

Chancellor's Report and Update

Board of Trustees Meeting
May 11, 2022

Our COC Team and Students Stand Out!

Athletics Update

Men's Golf

- Canyons played its way to an **11th** consecutive **Western State Conference (WSC) Championship**, and had three players tie for runner-up status in the individual standings, during the conference finals on April 25th.
- On Monday, Canyons finished in third place — but just one shot back of the leader — at the **CCCAA Southern California Regional Championships** at Olivas Links Golf Course ... That performance allows the Cougars to advance to next week's **State Championship** event in Soboba Springs.
- This will mark the **25th** time in program history that the Golf team will be completing at the state tournament

Athletics Update

Track & Field

- College of the Canyons claimed two individual Western State Conference (WSC) Championships, as **Matthew Ballentine** took the top spot in the javelin and **Layne Buck** won the long jump during the **WSC Track & Field Prelims** at Cougar Stadium on April 22nd.
- The following week, at the WSC Championships meet, COC finished eighth in the team standings on both the men's and women's side but had several individual student-athletes qualify to compete at the CCCAA Southern California Prelims last Friday.
- Based on those performances, Canyons will now send Ballentine, Buck and freshman **Milca Osorio** to compete across **six** events at the **CCCAA SoCal Regional Championship** meet this Friday, May 13th in Moorpark.

Student Wins African Heritage Award

Engineering major **Jammal Yarbrough** is one of 14 students, and the only community college student, from across the nation to be selected for the inaugural class of (**Tyco Electronics**) **TE Connectivity's African Heritage Scholarship Program**.

- The **\$3.5 million** scholarship program will create new opportunities in the technology industry for top-performing Black and African American students, while further diversifying the company's workforce.
- The **two-year** program includes a paid **10- to 12-week internship** and scholarship funds of up to **\$22,500** per year.
- Yarbrough will begin his paid internship at TE's aerospace, defense and marine business in Middletown, Penn. in just a month.

COC Students Win at California FBLA-PBL State Conference

Seven students from **COC Future Business Leaders of America – Phi Beta Lambda** competed at the *2022 Spring FBLA-PBL California State Business Leadership Conference* held in San Francisco on April 22-24th.

- Over 100 students from colleges and universities across California participated in the first in-person state conference held since 2019.
- Our team was able to bring home **seven 1st** place awards, **three 2nd** place awards and **two 3rd** place awards.
- COC student **Chanchol Krasaesin** was elected to the *California PBL state leadership team* for the **2022-2023** term.
- A big congratulations to our student team!

PHI THETA KAPPA
HONOR SOCIETY

Students to Participate in Lunar Mission

The **Astronomy & Physics Club** has been selected to participate in *GLEE (Great Lunar Expedition for Everyone)*, a science and technology mission to the surface of the Moon conducted by students from around the world.

- GLEE will mix space science, technology demonstrations, and hands-on activities, as well as test technology with hundreds of student-built "LunaSats."
- The project's lead organization is the **Colorado Space Grant Consortium.**

Student Representation at the Voter Youth Summit

\$646K to Support Welding Technology

The college has been awarded **\$646,345** from the National Science Foundation to support a ***Welding Education Smart Technology*** project, which will integrate smart technology platforms, paired with industry-recognized stackable certificates, into the curriculum to improve welding education. Key activities include:

- Outfitting the existing welding technology lab with state-of-the-art “smart” welding systems for more hands-on training time, instant assessment of welds, higher-quality training, and improved safety.
- Creating a pipeline of skilled works to meet industry demands.
- Aligning the curriculum to the smart technology students will encounter in the workforce.
- An estimated **300** students will benefit during the grant period.
- Congratulations to **Tim Baber** (project director) for his tenacity in securing this grant!

COC Scholarship Awards

The **2022 Scholarship Awards** recipients were announced on Monday, April 25th.

- **319** Scholarships were awarded to **301** individual students, totaling **\$280,950**.
- A special **Scholarship Reception** event to honor the donors and connect them with the student recipients will be held on **Wednesday, May 25th** in the **University Center lobby**.

What's New On And Around our Campuses

Engage the Vote Sign Painting

The Center for Civic Engagement and its *Engage the Vote* and *PLACE Action Teams* partnered with Los Angeles Artist Deborah Aschheim on April 13th to pilot the first of several planned student *Get Out the Vote sign-making* activities to encourage participation in the upcoming June 7th California Primary.

- Participants met in **Mentry Hall 109**
- Deborah provided some basic painting tips
- Students reflected on personal messages for their signs.
- Signs will be displayed on campus closer to the election. Additional sign-making events will also take place this fall

“Ready to Work” Academy Returns

On hold for more than two years because of the pandemic, the *Ready to Work Academy* is returning to College of the Canyons.

