Maximum coverage amount	Up to 5 times your annual salary (\$500,000 maximum) in \$5,000 increments
Minimum coverage amount	\$5,000

Your employee AD&D coverage amount will reduce by 35% when you reach age 70, an additional 20% of the original amount when you reach age 75, an additional 15% of the original amount when you reach age 80, and an additional 15% of the original amount when you reach age 85. Benefits end when you retire.

### Employee & Family

As an alternative, you can secure AD&D insurance for yourself, your spouse / domestic partner, and dependent children by selecting family coverage. The amount of AD&D insurance for family members is equal to a percentage of your AD&D coverage amount. The payout percentage is based on family structure—who makes up your immediate family—when a loss occurs.

Spouse / Domestic Partner coverage percentage	50% of the employee coverage amount when the family is made up of only the spouse / domestic partner and the employee.
Child(ren) coverage percentage	20% of the employee coverage amount when the family is made up of only dependent children and the employee.
Spouse / Domestic Partner & Child(ren) coverage percentage	Spouse: 60% of the employee coverage amount when the family is made up of dependent children, the spouse / domestic partner, and the employee. Child(ren): 10% of the employee coverage amount when the family is made up of dependent children, the spouse / domestic partner, and the employee.

The spouse / domestic partner AD&D coverage amount will reduce by 35% when the spouse / domestic partner reaches age 70, an additional 20% of the original amount when the spouse / domestic partner reaches age 75, an additional 15% of the original amount when the spouse / domestic partner reaches age 80, and an additional 15% of the original amount when the spouse / domestic partner reaches age 85.
