ability to play a wind, percussion, or brass instrument is assumed.

Emphasizes the performance of college-level wind and percussion standards literature, including proper playing and performance technique. Extensive warm-up skills will be developed, along with scale studies and rhythmic refinement exercises. Public performances with the symphonic band are required. Audition through the Music Department; contact for time, date and other details.

MUSIC 186 MUSIC ENSEMBLE

Units: 1.00

UC:CSU 70.00 hours lab

C-ID MUS 185

May be taken four times for credit

Prerequisite: Audition

Explores chamber music literature and practices. Specific technical skills will be addressed, including breathing, phrasing, tonguing, bow technique, embouchure development, as well as vocal techniques and rehearsal standards. Public performance is required.

MUSIC 189 INDIVIDUALIZED MUSIC LESSONS

Units: 1.00

UC:CSU 70.00 hours lab

May be taken four times for credit

C-ID MUS 160

Prerequisite: Audition

Co-requisites: MUSIC 116, 151, 153, 165, 173, 175, 176, 177, 185, 186 or 190.

Emphasizes technical development, the performing of musical repertoire, and the development of concert presentation skills. Individual instruction is provided by appointment.

MUSIC 190 APPLIED PERFORMANCE

Units: 1.00

UC:CSU 70.00 hours lab

May be taken four times for credit

Co-requisite: MUSIC-189

Preparation and presentation of music literature to be performed before the class with a subsequent critique by the other students and instructor.

MUSIC 191 CONTEMPORARY PRACTICES IN MUSIC PUBLISHING

Units: 3.00

CSU 54.00 hours lecture

Explores the business of marketing and selling music, including intellectual property statutes, copyright law, royalties and music contracts.

MUSIC 192 MUSIC BUSINESS

Units: 3.00

CSU 54.00 hours lecture

Examines the music business industry as it relates to production, recording, manufacturing, publishing, marketing, copyright and performing rights.

MUSIC 220A CHROMATIC HARMONY I

UC:CSU 54.00 hours lecture

C-ID MUS 140

*Prerequisite: MUSIC-120B**Recommended Preparation: Concurrent enrollment in MUSIC-103*

Continues the concepts from Tonal Harmony II. Additionally includes: introduction to chromatic harmony; secondary/applied chords; modulation; borrowed chords; introduction to Neapolitan and augmented-sixth chords.

MUSIC 220B CHROMATIC HARMONY II

UC:CSU 54.00 hours lecture

C-ID MUS 150

*Prerequisite: MUSIC-220A**Recommended Preparation: Concurrent enrollment in MUSIC-104*

Continues the concepts from Music Theory III. Additionally includes: post-Romantic techniques such as borrowed chords and modal mixture, chromatic mediants, Neapolitan and augmented-sixth chords, 9th, 11th and 13th chords, altered chords and dominants; and 20th century techniques such as: Impressionism, tone rows, set theory, pandiatonicism and polytonalism, meter and rhythm.

NURSING

College of the Canyons offers two Registered Nursing Programs that are approved by the California Board of Registered Nurses and accredited by the National League for Nursing Commission for Nursing Education Accreditation.

RN Program

Nursing is an art and science incorporating knowledge from the behavioral, biological, and physical sciences. It has a holistic concept of health in which the physical, emotional, psychological, intellectual, social, and spiritual aspects of human functioning are interrelated, interdependent, and of equal importance. Offered is an Associate Degree in Nursing with a program of clinical components in which students care for patients in the acute-care setting and sub-acute setting. The program prepares students for an entry-level position in the health care setting. An RN (Registered Nurse), after taking a national licensure examination, may move directly into the position of beginning staff nurse. The program prepares students for this test.

LVN-RN Career Ladder Program

Nursing is an art and science incorporating knowledge from the behavioral, biological, and physical sciences. It has a holistic concept of health in which the physical, emotional, psychological, intellectual, social, and spiritual aspects of human functioning are interrelated, interdependent, and of equal importance. This program is for students already possessing a Licensed Vocational Nurse (LVN) license and experience as an LVN that allows them to complete a series of courses providing advance standing due to credit for their experience. Offered is an Associate Degree in Nursing with a program of clinical components in which students care for patients in the acute-care setting and sub-acute setting. The program prepares students for an entry-level position in the health care setting. An RN (Registered Nurse), after taking a national licensure examination, may move directly into the position of beginning staff nurse. The program prepares students for this test.

Specific Career Ladder Requirements:

LVN to RN applicants must have completed an approved LVN program. Copy of California LVN license must be provided with application.

The following requirements are due prior to beginning the LVN to RN Program:

- Proof of approved I.V. certification course
- LVN to RN students are required to work as an LVN. Proof of a minimum of 4 months of employment as an LVN.

An additional 30 unit option is available to LVNs.**30 Unit Option:**

The Career Ladder Student may also choose a “30 Unit Option” plan. The LVN who chooses the “30 Unit Option” must have met the microbiology and physiology requirements with a grade of C or better. The applicant must then take Nursing 109, 126, 234, and 240. Upon satisfactory completion of these classes, the applicant would be eligible to apply to take the RN licensure examination. NOTE: Students who complete this option (30 units) will take NCLEX-RN as a non-graduate. This status will not change even if student goes on to obtain a degree. There is no restriction to practice within California. The student may have difficulty in transferring to another state or territory. The student may also have difficulty applying to a college/university for an advanced degree.

Applicants to this curriculum alternative must meet with the Program Director for objective counseling that includes admission process, course requirements, and the advantages/disadvantages of this route to licensure. TEAS test is required, but results will not deny admission to the program. The applicant is not required to meet college admission requirements.

RN AND LVN TO RN NURSING PROGRAM PREREQUISITES:

1. English 101 (3 units or 5 quarter units)
2. Anatomy (4 semester units or 6 quarter units)
3. Physiology (4 semester units or 6 quarter units)
4. Microbiology (4 semester units or 6 quarter units)
5. Math 060: Elementary Algebra

The College of the Canyons Registered Nursing Program is committed to servicing the community by providing the highest level of nursing education to all qualified students. The ability to enter the nursing program shall not be hindered by issues of age, sex, religion, ethnic origin, race, or socioeconomic status. Open access shall be the means by which all program participants are selected, all information disseminated, and all selection procedures are determined. Therefore, the following serves as a selection process outline for any, and all, nursing programs at College of the Canyons which require a specific selection process: applications, selection information, and individual program brochures are openly distributed from the Mathematics, Sciences, and Health Professions office and are provided to any person requesting such data. Potential and current applicants are requested to attend a Nursing Information Session. These sessions are given once each semester. Information covers general campus information and provides specific data pertaining to selection requirements of the nursing programs. The counseling department determines transferability of non-nursing courses. The Director of Nursing and/or Assistant Nursing Program Director determines the transferability of nursing courses.

SELECTION CRITERIA FOR RN AND LVN TO RN PROGRAMS INCLUDING BUT NOT LIMITED TO THE FOLLOWING:

To be considered for entrance, all prerequisites must be completed with a 2.5 GPA or higher. Completing the prerequisites, however, does not assure admission into the program.

SELECTION CRITERIA FOR RN PROGRAMS INCLUDING BUT NOT LIMITED TO THE FOLLOWING:

Students will be admitted to the program based on their scholastic eligibility and placement on a nursing assessment test as per SB 1309.

SCHOLASTIC ELIGIBILITY:

Scholastic eligibility is determined through a statewide approved formula which calculates the student's probability of successfully completing the ADN program. The formula uses the following criteria:

- Core Biology GPA – all Anatomy, Physiology, and Microbiology courses taken at the college level.
- Core Biology repetitions – the number of times a student has repeated a Core Biology course including withdrawals.
- English GPA – all credit English course grades regardless of the level of the course.
- Overall GPA – the college GPA as it appears on college transcripts excluding non-credit and not-for-credit courses.
- Students must have a minimum required score of 70 to be eligible for admission.

To be more competitive for admission, students are encouraged to:

- Complete all courses without repeating or withdrawing.
- Earn a minimum of a 3.0 GPA in all Biology courses
- Earn a minimum of a 3.0 GPA in all English courses

ASSESSMENT TEST:

Qualified applicants will be required to take a state approved nursing assessment test. Students must rank at the required level to be eligible for admission into the program. Currently, this is a 62 percent composite score on TEAS test (version V) based on the California Community College Chancellor's Office recommendation. Valid photo ID must be presented at time of test. See nursing website for updates which reflect current state guidelines and regulations.

RN Applicants:

Final selections are made using both multi-criteria screening and random selection. Qualified applicants not selected must reapply in order to be considered. The Mathematics, Sciences, and Health Professions office does not retain applications or transcripts.

Students not meeting eligibility criteria are offered a remediation plan. After successful completion, students are eligible to reapply for random selection.

If the remediation plan is not complete by the deadline, the student is no longer eligible to apply to the program.

LVN to RN Applicants:

Applicants accepted into the program will first enroll in the Transitions into Nursing course, Nursing 109. Upon completion of Nursing 109, the student will be placed on a waitlist to progress in the program on a space-available basis.

APPLICATION PROCEDURE:

Follow current application process as outlined at www.canyons.edu/nursing

INCOMING TRANSFER STUDENTS

Students may apply to the RN program by transfer or challenge. Students are not allowed to transfer into the first semester; students must enter first semester as a generic student. Students are only eligible to be considered for transfer if they have been in a nursing program within 12 months of the day their application is accepted and are eligible to re-enter their previous program. Students who have been out of a nursing program for more than 12 months must apply as beginning students. Student must provide letter from director of previous nursing program stating student is clinically safe and eligible to return to their program. The Director of Nursing determines how the applicant's previous courses correlate with the COC Nursing Program curriculum and determines what portion of the program must be taken in order to complete the nursing program at COC. The Director of Nursing has the right to accept or deny any transfer. Approved applicants **MUST** attend a mandatory orientation and complete Nursing 109. Upon completing Nursing 109, approved applicants will be placed on a waiting list until an opening in the appropriate course becomes available. Transfer students who have previously failed another RN program will only be allowed one entry into the COC RN program. Follow current application process for transfer students as outlined at www.canyons.edu/nursing. Students advised by the BRN to take specific courses to obtain a license must also take the TEAS exam with any necessary remediation, attend a mandatory orientation, and complete Nursing 109.

SPECIAL REQUIREMENTS FOR ALL Nursing Students:

Once admitted to any of the RN programs, the student must comply with the following requirements, but not limited to:

- Proof of vaccination followed by positive titers for Hepatitis B (or signed waiver), rubeola, rubella, mumps
- Proof of Diphtheria/Tetanus/Pertussis (Tdap) and annual flu vaccinations
- Negative mantoux or chest x-ray documentation for Tuberculosis clearance.
- An annual physical examination. The first physical with functional abilities verification must be within six months of beginning classes.
- Current CPR certificate (American Heart Association for health care providers)
- Student Registered Nurse malpractice insurance
- Clear background check and OIG/GSA clearance
- Clear 10-panel drug test
- L. A. City Fire Card

Associate in Science Degree: Nursing – Registered Nurse

Nursing science is an art and science incorporating knowledge from the behavioral, biological, and physical sciences. It has a holistic concept of health in which the physical, emotional, psychological, intellectual, social, and spiritual aspects of human functioning are interrelated, interdependent, and of equal importance.

Offered as an Associate Degree in Nursing with a program of clinical components in which students care for patients in the acute-care, sub-acute, and home setting. The program prepares students to take the national licensure exam and for an entry-level Registered Nurse (RN) position in the health care setting.

Degree Student Learning Outcome:

Students will be able to:

- Integrate the perspectives of the provider of care, manager of care, and member of the nursing profession into patient care situations.
- Function in the roles of provider of care, manager of care, and member of the nursing profession.

Program Requirements:

Units Required: 61 - 62

	Units
NURSNG-112 Foundations of Nursing	4.25
NURSNG-114 Fundamentals of Nursing	6.50
NURSNG-124 Beginning Medical Surgical Nursing	5.75
NURSNG-126 Psychiatric Nursing.....	3.75
NURSNG-234 Intermediate Medical-Surgical Nursing	4.75
NURSNG-236 Maternal Child Nursing	5.50
NURSNG-240 Advanced Medical-Surgical Nursing and Leadership	8.50

Plus eight units from the following options:

BIOSCI-201 Introduction to Human Anatomy 4.0
AND

BIOSCI-202 Introduction to Human Physiology... 4.0
OR

BIOSCI-204 Human Anatomy and Physiology I... 4.0
AND

BIOSCI-205 Human Anatomy and Physiology II.. 4.0

Plus twelve units from the following options:

BIOSCI-221 Introduction to Microbiology..... 5.0
ENGL-101 English Composition..... 4.0

OR

ENGL-101H Honors English Composition 4.0
PSYCH-101 Introduction to Psychology 3.0

OR

PSYCH-101H Introduction to Psychology - Honors..... 3.0

Plus three units from the following:

COMS-105	Fundamentals of Public Speaking... 3.0
COMS-105H	Fundamentals of Public Speaking – Honors 3.0
COMS-120	Small Group Communication..... 3.0

In order to receive an associate degree, RN students must complete all nursing program requirements with a grade of “C” or better. The physical education and diversity requirements have been waived for the RN students. Students must complete ALL requirements for the associate degree before the student will be allowed to apply for licensure. Consult with a counselor to determine the exact courses needed to complete the degree.

Associate in Science Degree: Nursing – Career Ladder LVN to RN

Nursing science is an art and science incorporating knowledge from the behavioral, biological, and physical sciences. It has a holistic concept of health in which the physical, emotional, psychological, intellectual, social, and spiritual aspects of human functioning are interrelated, interdependent, and of equal importance.

This program is for students already possessing a license as a Licensed Vocational Nurse (LVN) and experience as an LVN, which provides them advance standing due to credit for their experience. Offered as an Associate Degree in Nursing with a program of clinical components in which students care for patients in the acute-care, sub-acute, and home setting. The program prepares students to take the national licensure exam and for an entry-level Registered Nurse (RN) position in the health care setting.

Degree Student Learning Outcome:

Students will be able to:

- Integrate the perspectives of the provider of care, manager of care, and member of the nursing profession into patient care situations.
- Function in the roles of provider of care, manager of care, and member of the nursing profession.

Program Requirements:

Units Required: 43 - 44

	Units
NURSNG-109	Transition Into Nursing 4.0
NURSNG-126	Psychiatric Nursing..... 3.75
NURSNG-234	Intermediate Medical-Surgical Nursing 4.75
NURSNG-240	Advanced Medical-Surgical Nursing and Leadership 8.50

Plus eight units from the following options:

BIOSCI-201	Introduction to Human Anatomy 4.0
	AND

2600 Virginia Avenue, NW
Washington, DC 20037
P: (800) 669-1656

BOARD OF REGISTERED NURSING (BRN)

P.O. Box 944210
Sacramento, CA 94244-2100
(916) 322-3350

Link to RN NCLEX pass rates is posted on Nursing Department website.

CERTIFICATES

The Nursing Department offers certificates in health-related fields. Students gain experience caring for patients in a variety of community settings. State and local requirements apply to all programs, and students must meet all mandated requirements.

Certificate of Specialization: CNA – Certified Nursing Assistant

Upon completion of this course and a state test for certification, the student will be able to function as a certified nurse assistant in a skilled nursing facility providing basic patient care for residents. The CNA works under the supervision of a licensed vocational nurse or registered nurse.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment as a certified nurse assistant.

Program Requirements:

Units Required for certificate: 6

	Units
NURSNG-050 Nurse Assistant Training.....	6.0

NURSNG 045 BASIC EKG INTERPRETATION

Units: 1.50
27.00 hours lecture maximum

Presents basic EKG interpretation including, basic principles, normal sinus rhythm, dysrhythmias of focal origin and rhythm blocks. Designed for practicing nurses, student nurses, and those seeking to become a monitor technician.

NURSNG 050 NURSE ASSISTANT TRAINING

Units: 6.00
67.50 hours lecture maximum, 121.50 hours lab maximum

Prerequisite: TB test and physical exam within the last six months. Proof of vaccination for Hepatitis B (or signed waiver), rubeola, rubella, mumps, polio, diphtheria, and tetanus required. In order to register, a packet must be picked up in the nursing office. Forms must be completed and submitted to the instructor on the first day of class.

Presents the fundamental nursing skills needed to care for the hospitalized patient. Includes clinical practice in a skilled nursing facility with emphasis on the role and responsibilities of the nurse assistant, safety principles and infection control, basic patient care skills, and emotional, social, and spiritual needs of the patient. Upon completion, the student will be eligible to take the California test for certification. Field trip required.

NURSNG 061 INTERPRETATION OF LABORATORY TESTS

Units: 1.00
18.00 hours lecture

Provides an in-depth review and analysis of laboratory values and their implications.

NURSNG 089 SUCCESS IN FUNDAMENTAL NURSING

Units: 1.00
18.00 hours lecture

Co-requisite: Nursing 112 and Nursing 114.

Expands on students' critical thinking skills focusing on content from NURSNG 112 & 114. Units do not apply to the associate degree.

NURSNG 093 SUCCESS IN MATERNAL NEWBORN AND PEDIATRIC NURSING

Units: 0.50
9.00 hours lecture

Co-requisite: NURSNG-236

Expands on students' critical thinking skills focusing on content from NURSNG-236. Units do not apply to the associate degree. Offered pass/no-pass only.

NURSNG 094 SUCCESS IN PSYCHIATRIC NURSING

Units: 0.50
9.00 hours lecture

Co-requisite: NURSNG-126

Expands on students' critical thinking skills focusing on content from NURSNG-126. Units do not apply to the associate degree. Offered pass/no-pass only.

NURSNG 096 SUCCESS IN ADVANCED MEDICAL/SURGICAL NURSING

Units: 1.00
18.00 hours lecture maximum

Co-requisite: NURSNG-240

Expands on students' critical thinking skills focusing on content from NURSNG-240. Units do not apply to the associate degree. Offered pass/no-pass only.

NURSNG 109 TRANSITION INTO NURSING

Units: 4.00
CSU 31.50 hours lecture, 121.50 hours lab

Prerequisite: Admission to the Nursing Program.

Designed to assist all transfer, returning, and LVN to RN students to successfully integrate into the Registered Nursing Program, including the knowledge, skills, and attitudes necessary to address health problems of adult and elderly patients as a provider of care, manager of care, and member of the nursing profession. Emphasizes a patient-centered approach by focusing on their multifaceted needs and the integrated concepts of person, health, nursing and environment. Field trip involving clinical experiences at hospitals required.

NURSNG 112 FOUNDATIONS OF NURSING

Units: 4.25

CSU 36.00 hours lecture, 121.50 hours lab

Prerequisite: Admission to the Nursing Program.

Presents the foundational knowledge, skills, and attitudes necessary for socialization to the roles of provider of care, manager of care, and member of the nursing profession. Prepares the student for patient-centered nursing by focusing on the physiological, psychological, socio-cultural, developmental, and spiritual needs of patients across the lifespan and the integrated concepts of person, health, environment, and nursing.

NURSNG 114 FUNDAMENTALS OF NURSING

Units: 6.50

CSU 63.00 hours lecture, 162.00 hours lab

Prerequisite: NURSNG-112

Presents the knowledge, skills, and attitudes necessary to provide basic care to adult and elderly patients as a professional nurse at a fundamental level. Emphasizes a patient centered approach by focusing on their multifaceted needs and integrated concepts related to wellness and health alterations of mobility and protection. Field trip required.

NURSNG 124 BEGINNING MEDICAL SURGICAL NURSING

Units: 5.75

CSU 63.00 hours lecture, 121.50 hours lab

Prerequisite: NURSNG-114

Presents the knowledge, skills, and attitudes necessary to provide care for non-complex health problems of adult and elderly patients at a beginning level. Emphasizes a patient-centered approach by focusing on their multifaceted needs and integrated concepts related to wellness and alterations of oxygenation, tissue perfusion, nutrition, elimination, metabolism, and sexuality. Field trip required.

NURSNG 126 PSYCHIATRIC NURSING

Units: 3.75

CSU 40.50 hours lecture, 81.00 hours lab

Prerequisite: NURSNG-114 and PSYCH-101 or 101H

Presents the knowledge, skills, and attitudes necessary to provide care for health problems of psychiatric patients across the lifespan at a beginning level. Emphasizes a patient-centered approach by focusing on their multifaceted needs and integrated concepts related to wellness and psychological health alterations. Field trip required.

NURSNG 130 NURSING CLINICAL PRACTICE

Units: 2.00

CSU 108.00 hours lab maximum

Prerequisite: NURSNG-124, TB test and physical exam within the last six months. Proof of vaccination for Hepatitis B (or signed waiver), rubeola, rubella, mumps, polio, diphtheria, and tetanus required. In order to register, a packet must be picked up in the mathematics, sciences, and health professions office. Forms must be completed and submitted to the mathematics, sciences, and health professions office by the deadline provided.

Provides additional clinical practice to students emphasizing beginning and intermediate medical/surgical skills. Not appropriate for students who have completed a nursing program. In order to register, equivalency of Nursing 124 must be presented to the mathematics, sciences, and health professions office. Field trip required.

NURSNG 206 OPERATING ROOM NURSING

Units: 3.75

CSU 63.00 hours lecture, 13.50 hours lab

Prerequisite: NURSNG-234

Presents theory of operating room nursing, including the three areas of perioperative nursing care: preoperative assessment and planning, intraoperative implementation, and postoperative evaluation. Field trip required.

NURSNG 212 PHYSICAL ASSESSMENT

Units: 1.25

CSU 18.00 hours lecture, 13.50 hours lab

Prerequisite: Admission to the Nursing Program.

Designed to develop basic skills of physical assessment covering the life span including the health history, physical examination techniques, and the nursing process.

NURSNG 215 PHARMACOLOGICAL PRINCIPLES

Units: 3.00

CSU 54.00 hours lecture maximum

Presents in-depth pharmacological principles, including drug classifications, pharmacokinetics, pharmacodynamics, pharmacotherapeutics, legal and ethical issues, patient and family education, and dosage calculation.

NURSNG 234 INTERMEDIATE MEDICAL-SURGICAL NURSING

Units: 4.75

CSU 45.00 hours lecture, 121.50 hours lab

Prerequisite: NURSNG-124 and NURSNG-126

Presents the knowledge, skills, and attitudes necessary to provide care for complex health problems of adult and elderly patients at an intermediate level. Emphasizes management of patient-centered care by focusing on the multifaceted needs of patients and integrated concepts related to wellness and alterations of oxygenation, tissue perfusion, elimination, mobility, sensation, cognition, and sexuality. Field trip required.

NURSNG 236 MATERNAL CHILD NURSING

Units: 5.50

CSU 58.50 hours lecture, 121.50 hours lab

Prerequisite: NURSNG-234

Presents the knowledge, skills, and attitudes necessary to provide care for health problems of the pediatric, newborn, maternal patient and their families at the intermediate level. Emphasizes management of patient and family-centered care by focusing on the multifaceted needs of the family and integrated concepts related to wellness and alterations health. Field trip required.

NURSNG 240 ADVANCED MEDICAL-SURGICAL NURSING AND LEADERSHIP

Units: 8.50

CSU 72.00 hours lecture, 243.00 hours lab

Prerequisite: NURSNG-234 and NURSNG-236

Presents the knowledge, skills, and attitudes necessary to provide care for complex and multi-system health problems of the adult and elderly patient at an advanced level. Manages groups of patients and provides leadership for patient-centered care by focusing on their multifaceted needs and integrated concepts related to wellness and alterations of oxygenation, tissue perfusion, elimination, mobility, sensation, and cognition. Prepares the student for transition into practice. Field trip required.

NURSNG 250 TRANSITION TO PROFESSIONAL PRACTICE

Units: 3.00

CSU 162.00 hours lab

Prerequisite: TB test, physical examination within the last six months. Proof of vaccination for hepatitis B (or signed waiver), rubeola, rubella, mumps, diphtheria, and tetanus. Criminal clearance and current CPR card (for health-care providers) required. Malpractice insurance, LA City Fire Card and RN license obtained within the past 18 months.

Supports registered nurses licensed within the last 18 months in their progression from education to professional practice. While working with pre-arranged preceptors in acute care facilities, students will have the opportunity to expand upon the knowledge and skills learned in a pre-licensure nursing program. Offered pass/no-pass only. Field trip required.

OCEANOGRAPHY

Oceanography is the study of the ocean. It covers a wide range of topics, including marine ecosystem dynamics; ocean currents, waves and geophysical fluid dynamics; plate tectonics; geology of the sea floor; and fluxes of various chemical substances and physical properties within the ocean and across its boundaries. These diverse topics reflect multiple disciplines that further the knowledge of Earth's oceans and the processes that influence them: biology, chemistry, geology, meteorology, physics, and geography

OCEAN 101 INTRODUCTION TO OCEANOGRAPHY

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

Studies Earth's oceans and their origin, sea floor features, sediments, coastal processes, circulation, waves, tides, seawater properties, and marine life.

PARALEGAL

Associate in Arts Degree: Paralegal Studies

The paralegal profession continues to be one of the fastest growing professions in the United States. COC's Paralegal Studies curriculum prepares students for positions as paralegals in order to improve the accessibility, quality, and affordability of legal services. The Paralegal Studies program goals are to ensure that students who successfully complete the Paralegal Studies Program by obtaining an associate degree have a broad-based understanding of the American legal system and the role of the paralegal in that legal system; the legal theoretical background needed to perform paralegal tasks in substantive areas of law and legal specialties; the knowledge of procedural law emphasizing the paralegal's role in litigation, mediation, and arbitration; the skills in areas including investigation, legal research, conducting an interview, and written and oral communications; the ethics necessary to serve the public and the legal system; and the tools needed to become contributing members of the legal profession. Successful paralegals have excellent organizational skills and the ability to perform complex, detailed work quickly and accurately, as well as the ability to work well under pressure. Examples of tasks commonly delegated to paralegals include performing legal and public records research, obtaining and organizing evidence, interviewing clients and witnesses, conducting legal research, and drafting legal documents.

College of the Canyons does not accept legal specialty courses from a school that is not ABA approved or accredited by a College of the Canyons approved accrediting body. College of the Canyons limits the transfer of legal specialty units (i.e. Paralegal courses) to 12.0 semester units from an ABA approved program. College of the Canyons allows 9.0 semester units of legal specialty units (i.e. paralegal courses) from a non-ABA approved program. ALL additional units should transfer for elective credit, but the limits stated above are for substitution of paralegal courses. Therefore, it is likely that if you have taken many courses at another institution, you will be limited on the number of courses that transfer and substitute for paralegal courses.

In addition, the courses transferring will be examined for rigor, subject matter, delivery modality (lecture, hybrid, etc.), topics covered, assignments and/or projects. Merely having the same course name is insufficient. Potential students are encouraged to meet with the department chair prior to attending so that transfer credits can be discussed and course planning can occur.

Associate in Arts Degree: Paralegal Studies

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment as a paralegal.

Program Requirements:

Units Required: 31

	Units
PARLGL-101 Introduction to Law	3.0
PARLGL-104 Contract Law	3.0
PARLGL-105 Tort Law	3.0
PARLGL-106 Legal Analysis and Writing	3.0
PARLGL-107 Legal Ethics	1.0
PARLGL-108 Legal Research	3.0
PARLGL-109 Legal Technology.....	3.0
PARLGL-111 Civil Litigation I	3.0
PARLGL-112 Civil Litigation II	3.0
PARLGL-150 Family Law	3.0
PARLGL-200 Paralegal Seminar	1.0

Plus a minimum of two units from the following:

CWE-186PLGL Cooperative Work Experience	
Education	
Paralegal (Unpaid).....	1.0 - 4.0
CWE-188PLGL Cooperative Work Experience	
Education	
Paralegal (Paid).....	1.0 - 4.0

Recommended electives:

PARLGL-140 Bankruptcy.....	3.0
PARLGL-180 Estate Planning	3.0
POLISC-150 Introduction to American	
Government and Politics	3.0

OR

POLISC-150H Introduction to American	
Government And Politics -	
Honors.....	3.0

PARLGL 101 INTRODUCTION TO LAW

Units: 3.00

CSU 54.00 hours lecture

C-ID LPPS 110

Provides an overview of the legal system and practices of the legal profession, including paralegals, in the United States while introducing legal concepts, terms, and theories.

General Education Requirements Unique to Paralegal Studies – Complete a minimum of 21 semester units of general education including at least one course in each of the following areas. A given course meets the requirements in only one area. However, courses with asterisks (*) may be used to meet a General Education requirement listed in A-E below as well as the COC Diversity Requirement.

PLEASE ALSO NOTE THAT STUDENTS MAY ELECT TO COMPLETE THE IGETC OR THE CSU GENERAL EDUCATION PATTERNS IN LIEU OF A-E BELOW.

In addition, students need to complete the COC Diversity, PE/Wellness, Reading, Written Expression and Mathematics Competency requirements, earn 60 units, a C grade in each Paralegal major course requirements, an overall degree applicable GPA of 2.0 plus be in “good standing” at College of the Canyons in order to earn the associate degree.

A. Natural Sciences – minimum three semester units required

Anthropology 101, 101H, 101L	Geography 101, 101H, 101L, 103, 105
Astronomy 100, 101, 101L, 102	Geology 101, 101L, 102, 104, 105, 109, 109L
Biological Science 100, 100H, 106, 106H, 107, 107H, 115, 116, 119, 130, 132, 140, 180, 201, 202, 204, 205, 221, 230, 240	Oceanography 101
Chemistry 100, 151, 151H, 201, 201H, 202, 255, 256	Physical Science 101
Environment 103,104	Physics 101, 110, 111, 220, 221, 222
	Psychology 102

B. Social and Behavioral Sciences - minimum three semester units required

Anthropology 103*, 103H*, 105, 210, 220	History 101, 101H, 102, 111, 111H, 112, 112H, 115, 120*, 120H*, 130*, 161*, 191, 192*, 210*, 212, 240, 243*
Business 103, 126*	Media Entertainment Arts 100
Communication Studies 120, 235, 246, 256*, 260*, 270	Political Science 150, 150H, 200, 210, 230, 250, 270, 290*
Economics 170, 170H, 201, 201H, 202, 202H	Psychology 100, 101, 101H, 105, 109, 126, 172, 172H, 175, 180, 225, 230*, 235*, 240*, 272*
Environment 101	Sociology 101*, 101H*, 102, 103*, 103H*, 104, 105*, 106*, 107, 108, 110*, 130, 200*, 200H*, 205, 207*, 208*, 210*, 226, 230*, 250
Geography 102*, 104	
Global Studies 101, 102	

C. Humanities and Fine Arts - minimum three semester units required

Anthropology 210*, 220	German 101, 102
Art 110, 111, 112, 115, 116	History 101, 101H, 102, 161*, 191*, 192*, 193*, 240, 243*
Business 160	Humanities 100, 101, 115, 116, 150
Chinese 101, 102	Italian 101, 102, 150
Cinema 120, 121, 122, 123*	Music 100, 105, 106, 107, 108*, 112, 120A
Communication Studies 100, 100H, 105, 105H, 150, 225, 246, 256*, 260*	Philosophy 101, 101H, 102*, 110, 111, 112, 120, 130, 220*, 225, 240, 250
Dance 100	Photo 140
English 105, 106, 108, 109, 110, 111, 112, 112H, 122, 135, 225, 250, 251, 260, 261, 262*, 263, 264, 265, 270*, 271*, 272, 273*, 274*, 275, 280*, 281	Sign Language 101, 102, 103, 104, 110*
French 101, 102, 150, 201, 202	Sociology 200*
	Spanish 101, 101H, 102, 150, 201, 202, 211, 212, 240
	Theatre 100, 110, 110H, 220, 221

D. Language and Rationality - six semester units - minimum grade of “C” required (completion of both 1 & 2 are required)

- English Composition:
Select one course from the following:
English 101, 101H, 103, 103H, 112, 112H
- Communication and Analytical Thinking:
Select one course from the following:
Communication Studies 105, 105H, 120, 225, 227
Computer Science 256
Philosophy 106, 230
Psychology 103
Math 070, 075, 083, 100, 102, 103, 104, 111, 140, 140H, 211, 212, 213, 214, 215
Sociology 102, 108

E. American Institutions - six semester units required

United States History (History 111) – Three units
U.S. Constitution, State and Local Government – Three units (complete one course from #1 and one course from #2)

- Economics 170, 170H, History 111, 111H, 112, 112H, 120*, 120H*, 130*
- Political Science 150 or 150H; or complete both History 111 or 111H and 112 or 112H

PARLGL 104 CONTRACT LAW

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: PARLGL-101

Examines contract law, including formation of contracts, statute of frauds, third-party rights and remedies, liability for breach of contract, and the Uniform Commercial Code.

PARLGL 105 TORT LAW

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: PARLGL-101

Introduces tort law, including the study of negligence, strict liability and intentional torts.

PARLGL 106 LEGAL ANALYSIS AND WRITING

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: ENGL-101 or ENGL-101H

Examines the processes of analysis and writing found within the legal profession, including preparation of legal memoranda.

PARLGL 107 LEGAL ETHICS

Units: 1.00

CSU 18.00 hours lecture

Recommended Preparation: PARLGL-101

Examines legal ethics and rules of professional responsibility, including unauthorized practices of law, confidentiality, conflicts of interest, and advice and solicitation, as they affect legal professionals.

PARLGL 108 LEGAL RESEARCH

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: PARLGL-101

Covers legal research tools (hard copy and computer databases) and strategies, including primary authority (cases, statutes, regulations, and constitution) and secondary authority.

PARLGL 109 LEGAL TECHNOLOGY

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Presents the specific software applications and document preparation processes used in the legal profession. Familiarity with computer keyboarding and the Windows operating system is assumed.

PARLGL 111 CIVIL LITIGATION I

Units: 3.00

CSU 54.00 hours lecture

Examines the basic functions and procedures found within a civil law office, including pre-suit considerations, jurisdiction, initial pleadings, challenges to and amending the pleadings, calendaring deadlines for pleadings and challenges to pleadings, and review of legal ethics.

PARLGL 112 CIVIL LITIGATION II

Units: 3.00

CSU 54.00 hours lecture

Continues the examination of the basic functions and procedures found within a civil law office, including discovery tools, calendaring discovery and trial deadlines, preparation for motion for summary judgment, trial and appeal, and the review of legal ethics.

PARLGL 140 BANKRUPTCY

Units: 3.00

CSU 54.00 hours lecture

Overview of the basic functions, procedures, and role of paralegal involved when examining various forms of bankruptcy law. Introduces the techniques of intake, preparation, and filing of the necessary forms to resolve bankruptcy cases.

PARLGL 150 FAMILY LAW

Units: 3.00

CSU 54.00 hours lecture

Introduces students to the fundamentals of family law.

PARLGL 180 ESTATE PLANNING

Units: 3.00

CSU 54.00 hours lecture

Focuses on the preparation of wills, trusts, and administration after death procedures, and analyzes life insurance, annuities, tax issues and administration after death.

PARLGL 200 PARALEGAL SEMINAR

Units: 1.00

CSU 18.00 hours lecture

Prerequisite: PARLGL-101, 104, 105, 106, 107, 108, 109, 111, 112, 150

Provides the capstone course for the Paralegal Program. Students will review rules of ethics, write resumes, create portfolios, practice interviewing techniques, and develop skills necessary for employment as a paralegal, while participating in a seminar setting.

PHILOSOPHY

Philosophy is the activity of trying to make sense of our world through sustained and rigorous thinking about the most difficult questions rooted in the minds of human beings. Thus, the study of philosophy invites reflection upon and analysis of the nature of reality, value, and the self. Courses in philosophy offer students the opportunity for self-development and the building of a coherent view of world and culture. Majoring in philosophy is an excellent way to develop skills in argument analysis, as well as critical reasoning, and thus is relevant to understanding problems and evaluating solutions in any area of study or employment. The study of philosophy is excellent preparation for careers in law, journalism, politics, and university teaching. Study in philosophy does not focus on what to think, but on how to think. The program in Philosophy is designed as preparation for transfer to a four-year university with a major in Philosophy, Humanities, or any liberal arts discipline.

Associate in Arts Degree: Philosophy for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Philosophy. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to critically engage with the world of ideas, both historical and contemporary, enabling them to interpret and understand their place in the world as citizens and active participants in the expression of human culture and values.

Program Requirements:

Units Required: 18

		Units
PHILOS-230	Symbolic Logic	3.0
Plus three units from the following:

PHILOS 101 INTRODUCTION TO PHILOSOPHY

Units: 3.00

UC:CSU 54.00 hours lecture
C-ID PHIL 100

Introduces major western and non-western philosophical ideas, philosophical figures, and philosophical issues, relating to theory of knowledge, nature of reality, the mind-body problem, philosophy of religion, political philosophy, and ethical theory.

PHILOS 101H INTRODUCTION TO PHILOSOPHY – HONORS

Units: 3.00

UC:CSU 54.00 hours lecture
C-ID PHIL 100

Recommended Preparation: ENGL-101 or ENGL-101H

Introduces major western and non-western philosophical ideas, philosophical figures, and philosophical issues, relating to theory of knowledge, nature of reality, the mind-body problem, philosophy of religion, political philosophy, and ethical theory. Honors component requires expanded and more complex reading and writing assignments.

PHILOS 102 INTRODUCTION TO EASTERN RELIGION AND PHILOSOPHY

Units: 3.00

UC:CSU 54.00 hours lecture

Explores philosophies contained in Hinduism, Buddhism, Confucianism, Taoism and Shinto.

PHILOS 106 CRITICAL REASONING

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces reasoning skills for evaluating and understanding arguments, including deductive and inductive logic, identifying common fallacies and evaluating beliefs, claims, and forms of evidence. UC credit limitation: PHILOS-106 and SOCI-108 combined, maximum credit one course.

PHILOS 110 HISTORY OF ANCIENT PHILOSOPHY

Units: 3.00

UC:CSU 54.00 hours lecture
C-ID PHIL 130

Explores the central ideas pursued by ancient philosophers, with special emphasis on the Greek philosophers from the Pre-Socratics through Aristotle and may also include the ideas of Hellenistic, Roman, medieval, or non-western thinkers.

PHILOS 111 HISTORY OF MODERN PHILOSOPHY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PHIL 140

Explores developing Western philosophical thought from the 16th through the 18th centuries with special emphasis on the implications of empiricism and rationalism in epistemology and metaphysics from Descartes through Kant; may include approximate precursors and successors.

PHILOS 112 HISTORY OF PHILOSOPHY - 20TH CENTURY PHILOSOPHY

Units: 3.00

UC:CSU 54.00 hours lecture

A survey of philosophical activity relating to the notions of human nature, the place of individuals in history, and the determination of value and choice, in the 20th Century including European existentialism, analytical philosophy, recent thinkers and movements.

PHILOS 120 INTRODUCTION TO ETHICS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PHIL 120

Surveys the major classical and contemporary ethical theories with emphasis on their application to typical life situations in a modern society.

PHILOS 130 INTRODUCTION TO SOCIAL AND POLITICAL PHILOSOPHY

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces major philosophical issues surrounding the nature of society and justifications for the authority of the state, focusing on how the concepts of the common good, individual rights, liberty, equality, and democracy relate to notions of justice, private property and the legitimate use of state power.

PHILOS 220 INTRODUCTION TO COMPARATIVE RELIGION

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys major world religions, Eastern and Western, including historical roots, major doctrines and figures, and central philosophical concerns.

PHILOS 225 INTRODUCTION TO PHILOSOPHY OF RELIGION

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: PHILOS-101 or PHILOS-101H and PHILOS-220

Surveys philosophical problems relating to religious belief, including the existence of God, religious experience, the relationship between faith and reason, concepts of God, religion and ethics, miracles, religious language, the problem of evil, personal destiny, and religious diversity.

PHILOS 230 SYMBOLIC LOGIC

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PHIL 210

Recommended Preparation: PHILOS-101 or PHILOS-101H

Introduces symbolism and methods of modern logic, including translation of arguments in English into formal logic, development of the idea of logical validity, evaluation of arguments by using truth tables and methods of natural deduction.

PHILOS 240 CONTEMPORARY MORAL PROBLEMS

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces ethical theory and applied contemporary moral issues in areas such as medicine, business, health care, technology and the environment.

PHILOS 250 ENVIRONMENTAL ETHICS

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: PHILOS-101 or PHILOS-101H

Examines complex moral issues raised by human interactions with non-human animals and the natural world, including pollution, global warming, sustainability, ecofeminism, animal rights, Third World development, property rights, fossil fuel dependency, deep ecology, "Green" politics, species preservation, rights and duties to nature, and the need for developing new, "clean" technologies.

PHOTOGRAPHY

Associate in Arts Degree: Fine Art Photography

This program offers an associate degree in photography. The primary goal of this degree is to provide the student a foundation of knowledge and technical abilities for art photography. Elective courses allow for preparedness specific to industry. All lower division courses are sequenced to optimize transferability to an art or photography program at a four-year university. Along with the transferability aspect of this program, the associate degree in photography will also provide students with basic photographic competencies.

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core academic skills and knowledge required for transfer into a photography program at a four-year college or university.

Program Requirements:

Units Required: 30

	Units
ART-110 Art History: Ancient to Medieval.....	3.0
ART-111 Art History: Renaissance to Modern	3.0
ART-124A Drawing I	3.0
ART-140 Beginning Design: Two-Dimensional Media	3.0
ART-141 Beginning Design: Three-Dimensional Media	3.0
PHOTO-140 History of Photography	3.0
PHOTO-150 Cameras and Composition	3.0
PHOTO-155 Photography	3.0
<i>OR</i>	
PHOTO-160 Black and White Photography	3.0
<i>Plus six units from the following:</i>	
PHOTO-115 Photography on Location.....	1.5
PHOTO-157 Digital Imaging.....	3.0
PHOTO-177 Video Capture for Still Photographers	3.0
PHOTO-185 Experimental Photography	3.0
PHOTO-190 Studio Photography	3.0
PHOTO-195 Color Photography.....	3.0
PHOTO-200 Portraiture.....	3.0
PHOTO-201 Independent Projects in Photography	2.0 - 3.0

PHOTO-210	Event Photography.....	3.0
PHOTO-215	Photojournalism and News Photography	3.0
PHOTO-220	The Business of Photography	3.0
PHOTO-280	Large Format Photography and the Zone System	3.0
PHOTO-285	Concept Development.....	3.0
PHOTO-295	Professional Practices and Portfolio	3.0

Certificate of Achievement: Fine Art Photography

This program is designed to prepare a student for an entry-level position in a career related to fine art photography such as fine art photographer, fine art assistant photographer, custom photographic printing, or photographic lab assistant.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in fine art photography.

Program Requirements:

Units Required: 19.5

		Units
ART-124A	Drawing I	3.0
ART-140	Beginning Design: Two-Dimensional Media	3.0
PHOTO-115	Photography on Location.....	1.5
PHOTO-140	History of Photography	3.0
<i>AND</i>		
PHOTO-155	Photography	3.0
<i>OR</i>		
PHOTO-160	Black and White Photography	3.0
<i>AND</i>		
PHOTO-185	Experimental Photography	3.0
<i>AND</i>		
PHOTO-285	Concept Development.....	3.0
<i>OR</i>		
PHOTO-295	Professional Practices and Portfolio	3.0
<i>Recommended Electives:</i>		
ART-111	Art History: Renaissance to Modern	3.0
PHOTO-157	Digital Imaging.....	3.0
PHOTO-177	Video Capture for Still Photographers	3.0
PHOTO-190	Studio Photography	3.0
PHOTO-195	Color Photography.....	3.0
PHOTO-200	Portraiture.....	3.0

Certificate of Achievement: Commercial Photography

This program is designed to prepare a student for an entry-level position in a career related to commercial photography such as commercial photographer, digital imaging technician, event photographer, commercial assistant photographer, photography laboratory technician, photography restoration specialist, wedding photographer, portrait photographer, or advertising photographer.

Certificate Student Learning Outcome:

Students will be able to demonstrate and apply the technical skills and principles of commercial photography.

Program Requirements:

Units Required: 21

	Units
PHOTO-155 Photography	3.0
PHOTO-157 Digital Imaging.....	3.0
PHOTO-177 Video Capture for Still Photographers	3.0
PHOTO-195 Color Photography.....	3.0
<i>AND</i>	
PHOTO-190 Studio Photography	3.0
<i>OR</i>	
PHOTO-200 Portraiture.....	3.0
<i>OR</i>	
PHOTO-210 Event Photography	3.0
<i>AND</i>	
PHOTO-220 The Business of Photography	3.0
<i>OR</i>	
PHOTO-295 Professional Practices and Portfolio	3.0
<i>Plus a minimum of three units from the following:</i>	
PHOTO-201 Independent Projects in Photography	2.0 - 3.0
PHOTO-285 Concept Development.....	3.0
<i>Recommended Electives:</i>	
PHOTO-140 History of Photography	3.0
PHOTO-150 Cameras and Composition	3.0
PHOTO-215 Photojournalism and News Photography	3.0
PHOTO-280 Large Format Photography and the Zone System	3.0

PHOTO 092L BLACK AND WHITE LAB PRACTICES

Units: 1.00

54.00 hours lab

Explores lab practices for students currently enrolled in black and white photography who wish to increase basic skills through the use of the photography lab. Note: Students must attend faculty supervised weekly scheduled class time posted in printed schedule. Hours must be accrued at a time separate from any other class in which the student is also registered. This course is not a required course for any certificate or degree in the photography program. Units do not apply to the associates degree and offered pass/no pass only.

PHOTO 093L DIGITAL LAB PRACTICES

Units: 1.00

54.00 hours lab

Explores lab practices for students currently enrolled in digital photography who wish to increase basic skills through the use of the photography lab. Note: Students must attend faculty supervised weekly scheduled class time posted in printed schedule. Hours must be accrued at a time separate from any other class in which the student is also registered. This course is not a required course for any certificate or degree in the photography program. Units do not apply to the associates degree and offered pass/no pass only.

PHOTO 094L STUDIO LAB PRACTICES

Units: 1.00

54.00 hours lab

Explores lab practices for students currently enrolled in studio photography who wish to increase basic skills through the use of the photography lab. Note: Students must attend faculty supervised weekly scheduled class time posted in printed schedule. Hours must be accrued at a time separate from any other class in which the student is also registered. This course is not a required course for any certificate or degree in the photography program. Units do not apply to the associates degree and offered pass/no pass only.

PHOTO 095L CHROMOGENIC COLOR LAB PRACTICES

Units: 1.00

54.00 hours lab

Explores lab practices for students currently enrolled in color photography who wish to increase basic skills through the use of the photography lab. Note: Students must attend faculty supervised weekly scheduled class time posted in printed schedule. Hours must be accrued at a time separate from any other class in which the student is also registered. This course is not a required course for any certificate or degree in the photography program. Units do not apply to the associates degree and offered pass/no pass only.

