Nursing students are pinned-back in the PAC

On **December 7th**, *College of the Canyons Nursing graduates* celebrated their traditional pinning ceremony, signifying their completion of the nursing program. The **36** graduates were joined by friends and family in the **Performing Arts Center**, the first pinning ceremony held there since December 2019.

- I spoke to the students about their commitment to their own education during the challenges of COVID and applaud them for never giving up.
- Dr. Larry Kidd, of Henry Mayo Newhall Hospital, spoke about the importance of compassion and self-care, as our graduates transition to clinical practice.
- Student speakers shared about the joys of their achievement and thanked COC nursing faculty and Dean Kathy Bakhit for helping them to complete all clinical requirements through innovative methods, including telehealth, the COC COVID test site, virtual and on-the-ground simulation, and COVID vaccination sites.

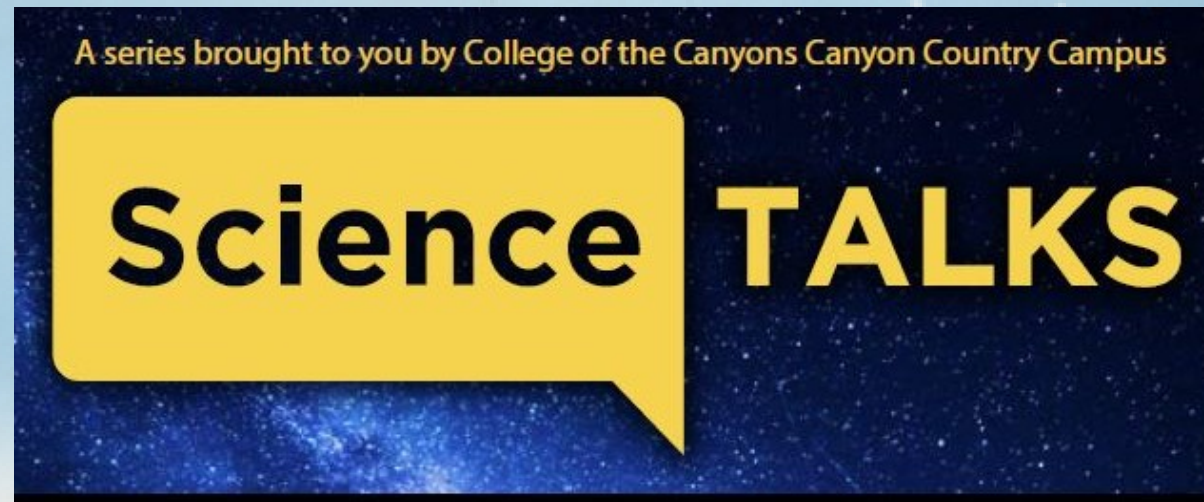

What's New On And Around our Campuses

Science Talks

Fresh off the heels of October's successful Star Party, Canyon Canyon hosted a virtual **Science Talks Series** event on **Friday, November 19th**.

- Professor **Shane Ramey** led participants on a virtual tour of the **Don Takeda Science Center's microbiology laboratory**, one of the region's most advanced instructional labs.
- From wireless microscope cameras to iPads to the "cloud," viewers were able to see how our students are using the latest technology.

TLC "Dreamboard Event"

TLC, in partnership with **ASG**, hosted its final event of the semester on **Monday, November 29th** with its ***"Dreamboard Event"*** where students had the opportunity to share how TLC has helped them this semester and how we can help them in the future.

- In return, students received free hot cocoa and delicious treats.
- A special thank you goes out to **our ASG Officers, Abigail and Samantha**, for their dedicated work helping to coordinate and fund the event

The image is a promotional poster for the TLC Dreamboard Event. The poster has a dark blue background with a yellow border. At the top left is a white thought bubble icon. At the top center is the TLC logo with the text "THE LEARNING CENTER" and "WE'RE OPEN!". Below the logo, the title "TLC DREAMBOARD EVENT" is written in large, white, serif capital letters. Underneath the title, the date and time "NOV 29, 2021 @ 11:30 - 1:30PM" are listed in a smaller white font. A yellow text box contains the message: "Students shared how TLC has helped them now and how they can help in the future:". Below this, a list of student testimonials is provided in white bullet points. To the right of the text are four photographs: a student writing on a whiteboard, two students writing on a whiteboard, a student giving a thumbs up, and two students writing on a whiteboard. At the bottom right, the text "IN PARTNERSHIP WITH ASG" is written in white.

Chancellor's Circle Luncheon

On **November 30th**, the Chancellor's Circle Committee invited select, prominent community members to attend the ***Chancellor's Circle Luncheon***.

- There were a total of twelve attendees at the luncheon, which provided detailed information about College of the Canyons rich history and Chancellor's Circle Membership.
- The lunch was catered by Lucille's BBQ.
- Four of the twelve attendees were prominent community members.

Chancellor's Circle Business Briefing

Attorney **Brian Koegle** provided an *employment law update* at this month's **Chancellor's Circle Business Briefing** on **Thursday, Dec. 2nd**.

- New federal and state laws and regulations affecting businesses and employees were covered.
- Discrimination and harassment information about claims was shared.
- Steps to ensure compliance and avoid costly fines and litigation were provided.

Aerospace & Sciences Supported

Teresa Ciardi and students **Natalie Aliaga** and **Jammal Yargrough** represented the college's **Aerospace and Sciences Team** during the ***S.T.R.E.A.M. Turns 7*** fundraising event at the Hyatt Regency on **Thursday, Dec. 2nd**.

- The team received an award of **\$500** for the HASP and RockSatX projects, and Aliaga was recognized as one of the panelists.
- S.T.R.E.A.M. is a youth-founded nonprofit whose mission is to ensure all students have equal access to education and career opportunities.

Foundation Retreat

On **December 3rd**, the **Foundation Board** met at **Le Chene Restaurant** for their Board Retreat. The day began with **Paul** and **Lisa Raggio**, the brother and sister team from One True North, as they led the Board through a discussion about the mission and vision of the Foundation, and how each individual board member can contribute.

- Board members were asked to share their “**Superpower**” with the group. Superpowers ranged from some individuals being great at connecting with people and public speaking, to others who are very skilled at such things as organization and processes.
- As a group the Board discussed some of the committees that need more leadership, and several Board Members volunteered to chair some important committees, including Board Development.
- After the meeting portion of the day, the Foundation Board celebrated with a lovely dinner provided by Le Chene, and some jazz and holiday music performed by some of the instructors from local music school and store, **Impulse Music Company**.
