Recognition

Recipients of the 35th Semi-Annual Sociology Book Award

Congratulations to the following students on their selection for the **Fall 2021 Sociology Book Awards**.

➤ Recipients:

- **1st Place: Brielle Cohen** (MESA student) for her artwork titled, "**Bittersweet**" - **\$250 Award**
- **2nd Place: Angela Baluyut** for her artwork titled, "**Looking Ahead**" - **\$150 Award**
- **3rd Place: Andrew Kim** for his essay titled, "The Essence of "**Now' on Gun Control**" - **\$100**

- These awards are in their 18th year, totaling **\$18,000** in awards to date.
- These works will be posted on the Sociology Department webpage to view: <http://www.canyons.edu/socioaward>.
- We congratulate these students and to everyone who has helped to share this opportunity with our immensely talented students at COC

Congratulations Coach Herrick!

A big Cougar congratulations goes out to College of the Canyons **Women's Basketball Head Coach Greg Herrick** for winning his **600th** career victory at the college on **Dec. 17th**, as the Cougars fought for a historic **78-67** win over Rio Hondo College during day one of the **Glendale Crossover tournament**.

- Herrick's impressive **30-year** tenure at College of the Canyons has included:
 - **16 Western State Conferences (WSC), South Division Championships** (1994, 1995, 1997, 1998, 2000, 2001, 2004, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2016 and 2018)
 - **23** trips to the **CCCA Southern California Regional Playoffs**, including a run of **21** straight appearances from 1994-2014
 - **10 WSC, South Coach of the Year Awards**
- Canyons started the month of January with an **11-3** overall record, ranking No. 6 in the state.

Canyons Football Holds 12 Spots on SCFA All-Northern League Team, Three Named All-State, Gilmore an All-American

COC had **11** players representing 12 spots, including **four unanimous** selections, named to the **2021 Southern California Football Association (SCFA) National Division, All-Northern League Team**. Wide receiver **Tiquan Gilmore** was honored as a unanimous selection on the *SCFA First-Team Offense* as a wide receiver, and the *First-Team Defense* as a kick return specialist.

- Additionally, Gilmore was joined by offensive lineman **Justice Spates** and defensive tackle **Taylor Lewis** on the **2021 Region III All-California Community College Football Team**.
- Gilmore was also named to the **2021 California Community College Football Coaches Association (CCCFCA) All-American Team** as an All-Purpose selection.

Brooks Named Conference POY, All-Region & All-State to Headline Women's Soccer Awards

COC freshman forward **Rebekah Brooks** has been named the **Western State Conference (WSC), South Division Offensive Player of the Year**, in addition to earning All-Region and All-State honors.

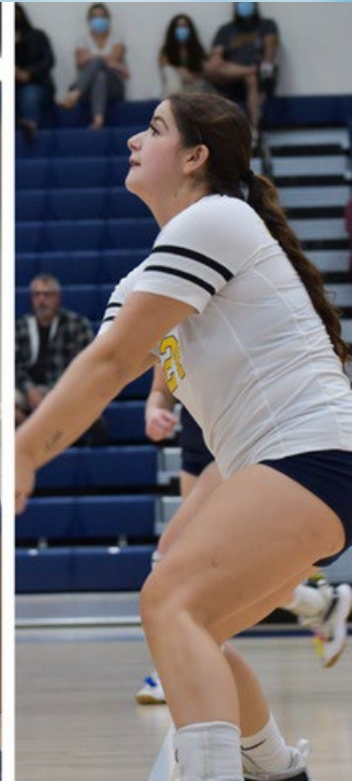

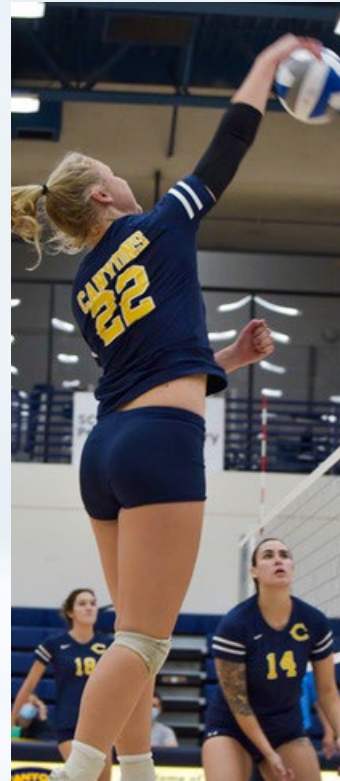

- Brooks finished her freshman campaign with **19** goals and four assists for **42** total points. She is the **eighth WSC, South Player of the Year** honoree in COC women's soccer program history.
- **12** players were named to the **All-WSC, South Team**. Including five First-Team selections.
- COC head coach **Justin Lundin** was named the **WSC, South Coach of the Year** for the **seventh** time of his career