PHOTO 115 PHOTOGRAPHY ON LOCATION

Units: 1.50

CSU 18.00 hours lecture, 27.00 hours lab

Introduces composition and special techniques for photographing urban and natural landscapes on location. Explore various historic and modern locations. It is recommended students provide a digital SLR camera capable of full manual adjustment. Field trips required.

PHOTO 140 HISTORY OF PHOTOGRAPHY

Units: 3.00

UC:CSU 54.00 hours lecture

Explores the history and appreciation of photography from the nineteenth century to present, including the relationship between photography and history, culture, technology, art, social values, and other concerns.

PHOTO 150 CAMERAS AND COMPOSITION

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces the fundamental historical development, theory, technology, and basic applications of photography. Examines principles and analysis of artistic and aesthetic qualities of photographic images through group interaction and discussion. Provides demonstration, analysis of function, and technical experience with digital and film single lens reflex cameras. It is recommended students provide a digital or 35mm film SLR camera capable of manual exposure and adjustment. UC credit limitation: PHOTO-150 and PHOTO-160, credit for one course only.

PHOTO 155 PHOTOGRAPHY

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Introduces the fundamental concepts, terminology, and techniques of photography and camera RAW, including the theory and basic principles of image correction and print technologies. It is recommended that students provide a digital SLR camera capable of manual exposure and adjustment.

PHOTO 157 DIGITAL IMAGING

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

Introduces the fundamental concepts, terminology, techniques and applications of digital imaging using industry standard software such as Adobe Photoshop. Through application of theory, students will explore both the technical aspects of image manipulation, as well as the artistic aspects of creating images.

PHOTO 160 BLACK AND WHITE PHOTOGRAPHY

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

Introduces mechanical and artistic principles in recording photographic images using a 35mm SLR camera and printing black and white images including basic history and fundamental mechanics, optics, chemistry, and lighting principles of black and white photography. UC credit limitation: PHOTO-150 and PHOTO-160, credit for one course only.

PHOTO 177 VIDEO CAPTURE FOR STILL PHOTOGRAPHERS

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: PHOTO-150 or PHOTO-155

Explores video as a tool in preparing still photographic projects and provides the basic technical skills to capture video content, utilizing a DSLR camera. Develops the skill set to record video in tandem with still photography including photographic and video narrative, still and basic HD video camera techniques, lighting, and basic sound recording.

PHOTO 185 EXPERIMENTAL PHOTOGRAPHY

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: PHOTO-155 or PHOTO-160

Designed for the intermediate level student, this course explores experimental and technical processes and creative camera operations, providing students the opportunity to fully develop an understanding of alternative methods of photographic printmaking.

PHOTO 190 STUDIO PHOTOGRAPHY

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: PHOTO-155 or PHOTO-160

Explores the photographic studio through lectures and demonstrations, including studio lighting equipment and the impact of lighting arrangements on the photographic image, medium format cameras, and examination of the history of studio photography.

PHOTO 195 COLOR PHOTOGRAPHY

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: PHOTO-155 or PHOTO-160

Presents the principles of light and color in digital or film photography and the practice of exposure and color printing. Students are recommended to furnish a fully manual/adjustable 35mm film or digital SLR camera.

PHOTO 200 PORTRAITURE

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: PHOTO-155 or PHOTO-160

Explores basic portraiture techniques for commercial photographic and artistic use, utilizing medium format cameras.

PHOTO 201 INDEPENDENT PROJECTS IN PHOTOGRAPHY

Units: 2.00-3.00

CSU 18.00 hours lecture, 54.00-108.00 hours lab

Prerequisite: PHOTO-150 or PHOTO-155 or PHOTO-160

A course for intermediate and advanced students to research, propose, revise and complete individual photographic projects and techniques. Offered pass/no-pass only.

PHOTO 210 EVENT PHOTOGRAPHY

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: PHOTO-155 or PHOTO-160

Introduces the essential skills needed for a career in event photography, including individual and group portraits, studio lighting, electronic flash, marketing, pricing, and album production.

PHOTO 215 PHOTOJOURNALISM AND NEWS PHOTOGRAPHY

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: MEA-120 or PHOTO-150 or PHOTO-155 or PHOTO-160

Introduces contemporary photojournalism and news photography through applications of theory and concepts of visual communication to digital photographic processes to produce news stories, photographic series, and photo-essays. Note: It is recommended that students have access to a Digital SLR camera with manual exposure and interchangeable lenses. (Same as MEA-215)

PHOTO 220 THE BUSINESS OF PHOTOGRAPHY

Units: 3.00

CSU 54.00 hours lecture

Introduces the business of photography, including training and strategies in creating studio space, marketing plans, building clientele, contracts and forms, creating portfolios and pricing.

PHOTO 280 LARGE FORMAT PHOTOGRAPHY AND THE ZONE SYSTEM

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: PHOTO-160

Expands black and white film based photography utilizing large format cameras, including perspective controls, chemicals and materials, and the zone system and its variations.

PHOTO 285 CONCEPT DEVELOPMENT

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: PHOTO-155 or PHOTO-160

Presents advanced theory, concept development and execution of the creative process in Photography 155 or 160. UC credit limitation: PHOTO 160, 285 and ART 250 combined: maximum credit, two courses.

PHOTO 295 PROFESSIONAL PRACTICES AND PORTFOLIO

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: PHOTO-155 or PHOTO-160

Provides essential career skills for the field of photography, including preparation and presentation of a photographic portfolio, development of entrepreneurial and communication skills, understanding of project contracts and planning, and the application of teamwork in the photographic industry.

PHYSICAL SCIENCE

Physical Science classes prepare students to understand and appreciate nature and become knowledgeable about fundamental forces in nature, the basic principles behind modern technology and energy sources, and the role of science in everyday life. Physical Science may be utilized in such professions as teaching, serving as a technical administrator in government and industry, or completing legal work with patents, scientific librarianship, and scientific journalism.

PHYSICI 101 PHYSICAL SCIENCE

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

Recommended Preparation: MATH-070 or higher math placement

Introduces the non-science major to a survey of chemistry and physics. Includes mechanics, heat, light, sound, motion, magnetism, electricity, light atomic structure, chemical bonding, chemical reaction rates and equilibrium. Emphasizes basic principles, relationships, status and their practical applications. Topics are developed with a minimum of mathematical presentation. UC credit limitation: No credit if taken after a college level course in Physics or Chemistry.

PHYSICS

The Physics program provides curriculum concerned with the properties of matter and energy, and their interactions and transformations. The Physics program includes both major and non-major courses. The following is a sample of career options available for physics. Most require a baccalaureate degree, and some require a graduate degree: air pollution operations, consumer safety officer, engineer, teacher, astrophysicist and physicist.

Associate in Science Degree: Physics for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T in Physics. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to:

- Reason conceptually and logically about physical phenomena using scientific models involving the fundamental physics principles of kinematics, kinetics, energy conservation, electromagnetism, thermodynamics, optics, and modern physics.
- Utilize appropriate instruments to measure and examine examples of physics phenomena and relate the results of experimental data to the concepts discussed in the lecture portion of the class.

Program Requirements:

Units Required: 27

	Units
PHYSIC-220	Physics for Scientists and Engineers: Mechanics of Solids and Fluids.....4.0
PHYSIC-221	Physics for Scientists & Engineers: Electricity & Magnetism4.0
PHYSIC-222	Physics for Scientists & Engineers: Wave Motion, Heat, Optics & Modern Physics4.0
MATH-211	Calculus I.....5.0
MATH-212	Calculus II.....5.0
MATH-213	Calculus III.....5.0

PHYSIC 101 INTRODUCTION TO PHYSICS

Units: 4.00

UC:CSU 72.00 hours lecture

Recommended Preparation: MATH-070 or higher math placement

Introduces classical and modern physics, including physical principles concerning motion, gravity, heat, light, sound, electricity, magnetism, the atom, the nucleus, relativity, and quantum mechanics.

PHYSIC 110 GENERAL PHYSICS I

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab
C-ID PHYS 105

Prerequisite: MATH-102

Presents a non-calculus-based introductory study of Newtonian mechanics, the conservation of energy, momentum, and angular momentum, including topics in vibrational motion, waves, and fluid mechanics. Designed for students majoring in the life sciences or any other major requiring a non-calculus based physics course. UC credit limitation: PHYSICS 110-111, and 220-221-222 combined, maximum credit one series.

PHYSIC 111 GENERAL PHYSICS II

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab

Prerequisite: PHYSIC-110

Presents a non-calculus-based introductory study of electricity and magnetism, optics, and modern physics. Designed for students majoring in the life sciences or any other major requiring a non-calculus-based physics course. UC credit limitation: PHYSICS 110-111 and 220-221-222 combined, maximum credit one series.

PHYSIC 220 PHYSICS FOR SCIENTISTS AND ENGINEERS: MECHANICS OF SOLIDS AND FLUIDS

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab
C-ID PHYS 205

Prerequisite: MATH-211

Presents a calculus-based introductory study of particle and rigid body statics and dynamics, vibrational motion, and fluid mechanics.

PHYSIC 221 PHYSICS FOR SCIENTISTS AND ENGINEERS: ELECTRICITY AND MAGNETISM

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab
C-ID PHYS 210

Prerequisite: PHYSIC-220 and credit for or concurrent enrollment in MATH-212.

Introduces electric and magnetic fields, circuit theory and electromagnetic induction.

PHYSIC 222 PHYSICS FOR SCIENTISTS AND ENGINEERS: WAVE MOTION, HEAT, OPTICS, AND MODERN PHYSICS

Units: 4.00

UC:CSU 54.00 hours lecture, 54.00 hours lab
C-ID PHYS 215, C-ID PHYS 200S - with completion of PHYSIC-220 and 221

Prerequisite: PHYSIC-220 and credit for or concurrent enrollment in MATH-212.

Introduces modern physics, including heat, thermodynamics and kinetic theory, wave motion and sound, geometric and physical optics. UC credit limitation: PHYSICS 110-111 and 220-221-222 combined, maximum credit one series.

PLUMBING TECHNOLOGY

The Plumbing Technology courses are designed to provide entry level knowledge and skills to students seeking employment as a plumber performing new installation and repair of plumbing systems. Students will gain a broad knowledge of different types of plumbing systems; and their design installation and maintenance.

PLMB 030 PLUMBING FUNDAMENTALS

Units: 3.00

54.00 hours lecture

Presents fundamental methods, materials and uses of tools in the plumbing industry, including occupational safety and technical drawings.

PLMB 050 PRINCIPLES AND PRACTICES

Units: 3.00

36.00 hours lecture, 54.00 hours lab

Prerequisite: PLMB-030

Presents the skills used in the plumbing industry, including creating plumbing systems and installing fixtures.

PLMB 060 CONSTRUCTION PRACTICES AND INSTALLATION

Units: 4.00

36.00 hours lecture, 108.00 hours lab

Prerequisite: PLMB-030

Recommended Preparation: PLMB-050

Presents plumbing systems in new residential and light commercial settings, including blueprints, specifications, calculations, fabrication and installation of piping systems, fixtures and appliances.

PLMB 065 PLUMBING SERVICE AND REPAIR

Units: 4.00

36.00 hours lecture, 108.00 hours lab

Prerequisite: PLMB-030

Recommended Preparation: PLMB-050

Presents troubleshooting and plumbing repair in existing residential and light commercial buildings.

POLITICAL SCIENCE

Public authority, responsibility, and acquisition of power are studied in the discipline of political science. Introductory courses are for students interested in learning about American government, politics in general and relationships with other political systems in the world. Students majoring in political science who are pre-law will particularly profit from the more advanced courses in the department. Students interested in foreign service, international relations and/or communications will enjoy participating in the Model United Nations program offered by the department. A major in political science is of benefit to students seeking careers in law, the military, economics, law enforcement, business, and public administration

Associate in Arts Degree: Political Science for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system.

Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Political Science. Additional majors are being developed. Please see a counselor for more information.

Degree Student Learning Outcome:

Students will be able to evaluate and analyze the basic institutional structures of competing governments, various theories of political science and thought, the framework of international relations, and public policy as well as social factors influencing government.

Program Requirements:

Units Required: 18

	Units
POLISC-150 Introduction to American Government and Politics	3.0
<i>OR</i>	
POLISC-150H Introduction to American Government and Politics - Honors...	3.0
<i>Plus nine units from the following:</i>	
POLISC-230 Political Theory	3.0
POLISC-250 Comparative Government and Politics	3.0
POLISC-270 International Relations.....	3.0
<i>Plus a minimum of six units from the following:</i>	
POLISC-200 Introduction to Political Science.....	3.0
POLISC-210 Model United Nations	3.0
POLISC-290 Ethnic and Gender Politics	3.0
MATH-140 Introductory Statistics	4.0
<i>OR</i>	
MATH140H Introductory Statistics - Honors	4.0

POLISC 150 INTRODUCTION TO AMERICAN GOVERNMENT AND POLITICS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID POLS 110

Examines the institutions, activities, and issues of American and California governments while presenting an overview of the major ideas and forces that shape the use of public power in American society. The Constitution, the three branches of government, political parties, interest groups, and the media are among the major topics covered. Satisfies the Title V U.S. Constitution requirement and the California State and local government requirement.

POLISC 150H INTRODUCTION TO AMERICAN GOVERNMENT AND POLITICS - HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID POLS 110

Recommended Preparation: ENGL-101 or ENGL-101H

Examines the institutions, activities, and issues of American and California governments, including an overview of the major ideas and forces that shape the use of public power in American society, the Constitution, the three branches of government, political parties, interest groups, and the media. Additional reading, writing, and research techniques are required in honors section.

POLISC 200 INTRODUCTION TO POLITICAL SCIENCE

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID POLS 150

Introduces the nature, scope and methodology of political science, including basic concepts, terms, contending theories, institutions and sub-fields in the discipline. This course does not meet the Title V American Institutions requirement in U.S. Constitution, California state and local government.

POLISC 210 MODEL UNITED NATIONS

Units: 3.00

CSU 54.00 hours lecture

May be taken four times for credit

Examines the norms, rules, and procedures of the United Nations leading to participation in a United Nations simulation. Emphasizes parliamentary procedure, international advocacy, the role of the United Nations, and extemporaneous speaking. Students enrolled in the class must participate in up to two Model United Nations conferences. However, students enrolled in the class are not expected to pay for costs associated with lodging and registration fees.

POLISC 230 POLITICAL THEORY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID POLS 120

Explores the major political concepts and theories from the early Greeks to modern day political philosophers, including the origins of government, state power, justice, and the distribution of political and economic resources.

POLISC 250 COMPARATIVE GOVERNMENT AND POLITICS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID POLS 130

Provides a comparative, analytical, and theoretical study of political cultures, government institutions, and political processes from selected regions and countries of the world with a strong emphasis on the understanding of comparative elements and variables.

POLISC 270 INTERNATIONAL RELATIONS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID POLS 140

Introduces international relations theory and analysis examining national, international, transnational and sub-national actors and their institutions, interactions and processes as they relate to global issues with specific focus on the basic historical, geographical, economic, ideological, and strategic factors which underlie conflict and cooperation among nations.

POLISC 290 ETHNIC AND GENDER POLITICS

Units: 3.00

UC:CSU 54.00 hours lecture

Examines the history, issues, and political processes that affect the status and power of ethnic and gender groups which have traditionally been politically and economically disadvantaged in the United States, including issues of inclusion and exclusion; otherness and scapegoating; and, barriers of inequality among politically marginalized groups.

PSYCHOLOGY

The Associate in Arts degree in Psychology will provide students with an introduction to the field of behavior including the major perspectives, scientific foundations, and applied areas. The intent is to prepare students for future academic study in the field. The degree includes curriculum that can lead to a baccalaureate degree in psychology at a four-year college or university. The degree can also be a terminal, two-year option of study for students interested in psychology who do not wish to pursue a baccalaureate degree in the field.

Associate in Arts Degree: Psychology for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Psychology. Additional majors are being developed. Please see a counselor for more information.

Degree Student Learning Outcome:

Students will be able to assess the influence of a variety of factors that contribute to behavior and mental processes, evaluate psychological concepts, and compare and contrast theoretical perspectives, empirical findings, and historical trends in the field of Psychology.

Program Requirements:

Units Required: 19

	Units
PSYCH-101 Introduction to Psychology	3.0
<i>OR</i>	
PSYCH-101H Introduction to Psychology - Honors	3.0
PSYCH-102 Physiological Psychology	3.0
PSYCH-103 Introduction to Behavioral Research	3.0
PSYCH-104 Statistics for the Behavioral Sciences	4.0
<i>Plus three units from the following:</i>	
PSYCH-109 Social Psychology	3.0
PSYCH-172 Developmental Psychology	3.0
<i>OR</i>	
PSYCH-172H Developmental Psychology - Honors	3.0
PSYCH-225 Psychology of Learning and Behavior	3.0
<i>Plus three units from the following that have not already been selected from the courses listed above:</i>	
PSYCH-105 Personal Growth and Adjustment....	3.0
PSYCH-109 Social Psychology	3.0
PSYCH-110 Psychology as a Major and Profession.....	3.0
PSYCH-126 Cognitive Psychology	3.0
PSYCH-172 Developmental Psychology	3.0
<i>OR</i>	
PSYCH-172H Developmental Psychology - Honors	3.0
PSYCH-180 Positive Psychology.....	3.0
PSYCH-225 Psychology of Learning and Behavior	3.0
PSYCH-230 Human Sexuality	3.0
PSYCH-235 Psychology of Gender Roles	3.0
PSYCH-240 Abnormal Psychology.....	3.0
PSYCH-272 Adult Development and Aging	3.0

Associate in Arts Degree: Psychology**Degree Student Learning Outcome**

Students will be able to assess the influence of a variety of factors that contribute to behavior and mental processes, evaluate psychological concepts, and compare and contrast theoretical perspectives, empirical findings, and historical trends in the field of Psychology.

Program Requirements:

Units Required: 25

	Units
PSYCH-101 Introduction to Psychology	3.0
<i>OR</i>	
PSYCH-101H Introduction to Psychology - Honors	3.0
PSYCH-102 Physiological Psychology	3.0
PSYCH-103 Introduction to Behavioral Research	3.0
PSYCH-126 Cognitive Psychology	3.0
PSYCH-225 Psychology of Learning and Behavior	3.0
PSYCH-104 Statistics for the Behavioral Sciences	4.0
<i>OR</i>	
MATH-140 Introductory Statistics	4.0
<i>OR</i>	
MATH-140H Introductory Statistics - Honors	4.0
<i>Plus three units from the following:</i>	
PSYCH-172 Developmental Psychology	3.0
<i>OR</i>	
PSYCH-172H Developmental Psychology - Honors	3.0
PSYCH-230 Human Sexuality	3.0
PSYCH-235 Psychology of Gender Roles	3.0
PSYCH-240 Abnormal Psychology.....	3.0

<i>Plus three units from the following:</i>	
PSYCH-105 Personal Growth and Adjustment....	3.0
PSYCH-109 Social Psychology	3.0
PSYCH-110 Psychology as a Major and Profession.....	3.0
PSYCH-180 Positive Psychology.....	3.0

PSYCH 101 INTRODUCTION TO PSYCHOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PSY 110

Introduces the scientific study of behavior through an exploration of major concepts, methods, and research findings. Topics include biological, physiological, and cognitive processes; learning and motivation; life span development; individual differences; behavioral disorders and therapies; social behavior; and applied psychology.

PSYCH 101H INTRODUCTION TO PSYCHOLOGY - HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PSY 110

Recommended Preparation: ENGL-101 or ENGL-101H

Introduces the scientific study of behavior through an exploration of major concepts, methods, and research findings. Topics include biological, physiological, and cognitive processes; learning and motivation; life span development; individual differences; behavioral disorders and therapies; social behavior; and applied psychology. Additional reading, writing, critical thinking, and research techniques are required.

PSYCH 102 PHYSIOLOGICAL PSYCHOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PSY 150

Prerequisite: PSYCH-101 or PSYCH-101H

Examines the functional and anatomical aspects of the nervous system in order to interpret behavior in terms of physiological processes, including cellular and organizational structure of the nervous system, the effects of psychoactive substances on the nervous system, the means by which sensory systems detect and process environmental events, and the biological basis of a variety of complex behaviors and mental processes.

PSYCH 103 INTRODUCTION TO BEHAVIORAL RESEARCH

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PSY 200

Prerequisite: PSYCH-101 or PSYCH-101H and PSYCH-104 or MATH-140 or MATH-140H or SOCI-137

Examines the basic principles and concepts of research methodology used in psychology including, naturalistic observation, case study, questionnaire, co-relational research, and laboratory experiments. Research design and the process of data analysis are also reviewed using classic studies, while providing added insight into the scientific method.

PSYCH 104 STATISTICS FOR THE BEHAVIORAL SCIENCES

Units: 4.00

UC:CSU 72.00 hours lecture

C-ID MATH 110

Prerequisite: MATH-070 or MATH-075 or higher math placement

Examines the methods used in social and behavioral science to analyze and interpret data generated by social and behavioral science research. Emphasis is placed on the gathering of data and the computation, interpretation, application, and presentation of statistics. UC credit limitation: ECON-291, MATH-140, MATH-140H, PSYCH-104 and SOCI-137 combined, maximum credit one course.

PSYCH 105 PERSONAL GROWTH AND ADJUSTMENT

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PSY 115

Introduces personal growth while emphasizing the application of theoretical psychology to the issues of adjustment and including an examination of the diverse variety of concepts of the psyche and cross-cultural perspectives on human nature.

PSYCH 109 SOCIAL PSYCHOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PSY 170

Introduces the psychological theories, psychological research and applications in major areas of social psychology, including communication and social interaction, group dynamics, attitudes, stereotyping and prejudice, altruism and aggression, person perception and social cognition, roles, and cultural differences.

PSYCH 110 PSYCHOLOGY AS A MAJOR AND PROFESSION

Units: 3.00

CSU 54.00 hours lecture

Introduces the profession of psychology, including careers in the field and skills important in the psychology major at various educational levels.

PSYCH 126 COGNITIVE PSYCHOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

Explores the theory and research related to human information-processing, focusing on attention, perception, memory storage and information retrieval.

PSYCH 172 DEVELOPMENTAL PSYCHOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PSY 180

Surveys human development while emphasizing the changes occurring throughout the lifespan as well as examining the physical, emotional, cognitive, and social growth of infants, toddlers, preschoolers, schoolchildren, adolescents, and adults.

PSYCH 172H DEVELOPMENTAL PSYCHOLOGY - HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PSY 180

Recommended Preparation: ENGL-101 or ENGL-101H

Surveys human development while emphasizing the changes occurring throughout the lifespan as well as examining the physical, emotional, cognitive, and social growth of infants, toddlers, preschoolers, schoolchildren, adolescents, and adults. Additional reading, writing, critical thinking, and research techniques are required.

PSYCH 180 POSITIVE PSYCHOLOGY

Units: 3.00

CSU 54.00 hours lecture

Explores the theory and research on the sources and effects of positive cognitive states, positive emotional states, and prosocial behavioral processes. Also examines Western and Eastern cultural approaches to the understanding of human strengths, developmental influences on positive functioning, methods for measuring and enhancing human strengths, and the benefits of human strengths, positive experiences and positive environments.

PSYCH 225 PSYCHOLOGY OF LEARNING AND BEHAVIOR

Units: 3.00

UC:CSU 54.00 hours lecture

Recommended Preparation: PSYCH-101 or PSYCH-101H

Introduces behavioral psychology, covering such topics as classical conditioning, operant conditioning, observational learning, and behavior modification.

PSYCH 230 HUMAN SEXUALITY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PSY 130

Prerequisite: PSYCH-101 or PSYCH-101H

Explores the psychological and physiological aspects of human sexuality, including social and biological foundations of sexuality, human anatomy, reproduction, birth process, sexual behavior and attitudes in contemporary society, historical views of sexuality, cross cultural views of sexuality, sexual dysfunction, sexually transmitted diseases, and sexual problems and issues in our society.

PSYCH 235 PSYCHOLOGY OF GENDER ROLES

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys gender issues which affect the psychological development of women and men, including the development of sex roles and the extent to which these roles influence, or are influenced by physiology, the family, education, work, and interpersonal relationships.

PSYCH 240 ABNORMAL PSYCHOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID PSY 120

Recommended preparation: PSYCH-101 or PSYCH-101H

Examines the history, patterns, and causes of maladaptive behavior as reviewed in the field of abnormal psychology, including clinical assessments using the current Diagnostic and Statistical Manual, therapies, and prevention strategies.

PSYCH 272 ADULT DEVELOPMENT AND AGING

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys adult human development and aging, emphasizing changes occurring throughout the adult years. Examines the physical, emotional, cognitive, and social growth and aging of adults. Cross cultural studies of development and aging will also be discussed throughout the course.

PUBLIC SAFETY – AGENCY TRAINING

The College, in conjunction with various community partner agencies, provides additional advanced training courses that are approved by the state fire marshal, the California Department of Forestry and Fire Protection, and the Commission on Peace Officer Standards Training (P.O.S.T.). These advanced training courses are part of the Los Angeles County Fire Department, Los Angeles County Lifeguard, Los Angeles Sheriff Department, and Los Angeles Police Department. Registration for the following courses are limited to students who have successfully completed the prerequisites, or provide evidence of minimum skills necessary to be successful in the course, that are listed in the course outlines or record. Approval of equivalent enrollment eligibility is not a guarantee that state regulatory and licensing authorities will also grant equivalency for licensure or employment purposes. For more information on the minimum skills validation for these course contact the college's Academic Affairs office. The courses listed below may be repeated if used for legally mandated training and are offered pass/no-pass only unless otherwise noted.

FIRE TECHNOLOGY ADVANCED TRAINING (FIRET)

FIRET 001 FALL FIRE FIGHTER IN-SERVICE TRAINING

Units: 0.25 - 4.00

44.00 hours lecture, 36.00 hours lab

Provides updated information and skills in the areas of fire apparatus, specialized emergency operations, current department policy and procedures, and fire suppression and investigation.

FIRET 003 SPRING FIRE FIGHTER IN-SERVICE TRAINING

Units: 0.25 - 4.00

44.00 hours lecture, 36.00 hours lab

Provides updated information and skills in the areas of fire apparatus, specialized emergency operations, current department policy and procedures, and fire suppression and investigation.

FIRET 004 SUMMER FIRE FIGHTER IN-SERVICE TRAINING

Units: 0.25 - 4.00

44.00 hours lecture, 36.00 hours lab

Provides updated information and skills in the areas of fire apparatus, specialized emergency operations, current department policy and procedures, and fire suppression and investigation.

FIRET 005 AERIAL APPARATUS OPERATIONS

Units: 1.00

12.00 hours lecture, 28.00 hours lab

Covers preventive maintenance and operations of an aerial apparatus, and deployment and operation of an elevated master stream.

FIRET 006 FIRE APPARATUS DRIVER/OPERATOR – TILLERED APPARATUS

Units: 1.00

11.00 hours lecture, 29.00 hours lab

Covers operation of a fire department aerial apparatus equipped with a tiller, including positioning and stabilizing the apparatus. Instruction includes practical driving exercises.

FIRET 007 FIRE APPARATUS DRIVER/OPERATOR – WILDLAND FIRE APPARATUS OPERATIONS

Units: 0.25

7.00 hours lecture, 16.00 hours lab

Covers preventive maintenance and operation of a wildland fire apparatus and production of an effective fire stream.

FIRET 008 FIRE APPARATUS DRIVER/OPERATOR - WATER TENDER OPERATIONS

Units: 0.25

8.25 hours lecture, 8.00 hours lab

Covers water tender preventive maintenance and operations, including routine tests, inspections, and servicing functions unique to a water tender; maneuvering and positioning a water tender at a water shuttle fill site; and establishing, maneuvering, and positioning at a water shuttle dumpsite.

FIRET 009A FIRE INVESTIGATION 1A – BASIC FIRE INVESTIGATION

Units: 2.00

39.50 hours lecture

Provides information on securing the fire scene and determining the origin and cause of the fire. Topics include responsibilities of a fire investigator, securing the fire ground, conducting an exterior and interior survey, analyzing fire patterns, interpreting individual fire patterns, discriminating the effects of explosions, examining and removing fire debris, reconstructing the area of origin, inspecting the performance of building systems.

FIRET 009B FIRE INVESTIGATION 1B – EVIDENCE AND DOCUMENTATION

Units: 1.50

33.50 hours lecture

Provides information on scene documentation and evidence collection/preservation. Topics include photographing the scene, diagramming the scene, constructing investigative notes, processing evidence and establishing chain of custody, processing victims and fatalities, selecting evidence for analysis, maintaining a chain of custody, preparing a fire investigation report, and disposing of evidence.

FIRET 009C FIRE INVESTIGATION 1C – EVIDENCE AND DOCUMENTATION

Units: 2.00

40.00 hours lecture

Provides information on legal considerations for a court proceeding. Topics include coordinating expert resources, formulating an opinion, presenting investigative findings, and testifying during legal proceedings.

FIRET 010 FIRE APPARATUS DRIVER/ OPERATOR GENERAL

Units: 2.00

32.00 hours lecture, 8.00 hours lab

Presents techniques and practice in driving emergency vehicles, basic maintenance and pre-trip inspections. This course applies to the requirements for driver/operator as established by the California State Board of Fire Services.

FIRET 011 FIRE APPARATUS DRIVER/ OPERATOR PUMP

Units: 1.75

24.00 hours lecture, 16.00 hours lab

Prerequisite: FIRET-010

Presents updated content reflecting the 2009 NFPA 1002 Standard for Fire Apparatus Driver/Operator Professional Qualifications. Focusing on methods for performing basic hydraulics and techniques on basic inspections, documentation, maintenance, and troubleshooting fire pumps.

FIRET 012 FIRE APPARATUS DRIVER/ OPERATOR TILLER TRUCK

Units: 1.50

20.00 hours lecture, 20.00 hours lab

Prerequisite: FIRET-011

Covers truck operations and driver responsibilities, recognized standards, and related laws for fire apparatus.

FIRET 016 INSTRUCTOR 1

Units: 2.00

40.00 hours lecture

This is the first of a three-course series. Topics include methods and techniques for training, selecting, adapting, organizing, and using instructional materials appropriate for teaching cognitive lessons; criteria and methods to evaluate teaching and learning efficiency.

FIRET 017 INSTRUCTOR 2

Units: 2.00

40.00 hours lecture

Prerequisite: FIRET-016

The second course in the instructor series. Topics include methods and techniques for training in accordance with the latest concepts in career education; selecting, adapting, organizing, and using instructional materials appropriate for teaching psychomotor lessons; criteria methods to evaluate teaching and learning efficiently.

FIRET 018 INSTRUCTOR 3

Units: 2.00

40.00 hours lecture

Prerequisite: FIRET-017

This is the third of a three-course series. Topics include a variety of methods and techniques for developing lesson plans and tests in accordance with the latest concepts in career education.

FIRET 019 ETHICAL LEADERSHIP IN THE CLASSROOM

Units: 0.25

8.00 hours lecture

Provides concepts and theories of the ethical decision making process. Helps recognition of the signs of ethical dilemma, identifies advantages and disadvantages of ethical behavior and reviews examples of classroom situations in which instructors used their leadership role to either encourage or discourage ethical behavior. Presents State Fire Training's Instructor Code of Ethics/Conduct.

FIRET 020 I-200 INCIDENT COMMAND SYSTEM

Units: 0.25

12.00 – 12.00 hours lecture

Introduces students to the principles of the Incident Command System (ICS) associated with incident-related performance. Topics include leadership and management, delegation of authority and management by objectives, functional areas and positions, briefings, organizational flexibility, transitions, and transfers.

FIRET 021 I-300 INTERMEDIATE INCIDENT COMMAND SYSTEM (ICS)

Units: 0.50

24.00 hours lecture

Expands knowledge of ICS organization and operation with regard to supervisory roles on expanding or Type 3 incidents. Includes ICS fundamentals review, incident/event assessment and agency guidance in establishing incident objectives, incident resource management, planning process, demobilization, transfer of command, and close out.

FIRET 022 I-400 ADVANCED ICS

Units: 0.25

16.00 hours lecture

Present the theories and techniques needed to manage large single-agency and complex multi-agency/multi-jurisdictional responses. Topics include fundamentals for command and general staff, major and/or complex incident/event management, area command and multi-agency coordination.

FIRET 023 GPS LAND NAVIGATION TECHNICIAN

Units: 0.50

16.00 hours lecture, 8.00 hours lab

Introduces land navigation techniques using a map and compass as well as navigation using a GPS unit. The lecture based class will conclude with a field exercise where students will demonstrate knowledge and skills learned.

FIRET 024 L-280 FOLLOWERSHIP TO LEADERSHIP

Units: 0.25

16.00 hours lecture

Introduces fundamental leadership concepts of the wildland fire service, focusing on the framework, values and principles that guide wildland fire leaders in providing leadership across a broad range of missions.

FIRET 025 INCIDENT MANAGEMENT OF MAJOR FIRES

Units: 2.00

40.00 hours lecture

Prerequisite: FIRET-021

Provides knowledge, skills, and abilities for those who are responsible for command and control of dynamic and complex fireground emergencies.

FIRET 026 S-290 INTERMEDIATE WILDLAND FIRE BEHAVIOR

Units: 1.00

32.00 hours lecture

Second course in a series designed to prepare the prospective fireline supervisor to undertake safe and effective fire management operations and predict fire behavior.

FIRET 027 S-390 INTRODUCTION TO WILDLAND FIRE BEHAVIOR CALCULATIONS

Units: 0.50 – 2.00

10.00 – 24.00 hours lecture, 8 hours lab

Develops knowledge and skills required for effective fire behavior predictions.

FIRET 028 INCIDENT MANAGEMENT OF THE FIREFIGHTER EMERGENCY

Units: 1.50

28.00 hours lecture

Prerequisite: FIRET-02 and FIRET-013 or FIRET-123

Introduces incident management terminology and methodology employed during a fire fighter emergency. Classroom simulations based upon case studies allow students to participate in simulated incident command positions during a fire fighter emergency.

FIRET 029 S-200 INITIAL ATTACK INCIDENT COMMANDER

Units: 0.25

10.00 hours lecture, 6.00 hours lab

Prepares the student to function as an initial attack incident commander at the ITCT4 level in the incident commander system. Meets national wildlife coordinating group curriculum criteria. Prepares students for employment with wildland fire management agencies and municipal fire departments.

FIRET 030 WILDLAND FIRE CHAINSAWS

Units: 1.00

20.00 hours lecture, 10.00 - 16.00 hours lab

Provides the function, maintenance and use of internal combustion engine powered chain saws, and their tactical wildland fire application. Field exercises support entry level training for firefighters with little or no previous experience in operating a chain saw, providing hands-on cutting experience in surrounding similar to fireline situations.

FIRET 031 S-215 FIRE OPERATIONS IN THE URBAN INTERFACE

Units: 0.50

16.00 hours lecture, 8.00 hours lab

Designed to assist fire fighters in making tactical decisions when confronting wildland fires that threaten wildland/urban interface.

FIRET 032 S-223 FIRELINE EMT

Units: 0.25

16.00 hours lecture

Prerequisite: FIRET-021 and FIRET-023

Designed to meet the training needs of an incident FEMT as outlined in the Field Operations Guide, ICS 420-1, Firescope California.

**FIRET 033 S-230 CREW BOSS/S-231
ENGINE BOSS**

Units: 0.75

24.00 hours lecture, 8.00 hours lab

Prerequisite: FIRET-026

Presents information and skills associated with the Crew/Engine Boss position. Presents training from initial dispatch through demobilization to the home unit. Topics include engine and crew capabilities, information sources, fire size-up considerations, tactics, and post incident responsibilities.

FIRET 035 S-219 IGNITION OPERATIONS

Units: 0.75

16.00 hours lecture, 16.00 hours lab

Provides training in the functional roles and responsibilities connected with firing operations. Topics include: planning, ignition procedures and techniques, and equipment applicable to wildland and prescribed fire. Addresses the role of the ignition specialist or firing boss as the organization manages escalation from a non-complex to a complex situation.

**FIRET 036 S-244 FIELD OBSERVER/ S-245
DISPLAY PROCESSOR**

Units: 2.00

32.00 hours lecture, 8 hours lab

Designed to meet the training needs of a potential field observer (FOBS) and display processor. Describes navigation, mapping, and observation techniques as outlined in the Wildland Fire Qualification System Guide.

**FIRET 037 WILDLAND FIRE DRILLS –
SPRING/GRASS**

Units: 0.15 – 0.25

2.00 – 4.00 hours lecture, 4.00 – 8.00 hours lab

Provides training that will reinforce communication and tactical practices between commanding officers and tactical forces utilizing live-fire and mentors in a controlled Wildland environment.

**FIRET 038 L-965 RESOURCE/DMOB UNIT
LEADER**

Units: 1.50

32.00 hours lecture

Prerequisite: FIRET-020

Introduces tools and techniques used to perform the duties of resource unit leader (RESL), and demobilization unit leader (DMOB).

FIRET 039 STATUS CHECK-IN RECORDER

Units: 0.50

16.00 hours lecture

Prerequisite: FIRET-020

Introduces tools and techniques used to perform the duties of a status check-in recorder (SCKN). Provides an overview of what a student can expect if dispatched to an incident.

FIRET 041 S-270 BASIC AIR OPERATIONS

Units: 0.25

16.00 hours lecture

Introduces principles of aviation management and safety, including agency aircraft, tactical and logistical uses of aircraft, and requirements for take-off and landing areas.

**FIRET 042 S-271 HELICOPTER CREW
MEMBER**

Units: 1.50

32.00 hours lecture

Provides training in all areas of the tactical and logistical use of helicopters by the fire service. Introduces air crew members to operations and provides a foundation in safe procedures.

**FIRET 044 S-330 STRIKE TEAM/TASK
FORCE LEADER**

Units: 0.75

32.00 hours lecture

Provides tactics and strategy as it relates to the management of a strike team or task force and meets the S-330 training requirements of the California Incident Command Certification System (CICCS) for the position of Strike Team/Task Force Leader-All Risk.

FIRET 046 L-964 SITUATION UNIT LEADER

Units: 0.25 – 4.00

4.00 – 66.00 hours lecture, 14.00 hours lab

Designed to meet the training needs of a situation unit leader (SITL) as outlined in the Wildland Fire Qualification System Guide (PMS 310-1).

**FIRET 047A FIRE INSPECTOR 1A – DUTIES
AND ADMINISTRATION**

Units: 1.00

24.00 hours lecture

Provides students with a basic knowledge of the roles and responsibilities of a Fire Inspector I including legal responsibilities and authority, codes and standards, the inspection process, confidentiality and privacy requirements, ethical conduct, permit or plan review, investigating common complaints, and participating in legal proceedings.

**FIRET 047B FIRE INSPECTOR 1B – FIRE
AND LIFE SAFETY**

Units: 1.00

24.00 hours lecture

Provides students with a basic knowledge of fire and life safety aspects related to the roles and responsibilities of a Fire Inspector I including building construction, occupancy classifications, occupancy load, means of egress, hazardous conditions, fire growth potential, fire flow, and emergency planning and preparedness measures.

FIRET 047C FIRE INSPECTOR 1C – FIELD INSPECTION

Units: 1.00

24.00 hours lecture

Provides students with a basic knowledge of field inspection roles and responsibilities of a Fire Inspector I including basic plan review, emergency access for an existing system, hazardous materials, and the operational readiness of fixed fire suppression systems, existing fire detection and alarm systems, and portable fire extinguishers.

FIRET 047D FIRE INSPECTOR 1D – FIELD INSPECTION CALIFORNIA SPECIFIC

Units: 0.50

16.00 hours lecture

Provides students with a basic knowledge of field inspection roles and responsibilities specific to California of a Fire Inspector I including basic plan review, emergency access for an existing system, hazardous materials, and the operational readiness of fixed fire suppression systems, existing fire detection and alarm systems, and portable fire extinguishers.

FIRET 048A FIRE INSPECTOR 2A – FIRE PREVENTION ADMINISTRATION

Units: 0.50

16.00 hours lecture

Prerequisite: FIRET-047A, 047B, 047C, 047D

Provides students with a basic knowledge of the administrative requirements related to the roles and responsibilities of a Fire Inspector II including processing permit and plan review applications, enforcing permit regulations, investigating complex complaints, recommending modifications to codes and standards, recommending policies and procedures for inspection services, generating written appeals correspondence, initiating legal action, evaluating inspection reports, and proposing technical reference material acquisition.

FIRET 048B FIRE INSPECTOR 2B – FIRE AND LIFE SAFETY REQUIREMENTS

Units: 1.00

24.00 hours lecture

Prerequisite: FIRET-048A

Provides students with a basic knowledge of fire and life safety requirements related to the roles and responsibilities of a Fire Inspector II including occupancy classification, egress elements, emergency plans and procedures, occupant loads, building construction and fire growth potential.

FIRET 048C FIRE INSPECTOR 2C – INSPECTING NEW AND EXISTING FIRE AND LIFE SAFETY SYSTEMS AND EQUIPMENT

Units: 0.50

16.00 hours lecture

Prerequisite: FIRET-048A

Provides students with a basic knowledge of inspection requirements related to the roles and responsibilities of a Fire Inspector II including inspection of life safety systems and building services equipment, fire protection systems, and emergency access criteria.

FIRET 048D FIRE INSPECTOR 2D – HAZARDOUS MATERIALS, OPERATIONS, AND PROCESSES

Units: 1.50

32.00 hours lecture

Prerequisite: FIRET-048A

Provides students with a basic knowledge of hazardous materials, operations, and processes related to the roles and responsibilities of a Fire Inspector II including hazardous conditions, flammable and combustible liquids and gases, and hazardous materials

FIRET 056 L-954 ALL HAZARD SAFETY OFFICER

Units: 1.5

32.00 hours lecture

Designed to meet the training needs of the safety officer position in the incident command system. Topics include safety officer effectiveness, analysis techniques, safety messages, briefings and reports, and high hazard operations.

FIRET 061 J-342 DOCUMENTATION UNIT LEADER

Units: 0.15

8.00 hours lecture

Introduces procedures for mobilization and demobilization on an incident, duplication of the IAP and requirements for maintaining incident records.

FIRET 063 J-158 RADIO OPERATOR/J-257 INCIDENT COMMAND CENTER MANAGER

Units: 0.25

16.00 hours lecture

Provides instruction and necessary skills associated with the radio operator/Incident command center manager. Topics include mobilization, transfer of information, communications equipment, and demobilization.

FIRET 064 S-300 EXTENDED ATTACK

Units: 0.25

16.00 hours lecture

Provides training to meet needs of the incident commander type 3 (ICT3). Focus is on leadership and command as they relate to the ICT3 position.

**FIRET 065 CONFINED SPACE RESCUE
TECHNICIAN CONTINUING EDUCATION**

Units: 0.15

4.00 hours lecture, 4.00 hour lab

Designed for the continuing education of a confined space rescue technician. Prepares student for confined space emergency response.

FIRET 066 TRENCH RESCUE TECHNICIAN

Units: 0.50

16.00 hours lecture, 8.00 hour lab

Provides fire service personnel with hands-on application of the techniques necessary to safely affect a rescue from an excavation or trenching cave-in. Topics include: critical considerations while responding to trenching emergencies, evaluation of cave-in scenes, basic life support procedures and temporary protection for victims, specialized tool usage, shoring techniques, and below grade rescue safety procedures.

**FIRET 067 S-341 GIS SPECIALIST FOR
INCIDENT MANAGEMENT**

Units: 1.00

24.00 hours lecture

Provides training to meet the needs of a geographic information systems specialist to manage the information needs of all-hazard incidents.

**FIRET 068 FIRE BEHAVIOR – STRUCTURE
FIRE ATTACK**

Units: 0.15

4.00 hours lecture, 4.00 hour lab

Presents hazards and situational tactics of structure firefighting. Focuses on strategies, key skills and hazardous conditions encountered on a structure fire.

**FIRET 069 DRIVER ENRICHMENT
TRAINING**

Units: 0.25

8.00 hours lecture

Prepares students to operate an emergency motor vehicle in order to effectively save and protect lives, property, and the environment.

FIRET 070 RESCUE SYSTEMS I

Units: 1.00

16.00 hours lecture, 24.00 hours lab

Provides training in basic search and rescue skills under the California Urban Search and Rescue operational levels.

FIRET 071 RESCUE SYSTEMS 2

Units: 1.25

20.00 hours lecture, 20.00 hours lab

Provides advanced heavy rescue system techniques. Key topics include structural building types, wood and mechanical shores, crib capacities, floor weight calculations, building search, confined space considerations, damaged structure hazard assessment, use of small power and hand tools, air bags, and USAR ICS.

FIRET 072 RESCUE SYSTEMS 3

Units: 0.50

2.00 hours lecture, 22.00 hours lab

Provides advanced training in structural collapse rescue systems. Topics include safety techniques, rescue system equipment, and structural trends.

FIRET 073 CONFINED SPACE RESCUE

Units: 0.25 – 2.00

4.00 - 20.00 hours lecture, 4.00 – 20.00 hours lab

Provides intensive hands-on training to prepare firefighters to respond to confined space emergencies. Topics include identifying confined spaces, permit-required confined spaces, hazards associated with permit required confined space, target industries and hazards, state and federal regulations, components of a rescue operation, and the roles and responsibilities of the rescue team.

FIRET 074 RIVER AND FLOOD RESCUE 1

Units: 0.50

8.00 hours lecture, 16.00 hours lab

Provides training of fire service personnel in water rescue techniques. Topics include swift water rescue, submerged vehicles, drowning, use of engine/truck company equipment for water rescue, use of rafts and boats, and underwater search and recovery.

FIRET 075 LOW ANGLE ROPE RESCUE

Units: 0.50

4.00 hours lecture, 20.00 hours lab

Provides instruction in the techniques and methods for using rope, webbing, hardware friction devices, and litters in low angle rescue situations.

FIRET 077 ROPE RESCUE TECHNICIAN

Units: 1.00

10.00 hours lecture, 30 hours lab

Provides the requirements for in-service certification of firefighters in high angle rescue situations.

FIRET 078 RIVER FLOOD CE

Units: 0.15

2.00 hours lecture, 6.00 hours lab

Provides additional training in river flood rescues. Consists of various selected sections of River Flood 1 and 2. Topics include recognition and avoidance of common river hazards, execution of self-rescue techniques, and advanced rescue methods.

FIRET 079 RIVER AND FLOOD RESCUE 2

Units: 0.75

8.50 hours lecture, 12.50 hours lab

Focuses on recognition and avoidance of common river hazards, execution of self rescue techniques, advanced rescue methods used in team dynamics, victim rescues and scenarios based on real life rescues.

FIRET 080 IN-SERVICE EMS

Units: 0.25 – 4.00

8.00 – 24.00 hours lecture, 8.00 – 16.00 hours lab
Provides training in emergency medical skills for public safety personnel. Covers continuing education training in the areas of first aid, CPR, first responder, EMT IA EMT, NA/FS, EMT II, paramedic, paramedic in-service training, and automatic defib equipment procedures and operations.

