Write a list of things about going to college that you believe annoy students:

Write a list of things that you believe cause students to “drop” or “stop” out of college at COC.

What can **you** do to engage students?

What can you do to help students get through their lower division coursework in less time?

What do you do to help students persist and complete?

What do you think COC can do to attract more students?

How do you help your students get involved and engage?

What do you think your students expect from you?

How well do you think you know the programs of study and workforce that exist at College of the Canyons?