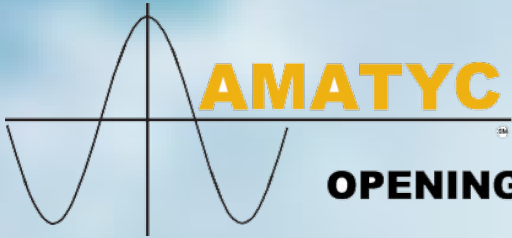

Women's Volleyball Earns All-WSC Accolades

COC Women's Volleyball had six players earn **All-Western State Conference (WSC), South Division** accolades.

- **Caitlin Liebe** and **Abby Sherman** were selected as *All-WSC First-Team* members.
- **Damani Harvey** and **Rhiannon Boddy** were both *All-WSC Second-Team* honorees.
- **Breanne Kelley** and **Jacqueline Ibarra** were both named *All-WSC Honorable Mention*.
- The Cougars recorded three postseason wins to advance to the **CCCAA State Championship Tournament** for the **fourth time** in program history, and finished the year as the No. 8 ranked team in the state according to the final CCCWVCA statewide rankings.

Highest Math Score in Nation

OPENING DOORS THROUGH MATHEMATICS

All Regions Standings		
Region	College	Team Score
West	College of the Canyons	66.5
Southeast	Cape Fear Community College	66
Northwest	Bellevue College	62.5
Central	Johnson County Community College	61.5
Southwest	Tarrant County College	59
Central	Normandale Community College	57.5
Midwest	Oakland Community College	56.5
Mid-Atlantic	County College of Morris	46
Central	Western Nebraska Community College	44.5

College of the Canyons received the highest team score in the nation for the **American Mathematical Association of Two-Year Colleges (AMATYC) Student Mathematics League Test**.

- *Congratulations* to students **Praneel Samal (first place)**, **Roman Yakunin (second place)**, and **Melquicedec Avila-Cruz (third place)** for their achievements on this challenging exam.
- A big "thank you" to **Violeta Kovacev-Nikolic**, **Ruzanna Baytaryan**, and **Jim Gilmore** for their commitment to administering the exam every year.

Aerospace & Science Team Donation

Teresa Ciardi and I posed with a mock check representing a **\$500** donation by **S.T.R.E.A.M. Global Innovations**.

- The donation for the team's **HASP** and **RockSatX** projects was announced during the **S.T.R.E.A.M. Turns 7** fundraising event at the Hyatt Regency on Dec. 2nd.
- Teresa Ciardi and 2 students, Project Manager **Natalie Aliaga** and Electrical Systems Lead **Jammal Yarbrough**, were invited to attend and Ms. Aliaga was a guest speaker at the event.
- Founders **Naomi Knight** and **Nikia Richards** expressed appreciation for our efforts to support diversity in STEM through participation in NASA projects.

COC Team Selected for NASA RockSatX 2022 Mission

COC students have been selected to be on this year's flight manifest launching in **August 2022** out of **NASA Wallops Flight Facility**. This is a huge accomplishment for the Aerospace and Science Team locking in our position for a ***third year running***.

- Students have built upon 2019 and 2021 designs culminating in a system that will provide more lift, be more reliable, and be more structurally robust than previous years.
- Our Team competed with several university teams for a spot on the rocket
 - We presented **3** design reviews to NASA; and
 - We survived the down select process each time!
- This year's team consists of a diverse representation of students who are African American/Black, American Indian, Asian, Hispanic/Latino/Latina, Indian, Japanese, Korean, Mexican, Middle Eastern, White, Male, Female, and non-binary.

Employee Training Institute Receives Highest Employment Training Panel Contract Awarded!