FIRET 081 HEAVY RESCUE TECHNICIAN

Units: 1.00

12.00 hours lecture, 28.00 hours lab

Provides skills needed by a heavy rescue technician. Focuses on heavy rescue techniques, advanced rescue methods used in team dynamics, and scenarios based on real life rescues.

AR-339/S-339 DIVISION/GROUP SUPERVISOR

Units: 1.25

24.00 hours lecture, 8.00 hours lab

Prepares students to perform in the role of division/group supervisor and provides instruction in support of the specific tasks of the division on wildfire incidents. Topics include division/group management, organizational interaction, division level and all-hazard operations.

FIRET 083 SWIFTWATER HELO

Units: 0.25 – 0.50

2.00 hours lecture, 18.00 – 24.00 hours lab

Prerequisite: FIRET-079

Designed to assist in the Awareness Level training of Swiftwater Helicopter Rescue Air Crew Members (ACM). Promotes standardization of Search and Rescue (SAR) procedures. Content includes a mixture of military and civilian practices, procedures and techniques.

FIRET 084 IAFF FIRE GROUND SURVIVAL

Units: 0.50

8.00 hours lecture, 24.00 hours lab

Provides the step-by-step tools to use in a MAYDAY situation or leading to the rescue, including the use of mnemonics, case studies, and life saving techniques needed to facilitate a successful MAYDAY rescue.

FIRET 086 PERSONAL WATERCRAFT/ INFLATABLE RESCUE BOAT

Units: 0.75

8.00 hours lecture, 32.00 hours lab

Prerequisite: FIRET-079

Focuses on proper watercraft maintenance, safety, and rescue. Provides operation techniques on rigid-hulled and inflatable small vessels in river and moving water conditions.

FIRET 087 FIRE MANAGEMENT I

Units: 2.00

40.00 hours lecture

Presents the skills and responsibilities required of first level supervisors. Designed to prepare the student to transition from fire fighter to fire officer.

FIRET 088 FIRE PREVENTION I

Units: 1.50

32.00 hours lecture

Provides a basic knowledge of the Company Officer Certification track and capstone task book process. Reviews skills related to the company officer's role in the fire prevention, the relationship between line safety and building construction, the elements of a quality company inspection program, and how to address complex hazards encountered during an inspection.

FIRET 089 FIRE CAPTAIN ACADEMY

Units: 3.25

56.00 hours lecture, 24.00 hours lab

Prerequisite: FIRET-033

Prepares students to operate as a company leader and meet the challenges in managing, supervising, and training professional firefighters at the Fire Captain level. Encompass classroom training, in-field drills, and online pre-course work covering topics including emergency medical services, Structure fire operations, Wildland fire operations, and management/supervision/leadership concepts.

FIRET 090 COUNTY OF LOS ANGELES FIRE DEPARTMENT EXPLORER ACADEMY

Units: 2.75 – 6.00

24.00 – 59.00 hours lecture, 72.00 – 177.00 hours lab

Introduces various manipulative skills associated with fire department activities such as, but not limited to; hydrant operation, hose evolutions, ladder evolutions, breathing apparatus evolutions, and tying of department approved knots. Additionally, Explorers will learn about basic fire behavior, fire chemistry and physics, classes of fires, and extinguishing techniques.

FIRET 091 HAZMAT – FIRST RESPONDER OPERATIONAL REFRESHER

Units: 0.25

3.50 hours lecture, 4.50 hours lab

This is a 3 module FRO refresher course. Students will participate in three distinct scenarios designed to engage the various knowledge and skills required of the First Responder Operational. During these scenarios, the student will develop and implement the strategy, tactics, and tasks necessary to respond to an over-turned tanker (306/406). Experiencing a hazardous materials leak, they will formulate and implement the strategies, tactics, and tasks necessary to rescue simulated injured workers inside a warehouse. Students will develop and implement the strategy, tactics, and tasks necessary to perform required emergency operations in a simulated hazardous situation.

FIRET 092 COMMUNICATIONS SPECIALIST

Units: 1.75

29.00 hours lecture, 19.00 hours lab

Trains personnel as Task Force Communications Specialists for DHS/FEMA's 28 US&R Task Force. Examines the communications specialist's responsibilities.

FIRET 102 EMERGENCY MEDICAL TECHNICIAN TRAINING PROGRAM

Units: 8.00

CSU 105.00 hours lecture, 88.00 hours lab

Prepares students for certification as an Emergency Medical Technician, including basic, non-invasive interventions to reduce the morbidity and mortality associated with acute out-of-hospital medical and traumatic emergencies. Includes ambulance ride along.

FIRET 110 HAZARDOUS MATERIALS – TECHNICIAN I

Units: 8.00

CSU 103.00 hours lecture, 57.00 hours lab

Provides the instruction necessary to perform the duties as a Hazardous Materials Technician as referenced in sub-section 5192, (q)(6) of Title 8 CCR and 29 CFR 1910.120 Sub-section (q)(6) in Modules A-D.

FIRET 120 COMPANY OFFICER 2A: HUMAN RESOURCE MANAGEMENT FOR COMPANY OFFICERS

Units: 2.00

CSU 40.00 hours lecture

Provides information on the use of human resources to accomplish assignments, evaluating member performance, supervising personnel, and integrating health and safety plans, policies, and procedures into daily activities as well as the emergency scene. This course is designed for Firefighters who have met the educational requirements for Fire Fighter II.

FIRET 121 COMPANY OFFICER 2B: GENERAL ADMINISTRATIVE FUNCTIONS FOR COMPANY OFFICERS

Units: 1.00

CSU 20.00 hours lecture

Provides information on general administrative functions and the implementation of department policies and procedures and addresses conveying the fire department's role, image, and mission to the public. This course is designed for firefighters who have met the educational requirements for Fire Fighter II.

FIRET 122 COMPANY OFFICER 2C: FIRE INSPECTIONS AND INVESTIGATION FOR COMPANY OFFICERS

Units: 2.00

CSU 40.00 hours lecture

Provides information on conducting inspections, identifying hazards and addressing violations, performing a fire investigation to determine preliminary cause and securing the incident scene and preserving evidence. This course is designed for firefighters who have met the educational requirements for Fire Fighter II.

FIRET 123 COMPANY OFFICER 2D: ALL-RISK COMMAND OPERATIONS FOR COMPANY OFFICERS

Units: 2.00

CSU 40.00 hours lecture

Provides information on conducting incident size-up, developing and implementing an initial plan of action involving a single and multi-unit operations for various types of emergency incidents to mitigate the situation following agency safety procedures, conducting preincident planning, and develop and conduct a post-incident analysis. This course is designed for firefighters who have met the educational requirements for Fire Fighter I, and completed the ICS-200.B: Incident Command System for Single Resources and Initial Action Incident and Hazardous Material Incident Commander courses (as offered by the California Specialized Training Institute).

FIRET 124 COMPANY OFFICER 2E: WILDLAND INCIDENT OPERATIONS FOR COMPANY OFFICERS

Units: 2.00

CSU 40.00 hours lecture

Prerequisite: FIRET-123

Provides information on evaluating and reporting incident conditions, analyzing incident needs, developing and implementing a plan of action to deploy incident resources completing all operations to suppress a wildland fire, establishing an incident command post, creating an incident action plan, and completing incident records and reports. This course is designed for firefighters who have met the educational requirements for Fire Fighter II, and completed the S-290 Intermediate Fire Behavior course (classroom delivery).

FIRET 125 CHIEF FIRE OFFICER 3A: HUMAN RESOURCES MANAGEMENT FOR CHIEF FIRE OFFICERS

Units: 1.00

CSU 26.00 hours lecture

Prerequisite: FIRET-120, 121, 122, 123, 124

Provides students with a basic knowledge of the human resources requirements related to the roles and responsibilities of a Chief Fire Officer.

**FIRET 126 CHIEF FIRE OFFICER 3B:
BUDGET AND FISCAL RESPONSIBILITIES
FOR CHIEF FIRE OFFICERS**

Units: 1.00

CSU 18.00 hours lecture

Prerequisite: FIRET-120, 121, 122, 123, 124

Provides students with a basic knowledge of the budgeting requirements related to the roles and responsibilities of a Chief Fire Officer.

**FIRET 127 CHIEF FIRE OFFICER 3C:
GENERAL ADMINISTRATIVE FUNCTIONS
FOR CHIEF FIRE OFFICERS**

Units: 1.00

CSU 24.00 hours lecture

Prerequisite: FIRET-120, 121, 122, 123, 124

Provides students with a basic knowledge of the administration requirements related to the roles and responsibilities of a Chief Fire Officer.

**FIRET 128 CHIEF FIRE OFFICER 3D:
EMERGENCY SERVICE DELIVERY
RESPONSIBILITIES FOR CHIEF FIRE
OFFICERS**

Units: 1.00

CSU 24.00 hours lecture

Prerequisite: FIRET-120, 121, 122, 123, 124

Provides students with a basic knowledge of the emergency service requirements related to the roles and responsibilities of a Chief Fire Officer.

**FIRET 129 EXECUTIVE CHIEF FIRE
OFFICER 4A: HUMAN RESOURCES
MANAGEMENT FOR EXECUTIVE CHIEF
FIRE OFFICERS**

Units: 1.50

CSU 28.00 hours lecture

Prerequisite: FIRET-125, 126, 127, 128

Provides information on the use of human resources for the Executive Chief Fire Officer to accomplish assignments, evaluating member performance, supervising personnel, and integrating health and safety plans, policies, and procedures into daily activities as well as the emergency scene.

**FIRET 130 EXECUTIVE CHIEF FIRE
OFFICER 4B: COMMUNITY AND
GOVERNMENT RELATIONS FOR
EXECUTIVE CHIEF FIRE OFFICERS**

Units: 0.50

CSU 10.50 hours lecture

Prerequisite: FIRET-125, 126, 127, 128

Provides the skills and knowledge needed for the Executive Chief Fire Officer to perform his/her duties safely, effectively, and competently while assuming a leadership role in community events.

**FIRET 131 EXECUTIVE CHIEF FIRE
OFFICER 4C: ADMINISTRATION FOR
EXECUTIVE CHIEF FIRE OFFICERS**

Units: 1.50

CSU 30.50 hours lecture

Prerequisite: FIRET-125, 126, 127, 128

Provides information on administrative functions for the Executive Chief Fire Officer, including the implementation of department policies and procedures, evaluating and projecting training requirements, and developing a plan for a capital improvement project or program

**FIRET 132 EXECUTIVE CHIEF FIRE
OFFICER 4D: EMERGENCY SERVICES
DELIVERY FOR EXECUTIVE CHIEF FIRE
OFFICERS**

Units: 2.00

CSU 38.50 hours lecture

Prerequisite: FIRET-125, 126, 127, 128

Provides the skills and knowledge needed for the Executive Chief Fire Officer to perform emergency services delivery safely, effectively, and competently.

**FIRET 133 EXECUTIVE CHIEF FIRE
OFFICER 4E: HEALTH AND SAFETY FOR
EXECUTIVE CHIEF FIRE OFFICERS**

Units: 0.50

CSU 14.50 hours lecture

Prerequisite: FIRET-125, 126, 127, 128

Provides the health and safety skills and knowledge needed for the Executive Chief Fire Officer to perform his/her duties safely, effectively, and competently.

**FIRE TECHNOLOGY ADVANCED
TRAINING - LIFEGUARD (FIRETL)****FIRETL 001 OCEAN LIFEGUARD ACADEMY**

Units: 4.00

54.00 hours lecture, 56.00 hours lab

Prepares the student for employment as an ocean lifeguard. Major topics include: CPR, first aid, rescue drills, surf and ocean swimming, rescue board proficiency, skin diving proficiency, communication, and environmental hazard identification.

FIRETL 002 LIFEGUARD CADET

Units: 2.00

40.00 hours lecture

Provides selected Junior Lifeguards interested in becoming Ocean Lifeguards with more extensive training through supplemental curriculum items and tower internships.

FIRETL 003 OCEAN LIFEGUARD RECHECK INSTRUCTOR TRAINING

Units: 0.50 – 1.50

16.00 – 32.00 hours lecture

Provides required annual recertification for returning lifeguards. Topics include teaching guidelines and program policy for recheck instructors, department updates, teaching techniques, review of CPR changes, running skills stations, and the recheck agenda.

FIRETL 004 LIFEGUARD ACADEMY INSTRUCTOR TRAINING

Units: 1.50

30.00 hours lecture, 10.00 hours lab

Training for Lifeguard Training Academy instructors. Topics include teaching techniques, lecture preparation, Ocean Lifeguard Training Manual review, and candidate discipline.

FIRETL 005 ANNUAL OCEAN LIFEGUARD RECERTIFICATION/INSERVICE - PERMANENT

Units: 0.25

8.00 hours lecture, 2.00 hours lab

Provides annual recheck for all permanent lifeguards. Monthly in-service drills and physical fitness logs are completed by all permanent lifeguards. Topics include department updates, medical skills and rescue skills.

FIRETL 006 ANNUAL OCEAN LIFEGUARD RECERTIFICATION/INSERVICE - RECURRENT

Units: 0.25

8.00 hours lecture, 4.00 hours lab

Provides annual recheck for all recurrent lifeguards. Monthly in-service drills and physical fitness logs are completed by all permanent lifeguards. Topics include department updates, medical skills and rescue skills.

FIRETL 007 JUNIOR LIFEGUARD INSTRUCTOR CERTIFICATION

Units: 2.00

40.00 hours lecture

Provides all new and returning junior lifeguard instructors with required annual certification. Covers teaching guidelines and program policy for the upcoming summer program. Topics include ocean and beach safety, lifeguard skills, ocean conditions, basic first aid and CPR.

FIRETL 008 ADVANCED DIVER INSERVICE TRAINING

Units: 4.00

54.00 hours lecture, 54.00 hours lab

Provides in-service training for underwater rescue and recovery unit divers, as well as for auxiliary and guest divers who are working towards meeting the requirements for the Rescue and Recovery Unit. Topics include diver safety, underwater search techniques, victim and property recovery, and maintaining the underwater crime scene.

FIRETL 009 PERSONAL WATERCRAFT SURF RESCUE INSTRUCTOR

Units: 0.75

10.00 hours lecture, 20.00 hours lab

Provides training and certification for instructors of personal watercraft rescue. Major topics include pre and post operations techniques, craft launch and retrieval, craft operation in the surfline, rescue techniques and emergency procedures. After successful completion of this course students become certified PWC Surf Rescue class instructors.

FIRETL 010 BOAT AND MARINE FIREFIGHTING

Units: 1.25

20.00 hours lecture, 20.00 hours lab

Covers basic firefighting tactics and strategies particular to marine, boat and other watercraft fires.

FIRETL 011 PERSONAL WATERCRAFT SURF RESCUE - BASIC

Units: 1.00

10.00 hours lecture, 30.00 hours lab

Introduces personal watercraft surf rescue. Major topics include pre- and post-operations techniques, craft launch and retrieval, craft operation in the surfline, rescue techniques and emergency procedures.

FIRETL 013 RESCUE BOAT OPERATOR

Units: 1.25

20.00 hours lecture, 20.00 hours lab

Introduces basic rescue boat operations for emergency rescue personnel. Topics include ocean navigation, boat handling, rescues at sea, weather and emergency communications.

FIRETL 014 CPR INSTRUCTOR CERTIFICATION

Units: 0.50

16.00 hours lecture, 4.00 hours lab

Reviews CPR Guidelines as well as effective teaching and testing techniques. Upon completion students are certified to teach CPR.

FIRETL 015 EMT RECERTIFICATION FOR LIFEGUARDS - PERMANENT

Units: 0.50

10.00 hours lecture, 10.00 hours lab

Provides an intensive review of primary EMT training for permanent lifeguards.

FIRETL 016 EMT RECERTIFICATION FOR LIFEGUARDS - RECURRENT

Units: 0.50

12.00 hours lecture, 12.00 hours lab

Provides an intensive review of primary EMT training for recurrent lifeguards.

FIRETL 017 OCEAN LIFEGUARD SPECIALIST ACADEMY

Units: 3.00

60.00 hours lecture, 20.00 hours lab

Prepares seasonal lifeguards for their role as ocean lifeguard specialists. Major topics include: sub-area operations, radio communications/NFIRS, personnel policies, safe driving, expectations/discipline, code of conduct, public relations, EMS operations, response to terrorism, a review of our general orders and an intro to information management.

FIRETL 018 LIFEGUARD CAPTAIN ORIENTATION

Units: 0.50

10.00 hours lecture, 10.00 hours lab

Prepares ocean lifeguard specialists for their role as captains. Major topics include: sub-area operations, radio communications/NFIRS, personnel policies, safe driving, expectations/discipline, code of conduct, public relations, EMS operations, scheduling, performance evaluations, a review of general orders and an intro to information management.

FIRETL 019 BASIC BOATING SKILLS AND OPERATIONS

Units: 1.25

20.00 hours lecture, 20.00 hours lab

Prepares potential rescue boat deckhands with minimum instruction to operate safely as a deckhand aboard a Los Angeles County rescue boat. Topics covered include equipment inventory, electronics, damage control, radio communications, radar operation, engine and boat maintenance, towing, free diving, and rescue procedures.

FIRETL 020 EMERGENCY SAND DRIVING

Units: 0.25

8.00 hours lecture, 2.00 hours lab

Provides training for lifeguards in safe beach driving. Major topics include: routine beach driving, hazards of driving on the beach, proper driving maneuvers, safely responding to code R on the beach, vehicle maintenance, liabilities and public perception.

FIRETL 021 PARAMEDIC CONTINUING EDUCATION

Units: 0.25

8.00 hours lecture, 2.00 hours lab

Updates training for active paramedics who have completed and maintained EMT-Paramedic Licensure in the State of California and are accredited in Los Angeles County.

FIRETL 025 LIFEGUARD IN-SERVICE TRAINING

Units: 0.50

8.00 hours lecture, 8.00 hours lab

Provides updated information and skills in the areas of lifeguard equipment, specialized emergency operations, current department policy and procedures, and rescue.

LAW ENFORCEMENT, POLICE DEPARTMENT ADVANCED TRAINING - (LEPD)**LEPD 009 GANG INTERVENTION (AWARENESS) INTRO TRAINING**

Units: 0.25

8.00 hours lecture

Examines the role of interventionists with law enforcement in reducing criminal gang involvement and activity in communities. Students will gain perspective on how working with interventionists can help the officer and the public and save lives.

LEPD 010 LEARNING TO LEARN

Units: 0.25

8.00 hours lecture

Provides the concepts of learning as an active and dynamic activity and sets the tone for the future course work and learning experiences.

LEPD 011 DE-ESCALATION & TACTICAL COMMUNICATION

Units: 0.25

8.00 hours lecture

Instructs students how to better integrate tactical de-escalation techniques, less lethal devices, and command and control tactics to preserve human life, reduce the intensity of tense encounters with violent suspects, and mitigate the need for a higher level of force.

LEPD 012 DIGNITARY PROTECTION TRAINING

Units: 2.00

40.00 hours lecture

Provides students with an understanding of the basic functions of close personal protection responsibilities when working with a Principal. Includes review of techniques for close-proximity formation, vehicle safeguards, tactical medical treatment, threat assessment, weaponless defense, terrorism, flying while armed and social media.

LEPD 013 DETECTIVE SYMPOSIUM

Units: 0.50

10.00 hours lecture

Provides the student with investigative techniques/skills necessary to investigate and prosecute the crime of murder. The course will also focus on the investigation of kidnap for murder, terrorism, mass murder, search warrant procedures, crimes against children, and the case study of a high-profile case.

LEPD 014 SPECIAL WEAPONS AND TACTICS

Units: 11.00

74.00 hours lecture, 390.00 hours lab

Introduces the concepts, principles and skills needed to perform the duties of a Special Weapons and Tactics Officer, including firearms training, high-risk entries, hostage rescue, defense tactics and crisis negotiations.

LEPD 015 CROWD CONTROL

Units: 0.25

6.00 hours lecture, 3.00 hours lab

Provides students the opportunity to review the policy, procedures and laws related to public assemblies, crowd management and control.

LEPD 016 FIRST AID/CPR FOR FIRST RESPONDERS INTERMEDIATE

Units: 0.25

8.00 hours lecture, 8.00 hours lab

Provides the necessary skills and knowledge for administering first aid at an intermediate level as a first responder.

LEPD 017 CRISIS NEGOTIATION UPDATE

Units: 0.50

8.00 hours lecture

Provides the knowledge, tactics, advanced techniques and skills needed to manage a hostage/barricade suspect incident, focusing on updating and debriefing the members of a Crisis Negotiation Team by reinforcing verbal and physical tactics used to manage a hostage/barricade suspect incident.

LEPD 018 USE OF FORCE UPDATE

Units: 0.25

6.00 hours lecture, 3.00 hours lab

Provides in-service officers with a review and reinforcement of command and control, sound tactics, force options, and de-escalation techniques.

LEPD 022 WITNESS PROTECTION

Units: 0.15

5.00 hours lecture, 5.00 hours lab

Provides a review of the skills necessary to perform a witness protection detail while assigned to a field platoon.

LEPD 023 1-DAY NETWORK COMMUNICATION SYSTEM (NECS) SCHOOL

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Covers necessary keyboard operations and functions while utilizing the Network Communication System (NECS) to access various systems and databases, as well as policies and procedures that regulate access of information systems and the use of information received.

LEPD 024 DISPATCHER CUSTOMER SERVICE

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Introduces the communication skills and knowledge necessary for public safety dispatchers.

LEPD 025 FIREARMS SHOTGUN SLUG

Units: 0.50

10.00 hours lecture, 10.00 hours lab

Develops the skills necessary to manipulate the Remington 870 shotgun and qualify with slug ammunition.

LEPD 026 FIREARMS/SEMI-AUTO PISTOL TRANSITION

Units: 0.25

3.00 hours lecture, 13.00 hours lab

Provides the student with the knowledge, techniques, and skills required to safely manipulate and qualify with the striker fired pistol.

LEPD 028 ATV RIDER-LAW ENFORCEMENT

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Provides students with the skills and techniques required to operate an All Terrain Vehicle (ATV) in a law enforcement environment.

LEPD 029 PROFESSIONAL RESOURCE OFFICER ASSISTANCE CIVIL TRIAL (PROACT)

Units: 0.15

8.00 hours lecture

Designed to provide law enforcement officers with techniques and resources to reduce the stress experienced by officers and their families who find themselves involved in a work-related civil lawsuit. Curriculum includes subject matter experts in the field of psychological processes, employee assistance programs, financial planning, and police civil litigation.

LEPD 030 BICYCLE RAPID RESPONSE TEAM

Units: 0.25

4.00 hours lecture, 4.00 hours lab

Presents the function and application of a police bicyclist involved in rapidly deploying to trouble areas.

LEPD 031 MACTAC SQUAD LEADER

Units: 0.15

5.00 hours lecture, 5 hours lab

Prerequisite: LEPD-049

Provides students with basic skills in leading a Multi-Assault, Counter Capabilities Squad to a proficient level that will enable the student to immediately deploy a contact team or squad.

LEPD 032 MOTORCYCLE INDIVIDUAL PROFICIENCY NIGHT ROAD UPDATE

Units: 0.15

5.00 hours lecture, 5.00 hours lab

Introduces the basic fundamentals, emergency procedures, protocols, and advanced skills needed for riding a motorcycle at night.

LEPD 033 TACTICAL DISPATCH CONCEPTS

Units: 0.15

8.00 hours lecture

Introduces exposure to Tactical Dispatching concepts for use when at the communications center, at a Command Post, and/or when at the scene with a Special Weapons and Tactics (SWAT) Unit. Topics include tactical incidents, equipment used, and communication techniques.

LEPD 034 FIREARMS TACTICAL RIFLE UPDATE

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Provides students with the opportunity to recertify their use of the tactical rifle. Reviews techniques of the department issued patrol rifle and includes topics such as patrol rifle skills, department policy, and legal updates.

LEPD 035 FIELD TRAINING OFFICER

Units: 2.00

40.00 hours lecture

Provides students with training techniques, and methodologies for officers assigned to train and supervise new field trainees.

LEPD 036 PEAK PERFORMANCE FOR LAW ENFORCEMENT

Units: 0.15

9.00 hours lab

Provides agency personnel with tools necessary to be more effective in their direct communications with clients (co-workers, citizens, etc.).

LEPD 037 MOTORCYCLE OFFICER UPDATE

Units: 0.15

5.00 hours lecture, 5.00 hours lab

Designed to provide proper motorcycle riding and control techniques to enhance the officer's ability to avoid accidents and injuries.

LEPD 038 DRUG ALCOHOL RECOGNITION UPDATE

Units: 0.15 – 5.00

8.00 – 85.00 hours lecture

Provides the student with a historical perspective of laws covering persons driving under the influence of alcohol/drugs. Introduces an update to DUI statistics, enforcement techniques, and common field sobriety testing techniques.

LEPD 039 FIREARMS SHOTGUN SLUG UPDATE

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Designed to update skills necessary to use a department issued shotgun with slug ammunition. Topics include department policy and procedure, and shotgun manipulations.

LEPD 040 INVESTIGATIVE SUPERVISORY OPERATIONS

Units: 1.00

24.00 hours lecture

Introduces the student to the leadership concepts, principles, and techniques for effective supervisory investigations. The course will focus on the investigative supervisors role in managing and investigating criminal investigations.

LEPD 041 CAL GANG

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Provides students with the fundamental training in techniques and skills necessary to navigate through the Cal-Gang System.

LEPD 042 ABC'S OF CALL TAKING

Units: 0.15

8.00 hours lecture

Provides the student with proper call-taking techniques to employ as a public safety dispatcher.

LEPD 043 UNDERCOVER OPERATIONS

Units: 0.15

8.00 hours lecture

Introduces the Undercover Operations unit within a police department, includes policies, procedures, and use of force options.

LEPD 044 DRIVER TRAINING PSP (EVOC) UPDATE

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Provides behind the wheel instruction in low and high speed emergency vehicle operations, fundamentals of vehicle control, and appropriate employment of pursuit immobilization techniques.

LEPD 045 FIREARMS TACTICAL RIFLE

Units: 0.50

4.75 hours lecture, 31.25 hours lab

Provides students with the ability to safely deploy the patrol rifle in an urban environment and the ability to rapidly respond to active shootings in progress.

LEPD 046 FIREARMS/SHOTGUN TRANSITION

Units: 0.15

3.00 hours lecture, 5.00 hours lab

Provides an introduction and overview of current agency issued duty shotgun.

LEPD 047 BASIC COLLISION INVESTIGATION

Units: 1.50

34.00 hours lecture, 4.00 hours lab

Provides the fundamentals of traffic collision investigation, including basic reporting requirements, determination of the cause of collisions, and traffic control and enforcement.

LEPD 048 DISPATCHER: ETHICS AND INTEGRITY

Units: 0.15

8.00 hours lecture

Explores the dynamics of ethical decision making and assists with developing a methodology for examining ethical issues as a police department employee.

LEPD 049 MULTI-ASSAULT COUNTER TERRORISM CAPABILITIES (MACTAC)

Units: 0.15

1.50 hours lecture, 8.50 hours lab

Develops the student's basic skills in Multi-Assault Counter Terrorism Action Capabilities (MACTAC) to a proficient level that enables the student to immediately deploy a contact team or squad able to locate and neutralize violent assaults and/or terrorist acts

LEPD 050 CIVILIAN SUPERVISOR SCHOOL

Units: 4.00

80.00 hours lecture

Recommended Preparation: LEPD-010

Provides civilian supervisors with the necessary tools to effectively lead and manage both sworn and civilian employees. This class is recommended for LAPD supervisors or students preparing for a LAPD supervisory position, and that have a nomination from a commanding officer.

LEPD 051 PUBLIC SAFETY DISPATCHER BASIC

Units: 5.75

102.00 hours lecture, 18.00 hours lab

Covers the basic roles, responsibilities, and duties of a public safety dispatcher. Provides training in the skills and knowledge needed for practical application in the law enforcement communication center

LEPD 052 JUVENILE PROCEDURES SCHOOL

Units: 0.75

32.00 hours lecture

Presents information for agency personnel newly assigned to juvenile matters.

LEPD 053 VICE SCHOOL

Units: 2.00

40.00 hours lecture

Provides an overview of vice operations, unit operations, procedures and responsibilities, and risk management issues for investigators.

LEPD 054 GANG AWARENESS BASIC

Units: 0.50

32.00 hours lecture

Prepares all gang impact team members assigned to GED/CLEAR to gather gang-related intelligence and information, identify gang crime patterns, monitor gang activity, and implement crime suppression strategies.

LEPD 055 BUILDING THE COMMUNITY LEADER

Units: 1.50

30.00 hours lecture, 10.00 hours lab

Provides the knowledge, techniques, and leadership skills necessary for building positive community relations and engaging the public with empathy and understanding.

LEPD 056 LAW ENFORCEMENT PROTECTIVE MEASURES

Units: 0.15

8.00 hours lecture

Provides the knowledge and skills needed to respond to and manage incidents involving acts of terrorism, including the concepts of terrorist threats, terrorist activities, weapons of mass destruction, potential targets of terrorism, incident command and law enforcement response actions, and prevention methods.

LEPD 057 WEAPONS OF MASS DESTRUCTION

Units: 0.15 – 0.50

8.00 – 24.00 hours lecture

Explores the scope and nature of weapons of mass destruction (WMD) and hazardous materials, including Incident Command Systems (ICS) protocol.

LEPD 058 WARRANT SERVICES TACTICS

Units: 0.15

8.00 hours lecture

Provides information to officers to evaluate and assess the correct tactical approach on the service of various warrants.

LEPD 059 PATROL OFFICER AUTO THEFT INVESTIGATION

Units: 0.15

8.00 hours lecture

Provides patrol officers with the necessary tools and knowledge when handling auto theft investigations.

DUI – DRIVING UNDER THE INFLUENCE

Units: 2.00

40.00 hours lecture

Provides peace officers with the knowledge, skills, and abilities to effectively increase the deterrence of Driving Under the influence (DUI) violations, resulting in a reduction of the number of collisions, deaths, and injuries caused by impaired drivers.

LEPD 061 NARCOTICS SCHOOL

Units: 2.00

40.00 hours lecture

Designed for field officers and intended to provide the most current information available concerning drug identification and narcotics investigations. POST certified and CPT awarded.

LEPD 062 DRUG RECOGNITION EXPERT RECERTIFICATION

Units: 0.25

8.00 hours lecture

Provides the student with updated material relating to narcotics and current drug trends. Reviews the legal environment and DWI statistics.

LEPD 063 DRUG INFLUENCE 11550 H&S

Units: 0.25 – 5.00

8.00 – 85.00 hours lecture

Provides an introduction to enforcement of 11550 H/S, Under the Influence of Controlled Substances.

LEPD 064 OFFICER SAFETY FIELD TACTICS UPDATE

Units: 0.75

12.00 hours lecture, 20.00 hours lab

Provides students with an increased knowledge of department policy and procedures. Ensures students are updated on changes in tactical options available and increases their ability to articulate policy. Ensures training is consistent with Use of Force Policy and force options.

LEPD 065 ARREST AND CONTROL INSTRUCTOR PART 1

Units: 0.25 – 5.00

8.00 – 85.00 hours lecture

Provides basic concepts and method application of arrest and control techniques including joint locks, pugilistic, and ground control techniques as required by an arrest and control instructor.

LEPD 066 DRUG RECOGNITION EXPERT INSTRUCTOR

Units: 2.00

40.00 hours lecture

Designed to prepare students for the drug evaluation instructor role. Topics include adult learning styles, delivery of instruction, and DRE course content.

LEPD 067 OFFICER SAFETY FIELD TACTICS INSTRUCTOR

Units: 2.00

40.00 hours lecture

Provides training in skills necessary to become an Officer Safety/Field Tactics Instructor.

LEPD 068 MAJOR ASSAULT CRIMES INVESTIGATION

Units: 2.00

40.00 hours lecture

Provides students with an overview of the investigative process and skills required to complete a major assault crimes (domestic violence/sexual assault) investigation.

LEPD 069 TRAFFIC COLLISION TRAINING UPDATE

Units: 0.25

5.00 hours lecture, 11.00 hours lab

Designed to re-familiarize the collision investigator with current policies and procedures. Builds upon curriculum taught in the Basic Collision Investigation course and field situations.

LEPD 070 AUDITING POLICE DEPARTMENTS

Units: 1.00

24.00 hours lecture

Provides students with skills necessary for auditing police departments. Focuses on risk assessment, audit planning procedures, and sampling techniques.

LEPD 071 RADAR LASER OPERATOR SCHOOL

Units: 0.15

8.00 hours lecture

Provides an overview of radar laser operation standards and procedures of usage for law enforcement. Topics include scientific principles, operational considerations, device operation, and legal considerations.

**LEPD 072 ARREST AND CONTROL
INSTRUCTOR UPDATE**

Units: 1.00

24.00 hours lecture

Provides students with the opportunity to refresh and update training skills necessary to maintain Arrest and Control Instructor Certification.

**LEPD 073 ARREST AND CONTROL
TECHNIQUES UPDATE**

Units: 0.25

16.00 hours lecture

Provides instruction and practice in the arrest and control procedures, including basic joint locks, walk-downs, and takedowns in arrest and control.

**LEPD 074 ICS-300: INTERMEDIATE ICS
FOR EXPANDING INCIDENTS**

Units: 1.00

20.00 hours lecture

Expands knowledge of ICS organization and operation with regard to supervisory roles on expanding or type 3 incidents. Includes ICS fundamentals review, incident/event assessment and agency guidance in establishing incident objectives, incident resource management, planning process, demobilization, transfer of command, and close out.

**LEPD 075 FIELD TRAINING OFFICER
UPDATE**

Units: 0.25 – 1.50

8.00 - 32.00 hours lecture

Covers the current skills, procedures, techniques and policies necessary to be a Field Training Officer.

**LEPD 076 INTERNAL AFFAIRS
INVESTIGATIONS**

Units: 2.00

40.00 hours lecture

Designed to prepare internal affairs investigators and station or agency personnel complaint investigators to work successfully in the complaint investigation environment.

**LEPD 077 WMD – LAW ENFORCEMENT
RESPONSE ACTIONS**

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Provides students with the knowledge and skills to execute response actions as a law enforcement official during an incident concerning weapons of mass destruction.

**LEPD 078 FIREARMS TACTICAL
(ADVANCED)**

Units: 0.15 – 2.00

2.00 - 18.00 hours lecture, 6.00 - 54.00 hours lab

Provides firearm safety rules, advanced tactics and techniques in the use of a handgun and shotgun, advanced weapon manipulation skills, combat shooting, and marksmanship proficiency.

**LEPD 079 LEADERSHIP EMPLOYEE
RELATIONS**

Units: 0.25 – 1.00

8.00 - 24.00 hours lecture

Provides students with the knowledge and skills to execute response actions as a law enforcement official during an incident concerning weapons of mass destruction.

LEPD 080 RADAR OPERATOR COURSE

Units: 1.00

20.00 hours lecture, 12 hours lab

Introduces the student to the policies, procedures, techniques, and laws related to the use of radar equipment for traffic enforcement.

**LEPD 081 FIREARMS LONG RIFLE
INSTRUCTOR (RITS)**

Units: 1.00

10.00 hours lecture, 30.00 hours lab

Provides students an opportunity to develop the training skills necessary to become firearms- long rifle instructors.

**LEPD 082 FIREARMS SEMI-AUTOMATIC
PISTOL 1911**

Units: 0.50

10.00 hours lecture, 20.00 hours lab

Designed to prepare students for safe and proficient operation of a semi-automatic pistol. This includes the proper manipulation, marksmanship, maintenance, parts replacement, care, and cleaning of this weapon system.

LEPD 083 BICYCLE PATROL SCHOOL

Units: 0.75

8.00 hours lecture, 32.00 hours lab

Provides students with the basic fundamentals, knowledge, and skills required for bicycle patrol in a law enforcement environment.

**LEPD 084 DRIVER AWARENESS
INSTRUCTOR COURSE**

Units: 0.50

12.00 hours lecture, 12.00 hours lab

Provides the student with current information relating to their duties as driving Instructors. Focuses on the latest driving methods.

LEPD 085 SURVEILLANCE TECHNIQUES

Units: 1.00

24.00 hours lecture

Provides students with a basic understanding of surveillance concepts and techniques.

LEPD 086 ARREST AND CONTROL INSTRUCTOR PART 2

Units: 2.00

40.00 hours lecture

Prerequisite: LEPD-065

Reviews techniques taught in the Basic Arrest and Control course as well as adult learning methods, model teaching of techniques, and legal issues facing instructors. Prepares instructors to teach the 40 hour Basic Arrest and Control course.

LEPD 087 FIREARMS TACTICAL SHOTGUN INSTRUCTOR

Units: 1.25

20.00 hours lecture, 20.00 hours lab

Provides students with the skills required to safely deliver department standardized shotgun instruction. Topics include training methods, shotgun manipulations, and department policy.

LEPD 088 DRUG RECOGNITION EXPERT SCHOOL

Units: 3.00

56.00 hours lecture

Provides detailed instruction on the recognition of persons under the influence of alcohol and/or drugs. Includes the recording and preservation of evidence for presentation in court.

LEPD 089 PC 832 ARREST ONLY

Units: 2.00

40.00 hours lecture

Provides the student with the knowledge, skills, and laws necessary to conduct arrests that comply with California law, including aspects of community relations, cultural diversity, use of force, crimes against the justice system, laws of arrest, use of the baton and search and seizure.

LEPD 090 MOTORCYCLE TRAINING

Units: 2.00

20.00 hours lecture, 60.00 hours lab

Provides students with the techniques of riding dual purpose motorcycles safely on and off-road. Includes slow cone patterns training and off-road riding skills. Also provides instruction and practical application in pullover and approach, live fire exercise, emergency braking and collision avoidance maneuver techniques.

LEPD 091 FIREARMS TACTICAL SHOTGUN

Units: 0.25

4.00 hours lecture, 20.00 hours lab

A fundamental course in the use of the Benelli shotgun utilizing knowledge, skills, techniques, and tactical decision making in the use of the shotgun.

LEPD 092 HANDGUN INSTRUCTOR SCHOOL (HITS)

Units: 1.25

20.00 hours lecture, 20.00 hours lab

Provides students with the techniques necessary to teach firearms handgun school. Reviews teaching methodology and foundational handgun skills.

LEPD 093 FIREARMS SEMI-AUTO HANDGUN DE-COCKER TRANSITION

Units: 0.25

10.00 hours lecture, 20.00 hours lab

Provides training so officers will be able to safely and proficiently operate and care for a traditional double action semi-automatic pistol with de-cocking levers.

LEPD 094 BICYCLE PATROL SCHOOL UPDATE

Units: 0.15

5.00 hours lecture, 5.00 hours lab

Prerequisite: LEPD-083

Reviews bicycle handling skills, legal aspects of bicycle patrol enforcement, laws and civil liability.

LEPD 095 INTERVIEW AND INTERROGATION

Units: 2.00

40.00 hours lecture

Provides students with interrogation tools that can be employed or amended depending on the psychology, non-verbal cues, or actions of the suspect.

LEPD 096 MENTAL HEALTH INTERVENTION

Units: 0.25 – 2.00

8.00 - 36.00 hours lecture

Introduces the necessary skills and ability to identify people with mental illness and effectively assess, communicate, intervene, manage field encounters, and prepare accurate documentation.

LEPD 097 MOTORCYCLE TRAINING INSTRUCTOR

Units: 2.00

25.00 hours lecture, 55.00 hours lab

Introduces the concepts and skills necessary to become motorcycle Instructors, including training techniques to properly demonstrate and complete all of the motor exercises used in the Basic Motorcycle Course.

LEPD 098 AIRCREW COURSE

Units: 2.00

40.00 hours lecture

Introduces the concepts, skills and responsibilities necessary to become a Tactical Flight Officer (TFO).

LEPD 099 ICS 400: ADVANCED ICS

Units: 0.50

16.00 hours lecture

An advanced Incident Command System (ICS) course for those who are involved in the administration or application of the ICS at the local, state, or federal level.

LEPD 100 BASIC ACADEMY

Units: 24.00

CSU 550 hours lecture, 370 hours lab

Provides training in basic law enforcement tactics and techniques specifically used by the Los Angeles Police Department. Examines community relations, criminal law, criminal evidence, patrol procedures, investigation, vehicle codes, vehicle operations, communications, physical conditioning, health and safety, self-defense tactics, weapons, and marksmanship. Letter grade.

LEPD 110 SUPERVISOR SCHOOL

Units: 4.00 - 8.00

CSU 76.00 - 152.00 hours lecture, 4.00 - 8.00 hours lab

Provides the student with fundamental concepts and principles of effective supervision. Focuses on management, reporting, and procedure techniques required in the field.

LEPD 111 LEADERSHIP PART I

Units: 2.00

CSU 40.00 hours lecture

Introduces the role of the supervisor in the area of leadership. Presents modern behavioral science theories to enhance student's understanding of human motivation, satisfaction, and performance.

LEPD 112 LEADERSHIP PART II

Units: 0.75

CSU 32.00 hours lecture

Provides framework to help supervisors organize their knowledge and experience into effective leader actions and integrate the course content into daily leadership practices.

LEPD 113 LEADERSHIP PART III

Units: 2.00

CSU 40.00 hours lecture

Presents challenges to develop and achieve personal potential and integrate the course content into daily leadership practices.

LEPD 114 LEADERSHIP PART IV

Units: 1.50

CSU 32.00 hours lecture

Prerequisite: LEPD-113

Presents an overview of leadership styles and how, as a supervisor, those styles impact daily work.

LEPD 118 BASIC COURSE MODULE II

Units: 8.50

CSU 150 hours lecture, 40 hours lab

Prerequisite: Successful completion of the level III module and must be current (within three years) in: 1) First Aid/CPR training prescribed by the Emergency Medical Services Authority set forth in the California Code of Regulations Title 22 (100026(b)) and Penal Code 13518; and 2) Arrest & Firearms (PC 832) training requirements. Module III End-of-Course Proficiency Test must have been taken and passed prior to being admitted to the course.

Provides effective leadership skills, components of leadership, responsibilities of leaders, and the impact of their leadership.

LEPD 120 WATCH COMMANDER SCHOOL

Units: 2.00

CSU 40.00 hours lecture

Introduces the various responsibilities associated with the watch commander position.

LEPD 121 DETECTIVE SCHOOL

Units: 2.00

CSU 40.00 lecture

Provides detectives and detective trainees with information necessary to perform their assignments. Topics include report writing, crime scenes, evidence, surveillance, warrants, interview and interrogation, case presentation, and courtroom

LEPD 122 COMMAND OFFICER DEVELOPMENT

Units: 0.50 - 3.50

CSU 8.00 - 34.00 hours lecture, 8.00 -110.00 hours lab

Introduces skills necessary to effectively manage the new role and the expectation of a commanding officer.

LEPD 123 BASIC HOMICIDE SCHOOL (PRESLEY)

Units: 2.00

CSU 36.00 hours lecture, 4.00 hours lab

Provides the training needs of detectives responsible for investigating homicides.

LEPD 140 ICI CRIMINAL INVESTIGATION CORE COURSE

Units: 4.00

CSU 80.00 hours lecture

Provides training for law enforcement personnel assigned to follow-up investigations. The core course contains curriculum generic to all investigation specialties.

LEPD 141 ICI BURGLARY

Units: 2.00

CSU 40.00 hours lecture

Designed for the training needs of investigators assigned to investigate burglary, theft, and receiving stolen property crimes. Provides students with the duties and responsibilities frequently faced during these types of investigations.

LEPD 142 ICI VEHICLE THEFT FOUNDATION

Units: 2.00

CSU 40.00 hours lecture

Provides officers assigned to the vehicle theft investigation unit with the necessary information and techniques to conduct investigations.

LEPD 143 ICI HOMICIDE INVESTIGATION

Units: 2.00 - 4.00

CSU 40.00 - 80.00 hours lecture

Introduces laws and investigative theories and methodologies for students to achieve the skills required to perform a homicide investigation.

LEPD 144 ICI SEXUAL ASSAULT INVESTIGATION

Units: 2.00

CSU 40.00 hours lecture

Presents a five-module course over the length of 40 hours, focusing on sexual offender typology, victim advocacy, collection of evidence, investigative procedures, and medical and forensic exams are covered extensively.

LEPD 145 ICI GANG INVESTIGATION FOUNDATION SPECIALTY COURSE

Units: 2.00

CSU 40.00 hours lecture

Designed to develop law enforcement personnel capable of investigating and testifying in gang related criminal trials.

LEPD 200 ACADEMY INSTRUCTOR CERTIFICATION COURSE LEVEL 1

Units: 2.00

CSU 40.00 hours lecture

Introduces the principles, concepts, theories, and skills required to qualify as a Police Academy Instructor according to POST standards.

**LAW ENFORCEMENT, SHERIFF DEPARTMENT
ADVANCED TRAINING - (LESD)****LESD 006 CUSTODY SQUAD TACTICS**

Units: 0.15

8.00 hours lab

Provides students with the knowledge and skills necessary to quell riots in the custody environment.

LESD 007 LASD USE OF FORCE POLICY CLASS

Units: 0.25

8.00 hours lecture

Provides students with the knowledge and skills necessary to apply department policies during incidents involving the use or witness to use of force.

LESD 008 EMERGENCY RESPONSE TEAM

Units: 0.25

8.00 hours lecture, 8.00 hours lab

Provides students with the knowledge and skills necessary to quell riots in the role of the emergency response team member.

LESD 009 FIRST AID/CPR/AED REFRESHER

Units: 0.15

8.00 hours lab

Provides knowledge and skills for basic first aid techniques, Cardio Pulmonary Resuscitation, AED operation and relevant policies and procedures.

LESD 010 ARREST CONTROL/DRIVER TRAINING (PSP)

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Provides continued professional training in P.O.S.T. perishable skills.

LESD 011 TACTICAL COMMUNICATIONS

Units: 0.25 - 4.00

8.00 - 80.00 hours lecture

Introduces the basic communication skills needed to effectively communicate with inmates in a custody setting.

LESD 012 FIRST AID RECERTIFICATION

Units: 0.15 - 1.50

8.00 - 80.00 hours lab

Provides updated training in the methods of identifying and responding to an emergency medical situation, communications, and improvised weapons used by gangs in a custody environment.

LESD 014 PRISONER TRANSPORTATION SECURITY

Units: 0.25

8.00 lecture

Familiarizes students with department rules and regulations in the transporting of prisoners and their safety.

LESD 015 JAIL INTELLIGENCE GATHERING

Units: 0.15

8.00 hours lecture

Familiarizes students with the principles of analytical interviewing to enhance their ability and success during interviews in the custody environment.

LESD 016 BASIC REPORT WRITING SKILLS

Units: 0.15

8.00 hours lecture

Provides students with the basic report writing skills needed to investigate and write reports. Uses written exercises and practical application to assist the students in basic report writing skills and techniques.