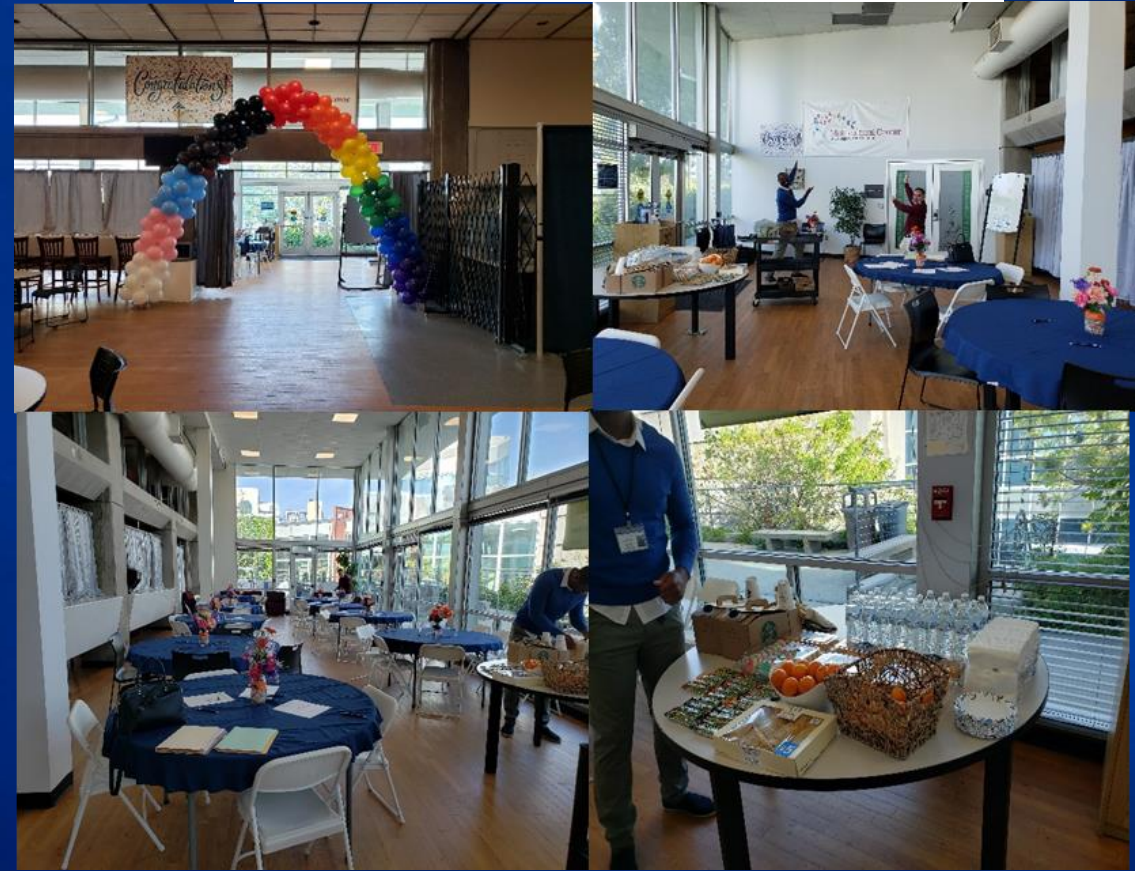

- The program, a partnership between the college and **Carousel Ranch**, provides *certificate courses* and work experience to young adults with special needs.
- Courses offered include *Workplace Skills in Customer Service for Retail, Food Service and Hospitality*, and *Warehouse Fulfillment and Logistics*.
- Students participate in training courses and work experience at partner companies such as Starbucks, Holiday Inn Express, Bluemark, and AMS Fulfillment.

Interim Multicultural Center Open House

The **Multicultural Center** Grand Opening was held on **Monday, April 18th**.

- The Interim Multicultural Center is on the north side of the cafeteria until our permanent space is ready in early Fall on the first floor of Bonelli.
- Approximately **100+** people attended throughout the day.
- Events are planned throughout May and the summer in the new center.
- Thank you to Flavio, MCC Director and our DEI Coordinators Brandon Ashford, Samantha McCray and Ciara Asberry, who help staff the center.
- Please stop on by!

CPT Plans for the Road Ahead

The **College Planning Team** held its spring retreat on **Monday, April 18th**, with attendees gathered in the University Center and on Zoom to consider “*Planning for the Road Ahead.*”

- A panel of community experts from local government and business shared data on our region’s economy and their perspective on emerging workforce needs.
- **Van Ton-Quinlivan**, former *Executive Vice Chancellor* of the California Community Colleges and current CEO of **Futuro Health**, highlighted opportunities for forging better connections between employers, workers, and colleges to provide in an uncertain economy.
- Keynote speaker **Matt Sigelman** shared data illustrating the unprecedented pace and shape of skill change required in the current workforce today, and pointed to the challenges and opportunities this creates for community colleges.