ETI has been awarded **\$1.5M** in **Employment Training Panel** funds as part of the CA Community College Fund. This is our **16th contract** and **DOUBLE** our last award!

- This contract enables us to serve priority industries (not all industry sectors are included), nonprofits, and government agencies with state funded training.
- There are eligibility prerequisites including wage and employee retention requirements.
- This is a ***two-year performance-based*** contract intended to support California's economic recovery with Equity.

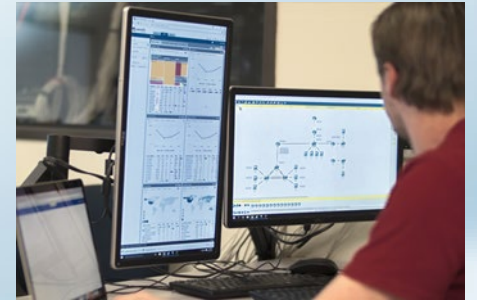

Employment Training Panel

STEM Grant Update

National Science Foundation (NSF) S-STEM Equity Alliance (SEA) Scholar Program

- Grant Award Amount: **\$1,493,379**
- STEM students: Biological/Computer/Earth/Space Science/Mathematics.
- **100** student scholars (**5** Cohorts); participate **2** years; earn associate degree, join STEM workforce or transfer to a four-year university.
- Support lower enrollment and graduation rates amongst Latinx, women, first-generation college students, and low-income students.
- Faculty/Student mentoring relationships:
 - Academic support programs (with MESA).
 - STEM career exploration.
 - Facilitate transfer preparation
- **End Result:**
 - Increase and improve equity, diversity & retention of students graduating and transferring in STEM disciplines
- Congratulations to **Dr. Patricia Foley**, Chemistry instructor, for her work in successfully applying for this opportunity to serve our STEM students.

What's New On And Around our Campuses

Division of Workforce and Economic Development

At College of the Canyons, the **Economic Development Division** is evolving with new programs specifically designed to address the **emerging skills** necessary to dominate the *Future of Work*.

To that end, we are proud to announce the *name change* for our division: **Division of Workforce and Economic Advancement (DWEA)** at College of the Canyons. This change in our name serves to highlight our focus on the *Workforce Advancement* to keep businesses in California strong and ready to meet and exceed customer expectations going into the future!

Canyon Country Campus Update

CCC Takeda Science Center

- The Takeda Science Center provides opportunities for lab/classroom instruction and student engagement. The **Spring 2022** schedule includes close to **70** classes within the facility as part of **150+ on-ground CCC classes**.

CCC Student Services & Learning Resources Center

- Construction continues on this facility, which provides one-stop student support along with classrooms, tutoring, library, meeting, and study spaces. Construction is expected to complete in **Summer 2022**.

Also note: CCC also has a weekly vaccine/booster clinic on campus and is expected to resume daily testing the week of the 24th.

Grant Development Update

Grants Development is hard at work on many upcoming grant opportunities, including anticipated **applications supporting STEM, Veterans, Career Education, and Workforce Engagement** with NSF, DOE, CCCCO, EDA and DOL grants.

- Current awards total **\$4,736,620** in grants to-date for 2021/2022.
- The team recently welcomed **Cheryl Dettrick** as a new **Grant Writer**, supporting Amber Cole, Director. Together, the Grants Development Team is sustaining momentum and actively pursuing new funding opportunities.
- The Grants Development Team continues to work closely with many partners to support program needs and strategic goals.
- Stay tuned for updates on a future ***Meet the Grant Makers*** event.

The Uniquely Abled Academy is Back

The **Uniquely Abled Academy (UAA)** has once again opened its doors to train high-functioning individuals with autism in the knowledge and skills necessary to begin a career as a ***CNC Machine Operator***

- Announcing our new ***CACT (Center for Applied Competitive Technologies)*** advanced computer numeric control (CNC) machine lab co-located at **B&B Manufacturing**.
- This award-winning ***Fast Track Institute*** program is a **12-week, 380-hour** program providing valuable industry credentials and training for graduates.
- We have **10** participants enrolled in our latest cohort.
- Special thanks to our colleagues at Canyon Country Campus and Valencia Campus for facilities and support!