LESD 017 FIRST AID/CPR UPDATE

Units: 0.15

8.00 hours lab

Provides the knowledge and skills for basic first aid techniques, cardio pulmonary resuscitation, AED, tactical casualty care, and relevant policies/procedures.

LESD 018 SUPERVISORY LINE DEPUTY - SUPERVISORY COURSE

Units: 0.25

14.00 hours lecture, 2.00 hours lab

Introduces the essential supervisory principles and concepts that lead students to accomplish daily supervisory tasks. The students will develop skills that will assist them in problem solving and critical decision-making.

LESD 019 ANGER MANAGEMENT AND EFFECTIVE COMMUNICATION

Units: 0.25

8.00 hours lecture

Provides advanced skills and techniques to enable students to effectively communicate and deal with aspects of anger and practice anger management.

LESD 020 FIREARMS/TACTICAL RIFLE

Units: 0.25

8.00 hours lecture, 8.00 hours lab

Provides instruction on department approved use of the AR-15 rifle.

LESD 021 ADVANCED REPORT WRITING

Units: 0.25

8.00 hours lecture

Designed to enhance the student's investigative and report writing skills. Provides a description of supplemental reports and report writing rules.

LESD 023 BASIC DRUG RECOGNITION, INVESTIGATION, AND REPORT WRITING

Units: 0.25

8.00 hours lecture

Develops the skills necessary for basic drug investigations in a custodial setting. Introduces symptomology for persons under the influence of the most commonly abused drugs.

LESD 024 SQUAD TACTICS

Units: 0.15

4.00 hours lecture, 4 hours lab

Designed to prepare students with departmentally approved emergency response procedures for riot situations in the custody environment. Provides detailed information pertaining to tactical formations in squad and platoon size deployments.

LESD 026 TEAM CELL EXTRACTIONS

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Familiarizes students with tactics, equipment, special weapons, and force used to extract an inmate. Examines risk management, state and federal laws of authority, force policy, use of less than lethal weapons, and deployment of chemical agents as it relates to cell extractions.

LESD 027 GROUND DEFENSE TRAINING

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Provides the techniques to perform ground defense tactics in an adult corrections environment. Topics include force policy, searching, anger management, and take down techniques.

LESD 028 CONTROL, ESCORT, RESTRAIN, TAKEDOWN 1

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Designed to provide students with jail specific restraint techniques. Main topics include various ways to control a resistant inmate resulting in apprehension with minimal injury.

LESD 029 FIREARMS/SEMI-AUTOMATIC PISTOL

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Provides training in basic semi-automatic handgun manipulations. Trains students in the nomenclature, function and use of the duty handgun.

LESD 030 ADULT CORRECTIONS OFFICER SUPPLEMENTAL CORE COURSE

Units: 3.00

54 hours lecture, 17.00 hours lab

Provides the student with the skills and knowledge necessary to perform the basic functions of an entry level corrections officer in a custody environment, including inmate management and supervision, inmate conduct and psychology, booking and release procedures, inmate contraband, processing and releasing, security of inmates, medical screening, and emergency response procedures.

LESD 031 SPECIAL WEAPONS TRAINING

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Designed to familiarize students with policy, nomenclature, and the operation and tactical deployment considerations of special weapons used in the correctional environment.

LESD 032 CRITICAL DECISION MAKING

Units: 0.15

8.00 hours lecture

Provides students with critical decision making concepts related to use of force policy. Topics include use of force, searching, handcuffing, and tactical communication techniques.

LESD 033 IDENTIFYING AND INTERACTING WITH MENTALLY ILL INMATES

Units: 0.15

8.00 hours lecture

Designed to help students identify signs and symptoms associated with both mentally ill and developmentally disabled inmates. Improves the students' crisis intervention skills, resulting in effective communication and better understanding of inmates who are mentally ill, developmentally disabled or in crisis, ultimately improving overall safety.

LESD 034 EDGED WEAPON DEFENSE

Units: 0.15

4.00 hours lecture, 4.00 hours lab

Provides edged weapon and blunt instrument defense training. Topics include use of force policy, searching and handcuffing, take down techniques, and critical decision making.

LESD 035 CUSTODY TRAINING OFFICER SCHOOL

Units: 1.00

24.00 hours lecture

Designed to assist students with current techniques required of a qualified custody training officer. Topics include the role of the custody training officer, learning supervision, leadership, and communication skills.

LESD 036 HOSTAGE RESCUE FOR CUSTODY ENVIRONMENTS

Units: 0.15

8.00 hours lecture

Provides training for the custody officer to respond to a hostage situation in the custody environment and perform a rescue based on department tactics.

LESD 037 CONTROL, ESCORT, RESTRAIN AND TAKEDOWN (CERT) SERIES #2

Units: 0.15

8.00 hours lecture

Introduces handcuffing a resistive and or assaultive person, from a standing, kneeling and grounded position, after establishing control via restraint techniques previously learned in CERT series #1. These techniques were selected as a means of maintaining control while minimizing the potential for injury to the subject.

LESD 038 CONTROL, ESCORT, RESTRAIN AND TAKEDOWN (CERT) SERIES #3

Units: 0.15

8.00 hours lecture

Instructs deputy and custody assistant personnel in managing a safe tactical distance when confronted with a resistive or assaultive person while minimizing the potential for injury.

LESD 039 TASER INSTRUCTOR

Units: 0.50

12.00 hours lecture, 4.00 hours lab

Provides operational theory and practical training to instructors on effective operation of the taser.

LESD 040 FORCE REFRESHER

Units: 0.15

5.00 hours lecture, 3.00 hours lab

Introduces the student to the departments use of force policy, control, search, and handcuffing, situational use of force options chart, and carotid restraint techniques.

LESD 041 ADULT CORRECTIONS OFFICER CORE COURSE

Units: 12.00

180.00 hours lecture, 132.00 hours lab

Covers the required knowledge and skills for the entry-level corrections officer assigned to a custody position for the first time.

LESD 042 LEADERSHIP MENTORING AND ETHICS

Units: 0.15

8.00 hours lab

Provides law enforcement leadership with the knowledge and skills necessary to facilitate discussions, mentor subordinates, and combat unethical behavior by example.

LESD 044 ETHICS/CRIME SCENE AND EVIDENCE PRESERVATION

Units: 0.25

8.00 hours lecture

Provides students with the knowledge and skills necessary to make sound decisions in accordance with department policies and properly handle a crime scene and evidence collection inside a custody division facility.

LESD 045 DE-ESCALATION AND VERBAL RESOLUTION TRAINING (DeVRT)

Units: 1.50

32.00 hours lecture

Examines core concepts that emphasize effective and positive interaction with inmate population dealing with a crisis or a mental or physical disability. Provides an enhanced perspective, on how to react in situations within the correctional environment that warrant the use of de-escalation techniques and communication strategies.

LESD 046 BASIC CUSTODY REPORTS

Units: 0.25

8.00 hours lecture

Provides training on the purpose and usage of reports unique to Los Angeles County Sheriff's Department Custody Division. Includes instruction on proper report completion stressing the importance of their use and how it relates to documentation and liability.

LESD 047 INCIDENT REPORT WRITING IN A CUSTODY ENVIRONMENT

Units: 0.25

8.00 hours lecture

Designed for LA County Sheriff's Department employees with limited report writing skills. Provides students with the basic skills needed to investigate and write incident reports.

LESD 048 USE OF FORCE DOCUMENTATION

Units: 0.25

8.00 hours lecture

Provides custody line personnel with the needed information in order to prepare accurate, timely, and complete reports on use of force incidents. Identifies the use of force policies as they relate to the Los Angeles County Sheriff's Department Custody division.

LESD 049 RIOT BATON/EXPANDABLE BATON CERTIFICATION

Units: 0.25

8.00 hours lecture

Designed to instruct and certify sworn personnel in the proper use of departmentally approved custody riot batons and expandable straight batons. Topics include force policy, baton nomenclature, and baton striking and defense techniques for those personnel assigned to all sworn custody facility positions, including for those personnel assigned to perimeter unit, prisoner transportation and inmate visiting center positions.

LESD 050 VALUES BASED DECISION MAKING

Units: 0.25

8.00 hours lecture

Introduces the concept of decision-making based on departmental core values, while exploring personal values and ethics. Demonstrates the positive and negative influences of group dynamics on individual decision-making and provides techniques on how to maintain individual integrity through communication strategies.

LESD 051 B-SCAN OPERATOR

Units: 0.25

8.00 hours lecture

Provides the needed information and hands on instruction to operate the B-SCAN machine correctly.

LESD 052 ETHICS AND SUICIDE PREVENTION

Units: 0.25

8.00 hours lecture

Provides the knowledge and skills necessary to identify and avoid ethical violations of LASD policies and procedures, to address suicide as it occurs in a custody setting and to identify the at risk inmate. Discussion will include events that trigger suicidal situations, symptoms that signal suicide risk, detailed procedures for prevention and intervention measures to ward off suicide.

LESD 053 TASER

Units: 0.25

8.00 hours lecture

Provides training in the use of TASER Conducted Energy Weapon (CEW) for Los Angeles County Sheriff's Department. Includes instruction on proper technique, design and structure, policy and procedure, human reactions, and situational risks & considerations.

**LESD 054A RESERVE ACADEMY
MODULE III**

Units: 5.50

75.00 hours lecture, 104.00 hours lab

Provides Sheriff Reserve Deputy Level III training in basic law enforcement tactics and techniques specifically designed by the Los Angeles Sheriff's Department.

**LESD 054B RESERVE ACADEMY
MODULE II**

Units: 7.50

101.00 hours lecture, 108.00 hours lab

Provides Sheriff Reserve Deputy Level II training in basic law enforcement tactics and techniques specifically designed by the Los Angeles Sheriff's Department.

LESD 055 DE-VRT REFRESHER

Units: 0.25

8.00 hours lecture

Examines behavioral cues inmates with mental illness display, situations in which inmates experience crisis and how to effectively communicate and manage problematic behaviors utilizing de-escalation, and crisis interviewing skills.

LESD 100 BASIC COURSE - INTENSIVE

Units: 22.00

CSU 200 hours lecture, 600 hours lab

Provides training in basic law enforcement tactics and techniques specifically used by the Los Angeles Sheriff Department. Examines community relations, criminal law, criminal evidence, patrol procedures, investigation, vehicle codes, vehicle operations, communications, physical conditioning, health and safety, self-defense tactics, weapons, and marksmanship.

LESD 100A BASIC ACADEMY PART 1

Units: 11.00

100.00 hours lecture, 300.00 hours lab

Provides training in basic law enforcement tactics and techniques specifically used by the Los Angeles Sheriff Department. Topics include leadership, criminal justice system, community policing, crisis intervention, criminal law, property crime, death investigation, crimes against children, sex crimes, domestic violence, controlled substances, search and seizure, investigative report writing, evidence, vehicle operations and use of force, crimes in progress, handling crowds and traffic enforcement.

LESD 100B BASIC ACADEMY PART 2

Units: 11.00

100.00 hours lecture, 300.00 hours lab

Completes basic training in law enforcement tactics and techniques specifically used by the Los Angeles Sheriff Department. Topics include missing persons, traffic enforcement and collisions, custody, fitness, arrest and control, first aid and CPR, firearms, information systems, gang awareness, weapons violations, emergency management, history of law enforcement and respect based leadership.

REAL ESTATE

Associate in Science Degree and Certificate of Achievement: Real Estate

The Real Estate program involves the study of California real estate principles, practices, procedures, and law. It offers courses mandated by the California Bureau of Real Estate (CalBRE) to prepare those who desire a career in real estate.

Students must successfully complete and pass the Real Estate Principles class (REAL-100), the Real Estate Practices class (REAL 101), and one additional class (of the student's choosing from the approved list) in the Real Estate Department to academically qualify for the California Real Estate Sales license and examination. These classes may also be applied to the academic requirement for the California Real Estate Broker license and examination.

On successful completion of the full program, the student will be academically qualified to apply to take the California Real Estate Broker examination.

Target occupations for this course of study include real estate sales, real estate broker, mortgage broker, property manager, loan broker, and escrow officer.

Students are advised to check current California Bureau of Real Estate or other applicable agency academic requirements prior to registering for any course to ensure that it satisfies current requirements as a mandatory or elective course for the Real Estate Sales or Real Estate Broker licenses. The CalBRE and other applicable agency requirements change periodically and the Real Estate Program does not warrant that the listed courses meet current requirements.

Degree and Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core knowledge required for the California Bureau of Real Estate examination for real estate sales and real estate broker licenses.

Program Requirements:

Units Required: 26

	Units
REAL-100 Real Estate Principles	3.0
REAL-101 Real Estate Practices	3.0
REAL-105 Real Estate Financing	3.0
REAL-115 Legal Aspects of Real Estate.....	3.0
REAL-120 Real Estate Appraisal I	3.0
BUS-201 Principles of Accounting I	5.0

Plus six units from the following:

BUS-211 Business Law	3.0
----------------------------	-----

OR

REAL-121 Real Estate Appraisal II	3.0
REAL-130 Escrow Procedures and Processing.....	3.0

REAL 100 REAL ESTATE PRINCIPLES

Units: 3.00

CSU 54.00 hours lecture

Introduces real estate fundamentals by emphasizing the concepts of real property ownership, the sale of real property, contract law, real property law, appraisal, financing, and the business aspects of buying and selling real estate under California law. A State of California required course for the real estate sales license exam.

REAL 101 REAL ESTATE PRACTICES

Units: 3.00

CSU 54.00 hours lecture

Examines the theoretical and practical aspects of office operation systems, ethics, obtaining and processing listings, fundamentals of escrow, financing and appraisal within the real estate industry. A State of California required course for the real estate sales license.

REAL 105 REAL ESTATE FINANCING

Units: 3.00

CSU 54.00 hours lecture

Overview of real estate finance in California, including analyses of lending sources, loan processing, governmental loans, appraisals and methods of financing commercial and residential properties. This course satisfies one of the California Bureau of Real Estate salesperson electives and is required of applicants for the real estate broker examination.

REAL 115 LEGAL ASPECTS OF REAL ESTATE

Units: 3.00

CSU 54.00 hours lecture

Examines California real estate law emphasizing practical applications, including sources of real estate law, classes of property, fixtures, easements, estates or interests in real property, contracts, agency, conveyances, and security devices.

REAL 120 REAL ESTATE APPRAISAL I

Units: 3.00

CSU 54.00 hours lecture

Examines real estate appraisals, the appraisal process, as well as the different approaches, methods, and techniques used to determine the value of real property, while emphasizing residential and single unit property. Approved by the California Bureau of Real Estate for sales and broker's educational requirements.

REAL 121 REAL ESTATE APPRAISAL II

Units: 3.00

CSU 54.00 hours lecture

Provides an advanced appraisal course covering the methods and techniques used in the appraisal of specialty and more complex income-producing properties. Approved by the California Bureau of Real Estate for the sales and broker's license.

REAL 130 ESCROW PROCEDURES AND PROCESSING

Units: 3.00

CSU 54.00 hours lecture

Provides an overview of the real estate escrow process emphasizing the procedures used in the State of California. Can be used to satisfy the California Bureau of Real Estate's requirement for both salespersons and brokers.

RECREATION MANAGEMENT

Associate in Arts Degree: Recreation Management

An Associate in Arts degree in Recreational Management involves classes and field experiences which assist the student to prepare for work in the recreation and leisure industry. Recreational managers are responsible for planning and assisting in a variety of programs and overseeing the daily operations of recreational facilities for public agencies (federal, state, county or municipal), private non-profit agencies and business. The diverse curriculum exposes students to the wide range of possibilities for work and career within recreation and leisure industry. Course work includes courses on recreation and contemporary society, outdoor recreation, therapeutic recreation for special populations, and planning programs and events.

Degree Student Learning Outcome:

Students will be able to:

Analyze the motives, values, and benefits to the individual as well as society, that are associated with recreation and leisure experiences.

Program Requirements:

Units Required: 23-24

	Units
REC-100	Leisure for Life.....3.0
REC-101	Recreation and Leisure in Contemporary Society 3.0
REC-102	Planning Programs and Events for Recreation Experiences 3.0
REC-104	Introduction to Therapeutic Recreation and Special Populations.....3.0
<i>Plus four courses from the following for eleven to twelve units:</i>	
REC-103	Outdoor Recreation and the Natural Environment..... 3.0
REC-105	Leadership in Recreation and Leisure Services..... 3.0
KPET-120	Emergency Procedures 2.0
KPET-217	Sports Management 3.0
HRMGT-101	Introduction to the Hospitality Industry..... 3.0
SOCI-233	Sociological Issues of Life and Longevity 3.0

Recommended electives:

BUS-110	Principles of Management	3.0
PSYCH-172	Developmental Psychology	3.0

OR

PSYCH-172H	Developmental Psychology - Honors	3.0
------------	--	-----

REC 100 LEISURE FOR LIFE

Units: 3.00
 CSU 54.00 hours lecture

Introduces the nature and scope of leisure and the influence of leisure pursuits for personal and social growth. Examines the relationship between personal leisure lifestyle behaviors and wellness. Topics include the development of personal leisure values, assessment of leisure benefits and leisure time management and planning.

REC 101 RECREATION AND LEISURE IN CONTEMPORARY SOCIETY

Units: 3.00
 CSU 54.00 hours lecture

Investigates the contributions of play, leisure and recreation to the social, psychological and economic well-being of individuals and groups, incorporating local, regional, national and international perspectives.

REC 102 PLANNING PROGRAMS AND EVENTS FOR RECREATION EXPERIENCES

Units: 3.00
 CSU 54.00 hours lecture

Presents the principles and practice of effective recreational leadership including program and event planning as it relates to play, recreation, and leisure experiences.

REC 103 OUTDOOR RECREATION AND THE NATURAL ENVIRONMENT

Units: 3.00
 CSU 54.00 hours lecture

Examines recreation in the outdoor and natural environment including the emergence of outdoor recreation in the United States, the benefits attributed to outdoor experiences and management policies and practices related to recreation in natural environments. Field trips may be required.

REC 104 INTRODUCTION TO THERAPEUTIC RECREATION AND SPECIAL POPULATIONS

Units: 3.00
 CSU 54.00 hours lecture

Introduces the characteristics and needs of individuals with disabilities and special populations as they relate to the delivery of recreation and leisure services, including the nature and function of recreation in rehabilitation agencies and therapeutic recreation settings, plus planning and adapting recreational programs in various settings.

REC 105 LEADERSHIP IN RECREATION AND LEISURE SERVICES

Units: 3.00
 CSU 54.00 hours lecture

Focuses on the foundations of leadership and management skills integral for recreational leaders, emphasizing leadership theories and developing competencies and skills for effective leadership. Examines leadership roles in various recreation and leisure settings.

SIGN LANGUAGE

Associate in Arts Degree: American Sign Language Interpreting

The American Sign Language Interpreting program is a comprehensive two-year program designed to award students with an Associate in Arts degree in American Sign Language Interpreting. The degree will provide students with transfer opportunities to a four-year college or university as well as equip them with the necessary skills for entry-level positions within the field of interpreting.

Students may take American Sign Language courses to satisfy the general education language requirement. They may also take the courses for pleasure or practical usage in communication with the deaf community, as well as to prepare for a profession that will require communication competence in the language. Enrollment in the courses will provide students with opportunities to develop their linguistic skills as well as their cultural awareness.

Interpreters work in a variety of settings. These include, but are not limited to: educational, legal, medical, religious, community, theater, rehabilitation, and freelance.

Students with an American Sign Language Interpreting degree will develop the following competencies:

- * Advanced American Sign Language skills
- * Knowledge of the Code of Ethics for Interpreters
- * Knowledge of principles, practices, and procedures of interpreting
- * Knowledge of deaf culture
- * Knowledge of interpreting techniques
- * Interpreting skills (English to ASL)
- * Transliterating skills (English to MCE)
- * American Sign Language/MCE to English skills
- * Cultural bridging techniques
- * Idiomatic and specialized vocabulary skills
- * Knowledge of specialized settings and applied techniques
- * Fingerspelling skills: Expressive and receptive
- * Historical knowledge of American Sign Language, deaf culture, and interpreting
- * Knowledge of the structure of American Sign Language

Degree Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment as an interpreter.

Program Requirements:

Units Required: 38

	Units
SIGN-103	American Sign Language III 4.0
SIGN-104	American Sign Language IV 4.0
SIGN-110	American Deaf Culture 3.0
SIGN-112	Interpreting: Principles and Practices 3.0
SIGN-200	Specialized Signs and Settings 3.0
SIGN-201	Interpreting I 3.0
SIGN-202	Transliterating I 3.0
SIGN-203	Sign to English Interpreting/ Transliterating I 3.0
SIGN-204	Interpreting II 3.0
SIGN-205	Transliterating II 3.0
SIGN-206	Sign to English Interpreting/ Transliterating II 3.0

Plus a minimum of three units from the following, a minimum of 1 unit of CWE-186SIGN or CWE-188SIGN is required:

CWE-186SIGN	Cooperative Work Experience Education Sign Language (Unpaid)..... 1.0
<i>OR</i>	
CWE-188SIGN	Cooperative Work Experience Education Sign Language (Paid)..... 1.0
ENGL-111	Introduction to Linguistics 3.0
SIGN-111	Fingerspelling 2.0
SIGN-113	Creative Uses of Sign 3.0
SIGN-114	Working and Socializing with People ... Who are Deaf-Blind 4.0

Certificate of Specialization: Deaf-Blind Support Service Provider

Students completing this certificate will be equipped with advanced skills in American Sign Language. An emphasis will be placed on deaf and deaf-blind culture, allowing them to work and socialize successfully with deaf-blind individuals and other professional service providers.

Degree and Certificate Student Learning Outcome:

Students will learn about the deaf and deaf-blind cultures with an emphasis on communication and guiding techniques, equipping them to work and socialize with deaf-blind people.

Program Requirements:

Units Required: 15

	Units
SIGN-104	American Sign Language IV 4.0
SIGN-110	American Deaf Culture 3.0
SIGN-114	Working and Socializing with People ... Who are Deaf-Blind 4.0

SIGN-200	Specialized Signs and Settings3.0
CWE-186SIGN	Cooperative Work Experience Education Sign Language (Unpaid)..... 1.0
	<i>OR</i>
CWE-188SIGN	Cooperative Work Experience Education Sign Language (Paid)..... 1.0

SIGN 101 AMERICAN SIGN LANGUAGE I

Units: 4.00

UC:CSU 72.00 hours lecture

Presents the fundamentals of American Sign Language (ASL) whereby students develop expressive and receptive language skills through the learning of basic vocabulary, grammatical structures, and cultural awareness. Corresponds to the first two years of ASL offered in the high school. Field assignment required.

SIGN 102 AMERICAN SIGN LANGUAGE II

Units: 4.00

UC:CSU 72.00 hours lecture

Prerequisite: SIGN-101.

Continues the study of American Sign Language (ASL) designed to increase the student's proficiency in intermediate ASL communication skills with a continued emphasis on comprehension skills, conversational skills, cultural awareness, grammatical features and vocabulary development. Field assignments required.

SIGN 103 AMERICAN SIGN LANGUAGE III

Units: 4.00

UC:CSU 72.00 hours lecture

Prerequisite: SIGN-102

Continues the study of American Sign Language (ASL) whereby students develop expressive and receptive language skills with an increased emphasis on complex vocabulary, grammatical structures, and cultural awareness. Field assignments required.

SIGN 104 AMERICAN SIGN LANGUAGE IV

Units: 4.00

UC:CSU 72.00 hours lecture

Prerequisite: SIGN-103

An advanced study of American Sign Language (ASL) whereby students develop expressive and receptive language skills with an emphasis placed on fluency and refinement of complex vocabulary, grammatical structures, and cultural awareness. Students gain a greater ability to utilize various verb types, temporal markers, adverbial and adjectival structures. Field assignments required.

SIGN 110 AMERICAN DEAF CULTURE

Units: 3.00

UC:CSU 54.00 hours lecture

Studies various aspects of American deaf culture, including the description of deafness, deaf people, the deaf community as defined by audiology and/or cultural means, service for and by deaf people, and culture as reflected in the arts and language of deaf people. Field assignments required.

SIGN 111 FINGERSPELLING

Units: 2.00

CSU 36.00 hours lecture

Prerequisite: SIGN-102

Develops basic skills in receptive and expressive fingerspelling. Strongly recommended for prospective teachers, interpreters, and other professionals working with deaf people. Course taught in American Sign Language.

SIGN 112 INTERPRETING: PRINCIPLES AND PRACTICES

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: SIGN-102

Introduces the field of sign language interpreting including the history of interpreting, models of interpretation, professional standards, code of ethics, interpreter assessments, credentialing, roles and responsibilities.

SIGN 113 CREATIVE USES OF SIGN

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: SIGN-103

Introduces students to artistic expressions of American Sign Language including poetry, storytelling, play on signs, songs, puns, jokes, handshape stories, and theatrical presentation of signs. Perspective, movement, characterization, form, and technique will be explored.

SIGN 114 WORKING AND SOCIALIZING WITH PEOPLE WHO ARE DEAF-BLIND

Units: 4.00

CSU 72.00 hours lecture

Prerequisite: SIGN-103

Provides interpreters and interpreting students with an introductory level overview of working with deaf-blind people. Students will become familiar with features of the deaf-blind community, learn common etiologies of deaf-blindness, learn basic communication and guiding skills for use with deaf-blind people, and experience a variety of situations simulating deaf-blindness. Field trip may be required.

SIGN 200 SPECIALIZED SIGNS AND SETTINGS

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: SIGN-104, 110 and 112

Introduces students to specialized signs for vocabulary and specialized terminology presented in a variety of environments including educational, religious, medical, legal, and theatrical. Special settings (deaf-blind, tactile, oral, teaming, and video-relay) will be analyzed and interpreting techniques will be applied.

SIGN 201 INTERPRETING I

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: SIGN-104, 110 and 112

Introduces the process of consecutive interpreting including skills for analyzing, processing, and interpreting English meaning while conveying it accurately into American Sign Language.

SIGN 202 TRANSLITERATING I

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: SIGN-104, 110 and 112

Introduces the process of consecutive transliteration, analyzing, processing, and interpreting English meaning while conveying it accurately into a Manually Coded English form.

SIGN 203 SIGN TO ENGLISH INTERPRETING/TRANSLITERATING I

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: SIGN-104, 110 and 112

Introduces the skills required for accurate Sign to English interpretation/transliteration. Takes a theoretical and practical approach to analyzing the process and discussing common techniques and difficulties.

SIGN 204 INTERPRETING II

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: SIGN-201

Develops advanced, simultaneous interpreting skills, including the skills for analyzing, processing, and interpreting English meaning and conveying it simultaneously into American Sign Language.

SIGN 205 TRANSLITERATING II

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: SIGN-202

Develops the advanced process of simultaneous transliterating, including skills for analyzing, processing, and interpreting English meaning while conveying it accurately into a Manually Coded English form.

SIGN 206 SIGN TO ENGLISH INTERPRETING/TRANSLITERATING II

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: SIGN-203

Develops the advanced skills and knowledge for accurate simultaneous Sign to English interpretation/transliteration. Takes a theoretical and practical approach to analyzing the process and discussing solutions to common difficulties.

SOCIAL SCIENCE

Associate in Arts Degree: Social Science

Social Science is the study of people as members of a society. It examines individual and group behavior, communication and decision-making from a contemporary view, as well as historical roots and evolving perspectives. This degree takes an interdisciplinary approach to the field and is designed to provide an overview of the broad range of courses that constitute and are available in the social sciences.

Degree Student Learning Outcome:

Students will be able to analyze current and historical individuals or groups using concepts and theories from the social sciences.

Program Requirements:

Units Required: 24

SOCIOLOGY

The Sociology major is designed to prepare students for further studies in the discipline which will lead to the B.A., M.A., and/or Ph.D. degrees. The Associate in Arts degree in Sociology will provide an introduction to the major theoretical perspectives, research methodologies, and related sub-areas associated with the field. The degree incorporates the primary courses required for the bachelor's degree at many four-year colleges and universities, as well as establishes the foundation needed for later graduate studies. Students can also pursue the A.A. degree in sociology, yet decide not to attain the bachelor's degree. The field of sociology provides students with a broad based knowledge of human behavior and social interaction, which is transferable to a multitude of areas, including education, law, medicine, government, administration of justice, and organizations.

Associate in Arts Degree: Sociology for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a "C" or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU

system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Sociology. Additional majors are being developed. Please see a counselor for more information.

Degree Student Learning Outcome:

Students will be able to analyze a social issue using sociological concepts.

Program Requirements:

Units Required: 19

	Units
SOCI-101 Introduction to Sociology	3.0
<i>OR</i>	
SOCI-101H Introduction to Sociology - Honors ..	3.0
<i>Plus seven units from the following:</i>

Associate in Arts for Transfer Degree: Social Justice Studies

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer”, a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Social Justice. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu/degreewithaguarantee> for more information.

Degree Student Learning Outcome:

Students will be able to analyze the complex nature of multiple identities within the context of modern society.

SOCI-233	Sociological Issues of Life and Longevity	3.0
SOCI-250	Introduction to Criminology.....	3.0

Plus four units from the following:

SOCI-137	Statistics for the Social Sciences.....	4.0
MATH-140	Introductory Statistics	4.0
MATH-140H	Introductory Statistics - Honors	4.0

SOCI 101 INTRODUCTION TO SOCIOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID SOCI 110

Examines small group interactions and cultural patterns of American and other societies using the conceptual, theoretical, and methodological principles and applications to explain how values, roles, norms, social interaction, and social inequality as well as other concepts influence individuals, groups and society.

SOCI 101H INTRODUCTION TO SOCIOLOGY - HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID SOCI 110

Examines small group interactions and cultural patterns of American and other societies using the conceptual, theoretical, and methodological principles and applications to explain how values, roles, norms, social interaction, and social inequality as well as other concepts influence individuals, groups and society. Additional reading, writing, and research techniques are required.

SOCI 102 INTRODUCTION TO SOCIOLOGICAL RESEARCH METHODS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID SOCI 120

Prerequisite: SOCI-101 or SOCI-101H

Recommended Preparation: SOCI-137

Introduces empirical scientific methods used in contemporary sociological research with focus on ethics, theory, hypotheses, variables, quantitative and qualitative research design (e.g., observational, experimental, case study, and comparative historical), data collection, and data analysis using SPSS.

SOCI 103 INTIMATE RELATIONSHIPS AND FAMILIES

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID SOCI 130

Examines the various forms of intimate partner relationships that exist within a diverse, multicultural society. Social, cultural, and political constructs that apply to the definition, status and legality of human partnerships are analyzed.

SOCI 103H INTIMATE RELATIONSHIPS AND FAMILIES - HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID SOCI 130

Examines the various forms of intimate partner relationships that exist within a diverse, multicultural society. Social, cultural, and political constructs that apply to the definition, status, and legality of human partnerships are analyzed. Additional reading, writing and research techniques are required.

SOCI 104 INTRODUCTION TO SOCIAL JUSTICE STUDIES

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces social justice theories and the historical and contemporary responses to inequality and injustice. The role of imbalances of power in society, social movements, culture, politics and institutions will be discussed. The course also explores a broad range of issues including notions of inequality based on race, class, gender, sexuality, sexual orientation, and issues related to environmental and criminal justice and human rights.

SOCI 105 MULTICULTURALISM IN THE UNITED STATES

Units: 3.00

UC:CSU 54.00 hours lecture

Explores several levels of cultural diversity in the context of a complex, modern society, while developing the skills to understand and live in an increasingly multicultural U.S. society.

SOCI 106 INTRODUCTION TO RACE AND ETHNICITY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID SOCI 150

Presents the sociological analysis of race, ethnicity, and racism while examining the cultural, historical, political, and economic practices and institutions that support or challenge racism, racial and ethnic inequalities, and patterns of interaction between various racial and ethnic groups.

SOCI 107 INTRODUCTION TO CHICANA/O CULTURE

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces the study of cultural, economic, educational and political issues as they impact the Chicana/o in the U.S. Includes a study of the contributions that Chicana/os have made in these areas.

SOCI 108 THINKING CRITICALLY ABOUT SOCIAL ISSUES

Units: 3.00

UC:CSU 54.00 hours lecture

Prerequisite: ENGL-101 or ENGL-101H

Compares and contrasts the content, meaning and interpretation of social phenomena as reported by the media and scientific community. Literary criticism, logic, argumentation, and persuasion are used to analyze the content and validity of social issues. UC credit limitation: PHILOS-205 and SOCI-108 combined, maximum credit one course.

SOCI 110 SELF AND SOCIETY

Units: 3.00

UC:CSU 54.00 hours lecture

Examines ways in which culture and socialization affect individual conduct, including social structures and social institutions, and their effect on the development of self identity, attitudes, values and norms of social behavior.

SOCI 130 INTRODUCTION TO LGBTQ+ STUDIES

Units: 3.00

UC:CSU 54.00 hours lecture

Introduces students to the study of social issues related to LGBTQ+ identities.

SOCI 137 STATISTICS FOR THE SOCIAL SCIENCES

Units: 4.00

UC:CSU 72.00 hours lecture

C-ID SOCI 125

Prerequisite: MATH-070 or MATH-075 or higher math placement

Examines methods used in sociology to compute, interpret, apply, and present statistical analyses via the use of SPSS. UC credit limitation: ECON-291, MATH-140, MATH-140H, PSYCH-104 and SOCI-137 combined, maximum credit one course.

SOCI 200 INTRODUCTION TO WOMEN'S STUDIES

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID SJS 120, SOCI 140

Provides an overview of the academic field of women's studies, including the social and cultural consequences of living in a "gendered world." Socialization, communication, politics, crime, sexuality, and religion are examined, as well as the historical and cross-cultural aspects of gender relationships.

SOCI 200H INTRODUCTION TO WOMEN'S STUDIES HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID SJS 120, SOCI 140

Provides an overview of the academic field of women's studies, including the social and cultural consequences of living in a "gendered world." Socialization, communication, politics, crime, sexuality, and religion are examined, as well as the historical and cross-cultural aspects of gender relationships. Additional reading, writing, and research techniques are required.

SOCI 205 SOCIETY AND THE ENVIRONMENT

Units: 3.00

UC:CSU 54.00 hours lecture

Examines the interconnections between the social and biological features of society, as well as the sociological ramifications of environmental policies and cultural practices.

SOCI 207 SOCIAL PROBLEMS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID SOCI 115

Applies sociological principles and the research process to identify and analyze contemporary social problems, both nationally and globally, while considering the role of power and ideology in the definition of social problems, their causes and consequences, and solutions and interventions.

SOCI 208 SOCIOLOGY OF DEATH AND DYING

Units: 3.00

UC:CSU 54.00 hours lecture

Examines the cultural, social, and political meanings of death as it exists within the United States and abroad while analyzing the importance of death and its related processes as parts of socially constructed meanings recognized and practiced by society.

SOCI 210 SOCIOLOGY OF DEVIANCE, CRIME AND SOCIAL CONTROL

Units: 3.00

UC:CSU 54.00 hours lecture

Provides a sociological explanation of deviance, crime, and social control found within the United States, including the societal norms, values, and beliefs that influence socially constructed definitions of deviant behavior.

SOCI 230 SOCIOLOGY OF SEXUALITIES

Units: 3.00

UC:CSU 54.00 hours lecture

Explores sociological perspectives, theories, and research of sexuality from historical and contemporary social, cultural, and gendered contexts in a diverse society.

SOCI 233 SOCIOLOGICAL ISSUES OF LIFE AND LONGEVITY

Units: 3.00

UC:CSU 54.00 hours lecture

Examines the life course of older adults and the aging process, including the cultural, social, and political influences that shape concepts of growing old.

SOCI 250 INTRODUCTION TO CRIMINOLOGY

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID SOCI 160

Explores the scientific study of crime and criminality and the definition of crime and its violations as well as the laws and methods used to control criminal behavior.

SOLAR

Certificate of Specialization: Solar Energy Technician

The Solar Energy Technician certificate of specialization is designed to provide entry level skills to students seeking employment as an installer of solar panels or solar thermal systems. Students will gain a broad knowledge of alternative energy, system design and installation techniques. The program will prepare students for the North American Board of Certified Energy Practitioners (NABCEP) exams in Entry-Level Solar Thermal and Entry-Level Photovoltaic.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required to design and install basic solar electrical (photovoltaic) systems, and basic solar thermal systems.

Program Requirements:

Units Required: 8

	Units
SOLAR-050 Photovoltaic Systems	5.0
SOLAR-101 Introduction to Energy Technology	3.0

SOLAR 050 PHOTOVOLTAIC SYSTEMS

Units: 5.00

54.00 hours lecture, 108.00 hours lab

Prerequisite: SOLAR-101

Presents the principles of photovoltaics, including site evaluation, system design, performance simulation, permitting, installation, and rebates and financial incentives. Prepares students for the North American Board of Certified Energy Practitioners (NABCEP) Entry Level Photovoltaics Examination.

SOLAR 101 INTRODUCTION TO ENERGY TECHNOLOGY

Units: 3.00

CSU 54.00 hours lecture

Introduces major types of energy and their sources and interrelationships while exploring concepts of renewability, sustainability, and environmental impacts.

THEATRE

The Theatre program at College of the Canyons is designed to provide students with the lower-division major preparation for transfer to a four-year university with a major in Theatre.

Career opportunities for theatre professionals are diverse and serve people at all stages of life, in settings that touch our lives almost daily: live theatrical presentations and performances, recorded medium (including: film, television, radio, video, computer games), large public events and conventions, recreation, art and education programming in both the private and public sectors and amusement parks and attractions. Participation in these settings include, performers, designers, writers, directors, and managers.

Associate in Arts Degree: Theatre Arts for Transfer

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a "C" or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on

university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Theatre Arts. Additional majors are being developed. Please see a counselor for more information.

Degree Student Learning Outcome:

Students will be able to:

- Demonstrate a basic level of competency as a performer or technician (stagecraft, make-up design, costume construction or stage lighting technology) performing the duties of either in a realized production.
- Analyze and critique dramatic literature and/or performance.

Program Requirements:

Units Required:18

Choose three units from the following:

	Units
THEATR-110 Understanding Theatre.....	3.0
<i>OR</i>	
THEATR-110H Understanding Theatre – Honors.....	3.0
<i>OR</i>	
THEATR-220 Theatre History I.....	3.0
<i>Plus three units from the following:</i>	
THEATR-140 Acting Fundamentals.....	3.0
<i>Plus three units from the following:</i>	
THEATR-180A Rehearsal/Performance (Drama): Ensemble	1.5 – 4.0
THEATR-180B Rehearsal/Performance (Drama): Supporting Role.....	1.5 – 4.0
THEATR-180C Rehearsal/Performance (Drama): Principal.....	1.5 – 4.0
THEATR-181A New Play Development and Production – Beginning	1.5 – 4.0
THEATR-181B New Play Development and Production – Intermediate	1.5 – 4.0
THEATR-181C New Play Development and Production – Advanced.....	1.5 – 4.0
THEATR-182A Rehearsal/Performance (Comedy): Ensemble.....	1.5 – 4.0
THEATR-182B Rehearsal/Performance (Comedy): Supporting Role....	1.5 – 4.0
THEATR-182C Rehearsal/Performance (Comedy): Principal.....	1.5 – 4.0
THEATR-184A Rehearsal/Performance (Musical Theatre): Ensemble.....	1.5 – 4.0
THEATR-184B Rehearsal/Performance (Musical Theatre): Supporting Role	1.5 – 4.0

THEATR-184C Rehearsal/Performance (Musical Theatre): Principal.....	1.5 – 4.0
THEATR-186A Technical Theatre I (Beginning)	1.5 – 4.0
THEATR-186B Technical Theatre II (Intermediate)	1.5 – 4.0
<i>Plus nine units from the following:</i>	
THEATR-120 Stagecraft	3.0
THEATR-130 Fundamentals of Costume Design	3.0
THEATR-141 Scene Performance.....	3.0
THEATR-210 Script Analysis	3.0

Associate in Arts Degree: Theatre

Degree Student Learning Outcome:

Students will be able to demonstrate performance techniques and proficiency in one or more technical area.

Program Requirements:

Units Required: 20.5 - 21

	Units
THEATR-110 Understanding Theatre.....	3.0
<i>OR</i>	
THEATR-110H Understanding Theatre – Honors.....	3.0
THEATR-140 Acting Fundamentals.....	3.0
<i>Plus one and a half - two units from the following:</i>	
THEATR-180A Rehearsal/Performance (Drama): Ensemble	1.5 – 4.0
THEATR-180B Rehearsal/Performance (Drama): Supporting Role.....	1.5 – 4.0
THEATR-180C Rehearsal/Performance (Drama): Principal.....	1.5 – 4.0
THEATR-182A Rehearsal/Performance (Comedy): Ensemble.....	1.5 – 4.0
THEATR-182B Rehearsal/Performance (Comedy): Supporting Role....	1.5 – 4.0
THEATR-182C Rehearsal/Performance (Comedy): Principal.....	1.5 – 4.0
THEATR-184A Rehearsal/Performance (Musical Theatre): Ensemble..	1.5 – 4.0
THEATR-184B Rehearsal/Performance (Musical Theatre): Supporting Role	1.5 – 4.0
THEATR-184C Rehearsal/Performance (Musical Theatre): Principal.....	1.5 – 4.0
THEATR-186A Technical Theatre I (Beginning)	1.5 – 4.0

THEATR-186B Technical Theatre II
(Intermediate) 1.5 – 4.0

Plus ten units from the following:

THEATR-061 Auditioning for Stage, Film
and Television 2.0
 THEATR-126 Improvisation 2.0
 THEATR-127 Improvisational Performance 2.0
 THEATR-141 Scene Performance 3.0
 THEATR-144 Acting for the Camera 3.0
 THEATR-161 Musical Theatre Techniques 2.0
 THEATR-162 Musical Theatre Techniques II 2.0
 THEATR-196 Theater Festival Competition
 Preparation 1.5
 THEATR-210 Script Analysis 3.0
 THEATR-220 Theatre History I 3.0
 THEATR-221 Theatre History II 3.0
 THEATR-240 Acting Shakespeare 3.0
 THEATR-241 Movement of the Performer 3.0
 THEATR-242 Voice of the Performer 3.0

Plus three units from the following:

THEATR-120 Stagecraft 3.0
 THEATR-130 Fundamentals of Costume
 Design 3.0

Associate in Arts Degree: Theatre – Performance

An Associate in Arts degree in Theatre – Performance offers courses in both theory and practice. Students acquire an immediately useful set of theatre skills, including acting, voice, movement, and script-analysis, while working with a wide spectrum of production experiences in which to practice them. Courses in history, theory and criticism place the art of theatre in its larger historical context.

The performance major will acquire a strong foundation in theatre and the dramatic form. Requirements for the major include all aspects of the dramatic event: creation, rehearsal, and performance. Practical experience is gained in a number of performance spaces and genres. Students are provided with the opportunity to participate in a professional setting, giving the student an understanding of the theatrical production and dramatic experience.

Degree Student Learning Outcome:

Students will be able to demonstrate advanced performance techniques.

Program Requirements:

Units Required: 23

THEATR-241	Movement for the Performer.....	2.0
THEATR-242	Voice for the Performer.....	2.0

Associate in Arts and Certificate of Achievement: Technical Theatre

The Technical Theatre program is designed to provide basic academic and practical training in technical theatre at the entry level for resident and touring theatres, theme parks, television and motion picture students or for students to transfer to a four-year school. Students may work on theatrical carpentry, lighting, costume construction etc.

Degree and Certificate Student Learning Outcomes:

Students will be able to:

- Demonstrate professional behavior as part of team implementing technical theater elements for a production.
- Demonstrate safe construction and installation techniques for technical theatre disciplines such as scenery, lighting, or costumes.
- Analyze a script, paying particular attention to technical elements.

Program Requirements:

Units Required: 18

THEATR-110H	Understanding Theatre - Honors	3.0
	<i>Plus the following courses for twelve units:</i>	

THEATR-120	Stagecraft	3.0
THEATR-130	Fundamentals of Costume Design.....	3.0
THEATR-150	Introduction to Lighting Design	3.0
THEATR-210	Script Analysis	3.0

Plus two courses from the following for a minimum of 3 units:

CWE-186THTR	Cooperative Work Experience	Education
	Technical Theatre (Unpaid)	1.0 – 4.0
	<i>OR</i>	

CWE-188THTR	Cooperative Work Experience	Education
	Technical Theatre (Paid).....	1.0 – 4.0
THEATR-186A	Technical Theatre I (Beginning).....	1.5
THEATR-186B	Technical Theatre II (Intermediate)..	1.5

THEATR 060 THE BUSINESS OF ACTING

Units: 3.00

54.00 hours lecture

Provides an introduction to acting as a business and presents approaches to becoming a working professional in the entertainment industry, including pictures, resumes, new technologies, agents, unions, interviewing, auditioning and marketing.

THEATR 061 AUDITIONING FOR STAGE, FILM AND TELEVISION

Units: 2.00

18.00 hours lecture, 54.00 hours lab

Presents processes for professional work in theatre, television and film, including selection, preparation and performance of material with which to audition.

THEATR 100 THEATRE APPRECIATION

Units: 3.00

UC:CSU 54.00 hours lecture

Surveys theatre by exploring the creation and presentation of theatrical performances. Students are required to attend on-campus and regional live performances.

THEATR 110 UNDERSTANDING THEATRE

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID THTR-111

Analyzes theatre and the theatrical event from the audience perspective, including the functions of the producer, architect, playwright, director, actors, designers, and critics. Students will be required to attend live theatre productions.

THEATR 110H UNDERSTANDING THEATRE - HONORS

Units: 3.00

UC:CSU 54.00 hours lecture

-C-ID THTR-111

Recommended Preparation: ENGL-101 or ENGL-101H

Analyzes theatre and the theatrical event from the audience perspective, including the functions of the producer, architect, playwright, director, actors, designers, and critics. Students will be required to attend live theatre productions. Literary and production analysis skills will differentiate this honors course from the non-honors version.

THEATR 120 STAGECRAFT

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab
C-ID THTR-171

Provides the theory and practical application of technical elements for the stage including scenic design, construction, painting, rigging, safety practices, methods of shifting scenery, theatrical lighting and programming, and theatrical audio equipment.

THEATR 126 IMPROVISATION

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Introduces the principles and practice of theatrical improvisation. Focusing on the development of spontaneity, physicalization and interaction as they pertain to the creation of improvised character and ensemble performance techniques.

THEATR 127 IMPROVISATIONAL PERFORMANCE

Units: 2.00

CSU 18.00 hours lecture, 54.00 hours lab

Prerequisite: THEATR-126

Further develops improvisational skills, including spontaneity, physicalization, character and ensemble. Improvisational techniques are directed towards live performance. Requires public performance.