Spring Star Party

The always-popular Star Party returned to the Canyon Country campus on **Friday, April 22nd**.

- An estimated **250-300** guests turned out, including students, faculty, staff and community members.
- The keynote speaker, **Dr. John Callas (JPL)**, was engaging and captured attention with his interesting comments on robotic exploration of Mars.
- The event had a very solid turnout of campus programs/clubs at tables showcasing interactive experiments and demos.
- Telescopes were available to visitors to view the skies.

INTO THE WOODS

The Theatre Department presented "*Into the Woods*" on the Main Stage of the Performing Arts Center from Friday, April 22nd to Sunday, May 1st.

- This production marked the return of the annual musical on the Performing Arts Mainstage. The last musical production on the PAC mainstage was the production of "Bright Star" in Spring 2019. It was very well received by the general public, and students
- The musical is a capstone project for a more than seven of our theatre courses, including: *Acting Fundamentals*; *Scene Study*; *Musical Theatre I & II*; *Technical Theatre I & II*; *Stagecraft*.

All Campus Budget & Enrollment Presentation

Sharlene Coleal, Omar Torres, Jason Hinkle, and I gave an *All Campus Budget and Enrollment Management* presentation on **Tuesday, April 26th** with about **40** people in attendance in person and over **100** in attendance via zoom.

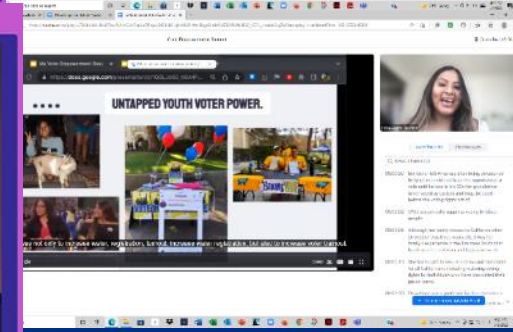

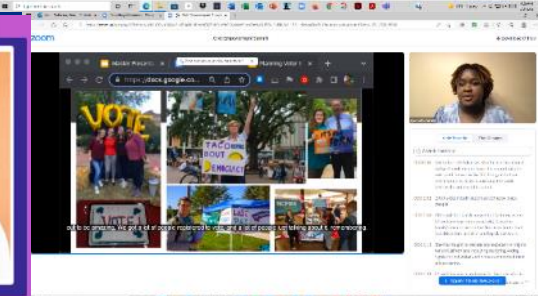

This was an opportunity to review the major happenings in the State as it relates to Community Colleges, how they affect College of the Canyons, and how we plan to move forward with what we know. Some of the highlights of the presentation are below

- An overview of the California Economy and the Governor's January Budget Proposal.
- A look at the SCFF, what it was designed to do and how it is working (or not working).
- How College of the Canyons is moving forward with Enrollment Management.
- A look at what COC's budget might look like in 2022-2023.
- Advocacy efforts from the District and System-wide.

Civic Empowerment Summit

The *Center for Civic Engagement*, in collaboration with *A Band of Voters*, *Student PIRGs*, and *Democracy Works* hosted a virtual Student Civic Empowerment Summit on Friday, April 29th.

- 80 participants from CCC, CSU, and UC joined the event to learn about the importance of voter engagement.
- California Secretary of State, **Dr. Shirley Weber** provided a historic overview and rationale behind **California AB 963**, and the mandates public colleges and universities must meet.
- The keynote session was followed by student speakers from around the state, who discussed ways to create a campus vote plan.

Classified Appreciation Week

Last week marked our annual “Classified Appreciation Week” with this year’s theme *Cruising Out of Covid*.

- To kick-off the week, all classified and confidential employees were invited to a **breakfast** at the Canyon Country Campus on May 3rd.
- On Tuesday, May 5th a luncheon was held in the West PE Gym.

 - *Gloria Jackson Service Award* – **Justin Bradshaw**
 - *Employee of the Year* – **Chad Estrella**

College Commended for Leadership

Los Angeles County Fifth District Supervisor **Kathryn Barger** recognized College of the Canyons last week at the annual *State of the County luncheon* for the support the college provided to the community throughout the pandemic.

- Barger presented me with a commendation recognizing the college's leadership in providing a COVID-19 testing site for the community.
- The drive-through location was staffed initially with the help of COC nursing students, and has administered thousands of tests in the two years it has been open in the parking structure at the Valencia campus.

Science Talk's Garden Walk Event

Last Friday, **May 6th**, a group of students, faculty, staff and community members were treated to an educational morning at the Canyon Country campus led by professor Jeannie Chari, that included:

- A discussion on bio-diversity tips and techniques
- A walk throughout the campus identifying and collecting plant and insect specimens
- Exploring in the lab with microscopes

It was perfect weather and a great morning for all!