THEATR 130 FUNDAMENTALS OF COSTUME DESIGN

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

C-ID THTR 174

Presents costume history, design and basic construction techniques as an introduction to basic theatrical costuming. Materials, tools, fabrics and their various uses will be investigated.

THEATR 140 ACTING FUNDAMENTALS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID THTR 151

Introduces principles, practices and techniques of acting as an artistic discipline.

THEATR 141 SCENE PERFORMANCE

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

C-ID THTR-152

Prerequisite: THEATR-140.

Designed for more advanced theater students to further develop voice, movement and the ability to analyze dramatic text and characters through extended scene work.

THEATR 144 ACTING FOR THE CAMERA

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: THEATR-126 or THEATR-140

Presents the fundamental techniques required in acting before the camera, including guidelines for following the specific demands of the camera.

THEATR 150 INTRODUCTION TO LIGHTING DESIGN

Units: 3.00

UC:CSU 45.00 hours lecture, 27.00 hours lab

C-ID THTR 173

Introduces the theory and practice of designing lighting for a live theatrical production. Emphasizes equipment, control, color and their relationship to design. Field trip may be required.

THEATR 161 MUSICAL THEATRE TECHNIQUES

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Recommended Preparation: THEATR-140 and MUSIC-140

Develops vocal skills, choreographic movement and acting techniques for musical theatre, including exercises, solo and fully-staged scenes.

THEATR 162 MUSICAL THEATRE TECHNIQUES II

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

*Prerequisite: THEATR-161**Recommended Preparation: MUSIC-141*

Explores continued study of vocal skills, movement and acting techniques for musical theatre, including exercises, solo, duet, fully staged scenes, and preparation of audition portfolio.

THEATR 180A REHEARSAL/ PERFORMANCE (DRAMA): ENSEMBLE

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab

C-ID THTR 191

*Prerequisite: Audition**Recommended Preparation: THEATR-140*

Explores a dramatic production for the collegiate actor from audition to performance through lecture, research and rehearsals. Includes textual analysis, historical research, connecting text to dramatic action on stage, and developing vocal and physical techniques for the ensemble actor. Public performance required.

**THEATR 180B REHEARSAL/
PERFORMANCE (DRAMA): SUPPORTING
ROLE**

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab
C-ID THTR 191*Prerequisite: Audition*

Explores a dramatic production for the collegiate actor from audition to performance through lecture, research and rehearsals. Includes textual analysis, historical research, connecting text to dramatic action on stage, and developing vocal and physical techniques. This particular course is for those cast in supporting roles.

**THEATR 180C REHEARSAL/
PERFORMANCE (DRAMA): PRINCIPAL**

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab
C-ID THTR 191*Prerequisite: Audition*

Explores a dramatic play through lecture, rehearsals and performance, including textual analysis, historical research, connecting text to dramatic action, culminating in public performances. This course is for those cast in a principal/leading role.

**THEATR 181A NEW PLAY DEVELOPMENT
AND PRODUCTION – BEGINNING**

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab

Prerequisite: Audition

Provides for the exploration, development, revision, and presentation of new and original theatrical pieces involving playwrights, actors, directors and designers in the process. The course offers close examination of the new play development process using improvisation, ensemble and devised theatre development techniques. Public performance required.

**THEATR 181B NEW PLAY DEVELOPMENT
AND PRODUCTION – INTERMEDIATE**

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab

Prerequisite: THEATR-181A and Audition

Provides for intermediate-level exploration, development, revision, and presentation of new and original theatrical pieces involving playwrights, actors, directors and designers in the process. The course offers students the ability to take on a limited leadership role of the new play development process using improvisation, ensemble and devised theatre development techniques. Public performance required.

**THEATR 181C NEW PLAY DEVELOPMENT
AND PRODUCTION – ADVANCED**

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab

Prerequisite: THEATR-181B and Audition

Provides for advanced level development, revision, and presentation of new and original theatrical pieces involving playwrights, actors, directors and designers in the process. The course offers students the ability to take on a significant leadership role of the new play development process using improvisation, ensemble and devised theatre development techniques. Public performance required.

**THEATR 182A REHEARSAL/
PERFORMANCE (COMEDY): ENSEMBLE**

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab
C-ID THTR 191*Prerequisite: Audition*

Explores a comedic play through lecture, research and rehearsals. Includes textual analysis, historical research, connecting text to comedic action on stage, and developing vocal and breath techniques for handling heightened text. Culminates in public performances of the play. This particular course is for those cast in ensemble, chorus or minor roles.

**THEATR 182B REHEARSAL/
PERFORMANCE (COMEDY): SUPPORTING
ROLE**

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab
C-ID THTR 191*Prerequisite: Audition*

Explores a comedic play through lecture, research and rehearsals. Includes textual analysis, historical research, connecting text to comedic action on stage, and developing vocal and breath techniques for handling text. Culminates in public performances of the play. This particular course is for those cast in supporting roles.

**THEATR 182C REHEARSAL/
PERFORMANCE (COMEDY): PRINCIPAL**

Units: 1.50-4.00

CSU 18.00 hours lecture, 27.00-162.00 hours lab

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab
C-ID THTR 191*Prerequisite: Audition*

Explores a comedic play through lecture, rehearsals and performance, including textual analysis, historical research, connecting text to dramatic action, culminating in public performances. This course is for those cast in a principal/leading role.

**THEATR 184A REHEARSAL/
PERFORMANCE (MUSICAL THEATRE):
ENSEMBLE**

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab
C-ID THTR 191

Prerequisite: Audition

Explores a musical theatre production for the beginning collegiate actor from audition to performance through lecture, research and rehearsals. Includes textual analysis, historical research, connecting text to dramatic action on stage, and developing vocal and physical techniques for the beginning actor. Public performance required.

**THEATR 184B REHEARSAL/
PERFORMANCE (MUSICAL THEATRE):
SUPPORTING ROLE**

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab
C-ID THTR 191

Prerequisite: Audition

Explores a musical theatre production for the collegiate actor from audition to performance through lecture, research and rehearsals. Includes textual analysis, historical research, connecting text to dramatic action on stage, and developing vocal and physical techniques for the supporting actor. Public performance required.

**THEATR 184C REHEARSAL/
PERFORMANCE (MUSICAL THEATRE):
PRINCIPAL**

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab
C-ID THTR 191

Prerequisite: Audition

Explores a musical theatre production for the collegiate actor from audition to performance through lecture, research and rehearsals. Includes textual analysis, historical research, connecting text to dramatic action on stage, and developing vocal and physical techniques for the actor cast in a principal role. Public performance required.

**THEATR 186A TECHNICAL THEATRE I
(BEGINNING)**

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab
C-ID THTR 192

Prerequisite: Audition & Interview

Recommended Preparation: THEATR-120 and THEATR-130

Provides beginning technical theatre student the opportunity to provide support for productions through the installation and operation of scenery, props, lights, sound, wardrobe, etc. for the complete run of a theatrical production.

**THEATR 186B TECHNICAL THEATRE II
(INTERMEDIATE)**

Units: 1.50-4.00

UC:CSU 18.00 hours lecture, 27.00-162.00 hours lab
C-ID THTR 192

Prerequisite: THEATR-186A

Provides the intermediate technical theatre student the opportunity to provide support for productions through the installation and operation of scenery, props, lights, sound, and wardrobe for the complete run of a theatrical production.

THEATR 195 SOLO PERFORMANCE

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Recommended Preparation: THEATR-140 and/or THEATR-126

Introduces the essential elements of an original solo show, including writing, giving and receiving feedback, rewriting, rehearsal and performance.

**THEATR 196 THEATER FESTIVAL
COMPETITION PREPARATION**

Units: 1.50

CSU 18.00 hours lecture, 27.00 hours lab

May be taken four times for credit

Prerequisite: Audition/Interview

Preparation of theatre students for attendance and competition at the Kennedy Center American College Theater Festival. Participation in festival workshops and attendance at adjudication or competition events at the regional festival is required.

THEATR 210 SCRIPT ANALYSIS

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID THTR 114

Recommended Preparation: THEATR-110

Presents principles and methods employed by actors, directors and designers to analyze dramatic literature as scripts for theatrical performance.

THEATR 220 THEATRE HISTORY I

Units: 3.00

UC:CSU 54.00 hours lecture

C-ID THTR-113

Surveys theatre from ancient times through the 18th century.

THEATR 221 THEATRE HISTORY II

Units: 3.00

UC:CSU 54.00 hours lecture

A study of theatre as a product and reflection of its time, from the late 18th century to the present. Examination and analysis of the effects of the audiences upon playwright, actor, director and settings.

THEATR 240 ACTING SHAKESPEARE

Units: 3.00

UC:CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: THEATR-140.

Explores Shakespeare’s plays and poetry from a performance perspective, through research, exercises, monologues and scene study.

THEATR 241 MOVEMENT FOR THE PERFORMER

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Develops the performer’s instrument as it pertains to the body through stretching and strengthening exercises, awareness, relaxation, flexibility, and responsiveness.

THEATR 242 VOICE FOR THE PERFORMER

Units: 2.00

UC:CSU 18.00 hours lecture, 54.00 hours lab

Introduces fundamentals of voice for the performer in order to communicate openly and effectively, including tonal production, vocal quality, and articulation. Explores voice as an aid in understanding the complex relationship between the actor, the character, and the text.

WATER SYSTEMS TECHNOLOGY

Associate in Science Degree and Certificate of Achievement: Water Systems Technology

Water Systems Technology is the study of water treatment processes, distribution processes, and wastewater processes. The program is designed to prepare students seeking a career in drinking water treatment and distribution or wastewater. The Water Systems Technology program also provides instruction for water and wastewater industry personnel interested in career advancement as well as continuing education opportunities for State certified Water Treatment and Water Distribution Operators for certification renewal. Coursework will help prepare students for various certification examinations given by the State of California Water Resources Control Board. Upon completion of the program, students will acquire skills and knowledge in water treatment concepts, wastewater treatment concepts, chemical dosage techniques, water distribution, water chemistry, water quality, water mathematical calculations and other skills needed throughout this vital industry. The students completing the program can become employed as a distribution operator, water treatment plant operator, water service representative, water quality specialist, wastewater collection worker and/or wastewater treatment operator.

Degree and Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in the water industry.

Program Requirements:

Units Required: 21

	Units
WATER-120 Introduction to Water Systems Technology	3.0
WATER-130 Waterworks Mathematics	3.0
WATER-131 Advanced Waterworks Mathematics	3.0
WATER-132 Water Supply	3.0
WATER-135 Water Quality	3.0

Plus six units from the following:

WATER-140 Water Distribution Operator I.....	3.0
WATER-141 Water Distribution Operator II.....	3.0
<i>OR</i>	
WATER-150 Water Treatment Plant Operation Processes I.....	3.0
WATER-151 Water Treatment Plant Operation Processes II.....	3.0

OR

WATER-160	Wastewater Treatment and Disposal I.....	3.0
WATER-161	Wastewater Treatment and Disposal II.....	3.0

WATER 120 INTRODUCTION TO WATER SYSTEMS TECHNOLOGY

Units: 3.00
CSU 54.00 hours lecture

Explores the entire Water Systems Technology program, which includes the class and degree offerings. Reviews the State Water Resources Control Board Division of Drinking Water operator certification requirements. Various topics include water supply, water quality, drinking water treatment and distribution, wastewater and recycled water and other related topics.

WATER 130 WATERWORKS MATHEMATICS

Units: 3.00
CSU 54.00 hours lecture

Introduces basic mathematical principles related to drinking water distribution and treatment systems and wastewater treatment plants; including areas, volumes, pressure, flow rates, unit conversion, chemical dosage, detention time, and filtration rates. Focuses on mathematical computations within the expected range of knowledge on the State Water Resources Control Board exams for Drinking Water Distribution 1 and 2, Drinking Water Treatment 1 and 2, and Wastewater Treatment 1 and 2.

WATER 131 ADVANCED WATERWORKS MATHEMATICS

Units: 3.00
CSU 54.00 hours lecture
Prerequisite: WATER-130

Examines advanced study of mathematical principles related to pump hydraulics: horsepower, flow rates, pump curves, chemical dosages, detention time, filtration and backwash rates, CT calculations and various utility management analyses related to budget preparations, water rate structures, and demand design forecasting. Focuses on mathematical computations within the expected range of knowledge on the State of California Water Resources Control Board exams for Drinking Water Distribution 3, 4, and 5, Drinking Water Treatment 3 and 4, and Wastewater Treatment 3 and 4.

WATER 132 WATER SUPPLY

Units: 3.00
CSU 54.00 hours lecture
Recommended Preparation: WATER-120

Examines the sources of drinking water supplies, with special emphasis on water in California. Explores the uses of water, including residential, commercial/ industrial/institutional, and landscaping demands. It also examines the roles and methods of conservation on water demand management.

WATER 135 WATER QUALITY

Units: 3.00
CSU 54.00 hours lecture

Examines basic principles of chemistry and microbiology, and applies them to drinking water quality and related state and federal regulations.

WATER 140 WATER DISTRIBUTION OPERATOR I

Units: 3.00
CSU 54.00 hours lecture
Recommended Preparation: WATER-130

Introduces basic concepts and processes of drinking water distribution systems, including a general background of drinking water sources, regulations, water system design, and various distribution system appurtenances. Assists in the preparation of the State of California Water Resources Control Board Certification Exams for Grades I and II. Filed trips may be required.

WATER 141 WATER DISTRIBUTION OPERATOR II

Units: 3.00
CSU 54.00 hours lecture
Recommended Preparation: WATER-140 or four years of employment in a water treatment plant, water distribution system or hold a valid Grade I license.

Presents intermediate to advanced principles of water distribution. Assists in preparation for Grade III & IV Water Distribution Operator's Certificate examination given by the State of California Water Resources Control Board. Filed trips may be required.

WATER 150 WATER TREATMENT PLANT OPERATION PROCESSES I

Units: 3.00
CSU 54.00 hours lecture
Recommended Preparation: WATER-130 & WATER-135

Presents the basic operating principles and techniques of the conventional surface water treatment processes of coagulation, flocculation, sedimentation, and filtration, plus those of disinfection processes. Assists in preparation for Grade T1 and T2 Water Treatment Plant Operator's Certificate examination given by the State of California Water Resources Control Board. Filed trips may be required.

WATER 151 WATER TREATMENT PLANT OPERATION PROCESSES II

Units: 3.00
 CSU 54.00 hours lecture

Recommended Preparation: WATER-131 and 150.
 Examines advanced topics in conventional surface water treatment processes and disinfection, as well as non-conventional treatment processes. Assists in preparation for Grade T3 and T4 Water Treatment Plant Operator's Certificate examination given by the State of California Water Resources Control Board. Field trips may be required.

WATER 160 WASTEWATER TREATMENT AND DISPOSAL I

Units: 3.00
 CSU 54.00 hours lecture

Presents the basic operating principles and techniques of conventional wastewater treatment processes including preliminary treatment, primary treatment, and secondary treatment, as well as wastewater quality assessment, wastewater collection, and wastewater disposal. Assists in preparation for Grade 1/2 Wastewater Treatment Plant Operator Certificate examination given by the State of California Water Resources Control Board. Field trips may be required.

WATER 161 WASTEWATER TREATMENT AND DISPOSAL II

Units: 3.00
 CSU 54.00 hours lecture

Recommended Preparation: WATER-160
 Examines advanced topics in conventional wastewater treatment processes including alternative secondary treatment methods, tertiary treatment, disinfection and dechlorination, solids handling, water recycling, and industrial waste management. Assists in preparation for Grade 2 Wastewater Treatment Plant Operator Certificate examination given by the State of California Water Resources Control Board. Field trips may be required.

WELDING

Associate in Science Degree and Certificate of Achievement: Welding Technology

Welding Technology is a career education program designed to prepare students for a variety of entry-level positions in today's welding and fabrication related industries. Course offerings range from very basic welding fundamentals to the most technically advanced. Students gain skills in safety procedures, applied theory, metal fabrication, and related welding processes. Emphasis is placed on individual instruction. Instructors are AWS Certified Welding Inspectors/Educators. Welding curriculum is aligned with the American Welding Society SENSE Entry Welder Program. Students can earn welder certifications in accordance with the American Welding Society (AWS), The Los Angeles Department of Building and Safety (LADBS), and The American Society of Mechanical of Engineers (ASME). Upon successful completion of the program, students are prepared to enter into the following career opportunities: welder, welding inspector, welding technician/fitter, pipe fitter/welder, and metal fabricator.

Degree and Certificate Student Learning Outcome:
 Students will be able to demonstrate proficiency in industry-recognized principles and practices as they apply to today's welding and metal fabrication industries.

Program Requirements:
 Units Required: 31

Units

Complete fifteen units from two of the course blocks below

WELD-100A	Introduction to Metal Fabrication	2.5
WELD-100B	Intermediate Metal Fabrication	2.5
WELD-100C	Advanced Metal Fabrication	2.5
WELD-101A	Introduction to Shielded Metal Arc Welding	2.5
WELD-101B	Intermediate Shielded Metal Arc Welding	2.5
WELD-101C	Advanced Shielded Metal Arc Welding	2.5
WELD-111A	Introduction to Semiautomatic Welding	2.5
WELD-111B	Intermediate Semiautomatic Welding	2.5
WELD-111C	Advanced Semiautomatic Welding	2.5

WELD-112A	Introduction to Gas Tungsten Arc Welding	2.5
WELD-112B	Intermediate Gas Tungsten Arc Welding	2.5
WELD-112C	Advanced Gas Tungsten Arc Welding	2.5
<i>OR</i>		

Complete fifteen units from the following:

WELD-113A	Introduction to Pipe Welding	4.0
WELD-113B	Pipe Layout and Fabrication	3.0
WELD-113C	Intermediate Pipe Welding	4.0
WELD-113D	Advanced Pipe Welding	4.0

Plus the following required electives:

WELD-130	Welding Metallurgy	3.0
WELD-131	Non-Destructive Testing	3.0
WELD-132	Blueprint Reading for Welders and Fabricators	3.0
MFGT-090	Measurements and Computations	3.0
ENGL-104	Technical Reading and Writing	3.0
<i>OR</i>		

ENGL-204	Technical Report Writing	3.0
CWE-186WELD	Cooperative Work Experience Education Welding Technology (Unpaid)	1.0
<i>OR</i>		

CWE-188WELD	Cooperative Work Experience Education Welding Technology (Paid)	1.0
-------------	--	-----

Certificate of Specialization: Gas Tungsten Arc Welding

The Welding Technology Certificate of Specialization in Gas Tungsten Arc Welding (GTAW) provides training to gain the technical and applied skills to perform advanced welding tasks. Course work includes a comprehensive study with an emphasis on application of advanced welding techniques and industry practices. Program completers are prepared for entry-level employment into industries such as aerospace, motorsports, petrochemical, and general fabrication.

Certificate Student Learning Outcome:

Students will be able to demonstrate advanced level skills to produce quality welds in multiple welding positions using the gas tungsten arc welding process.

Program Requirements:

Units Required: 16.5

WELD-112A	Introduction to Gas Tungsten Arc Welding	2.5
-----------	--	-----

WELD-112B	Intermediate Gas Tungsten Arc Welding	2.5
WELD-112C	Advanced Gas Tungsten Arc Welding	2.5
<i>Required Electives:</i>		
WELD-130	Welding Metallurgy	3.0
WELD-131	Non-Destructive Testing	3.0
WELD-132	Blueprint Reading for Welders and Fabricators.....	3.0

Certificate of Specialization: Pipe Fabrication/Welding

The Welding Technology Certificate of Specialization in Pipe Fabrication/Welding provides training to gain technical and applied skills in the joining of carbon steel pipe. Coursework includes pipe layout fabrication and welding of pipe in the 1G, 2G, 5G, and 6G positions using shielded metal arc welding (SMAW), gas tungsten arc welding (GTAW) and gas metal arc welding (GMAW). Welder qualification performance exams in accordance with the American Petroleum Institute (API), American Society of Mechanical Engineers (ASME) and the American Welding Society are offered.

Certificate Student Learning Outcome:

Students will be able to demonstrate the ability to fabricate and weld carbon steel pipe joints in multiple positions that meet industry code acceptance criteria.

Program Requirements:

Units Required: 15

WELD-113A	Introduction to Pipe Welding.....	4.0
WELD-113B	Pipe Layout and Fabrication.....	3.0
WELD-113C	Intermediate Pipe Welding	4.0
WELD-113D	Advanced Pipe Welding	4.0

Certificate of Specialization: Robotic Welding Automation

The Welding Technology Certificate of Specialization in Robotic Welding Automation provides training to gain the technical and applied skills required to perform advanced programming and operational tasks as per the American Welding Society standards and specifications for robotic welding.

Certificate Student Learning Outcome:

Students will be able to demonstrate advanced-level skills to produce quality welds in the flat, horizontal, vertical, and overhead positions using the shielded metal arc welding process.

Students will be able to:

- Analyze the theory and skills necessary for performing advanced programming and operational tasks as per AWS Robotic Arc Welding standards.
- Safely operate common robotic welding automation systems while performing advanced programming and welding functions.

Program Requirements:

Units Required: 16.5

	Units
WELD-114A Introduction to Robotic Welding Automation.....	2.5
WELD-114B Intermediate Robotic Welding Automation.....	2.5
WELD-114C Advanced Robotic Welding Automation	2.5
<i>Required Electives:</i>	
WELD-130 Welding Metallurgy	3.0
WELD-131 Non-Destructive Testing	3.0
WELD-132 Blueprint Reading for Welders and Fabricators.....	3.0

Certificate of Specialization: Shielded Metal Arc Welding

The Welding Technology Certificate of Specialization in Shielded Metal Arc Welding (SMAW) is designed for those interested in welding structural steel. Course work includes a comprehensive study with an emphasis on application of fundamental welding techniques and industry practices. Program completers are prepared for entry level employment into industries such as steel construction and maintenance & repair, and general fabrication.

Certificate Student Learning Outcome:

Students will be able to demonstrate advanced level skills to produce quality welds in the flat, horizontal, vertical, and overhead positions using the shielded metal arc welding process.

Program Requirements:

Units Required: 16.5

	Units
WELD-101A Introduction to Shielded Metal Arc Welding.....	2.5
WELD-101B Intermediate Shielded Metal Arc Welding.....	2.5
WELD-101C Advanced Shielded Metal Arc Welding.....	2.5
<i>Required Electives:</i>	
WELD-130 Welding Metallurgy	3.0
WELD-131 Non-Destructive Testing	3.0
WELD-132 Blueprint Reading for Welders and Fabricators.....	3.0

WELD 096 WELDING CERTIFICATION AND LICENSE PREPARATION

Units: 3.00
54.00 hours lecture
Recommended Preparation: WELD-101C & WELD-120
Presents practical applications and fundamental concepts to prepare students for the Los Angeles City Department of Building and Safety Department Examination (written) for structural steel.

WELD 100A INTRODUCTION TO METAL FABRICATION

Units: 2.50
CSU 27.00 hours lecture, 54.00 hours lab
First in a three-part series of courses examining the principles and practices of metal fabrication including layout and design techniques, while emphasizing proper operation of drilling, cutting, threading, grinding, and related equipment. Students are exposed to basic design techniques used to fabricate basic metal projects. (Formerly WELD-092)

WELD 100B INTERMEDIATE METAL FABRICATION

Units: 2.50
CSU 27.00 hours lecture, 54.00 hours lab
Prerequisite: WELD-100A
Second in a three-part series of courses examining the principles and practices of enhanced metal fabrication. Emphasis is placed on safe proper operation of bending, turning, cutting, milling and related equipment. Students are exposed to enhanced design techniques used to fabricate intermediate level projects. (Formerly WELD-093)

WELD 100C ADVANCED METAL FABRICATION

Units: 2.50
CSU 27.00 hours lecture, 54.00 hours lab
Prerequisite: WELD-100B
Third in a three-part series of courses examining the principles and practices of metal fabrication, while emphasizing safe and proper operation of metal working equipment. Students construct advanced projects that involve design, layout, machining, fabrication, and welding technology. (Formerly WELD-094)

WELD 101A INTRODUCTION TO SHIELDED METAL ARC WELDING

Units: 2.50
CSU 27.00 hours lecture, 54.00 hours lab
The first of a three-part series introducing the theory and application of shielded metal arc welding (SMAW). Emphasizes safety procedures, use of SMAW consumables & welding equipment, and proper welding techniques in accordance with the American Welding Society SENSE EG2.0 Entry-Level Welder program.

WELD 101B INTERMEDIATE SHIELDED METAL ARC WELDING

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

Prerequisite: WELD-101A

The second of a three-part series in the theory and application of shielded metal arc welding (SMAW). Emphasizes safety procedures, use of SMAW consumables & welding equipment and enhanced welding techniques in accordance with the American Welding Society SENSE EG2.0 Entry-Level Welder program.

WELD 101C ADVANCED SHIELDED METAL ARC WELDING

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

Prerequisite: WELD-101B

The third of a three-part series in the theory and application of shielded metal arc welding (SMAW). Emphasizes safety procedures, use of SMAW consumables & welding equipment and advanced level welding techniques in accordance with the American Welding Society SENSE EG2.0 Entry-Level Welder program.

WELD 111A INTRODUCTION TO SEMIAUTOMATIC WELDING

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

The first of a three-part series introducing fundamental theory and application of semiautomatic welding processes. Emphasizes safety procedures, use of gas metal arc welding (GMAW) equipment, and welding techniques to complete the American Welding Society SENSE Entry-Level requirements for GMAW.

WELD 111B INTERMEDIATE SEMIAUTOMATIC WELDING

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

Prerequisite: WELD-111A

The second of a three-part series providing further development in the theory and application of semi-automatic welding processes. Emphasize safety procedures, use of flux cored arc welding (FCAW) equipment, and welding techniques to complete the American Welding Society SENSE Entry-Level FCAW requirements.

WELD 111C ADVANCED SEMIAUTOMATIC WELDING

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

*Prerequisite: WELD-111A**Recommended Preparation: WELD-111B*

The third of a three-part series providing advanced theory and application in semi-automatic welding processes. Emphasizes safety procedures, use of advanced technology GMAW equipment, and application of complex welding techniques in accordance with advanced welding procedure specifications.

WELD 112A INTRODUCTION TO GAS TUNGSTEN ARC WELDING

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

The first of a three-part series introducing fundamental theory and application of gas tungsten arc welding (GTAW). Emphasizes safety procedures, use of GTAW equipment, and proper techniques in accordance with the American Welding Society SENSE Entry-Level welder program.

WELD 112B INTERMEDIATE GAS TUNGSTEN ARC WELDING

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

Prerequisite: WELD-112A

The second of a three-part series providing further development in the theory and application of gas tungsten arc welding (GTAW). Emphasizes safety procedures, use of GTAW equipment and proper techniques in accordance with the American Welding Society SENSE Entry-Level welder program.

WELD 112C ADVANCED GAS TUNGSTEN ARC WELDING

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

Prerequisite: WELD-112B

The third of a three-part series providing advanced theory and applications of gas tungsten arc welding (GTAW). Emphasizes safety procedures, use of GTAW equipment and proper techniques in accordance with the American Welding Society SENSE Entry-Level program.

WELD 113A INTRODUCTION TO PIPE WELDING

Units: 4.00

CSU 36.00 hours lecture, 108.00 hours lab

Prerequisite: WELD-101C, Co-requisite: WELD-113B

First in a series that provides fundamental theory and application of pipe welding using the shielded metal arc welding (SMAW) process. Procedures leading to skillfulness in weld-joint design, pre-weld fit up, basic metallurgy and related welding codes and standards are emphasized. Emphasis on weld positions 1G, 2G, 5G, and 6G using mild steel electrodes, in accordance with American Petroleum Institute API-1104.

WELD 113B PIPE LAYOUT AND FABRICATION

Units: 3.00

CSU 36.00 hours lecture, 54.00 hours lab

Prerequisite: WELD-101C, Co-requisite: WELD-113A

Explores the fundamental concepts used in the layout and fabrication of pipe connections and fittings. Emphasis is placed on constructing pipe connections commonly used in the piping industry. Related math calculations and cutting techniques are utilized to prepare students for entry into pipe fitting related fields.

WELD 113C INTERMEDIATE PIPE WELDING

Units: 4.00

CSU 36.00 hours lecture, 108.00 hours lab

*Prerequisite: WELD-113A**Recommended Preparation: WELD-112B*

Third in a series of courses in the further development of pipe welding skills and techniques as per API 1104 in addition to providing theory and application in pipe welding using gas tungsten arc welding (GTAW) of carbon steel pipe. Covers weld positions 1G, 2G, 5G, and 6G using uphill progression, in accordance with American Mechanical Engineering (ASME) Pressure and Vessel Codes.

WELD 113D ADVANCED PIPE WELDING

Units: 4.00

CSU 36.00 hours lecture, 108.00 hours lab

Prerequisite: WELD-113C

Capstone course to continue development in advanced pipe welding skills. Includes theory and application of pipe welding of carbon steel pipe using gas metal arc welding (GMAW) in weld positions 2G, 5G, and 6G using downhill and uphill progression. Prepares students for pipe welding certifications in accordance with the American Society of Mechanical Engineers (ASME) and the American Welding Society (AWS).

WELD 114A INTRODUCTION TO ROBOTIC WELDING AUTOMATION

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

The first of a three-part series introducing fundamental theory and hands-on application of robotic welding automation. Emphasizes safety awareness, programming techniques, and basic gas metal arc welding applications using six-axis robotic welding systems.

WELD 114B INTERMEDIATE ROBOTIC WELDING AUTOMATION

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

Prerequisite: WELD-114A

The second of a three-part series introducing intermediate-level theory and hands-on application of robotic welding automation. Emphasizes safety awareness, programming techniques, and intermediate gas metal arc welding applications using six-axis robotic welding systems.

WELD 114C ADVANCED ROBOTIC WELDING AUTOMATION

Units: 2.50

CSU 27.00 hours lecture, 54.00 hours lab

Prerequisite: WELD-114B

The third of a three-part series introducing advanced-level theory and hands-on application of robotic welding automation. Emphasizes safety awareness, programming techniques, and advanced GMAW welding applications using six-axis robotic welding systems.

WELD 130 WELDING METALLURGY

Units: 3.00

CSU 54.00 hours lecture

Introduces basic metallurgy as applied to welding, emphasizing common heat treatment procedures, welding enhancement procedures, and thermal control of stress and strain in relation to ferrous and non-ferrous metals.

WELD 131 NON-DESTRUCTIVE TESTING

Units: 3.00

CSU 54.00 hours lecture

Surveys common non-destructive testing (NDT) theories and applications as they relate to industry recognized quality control systems. Emphasizes visual test (VT), penetrant test (PT) magnetic particle test (MT) radiographic test (RT), ultrasonic test (UT) and eddy current (ET). Field trips may be required. (Formerly WELD-080)

WELD 132 BLUEPRINT READING FOR WELDERS AND FABRICATORS

Units: 3.00

CSU 54.00 hours lecture

Recommended Preparation: MFGT-090

Examines blueprint interpretation practices commonly used by welding and metal fabrication industries. Exposure to common drawing types, symbols, views, lines, dimensions, and tolerances. Emphasizes the analysis of welding symbols as approved by the American Welding Society (AWS) and International Organization of Standardization (ISO).

WELD 135 FUNDAMENTALS OF CNC PLASMA ARC CUTTING

Units: 3.00

CSU 36.00 hours lecture, 54 hours lab.

Co-requisite: WELD-100A

Provides fundamental theory and hands-on application using Torchmate CAD/CAM software and CNC plasma cutting systems. Emphasizes safety awareness, programming methods, and basic troubleshooting techniques.

WINE STUDIES

Certificate of Specialization: Wine Studies

The Wine Studies program is designed to provide students, desiring employment in the culinary or restaurant industry, with foundational knowledge and skills in world viticulture and wine styles. The curriculum provides introduction to wine appreciation, service and wine and food pairings. Upon completion of the program, students will have a well-developed wine palate and will be able to assist customers in wine selection.

Certificate Student Learning Outcome:

Students will be able to:

- Perform sensory evaluation on wines from a variety of world viticulture regions.
- Compare and contrast the world wine regions.

Program Requirements:

Units Required: 17

	Units
WINEST-085 Wines of California	2.0
WINEST-086 Wines of Italy	1.5
WINEST-087 Wines of France	1.5
WINEST-088 Wines of Australia & New Zealand ..	1.5
WINEST-089 Wines of Spain	1.5
WINEST-100 Wine Appreciation.....	3.0
WINEST-102 World Viticulture and Wine Styles ...	3.0
WINEST-104 Hospitality Beverage Management.....	3.0

Certificate of Specialization: Hospitality Wine Service

The Hospitality Wine Service program is designed to provide students with knowledge and skills related to providing exceptional wine service in restaurants, hotels and other culinary venues. The program provides introductory knowledge on world viticulture and wine styles but focuses on the food, business and service aspects of wine and the role of wine in the hospitality industry.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in the wine service/hospitality/restaurant industry.

Program Requirements:

Units Required: 6.5

	Units
WINEST-084 Wine Service and Hospitality.....	1.5
WINEST-085 Wines of California	2.0
WINEST-100 Wine Appreciation.....	3.0

WINEST 084 WINE SERVICE AND HOSPITALITY

Units: 1.50

27.00 hours lecture

Prerequisite: Students must be 21 years of age to enroll.

Introduces the basics of wine service for the hospitality industry. Pregnant women and persons with allergies to sulfites are advised not to take this class. Wine will be tasted.

WINEST 085 WINES OF CALIFORNIA

Units: 2.00

36.00 hours lecture

Prerequisite: Students must be 21 years of age to enroll.

Explores the major wine regions of California including the grape varieties and types of wine production. Includes the wine styles and associated wine laws, structure and culture of California. Pregnant women and persons with allergies to sulfites are advised not to take this class. Wine will be tasted.

WINEST 086 WINES OF ITALY

Units: 1.50

27.00 hours lecture

Prerequisite: Students must be 21 years of age to enroll.

Introduces the major wine regions of Italy, grape varieties grown, and the wines produced. Includes the process of Italian wine making, the importance of wine in Italian cuisine and culture and the stature Italian wines have achieved worldwide. Pregnant women and persons with allergies to sulfites are advised not to take this class. Wine will be tasted.

WINEST 087 WINES OF FRANCE

Units: 1.50

27.00 hours lecture

Prerequisite: Students must be 21 years of age to enroll.

Explores the major wine regions of France, the grape varieties and types of wine production. Includes the wine styles and associated wine laws, structure and culture of France. Pregnant women and persons with allergies to sulfites are advised not to take this class. Wine will be tasted.

WINEST 088 WINES OF AUSTRALIA AND NEW ZEALAND

Units: 1.50

27.00 hours lecture

Prerequisite: Students must be 21 years of age to enroll.

Explores the major wines of Australia and New Zealand, the grape varieties and types of wine production. Includes the wine styles and associated wine laws, structure and culture of Australia and New Zealand. Pregnant women and persons with allergies to sulfites are advised not to take this class. Wine will be tasted.

WINEST 089 WINES OF SPAIN

Units: 1.50

27.00 hours lecture

Prerequisite: Students must be 21 years of age to enroll.

Explores the major wine regions, grape varieties, and types of wine production of Spain. Includes the wine styles and associated wine laws, structure and culture of Spain. Pregnant women and persons with allergies to sulfites are advised not to take this class. Wine will be tasted.

WINEST 100 WINE APPRECIATION

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: Students must be 21 years of age to enroll.

Explores the grape varieties and types of wine produced in the major wine regions of France, Italy, Germany, Spain, Australia, New Zealand, South America, and North America. Pregnant women and persons with allergies to sulfites are advised not to take this class. Wine will be tasted.

WINEST 102 WORLD VITICULTURE AND WINE STYLES

Units: 3.00

UC:CSU 54.00 hours lecture

Prerequisite: WINEST-100 and students must be 21 years of age to enroll.

Surveys the world of viticulture and the wine industry, including the history of viticulture, grapevine anatomy, worldwide grapes, wine production, the making of wine and sensory evaluations. Pregnant women and persons with allergies to sulfites are advised not to take this class. Wine will be tasted.

WINEST 104 HOSPITALITY BEVERAGE MANAGEMENT

Units: 3.00

CSU 54.00 hours lecture

Prerequisite: WINEST-100

Examines wine and beverage purchasing, storage, and selling for the restaurant management professional

The College’s School of Personal and Professional Learning provides lifelong learning classes to residents of all ages with opportunities for professional development, skills development, and language acquisition. These courses are offered tuition-free and are supported by the State of California. Courses include English as a Second Language (ESL), Immigrant Education & Citizenship, College Success Skills, programs for Older Adults (Emeritus College), Health and Safety Education, and Career Technical Education programs. Some courses may require a materials fee to be paid at the time of registration to cover the cost of supplies and materials given to students during the class. This fee does not cover the cost of any required textbooks.

CAREER SKILLS

Certificate of Completion: Workplace Essentials

Earners of this certificate have demonstrated effective and professional business writing skills using appropriate business tone, organization, formatting, word choice and persuasion. They have learned the art of matching the delivery channel (email, letter, memo or text) to the message type and situations. Earners have gained a deeper understanding of time management tools, critical thinking techniques, and problem solving strategies.

Certificate Student Learning Outcome:

Students will be able to apply effective strategies in time and workload management, business writing, and analytical thinking techniques.

Program Requirements:

Units Required: 0

		Units
NC.CSKL-001	Time Management.....	0.0
NC.CSKL-002	Business Writing in the Technology Age	0.0
NC.CSKL-003	Critical Thinking, Problem Solving, and Decision Making	0.0

Certificate of Completion: Customer Relations

Earners of this certificate have developed a deep understanding of communication skills and how they relate to quality customer service. Additionally, earners understand different personality styles and how to adapt to each. They are able to provide strategic customer service recommendations based on their classroom experience as well as demonstrate collaborative problem solving.

Certificate Student Learning Outcome:

Students will be able to evaluate effective strategies in customer relations through creative problem solving, collaborative negotiation process tools, and effective communication for a variety of personality styles.

Program Requirements:

Units Required: 0

		Units
NC.CSKL-004	Customer Service	0.0
NC.CSKL-005	Negotiation	0.0
NC.CSKL-006	Personality Styles	0.0

Certificate of Completion: Management Tool Box

Earners of this certificate have demonstrated an understanding of delegation, communication, time management and motivation techniques and skills needed for a successful manager.

Certificate Student Learning Outcome:

Students will be able to distinguish effective management skills through techniques in communication, delegation, and motivational skills.

Program Requirements:

Units Required: 0

	Units
NC.CSKL-007 Successfully Managing and Developing People	0.0
NC.CSKL-008 Work Place Communication Strategies	0.0

Certificate of Completion: Career Strategist

The Career Strategist Certificate trains students to develop the skills needed to gain an accurate understanding of their strengths, interests, abilities and work values. Students also develop the skills to combine personal characteristics with career information to improve their skills at seeking, obtaining, maintaining and changing jobs. Each related course is designed and taught by a career counselor to improve the career development competencies required for strategic career decision making.

Certificate Student Learning Outcome:

Students will be able to apply an effective career strategy through implementation of personalized career planning techniques, assessment of occupational information, social media networking, and relationship marketing.

Program Requirements:

Units Required: 0

	Units
NC.CSKL-009 Personalized Career Planning.....	0.0
NC.CSKL-010 Strategic Job Search	0.0
NC.CSKL-011 LinkedIn for Business	0.0

NC.CSKL 001 TIME MANAGEMENT

8.00 hours

Explores time management strategies and tools for effectively managing expanding workloads, shifting priorities, and increasing demands. Practice prioritizing "Important" versus "Urgent" activities. Emphasis on analyzing current use of time, identifying organizational goals, roles and priorities, discovering gaps to achieving goals and apply time management tools to the gaps for completing important priorities first.

NC.CSKL 002 BUSINESS WRITING IN THE TECHNOLOGY AGE

8.00 hours

Develops effective and professional business writing skills for electronic and hard-copy communication using business tone, organization and formatting, word choice and persuasion.

NC.CSKL 003 CRITICAL THINKING (PROBLEM SOLVING AND DECISION MAKING)

8.00 hours

Develops analytical thinking, decision making and problem solving techniques. Apply judgment and insight to break problems into component parts and apply deductive reasoning.

NC.CSKL 004 CUSTOMER SERVICE

8.00 hours

Applies practical strategies to retain a valuable customer base, diffuse difficult situations and earn repeat business. Topics include the anatomy of a complaint, regulating verbal and nonverbal responses, active listening skills, creative problem solving, customer perceptions and expectations, adapting to different conflict styles, and steps to defuse angry customers.

NC.CSKL 005 NEGOTIATION

8.00 hours

Applies collaboration tools for building high-trust synergistic relationships. Analyze the conflict cycle and practice skills to diffuse conflict at each stage for mutual benefit. Assess one's strengths and utilize tools to facilitate and adapt to others styles. Skills include re-framing, neutralizing language, discovering of interests, and leveraging innovative solutions through a collaborative negotiation process.

NC.CSKL 006 PERSONALITY STYLES

8.00 hours

Exploration of participants' own behaviors and personality styles, while learning to adapt one's behavior to be effective with other personality styles in a variety of work situations. Emphasis is placed on dealing with difficult relationships and communicating in a way that matches the needs of all involved to achieve relationship satisfaction and organizational objectives.

NC.CSKL 007 SUCCESSFULLY MANAGING AND DEVELOPING PEOPLE

8.00 hours

Learn and apply the communication, delegation and motivational skills needed to be an effective manager or supervisor.

NC.CSKL 008 WORKPLACE COMMUNICATION STRATEGIES

8.00 hours

Assess and optimize current workplace communication skills. Differentiate content, emotions, perceptions and intentions in a communication exchange. Build an advanced communication toolkit to forward your career. Illustrate clear and congruent verbal and nonverbal messages tailored to the personalities involved, the desired outcomes, and the context.

COLLEGE SUCCESS SKILLS (BASIC SKILLS)

Certificate of Completion: General Education Development Preparation

This certificate prepares students to take the General Education Development exam.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in reading, writing, science, social studies, mathematics, and the test taking strategies required to meet the GED requirements.

Program Requirements:

Units Required: 0

		Units
NC.BCSK-050	Test Taking Skills	0.0
NC.BCSK-100	GED Preparation	0.0
<i>OR</i>		
NC.BCSK-110	GED Preparation – Math/Science	0.0
<i>AND</i>		
NC.BCSK-120	GED Preparation – Language Arts/ Social Studies.....	0.0

Certificate of Competency: Academic Skills

Students who receive this certificate have demonstrated mastery of skills in English and mathematics at the elementary and secondary levels.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in English and mathematics skills at the elementary and secondary levels.

Program Requirements:

Units Required: 0

		Units
NC.BCSK-080	Academic Skills I	0.0
NC.BCSK-085	Academic Skills II	0.0

Certificate of Competency: Basic Arithmetic Skills

Introduces students to basic arithmetic skills including fractions, mixed numbers, and percentages. Completion of this certificate will help in preparing students for pre-algebra curriculum.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in basic arithmetic including whole numbers, decimals, fractions, mixed numbers, integers and percentages.

Program Requirements:

Units Required: 0

		Units
NC.BCSK-MA3	Noncredit Arithmetic I	0.0
NC.BCSK-MA4	Noncredit Arithmetic II	0.0

NC.BCSK 050 TEST-TAKING SKILLS

18.00 hours

Explores skills necessary to become a successful test-taker including managing time, mitigating test anxiety, practicing academic integrity, and becoming familiar with various test types. This course may be offered open entry/open exit.

NC.BCSK 080 ACADEMIC SKILLS I

234.00 hours

Develops basic reading, writing, and math skills through individualized, computer-assisted instruction. This course may be offered open entry/open exit.

NC.BCSK 085 ACADEMIC SKILLS II

234.00 hours

Continues to develop reading, writing, and math skills through individualized, computer-assisted instruction. This course may be offered open entry-open exit.

NC.BCSK 100 GED PREPARATION

190.00 hours

Designed to prepare students to pass the four sections of the General Educational Development test: Reading, Writing I and II (essay), Science, Social Studies and Mathematics. Students require basic computer literacy to utilize GED tutorial software. This course may be offered open entry/open exit.

NC.BCSK 110 GED PREPARATION – MATH/SCIENCE

80.00 hours

Designed to prepare students to pass the Mathematical Reasoning and Science subtests of the GED exam. Students need computer literacy and basic numeracy skills. The two noncredit arithmetic classes, MA3 and MA4, are highly recommended prior, or in addition, to this class.

NC.BCSK 120 GED PREPARATION – LANGUAGE ARTS/SOCIAL STUDIES

80.00 hours

Designed to prepare students to pass the Reasoning Through Language Arts and Social Studies subtests of the GED exam. Students need computer literacy and basic English writing skills.

NC.BCSK MA3 NONCREDIT ARITHMETIC I

128.00 hours

The first of a two-course sequence in basic arithmetic including whole numbers, decimals, and integers. This course may be offered in an open entry/open exit format.

NC.BCSK MA4 NONCREDIT ARITHMETIC II

128.00 hours

The second course in a two-course sequence in basic arithmetic including fractions, mixed numbers, and percentages. This course may be offered in an open entry/open exit format.

NC.TUTR 094 SUPERVISED TUTORING

1.00 – 300.00 hours

Co-requisite: Enrollment as a COC student and referral of instructor/counselor

Provides individualized and group activities designed to support success in the classroom setting. Includes learning style assessment and follow-up, study skills workshops, group tutorials, activities and assignments for individualized tutoring support. This course may be offered open entry/open exit. Offered pass/no-pass only.

COMPUTER APPLICATIONS AND WEB TECHNOLOGIES

Certificate of Completion: Digital Office

Introduces students to basic digital office technologies utilized in today’s modern workplace, including computer processes, Internet technologies, social media, word processing, spreadsheets, and communications software, such as e-mail, presentation, and information dissemination applications.

Certificate Student Learning Outcome:

Students will be able to examine, describe, and demonstrate the effective use of business computer applications as they relate to the modern office workplace.

Program Requirements:

Units Required: 0

	Units
NC.CAWT-10A Computing and Internet Fundamentals.....	0.0
NC.CAWT-10B Word Processing Basics.....	0.0
NC.CAWT-10C Spreadsheet Basics.....	0.0
NC.CAWT-10D Digital Communications for the Office	0.0

NC.CAWT-10A COMPUTING AND INTERNET FUNDAMENTALS

21.00 hours

Introduces basic computer processes, operating systems, and Internet technologies, including file management and social media.

NC.CAWT-10B WORD PROCESSING BASICS

16.00 hours

Introduces basic word processing skills, such as creating, editing, and formatting documents.

NC.CAWT-10C SPREADSHEET BASICS

16.00 hours

Introduces basic spreadsheet functionality, such as creating, editing, formatting worksheets, and employing a variety of techniques for data analysis.

NC.CAWT-10D DIGITAL COMMUNICATIONS FOR THE OFFICE

24.00 hours

Introduces applications for communications required in the typical office setting, such as Outlook, Acrobat, and PowerPoint.

CONSTRUCTION TECHNOLOGY

Certificate of Completion: Introduction to Residential Building Trade Skills

Explores building trade skills utilized in the construction of a residential wood frame structure. Includes safe operation of construction tools and equipment, site planning, carpentry, roofing, plastering, plumbing, electrical, drywall, painting, and tile.

Certificate Student Learning Outcome:

Students will be able to evaluate trades and career pathways utilized in constructing a single story wood frame structure, and apply basic knowledge to safely use appropriate equipment and tools necessary to construct a single story wood framed structure.

Program Requirements:

Units Required: 0

	Units
NC.CONC-100A Introduction to Construction Technology (Structural).....	0.0
NC.CONC-100B Introduction to Construction Technology (Non-Structural)	0.0

NC.CONS-100A INTRODUCTION TO CONSTRUCTION TECHNOLOGY (STRUCTURAL)

63.00 hours

Explores the structural building trades utilized in the construction of a residential structure. Includes safe operation of construction tools and equipment.

NC.CONS-100B INTRODUCTION TO CONSTRUCTION TECHNOLOGY (NON-STRUCTURAL)

63.00 hours

Explores the non-structural building trades utilized in the construction of a residential structure. Includes electrical, plumbing, insulation/weatherization, drywall, painting, finish carpentry, and tile setting.

COUNSELING

NC.COUN 025 NONCREDIT TRANSITION COURSE

24.00 hours

Introduces the skills necessary to succeed in credit courses. Topics that will be covered are academic expectations, Financial aid options, CA Residency status, academic and career educational options, COC Resources and goal setting.

NC.COUN 030 DISTANCE LEARNING AND STRATEGIES FOR SUCCESS

18.00 hours

Introduces the practical strategies and skills necessary to succeed in distance education. Students will learn how to anticipate, avoid, and/or solve typical problems encountered in the distance learning environments.

EDUCATION

Certificate of Completion: CBEST Preparation

The California Basic Educational Skills Test (CBEST) certificate is designed to prepare students for the CBEST. The CBEST is the standardized exam that future TK -12 teachers must pass prior to being accepted into a Teacher Credential Program or hired as a teacher in California.

Certificate Student Learning Outcome:

Students will be able to identify and apply practical strategies and techniques for taking the English and Math section of the CBEST- California Basic Education Skills for Teachers.

Program Requirements:

Units Required: 0

Units:

NC.EDUC-001	Test Prep for CBEST English Basic Skills Test.....	0.0
NC.EDUC-002	Test Prep for CBEST Math Basic Skills Test.....	0.0

NC.EDUC 001 TEST PREP FOR CBEST ENGLISH BASIC SKILLS TEST

4.00 hours

Provides practical strategies and techniques to prepare students for responding to analytical essay prompts for the English section of the CBEST-California Basic Education Skills for Teachers. Utilizes practice test questions, develops a study plan, and offers successful test-taking methods.

NC.EDUC 002 TEST PREP FOR CBEST MATH BASIC SKILLS TEST

4.00 hours

Provides practical test-taking strategies and techniques to prepare students for the Math section of the CBEST-California Basic Education Skills for Teachers. Utilizes practice exams, develops a study plan, and offers successful test-taking methods.

ENGLISH

NC.ENGL 021 BASIC WRITING AND READING SKILLS

18.00 hours

Utilizes active reading strategies to develop critical reading skills. Develops critical writing skills by composing well-organized, unified, and coherent essays.

ENGLISH AS A SECOND LANGUAGE (ESL)

Certificate of Competency: ESL/Beginning Level

Students who receive this certificate have demonstrated mastery of the Model Standards for Adult Education Programs Beginning Low and Beginning High levels of English skills in reading, writing, speaking and listening.

Certificate Student Learning Outcome:

Students will be able to communicate in English through reading, writing, speaking, and listening at the Beginning High level.

Program Requirements:

Units Required: 0

		Units
NC.ESL-1A	Beginning Low A.....	0.0
NC.ESL-1B	Beginning Low B.....	0.0
NC.ESL-2A	Beginning High A.....	0.0
NC.ESL-2B	Beginning High B.....	0.0

Certificate of Competency: ESL/ Intermediate Level

Students who receive this certificate have demonstrated mastery of the Model Standards for Adult Education Programs Intermediate Low and Intermediate High levels of English skills in reading, writing, speaking and listening.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in English through reading, writing, speaking and listening in English at the Intermediate High level.

Program Requirements:

Units Required: 0

		Units
NC.ESL-3A	Intermediate Low A.....	0.0
NC.ESL-3B	Intermediate Low B.....	0.0
NC.ESL-4A	Intermediate High A.....	0.0
NC.ESL-4B	Intermediate High B.....	0.0

NC.ESL 1A BEGINNING LOW A

60.00 – 80.00 hours

Develops basic English skills at the Beginning Low level through listening, speaking, reading and writing, grammar, pronunciation, vocabulary and everyday life situations. Offered pass/no-pass only.

NC.ESL 1B BEGINNING LOW B

60.00 – 80.00 hours

Prerequisite: NC.ESL-1A or Placement Test

Continues and expands the development of basic English skills at the Beginning Low level through listening, speaking, reading and writing, grammar, pronunciation, vocabulary, and every-day life situations.

NC.ESL 2A BEGINNING HIGH A

60.00 – 80.00 hours

Prerequisite: NC.ESL-1B or Placement Test

Develops English skills at the Beginning High level through listening, speaking, reading and writing, grammar, pronunciation, vocabulary and everyday life situations. Offered pass/no-pass only.

NC.ESL 2B BEGINNING HIGH B

60.00 – 80.00 hours

Prerequisite: NC.ESL-2A or Placement Test

Continues and expands the development of English skills at the Beginning High level through listening, speaking, reading and writing, including grammar, pronunciation, vocabulary and everyday life situations. Offered pass/no-pass only.

NC.ESL 3A INTERMEDIATE LOW A

60.00 – 80.00 hours

Prerequisite: NC.ESL-2B or Placement Test

Develops English skills at the Intermediate Low level through listening, speaking, reading and writing grammar, pronunciation, vocabulary and everyday life situations. Offered pass/no-pass only.

NC.ESL 3B INTERMEDIATE LOW B

60.00 – 80.00 hours

Prerequisite: NC.ESL-3A or Placement Test

Continues and expands English skills at the Intermediate Low level through listening, speaking, reading and writing including grammar, pronunciation, vocabulary and everyday life situations. Offered pass/no-pass only.

NC.ESL 4A INTERMEDIATE HIGH A

60.00 – 80.00 hours

Prerequisite: NC.ESL-3B or Placement Test

Develops English skills at the Intermediate High level through listening, speaking, reading and writing, including grammar, pronunciation, vocabulary and everyday life situations. Offered pass/no-pass only.

NC.ESL 4B INTERMEDIATE HIGH B

60.00 – 80.00 hours

Prerequisite: NC.ESL-4A or Placement Test

Continues and expands English skills at the Intermediate High level through listening, speaking, reading and writing, including grammar, pronunciation, vocabulary, and common situations.

NC.VESL 01 COMMUNICATION FOR EMPLOYMENT

64.00 hours

Recommended Preparation: NC.ESL-2B

Introduces non-native speakers to basic written and verbal communication skills, as well as cultural knowledge necessary for employment in the United States. Focuses on traditional and web-based employment opportunity resources, completing job applications, writing simple resumes, and answering questions at job interviews. This course may be offered open entry/open exit. Offered pass/no-pass only.

GENERAL STUDIES

NC.GNST 050 ORIENTATION AND ASSESSMENT - LEARNING DISABILITIES

1.00 – 300.00 hours

Recommended Preparation: Students wanting to enroll in NC.GNST-050 must meet with the Director of DSPS or designee to determine if assessment is appropriate.

Introduces the student to the learning disabilities assessment process and the resources available, including the California Community College eligibility model, achievement and cognitive testing, learning difficulties, support services, study strategies and accommodations. Offered pass/no-pass only.

NC.GNST 081 COGNITIVE BASIC SKILLS - COMPUTER INSTRUCTION

1.00 – 300.00 hours

Strengthens and retrains cognitive skills in areas of critical thinking, reasoning, communication, memory improvement, visual perception and language skills by use of computer assisted instruction and adaptive technology. Designed specifically for students with a verifiable acquired brain injury. Offered pass/no-pass only.

NC.GNST 082 INDIVIDUAL COMPUTER APPLICATIONS

1.00 – 300.00 hours

Designed to be a computer-assisted support for students with disabilities enrolled in coursework other than English and math. Students are able to utilize computer programs, assistive technology, and the Internet, in order to complete course assignments. Topics are taken from the student's regular course load, or from subject matter appropriate to the student's current or future employment. It is tutorial in nature and focuses on the utilization of computers, assistive technology devices, the Internet, a scanner and selected software programs. Offered pass/no-pass only.

NC.GNST 091 INDIVIDUAL STUDIES AND LANGUAGE SKILLS

1.00 – 300.00 hours

Designed for DSPS students as a support in mainstream English and language-related courses other than mathematics. It is tutorial in nature and focuses on the utilization of computers, assistive technology devices, the Internet, a scanner and selected software programs. Computer applications are taken from topics based on the student's coursework to provide additional computer support or enhance basic skills. Offered pass/no-pass only.

NC.GNST 092 INDIVIDUALIZED LEARNING ASSISTANCE - MATHEMATICS

1.00 – 300.00 hours

Designed for DSPS students who are enrolled in mainstream college math classes and whose disability result in educational limitations in math. The course offers small group tutoring for students. Students must be concurrently enrolled in either Math 058 Algebra Preparation I, Math 059 Algebra Preparation-Computer Assisted, Math 060 Elementary Algebra, or Math 070 Intermediate Algebra. Students will learn strategies to enhance math concepts and computation skills. Offered pass/no-pass only.

IMMIGRANT EDUCATION

NC.CITZ 01 CITIZENSHIP FOR NATURALIZATION

36.00 – 54.00 hours

Introduces the history and government of the United States, including an overview of the branches of government, the Constitution, and the Bill of Rights necessary to pass the U.S. Citizenship Examination. This course may be offered open entry/open exit. Offered pass/no-pass only.

NURSING

NC.NURS 080 NURSING LEARNING CENTER

1.00 – 300.00 hours

Provides individualized and group activities for the practice of nursing in a controlled setting to promote proficiency in delivering nursing care in the clinical setting. Expands upon the theoretical concepts taught in nursing course

PERSONAL TRAINER

Certificate of Completion: Personal Trainer Preparation

The Personal Trainer Preparation Certificate of Completion is designed to prepare students for the Certified Personal Trainer exam through the National Strength and Conditioning Association (NSCA). Students will learn the basics for instructing and coaching individuals in an exercise setting, as well as the CPR and First Aid skills needed when working as a personal trainer.

Certificate Student Learning Outcome:

Students will be able to utilize knowledge of anatomical, physiological, and nutritional components and coaching principles to formulate a safe personal training workout for people of all ages and prepare for the National Strength and Conditioning Association Personal Training Exam.

Program Requirements:

Units Required: 0

	Units:
NC.HLTH-001 Adult and Pediatric CPR, First Aid, and AED	0.0
NC.HLTH-002 Personal Trainer Certificate Preparation	0.0
NC.HLTH-003 Principles of Coaching.....	0.0

NC.HLTH 001 ADULT AND PEDIATRIC CPR, FIRST AID, AND AED

16.00 hours

Presents the skills needed to recognize and respond to a variety of first aid, breathing, and cardiac emergencies involving adults, children, and infants. Upon successful completion of this course, students to receive a digital American Red Cross certificate for Adult and Pediatric CPR, First Aid, and AED (valid for two years) for an additional fee. Obtaining the American Red Cross certificate for Adult and Pediatric CPR, First Aid, and AED meets OSHA/workplace requirements.

NC.HLTH 002 PERSONAL TRAINER CERTIFICATION PREPARATION

36.00 hours

Prepares students to take the CPT, Certified Personal Trainer exam through the National Strength and Conditioning Association (NSCA). Covers methods of client assessment, measurement, and evaluation. Highlights include resistance training program design, nutrition, body composition, and cardio-respiratory fitness. Instruction in proper weight training exercise fundamentals and spotting techniques.

NC.HLTH 003 PRINCIPLES OF COACHING

12.00 hours

Examines the practice of coaching individuals and teams including personal coaching philosophy, skill development, team management, injury prevention, and the development of a personal coaching philosophy.

OLDER ADULT**NC.OAD 001 ISSUES IN HEALTHY AGING FOR OLDER ADULTS**

15.00 hours

Examine issues of aging and the related concerns of the older adult, emphasizing the age-specific challenges associated with health, law, finances, as well as personal and social relationships. Includes information on caregiving and assisting self and others with ongoing health conditions.

NC.OAD 008 CREATIVE EXPRESSION THROUGH ACTING FOR OLDER ADULTS

36.00 hours

Develops skills in creative expression for older adults through acting and storytelling. Acting and storytelling topics explored may include solo performance, improvisation, scene work and/or musical theatre. End of class public performance may be offered.

NC.OAD 009 AUTOBIOGRAPHICAL STORYTELLING THROUGH THE ONE PERSON SHOW FOR OLDER ADULTS

36.00 hours

Develops storytelling skills through writing and performing/reading an original solo piece. Utilize reminiscing, spontaneous writing, improvisation, and instructor/group feedback to improve writing and performance skills. End of class performances or readings may be offered.

NC.OAD 010 AQUATIC FITNESS FOR OLDER ADULTS

72.00 hours

Examines the theory and practice of aquatic fitness for older adults. The physical and mental wellbeing of older adults is improved through aerobic conditioning, strength training, and stretch activities in a water environment. Swim skills are not required.

NC.OAD 020 CURRENT EVENTS AND ISSUES IMPACTING OLDER ADULTS

54.00 hours

Analyze and discuss current events and issues impacting older adults with an emphasis on improving communication and critical thinking skills.

NC.OAD 080 PHOTOGRAPHY FOR OLDER ADULTS

16.00 hours

Explores the technical skills used in photography emphasizing the compositional guidelines that create an image. Includes downloading, organizing, sharing and emailing images. It is recommended that students have access to a camera: including DSLR, smartphone, or point and shoot camera. Field trips may be required.

NC.OAD 081 PHOTOGRAPHIC PRESENTATIONS FOR OLDER ADULTS

16.00 hours

Explores techniques to create digital visual/audio presentations and slide shows. Field trips may be required.

NC.OAD 082 PHOTOGRAPHING NATURE FOR OLDER ADULTS

8.00 hours

Introduces technical skills for photographing nature, including image composition techniques and file management. It is recommended that students have access to DLSR, smartphone, or point and shoot camera. Field trips may be required

NC.OAD 083 PHOTOGRAPHING PEOPLE FOR OLDER ADULTS

8.00 hours

Introduces technical skills for photographing people, including image composition techniques and file management. It is recommended that students have access to DLSR, smartphone, or point and shoot camera. Field trips may be required.

NC.OAD 100 HEALTH AND FITNESS FOR OLDER ADULTS

24.00 hours

Examines the theory and practice of health and skill related physical fitness activities for older adults with an emphasis on maintaining independence in daily activities. Improves physical and mental wellbeing through life-sustaining exercise strategies and discussions on disease and injury prevention.

PHOTOGRAPHY

Certificate of Completion: Adobe Photoshop Association Certification Exam Preparation

Designed to prepare a student for Adobe Certified Associate exam a credential certifying the individual has the entry-level skills to plan, design, build and maintain effective communications using Adobe Photoshop.

Certificate Student Learning Outcome:

Students will be able to identify and select appropriate techniques for the success for preparation for the Adobe Photoshop Associates Certification Exam

Program Requirements:

Units Required: 0

	Units
NC.PHOT-021A Adobe Photoshop Certification Training I.....	0.0
NC.PHOT-021B Adobe Photoshop Certification Training II.....	0.0
NC.PHOT-021C Adobe Photoshop Certification Training III.....	0.0

NC.PHOT 021A ADOBE PHOTOSHOP CERTIFICATION TRAINING I

8.00 hours

Provides students basic preparation for the Adobe Certified Associate exam for Visual Design Using Adobe Photoshop CC. Part 1 of 3. Introduces the fundamental concepts, terminology, navigation and retouching of digital imaging using industry software as Adobe Photoshop.

NC.PHOT 021B ADOBE PHOTOSHOP CERTIFICATION TRAINING II

8.00 hours

Recommended Preparation: NC.PHOT-021A

Continued preparation for the Adobe Certified Associate exam for Visual Design Using Adobe Photoshop CC. Part 2 of 3. Introduces basic compositing techniques using industry software Adobe Photoshop.

NC.PHOT 021C ADOBE PHOTOSHOP CERTIFICATION TRAINING III

8.00 hours

Prerequisite: NC.PHOT-021B

Provides preparation for the Adobe Certified Associate exam for Visual Design Using Adobe Photoshop CC Part 3 of 3. Introduces basic project management, output and publishing using Photoshop.

PUBLIC SAFETY

NC.FIRT 001 FALL FIRE FIGHTER IN-SERVICE TRAINING

1.00 – 242.00 hours

Provides updated information and skills in the areas of fire apparatus, specialized emergency operations, current department policy and procedures, and fire suppression and investigation.

NC.FIRT 003 SPRING FIRE FIGHTER IN-SERVICE TRAINING

1.00 – 242.00 hours

Provides updated information and skills in the areas of fire apparatus, specialized emergency operations, current department policy and procedures, and fire suppression and investigation.

NC.FIRT 004 SUMMER FIRE FIGHTER IN-SERVICE TRAINING

1.00 – 242.00 hours

Provides updated information and skills in the areas of fire apparatus, specialized emergency operations, current department policy and procedures, and fire suppression and investigation.

NC.FIRT 005 AERIAL APPARATUS OPERATIONS

40.00 hours

Covers preventive maintenance and operations of an aerial apparatus, and deployment and operation of an elevated master stream.

NC.FIRT 006 FIRE APPARATUS DRIVER/ OPERATOR – TILLERED APPARATUS

40.00 hours

Covers operation of a fire department aerial apparatus equipped with a tiller, including positioning and stabilizing the apparatus. Instruction includes practical driving exercises.

NC.FIRT 007 FIRE APPARATUS DRIVER/OPERATOR – WILDLAND FIRE APPARATUS OPERATIONS

23.00 hours

Covers preventive maintenance and operation of a wildland fire apparatus and production of an effective fire stream.

NC.FIRT 008 FIRE APPARATUS DRIVER/OPERATOR - WATER TENDER OPERATIONS

16.25 hours

Covers water tender preventive maintenance and operations, including routine tests, inspections, and servicing functions unique to a water tender; maneuvering and positioning a water tender at a water shuttle fill site; and establishing, maneuvering, and positioning at a water shuttle dumpsite.

NC.FIRT 009A FIRE INVESTIGATION 1A – BASIC FIRE INVESTIGATION

39.50 hours

Provides information on securing the fire scene and determining the origin and cause of the fire. Topics include responsibilities of a fire investigator, securing the fire ground, conducting an exterior and interior survey, analyzing fire patterns, interpreting individual fire patterns, discriminating the effects of explosions, examining and removing fire debris, reconstructing the area of origin, inspecting the performance of building systems.

NC.FIRT 009B FIRE INVESTIGATION 1B – EVIDENCE AND DOCUMENTATION

33.50 hours

Provides information on scene documentation and evidence collection/preservation. Topics include photographing the scene, diagramming the scene, constructing investigative notes, processing evidence and establishing chain of custody, processing victims and fatalities, selecting evidence for analysis, maintaining a chain of custody, preparing a fire investigation report, and disposing of evidence.

NC.FIRT 009C FIRE INVESTIGATION 1C – PREPARATION FOR LEGAL PROCEEDINGS

40.00 hours

Provides information on legal considerations for a court proceeding. Topics include coordinating expert resources, formulating an opinion, presenting investigative findings, and testifying during legal proceedings.

NC.FIRT 010 FIRE APPARATUS DRIVER/ OPERATOR GENERAL

40.00 hours

Presents techniques and practice in driving emergency vehicles, basic maintenance and pre-trip inspections. This course applies to the requirements for Driver/ Operator as established by the California State Board of Fire Services.

NC.FIRT 011 FIRE APPARATUS DRIVER/ OPERATOR PUMP

40.00 hours

Prerequisite: NC.FIRT-010

Presents updated content reflecting the 2009 NFPA 1002 Standard for Fire Apparatus Driver/Operator Professional Qualifications. Focusing on methods for performing basic hydraulics and techniques on basic inspections, documentation, maintenance, and troubleshooting fire pumps.

**NC.FIRT 012 FIRE APPARATUS DRIVER/
OPERATOR TILLER TRUCK**

40.00 hours

Prerequisite: NC.FIRT-011

Covers truck operations and driver responsibilities, recognized standards, and related laws for fire apparatus.

NC.FIRT 016 INSTRUCTOR 1

40.00 hours

This is the first of a three-course series. Topics include methods and techniques for training, selecting, adapting, organizing, and using instructional materials appropriate for teaching cognitive lessons; criteria and methods to evaluate teaching and learning efficiency.

NC.FIRT 017 INSTRUCTOR 2

40.00 hours

Prerequisite: NC.FIRT-016

The second course in the Instructor series. Topics include methods and techniques for training in accordance with the latest concepts in career education; selecting, adapting, organizing, and using instructional materials appropriate for teaching psychomotor lessons; criteria methods to evaluate teaching and learning efficiently.

NC.FIRT 018 INSTRUCTOR 3

40.00 hours

Prerequisite: NC.FIRT-017

This is the third of a three-course series. Topics include a variety of methods and techniques for developing lesson plans and tests in accordance with the latest concepts in career education.

**NC.FIRT 019 ETHICAL LEADERSHIP IN THE
CLASSROOM**

8.00 hours

Provides concepts and theories of the ethical decision making process. Helps recognition of the signs of ethical dilemma, identifies advantages and disadvantages of ethical behavior and reviews examples of classroom situations in which instructors used their leadership role to either encourage or discourage ethical behavior. Presents State Fire Training's Instructor Code of Ethics/Conduct.

**NC.FIRT 020 I-200 INCIDENT COMMAND
SYSTEM**

12.00 hours

Introduces students to the principles of the Incident Command System (ICS) associated with incident-related performance. Topics include leadership and management, delegation of authority and management by objectives, functional areas and positions, briefings, organizational flexibility, transitions, and transfers.

**NC.FIRT 021 I-300 INTERMEDIATE
INCIDENT COMMAND SYSTEM (ICS)**

24.00 hours

Expands knowledge of ICS organization and operation with regard to supervisory roles on expanding or type 3 incidents. Includes ICS fundamentals review, incident/event assessment and agency guidance in establishing incident objectives, incident resource management, planning process, demobilization, transfer of command, and close out.

NC.FIRT 022 I-400 ADVANCED ICS

16.00 hours

Present the theories and techniques needed to manage large single-agency and complex multi-agency/multi-jurisdictional responses. Topics include fundamentals for command and general staff, major and/or complex incident/event management, area command and multi-agency coordination.

**NC.FIRT 023 GPS LAND NAVIGATION
TECHNICIAN**

24.00 hours

Introduces land navigation techniques using a map and compass as well as navigation using a GPS unit. The lecture based class will conclude with a field exercise where students will demonstrate knowledge and skills learned.

**NC.FIRT 024 L-280 FOLLOWERSHIP TO
LEADERSHIP**

16.00 hours

Introduces fundamental leadership concepts of the wildland fire service, focusing on the framework, values and principles that guide wildland fire leaders in providing leadership across a broad range of missions.

**NC.FIRT 025 INCIDENT MANAGEMENT OF
MAJOR FIRES**

40.00 hours

Prerequisite: NC.FIRT-021

Provides knowledge, skills, and abilities for those who are responsible for command and control of dynamic and complex fireground emergencies.

**NC.FIRT 026 S-290 INTERMEDIATE
WILDLAND FIRE BEHAVIOR**

32.00 hours

Second course in a series designed to prepare the prospective fireline supervisor to undertake safe and effective fire management operations and predict fire behavior.

NC.FIRT 027 S-390 INTRODUCTION TO WILDLAND FIRE BEHAVIOR CALCULATIONS

18.00 – 32.00 hours

Develops knowledge and skills required for effective fire behavior predictions.

NC.FIRT 028 INCIDENT MANAGEMENT OF THE FIREFIGHTER EMERGENCY

28.00 hours

Prerequisite: NC.FIRT-020 and NC.FIRT-123

Introduces incident management terminology and methodology employed during a fire fighter emergency. Classroom simulations based upon case studies allow students to participate in simulated incident command positions during a fire fighter emergency.

NC.FIRT 029 S-200 INITIAL ATTACK INCIDENT COMMANDER

16.00 hours

Prepares the student to function as an initial attack incident commander at the ITCT4 level in the incident commander system. Meets national wildlife coordinating group curriculum criteria. Prepares students for employment with wildland fire management agencies and municipal fire departments.

NC.FIRT 031 S-215 FIRE OPERATIONS IN THE URBAN INTERFACE

24.00 hours

Designed to assist fire fighters in making tactical decisions when confronting wildland fires that threaten wildland/urban interface.

NC.FIRT 032 S-223 FIRELINE EMT

16.00 hours

Prerequisite: NC.FIRT-021 and NC.FIRT-023

Designed to meet the training needs of an incident FEMT as outlined in the Field Operations Guide, ICS 420-1, Firescope California.

NC.FIRT 033 S-230 CREW BOSS/S-231 ENGINE BOSS

32.00 hours

Prerequisite: NC.FIRT-026

Presents information and skills associated with the Crew/Engine Boss position. Presents training from initial dispatch through demobilization to the home unit. Topics include engine and crew capabilities, information sources, fire size-up considerations, tactics, and post incident responsibilities.

NC.FIRT 035 S-219 IGNITION OPERATIONS

32.00 hours

Provides training in the functional roles and responsibilities connected with firing operations. Topics include: planning, ignition procedures and techniques, and equipment applicable to wildland and prescribed fire. Addresses the role of the ignition specialist or firing boss as the organization manages escalation from a non-complex to a complex situation.

NC.FIRT 036 S-244 FIELD OBSERVER/S-245 DISPLAY PROCESSOR

40.00 hours

Designed to meet the training needs of a potential Field Observer (FOBS) and Display Processor. Describes navigation, mapping, and observation techniques as outlined in the Wildland Fire Qualification System Guide.

NC.FIRT 037 WILDLAND FIRE DRILLS – SPRING/GRASS

6.00 – 12.00 hours

Provides training that will reinforce communication and tactical practices between commanding officers and tactical forces utilizing live-fire and mentors in a controlled Wildland environment.

NC.FIRT 038 L-965 RESOURCE/DMOB UNIT LEADER

32.00 hours

Prerequisite: NC.FIRT-020

Introduces tools and techniques used to perform the duties of resource unit leader (RESL), and demobilization unit leader (DMOB).

NC.FIRT 039 STATUS CHECK-IN RECORDER

16.00 hours

Prerequisite: NC.FIRT-020

Introduces tools and techniques used to perform the duties of a status check-in recorder (SCKN). Provides an overview of what a student can expect if dispatched to an incident.

NC.FIRT 041 S-270 BASIC AIR OPERATIONS

16.00 hours

Introduces principles of aviation management and safety, including agency aircraft, tactical and logistical uses of aircraft, and requirements for take-off and landing areas.

NC.FIRT 042 S-271 HELICOPTER CREW MEMBER

32.00 hours

Provides training in all areas of the tactical and logistical use of helicopters by the fire service. Introduces air crew members to operations and provides a foundation in safe procedures.

NC.FIRT 044 S-330 STRIKE TEAM/TASK FORCE LEADER

32.00 hours

Provides tactics and strategy as it relates to the management of a strike team or task force and meets the S-330 training requirements of the California Incident Command Certification System (CICCS) for the position of Strike Team/Task Force Leader-All Risk.

NC.FIRT 046 L-964 SITUATION UNIT LEADER

18.00 – 80.00 hours

Designed to meet the training needs of a Situation Unit Leader (SITL) as outlined in the Wildland Fire Qualification System Guide (PMS 310-1).

NC.FIRT 047A FIRE INSPECTOR 1A – DUTIES AND ADMINISTRATION

24.00 hours

Provides students with a basic knowledge of the roles and responsibilities of a Fire Inspector I including legal responsibilities and authority, codes and standards, the inspection process, confidentiality and privacy requirements, ethical conduct, permit or plan review, investigating common complaints, and participating in legal proceedings.

NC.FIRT 047B FIRE INSPECTOR 1B – FIRE AND LIFE SAFETY

24.00 hours

Provides students with a basic knowledge of fire and life safety aspects related to the roles and responsibilities of a Fire Inspector I including building construction, occupancy classifications, occupancy load, means of egress, hazardous conditions, fire growth potential, fire flow, and emergency planning and preparedness measures.

NC.FIRT 047C FIRE INSPECTOR 1C – FIELD INSPECTION

24.00 hours

Provides students with a basic knowledge of field inspection roles and responsibilities of a Fire Inspector I including basic plan review, emergency access for an existing system, hazardous materials, and the operational readiness of fixed fire suppression systems, existing fire detection and alarm systems, and portable fire extinguishers.

NC.FIRT 047D FIRE INSPECTOR 1D – FIELD INSPECTION CALIFORNIA SPECIFIC

16.00 hours

Provides students with a basic knowledge of field inspection roles and responsibilities specific to California of a Fire Inspector I including basic plan review, emergency access for an existing system, hazardous materials, and the operational readiness of fixed fire suppression systems, existing fire detection and alarm systems, and portable fire extinguishers.

NC.FIRT 048A FIRE INSPECTOR 2A – FIRE PREVENTION ADMINISTRATION

16.00 hours

Prerequisite: NC.FIRT-047A, 047B, 047C, 047D

Provides students with a basic knowledge of the administrative requirements related to the roles and responsibilities of a Fire Inspector II including processing permit and plan review applications, enforcing permit regulations, investigating complex complaints, recommending modifications to codes and standards, recommending policies and procedures for inspection services, generating written appeals correspondence, initiating legal action, evaluating inspection reports, and proposing technical reference material acquisition.

NC.FIRT 048B FIRE INSPECTOR 2B – FIRE AND LIFE SAFETY REQUIREMENTS

24.00 hours

Prerequisite: NC.FIRT-048A

Provides students with a basic knowledge of fire and life safety requirements related to the roles and responsibilities of a Fire Inspector II including occupancy classification, egress elements, emergency plans and procedures, occupant loads, building construction and fire growth potential.

NC.FIRT 048C FIRE INSPECTOR 2C – INSPECTING NEW AND EXISTING FIRE AND LIFE SAFETY SYSTEMS AND EQUIPMENTS

16.00 hours

Prerequisite: NC.FIRT-048A

Provides students with a basic knowledge of inspection requirements related to the roles and responsibilities of a Fire Inspector II including inspection of life safety systems and building services equipment, fire protection systems, and emergency access criteria.

NC.FIRT 048D FIRE INSPECTOR 2D – HAZARDOUS MATERIALS, OPERATIONS, AND PROCESSES

32.00 hours

Prerequisite: NC.FIRT-048A

Provides students with a basic knowledge of hazardous materials, operations, and processes related to the roles and responsibilities of a Fire Inspector II including hazardous conditions, flammable and combustible liquids and gases, and hazardous materials

NC.FIRT 056 L-954 ALL HAZARD SAFETY OFFICER

24.00 hours

Designed to meet the training needs of the Safety Officer position in the incident command system. Topics include safety officer effectiveness, analysis techniques, safety messages, briefings and reports, and high hazard operations.

NC.FIRT 061 J-342 DOCUMENTATION UNIT LEADER

8.00 hours

Introduces procedures for mobilization and demobilization on an incident, duplication of the IAP and requirements for maintaining incident records.

NC.FIRT 063 J-158 RADIO OPERATOR/J-257 INCIDENT COMMAND CENTER MANAGER

16.00 hours

Provides instruction and necessary skills associated with the Radio Operator/Incident Command Center Manager. Topics include mobilization, transfer of information, communications equipment, and demobilization.

NC.FIRT 064 S-300 EXTENDED ATTACK

16.00 hours

Provides training to meet needs of the incident commander type 3 (ICT3). Focus is on leadership and command as they relate to the ICT3 position.

NC.FIRT 065 CONFINED SPACE RESCUE TECHNICIAN CONTINUING EDUCATION

8.00 hours

Designed for the continuing education of a Confined Space Rescue Technician. Prepares student for confined space emergency response.

NC.FIRT 066 TRENCH RESCUE TECHNICIAN

24.00 hours

Provides fire service personnel with hands-on application of the techniques necessary to safely affect a rescue from an excavation or trenching cave-in. Topics include: critical considerations while responding to trenching emergencies, evaluation of cave-in scenes, basic life support procedures and temporary protection for victims, specialized tool usage, shoring techniques, and below grade rescue safety procedures.

NC.FIRT 067 S-341 GIS SPECIALIST FOR INCIDENT MANAGEMENT

24.00 hours

Provides training to meet the needs of a Geographic Information Systems Specialist to manage the information needs of all-hazard incidents.

NC.FIRT 068 FIRE BEHAVIOR – STRUCTURE FIRE ATTACK

8.00 hours

Presents hazards and situational tactics of structure firefighting. Focuses on strategies, key skills and hazardous conditions encountered on a structure fire.

NC.FIRT 069 DRIVER ENRICHMENT TRAINING

8.00 hours

Prepares students to operate an emergency motor vehicle in order to effectively save and protect lives, property, and the environment.

NC.FIRT 070 RESCUE SYSTEMS I

40.00 hours

Provides training in basic search and rescue skills under the California Urban Search and Rescue Operational levels.

NC.FIRT 071 RESCUE SYSTEMS 2

40.00 hours

Provides advanced heavy rescue system techniques. Key topics include structural building types, wood and mechanical shores, crib capacities, floor weight calculations, building search, confined space considerations, damaged structure hazard assessment, use of small power and hand tools, air bags, and USAR ICS.

NC.FIRT 072 RESCUE SYSTEMS 3

24.00 hours

Provides advanced training in structural collapse rescue systems. Topics include safety techniques, rescue system equipment, and structural trends

NC.FIRT 073 CONFINED SPACE RESCUE

8.00 - 40.00 hours

Provides intensive hands-on training to prepare firefighters to respond to confined space emergencies. Topics include identifying confined spaces, permit-required confined spaces, hazards associated with permit required confined space, target industries and hazards, state and federal regulations, components of a rescue operation, and the roles and responsibilities of the rescue team.

NC.FIRT 074 RIVER AND FLOOD RESCUE 1

24.00 hours

Provides training of fire service personnel in water rescue techniques. Topics include swift water rescue, submerged vehicles, drowning, use of engine/truck company equipment for water rescue, use of rafts and boats, and underwater search and recovery.

NC.FIRT 075 LOW ANGLE ROPE RESCUE

24.00 hours

Provides instruction in the techniques and methods for using rope, webbing, hardware friction devices, and litters in low angle rescue situations.

NC.FIRT 077 ROPE RESCUE TECHNICIAN

40.00 hours

Provides the requirements for in-service certification of firefighters in high angle rescue situations.

NC.FIRT 078 RIVER FLOOD CE

8.00 hours

Provides additional training in river flood rescues. Consists of various selected sections of River Flood 1 and 2. Topics include recognition and avoidance of common river hazards, execution of self-rescue techniques, and advanced rescue methods.

NC.FIRT 079 RIVER AND FLOOD RESCUE 2

21.00 hours

Focuses on recognition and avoidance of common river hazards, execution of self rescue techniques, advanced rescue methods used in team dynamics, victim rescues and scenarios based on real life rescues.

NC.FIRT 080 IN-SERVICE EMS

8.00 – 24.00 hours

Provides training in emergency medical skills for public safety personnel. Covers continuing education training in the areas of first aid, CPR, first responder, EMT IA EMT, NA/FS, EMT II, paramedic, paramedic in-service training, and automatic defib equipment procedures and operations.

NC.FIRT 081 HEAVY RESCUE TECHNICIAN

40.00 hours

Provides skills needed by a heavy rescue technician. Focuses on heavy rescue techniques, advanced rescue methods used in team dynamics, and scenarios based on real life rescues.

**NC.FIRT 082 AR-339/S-339 DIVISION/
GROUP SUPERVISOR**

32.00 hours

Prepares students to perform in the role of Division/ Group Supervisor and provides instruction in support of the specific tasks of the Division on wildfire incidents. Topics include division/group management, organizational interaction, division level and all-hazard operations.

NC.FIRT 083 SWIFTWATER HELO

20.00 – 26.00 hours

Prerequisite: NC.FIRT-079

Designed to assist in the Awareness Level training of Swiftwater Helicopter Rescue Air Crew Members (ACM). Promotes standardization of Search and Rescue (SAR) procedures. Content includes a mixture of military and civilian practices, procedures and techniques.

**NC.FIRT 084 IAFF FIRE GROUND
SURVIVAL**

32.00 hours

Provides the step-by-step tools to use in a MAYDAY situation or leading to the rescue, including the use of mnemonics, case studies, and life saving techniques needed to facilitate a successful MAYDAY rescue.

**NC.FIRT 085 ALL-HAZARDS COMMAND
TRAINING FOR INCIDENT MANAGEMENT
TEAM**

8.00-96.00 hours

Prepares Incident Management Team (mostly Chief Officers) in commanding a dynamic all-hazard situation including wildland fires. Focuses on the Incident Command System (ICS), key skills, and ICS forms required to create, run, and transfer command of a largescale incident.

**NC.FIRT 086 PERSONAL WATERCRAFT/
INFLATABLE RESCUE BOAT**

40.00 hours

Prerequisite: NC.FIRT-079

Focuses on proper watercraft maintenance, safety, and rescue. Provides operation techniques on rigid-hulled and inflatable small vessels in river and moving water conditions.

NC.FIRT 087 FIRE MANAGEMENT I

40.00 hours

Presents the skills and responsibilities required of first level supervisors. Designed to prepare the student to transition from fire fighter to fire officer.

NC.FIRT 088 FIRE PREVENTION I

32.00 hours

Provides a basic knowledge of the Company Officer Certification track and capstone task book process. Reviews skills related to the company officer's role in the fire prevention, the relationship between line safety and building construction, the elements of a quality company inspection program, and how to address complex hazards encountered during an inspection.

NC.FIRT 089 FIRE CAPTAIN ACADEMY

80.00 hours

Prerequisite: NC.FIRT-033

Prepares students to operate as a company leader and meet the challenges in managing, supervising, and training professional firefighters at the Fire Captain level. Encompass classroom training, in-field drills, and online pre-course work covering topics including Emergency Medical Services, Structure Fire Operations, Wildland Fire Operations, and Management/Supervision/Leadership concepts.

**NC.FIRT 090 COUNTY OF LOS ANGELES
FIRE DEPARTMENT EXPLORER ACADEMY**

96.00 – 236.00 hours

Introduces various manipulative skills associated with fire department activities such as, but not limited to; hydrant operation, hose evolutions, ladder evolutions, breathing apparatus evolutions, and tying of department approved knots. Additionally, Explorers will learn about basic fire behavior, fire chemistry and physics, classes of fires, and extinguishing techniques.

NC.FIRT 091 HAZMAT – FIRST RESPONDER OPERATIONAL REFRESHER

8.00 hours

This is a 3 module FRO refresher course. Students will participate in three distinct scenarios designed to engage the various knowledge and skills required of the First Responder Operational. During these scenarios, the student will develop and implement the strategy, tactics, and tasks necessary to respond to an over-turned tanker. (306/406) Experiencing a hazardous materials leak, they will formulate and implement the strategies, tactics, and tasks necessary to rescue simulated injured workers inside a warehouse. Students will develop and implement the strategy, tactics, and tasks necessary to perform required emergency operations in a simulated hazardous situation.

NC.FIRT 092 COMMUNICATIONS SPECIALIST

48.00 hours

Trains personnel as Task Force Communications Specialists for DHS/FEMA's 28 US&R Task Force. Examines the Communications Specialist's responsibilities.

NC.FIRT 110 HAZARDOUS MATERIALS – TECHNICIAN I

160.00 hours

Provides the instruction necessary to perform the duties as a Hazardous Materials Technician as referenced in Sub-section 5192, (q)(6) of Title 8 CCR and 29 CFR 1910.120 Sub-section (q)(6) in Modules A-D.

NC.FIRT 120 COMPANY OFFICER 2A: HUMAN RESOURCE MANAGEMENT FOR COMPANY OFFICERS

40.00 hours

Provides information on the use of human resources to accomplish assignments, evaluating member performance, supervising personnel, and integrating health and safety plans, policies, and procedures into daily activities as well as the emergency scene. This course is designed for Firefighters who have met the educational requirements for Fire Fighter II.

NC.FIRT 121 COMPANY OFFICER 2B: GENERAL ADMINISTRATIVE FUNCTIONS FOR COMPANY OFFICERS

20.00 hours

Provides information on general administrative functions and the implementation of department policies and procedures and addresses conveying the fire department's role, image, and mission to the public. This course is designed for Firefighters who have met the educational requirements for Fire Fighter II.

NC.FIRT 122 COMPANY OFFICER 2C: FIRE INSPECTIONS AND INVESTIGATION FOR COMPANY OFFICERS

40.00 hours

Provides information on conducting inspections, identifying hazards and addressing violations, performing a fire investigation to determine preliminary cause and securing the incident scene and preserving evidence. This course is designed for Firefighters who have met the educational requirements for Fire Fighter II.

NC.FIRT 123 COMPANY OFFICER 2D: ALL-RISK COMMAND OPERATIONS FOR COMPANY OFFICERS

40.00 hours

Provides information on conducting incident size-up, developing and implementing an initial plan of action involving a single and multi-unit operations for various types of emergency incidents to mitigate the situation following agency safety procedures, conducting pre-incident planning, and develop and conduct a post-incident analysis. This course is designed for Firefighters who have met the educational requirements for Fire Fighter I, and completed the ICS-200.B: Incident Command System for Single Resources and Initial Action Incident and Hazardous Material Incident Commander courses (as offered by the California Specialized Training Institute).

NC.FIRT 124 COMPANY OFFICER 2E: WILDLAND INCIDENT OPERATIONS FOR COMPANY OFFICERS

40.00 hours

Prerequisite: NC.FIRT-123

Provides information on evaluating and reporting incident conditions, analyzing incident needs, developing and implementing a plan of action to deploy incident resources completing all operations to suppress a wildland fire, establishing an incident command post, creating an incident action plan, and completing incident records and reports. This course is designed for Firefighters who have met the educational requirements for Fire Fighter II, and completed the S-290 Intermediate Fire Behavior course (classroom delivery).

NC.FIRT 125 CHIEF FIRE OFFICER 3A: HUMAN RESOURCES MANAGEMENT FOR CHIEF FIRE OFFICERS

26.00 hours

Prerequisite: NC.FIRT-120, 121, 122, 123, 124

Provides students with a basic knowledge of the human resources requirements related to the roles and responsibilities of a Chief Fire Officer.

**NC.FIRT 126 CHIEF FIRE OFFICER 3B:
BUDGET AND FISCAL RESPONSIBILITIES
FOR CHIEF FIRE OFFICERS**

18.00 hours

Prerequisite: NC.FIRT-120, 121, 122, 123, 124

Provides students with a basic knowledge of the budgeting requirements related to the roles and responsibilities of a Chief Fire Officer.

**NC.FIRT 127 CHIEF FIRE OFFICER 3C:
GENERAL ADMINISTRATIVE FUNCTIONS
FOR CHIEF FIRE OFFICERS**

24.00 hours

Prerequisite: NC.FIRT-120, 121, 122, 123, 124

Provides students with a basic knowledge of the administration requirements related to the roles and responsibilities of a Chief Fire Officer.

**NC.FIRT 128 CHIEF FIRE OFFICER
3D: EMERGENCY SERVICE DELIVERY
RESPONSIBILITIES FOR CHIEF FIRE
OFFICERS**

24.00 hours

Prerequisite: NC.FIRT-120, 121, 122, 123, 124

Provides students with a basic knowledge of the emergency service requirements related to the roles and responsibilities of a Chief Fire Officer.

**NC.FIRT 129 EXECUTIVE CHIEF FIRE
OFFICER 4A: HUMAN RESOURCES
MANAGEMENT FOR EXECUTIVE CHIEF
FIRE OFFICERS**

28.00 hours

Prerequisite: NC.FIRT-125, 126, 127, 128

Provides information on the use of human resources for the Executive Chief Fire Officer to accomplish assignments, evaluating member performance, supervising personnel, and integrating health and safety plans, policies, and procedures into daily activities as well as the emergency scene.

**NC.FIRT 130 EXECUTIVE CHIEF
FIRE OFFICER 4B: COMMUNITY AND
GOVERNMENT RELATIONS FOR
EXECUTIVE CHIEF FIRE OFFICERS**

10.50 hours

Prerequisite: NC.FIRT-125, 126, 127, 128

Provides the skills and knowledge needed for the Executive Chief Fire Officer to perform his/her duties safely, effectively, and competently while assuming a leadership role in community events.

**NC.FIRT 131 EXECUTIVE CHIEF FIRE
OFFICER 4C: ADMINISTRATION FOR
EXECUTIVE CHIEF FIRE OFFICERS**

30.50 hours

Prerequisite: NC.FIRT-125, 126, 127, 128

Provides information on administrative functions for the Executive Chief Fire Officer, including the implementation of department policies and procedures, evaluating and projecting training requirements, and developing a plan for a capital improvement project or program

**NC.FIRT 132 EXECUTIVE CHIEF FIRE
OFFICER 4D: EMERGENCY SERVICES
DELIVERY FOR EXECUTIVE CHIEF FIRE
OFFICERS**

38.50 hours

Prerequisite: NC.FIRT-125, 126, 127, 128

Provides the skills and knowledge needed for the Executive Chief Fire Officer to perform emergency services delivery safely, effectively, and competently.

**NC.FIRT 133 EXECUTIVE CHIEF FIRE
OFFICER 4E: HEALTH AND SAFETY FOR
EXECUTIVE CHIEF FIRE OFFICERS**

14.50 hours

Prerequisite: NC.FIRT-125, 126, 127, 128

Provides the health and safety skills and knowledge needed for the Executive Chief Fire Officer to perform his/her duties safely, effectively, and competently.

NC.FIRT 134 VEHICLE EXTRICATION

6.50 hours

Provides the skills and knowledge needed to perform a vehicle extrication. Topics include vehicle stabilization, vehicle construction, patient assessment, vehicle airbags, safety restraint systems, hybrid and alternative fuel vehicles and extrication techniques.

**NC.FIRT 135 S-212 WILDLAND CHAIN
SAWS**

30.00 hours

Introduces the student to basic chainsaw operation, maintenance and safety features as well as safety standards as required by OSHA and agency directives. Provides instruction on the tactical application of chainsaw fireline construction and mop up operations.

**NC.LFGD 001A OCEAN LIFEGUARD
ACADEMY ORIENTATION**

10.00 hours

Introduces departmental expectations relative to performance and behavior during the Ocean Lifeguard Training Academy. Topics include administrative procedure, facility maintenance and county policy of equality.

NC.LFGD 001B OCEAN LIFEGUARD ACADEMY

110.00 hours

Prepares the student for employment as an ocean lifeguard. Major topics include: CPR, First aid, rescue drills, surf and ocean swimming, rescue board proficiency, skin diving proficiency, communication, and environmental hazard identification.

NC.LFGD 002A JUNIOR LIFEGUARD CADET

40.00 hours

Provides selected Junior Lifeguards interested in becoming Ocean Lifeguards with more extensive training through supplemental curriculum items and tower internships.

NC.LFGD 002B JUNIOR LIFEGUARD CADET PRACTICUM

12.00 hours

Provides students with field performance opportunity, applying skills acquired in Junior Lifeguard Cadet course.

NC.LFGD 003 OCEAN LIFEGUARD RECHECK INSTRUCTOR TRAINING

8.00 hours

Provides required annual recertification for returning lifeguards. Topics include teaching guidelines and program policy for recheck instructors, department updates, teaching techniques, review of CPR changes, running skills stations, and the recheck agenda.

NC.LFGD 004 LIFEGUARD ACADEMY INSTRUCTOR TRAINING

8.00 hours

Training for Lifeguard Training Academy instructors. Topics include teaching techniques, preparation, Ocean Lifeguard Training Manual review, and candidate discipline.

NC.LFGD 005 ANNUAL OCEAN LIFEGUARD RECERTIFICATION/ INSERVICE - PROFESSIONAL

2.00 hours

Prerequisite: NC.LFGD 001A

Provides annual recheck for all permanent lifeguards. Monthly in-service drills and physical fitness logs are completed by all permanent lifeguards. Topics include department updates, medical skills and rescue skills.

NC.LFGD 006A ANNUAL OCEAN LIFEGUARD RECERTIFICATION/ INSERVICE - RECURRENT

8.00 hours

Provides annual recheck for all recurrent Lifeguards. Monthly in-service drills and physical fitness logs are completed by all permanent lifeguards. Topics include Department updates, medical skills and rescue skills.

NC.LFGD 006B STANDARD OF BEHAVIOR CPOE

3.00 hours

Designed to help employees understand their rights to be free from discrimination, unlawful harassment, retaliation and other inappropriate conduct. Covers key points of the Los Angeles county policy of equity and sexual harassment prevention training.

NC.LFGD 007A JUNIOR LIFEGUARD INSTRUCTOR CERTIFICATION PART 1

20.00 hours

Provides all new and returning Junior Lifeguard instructors with annual primary training. Covers teaching skills and lesson planning, classroom management, child development, discipline, sportsmanship and event practice.

NC.LFGD 007B JUNIOR LIFEGUARD INSTRUCTOR CERTIFICATION PART 2

20.00 hours

Prerequisite: NC.LFGD 007A

Provides all new and returning Junior Lifeguard instructors with continuing education for required annual certification. Topics include equipment safety and care, youth sports injury, EMS procedures, Junior Guard clinics, mandated reporter responsibilities and event practice.

NC.LFGD 008A DIVER INSERVICE TRAINING PART 1

6.00 hours

Provides in-service training for Underwater Rescue and Recovery Unit divers, as well as for Auxiliary and Guest Divers who are working towards meeting the requirements for the Rescue and Recovery Unit. Topics include diving equipment, diver safety, underwater search techniques, victim and property recovery.

NC.LFGD 008B DIVER INSERVICE TRAINING PART 2

12.00 hours

Prerequisite: NC.LFGD 008A

Continues in-service training for Underwater Rescue and Recovery Unit divers, as well as for Auxiliary and Guest Divers who are working towards meeting the requirements for the Rescue and Recovery Unit. Topics include confined water skills, environmental orientations, emergency procedures, visibility.

NC.LFGD 009A RESCUE WATERCRAFT IN SERVICE

10.00 hours

Provides training of Personal Watercraft Rescue. Major topics include pre and post operations techniques, craft launch and retrieval, craft operation in the surfline, rescue techniques and emergency procedures.

NC.LFGD 009B RESCUE WATERCRAFT INSTRUCTOR

10.00 hours

Provides training and certification for instructors of Personal Watercraft Rescue. Major topics include pre and post operations techniques, craft launch and retrieval, craft operation in the surfline, rescue techniques and emergency procedures. After successful completion of this course students become certified PWC Surf Rescue class instructors.

NC.LFGD 010 MARINE FIREFIGHTING OPERATIONS

40.00 hours

Covers basic firefighting tactics and strategies particular to marine, boat and other watercraft fires.

NC.LFGD 011 RESCUE WATERCRAFT BASIC

30.00 hours

Prerequisite: NC.LFGD 001B

Introduces Personal Watercraft Surf Rescue. Major topics include pre and post operations techniques, craft launch and retrieval, craft operation in the surfline, rescue techniques and emergency procedures.

NC.LFGD 013 RESCUE BOAT OPERATIONS

40.00 hours

Prerequisite: NC.LFGD 001A

Introduces basic rescue boat operations for emergency rescue personnel. Topics include ocean navigation, boat handling, rescues at sea, weather and emergency communications.

NC.LFGD 014 BLS INSTRUCTOR CERTIFICATION

12.00 hours

Prerequisite: NC.LFGD 001A

Reviews Basic Life Support/CPR Guidelines as well as effective teaching and testing techniques. Upon completion students are certified to teach CPR.

NC.LFGD 015 EMT RECERTIFICATION FOR LIFEGUARDS - PROFESSIONAL

8.00 hours

Prerequisite: NC.LFGD 001A

Provides an intensive review of primary EMT training for permanent lifeguards.

NC.LFGD 016A EMT RECERTIFICATION FOR LIFEGUARDS – RECURRENT PART 1

10.00 hours

Prerequisite: NC.LFGD 001A

Initiates an intensive review of primary EMT training for recurrent lifeguards.

NC.LFGD 016B EMT RECERTIFICATION FOR LIFEGUARDS – RECURRENT PART 2

10.00 hours

Prerequisite: NC.LFGD 016A

Completes an intensive review of primary EMT training for recurrent lifeguards.

NC.LFGD 017 OCEAN LIFEGUARD SPECIALIST ACADEMY

8.00 hours

Prerequisite: NC.LFGD 001A

Prepares seasonal lifeguards for their role as an Ocean Lifeguard Specialists. Major topics include: Sub-area operations, radio communications/NFIRS, personnel policies, safe driving, expectations/discipline, code of conduct, public- relations, EMS operations, response to terrorism, a review of our General Orders and an intro to information management.

NC.LFGD 018 LIFEGUARD CAPTAIN ORIENTATION

20.00 hours

Prepares Ocean Lifeguard Specialists for their role as Captains. Major topics include: Sub-area operations, radio communications/NFIRS, personnel policies, safe driving, expectations/discipline, code of conduct, public-relations, EMS operations, scheduling, performance evaluations, a review of General Orders and an intro to information management.

NC.LFGD 019 BASIC BOATING SKILLS AND OPERATIONS

40.00 hours

Prepares potential Rescue Boat deckhands with minimum instruction to operate safely as a deckhand aboard a Los Angeles County Rescue Boat. Topics covered include equipment inventory, electronics, damage control, radio communications, radar operation, engine and boat maintenance, towing, free diving, and rescue procedures.

NC.LFGD 020 LIFEGUARD UNIT OPERATION

10.00 hours

Prerequisite: NC.LFGD 001A

Provides training for lifeguards in safe beach driving. Major topics include: Routine beach driving, hazards of driving on the beach, proper driving maneuvers, safely responding code R on the beach, vehicle maintenance, liabilities and public perception.

NC.LFGD 021 PARAMEDIC CONTINUING EDUCATION

8.00 hours

Prerequisite: NC.LFGD 001A

Updates training for active Paramedics who have completed and maintained EMT-Paramedic Licensure in the State of California and are accredited in Los Angeles County.

NC.LFGD 025 LIFEGUARD IN-SERVICE TRAINING

16.00 hours

Provides updated information and skills in the areas of lifeguard equipment, specialized emergency operations, current department policy and procedures, and rescue.

SPANISH

Certificate of Completion: Spanish for Healthcare Workers

Designed for health care workers who need to communicate effectively with Spanish-speaking patients and families. Intensive practice with Spanish vocabulary, interviews and specialized basic terminology used in the medical field.

Certificate Student Learning Outcome:

Students will be able to demonstrate proficiency in communicating in expressive and receptive forms in Spanish.

Program Requirements:

Units Required: 0

Units

NC.SPAN-021 Spanish for Healthcare Workers I.... 0.0

NC.SPAN-022 Spanish for Healthcare Workers II... 0.0

NC.SPAN 021 SPANISH FOR HEALTHCARE WORKERS I

Units: 0.00

Develops basic Spanish listening, speaking, and oral skills on specific topics related to healthcare professions.

NC.SPAN 022 SPANISH FOR HEALTHCARE WORKERS II

Units: 0.00

Recommended Preparation: NC.SPAN-021

Further develops Spanish listening speaking and oral skills on specific topics related to healthcare professions at the novice-high level.

WATER SYSTEMS TECHNOLOGY

Certificate of Completion: Green Gardener

The Green Gardener Program is comprised of two non-credit, sequential courses that will allow gardeners and landscapers to identify, describe and apply best practices in professional waterwise gardening. The program emphasizes the efficient use of resources and appropriate customer communication in residential and commercial landscape maintenance practices. The curriculum is designed to help students prepare for entry-level positions in gardening and landscaping as well as refine the existing skills of industry professionals preparing for a leadership role in landscaping.

Certificate Student Learning Outcome:

Students will be able to:

- Demonstrate proficiency in the efficient use of resources and best practices in waterwise gardening.
- Improve and enhance customer communication and interactions.

Program Requirements:

Units Required: 0

Units

NC.WATR-100A Green Gardener I 0.0

NC.WATR-100B Green Gardener II 0.0

NC.WATR 100A GREEN GARDENER I

16.00 hours

Presents the fundamentals of green gardening including plant selection, irrigation management, pruning, pest management, fertilizers, and general water efficiency. Additionally the course will cover fundamental communication with customers for identifying and fixing related landscape maintenance problems.

NC.WATR 100B GREEN GARDENER II

16.00 hours

Presents the fundamentals of green gardening with a focus on turfgrass, turfgrass alternatives, and trees. Additionally the course will cover communicating with customers and technology that can enhance communication.

PROFESSORS EMERITI

A faculty member who is retiring from the academic profession and who has provided dedicated service to the college, students and the profession, can be recognized as an Emeritus Professor. To be eligible for the status of Emeritus Professor, a faculty member's name is placed in nomination by his or her divisional colleagues. The nomination is then put before the Academic Senate for confirmation.

Regulations and Policies

REGULATIONS AND POLICIES

ACADEMIC FREEDOM**A. GENERAL PRINCIPLES ON ACADEMIC FREEDOM**

1. Freedom of speech is a right granted to all citizens by the First Amendment of the United States Constitution; it is vital to American standards of fairness and intelligent debate, and, therefore, it extends to the classroom environment for teachers and students.
2. A mature, democratic society functions best when its citizens are permitted and able to exercise their right to discuss, debate, disagree, challenge and engage in dialogue on all topics relating to the welfare of individuals and the larger community.
3. An institution of higher education in such a society is expected to enable its faculty, students and staff to comprehend and value the freedoms and responsibilities inherent in its national culture.
4. Only an academic environment that promotes an open and free exchange of ideas can properly develop the cognitive skills of critical inquiry which promote individual success and societal progress.
5. The College, as an institution of higher education, has an obligation to the community to promote the thoughtful introduction of a full gamut of ideas for discussion. This is facilitated by:
 - a. Establishing a policy promoting the principle of academic freedom and encouraging faculty and students to exercise this practice by developing and accepting opportunities for critical thinking and personal growth.
 - b. Ensuring that the policy of academic freedom successfully guarantees mutual respect by all participants in the educational environment, including the protection from the threat of political or personal attack. Such guarantees include the full scope of professional faculty obligations relative to assigning textbooks, presenting student learning activities, evaluating student performance or achievement and participating in the academic life of the community.

B. ACADEMIC FREEDOM AND THE FACULTY

1. Academic freedom in the course of instruction means that faculty members teaching in the District have the prerogative to present and explore all issues relevant to their disciplines which contribute to the education of students regarding the substance of each course's content and the student learning outcomes.
2. Quality teaching is understood to involve intellectual honesty and academic integrity in the presentation of subjects assigned. Such professional decorum requires the presentation of differing perspectives and interpretations with balanced intellectual rigor.

C. ACADEMIC FREEDOM AND STUDENTS

1. By accepting an academic course of study within the College system, students accept the principle that they will study in an environment that is designed to present the fullest range of academic insight in the subjects they are enrolled in, including contemporary and historical perspectives, and open, thoughtful examination of differing points of view in pursuit of knowledge within general and specific fields of study.
2. Academic freedom allows students to take reasoned exception to the concepts and conclusions presented in any course of study. Students are, however, responsible for learning the content of any course in which they are enrolled, and can expect to be tested on their knowledge of such information.

D. DISTRICT RESPONSIBILITIES AND SUPPORT

1. The District is committed to the full support of the principle of academic freedom within all its activities.
2. The District supports the freedom of all faculty to inquire, to teach controversial content, to model and encourage critical thinking, and to present all viewpoints within each discipline.
3. The District supports the freedom of all students to inquire, to have access to the full range of information available, to explore

difficult and controversial material, to develop and practice critical thinking skills, and to operate in a classroom climate free of intimidation and conducive to the free exchange of ideas is fully encouraged and expected.

4. Under the provisions of the California Education Code, the faculty have the right and the professional responsibility to assign grades. The District recognizes its obligation to ensure that faculty members will be allowed to exercise these responsibilities free from political influence, intimidation, or threat of lawsuit.

EQUAL EDUCATION AND EMPLOYMENT OPPORTUNITY

The Santa Clarita Community College District subscribes to and promotes the principles and implementation of equal opportunity. Pursuant to the provisions of state and federal law, the District's Board of Trustees has adopted policies and procedures ensuring that its programs and activities are available to all persons without regard to national origin, religion, age, sex, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status or any other protected basis.

The Santa Clarita Community College District is committed to implementing the concept, intent, and spirit of providing equal employment and educational opportunity to all persons. Positive action will be taken by the administration, faculty, staff and students to ensure the implementation of this policy and to overcome any form of exclusion or discrimination, whether purposeful or inadvertent.

Additional information on these policies and procedures is available in the District's Equal Employment Opportunity Office (Human Resources); University Center (UCEN) 360; (661) 362-3424; TTY (661) 362-5178.

NON-DISCRIMINATION POLICY

The Santa Clarita Community College District does not discriminate on the basis of national origin, religion, age, sex, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or any other protected basis in compliance with Title VI and Title VII of the Civil Rights Act of 1964, as amended by the Civil Rights Act of 1991, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act of 1990, the California Fair Employment and Housing Act, the Unruh Civil Rights Act, the Sex Equity in Education Act, and Assembly Bill 803 of 1977. This nondiscrimination policy covers admission and access to, and treatment and employment in, the

College's programs and activities, including vocational education. Inquiries regarding the equal opportunity policies, the filing of complaints, or to request a copy of the procedures covering discrimination complaints may be directed to the Assistant Superintendent/Vice President, Human Resources, University Center (UCEN) Room 360, 26455 Rockwell Canyon Road, Santa Clarita, CA 91355; telephone (661) 362-3424. The college recognizes its obligation to provide overall program accessibility throughout the College for disabled persons. Contact the DSP&S Director to obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by disabled persons.

Inquiries regarding federal laws and regulations concerning nondiscrimination in education or the District's compliance with those provisions may also be directed to the Office of Civil Rights, U.S. Department of Health and Human Services, 200 Independence Avenue, S.W. Room 509F, HHH Bldg., Washington, D.C. 20201.

POLÍTICA CONTRA LA DISCRIMINACIÓN

El Distrito de Colegios Comunitarios de Santa Clarita no discrimina por motivos de raza, credo religion, color, origen étnico o nacional, ascendencia, estado de migratorio, miembro de servicio militar, incapacidad física o mental, condición médica, estado civil, sexo, embarazo, edad, orientación sexual, identidad de género, o cualquier otra base protegida en conformidad con Título VI y VII de la Ley de Derecho Civil de 1964 y según la enmienda de la Ley de Derecho Civil de 1991; el título IX de las Enmiendas de Educación de 1972; la sección 504 de la Ley de Rehabilitación de 1973; la Ley de Discriminación por Edad contenida en la Ley de Empleo de 1967; la Ley de Americanos Minusválidos de 1990; la Ley de Empleo y Vivienda Justos de California; la Ley Unruh de Derecho Civil; la Ley de Igualdad Sexual en la Educación; y el Proyecto de Ley 803 de 1977. Esta política contra la discriminación incluye el ingreso, el acceso, el tratamiento y el empleo en los programas y actividades de la institución, incluyendo la educación vocacional.

Para mayor información sobre la política de igualdad de oportunidades, sobre cómo presentar una queja, o sobre cómo pedir una copia de un documento que explica el proceso de quejas por discriminación, puede dirigirse al Assistant Superintendent/Vicepresidente de Recursos Humanos, del Centro Universitario, de la habitación 360, 26455 Rockwell Canyon Road, Santa Clarita, CA 91355; teléfono (661) 362-3424. College of the Canyons reconoce su obligación de proveer acceso generalizado a los minusválidos por toda la institución. Comuníquese con el coordinador de servicios a los minusválidos si necesita información sobre la prestación de servicios, las actividades, y las instalaciones con acceso para minusválidos.

Para pedir información sobre leyes federales sobre la discriminación en la educación o sobre el cumplimiento de estas normativas por el Distrito Universitario,

puede también dirigirse a la Oficina de Derecho Civil, U.S. Department of Health and Human Services, 200 Independence Avenue, S.W. Room 509F HHH Bldg., Washington, D.C. 20201.

SEXUAL HARASSMENT POLICY

I. POLICY STATEMENT

The Santa Clarita Community College District is committed to creating and maintaining an academic and work environment in which all persons who participate in district programs and activities can work together in an atmosphere free of sexual harassment, exploitation, or intimidation, and that values and protects individual dignity and the academic process. Sexual harassment is unlawful and undermines the atmosphere of mutual trust and respect necessary for an effective learning and working environment and hinders the district's ability to fulfill its academic mission. Toward this end, all members of the college community must understand that sexual harassment, sexual discrimination, and sexual exploitation of professional relationships violate the District's policy and will not be tolerated. The district will take every step to resolve complaints promptly and will institute disciplinary proceedings against persons found to be in violation of this sexual harassment policy. For faculty and staff members, such proceedings may result in a range of sanctions, up to and including termination of District affiliation. Students who violate this policy may be subject to disciplinary measures up to and including expulsion.

II. APPLICABILITY

This policy applies to all applicants for employment and admission to district programs, officers and employees of the District, students, and persons who serve the district as its agents and are under the control of the district. It applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any district activity. In addition, this policy applies to all terms and conditions of employment including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities and compensation. Specific adherence to this policy shall also be made an express term of every contracted services agreement entered into by the District.

III. LEGAL AUTHORITY

Sexual harassment is a form of sex discrimination which is prohibited by Title VII of the Civil Rights Act of 1964 (as amended by the 1991 Amendments to the Civil Rights Act), by Title IX of the Education Amendments of 1972, the California Fair Employment and Housing Act (FEHA), and California Education Code. Santa Clarita Community College District's Unlawful Discrimination and Affirmative Action Policy also prohibits sex discrimination.

IV. DEFINITION

Sexual harassment may involve the behavior of a person of either sex against a person of the opposite or same sex, and occurs when such behavior constitutes

unwelcome sexual advances, unwelcome requests for sexual favors, and other unwelcome verbal or physical behavior of a sexual nature where:

1. Submission to such conduct is made, either explicitly or implicitly, a term or condition of an individual's employment, academic status, or progress;
2. Submission to, or rejection of, such conduct by an individual is used as the basis of employment or academic decisions affecting the individual's welfare;
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's welfare, work or academic performance, or creates an intimidating, hostile, offensive, or demeaning work or educational environment; or
4. Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the community college.

A third party may also file a complaint under this policy if the sexual conduct of others in the work or educational environment has the purpose or effect of unreasonably interfering with the third party's welfare, work or academic performance.

Examples of prohibited behavior or prohibited acts that constitute sexual harassment may take a variety of forms. Examples of behavior generally viewed as sexual harassment when they are unwelcome include, but are not limited to:

1. **Verbal:** Inappropriate or offensive remarks, slurs, jokes or innuendoes based on sex. This may include, but is not limited to, inappropriate comments regarding an individual's body, physical appearance, attire, sexual prowess, marital status or sexual orientation; sexually suggestive or insulting sounds or gestures, including sucking noises, winking, and throwing kisses; unwelcome flirting or sexual propositions, invitations or solicitations; demands for sexual favors; verbal abuse, threats or intimidation of a sexual nature (direct or indirect threats or bribes for unwanted sexual activity); or sexist, patronizing or ridiculing statements that convey derogatory attitudes about a particular gender.
2. **Physical:** (*activities that take place either inside or outside the institution*): Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to, kissing, patting, stroking, lingering or intimate touches, grabbing, pinching, leering, squeezing, staring, unnecessarily brushing against or blocking another person, whistling, sexual gestures, giving a neck or shoulder massage, stalking, and attempted or actual sexual assault.
3. **Visual or Written:** The display or circulation of offensive, sexually-oriented visual or written material. This may include, but is not limited to, objects, pictures, posters, cartoons, calendars, drawings, graffiti, video tapes, audio recordings, literature, computer graphics (including virtual

platforms), electronic messaging, electronic media transmissions or other materials with sexual content

4. **Environmental:** An academic or work environment that is permeated with sexually-oriented talk, innuendoes, insults or abuse not relevant to the subject matter of the class or employment. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom. An environment may be hostile if unwelcome sexual behavior is directed specifically at an individual or if the individual merely witnesses unlawful harassment in his or her immediate surroundings. The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonably interferes with an individual's learning or work. This may include, but is not limited to, consensual sexual relationships.

Romantic or sexual relationships between supervisors and employees, or between faculty or staff members and students are discouraged. There is an inherent imbalance of power and potential for exploitation in such relationships. A conflict of interest may arise if the faculty or staff member must evaluate the student's work or make academic decisions affecting the student or if a supervisor must evaluate the performance of an employee. The relationship may create an appearance of impropriety and lead to charges of favoritism by other students or other employees. A consensual sexual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing. By definition, sexual harassment is not within the course and scope of an individual's employment with the district.

Sexual harassment may occur between peers. Unwelcome sexual behavior between peers under this definition is unacceptable in the District.

Examples of harassment can include, but are not limited to, all of the behaviors described above as well as the following behaviors:

- leaving obscene messages on campus computers;
- creating a sexually demeaning atmosphere, such as displaying posters and pictures that are sexist or otherwise demeaning to females or males;
- unwelcome touching and grabbing;
- persistent unwanted sexual attention, such as continually asking a person for a date after the person has indicated no interest;
- whistling or yelling obscenities at people walking by, or loudly discussing their sexual attributes and rating them;
- threatening rape;
- mooning, whereby individuals expose their buttocks aggressively;
- voyeurism
- exposing one's genitals;

- "streaking" - running naked in front of others;
- "sharking" - biting breasts, buttocks, or other private body parts;
- shouting obscenities;

The aforementioned lists of behaviors should be used to assist in identifying offensive behaviors but in no way should be construed as exhaustive lists of unacceptable acts. In determining whether the alleged conduct constitutes sexual harassment, consideration should be given to the records of the incident or incidents as a whole and to the totality of the circumstances, including the context in which the alleged incidents occurred. This definition recognizes two categories of sexual harassment:

1. **"Quid pro quo"** sexual harassment occurs when a person in a position of authority (supervisor and subordinate or teacher and student) makes educational or employment benefits conditional upon an individual's willingness to engage in or tolerate unwanted sexual conduct. (Please note: the relationship may be an indirect one where the harasser has the power to direct others who have authority over the victim.) The perpetrator's intent or lack of intent to harass is not relevant to the determination of whether quid pro quo harassment occurred.
2. **"Hostile environment"** sexual harassment occurs when unwelcome conduct based on sex is sufficiently severe or pervasive so as to alter the conditions of an individual's learning or work environment, unreasonably interfere with an individual's academic or work performance, or create an intimidating, hostile, or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile. The determination of whether an environment is "hostile" must be based on all of the circumstances. These circumstances could include the frequency of the conduct, its severity, and whether it is physically threatening or humiliating. As with quid pro quo harassment, the perpetrator's intent or lack of intent to harass is not relevant to the determination of whether hostile environment harassment occurred.

V. SEXUAL RELATIONSHIPS AND PROFESSIONAL CONDUCT

The basic reasons for which a community college district exists are the discovery and transmission of knowledge, activities which are founded upon the free and open exchange of ideas. Such activities flourish only in a climate uncluttered by exploitation, coercion, intimidation or reprisal. In order for productive learning and the work that supports it to occur, certain conditions should prevail on campus. It is for these reasons that members of the college community - faculty, students and staff personnel - should pursue their responsibilities guided by a strong commitment to basic ethical principles and professional codes of conduct.

Primary responsibility for maintaining high standards of conduct resides especially with faculty and supervisors, since they exercise significant authority and power over others. If the highest standards of professional conduct are to be maintained, however, all responsible members of the community of learning should understand that sexual advances or comments by a faculty member or supervisor toward one of his or her students or employees may constitute unprofessional conduct. Such unprofessional conduct blurs professional boundaries, interferes with a climate conducive to the open exchange of ideas between persons, subverts the normal structure of incentives that spurs work and learning, and interjects attitudes and pressures which may undercut the basic reasons for which the district exists. In such cases, objectivity may be compromised or destroyed and competent evaluation threatened.

VI. PROHIBITED SUPERVISORY OR MANAGERIAL BEHAVIOR

1. No supervisor, manager, administrator, or other authority figure may condition any employment, employee benefit or continued employment in the district on an applicant's or employee's acquiescence to any of the sexual behavior defined above.
2. No supervisor, manager, administrator, or other authority figure may retaliate against any applicant, or employee, or student because that person has opposed a practice prohibited by the Title VII of the Civil Rights Act of 1964 or the California Fair Employment and Housing Act or has filed a complaint, testified, assisted or participated in any manner in an investigation, proceeding or hearing conducted by an authorized investigative agency.
3. No person shall destroy evidence relevant to an investigation of sexual discrimination.

Behavior Prohibited by all persons

1. No supervisor, manager, administrator, faculty member, student, or any other person in the District shall create a hostile or offensive work environment for any other person by engaging in any sexual harassment or by tolerating it on the part of any employee or student.
2. No supervisor, manager, administrator, faculty member, student, or any other person in the district shall assist any individual in doing any act which constitutes sexual discrimination against any employee or student of the district.

VII. RESPONSIBILITIES

A. College Community - Faculty, Students or Staff Personnel

If faculty, students or staff personnel believe that they have been subjected to sexual harassment or any unwanted sexual attention, they should:

- If possible, communicate the unwelcomeness of the behavior to the harasser.
- If practical, communicate to their supervisor (or

instructor) that unwelcome sexual behavior has occurred. However, under no circumstances shall a faculty member, student or staff personnel of the district, who believes that she/he has been the victim of sexual harassment by their supervisor (or instructor) be required to first report that harassment to their supervisor (or instructor).

- Make a written record of the date, time, and nature of the incident(s) and the names of any witnesses; and
- Report the incident to the district's Affirmative Action Officer, supervisor, or appropriate District officer.
- Cooperate with any investigation of any alleged act of sexual harassment conducted by the District or by an appropriate state or federal agency.

B. Administrators, Managers and Supervisors

Administrators, managers and supervisors must deal expeditiously and fairly with allegations of sexual harassment within their division/office whether or not there has been a written or formal complaint.

Administrators, managers and supervisors must:

- Act promptly to investigate sexual harassment or inappropriate sexually oriented conduct;
- Ensure that harassment or inappropriate sexual behavior is reported to an appropriate administrator or directly to the District's Affirmative Action Officer;
- Take corrective action to prevent prohibited conduct from reoccurring;
- Follow-up, as appropriate, of any reported incident of sexual harassment to determine whether the victim has been subjected to any further forbidden conduct;
- Immediately inform the district's Affirmative Action Officer at any time they learn that employment or other benefits have been withheld or denied as a consequence of sexual harassment, and shall take steps to rectify any harm suffered by the victim. Administrators, managers and supervisors who knowingly allow or tolerate sexual harassment are in violation of this policy and subject to discipline.

C. Faculty

Faculty members must deal expeditiously and fairly with allegations of sexual harassment observed within their classrooms or on campus whether or not they are reported to them. Faculty members must:

- Ensure that harassment or inappropriate sexually oriented conduct is reported to an appropriate administrator or directly to the District's Affirmative Action Officer.
- Discuss sexual harassment policy with their students, as appropriate. Students should be informed of their rights under this policy.

D. All Employees

All employees of the district shall:

- Report any conduct, including that directed toward a student, which fits the definition of sexual harassment, to their immediate supervisor or appropriate authority figure. This includes conduct of non-employees, such as sales representatives or service vendors.

VIII. NON-REPRISAL

No faculty, administrator or staff, applicant for employment, student, or member of the public may be subject to restraint, interference, coercion or reprisal for action taken in good faith to seek advice concerning a sexual harassment matter, to file a sexual harassment complaint, testify, assist or participate in any manner in the investigation, proceedings, or hearing of a sexual harassment complaint.

IX. MALICIOUS, FALSE ACCUSATIONS

A complainant whose allegations are found to be both false and brought with malicious intent will be subject to disciplinary action which may include, but is not limited to, informal reprimand, formal reprimand, demotion, transfer, suspension, or dismissal.

X. CONFIDENTIALITY

District administrators will make every reasonable effort to conduct all proceedings in a manner which will protect the confidentiality of all parties. Information will be revealed strictly on a need-to-know basis. All parties to the complaint should treat the matter under investigation with discretion and respect for the reputation of all parties involved.

BP 532 STUDENT GRIEVANCES**Introduction:**

The purpose of this policy is to provide a prompt and equitable means for resolving student(s) grievances. In the pursuit of academic goals, the student should be free of unfair or improper action by any member of the academic community. The grievance procedure may be initiated by one or more students who reasonably believe he/she/they have been subject to unjust action or denied rights involving their status or privileges as students. It is the responsibility of the student(s) to submit proof of alleged unfair or improper action.

I. Definitions:

1. **Grievant** – (A) an individual who is enrolled in or registered with an academic program of the College; and/or has completed the immediately preceding term and is eligible for re-enrollment, including the recess periods between academic terms; (B) a person no longer enrolled at the college where there is a grievable issue; (C) an individual who has submitted an application, however is not enrolled or registered with an academic program. Grievances by applicants shall be limited to a complaint regarding denial of admission.

2. **Days** - shall mean days when the college is in session, excluding Saturdays, Sundays, holidays, spring break, winter break, and summer and winter session days.
3. **Respondent** – Any person claimed by a grievant to be responsible for the alleged grievance.
4. **Grievance Officer** – For the purposes of this policy, the Dean of Students, or the CSSO shall serve as grievance officers.
5. **Standard of Evidence** - Should a grievance involve a formal hearing, the standard of proof in effect will be that of a “preponderance of evidence.” Evidence may be received of the sort upon which responsible persons are accustomed to rely in the conduct of serious affairs, and is not restricted to evidence admissible under the strict rules of evidence of a court of law.
6. **Burden of Proof** - It is the responsibility of the grievant(s) to submit proof of alleged unfair or improper action.

This policy does not apply to the following:

1. Challenge process for prerequisites, co-requisites, advisories and limitations on enrollment.
2. Grievances pertaining to grades.
3. Alleged violations of sexual harassment, actions dealing with alleged discrimination on the basis of ethnic group identification, religion, age, sex, color, sexual orientation, physical or mental disability.
4. An appeal for residency determination.
5. Eligibility, disqualification or reinstatement of financial aid.
6. Student discipline
7. Citations (for parking or other infractions)
8. Freedom of the press
9. Employee discipline
10. Challenges of established District policies, e.g. board rules and administrative regulations.
11. Financial claims against the District.

II. TIME LIMITS:

1. The statute of limitations period for requesting a grievance hearing under this policy is one hundred twenty (120) calendar days after the occurrence of the incident giving rise to the grievance; or one hundred twenty (120) calendar days after the student learns, or should have learned, that the student has a basis for filing a grievance.
2. Pursuing an informal remedy for a grievance does not relieve the grievant of the responsibility of requesting a grievance hearing within one hundred twenty (120) calendar days of the incident giving rise to the grievance.
3. Appeal of the time limits, based upon documented extenuating circumstances, as defined in Board Policy, must be made to the Grievance Officer.

III. INFORMAL RESOLUTION

Each grievant shall make a reasonable effort to resolve the matter on an informal basis prior to requesting a grievance hearing, and shall attempt to solve the problem with the person(s) with whom the grievant has the grievance, or that person's immediate supervisor if there is no reasonable opportunity to solve the problem with the individual(s) directly involved.

1. Specifically, the grievant(s) should, if appropriate, schedule a meeting about the issue(s) with the person with whom the grievant(s) has the grievance, and if necessary, schedule a meeting with the person's immediate supervisor and/or schedule a meeting with the appropriate college administrator. An "informal" discussion after class, or a chance meeting regarding the issue, does not constitute completion of step 1 of the informal process.
2. If the matter is not resolved at step "1" above, the grievant will contact the College grievance officer for assistance. The grievant shall provide the grievance officer with a written statement of grievance and may provide any other information and documentation in support of the grievance. The statement of grievance shall specify the time, place, nature of the complaint, and the remedy or corrective action requested. If a grievant believes that a specific district policy has been violated, the grievant should specify the policy or policies alleged to have been violated. The grievance officer shall inform the grievant of their rights and responsibilities under this policy.
3. The grievance officer will provide a copy of the statement of grievance to the respondent within ten (10) days of receipt of the grievance, or as soon thereafter as practicable.
4. The grievance officer shall gather, copy and review pertinent information, records and documentation and communicate with all parties, and attempt to mediate an informal resolution.

IV. FORMAL RESOLUTION

If there is no informal resolution of the grievance, the grievant has a right to request a grievance hearing. This request must occur no later than one-hundred twenty (120) calendar days after the alleged incident.

A. Meeting of the Grievance Hearing Committee

1. Within fifteen (15) days following receipt of the request for a grievance hearing, or as soon thereafter as practicable, a Grievance Hearing Committee shall meet and decide if a grievance hearing will be held. The committee shall consider whether the grievant has met the following requirements:
 - a. The request contains allegations, which, if true, would constitute a grievance under this policy;
 - b. The grievant is a student, applicant or former student as defined by this policy.
 - c. The grievant has met the requirements of the grievance policy with respect to timeliness
 - d. The grievant has attempted to solve the matter informally;

- e. The grievant(s) is personally and directly affected by the alleged grievance;
 - f. The remedy requested by the grievant is appropriate for the act that is alleged and is not frivolous; clearly without foundation, or clearly filed for the purposes of harassment.
 - g. The grievant has cooperated in the processing of the grievance.
2. If the above conditions are satisfied, the committee chairperson shall notify the grievance officer in writing, within five (5) days, that a grievance hearing will be held.
 3. If the grievance does not meet each of the requirements, the hearing committee chair shall notify the grievant in writing of the rejection of the request for a grievance hearing, together with the specific reasons for the rejection and the procedures for appeal. This notice will be provided within five (5) days of the date the decision is made by the grievance hearing committee. The grievant may appeal this decision per Appeal, Part 1 of this policy.

B. Composition of the Grievance Hearing Committee

1. The grievance hearing committee shall be made up of five members of the campus community. Two members shall be faculty members appointed by the Academic Senate president. Two members shall be students appointed by the Associated Student Government president. One member shall be a classified staff member appointed by the president of the Classified Senate. One of the faculty members shall serve as chair. Alternates will be appointed as necessary. Three members of the above committee shall constitute a quorum. All members are entitled to vote on matters related to the grievance.
2. No person shall serve as a member of the hearing committee if that person has been personally involved in any matter giving rise to the grievance, has made any public statement on the matters at issue, or could otherwise not act in a fair manner. The grievant (s) or respondent(s) may challenge for cause any member of the hearing committee prior to the beginning of the hearing by addressing a challenge, in writing, to the CEO who shall determine whether cause for disqualification has been shown. If the CEO feels that sufficient grounds for removal of a member of the grievance committee has been presented, the CEO shall remove the challenged member or members and ask that the appropriate person name a replacement.

C. Formal Hearing Procedure

1. The grievance officer will ensure that relevant information and documentation is made available at the hearing. Information requested will be provided in such a way that it does not violate the privacy rights of others.

2. The decision of the grievance hearing committee chair shall be final on all matters relating to the conduct of the hearing unless there is a vote of a majority of the other members of the panel to the contrary.
3. The grievant may obtain the assistance of a person of his or her choice (at his or her own expense), except the grievant may not be represented by legal counsel.
4. The respondent may represent himself or herself; or the respondent may obtain the assistance of a person of his or her choice, except the respondent may not be represented by legal counsel.
5. Each party to the grievance may call witnesses and introduce oral and written testimony relevant to the issues of the matter.
6. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.
7. Unless the grievance hearing committee determines to proceed otherwise, each party to the grievance shall be permitted to make an opening statement. Thereafter, the grievant or grievants shall make the first presentation, followed by the respondent or respondents. The grievant(s) may present rebuttal evidence after the respondent(s)' evidence. The burden shall be on the grievant or grievants to prove by substantial evidence that the facts alleged are true and that a grievance has been established as specified above.
8. Hearings shall be closed and confidential unless all parties request that it be open to the public. Any such request must be made no less than 10 days prior to the date of the hearing.
9. In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the committee agree to the contrary.
10. The hearing shall be recorded by the grievance officer either by tape recording or stenographic recording, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the grievance hearing committee chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. The tape recording shall remain in the custody of the District, either at the College or the District office, at all times, unless released to a professional transcribing service. Any party may request a copy of the tape recording.
11. When the presentation of evidence is concluded, the hearing committee's deliberations shall be confidential and closed to all parties. The hearing committee's deliberations shall not be tape-recorded. Only those committee members present throughout the hearing may vote on the recommendations of the grievance hearing committee.

D. Findings of the Grievance Hearing Committee

1. Within twenty (20) days following the close of the hearing, the grievance hearing committee shall prepare and send a written decision to the grievant(s), respondent, and grievance officer.
2. The decision shall include specific factual findings regarding the grievance, and shall include specific conclusions regarding whether a grievance has been established as defined above.
3. The decision shall also include a specific recommendation regarding the relief to be afforded the grievant, if any.
4. The decision shall be based only on the record of the hearing, and not on matters outside of that record.
5. The record will consist of the original grievance, any written response, and the oral and written evidence produced at the hearing.

IV. APPEAL

Part 1.

1. Any appeal relating to a grievance hearing committee decision that the statement of grievance does not present a grievance as defined in these procedures shall be made in writing to the CEO within ten (10) days of that decision.
2. The CEO shall review the statement of grievance and request for grievance hearing in accordance with the requirements for a grievance provided in these procedures, but shall not consider any other matters. The CEO's decision whether or not to grant a grievance hearing shall be final and not subject to further appeal.

Part 2.

1. Any appeal related to the findings of the grievance hearing committee following a formal hearing shall be made, in writing, to the CEO within ten (10) days of that decision.
2. The CEO shall review the record of the hearing and the documents submitted in connection with the appeal, but shall not consider any matters outside of the record. Following the review of the record and appeal statements, the CEO shall make a written recommendation regarding the outcome of the appeal.
3. The CEO may decide to sustain, reverse or modify the decision of the grievance hearing committee. The CEO's decision shall include a statement of reasons for the decision. The CEO's decision shall be final. The decision on appeal shall be reached within five days after receipt of the appeal documents. Copies of the CEO's appeal decision shall be sent to the grievant, respondent, and the grievance.

COLLEGE OF THE CANYONS STATEMENT ON ACADEMIC INTEGRITY AND PLAGIARISM

Approved by Academic Senate in May, 2010

Students are expected to do their own work as assigned. At College of the Canyons, we believe that academic integrity and honesty are some of the most important qualities college students need to develop and maintain. To facilitate a culture of academic integrity, College

of the Canyons has defined plagiarism and academic dishonesty. Due process procedures have been established when plagiarism or academic dishonesty is suspected.

At College of the Canyons, we define plagiarism as follows: Plagiarism is the submission of someone else's work or ideas as one's own, without adequate attribution. When a student submits work for a class assignment that includes the words, ideas or data of others, without acknowledging the source of the information through complete, accurate, and specific references, plagiarism is involved. This may include dual submissions of a similar work for credit for more than one class, without the current instructor's knowledge and approval.

To be specific, below are some of the situations that will be considered plagiarism at College of the Canyons:

- Use information from any source, online or in print, in one's own writing without acknowledging the source in the content and in the reference page of the assignment;
- Simply list the sources in the reference page, without parenthetical citations in the body of the essay;
- Take more than one printed line of words consecutively from the source without putting quotation marks around them, even though the student has put the author's name in the parentheses or in the reference page;
- Turn in work done for other classes, regardless how big or small the assignment may be, without the current instructor's approval—this is considered "self-plagiarism," which is a form of academic dishonesty; or,
- Turn in work by another student, even by accident.

In addition, College of the Canyons has strict rules against using electronic devices during exams without the instructor's approval. To be specific, absolutely no cell phones or any electronic devices can be on the desk or in sight during test or exam without the instructor's approval. The presence of electronic devices in sight during exams may be considered as intention to cheat and will be processed as a form of academic dishonesty. Cases of alleged academic dishonesty, such as plagiarism or cheating, will be referred to the Dean of Student Services for investigation. See your syllabus for course specific policies, rules, and guidelines on plagiarism and academic dishonesty.

DISTRICT POLICIES GOVERNING STUDENT RIGHTS AND RESPONSIBILITIES

Institutional board policies and accompanying administrative procedures can be found at <http://www.canyons.edu/administration/BOT>.

5529 STUDENT CONDUCT

5529.1 Introduction

The California Education Code (section 66300) requires every community college governing board to adopt specific rules governing student behavior along with applicable penalties for violation of such rules.

Students enrolling at College of the Canyons assume an obligation to abide by all College regulations.

1. has submitted an application to the College for the current or upcoming terms; or
2. is enrolled in, or registered in an academic program of the College, including classes for credit, noncredit classes, fee-based training classes, and programs including but not limited to the Employee Training Institute, Community Education, and free workshops where teaching or training occurs, or;
3. has met the conditions for part one (1) or two (2) above in the immediately preceding semester or intersession.

5529.2 Grounds for Disciplinary Action

A student may be disciplined for one or more of the following causes, which must be College/District related and which may occur either on any District site or elsewhere off-site during a college-sponsored activity or event, or through any online interaction the student may have with another member of the campus community. In cases involving alleged rape, sexual assault, domestic violence, dating violence or stalking, in which both the alleged complainant and the accused are both students of the College, jurisdiction extends to matters which may occur either on or off campus, and not necessarily in conjunction with a college-sponsored activity or event.

This list is not intended to be exhaustive, but is an example of good and sufficient causes for disciplinary action.

- A. Any theft, conversion, or damage or destruction, including, but not limited to, cutting, defacing, vandalizing, or marking with graffiti, of and/or to any property, real or personal, belonging to the College, a member of the College staff, a student, or a campus visitor, or knowingly receiving stolen College or District property or private property on campus.
- B. Forgery, alteration or misuse of College documents, keys, records, or identification, or knowingly furnishing false information to the College or one of its officials, or any fraud activity including, but not limited to, reversing credit card charges to avoid paying fees, or failure to make good on returned checks cashed by the College.
- C. Cheating, plagiarism, fabrication, and other forms of academic dishonesty, and/or facilitating academic dishonesty, including, but not limited to: having other students or non-students take courses, tests, placement exams, or write papers; access to, or use of electronic devices, during exams; opening internet browsers while taking closed book, closed note proctored exams.
- D. Violation of classroom rules, as determined by each course syllabus, including, but not limited to, the use of cell phones, and other unauthorized devices, attendance and punctuality standards, decorum standards, safety standards, including, but not limited to the wearing of specified footwear and/or safety gear and/or protective clothing or uniforms, and other standards found in the course syllabus.
- E. Physical or verbal abuse, or harassment, including, but not limited to, sexual harassment, or any threat of force or violence including physical altercation, flaming, bashing, bullying, intimidation, harassment,

sharking or any abusive, threatening, coercive, or hostile behavior, including online interaction, directed toward any member of the College, or members of his or her family, or a campus visitor, or any harassing or discriminatory behavior based on race, sex, sexual orientation, religion, age, national origin, disability, or any other status protected by law.

F. **Sexual Harassment**

Sexual harassment is defined as unwelcome conduct of a sexual nature that may include unwelcome sexual advances, requests for sexual favors, and/or other verbal, non-verbal, or physical conduct of a sexual nature. Sexual harassment also encompasses nonsexual conduct, provided the behavior is unwelcome, is based on sex or sexual stereotyping, and has the effect of interfering with a student's ability to participate in or benefit from a school program, such as participation in athletics, employment or co-curricular activities.

Examples of sexual harassment include, but are not limited to:

- making sexual propositions or pressuring students and other member of the campus community for sexual favors;
- unwanted touching of a sexual, or non-sexual, nature;
- writing graffiti of a sexual nature;
- displaying or distributing sexually explicit drawings, pictures, photographs, or written materials;
- performing sexual gestures or touching oneself sexually in front of others;
- telling sexual or dirty jokes;
- spreading sexual rumors or rating other students and other members of the campus community as to sexual activity or performance; or,
- circulating or showing e-mails or websites of a sexual nature
- requesting another person to provide nude photographs or photographs of a sexual or illicit nature of him/herself

I. **Sexual Exploitation**

Sexual exploitation, defined as a person taking sexual advantage of another person for the benefit of anyone other than that person without that person's consent, regardless of the victim's affiliation with the community college, including, but not limited to, any of the following:

1. Prostituting another person
2. Recording images, including video or photograph, or audio of another person's sexual activity, intimate body parts, or nakedness without that person's consent.
3. Distributing images, including video or photograph, or audio of another person's sexual activity, intimate body parts, or nakedness, if the individual distributing the images or audio know or should have known that the person depicted in the images or audio did not consent to the disclosure and objected to the disclosure.

4. Viewing another person's sexual activity, intimate body parts, or nakedness in a place where that person would have a reasonable expectation of privacy, without that person's consent.
5. Viewing another person's sexual activity, intimate body parts, or nakedness in a place where that person would have a reasonable expectation of privacy, without that person's consent, and for the purpose of arousing or gratifying sexual desire. (Education Code Section 76033)

J. **Stalking**

Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or to suffer substantial emotional distress. Alleged stalking activity includes, but is not limited to, that which occurs in person, through electronic devices, online, or through social media.

Examples of stalking include, but are not limited to:

- Following
- Obsessive behavior
- Unwanted and/or excessive phone calls or other forms of communication
- Unwanted letters or messages
- Unwanted gifts or threatening gifts
- Damage to property
- Appearance at places of residence, school, work
- Threats to person, family, or friends
- Inappropriate confrontations and approaches

K. **Dating Violence**

Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of a romantic or intimate relationship will be determined based on the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship.

L. **Domestic Violence**

Includes felony or misdemeanor crimes of violence committed by:

1. A current or former spouse of the victim;
2. A person with whom the victim shares a child in common;
3. A person who is cohabitating with or has cohabitated with the victim as a spouse;
4. A person who is cohabitating with or has cohabitated with the victim other than as a spouse;
5. A person similarly situated to a spouse of the victim under California law; or
6. Any other person against an adult or youth victim who is protected from that person's acts under California law.

- M. Misuse of any student contact information obtained in any manner, including, but not limited to, sending harassing, stalking, threatening, offensive, indecent, lewd, or obscene correspondence or photos either through email, texting or social media, or making harassing, stalking, threatening, offensive, indecent, lewd, or obscene phone calls to another student.

- N. Misuse of email or engaging in other inappropriate forms of communication with College faculty or staff, including, but not limited to, communication by written notes, phone, voicemail, or any form of electronic communication.
- O. Manufacture, use, possession, distribution, sale, offer to sell, furnishing, arranging or negotiating the sale of any drug or drug paraphernalia, or being under the influence of alcohol, narcotics, recreational drugs (whether legal or illegal), or other dangerous drugs, or the abuse of any lawfully prescribed medication which causes the student to be so impaired as to be a danger to oneself or others, or to be disruptive to the educational or administrative process, on campus, or off campus at any college-sponsored event, including day and night while the student is under the supervision of the College and its personnel, even when formal activities of the event (athletic event, conference, field trip, etc.) have ended.
- P. Unauthorized entry into, unauthorized use of, possession of, or misuse of, College or District property, facilities, supplies or equipment, or vehicles, or unauthorized occupancy of any buildings or other facilities owned, rented, leased, or otherwise under the control of the College or District.
- Q. Disorderly, lewd, indecent, obscene, or offensive conduct on District-owned or controlled property or at College-sponsored or supervised functions, or engaging in expression which is libelous or slanderous, or which so incites students as to create a clear and present danger of the commission of unlawful acts on College or District premises, or the violation of lawful College or District regulations, or the substantial disruption of the orderly operation of the College or District.
- R. Possession, use, or sale of any weapons including, but not limited to, firearms, knives, explosives, dangerous chemicals, or other potentially harmful implements, substances, or objects, which could be classified as a weapon, or any imitation or replica weapons, which may cause alarm to the College community while on the College campuses or at a College or District-sponsored function without prior authorization of the Chief Executive Officer (CEO) or designee.
- S. Failure to identify oneself to or failure to comply with directions of College officials acting in performance of their duties including, but not limited to, the provisions of the Penal Code Sections 626.6 and 626.8.
- T. Obstruction or disruption, on or off campus, of the College's education process, administrative process, or other College function, or the open and persistent defiance of authority. This includes all extracurricular activities including, but not limited to, internships, service-learning activities, athletic events, conference travel, and field trips during all hours the student is under supervision of the College and its personnel.
- U. Violation of any order of the CEO or designee, notice of which has been given prior to such violation and which order is not inconsistent with any of the other provisions of this policy. This notice may be given by publication in the College newspaper, website, social network, or by posting on an official bulletin board designated for this purpose.
- V. Soliciting or assisting another to undertake any act, which would subject a student to expulsion, suspension, probation, or other discipline pursuant to this policy.
- W. Abusive behavior directed toward, or hazing of, a member of the College community, or any act, which injures, degrades, disgraces or tends to injure, degrade, or disgrace any fellow student or member of the campus community.
- X. Any other cause not listed above which is identified as good cause by Education Code Sections 76032 and 76033.
- Y. Abuse of computing facilities or computer time, including but not limited to unauthorized entry into a file to use, read, or change the contents or any other purpose; unauthorized transfer of a file; unauthorized use of another individual's identification or password; use of computing facilities to interfere with the work of another student, faculty member, or College official; and/or use of computing facilities to interfere with a College computing system. For specifics, refer to the College of the Canyons Acceptable Use Agreement.
- Z. Committing any act or engaging in any behavior that threatens or endangers the health or safety of another individual on campus or at any college-sponsored activity or event.
- AA. Willful misconduct that results in injury or death to a student or to College or District personnel or a campus visitor.
- BB. Unauthorized preparation, selling, giving, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, or any materials that are the intellectual property of a faculty member, except as permitted by any district policy or administrative procedure.
- CC. Gambling on College or District property.
- DD. Willful or persistent smoking of tobacco products, or the use of an electronic cigarette, hookah pen or pipe, or similar device used to ingest flavored serums, with or without nicotine and which dispense vapors, in any area where smoking or use of vapor emitting electronic cigarettes, pens, pipes or similar devices has been prohibited by law or by regulation of the College or District.
- EE. Failure to follow and comply with established guidelines and regulations of off-site entities while participating in college-sponsored, off-campus activities including, but not limited to, conferences, retreats, field trips, excursions, internships, externships, service-learning or volunteer placements, and athletic events.

- FF. Violation of College or District policies or of campus regulations including those concerning chartering and registration of student organizations, use of College or District facilities, or the time, place and manner of public expression.
- GG. Any attempt to misuse a campus parking permit issued by the College or District including, but not limited to, selling a college-issued student parking permit to another student, giving an expired student parking permit to another student, allowing a current or expired student parking permit to be borrowed by another student, making use of any stolen college-issued parking permit, creating or making any form of falsified or fake student or faculty/staff parking permit with the intent for use on a District campus.
- HH. Violations of California Vehicle Code or local traffic violations, which cause a threat to persons or property, or the orderly operation of the College by virtue of the nature or frequency of the violations.
- II. Failure to pay, in a timely manner, parking citations written by the College's campus safety officers for parking violations, which occur on the College's campuses.
- JJ. False accusations or malicious charges against another student or member of the campus community.
- KK. Violation of federal, state, or local statute or ordinance, or District policy, rule, or regulation while on College property and during all hours, off campus, while the student is under the supervision of the College and its personnel.
- LL. Attempting to perform any actions that are cause for disciplinary action identified above.
4. **Official Reprimand**
A written reprimand is for violation of specified regulations or misconduct. It serves to place on record that a student's conduct in a specific instance does not meet with the student's expected performance at the College. A person receiving a reprimand is notified that continued conduct of the type described in the reprimand may result in additional disciplinary action against the student. The student is further informed that records of reprimands are destroyed four years after the last entry has been made concerning disciplinary action against an individual student and that such records are not considered part of a student's permanent record at the College.
5. **Loss of Privileges**
Exclusion from extracurricular activities, removal from campus(es), removal from campus organizations, or denial of specified privileges for a designated period of time. An organization may also lose campus privileges, including, but not limited to, the forfeiture of official recognition by COC.
6. **Disciplinary Probation**
Disciplinary probation is a status imposed by the College for a specific length of time during which the student must conform to College standards of conduct. Conditions restricting privileges and/or eligibility may be imposed. For example, students may be removed from all College organization offices and denied the privilege of participating in all College and student-sponsored activities, including public performances. Other conditions, such as community service and academic workshops, may be imposed. The term of disciplinary probation shall be not less than one college month nor longer than four (4) college years. Repetition during the probationary period of conduct resulting in disciplinary probation may be cause for suspension or other, more stringent, disciplinary action.
7. **Removal by Instructor**
- An instructor may remove a student from his/her class, including face-to-face, online, or through a learning management system, field trip, lab, or other educational program when the student has interfered with the instructional process (Education Code Section 76030). The duration will be for the day of the removal, at a minimum, and the next class meeting at the instructor's discretion. The instructor shall immediately report the removal to the Office of Student Services for appropriate action.
 - If the student who is being removed for two class meetings is a minor, the dean or designee shall notify the parent or guardian of the student involved in the incident, and shall hold a conference regarding the suspension as soon as possible with the student, his or her parent or guardian and the faculty member, (Education Code 76032).

BP 5530 DISCIPLINARY ACTION

5530.1 The following policies regulating student disciplinary actions are adopted for the purpose of providing a uniform method of disciplining students for misconduct, and assuring that all students are accorded fair and objective treatment. Every effort shall be made to make the student aware of these policies.

1. **Warning**

Notice to the student that continuation or repetition of specified misconduct may be cause for other disciplinary action.

2. **Restitution**

The student is required to make payment to the College, or to other persons, groups, or organizations for damages, loss, or injury incurred as a result of a violation of this policy. Restitution may take the form of appropriate service, monetary reimbursement, or materials replacement, as permitted by law.

3. **Fine**

A fine, as established in the associated Administrative Procedures 5530, payable to the College, for violations of this policy. Failure to pay the specific fine by the established date will result in a hold on the student's records and ability to register, in any district program, for future terms.

8. Disciplinary Suspension

- a. Disciplinary suspension consists of the temporary removal of the student from enrollment or participation in all College curricular, or extracurricular activities, as well as noncredit, fee based training classes, and programs including but not limited to the Employee Training Institute, Community Education, and free workshops.
- b. A student may be suspended from one or more classes for the remainder of the school term; or from all classes and activities of the College for one or more terms.
- c. A suspended student is not to occupy any portion of the campus or campuses, or learning management system, and is denied all College privileges including face-to-face, and online class attendance and privileges noted under "Disciplinary Probation."
- d. Removal of a student suspended from one or more courses may be notated on the student's transcript as W for withdrawal.
- e. Whenever a minor is suspended from a community college (all courses, programs, and, activities), the parent or guardian shall be notified in writing by the Chief Executive Officer (CEO) or the president's designee (Education Code 76031).

9. Expulsion

Expulsion consists of the permanent and unconditional removal of the student from the College and all its programs. Students may be expelled from the College only by action of the Board of Trustees upon recommendation of the CEO (Education Code 76030). Notation of the expulsion may be noted on the student's official transcript for an indefinite period of time. Appeal of this notation may be made to the CEO using the process established in Policy 5531.3(F) – Due Process.

10. Interim Suspension

Interim suspension consists of temporary removal of the student from the College for both academic and extra-curricular activities during the limited time necessary to complete an investigation and is not necessarily considered a disciplinary action.

Interim Suspension shall be:

- a. Imposed by the CEO of the College, or designee, pending a hearing, only when such action is deemed to be necessary for the immediate safety and welfare of the students and staff members or for the protection of the District property;
- b. Limited to only that period of time necessary to assure that the purpose of interim suspension is accomplished;
- c. For not more than a maximum of ten (10) College days.
- d. Students suspended on an interim basis shall be given an opportunity for a hearing within ten (10) days of being placed on interim suspension.

- e. Students found not culpable at the conclusion of an interim suspension may be provided an opportunity to make up all work missed for all courses in which they are enrolled in, at the time.

11. Administrative Hold

A hold placed on a student's records to prevent the student from re-enrolling in COC courses or the ability to receive any and all College services. This action shall be taken when a student has been suspended or expelled from the Santa Clarita Community College District. A hold may also be implemented after a student fails to attend a mandatory disciplinary hearing with the dean or designee, and, depending upon the outcome of the hearing, the hold may be removed after the student has attended the required hearing. An administrative hold may also be placed upon a student's record if the student has excessive parking citations, or owes other fees or penalties determined to be a violation of this code.

12. Campus Restraining Order (CRO)

The CRO shall prohibit named students from intentionally contacting, telephoning, texting, emailing, or otherwise disturbing the peace of others specifically named, for a specified period of time. A violation of a term or condition of such an order may be regarded as actionable misconduct and may subject the student to further disciplinary action. A copy of the CRO will be provided to the alleged victim.

13. Reinstatement Process

- a. Notwithstanding any other law, if an order requested by a community college district to protect a campus of a community college district or any person regularly present on a campus of that district is issued upon a finding of good cause by a court against a student of that community college district, and the order prevents that student from attending classes and maintaining his or her academic standing, the community college district may require the student to apply for reinstatement after the expiration of that order. If the District requires the student to apply for reinstatement, the District shall do so before the expiration of the protective order. If a student applies for reinstatement under this paragraph, a review with respect to the application shall be conducted by the dean of students (or designee). This review, at a minimum, shall include consideration of all of the following issues:
 - (1) The gravity of the offense.
 - (2) Evidence of subsequent offenses, if any.
 - (3) The likelihood that the student would cause substantial disruption if he or she is reinstated.
- b. The governing board of the community college district, or the person to whom authority is delegated pursuant to subdivision (f) of Education Code Section 76038, shall take one of the following actions after conducting a review under paragraph (a):

- (1) Deny reinstatement.
- (2) Permit reinstatement.
- (3) Permit conditional reinstatement and specify the conditions under which reinstatement will be permitted.

BP 5531 DUE PROCESS - STUDENT DISCIPLINARY ACTION

5531.1 Introduction

Students are members of both society and the academic community with attendant rights and responsibilities. Students are expected to comply with the general law as well as College policies. The procedures below apply to alleged misconduct of students on campus, or at official College events off campus.

In cases involving alleged rape, sexual assault, domestic violence, dating violence or stalking, in which both the alleged complainant and the accused are both students, of the College, as defined below, jurisdiction extends to matters which may occur either on or off campus, and which may not be limited to College events.

The following procedures outlined in sections 5531.3, 5531.4, and 5531.5 represent steps that may be employed to reach a resolution in cases of alleged misconduct. The reader should note that each case is handled individually and that while due process is always employed, some of the procedures outlined below may not be necessary in every case. Due process rights, as outlined below, do not restrict or unnecessarily delay the Title IX protections for the complainant. Questions concerning these procedures should be addressed to the Office of the Dean of Students.

5531.2 Definition of Terms

- A. For the purposes of this policy, at the time an alleged violation occurs, a student is defined as an individual who:
 1. has submitted an application to the College for the current or upcoming terms; or
 2. is enrolled in, or registered in an academic program of the College, including classes for credit, noncredit classes, fee based training classes, and programs including but not limited to the Employee Training Institute, Community Education, and free workshops where teaching or training occurs, or;
3. has met the conditions for part one (1) or two (2) above in the immediately preceding semester or intersession.
- B. Complainant: The term “complainant” is defined as any individual who files a formal complaint that a student has allegedly violated one or more sections of the Student Code of Conduct.
- C. Respondent: The term “respondent” is defined as a student against whom a complaint has been filed and who is alleged to have violated one or more sections of the Student Code of Conduct.
- D. Accused: The term “accused” is defined as a student against whom a complaint has been filed and who is accused by a complainant of having committed one, or more, of the following acts: sexual assault or rape; sexual harassment, sexual misconduct, sexual

exploitation, stalking, dating violence, or domestic violence, each of which is a violation of one or more sections of the Student Code of Conduct.

- E. Notice: Whenever this Policy requires giving notice to any student, mailing such notice, to the mailing address most recently provided by the student or, if undeliverable at that address, to the student's permanent address of record, shall constitute notice.
- F. Days: For purposes of this Policy, the term “days” means normal business days and shall not include Saturdays, Sundays, or administrative holidays.
- G. Student Conduct Committee: This committee consists of five members of the campus community who convene as needed to adjudicate cases of misconduct. See 5531.4 for additional information.

5531.3 Due Process

- A. Referral of Cases: Any member of the campus community who has knowledge of alleged misconduct of students may bring the matter to the attention of the Office of the Dean of Students. The Dean (or designee) may require a written statement relative to the alleged misconduct. The dean of Students in consultation with the Academic Senate will develop specific procedures to address alleged violations of academic and/or classroom misconduct. Referrals to the Office of the dean of students shall be made within thirty days following the discovery of the alleged misconduct. The CEO may grant exceptions to this timeline.
- B. Investigation and Notice to Student: Upon receiving notice of the alleged violation, the dean of students (or designee) may consider information acquired from a complainant and may augment that information through further investigation in order to determine if there is cause to believe that a violation may have occurred.
 1. In cases involving an allegation of sexual assault it shall not be a valid excuse that the accused believed that the complainant affirmatively consented to the sexual activity if the accused knew or reasonably should have known that the complainant was unable to consent to the sexual activity under any of the following circumstances:
 - a. The complainant was asleep or unconscious.
 - b. The complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the complainant could not understand the fact, nature, or extent of the sexual activity.
 - c. The complainant was unable to communicate due to a mental or physical condition.
 2. The District will investigate all complaints alleging sexual assault under the procedures for sexual harassment investigations described in AP 3435 (staff), and BP 5531 (student), regardless of whether a complaint is filed with local law enforcement.
 3. All victims of rape, sexual assault, domestic violence, dating violence, or stalking, occurring on or off campus, shall be kept informed, through the Dean of Students Office, or the Office of

- Human Resources (depending on the status of the accused) of any ongoing investigation. Information shall include the status of any student or employee disciplinary proceedings or appeal; victims of domestic violence, dating violence, sexual assault, or stalking are required to maintain any such information in confidence, unless the alleged assailant has waived rights to confidentiality. The College will disclose to the alleged victim the final results of a disciplinary proceeding against the alleged perpetrator, regardless of whether the institution concluded that a violation was committed.
4. With the exceptions noted in Administrative Procedure 3515 (Reporting of Crimes - Confidentiality), the District shall maintain in confidence the identity of any alleged victim, witness, or third-party reporter of domestic violence, dating violence, sexual assault, or stalking, occurring on or off campus, as defined above, unless the alleged victim, witness, or third-party reporter specifically waives that right to confidentiality. All inquiries from reporters or other media representatives about alleged domestic violence, dating violence, sexual assaults, or stalking, occurring on or off campus, shall be referred to the District's Public Information Office, which shall work with the dean of students or Vice President of Human Resources to assure that all confidentiality rights are maintained.
 5. In cases in which the dean (or designee) determines that there is not cause to believe that a violation may have occurred, the dean (or designee) may decide that the case will not be pursued further. If the allegation concerned academic and/or classroom misconduct, the dean (or designee) will contact the complainant to explain his or her reasoning. The complainant may appeal the decision to not pursue discipline, within 10 working days, to the Vice President of Academic Affairs.
 6. The dean (or designee) may refer the matter to other campus and/or community resources.
 7. The dean (or designee) shall notify the student respondent in writing of the following:
 - a. the nature of the alleged conduct in question, including a brief statement of the factual basis of the charges; the time, date, and place it is alleged to have occurred; and the campus regulations allegedly violated;
 - 1) Temporary Campus Restraining Order (TCRO):
In cases in which the dean (or designee) has a reasonable suspicion to believe that an alleged violation of Policy 5529.2(D) and/or 5529.2(M) occurred, the dean (or designee) may issue, in addition to the letter of notification, a Temporary Campus Restraining Order (TCRO). The TCRO shall prohibit named students from intentionally contacting, telephoning, texting, emailing, or otherwise disturbing the peace of others specifically named for a specified period of time.
- A TCRO shall not include a provision that terminates the respondent's student status as a student, nor shall it be construed as a finding of culpability on the part of any student respondent. Nevertheless, violation of a term or condition of such an order may be regarded as actionable misconduct and may subject the student respondent to disciplinary action without regard to the outcome of the case that occasioned the issuance of the TCRO. A copy of the TCRO will be provided to the alleged victim.
- 2) a copy of the student conduct procedures; and
 - 3) that an interview with the dean (or designee) must be scheduled within seven (7) days for the purpose of an initial hearing. The student respondent may waive the right to an initial hearing and request that the matter be referred directly to the Student Conduct Committee for a hearing.
- C. Placement and Notice of Hold:
In the event that the student respondent does not contact the Office of the Dean of Students within the seven (7) day period, or fails to keep any scheduled appointment, the dean (or designee) may then place a hold on the student respondent's College records and notify the student respondent that this action has been taken. Notification may be in the form of pre-notification by way of the summons letter which shall indicate a date certain by which the student respondent, must reply or keep an appointment in order to avoid the hold being placed on the student respondent's College records; or, in certain cases, notification of the placement of the hold shall be made at the time the summons and notice of allegations are mailed to the student respondent. Such hold will be removed only when the student respondent either appears at the Office of the Dean of Students (or designee) for a scheduled interview, or requests in writing that the case be referred directly to the Student Conduct Committee for a hearing.
 - D. Initial hearing with the dean:
The dean of students (or designee) shall, at the initial hearing:
 1. determine that the student respondent has received a copy of these procedures;
 2. discuss confidentiality; inform the student respondent that the content of this and all subsequent communications with the office regarding information not relevant to the case shall, insofar as allowed by law, be treated confidentially, unless such confidentiality is waived by the student; and that information relevant to the case may be divulged to those who have a legitimate educational interest;
 3. describe to the student respondent as completely as possible the allegation, and the College policies allegedly violated, hear the student respondent's defense to such charges and;

4. provide the student respondent with an opportunity to inspect all documents relevant to the case which are in the possession of the dean at the time of the hearing, and all such documents arriving after the initial hearing but before disposition of the case by the dean of students (or designee);
 5. provide the student respondent with copies of the documents relevant to the case, at the student respondent's request, and;
 6. counsel the student respondent regarding the campus discipline process as appropriate.
- E. Right of Student to be Accompanied at Initial Hearing
1. If the student respondent is accompanied by a person or persons (not affiliated with the allegation) of their choice at the initial hearing with the dean (or designee), it shall be recognized that the student respondent has provided implied consent for the presence of a third party person at the initial hearing.
 2. At the initial hearing, the student respondent must represent him or herself. Any person accompanying the student respondent must not address the dean (or designee)
 3. The dean (or designee) may excuse any person accompanying the student respondent, from the initial hearing, if the Dean (or designee) deems that person's presence is being disruptive to the hearing process.
- F. Disposition by the dean of students (or designee): After meeting with the student respondent, the dean (or designee) may take one of several actions:
1. Insufficient Evidence:
If the dean (or designee) concludes that there is insufficient evidence to sustain a finding of culpability, he or she may decide not to refer the case to the Student Conduct Committee. The complainant may still attempt to resolve the matter through campus and/or community resources.

In the cases of alleged violations of classroom and/or academic misconduct the dean (or designee) will notify the complainant of this outcome (if allowed by law). The complainant may appeal this decision, within ten working days, to the Vice President of Academic Affairs.
 2. Informal Agreement of Resolution:
In cases in which the dean (or designee) determines that an Informal Agreement of Resolution is appropriate, the student respondent will be informed that this resolution, while not a part of the student respondent permanent record, is binding. If the student respondent fails to abide by the informal agreement of resolution, such failure will be regarded as actionable misconduct, under District Policy 5529.2(L), and may subject the student respondent to disciplinary action by the College.

Each informal agreement of resolution shall be regarded as binding within the College and may include:
 - a. Direction by the dean (or designee) to the student respondent to refrain from the behavior(s) described by the dean (or designee) and/or restrictions regarding contact with others involved in the case.
 - 1) Required participation by the student respondent in educational programs and/or reconciliation processes, including mediation.
 - 2) Required participation by the student respondent as an unpaid volunteer in activities that serve the College and/or community.
 - 3) Retention of the case file and the Informal Agreement of Resolution in the Office of the Dean of Students for two (2) years from the date appearing on the agreement. During those two (2) years, should the dean (or designee) have a reasonable suspicion to believe that the student respondent has engaged in misconduct related in nature to the conduct which occasioned the agreement, both cases may be subject to College disciplinary action.
3. Formal Disciplinary Action:
- a. If the student respondent does not admit culpability, and if the dean (or designee) concludes that an informal agreement of resolution is not appropriate, and that there is sufficient evidence such that a student conduct committee could find, by a preponderance of the evidence, that the student respondent has violated College policy, the dean (or designee) shall refer the case to the student conduct committee for a hearing.
 - b. If the dean (or designee) determines at the initial hearing to refer the case to the student conduct committee for a hearing, the dean (or designee) shall inform the respondent, at the conclusion of the initial hearing, of the range of sanctions the student conduct committee may consider for the alleged violation by the respondent, based on sanctions imposed in similar cases.
 - c. If the student respondent does admit culpability, and if the dean (or designee) concludes that there is sufficient evidence to sustain a finding of culpability, the dean (or designee) may impose, or impose and suspend, one or more of the sanctions listed in Santa Clarity Community College District Policy 5530 (excluding expulsion); moreover, the imposition of any sanction may be effective retroactively. Regardless of the action taken, the dean (or designee) shall confirm his or her disposition of the case in a written notice mailed to the student respondent within ten (10) days of the action.

- 1) In cases involving an allegation of sexual assault it shall not be a valid excuse to alleged lack of affirmative consent that the accused believed that the complainant consented to the sexual activity under either of the following circumstances:
 - i. The accused's belief in affirmative consent arose from the intoxication or recklessness of the accused.
 - ii. The accused did not take reasonable steps, in the circumstances known to the accused at the time, to ascertain whether the complainant affirmatively consented.
- G. Appeal of the Sanction Imposed by the Dean:
 1. If the dean (or designee) imposes a sanction of suspension or recommends expulsion, the student respondent may submit a written appeal of the imposed suspension or expulsion to the CEO within five (5) days of the date appearing on the dean's (or designee's) written confirmation of his or her action. The imposition of a sanction of suspension may be withheld during such appeal. The CEO's review of such appeal shall be in accordance with the provisions set forth in Section 5531.5, The CEO, below. The CEO's decision is final.
 2. Withdrawal of Consent to Remain on Campus: The dean (or designee) may notify a respondent that, for whom there is a reasonable belief that he/she may willfully disrupt the orderly operation of the campus, consent to remain on campus has been withdrawn. If the respondent is on campus at the time, he/she must promptly leave or be escorted off campus. If consent is withdrawn by the dean (or designee), a written report must be promptly made to the CEO.

The respondent from whom consent has been withdrawn may submit a written request for a hearing on the withdrawal within the period of the withdrawal. The request shall be granted not later than seven days from the date of receipt of the request. The hearing will be conducted in accordance with the same procedure relating to interim suspensions except the hearing will be held under the authority of a student conduct dean other than the dean who imposed the withdrawal of consent to remain on campus. (Board Policy 5530.A.10)

Any respondent to whom consent to remain on campus has been withdrawn who knowingly reenters the campus during the period in which consent to remain on campus has been withdrawn, except to attend a hearing on the appeal of the withdrawal of consent to remain on campus, is subject to arrest under Penal Code Section 626.4.

5531.4 The Student Conduct Committee

- A. The student conduct committee shall provide a hearing for all cases referred to it under this Policy.
- B. The student conduct committee shall be comprised of five members of the campus community. Two full-time faculty members, one of which shall act as chair; one classified staff member; and two students. Three members must be present to constitute a quorum. A classified staff member shall act as the hearing coordinator and provide appropriate administrative support to the process. Alternate members from each constituent group named above shall be identified and trained.
- C. It is the intention of this policy that hearings be set as soon as reasonably possible after referral to the student conduct committee.
- D. Hearings shall be held in accordance with generally accepted standards of procedural due process, including, but not limited to, the opportunity to present evidence, and the right to examine and cross-examine witnesses in an orderly manner. The student respondent may be advised by any person of the student respondent's choice, at the student respondent's own expense; however, the student respondent must represent him or herself. The committee chair may grant exceptions (for example pending criminal charges against the student respondent). The Committee Chair shall rule on all questions of procedure. Evidence may be received of the sort upon which responsible persons are accustomed to rely in the conduct of serious affairs, and is not restricted to evidence admissible under the strict rules of evidence of a court of law.
- E. When the hearing involves an allegation of rape, or other forms of sexual assault, evidence of the complainant's past sexual history, including opinion evidence, reputation evidence, and evidence of specific instances of the complainant's sexual conduct, shall not be admissible by the accused student unless the committee chair makes a specific finding of relevance after an offer of proof by the accused student. Under no circumstances is past sexual history admissible to prove consent. The offer of proof must be made and resolved by the panel before the complainant testifies.
- F. No inference shall be drawn from the silence of the student respondent. The standard of proof to be applied in these hearings is that of a preponderance of the evidence. Hearings shall be recorded and the student respondent shall receive, upon request, a copy of the record without charge. The record may be an audio-tape recording of the hearing.
- H. The hearing shall be closed to spectators unless a student, who is a respondent to the allegation, specifically requests a public hearing.
- I. The committee chair has the right to exclude spectators from the hearing room if deemed necessary for the quiet or secure conduct of the hearing. When the hearing involves an allegation of rape or other forms of sexual assault, the hearing shall be closed to spectators except for the following:
 1. The complainant shall be entitled, for support, to have up to two persons of the complainant's choice accompany the complainant to the hearing. A support person may be called as witness, and the fact that he or she is to act as a witness shall not preclude that person's attendance

- throughout the entire hearing. If a support person is also a witness, the committee chair may require him or her to testify before the complainant. Neither of these persons shall be entitled to represent or defend the complainant. Similar rights shall be afforded the accused student.
2. The complainant shall have the right to be present during the entire hearing, notwithstanding the fact that the complainant is to be called as a witness.
 3. An individual who participates as a complainant or witness in an investigation of sexual assault, domestic violence, dating violence, or stalking will not be subject to disciplinary sanctions for a violation of the institution's student conduct policy at or near the time of the incident, unless the institution determines that the violation was egregious, including, but not limited to, an action that places the health or safety of any other person at risk or involves plagiarism, cheating, or academic dishonesty.
- J. Responsibility for Presentation of Cases:
1. At the hearing, the student respondent must represent him or herself (exceptions may be granted by the committee chair); however he or she may receive advice, from any person at the student respondent's own expense. An advisor is not allowed to address the committee directly and must conduct him or herself in an appropriate manner.
 2. The committee chair may excuse any advisor for the student respondent from a hearing, if the chair deems the advisor is being disruptive to the hearing process.
 3. If the student respondent wishes the hearing coordinator to direct communications concerning the case to his or her advisor, as well as to him or herself, he or she must provide the hearing coordinator with such a request, including the name and address of his or her advisor, in writing.
 4. The College's representative shall be the dean of students or the dean's designee. The dean (or designee) shall present the case to the committee; provide training to the committee regarding due process; and act as a moderator during the hearing. The dean (or designee) may consult with legal counsel.
 5. Committee members may ask questions of the student respondent witness(es), and other involved individuals in the case, until they are satisfied they have received all the relevant facts of the matter.
- K. Continuing Informal Resolution:
Until the student conduct committee makes its report to the CEO, any agreement between the student respondent and the dean of students (or designee) as to the disposition of the matter shall bind all parties and terminate all proceedings.
- L. Reports to the CEO:
Within fifteen (15) days after the conclusion of a hearing, the committee chair shall submit a report advising the CEO of:
1. the committee's specific finding of fact;
 2. whether, in the opinion of a majority of the committee the student respondent has violated one or more College policies; and
 3. a recommendation of sanction, provided that prior to recommending any sanction, the committee is briefed by the dean of students (or designee) regarding sanctions imposed in similar cases, and any previous cases of misconduct by the student respondent on file with the Office of the Dean of Students; and provided further that the committee indicate the rationale for such recommendation.
- M. The CEO may grant an extension of time for submission of the report for good cause shown and upon such terms as shall avoid undue prejudice to the student respondent. Any member of the committee may submit a minority report to the CEO.
- N. A copy of all reports required to be submitted to the CEO by this policy, including any minority reports, shall be sent to the student respondent, the dean of students (or designee), and the complainant (if allowed by law), when transmitted to the CEO.
- O. The student respondent shall have ten (10) days from the date appearing on the committee report in which to submit to the CEO any written argument supporting the student respondent's position.
- P. If a student does not meet with the dean (or designee) and/or does not appear at the hearing, or has withdrawn from the College while subject to pending disciplinary action, the case may proceed to disposition without the student respondent's participation.
- 5531.5 The CEO**
- A. Decision by the CEO:
The final decision regarding the case shall be made by the CEO except in cases which:
1. are resolved by the dean of students (or designee), and no written appeal is made by the student respondent;
 2. include a recommendation for expulsion.
- B. Basis for Decision:
The CEO shall base his or her decision upon:
1. the report submitted by the student conduct Committee;
 2. counsel solicited from the dean (or designee), regarding sanctions imposed in similar cases, and any previous cases of misconduct by the student respondent on file with the Office of the Dean of Students.
- C. Sanctions:
The CEO may decide to impose, or impose and suspend, one or more of the sanctions listed in Section 5530, with the exception of expulsion (discussed below). The CEO is not limited to those sanctions imposed by the dean, or to those recommended by the student conduct committee, even though such decision may result in a decrease of the student respondent's penalty; moreover, the imposition of any sanction may be effective retroactively.

- D. Recommendation for Expulsion:
1. The CEO or designee, shall, in writing, by first class mail, notify the student respondent, or in the case of a minor, his or her parent or guardian, of the intent of the Board to hear the matter of his or her expulsion. Unless the student respondent, or, in the case of a minor, his or her parent or guardian, request in writing, within 48 hours after receipt of such written notice of intention, that the Board consider the matter in a public meeting, then the hearing to consider such matters shall be conducted by the Board in closed session, without the student respondent and his or her parent or counsel present. If such written request is served upon the CEO, the meeting shall be public, except that any discussion at such meeting that might be in conflict with the right to privacy of any student, other than the student respondent requesting the public meeting, or on behalf of whom such meeting is requested, or the right of privacy of any employee, then the meeting shall be in closed session, without the student respondent, his or her parent or counsel present. Whether the matter is considered in a closed session or in a public meeting, the final action of the Board shall be taken in a public meeting and the result of such action shall be a public record (Education Code 72122).
 2. If the student respondent is being represented by counsel in his or her appeal to the Board of Trustees, the student respondent's counsel can only address the Board in open session.
- E. Appeal:
1. The student respondent may appeal the student conduct committee's or dean's (or designee's) decision to recommend expulsion to the Board of Trustees by filing an appeal with the CEO. Any such appeal shall be submitted in writing within five (5) days following receipt of the committee's or dean's (or designee's) decision and shall specifically state the grounds for appeal. The appeal shall be based only on the disciplinary record and the Committee's or dean's (or designee's) decision.
 2. The appeal and the recommended disciplinary action shall be consolidated and the Board shall consider the action as one.
 3. **Withdrawal of Consent to Remain on Campus:** The CEO (or designee) may notify a respondent that, for whom there is a reasonable belief that he/she may willfully disrupt the orderly operation of the campus, consent to remain on campus has been withdrawn. If the respondent is on campus at the time, he/she must promptly leave or be escorted off campus.

Any respondent as to whom consent to remain on campus has been withdrawn who knowingly reenters the campus during the period in which consent to remain on campus has been withdrawn, except to attend a hearing on the appeal of the withdrawal of consent to remain on

campus, is subject to arrest under Penal Code Section 626.4.

- F. CEO:
- Not later than twenty (20) days after the date appearing on the written appeal of the student respondent; or the report of the student conduct committee, if any, whichever is latest, written notification of the CEO's decision shall be delivered to:
1. the student respondent;
 2. the chair of the student conduct committee, if the committee heard or reviewed the case and made a report to the CEO, and
 3. the Office of the Dean of Students.
 4. The CEO may also notify other parties of his or her decision. The CEO may direct the dean of students (or designee) to notify others, if there is an institutional interest in doing so, and if such parties are authorized to receive such information under the "Santa Clarita Community College District Policy on the Disclosure of Information from Student Records."

5531.6 Disciplinary Files

- A. The College considers disciplinary files generated by disciplinary due process to be confidential.
- B. Such disciplinary files will be kept separate from other, nondisciplinary/files, retained by the College.
- C. With the exception of cases ending in expulsion from the College, disciplinary files shall be retained for four (4) years following the conclusion of the sanction. At such time, both electronic disciplinary files and paper disciplinary files will be destroyed.
 1. Disciplinary files for cases that result in the expulsion of a student will be kept indefinitely.
- D. The dean of students (or designee) may grant exceptions to this timeline.

STUDENT SUCCESS AND SUPPORT PROGRAM – STUDENT RIGHTS AND RESPONSIBILITIES

The Student Success and Support Program brings the student and the District into agreement regarding the student's educational goal through the District's established programs, policies, and requirements. The agreement is implemented by means of the student educational plan (SEP). The College will establish an early alert program to monitor the student's progress through their educational pathway. The student will be advised when, in the judgement of district personnel, the student has wavered from their pathway. In such a case, the college will provide students with strategies or requirements to stay on their pathway.

Student Success and Support Program services include, but are not limited to, all of the following:

- Orientation on a timely basis, information concerning campus procedures, academic expectations, financial assistance, pathways for completion, and any other appropriate matters.
- Assessment into Math and English/ESL

- o Administration of assessment instruments to determine student competency in computational and language skills
- o The District shall not use any assessment instrument except one specifically authorized by the Board of Governors of the California Community Colleges.
- Counseling or advising upon enrollment, which shall include, but not be limited to, all of the following:
 - o Assistance to students in the identification of aptitudes, interests and educational objectives, including, but not limited to, associate of arts degrees, transfer for baccalaureate degrees, and certificates and licenses
 - o Evaluation of student study and learning skills
 - o Referral to specialized support services as needed, including, but not limited to, federal, state, and local financial assistance; health services; mental health services; campus employment services; extended opportunity programs and services; campus child care services programs that teach English as a second language; and disabled student services
 - o Course selection
- Follow-up services, and required advisement or counseling for students who are enrolled in remedial courses, who have not declared an educational objective as required, or who are on academic probation or dismissal.

The Student Success and Support Program will assist students in the following ways:

Clarifying the Path

When a student applies to the College, the College will make every effort to clarify the student's pathway choices.

- A. To clarify the path, the student will:
 - Identify an education and career goal;
 - Identify course of study;
 - o this may include identifying a major or meta-major
 - Be assessed to determine appropriate course placement; and
 - Complete orientation.
- B. The College will:
 - Provide the student with career exploration;
 - Provide assistance determining an educational and career goal;
 - Provide a college orientation;
 - Provide assessment into course placement; and
 - Develop an appropriate one-semester education plan.

Enter the Path

- A. To assist a student on entering a pathway, the student will:
 - Participate in the development of the abbreviated student educational plan either with an advisor, counselor, or online;

- Complete a comprehensive student educational plan no later than the term after which the student completes 15 semester units of degree applicable credit coursework;
- B. The College will:
 - Assist in the development of a student education plan.
 - Offer tutorials and workshop to help develop an online education plan;

Stay on the Path

- A. Once the student has selected a pathway, the student will:
 - Diligently attend class and complete assigned coursework; and
 - Complete courses and maintain progress toward an educational goal.
- B. The College will:
 - Provide counseling or advisement to students who decide to change their major; and
 - Engage with a student who might be wavering from their education pathway.

Exemptions to the above matriculation steps are made for the following students:

- Instructional Service Agreement students are exempt from orientation, placement, and educational planning.
- Concurrently enrolled high school students are exempt from placement testing and educational planning.

ONBOARDING

At College of the Canyons, each new student will be required to go through the onboarding process; including:

1. Complete the College of the Canyons online application
2. Complete the Free Application for Federal Student Aid or Dream Application
3. Complete assessment and advisement
4. Complete orientation

Once the student has completed the online application, we ask that all students complete the Free Application for Federal Student Aid (FAFSA) or the Dream Application. Each student will be required to complete the assessment, a 15-20 questionnaire based on your high school coursework to place the student into math, English/ESL. All students are required by law to be placed into transfer level math and English. Please see Title 5 section 55522 for more information.

Once the student completes the assessment, they will then meet with an advisor to review the students educational goal, major, career interests, services on our campuses, and develop a one semester education plan. Finally, the student must complete the online orientation to receive their priority registration date. The orientation reviews mandatory information that must be provided to each student, including how to register, repeatability, academic standards, assistance on campus, and how to use our online tools.

Once all 4 steps are complete, the student is prepared to register for their first semester on their assigned priority registration date. All registration dates will be available in My Canyons on the dates below.

Fall 2019 registration dates will be posted to My Canyons on July 1, 2019.

Winter and Spring 2020 registration dates will be posted to My Canyons on October 1, 2019.

Summer 2020 registration dates will be posted to My Canyons on April 1, 2020.

CONFIDENTIALITY OF STUDENT RECORDS AND ACCESS TO RECORDS

(Family Educational Rights and Privacy Act)

College of the Canyons maintains student records to ensure the privacy of all such records in accordance with statutes set forth in the Family Educational Rights and Privacy Act of 1974. By law, the College shall not permit access to or release of records or information to outside agencies without an educational interest unless the College obtains the student's written permission.

This statute applies regardless of the student's age. Once a student under the age of 18 is admitted, they are considered a college student and this law applies to their records.

The one area of student records that can be released is called "Directory Information." Directory information is defined as: student's name, district provided email address, current enrollment status, dates of attendance, major field of study, degrees and awards received, participation in officially recognized activities and sports, weight and height of members of athletic teams, and the most recent public or private school attended by the student. Directory information will only be blocked from release by written request of the student. Students may file a written release to block such information in the Admissions & Records office. The College, at its discretion, may limit or deny the release of student directory information to public or private persons or organizations based on the best interests of the students.

In accordance with the privacy act, the College also has the right to release students' records to institutions and agencies on the basis of educational interest. These are examples of situations where records would be released on the basis of educational interest: College officials, state and federal educational and auditing officers, requests in connection with the application for or receipt of financial aid, subpoenas, recovery services, book publishers in accordance with online tools used in the classroom, and court orders.

Any student has the right to inspect and review his or her student records, within five days of making an official request. The student may challenge the accuracy of the record or the appropriateness of its retention. Records maintained under this statute include, but are not limited to information regarding: college admission, registration, academic history, official transcripts from other schools and colleges, career, student benefits or services, extra-curricular activities, counseling and guidance, discipline or matters related to student conduct and any

other information the college feels appropriate. All official transcripts from other schools and colleges become property of the College upon receipt and photocopies are not released.

The College makes a reasonable charge for furnishing copies of any student record, except for the normal college procedures that apply to transcript requests. Particular questions with respect to students' rights under the Family Educational Rights and Privacy Act of 1974 should be directed to the director of admissions & records.

BP 3900 SMOKING/TOBACCO USAGE IN AND ON CAMPUS FACILITIES

In the interest of promoting health and well being of District students, staff and visitors and maintaining the safety of District facilities, it shall be the policy of the district to limit or prohibit smoking/tobacco usage in and on campus facilities. This includes and is not limited to the use of an electronic cigarette/vapor, hookah pen or pipe, or other device to ingest flavored serums, with or without nicotine and which dispense vapors.

Administrative Procedure

AP 3900 Smoking/Tobacco Usage In and On Campus Facilities

- A. Student, employee, and visitor health is a primary concern of the Santa Clarita Community College District. Because of the clear evidence of the harmful nature of smoke inhalation and air contamination, the district, in accordance with state law, bans smoking/tobacco usage within all campus buildings and in any outdoor area except in designated smoking areas. This policy includes all college-leased and college-occupied buildings. In addition, smoking/tobacco usage shall be prohibited at events held on campus initiated by internal District users or external agencies as defined by the Civic Center Act. Further, smoking/tobacco usage is banned in the swimming pool area, in the Cougar Stadium, and in all College vehicles.
- B. Smoking shall be allowed in a designated area near Cougar Stadium. In addition, smoking is allowed in perimeter parking lots away from the central campus.
 1. Smoking is not permitted in the parking area directly adjacent to Boykin Hall and the lot adjacent to the Early Childhood Education Center.
 2. Following recommendations from the Health and Welfare Committee, other smoking areas may be designated by the chief executive officer of the District.
- C. All other tobacco usage in and on District facilities is expressly prohibited.
- D. Violators shall be subject to appropriate disciplinary action.
- E. Questions regarding this policy shall be directed to the chief executive officer of the district or his/her designee. Any review and decision by the chief executive officer of the District or his/her designee shall be deemed to be final.

SUBSTANCE ABUSE PREVENTION INFORMATION

As students and employees you should be aware that illicit drug use and alcohol abuse may lead to financial, health, psychological, work, school and legal problems. College of the Canyons presents these facts to make you aware of the dangers of abuse of illicit drugs and alcohol.

HEALTH RISKS

The following are commonly abused drugs and their associated health risks:

Alcohol

- Brain, heart, liver disease
- Fetal alcohol syndrome
- Some forms of cancer
- Addiction
- Reduced life expectancy
- Death from severe overdoses causing respiratory and heart shutdown

Alcohol is involved in two-thirds of violent behavior, one-half of all injuries, one-third of all emotional difficulties and one-third of all academic problems on college campuses. The use of alcohol is detrimental to athletic and academic skills, and impairs concentration, judgment and body coordination.

Marijuana

- Breast enlargement in men
- Increased appetite
- Loss of motivation and purpose
- Heavy psychological dependence
- Loss of sex drive and reduced fertility
- May cause heart and lung damage
- Insomnia for up to 6 months after quit using

Cocaine

- Excitability and restlessness
- False feeling of self-confidence
- Painful nose bleeds and nasal erosion
- Quick addiction
- Depression
- Easy overdose leading to heart failure
- Crack babies
- Behavior leading to exposure to the AIDS virus and syphilis

Stimulants

- Loss of appetite
- Insomnia
- High distractibility
- Anxiety and severe depression
- Suicidal tendencies, anger, violence, and psychotic or criminal behavior

In addition to the above, opiates, depressants, delirants, hallucinogens and tobacco have significant health risks. Tobacco use is the leading preventable cause of disease and premature death in the United States. Tobacco use causes more deaths each year than alcohol use, car crashes, suicide, AIDS, homicide, and illegal drug use combined. Save your health and your money, schedule a free appointment with the tobacco cessation counselor at the Student Health and Wellness Center (661)362-3259.

Therapeutic drugs, when used for medical treatment, can have beneficial and predictable results. Drugs used for non-medical reasons can cause serious physical and psychological problems.

APPLICABLE LEGAL SANCTIONS

Laws and regulations forbidding substance abuse include the Federal Controlled Standards Act, the California State Business and Professional Code, and the California State Penal Code.

Legal sanctions may be taken against you if you are:

- Driving under the influence of any drug,
- In possession of illegal drugs or controlled substances,
- Using a false I.D. to obtain alcohol,
- Obtaining or providing alcohol for people under legal age,
- Giving prescription drugs to others,
- Selling any drug or controlled substance.

Santa Clarita Community College District Board Policy

In accordance with Public Law 101-226 DRUG-FREE SCHOOLS AND COMMUNITIES ACT AMENDMENT OF 1989, the Board of Trustees of Santa Clarita Community College District prohibits the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees on College property and as part of any College-sponsored or sanctioned activity.

Any student or employee in violation of this policy is subject to disciplinary action up to, and including, expulsion from college or termination from employment and referral for prosecution for violations of the standard of conduct.

The decision to take disciplinary action in any such instance rests with the Board of Trustees after consideration of the recommendation of the Chancellor of the College.
